That some consumers always insist on the largest size of eggs because they think they are a better buy?

That the Poultry Products Institute of Canada, Inc. advises that large eggs averaging 24 ounces to the dozen, are no more economical than medium eggs of the same grade averaging 21 ounces a dozen providing the medium eggs are one-eighth cheaper in price?

That small eggs averaging 18 ounces to the dozen are as economical as large eggs providing the price is at least one-quarter cheaper than the larger eggs?

That whether white or brown, the color of the shell makes no difference in the quality, food value or flavor of the egg inside?

**REVIVE YOUR RUGS**

When the pile of your wool or cotton rugs is crushed down because of furniture or the shuffling of feet, try a hot iron over a damp cloth on the spots, being sure not to press down on the iron.

Brush the spots briskly after the hot iron treatment, and repeat if the crushing is excessive. Use the same treatment on the front and back of carpet corners that curl.

## Dewberry Demons "Tattle"

The first six weeks of school have passed and we have finally found time to catch our breath.

Looking back over these first few weeks we find much has happened and from our experience so far we expect greater and better things to come.

ELECT UNION OFFICERS

The first Students' Union meeting was held on Sept 22. The offices are now held by:

President — Bill Huget
Sec-Treasurer—Charlotte Ryan
Vice-Pres. — Douglas Wilson
Social Convener — Ernie Smith
waite
Boys' Sports Convener — Russell Garnder
Girls' Sport Convener — Donna Fleming
Lunch Convener — Laura East

NEW TEACHING STAFF

An entirely new teaching staff has invaded the Dewberry school this year Because of an influx of high school students. Dewberry has become a two-teacher high school with Mr. Smith having grade 11 and 12 and Mr. Vezance grade 9 and 10 as their home rooms. The students change rooms for different classes We all appreciate this new arrangement because it makes it possible for us to get our senior matriculation in three years

SCHOOL INITIATION

With the new staff came the idea of initiation. Did you ever try to get anything out of a lecture given by a teacher wearing a baby's bib, earrings, cowboy hat, apron and make-up? We tried from Sept. 23 to 25 during initiation. The boys looked equally as comical with their hair parted in the middle, make-up outrageously applied, odd shoes, trousers rolled up above the knees and wearing one lady's nylon stocking. The girls looked as if they needed a lesson in the art of tidiness. They were wearing an oversized print dress minus the belt, men's wool socks, no make-up, with their hair straight and parted in the middle. You can imagine the fun the girls with new permanents had trying to get their hair straight especially Joan Parr who normally resembles 'Topsy' who just growed up!

SNAKE DANCE

On the last day of initiation we snake-danced through town. One victim found herself washing a window of the cafe with a toothbrush. Two more were walking down the street with an orange between their foreheads, some others were waltzing up the street and another was singing 'School Days' (any similarity to the original song was purely coincidental).

Court was held at the weiner roast after the snake dance We haven't seen the announcement as yet, but at court one of the grade ten girls found herself proposing to Mr Vezance, her teacher. To her great amazement he readily accepted

AMATEUR HOUR

Plans for an amateur hour have been completed in order that the decreasing funds of the Students' Union may be replenished. If you can sing, dance or just plain act the fool send your entries to Charlotte Ryan, Secretary-Treasurer of the Students' Union The committee will try to find a class into which your act will fall. Oh yes, the date of this effort is Nov. 8th in the Dewberry hall

For seven years, Canadians from St. Johns to Victoria have made it a habit to say 'Merry Christmas' to friends and relatives overseas — the CARE way. Thanks to this continuing support, this year the holiday parcels are bigger and better than ever. 19-21

**WELCOMES**

**NORTHWESTERN UTILITIES, LTD.**

**TO**

**VERMILION**

We take great pleasure in extending hearty greetings to Northwestern Utilities, Ltd., and their Natural Gas Distribution System which has proven so welcome to many of the larger centres in Northern Alberta. Natural Gas, light and power, makes Vermilion a good place to live.

# NORTHWESTERN UTILITIES, Ltd.

## WELCOMES VERMILION

Having purchased the assets of Franco Public Service, NORTHWESTERN UTILITIES, Limited, welcomes residents of Vermilion to its Natural Gas distribution system. This month, Vermilion shares with such northern Alberta centres as Red Deer, Lacombe, Ponoka, Wetaskiwin, Camrose, Viking, Vegreville and Edmonton, the efficiency and economy of Northwestern's system.

Northwestern Utilities, Ltd. pipeline construction in the Viking-Kinsella area

Coating, wrapping and laying Natural Gas transmission lines from the Viking-Kinsella field.

### NEW CONSTRUCTION

From the north-east corner of the great Viking-Kinsella gas field, NORTHWESTERN UTILITIES, LIMITED, has started a new, six-inch high pressure pipeline, to connect with existing installations at Vermilion, and assure an adequate, long-term supply of Natural Gas.

Completion of this pipeline will bring the Company's total transmission line mileage to over 500 miles. The gathering system consists of 161 miles of pipeline, which gathers gas from nearly 100 wells in the Viking-Kinsella field.

To operate and maintain this system, NORTHWESTERN UTILITIES, LIMITED, has a permanent staff of more than 380 persons. The Company's head office is in Edmonton and district service branches are maintained throughout the system.

### OFFICE & HOME SERVICE

The Vermilion office of NORTHWESTERN UTILITIES, LIMITED, will be in the same location as that previously occupied by Franco Public Service. Gas bills will be payable at this office, and a permanent staff under the personal direction of Mr. Jim Kirk, will be on hand for your assistance. As a Home Service feature, free recipes, cook books and specialty menus will be available.

### COOKING SCHOOL

Watch this newspaper for announcement of Your Gas Company's Cooking School to be held in Vermilion soon. Under the direction of the Home Service Department, these Cooking Schools have proven highly popular wherever presented.

## Sixteen Years Ago Today

*Nov. 4, 1937*

150 Masons participated Tuesday in the ceremonies connected with the opening of the new Masonic hall.

A meeting of ratepayers held at the Eltham school went on record as opposing the formation of the larger school administration units for a period of two years.

The largest gathering in the history of the Vermilion Board of Trade paid tribute to W. J. Elliott, former principal of the V.S.A. who has been transferred to Edmonton. Farewell presentations were made by the United church to Mr. and Mrs. Elliott and daughter Gertrude.

Vermilion Board of Trade were hosts at a banquet Monday evening in the Elks hall to representatives of the various gas, oil and research companies that are at present active in the area. 97 in all attended the enjoyable function.

A very quiet Hallowe'en night was observed with little in the way of mischief perpetrated.

## Thirty-two Years Ago Today

*Nov. 2, 1921*

Dr Scott was advertising for a silk-lined fedora lost at a dance.

H. E. Spencer was campaigning for the Federal election.

The high school literary society held their elections with the "Old Reliables" returned to power with Cleo Kennedy as president, Charlie Mooney vice-president and Ashley Cooper secretary-treasurer. Grade representatives were Irene McGee, Sybil Moore, Ethelyn Keys, Reggie Woods with Alizon Ebbett as editor.

No. 1 Northern wheat was 80c; oats 21½c; barley 32c.

## Of Many Things . . .

By AMBROSE HILLS

FARM PHILOSOPHER

Saturday I stole away from the city to hunt partridges and found a philosopher instead. I'd parked by a railroad track, walked a rail for half a mile (a trick I learned as a boy), climbed a fence and walked down an old road-allowance through the haze of a perfect autumn day. I had gone scarcely fifteen yards when a partridge flushed up at my feet and I raised my gun and fired. It never stopped.

I heard a chuckle near me. Turning, I saw a brown-skinned farmer, in a faded denim shirt, leaning against the stone fence.

"Mind me shooting here?" I asked.

He took the blade of sweet grass from his mouth, thought a minute, then said, "You don't seem to be depleting my wild game too much, son."

It was rather pleasant to be called 'son'. Made me forget I'm pushing 45. I offered him a cigar but he shook his head and started to thumb some tobacco into an ancient pipe.

"You from the city?" he asked—but it was more of a statement than a question.

I nodded.

"Thought so — way you climbed that rail fence. A mite awkward."

"I used to climb lots of fences when I was a youngster," I said, defensively. "I was raised out West."

"Folks forget," he said. "You ought to get out in the country more. Saw you walking that railroad. Pretty wobbly, you were."

I cleared the breech of my gun and sat on his stone fence. "Yes", I admitted. "I've been working so hard lately I've forgotten how nice it can be in the country."

"What do you do for a living, son?"

"I'm a writer."

He snorted. Then he said, "Well I'll give you something to write. You tell your friends in the cities that they'd better quit forgetting what it's like in the country. We're getting a mite tired of being forgotten."

"Maybe I'll do that," I said.

"Truckers go on strike," he said, "and it's my fruit that couldn't get to market. Them milk drivers did the same thing. Grain handlers, too. You fellows in the city, going after more money all the time, forget we got to trade with you. It's getting now so it costs us so much to operate a farm we can't sell our stuff — grain piling up, butter piling up, pork piling up."

"I'll tell them," I said, "but I don't know whether they'll pay much attention."

He tapped the tobacco from his pipe. "You'll find partridges on that ridge," he said, and started back toward his plow. I began to walk along the road allowance to the ridge. He called out to me once more. "Remind them of the '29 crash," he said. "Tell them to pull in their horns while there's time."

I shouted back that I'd tell them. But I'm still inclined to doubt that they'll pay much attention to me.

## Municipal District of Vermilion River, No. 71

TAKE NOTICE that the Council of the Municipal District of Vermilion River No. 71, proposes to pass a ZONING BY-LAW in accordance with the provisions of the Town and Rural Planning Act, 1953.

The proposed zoning by-law is required, among other things, for the purpose of:

*(a)* dividing the municipality into districts.

*(b)* prescribing the purposes for which buildings and land within a district may be used and prohibiting or regulating their use for any other purpose.

*(c)* regulating as to any district
(i) the height, ground area and bulk of buildings,
(ii) the depth, size or area of yards, etc.,
(iii) the maximum density of population,
(iv) the size of rooms and the means of lighting and ventilating buildings.

*(d)* prescribing as to any district the minimum size of parcels into which land may be subdivided, and the minimum site area required for any particular
(i) class of use, or
(ii) size of buildings, or
(iii) use to which a building is or may be put.

*(e)* prescribing building regulations.

*(f)* controlling the design, character and appearance of buildings erected in a district.

*(g)* regulating the public display of advertisement.

*(h)* prescribing a system of building permits.

A COPY of the by-law (and of the map(s) referred to therein) is (are) deposited at the office of the Secretary-Treasurer and may be inspected there at all reasonable hours.

AT 10:00 a.m. on Wednesday, the 13th day of January, 1954, the Council will hold a public hearing at the Municipal Office, Kitscoty at which objections to the proposed by-law may be made and discussed.

DATED this 27th day of October, 1953.

19-20c THOMAS WILSON, Secretary-Treasurer.

UNITED CHURCH GROUPS

The W.A. groups of the United church will hold their regular monthly meetings at the following homes, on Tuesday, Nov. 10: Mrs. Hardie's group at Mrs. Oakley's home; Mrs. Dale Williams' group at the manse; Mrs. Dougan's group at Mrs. W. Williams' home, Mrs. Allen's group at Mrs. K. Grenwood's home.

## WOODVALE

Our thoughts must have been wandering when we wrote about the old Woodvale school! It was opened 26 years ago and it was Miss Dorothy Mallinson (now Mrs. Wm. Doyle) who was the first teacher. Miss Chrisp was our second teacher and she had the large class of 38 children.

The children enjoyed a Hallowe'en party Friday afternoon with their younger brothers and sisters as special guests.

A dance will be held in Union school on Nov. 13 to raise funds for the Woodvale Christmas party. We hope everyone will remember the date. November will also bring two more weddings to our part of the country. 1953 seems to be setting a record for marriages around here.

Jim Ross, Harry Teasdale and Jim Pierman took advantage of the summer weather a short while ago and made a fishing trip with good results, except for Jim who lost his complete fishing tackle!

The Tolland store acquired a new modern scale, quite an improvement. The fascinating part is the mirror on it. No doubt about it, the sale of razor blades and soap should go up everytime the men folks look in it while watching the scales!

### Costlier Credit?

It may cost more to buy on credit after Dec. 1.

That's the opinion of acceptance and finance companies contacted by The Financial Post. The banks have increased interest rates on loans to these companies from 4½ per cent to 5 percent.

Some companies may absorb some of the extra cost involved. In any case it is only on new contracts that any increase will be felt. The rate in existing contracts cannot be changed.

A big factor in the situation is that the acceptance companies get only a part of their money from the banks.

# THE VERMILION STANDARD

Vol. XLV. No. 20. Vermilion, Alberta, Thursday, November 12th, 1953. $2.00 a Year

## Agricultural Society Scores Success With Purebred Livestock Sale

The Vermilion Agricultural Society's 8th annual sale of purebred livestock rang up another success on Thursday of last week when 35 choice hogs and 73 head of purebred beef cattle went under the auctioneer's hammer for a total of nearly $20,000. Hogs were offered for sale at the fair grounds and a large crowd of interested farmers gathered to bid excellent prices for the fine hogs at auction. Bids were readily made and it took Don E. Ball, well known auctioneer of Edmonton but an hour before the hog sale was complete.

$135 TOPS FOR HOGS

The top price paid for hogs was $135, several selling at this price; such well known breeders as Roderick MacMillan of Clandonald, Ernest Prill of Mannville, Jack Perkins of Wainwright, H. W. Hougham of Frenchmen's Butte, Sask., R. P. Tymchuk of Vegreville, Stanley Syvenky of Myrnam, W. R. Cornish, MLA, of Mannville, Douglas Clark and Emmett McLaughlin of Mannville and G. A. M. Bell of Vermilion exhibited fine specimens which sold readily, as a result of which hog ranches throughout the district will benefit by the acquisition of outstanding breeding stock.

CATTLE SALE AT ARENA

The cattle sale was held in the Vermilion arena rink and the facilities proved to be exceptionally good, with plenty of light, first class facilities for showing cattle and adequate seating accommodation the sale went over with considerable satisfaction to all concerned. Ladies of the W.M.S. of the United church greatly assisted by serving light lunches, contributing in no small measure to the success of the event.

OVER 1000 ATTEND

More than 1000 farmers occupied every available seat provided and Auctioneer Ball had a busy time from 1 o'clock until 5:30 endeavoring to secure the best possible bids for what was termed the finest aggregation of purebred beef cattle brought together in many a year. Breeders who attended the recent Edmonton cattle sale were unanimous in their opinions that the Vermilion cattle were considerably above those displayed at Edmonton.

1953 CALF BRINGS $480

Top price for cattle went to Mr. Homer Campbell of Clandonald when he received $480 for a February 1953 calf, Queenie Creek Symbol. Peter Samoil of Lavoy received $419 for a yearling Shorthorn, Brigadoon Norseman 20th, while W. R. Cornish of Mannville was a close second in Shorthorns getting $400 even money for the yearling Murrayfield Gay Lad; W. E. Cross received the top in Aberdeen Angus with a bid of $300 for an April 1953 calf, Eston of Allandale. Prices generally were slightly lower than those of a year ago, but with an eye on present market conditions buyers were found to be somewhat more wary than in the past. All such sales in the fall of 1953 have witnessed much the same drop from prices previously prevailing, but in the main, those entering good quality cattle were well rewarded for their efforts. Farms throughout a wide area will benefit greatly from the distribution of [illegible] through the Vermilion sale.

PROMINENT BREEDERS

Prominent among those entering cattle were: Aberdeen Angus — W. E. Cross, H. J. Warrilow and Sons, Minburn, Sokoluk and Son of Lavoy; Shorthorn—W. H. Duncan, Vermilion, Peter W. Samoil and Marshall Samoil, Lavoy, W. R. Cornish, Blair Veitch and Sons and John J. McLaughlin of Mannville, Arthur Hughes, Vermilion, James Jackson and Alex Cairns, both of Irma and Wm. McCutcheon of Lavoy; Herefords — O. Handel and Son, Mrs. Vivien Derkson and the Foster Ranch of Lloydminster, E. M. Clements of Vegreville, Homer Campbell of Clandonald, P. Hawley of Mannville, J. S. Cross, Mike Ilchuk and T. Ilchuk of Vermilion, Arnold These of Viking and the Youngs, father and sons of Maidstone, Sask.

SALE SERVES USEFUL PLACE

There is no question but that the fall sale of breeding cattle and hogs has served a most useful place in the agricultural life in this community. It is quite interesting to note that in other districts, served by agricultural societies are following the lead of Vermilion in bringing the buyer and seller together and the gradual improvement of district herds is a foregone conclusion. With markets becoming more and more restrictive and selective it is evident that those raising cattle and hogs for market must improve quality wherever possible and it is felt that the sales are a powerful aid to just such improvement.

PLEASED WITH CO-OPERATION

The Agricultural Society is more than pleased at the result and greatly appreciates the fine co-operation given by the Town of Vermilion, through the use of the arena as the locale for the sale, the ladies who served lunch and indeed, all who in any way assisted in making the sale a marked success. The use of the arena for the purpose was widely hailed as a step in the right direction, certainly the sale was much more successful by reason of its availability and its use for a purpose of this kind makes it evident that the otherwise idle building has been made to serve a worthwhile effort. The Town of Vermilion played host to what is generally conceded to be the largest gathering of people in town since the fall fair of July, 1953.

## Vermilion Soldiers Return from Overseas

Among the first contingent of Canadian troops to return to Canada after having served two years with NATO army in Europe are two well known young Vermilion men, Cpl. Lloyd Maskell and L. Cpl. W. K. Fooks, and Pte. M. A. Daniels of Elk Point.

## Dewberry Girl Wins Grade 9 Medal

A Dewberry girl, Phyllis Elaine Wilson, aged 15 years, has won the Governor-General's medal for obtaining the highest standing in the grade 9 departmental examinations written in June. Phyllis is the daughter of Mr. and Mrs. Roy Wilson who farm north-west of the village in what is known as the North Dewberry district. Phyllis comes in to school on the bus. Her teacher during her year in grade nine was Mr. N. Rebryna. She is a student in grade 10 at the Dewberry centralized school this year.

Three other Vermilion school division grade 9 students who ranked very high in June exams were William Gordon Giles of Marwayne, John David Scott of Vermilion and Elaine Blanche Matheson of Dewberry.

Since the formation of the large Vermilion school division records show that the Dewberry district has been well represented among the grade 9 medal winners. In 1940 Robert Leavitt was the top student, in 1941 Dewberry repeated when Elmer Haskell was awarded the medal. His home was in the Riverton district but he attended the Dewberry school. In 1944 the medal went to a student at North Home rural school also in the Dewberry area, Kurt Enkenbus; and again in 1949 Eugene Maltais won the medal. He was born and raised in Dewberry but took his grade nine at the Clandonald Separate school.

## Anglican Laymen Meet Here

On Monday of this week, laymen from all parishes in the Vermilion-Wainwright area met in the St. Saviour's parish hall. They were accompanied by their parish clergy. The men were also pleased to welcome as a visitor the Rev. W. H. Peckover of Lloydminster and the Most Rev. W. F. Barfoot, Archbishop of Edmonton and Primate of all Canada.

The meeting was conducted by the Rev. V. P. Cole, Rural Dean who welcomed all present and then introduced the film, "For Every Child." This turned out to be a most stimulating challenge to laymen with regard to responsibility in the matter of religious education of the young.

In the course of the meeting, the Archbishop brought words of greeting and encouragement to the members of the newly-formed association. He stated that he hoped to visit all parishes before leaving for his new work in Winnipeg at the end of the year.

Following the film, a business meeting took place at which time it was decided to organize as a Deanery Laymen's Association.

Officers elected were: President Mr. J. R. Robson, Vermilion; Vice-President Mr. J. W. Robinson, Tofield; Mr. A. S. Burt, Kitscoty; Sec.-Treas. Mr. E. Stockwell, Clandonald.

Very enjoyable light refreshments were then served by ladies of St. Saviour's Evening W.A. and an hour of fellowship thus made more pleasant.

## Gideons Organize

A recent visitor in Vermilion was Mr. R. Hugh Coldridge, Western Field Secretary of the Gideons, International, in Canada.

During his visit Mr. Coldridge and other local members of the Gideons took part in church services on Sunday Nov. 9 in the Alliance Chapel, Vermilion, the Alliance church, Marwayne, and the United church, Lloydminster.

After the evening service in Lloydminster the men met at the home of Mr. George Baynton and a local camp was organized with officers elected as follows:

President — E. W. G. Clendenning, Vermilion.

Vice-Pres. — Obert Gunderson, Vermilion.

Secretary — Wm. Stefanyk, Mannville.

Treasurer — Roy Watkins, Vermilion.

Chaplain — R. A. Swanson, Marwayne.

Memorial Bible Plan Rep. — Geo. Baynton, Lloydminster.

Regular monthly meetings will be held and the local group will carry on the Gideons ministry of scripture distribution in this area.

Sincere thanks are hereby expressed to co-operating churches and all others who made this visit of the Western Field Secretary a pleasant success.

In addition to the above officers local members of the Gideons include W. R. Mix, Vermilion, Albin Swanson, Marwayne, John Lupul, and Chas. White, Lloydminster.

## Fiddlers Contest A Night Of Real Entertainment

Be sure to keep the date of Friday, Nov. 20 open for a night of real fun. That's the night of the Vermilion Kinsmen annual old time fiddler's contest which this year is being held in the Elks hall at 8 p.m.

Entries have already been received from all over this part of the province and last year's champ, Vic Pystrom of Lloydminster will be back to defend his crown.

This affair has always been a crowd pleaser and this year will be bigger and better than ever. The perpetual jovial emcee Don Taylor, will again be in charge of putting the contestants through their paces.

DANCE TO FOLLOW

A dance will follow the contest after the hall has been cleared.

All contestants who wish information about type of music, number of pieces, accompanists, etc., should contact Keith Inman, chairman of the committee in charge of the big do.

Admission charge to the contest will be 50c per person, adults and children. The charge for the dance is the same 50c per person.

Remember, date Nov. 20; place Elks hall; time 8:00 p.m.

## Hugh Morrison Passes Away

Hugh Morrison, well known farmer who for the past number of years has resided four miles east of Vermilion, passed away Saturday Nov. 7. He was 64 years of age. Born in Scotland, the deceased came to Canada in 1910 and to the Vermilion district in 1919 where he carried on farming operations in conjunction with his brother Alex.

He leaves to mourn his loss one brother Alex, three sisters, Mrs. John Scott of Edmonton, Mrs. E.E. Wright of Vancouver, and Mrs. John Simpson of Vancouver.

Funeral services under Masonic auspices were held on Wednesday afternoon at First United church, Vermilion with interment following in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

Moyers were in charge of arrangements.

## Three Communities Mourn Passing Of Citizens

### Karl Schaffer Dies At Islay

Karl Schaffer passed away at Islay on Sunday Nov. 8 at the age of 68 years. Funeral services are being held this Thursday afternoon Nov. 12 at 2 o'clock at the Islay United church with interment to follow at the Islay cemetery. The Rev. W. Berkhop of Lloydminster will officiate.

Surviving members of the family are two daughters Mrs. David Leippi, Kronau, Sask.; Mrs. Roger Ayers, Moose Jaw; two sons Jack of Whitewood, Sask., and George at Islay. One brother Martin lives at Wapella, Sask. There are ten grandchildren and four great grandchildren.

Moyers are in charge of arrangements.

### Minburn Man Dies

On November 1 at the Mannville hospital, William Alfred Bruce of Minburn, passed away at the age of 66 years. He leaves to mourn his passing his sorrowing wife, four sons, Clifford and John of Minburn, Raymond in Vancouver and Lloyd in Edmonton. There are two brothers, Joseph and George of Grand Valley, Ont., and four grandchildren.

Funeral services with the Rev. R. C. Crighton of Mannville officiating were held at the United church, Minburn, on Nov. 5 with interment at the Minburn cemetery. Moyers of Vermilion were in charge of the arrangements.

### Derwent Old-Timer Passes Away

The village and district was saddened this week by the passing of one of the old timers of the area in the person of Mr. Harry Traczyk who died on Tuesday Nov. 10 at the age of 73 years.

The deceased came to the district in 1907 and farmed just west of town until March 1953. He leaves to mourn his passing his sorrowing wife, five sons, Mike of Derwent, John of Clandonald, William, Pete and Steve all of Derwent and two daughters, Mrs. William Kiziak of Derwent and Mrs. John Pollakowski, Myrnam. There are 20 grandchildren and three great grandchildren.

Funeral services will be held this Friday Nov. 13 at the Ascension Creek Catholic church, south-west of Derwent the Rev. Father Charkowski will officiate. Interment will be made in the church cemetery.

Moyers Funeral Home of Vermilion is in charge of arrangements.

Four Schools Will Compete on Saturday

## Vermilion High School Sponsors Basketball Tournament

At 10 a.m. on Nov. 14 in the armories, Vermilion high school will sponsor a round-robin basketball tournament. Girls and boys' teams from Irma, Lloydminster, Wainwright and Vermilion will compete for the two beautiful basketball trophies donated by Mr. R. Boake and Mr. E. Clendenning. Special thanks go to these two local businessmen. Their generous donations are greatly appreciated.

Everyone is welcome to come and see these games and watch the teams in action. There are 12 games in the day, so you should be able to watch at least one or two games.

How do the V.H.S. teams feel about their chances? With the excellent coaching of Mr. Bell and Mr. Kokotailo, they feel they have a very good chance to keep both the trophies in Vermilion.

V.H.S. line-ups are: BOYS — J. Barr, R. Barr, R. Hemmingway, V. Kuzek, R. Bentley, S. Cooper, R. Acheson, G. Marshall, S. Hicks, P. Kupin. GIRLS — R. Ireland, H. Barr, V. M[illegible], A. Martin, A. Stewart, J. K[illegible], E. Sweet, J. Maxwell, K. Acheson, B. Bauer, S. Johnson. Also the V.H.S. Cheerleaders will be in attendance in the afternoon to cheer their teams to victory.

Tentative plans have been set for two tournaments every year. The next one is to be held in Wainwright at the end of the first week in December. Rumor has it that Lloydminster and Vegreville may be building gymnasiums in the near future, so it looks like more and better basketball for the V.H.S.

Don't forget — come to our basketball tournament on Saturday, Nov. 14.

At Remembrance Day Ceremonies

## Vermilion Citizens Honor Dead Of Three Wars

Citizens of Vermilion and district gathered once again on Remembrance Day, Wednesday Nov. 11 to pay homage and tribute to the fallen heroes of three wars. The services arranged and carried out by the Vermilion Branch of the Canadian Legion, were fitting and impressive, and were attended by large numbers, so many in fact that it was impossible to accommodate all in the theatre at the service following the outdoor ceremony of laying of wreaths at the cenotaph.

The ceremony of the laying of the wreaths at the cenotaph was preceded by the parade from the Legion hall. The long parade was headed by the local detachment of the RCMP in their dress uniforms, followed by the Legion and W.A., Air Cadets in full force. Scouts, Cubs, Brownies, Guides, CGIT, V.S.A., all the Vermilion schools, and representatives of many other organizations. The parade on the march was fully one block long.

At the cenotaph the parade formed on three sides of the memorial cairn and there the gathering was augmented by hundreds of citizens from town and country. Following the two minutes silence and the laying of wreaths, the large gathering moved into the Columbia theatre for the Remembrance Day service.

SERVICE OF REMEMBRANCE

The Remembrance Day service was conducted by the Padre of the Legion, the Rev. D. A. Ford. He was assisted by Rev. C. W. MacKay, Capt. R. Chapman with Dr. C. W. Stephens as organist.

The address was given by Rev. Ford who dealt first with Remembrance of what has been, and then with thoughts of reconstruction for the years ahead in order that our children might have the kind of a world that we would wish for them.

VISUAL ROLL CALL

The manner of the Roll Call is always doubly impressive in Vermilion. The names of the men who have been called to higher service, appear on the screen as a moving scroll with a background of the Union Jack and to the sound of the Reveille. Vermilion was the first to introduce the roll call in this manner and the film is to be preserved for all time.

One Hundred and Sixty-six Attend

## VERMILION OLD TIMERS HOLD ANNUAL ROUND-UP

The annual Round-up, banquet and dance of the Vermilion Old Timers Association took place in the Legion hall Wednesday evening Nov. 4 with 166 in attendance. A glance around the banquet tables revealed that practically every part of the large territory adjacent to Vermilion was represented by the first generation old timers who were here prior to 1910 and by second and third generations of the families. From Kinsella and Islay south through Kolonsk, Ward[illegible] north to Beaver [illegible] north to Mannville, Claystoun, Chatsworth, [illegible] Lake and Clandonald, Dewberry, even as far away as Marwayne and Edmonton they came to meet friends of homesteading and pioneering days, drawn by a bond that can never be replaced by any other experience.

The round-up opened with the banquet for which the Ladies Auxiliary of the Canadian Legion were caterers. The menu could not be surpassed and much credit is due the W.A. for its excellent service.

President George Webb presided at the program and business session. A short address was given by Mayor S. C. Heckbert who in his remarks stated that the Old Timers was the most significant of all organizations because the people of that organization had opened up and developed this country.

Former president of the Old Timers Charlie Robinson was present from Edmonton and stated his pleasure at seeing that the Old Timers Association flourishing as evidenced by the splendid gathering. "This country," he said, "was settled by people who had burned their bridges behind them, had little or no money, and many with a wife and small children, took up homesteads and developed this district into what it is today, tops in production for grain, for livestock ... and there's not a nicer place to live in the province."

Other features of the program included a rollicking sing-song led by Don Taylor, a solo by Johnny Webb, recitation by Mrs. Jim Wallington, remarks by J. W. G. Morrison, Jim McCauley of Mannville, Wm. Steele, and Cal Paulson of the Camrose Old Timers' Assoc. Mrs. Albert M. West was the accompanist for the musical numbers and singsong.

OFFICERS ELECTED

Hon. Presidents — C. W. Robinson, Wm. Steele, J. W. G. Morrison.

President — George Webb.

Vice-Pres. — Jas. Wallington.

Executive — Mrs. Geo. Whyte, Mrs. Annie Cameron, Mrs. Walter Fisher, Mrs. Nora Ronaghan, A. J. Myers, George Whyte and H. [illegible].

Appointments of secretary and treasurer are made by the executive.

Two minutes silence was observed in memory of 11 members of the Old Timers Assoc. who had been called to higher service during the past year.

ELIGIBILITY EXTENDED

The date time for eligibility for membership in the Old Timers has now been extended to 1915. It was formerly 1910. The motion reads, that anyone west of the great lakes in 1915 be eligible to join the association.

OLD TIME DANCE

The round up was completed by the old time dance, an affair which ranks second to none in both action and sociability. The Pastor orchestra played with Jim Wallington the very competent emcee.

Thus another old timers round-up, the district's most unique gathering came to a happy close with thoughts of the event next year already having a definite place in everyone's mind.

## Hi-Way Auction Market Proves Popular

According to reports, the weekly auction market sales at the Highway auction market just west of Mannville are proving very successful. The crowds have been good and bidding keen. Articles offered for sale have been of high standard and everything bringing a good market value.

## Town Council Holds Regular Session

A regular meeting of the town council was held Monday, Nov. 2, with Mayor S. C. Heckbert and Crs. H. J. Payne, G. W. Sutherland, M. Hill, D. R. Mitchell, K. G. Urquhart, Geo. C. Webb present.

Mr. Pardee of Northwestern Utilities Ltd., attended the meeting and discussed with the Council several points on the operation of the gas distribution system.

Correspondence: Northwestern Utilities re office in Vermilion, F.J. Richardson re refund of gas hearing costs; Cameron Jackson re Lot 4, Blk. 4 Plan 635V; Canadian Legion re Remembrance Day; Alta. Civil Defence re the Civil Defence Courses; J. W. G. Morrison re John Brimacombe property; Haddin, Davis and Brown re Crane Ltd., contract, also re Engineering fee; By-law 18-53 re second and third reading.

The following motions carried:

That an appropriate wreath be purchased for the Remembrance Day celebrations.

That By-law No. 19-53 be read a second time, re gas franchise.

That By-law 18-53 be read a third time and finally passed.

That E. H. Weeves be appointed as gas inspector.

That in view of representations made, the Town immediately commence replacement of tennis courts in the recreation area on the north side of Blk. 1 a reasonable distance east of Scout hall and that steps be taken without delay to salvage useful material from former courts and that Mr. A. H. Cooper, representative of the Tennis club be advised of the decision of Council.

That the following building permits be granted subject to Building By-law: Carman Long, warehouse; Ken Rowe and Sons, Auto Body shop; Henry Smith, addition to house.

That the town accounts and the water and sewer accounts be passed and ordered paid, same having been certified by Finance committee.

That the water and sewer extension paid accounts be approved.

CHAPTER 38(36) — PUBLISHERS

VERMILION ALBERTA, THURSDAY, NOVEMBER 12, 1953

## A MAILING ACHIEVEMENT

The achievement of the Edmonton Journal in publishing its "Fifty Years of Progress" number on Tuesday of this week was a mammoth task, very well done. While the interest of the week involved will be easy realized and appreciated by those publishers, the lay mind will visual fears pouring over the issue in detail and find there pictures witnessed memoirs.

Incidentally the first city news editor of the Journal prior to 1912 was none other than our own fellow citizen J. W. G. Morrison.

As far as the advertising from outside the city was concerned, by far the outstanding page of the paper was that devoted to Vermilion. It was decidedly a departure from the ordinary type of advertising and certainly proved attention-getting. There is little doubt but that the page would be one of those perused most closely. This advertising was arranged by the Board of Trade and made possible by the contribution of the business men whose names take up but a small portion of the page.

Last year Canadians visiting the U. S. for more than a day spent on the average $86 each, while Americans visiting here spent on the average $51 each.

## THE PARENTS—

A column which the Standard highly recommends to parents particularly is that headed Health Unit Notes. This is supplied every week by the local health unit office. Not only does it deal with every phase of health well-being of child and adult alike, but with the possible causes of the behaviour of the child, and how to deal with exceptional cases. Parents should make it a habit to read this weekly column, and clip up the knowledge contained therein.

## December Survey

The Dominion Bureau of Statistics is now distributing forms for the December 1 survey of livestock, crops, farm labor. Farmers should receive these forms. R. E. English, Dominion Alberta Department of Statistics officer in charge, urges the importance of having an accurate measurement of Agriculture's resources and production and therefore urges farmers to send in the completed forms without delay.

Each farm, in itself, is strictly confidential as no connection will be made and is used only to obtain group totals and averages for making estimates. It helps to form the basis of agricultural economics. The statistics derived from the survey form the basis for international comparisons and are essential to world trade. They are used by farm organizations, government service branches and other interested agencies.

Every schedule is important, whether it covers large or small operations and gives each farmer the opportunity to participate in providing the most useful information to the Bureau.

## Another Mammoth Bingo Planned

Save your $2 bills folks—another mammoth bingo is in the immediate future for the people of Vermilion and district. The Kinsmen club is sponsoring this major event on Saturday Nov. 28 at 8 p.m. The prizes have been selected and will be on display in Simonsen's Furniture store within the next week. A total of $1200 in merchandise being surveyed—something to suit everyone's fondest dream in the furniture line.

Advance tickets will be on sale shortly at $2 each which entitles you to admission and the 20 games. All members of the Kinsmen club will have tickets for sale.

## Record Car Output

Output of all vehicles in Canada has now reached 434,000, outstripping the 432,972 produced in 1952, reports The Financial Post. And 1953 was a record year. How much higher this year's output will climb depends on how fast Ford and General Motors — the two shut down for re-tooling get back into full production. Both are expected to be producing 1954 models by the middle of November.

## RATS ARE ON THE MOVE INTO THIS AREA

FOUND AT STREAMSTOWN AND LLOYDMINSTER

With the onset of colder weather and with the completion of harvest rats are again on the move. These rodents are now migrating from the fields and meadows to warmer environments of buildings where food is plentiful. For these reasons rats are most effectively controlled at this time and in the spring. However, now is also the time that these destructive pests are edging their way westward into Alberta, which until recently was rat free. An area 25 miles wide extending from the Cypress Hills in the south to Provost in the north and back-ward on the east by the Saskatchewan border has been "rat-proofed". At the end of July, 1953, the M. L. Poulin exterminators had spread arsenic poison over 170,000 farm stands, villages and hamlets in this area. The poison has been replaced by the more effective and less toxic compound, warfarin. Brivaworth, the operators visited every supply the warfarin free of charge but the job of setting out the poison will be left with the individual. The individual concerned can obtain information on the use of warfarin from his local pest control officer or the field supervisor

In this area everyone should become concerned with the rat problem and make an effort to co-operate in rid of rodents. Rats have been found west of the Saskatchewan border this year. A farmer at Streamstown found and killed a fully grown Norway rat on his premises, while another farmer peat a few miles west of Lloydminster found a small dead rat beside one of his grain bins.

Several reports of rats have come from the town of Lloydminster and many of these reports proven to be authentic. One, killed just a few blocks east of a large rooding company, was identified as the Norway rat. It is believed the rat had come from the local plant as there are several possible harborages there.

Warfarin was distributed to the above farmers and also to cable proprietors west of Lloydminster, who have reported having rats.

The rat invasion should be considered as a problem for each and every Canadian citizen in Saskatchewan as well as Alberta. Farmers, storekeepers, wholesalers and large building supply concerns are reminded to keep on the look out for these, the most destructive of all rodents. The matter is not a joke, and while co-operation is generally very good in this area, some like the matter all too lightly Poison alone will not control rats. Eliminate hiding places for the rats and remove possible food supply. Garbage pits, lumber and paper piles should be cleaned up. Lumber should be placed above ground 18 inches to 2 feet. Garbage piles and cans should be disposed of or burned. Where at all possible rat-proof existing buildings, and keep this in mind when setting up new buildings. Rats cannot climb vertically; therefore high concrete foundations are essential in preventing their harborage. They love darkness and will seldom invade premises where there is no access to dark, closed quarters. Keep food supplies and water away from possible harborage quarters. Rats will not reproduce rapidly if adequate food and water are not available. If anyone suspects or sees a single rat, he should report it to his local pest control officer immediately. The officer will investigate and will obtain therarin if it is required. Pest control officers are located in every town, village and hamlet in the Vermilion River M.D.

## Bowtell Bulletin

We wish to extend our deepest sympathy to the Morrison family on the passing of Hugh, better known to his many friends as "Uncle". He had been in ill health for many months but it was little thought that death was so close. He is another of our old timers gone on to his well earned rest.

PRESENTATION TO MR. and MRS. GEO. SHEPHERD

Some 23 friends gathered at the new home in Vermilion of Mr. and Mrs. George Shepherd on Wednesday to present them with a set of silver. They had lived on the old farm in the Bowtell district for over 20 years, selling their stock this fall and buying a nice little home in town.

Friends and neighbors gathered at the home of Mr. and Mrs. Repp on Thursday in honor of Mr. and Mrs. Jim Monaghan and family and Mr. and Mrs. Bob Mullen and family. Due to the oil plant and wells ceasing operations at Berrydale the Monaghan family is moving to Lloydminster and the Mullens to Hardisty. Host of friends accompanied them to their new homes.

The writer and family were very pleased to have Mr. and Mrs. Caro and Jack as supper guests on Sunday and Mrs. Caro gave her report on her holiday to Holland on Nov. 25. They plan to return some time in April.

Mr. and Mrs. F. Williams were recent Edmonton visitors.

Congratulations to Mr. and Mrs Robert Repp on the birth of a baby daughter at the hospital on Nov. 6.

As the writer has been on the sick list some of these items are brief.

Fun shower in the first few weeks when kinks are being ironed out. It is expected that the two firms alone could eversant for another 20,000 units before the end of the year.

Bill Wolfes and Henry Strange are working on building projects in town.

Mrs. Robbins was a visitor on Thursday afternoon at the Jones home.

It was a real pleasure to have the choir from St. Saviour's sing at the last service held at Pleasant Valley.

## CLANDONALD

On Nov 4 the Clandonald United Church W.A. met at the home of Mrs. Laird with 9 members present. Guests on this occasion were the Ardlenlee W.A. members and seven ladies of whom we were very glad to have with us.

Miss Holme was guest speaker and her topic was on Russian Ideas. What a lovely assortment of articles Miss Holme had to display. Many of them were easily made without patterns. No one should be at a loss for Christmas gift ideas now.

Among the guests was Mrs. Eleanor Farley, formerly of Clandonald, but now from Kent, Wash.

At the close of the meeting a pleasant hour was spent over the lovely dinner thanks to Miss Holme.

The next meeting will be held on Dec. 2 in the evening at the home of Mrs. Herman Fevereis.

## Diplomat is Guest Speaker At Local Canadian Club

Major General Odlum, C.B., C.M.G., D.S.O., was the distinguished speaker at the meeting of the Vermilion branch of the Canadian club on Thursday evening in the Legion hall.

The Major General served in the South African war and in World Wars 1 and 2, wounded three times and was mentioned 8 times in despatches and has since 1942 been High Commissioner to Australia, Ambassador to Chile and Ambassador to Turkey, ending his diplomatic career in 1952.

His experience as a diplomat to different countries made his address to the Club one of absorbing interest and edification in that it took the gathering over new terrain and introduced it to people and places little known to the outside world. This was particularly so in his flight from Lagaos on the Gold Coast of Africa through the interior and down the Nile Valley to Egypt, during which he visited two large and ancient cities Kano and Khartoum, cities going back to African history possibly 1000 years. Kano he found inhabited by people small of stature, but fleet of foot. The city is walled 4 or 5 feet high, sufficiently so to keep the small people protected in the enclosure. Kanaduno was a large city and modern in some respects, wide streets and better homes than in Kano where the sanitary situation remained much as it was in the time of its ancient founders. The people in both cities appear hospitable, peaceful and intelligent

Down the Nile Valley he was struck by the verdureousness as viewed from the air, but he marvelled at the beauty of the trees lining the Nile River as it planted there by Roman. From Egypt he continued his study through the Arab countries into Israel and then to Turkey to which country he was Ambassador from Canada.

Turkey is still standing, he said, at the crossroads between the East and the West as it was in ancient times, and protects the Arab and Jewish countries to the south from invasion to the north.

In all those places he met people the man on the street, and found there the people anywhere else, loyal to their own country, intelligent and friendly, ready to assist and inform.

The Turk however, is more set; a pleasing and amiable people but with an intense fervor for Turkey. Turkey will not fight until it is attacked and has declined to throw in its weight either with the Western or Eastern powers. The Turk is a sturdy and rugged man and a great fighter, fiercely proud of his country and resolute in his dealings with the Kremlin

The Arab he found with an undying hatred of Israeli yet very approachable and accommodating as a man to meet. It is the matter of the Moslem faith against the Jewish. The Jews did not show any outward feeling but they do live in fear.

During his presence at the 'Court of Chiang Kai Shek in China the speaker got to know the man on the street and got to know what the thoughts were. He only knew the world in his immediate presence, went about his daily avocation unmindful of the world outside. He was pleasant to meet, open in his thoughts and devoted to his country which was the China also; him.

Mrs. Odlum who accompanied her husband on his ambassadorships was also present and was given a very cordial welcome by the club.

The guest speaker was introduced by the president, N. Bentley and extended a welcome to Vermilion expressing the hope he would return at some future date. He thanked him for his interesting address which was heartily approved by the meeting.

One pregnant thought the speaker left to the meeting was that in a dictatorship country few men at the top decide what the country and its people are to do. It — they can raise no protest. In democratic countries such as ours, the people decide what has to be done and parliaments carry out their wishes.

## NEWS from ISLAY

Sympathy from the community is extended to the Schaffer family. Mr. Carl Schaffer (Grandpa) aged 88 passed away after a very short illness. He entered hospital Tuesday the 3rd and died early Sunday morning. He will be greatly missed by the family and the village as he was our genial hobby man.

Skating soon! Well that is the word. Walter McCaughan has packed the snow and set the pump going to wet it down. Hurrah you kids, what would we do without Walt!

Our new lunch room got away to a good start last Saturday. Step in now for a hot cup of coffee eh, at Pat's Lunch.

Mr and Mrs Ken Shaw and two small sons motored from Edmonton the week end and visited their parents in Vermilion and sisters and brother at Islay.

The United church bazaar is set for Dec 5 in the church. Note the change of place.

The large boxes of clothing were packed for Korea this week. We had some very good and warm wearing apparel for children and adults.

Noticed Mrs Shattuck in town this week all the south people have deserted Islay also on Sunday we met Mr Marshall Stone, hale and hearty says he will be 92 years old next March 2, and he doesn't look it. Bob his grandson was lately here.

Notice Albert Van den Bilder building a garage, but it is some smaller than the one blown down last summer

Mrs H Gerden is visiting at Mrs Jim Gould's and with other old time neighbors

Mr Anderson Ralph and Bessie called on the Bill Young's at Dewberry on Sunday evening. Sorry Bill is in hospital with an infected hand. Hope you are soon home Bill

Noticed it looks as if driving a nice big grey car doesn't have to be pushed around.

What does your Label read?

"So that's what they use to feather their nest!"

## Wildwood

We will be pleased to see Mrs. David Drysdale home again after several days spent in hospital.

Mrs. David Jack entertained the ladies of the district last week. It was such a pleasant afternoon — but Oh, the roads!

When Miss Eileen Jack went to the city for her music lesson she was accompanied by her mother, Mrs. Ernest Jack and sister Doris. Mrs. Alfred Jack and daughter Beverlie and Mrs. George Jack

Several subscribers were out working on the telephone line putting it in tip-top shape before winter sets in.

Messrs. Jos Cooper, Lyle King and Alfred Nedecon called on Mr Ted Wheadon Sunday afternoon.

Mr Finley of McLaughlin has arrived at the townsite to spend the winter with his wife.

Congratulations to the newlyweds Mr and Mrs. Crawford (nee Dawne Fry).

The Willing Workers supplied the lunch at the auction sale of Mr W. A Beatty who intends visiting his son at Burns Lake during the winter and meeting his grandchildren.

Mr. R. C. Drysdale and Bob Robertson are working on the seed cleaning plant being erected by Reading erected in Vermilion. All hope that it will be completed and ready for operation in the near future.

The F. U. A. local held their regular meeting in the hall with a good attendance. Delegates were appointed to attend the meeting in Edmonton next month.

Mr and Mrs. Ted Wheadon entertained Mr. and Mrs. G. D. Jack at dinner recently.

Mr. Bob Stone was seen driving north in haste Sunday afternoon. Whither?

Jewish. The Jews did not show any outward feeling but they do live in fear.

During his presence at the 'Court of Chiang Kai Shek in China the speaker got to know the man on the street and got to know what the thoughts were. He only knew the world in his immediate presence, went about his daily avocation unmindful of the world outside. He was pleasant to meet, open in his thoughts and devoted to his country which was the China also; him.

Mrs. Odlum who accompanied her husband on his ambassadorships was also present and was given a very cordial welcome by the club.

The guest speaker was introduced by the president, N. Bentley and extended a welcome to Vermilion expressing the hope he would return at some future date. He thanked him for his interesting address which was heartily approved by the meeting.

One pregnant thought the speaker left to the meeting was that in a dictatorship country few men at the top decide what the country and its people are to do. It — they can raise no protest. ## Federal-Provincial Agricultural Conference

OTTAWA. The 15th annual Federal Provincial Agricultural Conference will open in Ottawa on Nov. 23 was announced this week by the Hon. James G. Gardiner, Minister of Agriculture.

Sessions will last three days, Nov. 23-25 and will be held in the Railway committee room of the

House of Commons under the chairmanship of Mr. A. M. Shaw, Chairman, Agricultural Prizes Support Board.

As in other years, representatives of the Federal and Provincial Departments of Agriculture and of the Canadian Federation of Agriculture will meet to review the past year and to discuss possibilities for the coming year

# THE STANDARD

**Goes into 2200 homes with a reading public conservatively estimated at 8,800 people.**

To obtain and maintain the interest of this army of readers the Standard contained in its issue last week 78 headed news items including bulletins from 16 other surrounding villages and communities, a score of locals, nine pictures, 75 live advertisements plus dozens of classified ads and professional cards.

All this adds up to a very alive interest in the Standard, making it an advertising medium that really goes home, and a very reliable source for dissemination of news.

The theory that a good job is being done is borne out by the fact the Standard ranked among the top six weekly newspapers in its class in the province and stood second for the best front page, in the 1952-53 Better Newspaper Competitions.

**Working Under Difficulties**

For the past several months extensive renovations to the building, involving carpenters, electricians, gas fitters and painters have been in progress, necessitated by the installation of what amounts to practically a new printing plant. The installations should be completed by the end of the year.

During this period of renovation the Standard staff has been carrying on under difficult working conditions and the indulgence of our valued job work customers is asked as they have been chiefly the ones inconvenienced by delay in delivering their printing requirements . . . When the present plans are completed, Vermilion and district will be served by a very modern printing plant, second to none in rural Canada.

•

**A NEW SUPERCASTER**

Now in operation in the plant is a new Nolan Supercaster for the casting of stereos from mats. Advertisers having mats to cast must have them in the office the Saturday previous to publication, as casting will be done on Monday mornings . . .

## THE VERMILION STANDARD

**Bingo! Bingo! Bingo!**

VERMILION CURLING CLUB

PAPER BINGO

HOW TO PLAY IT

Purchase your card for $1.00 from Simonsen Furniture Store, Northern Hardware, Craig's, Nelson-Hill Hardware, where the Master Cards will be kept on view. Take the card home, watch the paper each week for the two numbers drawn, cover up the numbers. These numbers will be drawn each Tuesday evening at the Columbia Theatre between shows, and announced in the Standard the same week.

There will be 18 Bingos,.. five across, five up and down, two diagonal, and the grand prize for a full house..... As soon as you have a Bingo notify Simonsen's Furniture store. Bingos must be claimed before the printing of the next Standard (Thursdays).

There are 13 Bingos, 12 at $10, and a full card for the grand prize of $200. In case of ties duplicate prizes will be awarded, except in the case of the full card when new cards will be given the winners and the first number wins.

GET A CARD FOR EACH MEMBER OF THE FAMILY! You will find the game novel and entertaining.

First Numbers will be drawn Tuesday, November 17th!

GET YOUR CARDS TODAY!

Proceeds in Aid of Vermilion Curling Rink Building Fund

## Scottish Farm Girls Visit V.S.A.

Staff nd students at V. S. A. recently played host to two fun-loving lassies from Bonnie Scotland, who for the last four months have travelled 9000 miles in Canada as guests of the Junior F.U.A.

Miss Jess Adam of Bannockburn, Stirlingshire, and Miss Helen Tough of Turriff, Aberdeenshire, were chosen to represent the 10,000 members of 170 Scottish Young Farmers' clubs after a series of elimination contests. This is the first year of an exchange visit arrangement between the two rural young people's organizations. Next year two members of the Junior F. U. A. will be guests of the Scottish group.

The visit to V.S.A. was planned by Mis Mable Rasmuson, Gwynne, former president of the Jr. F.U.A. and a graduate of theschool, and Bob Langdale, Camrose, president of the V.S.A. Alumni. Providing transportation for the trip was Dick Clements, Wetaskiwin, also a V.S.A. graduate. The journey from Miss Rasmuson's home was made under some difficulty due to the icy roads. It took five hours to make the journey, which normally takes three hours.

The girls were conducted around the campus and in particular over the Home Economics building. They had high praise for the classroom facilities and the program at the school. "Just the place for farm young people" they declared.

Both young ladies are farmer's daughters from mixed farming areas in Scotland. They find many differences in farming methods out here. Every square foot of land is made use of in Scotland. Hay, oats and barley are the main crops, little wheat is grown. Wooden houses in Alberta are very different from the stone dwellings of the Scottish countryside. Contrary to popular belief Scottish farms are more mechanized than farms in Alberta, the girls believe. Some variations in agricultural terminology were also discovered. "At home, oats are corn, sheep are called hogs and pigs are just pigs!"

The Scots lassies were very amused by the initiation ceremonies for the freshman classes. They attended the dance in the evening dressed in the same attire as the new students and thoroughly enjoyed themselves. "I don't expect to see the like of it again" said Miss Tough.

Summing up their visit to the foothills province the young farmerettes said, "Alberta is wonderful, it would be fine to live here if we could bring our roots". Miss Adam expressed a preference for country around Claresholm, while Miss Tough thought either the Edmonton region or one of the irrigation districts would be the ideal place. "To use the three E's our visit has been educational, enjoyable and emotional", they declared.

## Important Meeting At Chatsworth School

All those interested in keeping the Chatsworth school as a community centre are asked to attend a meeting at Chatsworth on Friday Nov. 20 at 8 p.m. 20-1x

## Anglican Men Gather At Monthly Supper And Meeting

The regular supper meeting of the Anglican Men's club was held in the parish hall on Monday with 24 in attendance. Following the nutritious and delicious meal a short business session was devoted to discussing as a project a display of old time articles, arranged as a museum and open to the public at a small charge. The items on display would have historic and visual interest, and would be borrowed for the occasion from owners.

The guest speaker for the evening was Mr J. R. Robson who dealt with the proposed county system. He traced the development of municipal and school government from 1905, through the local improvement district, to the municipality to the enlarged M.D., and then to the possibility of the county. Schools developed from the small tax collecting district, to the same areas as a tax requisitioning body and then to the large school divisions in 1937.

At the present time the municipal council colects the taxes with the larger portion being spent by the school division board for educational purposes. This is possibly the main factor in bringing about the proposed county system.

The address was a down to earth talk and that is created considerable interest was evidenced by the numerous questions directed to the speaker during the question period.

Monday Dec. 7 is the date of the next meeting and all men of the parish are invited to attend

## Wildmere Winks

The community was very deeply shocked on Sunday when word was received that another old timer Hugh Morrison of Bowtell had passed away Saturday evening. Everyone knew he was not well all summer, but did not know the grim reaper was so near. He too, saw this part of the west grow up. His cheery disposition and happy smile will be greatly missed by all who knew him. To his sorrowing brother Alex and family and sisters Mrs. Scott, Mrs. Wright and Mrs. Simpson, go our deepest sympathy in this hour of sorrow. His life's book contained a lot of pages and on every one, only praise for his kindness to others could be said. God saw the road was rough so said, "Come thou good and faithful servant take now thy rest".

Mr. and Mrs. J. Wallington attended the Old Timers Round-up. It was a lovely supper and the ladies really deserve a word of praise for it. A good time was enjoyed by all. Don Taylor led in a sing-song after supper and many old time songs were brought back to life. The stories of pioneer days related by Mr. Steele, Mr. Robinson and Mr. McCauley were greatly enjoyed. The same officers were re-elected for another year. Dancing followed for a few hours with the Hanna orchestra from Islay and J. Wallington as M.C. We were pleased to see so many old timers attend, some coming a good distance. Mrs. Farley from Kent, Wash., U.S.A., and others from Edmonton and Camrose. We were all sorry for those who were sick and could not be with us and hope they will be with us next year when the annual round-up rolls around.

The dance sponsored by the W.I.G.C. at Basswood school last Friday was extremely well attended. Even if the school was crowded everyone seemed to have a good time and the girls very very pleased with the attendance. Albert Smith held the lucky ticket on the baby set. Horpestad orchestra supplied the music and J. Wallington and Albert Smith were M.C.s.

Mrs. Adam Smith left by plane on Monday from Edmonton on her return to Vancouver. Her sons Billie and Adam and daughters Mrs. Morand and Mrs. Cruthers took her to Edmonton on Sunday. They went to Bon Accord to see Norman then to Alex Smith's in the city where she stayed until the plane left on Monday. Billie and Adam will be leaving shortly by car to spend the winter at the coast with their mother. Mrs. Morand and Brenda will go as far as Calgary with them.

Congratulations and best wishes to Mr. and Mrs. Ralph Thomsen of Tolland for a long happy married life. Mrs. Thomsen (nee Gertrude Whitlock) of Triangle is a daughter of Mr. and Mrs. Wm. Whitlock. They were married in Vermilion on Nov. 10.

Mrs. Hanby Martin and son Johnny of Triangle have moved to Vermilion to live. Johnny will attend school there.

Noticed around Visitors over the week end and on Sunday - Alice Souffert at the Guy Whitlock home. Shirley Underdown at the F. Gibson home. Evelyn Marfleet at the C. Cruthers' home. Mr. and Mrs. Howard Coburn and family.

## Pleasant Valley

The weather is not so pleasant, winter is here by the looks of the snow.

Doreen Gould spent the week end in Edmonton, motoring up with Mr and Mrs. J Maxwell.

The writer and hubby were supper guests at the home of Mr. and Mrs. Moore of the Deer Lake district on Sunday.

Chrissie and Laurence Gould attended the dance in Vermilion last Friday night but they didn't bring home that calf given away as a door prize.

Mr. and Mrs. Bothwell are now nicely settled in Vermilion in an apartment with every modern convenience. The writer wonders if Tom will try his hand at curling again, a game he once enjoyed greatly.

Mrs Gordon is visiting a few old friends around the district.

The chicken supper at Islay was well attended and enjoyed.

The men are busy preparing for the power which will soon be turned on, they hope. Poor Santa will be getting some big orders, some too heavy to carry, if all the orders are filled.

The visit of the Anglican choir to our church a week ago was very much enjoyed. 46 attended and it turned out to be a cold day too.

Nora Ronaghan has left for Calgary where she is taking the nurses' aid course. Good luck to you Nora and every success to you in your new endeavor. There is a great need for more in this worthy work.

Mr. and Mrs Howard Frissell and the writer and family at the Lindy Fadden home Sunday.

Congrats to Mr. and Mrs. A. Kent and Mr. and Mrs. J. Schaumleffle on the birth of baby boys.

Roads have been slippery lately especially on the hills.

Our turkeys laid the last egg on Oct. 30, both are moulting now. It was a grand record of laying from April 15 to Oct. 30 with very few days missed.

L. Hicks of Vermilion has been brush-cutting for B. Smith lately.

Laurence Graham was a 6th time blood donor at the clinic when it was held in town recently.

Wm. Garnett of Basswood is building a kitchen on his house. G. Symes and helpers wired it for him last week.

The new house being erected by a Basswood bachelor looks like he does not intend being a bachelor much longer. Are we right Neil?

Anne Garnett is working at the Wainwright hospital again.

Thanks for the invitation Mrs. Repp but the weather scared us a little that day, the roads were very slippery and the writer didn't want to land in the ditch with wheels up and head down.

# Farwell Party At Allandale

Weather — On Nov. 1 winter or rather snow came abundantly, with still another fall on the evening of the 6th. One farmer near the Elk Point bridge certainly did his good deeds that day by pulling cars and trucks up the river hill, ours being one of them. It took over 4 hours to come from Elk Point. The morning was lovely, a perfect day for a long drive so we thought. It started to snow at Spring Park around 3:30 p.m. Dinner was enjoyed at Elk Point with sister Gertie Swanson, and she accompanied us to Spring Park. It was good to see Lloyd and Edna Darling and Donnie. There we found nature in all her beauty. It must really be beautiful in the summer. Right now the evergreens show up grandly with the winding creek nearby, a wonderful spring for water. We had our first knowledge of Raymond Darling's wedding which took place in June. Our best wishes to Ray and Eileen for a long and happily married life. We visited nieces and nephews and families, Rufus and Viola Kepke and family, Auburn and Nellie Kepke and family, but missed seeing Vera and Lawrence Swanson and their family as they were absent at Lindberg. Just received a letter from them and it took them five hours to go 7 miles from Lindberg to their home — what snow can do.

The sympathy of the community is extended to Mrs. Hilda Crows who was bereaved by the death of her mother last week.

Nick's brush cutter run by Joe Courley and Bob McIntyre was busy in the district last week, working at the Cross, Mercier, Rochford and Omness farms.

The afternoon of the meeting of the Clandonald W.A. at the Laird home on Nov. 4 was lovely. The Allandale ladies were very grateful for the invitation to join them. Miss Holms was present and spoke on ideas for bazaars and Xmas gifts. This proved an ideal topic for this time of year. The display of articles as she spoke made it extremely interesting.

Allandale was well represented at the Old Timers banquet in Vermilion. Those present from hereabouts were the Mayers, Armstrongs, McPhees, Throndsons and Omnesses. It's grand to meet old friends and everyone is grateful to those holding office and arranging the annual event.

On the afternoon of Nov. 5 Mrs. Mayers entertained the ladies at her home to a tea in honor of Mrs. Eleanor Farley. She is well known in the district and will be leaving shortly for her home at Kent in Washington State, and back to her duties as a nurse. The lunch was delicious, Aunt Stella's salad is supreme and the other goodies as well.

**FAREWELL O'FEE FAMILY**

On the evening of Nov. 5 over 80 friends and neighbors gathered at the school for a farewell party for mother O'Fee and Johnny who have been in the district for over 25 years. The evening was spent playing whist. Prizes were won by Mother Martin, Mrs. H. McPhee and consolation Mrs. Wm. Armstrong. For the men, Harry Brake, Harry Butler and consolation Eddie Oakapolski. Brian Mayhew, little grandson with his lovely sweet voice sang a few songs at lunch time which were enjoyed very much. Orley Omness on behalf of the gathering presented Mother O'Fee with a pair of leather lined gloves and Johnny with a silk initialled scarf, also a generous purse to these departing friends.

Lunch was served at midnight. Mother O'Fee and Johnny will spend some time with her daughter and family at Bawlf en route to Williams Lake, B.C. where son Liam and Clara and families reside. Everyone wishes them well wherever they may be and hope that they visit their friends back home before very long. Saturday last Gordon Mayhew motored from Bawlf to the O'Fee home. Mrs. Anna Mayhew, Brian and Wanda have been at the O'Fees for the past week.

Mrs. Andy O'Neill (Kathleen Phillips) and two sons were also home for the Thanksgiving week end and will be until Andy finds living accommodations at Saskatoon where he is now working. Morris Phillips accompanied his brother-in-law Andy to where they are now working. Edwin is in the city while Gordon is at Wainwright where his sister Rita and family reside, and Jimmy is home with his parents.

Closing Thought: True faith produces Unity.

## Little Goldfish Only Half-inch Long

(Extract from Woodvale News)

Thanks a lot folks for the suggestions for feeding the tiny goldfish and Mrs. Payne for the nice bowl. It is thriving so far on water with algae we got out of the slough. As it is still transparent against the light, we can plainly see if his digestion is functioning properly. Will add some of the advised foods when it needs a change in diet.

(Incidentally this little goldfish was only a half inch long when discovered and not 1½ inches as reported in the news item in last week's Standard. This was a typographical error.)

The success of the Canada Savings Bond campaign has surprised and delighted financial authorities in Ottawa. It has refuted fears that Canadian saving was falling too low, reports The Financial Post.

When Pa was Courtin' Ma

'Way Back in Them Days She Thought Pa Had Good Horse Sense

Yessir, he never hooked up the Clydes on the buckboard. No Siree, he'd up and talk Gramp outa the Drivers!

AND WERE THEY EVER SLEEK AND TRIM! No extra weight to break down their feet and knock their wind out, and it didn't require a big bag of feed carried along. They were easy keepers.

NO, there was nothing wrong with the work horses. They were mighty pretty horses, in their place. But that wasn't on the road.

BUT THE DRIVING HORSES AND THE BUCKBOARD HAVE GONE THE WAY OF MA'S HOOP SKIRTS . . . BUT HERE TO TAKE IT'S PLACE IS ONE OF THE SLEEKEST, SMOOTHEST LITTLE DRIVERS OF ALL TIMES . . . .

VERMILION — ALBERTA

# "GREEN ACRES"

**VERMILION STOCK SALE**

At the Vermilion purebred stock sale, all except the thin animals brought fair prices. Purebred stock breeders ought to realize that animals should be in good condition to sell well at sales. This applies to the Lloydminster bull sale as well as all others. Now is the time to put the bulls on feed that you intend to enter at Lloydminster next May.

**BULLS FOR LOAN**

I have been asked by the Dominion Live Stock branch to let them know by Dec. 1 the number of loan bulls needed in this area next spring. This is a popular policy now as 20 bulls were placed in Vermilion River M.D. last year and 2 orders are on hand now. A group of five farmers can apply for a bull on loan. Even the transportation is paid for you.

**WIRE WORM CONTROL**

Treatment of seed grain for wire worm control is very effective. Lindane, Mergamma C, Benesan and other BHC chemicals are recommended.

Seed for smut control can be treated now for seeding next spring. This is not the case in treating for wire worm control. BHC compounds must be used on seed grain only in the spring. The germination of the seed will be affected if wire worm treatments are used in the fall or winter. Also the value of the chemical may be lost if treated too long before planting.

**SHIPPING FEVER**

A good many livestock men vaccinate their cattle regularly every fall for shipping fever. It does not cost much and it is good insurance to protect your cattle. The vaccination is only effective for a few months so it must be repeated each year.

**30 OR 300 HENS**

It's generally agreed that 30 hens should provide eggs for the family. If anyone wishes to raise poultry and sell eggs as a side line to farming then at least 300 are needed to make it a good business venture. Matters of housing, feeding and marketing all effect the profit angle. Many farmers find poultry a paying side line. Why not plan now to raise a flock of layers for next year? Get circulars from your D.A. office.

**CALF CLUBS**

Boys and girls are joining up in the calf clubs every day. There are clubs now at Mannville, [illegible] and south Vermilion. Why not get some clubs going in the east side of my district? What about Marwayne, Kitscoty, Dewberry and Lloydminster starting clubs?

For seven years, Canadians from St. Johns to Victoria have made it a habit to say "Merry Christmas" to friends and relatives overseas the CARE way. Thanks to this continuing support, this year the holiday parcels are bigger and better than ever.

"If you were any kind of husband at all you'd get a Canada Savings Bond for a nest-egg!"

# Local News of Interest

Mrs. Sidney Millward left on her return journey to her home at Nakusp, B.C. after spending two weeks at Islay and Vermilion visiting her parents Mr. and Mrs. Thos. Bothwell. Bill Bothwell who had spent the previous week here motored back to Regina on Sunday.

Mrs. Roy West, well known by old timers as a resident in Vermilion during the earlier half of the town's history, is a guest at the home of Mrs. A. Cameron this week. She is now living with her daughter in Edmonton and attended the Old Timers Round-up Wednesday evening.

The many friends here of Rev. Norman W. Dreger will be interested to learn that his health has improved sufficiently to allow his return to the ministry. He has recently been appointed as pastor of the Missionary Alliance at Devon, Alberta.

Rev. C. W. MacKay spent last week at the United church leadership course at Naramata in B.C.

Bill Phillips of Prince Albert, Sask., has spent the past two weeks in town visiting his aunt and uncle Mr. and Mrs. Bert Moses and family.

Miss Bernice Cooper returned to Calgary on Sunday after spending several days visiting her parents Mr. and Mrs. R. S. Cooper.

Inadvertently omitted from the card of appreciation inserted last week by Mrs. Campbell was the name of Dr. Evans.

**DANCE IN LEGION HALL**

Dance in the Legion hall on Friday Dec. 1 to the music of Kreller's orchestra. Admission 75c each. Dancing commences at 9:30. Sponsored by the Canadian Legion. 20-1x

Mrs. William's group of the United Church W.A. are holding a rummage sale in the church hall on Dec 12 commencing at noon. Lunch will be served. 20 & 23-4x

**TEA & SALE OF WORK, NOV. 14**

Annual Salvation Army Home League tea and sale of work Saturday Nov. 14 at the Legion hall at 2:30 p.m. 18-20x

**UNITED CHURCH BAZAAR**

The United Church W. A. will hold their fall bazaar, home cooking sale and tea in the church hall on Saturday Dec. 5 commencing at 3 p.m. 20-3x

**ST. SAVIOUR'S W. A.**

St. Saviour's W. A. will hold a business meeting Thursday, Nov. 19 in the parish hall at 3 p.m.

**CLANDONALD SUPPER**

The Clandonald Anglican W. A. are sponsoring a chicken supper and bazaar table followed by a few games of bingo in the Orange hall, Clandonald on Thursday Nov. 19 commencing at 5:30 p.m. 20x

**CLANDONALD HALL**

This week end Friday and Saturday Nov. 14 and 15 at the Clandonald hall "5 Fingers" a story of history's highest paid spy with James Mason, Daniel Darrieux, Michael Rennie. Next week "Flight Command". News reels to complete each program. 20x

**DERWENT THEATRE**

Program to be presented in the Derwent theatre by the Board of Trade on Saturday Nov. [illegible] and Monday Nov. 16 at 8:30 p.m. "I Can Get it for you Wholesale" starring Susan Hayward, Dan Dailey and George Saunders. The spectacular rise of a woman in a man's world. Next week "The Great Missouri Raid". 20x

**CLAYSMORE ANNUAL BAZAAR**

The Claysmore annual bazaar under the auspices of the Claysmore W.I. will be held on Friday, Nov. 13 from 3 to 6 p.m. in the Claysmore school. 19-20x

**BASSWOOD**

Dance at Basswood school Friday Nov. 20 in aid of the Jr. Red Cross. Everyone welcome. 20-1x

QUESTIONS and ANSWERS about Cancer
QUESTION: How long does it take cancer to become incurable?
ANSWER: Incurability is based on the spread of cancer cells in the body. The time required for spreading varies with each cancer, so no definite time can be stated.
Write for Free Literature
CANADIAN CANCER SOCIETY
Vermilion, Alberta

**SHOWER BRIDE-ELECT**

A surprise shower was held at the home of Mrs. G. Terry in Vermilion on Thursday evening Nov. 5 in honor of Miss Valeria Malek, a bride-elect of this month. Friends and neighbors presented the young couple with many pretty and useful gifts.

Those present at the enjoyable function were Mr. and Mrs. Gordon Terry and daughter Myrtle, Mr. and Mrs. Chas Hollen, Mr. and Mrs. Walter Walker and little daughter, Mr. and Mrs. George Hillcox, Mr. Jack Coutts, Mr. and Mrs. John Hillcox, Mr. and Mrs. Clifford Hollen, Mrs. Lowell McIntosh, Mr. and Mrs. John Frederick.

At the close of the evening a delicious lunch was served.

Harold Cleland of the Auburndale district was the winner of the Hereford heifer given away as a door prize at a dance last Friday evening. Tickets on the heifer were sold by the curling club and the ticket sale and dance were both very successful.

Mrs. Gordon Anderson who has spent the summer here with her mother Mrs. Telford, who is ill, has now returned to her home in Seattle.

**FALL SALE & TEA**

St. Saviour's W.A. will hold their fall sale and tea on Saturday, Nov. 28 in the Parish hall from 3 to 6 p.m. 15-22x

## Red Cross Notes

The local branch of the Canadian Red Cross Society have received a very appreciative letter from Mr. W. C. Paulin, Donor Panel Organizer, regarding the recent Blood Clinic held here. Owing to the fact that we were able to call on students from the Vermilion school of agriculture the number of donors was increased considerably. This was a great source of satisfaction to all concerned.

It is planned to send a shipment of goods to Calgary before long. Would anyone having Red Cross work completed kindly hand in same to either Mrs. Robson at the Mayfair building or leave at the office of the district agriculturist.

**CHATSWORTH SCHOOL**

All those interested in keeping the Chatsworth school as a community centre are asked to attend a meeting at Chatsworth on Friday Nov. 20 at 8 p.m. 20-1x

**CAMPBELL LAKE**

Card party at the Campbell Lake school on Friday Nov. 13 at 8:30 p.m. Proceeds in aid of the Red Cross. 19-20x

**DEWBERRY BAZAAR**

The Dewberry Ladies [illegible] are holding their annual bazaar, tea, sale of home cooking, fish pond and candy sale in the United church on Saturday Nov. 28 2:30 to 5:00 p.m. 20-2x

**A LATE HATCH**

Mrs. [illegible] Etherington received quite a surprise when on Nov. 2 one of [illegible] pullets hatched out five [illegible] under a building. [illegible] Light Sussex, March hatched.

## Provincial President Addresses Guild

The Vermilion branch of the Canadian Handicraft Guild held a very interesting meeting on Nov. 2. The president Mrs. D. Wilson introduced Mrs. Hoar, Provincial President and Mrs. Jean, the Immediate Past President, both of Edmonton. Mrs. Jean gave a very informative talk on the history of the Provincial Guild and its objects. The objects of the Guild are:

To encourage, retain, revive and develop Canadian Handicrafts and Art Industries throughout the Dominion.

To prevent loss, extinction and deterioration of the same.

To encourage and preserve any such crafts and industries possessed by the new settlers.

To aid people skilled in such crafts and industries by providing for their products in Canada and abroad.

To encourage industry in the homes of the people by making it profitable and honorable.

To carry on and take part in exhibitions of home arts, industries and crafts.

To provide instruction in, and proper direction for such arts, industries and crafts.

To educate the public to the value of such arts industries and crafts, and of good handwork.

To keep records of the same in order to prevent their extinction.

Mrs. Jean told the meeting that the Canadian Handicraft Guild was first started in Montreal in 1906. In April 1928 a group of interested women formed a group in Edmonton and then they were asked to unite with Calgary and have a display there at the opening of the Palliser hotel.

In 1949 after new branches were started in the province the Provincial Guild was formed and the headquarters established in Calgary.

There are now 15 branches in the province and the headquarters was moved to Edmonton last year.

Mrs. Hoar and Mrs. Jean then answered many questions from those attending the meeting.

Mrs Wilson expressed the thanks of the Handicraft Guild to Mrs. Hoar and Mrs. Jean for coming to Vermilion.

---

Mrs. W. H. Prescott has returned to her home in Saskatoon after staying here and looking after the family for several days while her daughter Mrs. Ben King was ill in the hospital.

---

### Duck Banded In Colorado Shot Here

Information to hand from the Fish and Wildlife Service of the United States indicates that a Mallard drake shot here Sept. 14 by Hugh Shepherd and Miles Dixon was banded at South Platte River in Colorado on Feb. 21, 1949. The band was turned in to George Senz, local game inspector and forwarded to Washington.

### Attends Natural History Society Meeting At Regina

(From Woodvale News)

Mrs. Gladys Wolters told a recent meeting of the Woodvale Red Cross society of a most interesting trip she had made the week before to the annual meeting of the Saskatchewan Branch of the Natural History society, in the provincial museum at Regina. She enjoyed the meeting and the contact with others, who are as much interested in plant and bird life as she is. She was especially thrilled to hear a talk about and see pictures of the famous Whooping [illegible] "Queenie", who was found with a broken wing and later was flown by plane from Regina to the Whooping Crane wintering sanctuary in Texas. On her way to Regina and back Mrs. Wolters stopped o in Saskatoon for a visit with a cousin and saw quite a bit of that city too.

## Dewberry News

Dewberry Curling club are planning an early start again this year. The annual meeting will be held Monday Nov. 16 at 8 p.m. Election of officers will take place along with other business.

Mrs. Joe Braithwaite is home after a spell of illness in the Elk Point hospital. She is quite well again now.

The Dewberry hockey boys' dance was very entertaining to all and the local orchestra of Jim [illegible] and his Broncho Busters should be quite popular. They present a few entertaining acts of their own during supper hour. The Broncho Busters will play for the mammoth F. U. A. masquerade dance at the Greenlawn hall on Friday, Nov. 13.

Mr. and Mrs. Joe Allen of the Rye district have moved into Dewberry. They are living in the house formerly occupied by Alf Purser.

Flu is prevalent in the district with some children home from school on that account.

Vic Dewill and son Headley, along with Milo Hodgson are away after elk.

Congratulations to Julia Hodgson who won the wrist watch in the lucky draw.

Joe Braithwaite purchased two fine boars a. the purebred livestock sale in Vermilion.

The annual meeting of the Dewberry Local F.U.A. will be held in Dewberry on Tuesday, Nov. 17. Election of officers and delegates to the annual convention. Farmers please attend.

Plenty of soft snow in the district. Roads especially miserable being the first snow of the year.

Ed Garnier and Leonard Romanchuk plan to go to Radium Mines for the winter located in northwestern Saskatchewan.

Mrs. Oscar Johnson will leave shortly to visit her sister in California.

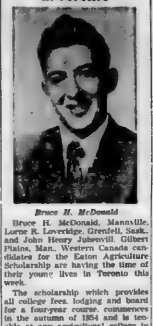
### Having Great Time In Toronto



*Bruce H. McDonald*

Bruce H. McDonald, Mannville, Lorne R. Loveridge, Grenfell, Sask., and John Henry Jubenvill, Gilbert Plains, Man., Western Canada candidates for the Eaton Agriculture Scholarship are having the time of their young lives in Toronto this week.

The scholarship which provides all college fees, lodging and board for a four-year course, commences in the autumn of 1954 and is tenable at any agricultural college in Canada selected by the winner. Cost of books, travelling expenses, clothing and other incidental expenses will not be included.

Selected by the Provincial Ministers of Agriculture, each candidate's academic standing, activity in agricultural organizations, good citizenship and his qualifications as a potential leader in community affairs, were considered in the final selection.

The candidates are enjoying a full program during their seven-day stay in the Queen City. At a dinner, Thursday, Nov. 12 for the judges, candidates and members of the press, they will be guests. The following day, the presentation to the scholarship winner will be made in the ring at the Royal Winter Fair by Mrs. John David Eaton. Saturday, the other candidates will receive suitably engraved wrist watches from the president, Mr. John David Eaton, and they will also see the Santa Claus parade, the Argo football match, and the Maple Leaf hockey game. Sunday, Nov. 15th, they will be honored guests at a reception in the Flower-court of the Royal Winter Fair. On Monday, they will be presented to the Lieutenant Governor of Ontario. Tuesday, they will be guests at Canada Packers for luncheon, and Wednesday, the week's activities will conclude with a high school rugby dance at Casa Loma.

# Health Unit Notes

How can I teach my child to do what he is told?

This is the question most frequently asked by parents about the training of a child. Not one of them expects the answer to be simple and each of them knows that any method must be followed day in and day out, week in and week out, if it is to be effective. With this in mind the following suggestions are offered as a means of achieving obedience.

1. Expect the child to obey — When you ask your child to do something, behave as if you expected him to obey. Never let him get the impression that you expect him to do otherwise. If you expect co-operation you are more likely to get it.

2. Make few demands. Make as few demands as possible but be sure that they are carried out by the child. Children should be trained to obey and to be of help but this can be achieved without giving orders continually.

3. Mean what you say. Always see that the child does what he is told. If you ask him to do something and then do not bother to see that it is done, he will soon get into the habit of paying you no attention.

4. Have the same general rules from day to day. Nothing makes it so difficult for a child to learn good habits as to be faced with demands which change from day to day. If you are easy with your child one day, strict the next, he is confused and in consequence becomes more difficult to handle.

5. Keep your temper. The surest way to make a child 'balky' or sullen is to lose you temper. Either he will lose his temper too, or he will learn to hold a grudge.

6. "More flies are caught with honey" — Try not to order your child to do things, ask him. Not only do you get more done by using this aproach but you help the child to learn the habit of co-operation. By ordering him you are apt to "get his back up".

7. Avoid bribery and coaxing. Do not bribe or coax your child to do things. Don't say: "I'll give you a nickel if you got to the store for me." This is bad because the child should learn that running errands is his own important contribution to the well-being of the household. Remember, also, that if you use bribery of this kind he will soon realize that he can bargain with you.

The 'coaxing method' "Do this for mother's sake" is an admission of weakness and is an unfair appeal to the child's sympathy. He will soon tire of it.

8. Give the child suitable duties — From a very early age a child should be asked to undertake certain duties. For example, he should be trained to put away his toys as soon as he is finished playing. In this way he will develop a habit of responsibility which will make it easy for him to co-operate in more important duties as he grows older.

BABY & PRE SCHOOL CLINICS

Monday, Nov. 16—Vermilion, in the Legion hall, 2 to 4 p.m.

Tuesday, Nov. 17 — Ranfurly, hotel, 10 a.m. to 12 noon.

Tuesday, Nov. 17 — Innisfree Clinic, 2:30 to 3:30 p.m.

Friday, Nov. 20 — Mannville school, 11 a.m. to 12 noon.

Friday, Nov. 20 Minburn school, 2 to 3 p.m.

### Pretty Wedding At Minburn

MINBURN. The United church here was the setting for an attractive afternoon wedding recently when Miss Rose Demchuk, daughter of Mr. and Mrs. M. Demchuk, of Innisfree, and Mr. Nicholas Sawchuk, son of Mr and Mrs. John Sawchuk, of Minburn, were united in marriage by Rev. R. Crighton, of Manville.

Given in marriage by her father the bride wore a gown of white satin fashioned with a lace bodice and long, tapering sleeves. Her floor-length veil of nylon net was held in place by a beaded crown and she carried a bouquet of red roses.

Miss Helen Demchuk, sister of the bride was maid of honor and Miss Ruth Sawchuk, sister of the groom was bridesmaid. They wore gowns of lime green and yellow matching chapel veils. Each carried a bouquet of baby chrysanthemums.

Mr. T. Barker and Mr. D. Lever were groomsmen and Mrs. R. Peden played the wedding music.

A reception was held after the ceremony to immediate relatives of the bride and groom at the home of the bride's parents.

Mr. and Mrs. Sawchuk will make their home in Minburn.

### Federal-Provincial Agricultural

OTAWA. The 15th annual Federal-Provincial Agricultural Conference will open in Ottawa on Monday, Nov. 23, was announced this week by the Hon. James G. Gardiner, Minister of Agriculture.

Sessions will last three days, Nov. 23-25 and will be held in the Railway committee room of the House of Commons under the chairmanship of Mr. A. M. Shaw, Chairman, Agricultural Prices Support Board.

As in other years, representatives of the Federal and [illegible] departments of Agriculture and of the Canadian [illegible] of Agriculture will meet to review the past year, and to discuss possibilities for the coming year.

## THE RABIES SITUATION IN WESTERN CANADA

NORTH HALF OF PROVINCE STILL QUARANTINED

Owing to the present favorable situation in the Western Provinces with respect to rabies brought about by quarantine measures and protective vaccination applying to dogs together with a vigorous and successful campaign to depopulate predatory wild life, such as wolves, foxes etc. which are carriers and spreaders of the disease it has been possible without presently endangering the lives of domestic animals or the human population to remove all quarantines imposed on account of rabies affecting the provinces of Manitoba, Saskatchewan, that part of Alberta south of the 53rd parallel North Latitude and Queen Charlotte Islands.

However it should be kept clearly in mind that rabies exists and probably will continue to exist among predatory wild life in all the northern areas of Canada. That situation poses a continuous menace to both domestic animal and human life in northern districts, and by extension southward if multiplication of predatory wild life is not adequately controlled. Having no assurance that rabies will not again be spread southward by rabid predators, which are chief spreaders of rabies to populated areas and rabies infection means certain death to any person or animal infected, people throughout Canada and particularly those living in northern areas of the Western Provinces are advised and urged to keep their dogs under strict control and beware of the stray or ownerless [illegible]. Proper control [illegible] vaccination [illegible] the most effective means of preventing the spread of rabies.

On July 7, 1952 a [illegible] Order was passed which imposed a quarantine on all dogs in the province of Alberta and [illegible] issuing of permits by Veterinarians or by R.C.M.P. officers for removal of dogs from the province. This order has been revoked by a further order dated Oct. 22, 1953 which removes these restrictions on dogs in that portion of the province lying south of the 53rd parallel. This line crosses the province in relation to the following list points from west to east: Mt. Robson, [illegible] mile south of Cadomin, 2 miles south of Wetaskiwin, 1 mile [illegible] southern borders of Kinsella to 1 mile south of Riverscourse. The latter point is approximately 10 miles south of Lloydminster [illegible] the Alberta-Saskatchewan border.

Dogs moving [illegible] that portion of Alberta and B.C. [illegible] north of that 53th parallel [illegible] N.W.T. are still required [illegible] within the province [illegible] Anti-Rabies vaccine. Practising Veterinarians [illegible] their clients [illegible]. Permits are still [illegible] removal of dogs from the N.W.T. and from that portion of west Alberta and B.C. lying north of the 53rd [illegible].

Removal of the [illegible] quarantine on dogs south of the 53rd [illegible] this province does not in any sense nullify any city, municipal or provincial dog tie-up regulation.

# Korea Veteran Visits In Woodvale District

Lieutenant Fred Sykes, recently returned from Korea and Japan, stayed with Mr. and Mrs. H. Portsmith and visited around the Mannville district, where he lived during his boyhood with his parents, sisters and brothers. The family left some 16 years ago, but Fred still has fond memories of his life in this community. He left for Brockville, Ont., for a reunion with his wife and three children.

RED CROSS ACTIVE

Red Cross quilting bees and the meetings were resumed on Nov. 4 when ten members spent a pleasant afternoon at the home of Mrs. H. Portsmith. With all the extra business on hand of selling Xmas cards, disposing of bazaar articles, packing of three big boxes of used clothing for the W.M.S. of the Presbyterian church in Edmonton and looking over yard good donations by the T. Eaton Co., the large pieced quilt took quite a while before it was finished. It went to the Vermilion Red Cross branch. After that the delicious lunch was thoroughly enjoyed by all present and that included by then another ten men and [illegible]. The next meeting is the annual one — dont let that scare you ladies — we are dividing the work quite evenly! — and will be held at the home of Mrs. Van Wageningen on Dec. 2.

NEWLY WEDS WELCOMED

Congratulations go to Mr. and Mrs. Foyd Robinson (nee Betty Haus) who were married on Nov. 4th and held their wedding dance that same night at Koknee school, and to Mr. and Mrs. Ralph Thomsen (nee Gertrude Whitlock) who were married Nov. 10, having their wedding dance that same night at Canton school. The first couple will live on the Tom Watt farm in the Koknee district and the Tolland couple at the Thomsen farm there. We welcome these new brides in our community.

Bert Portsmith returned after spending the summer with brother John at Port Coquitlam, B.C.

The Woodvale Glee club had a meeting at the old Woodvale school on the 3rd and are raising enough money to buy the school for a community centre.

VACCINATIONS UNDERWAY

The health nurse was down earlier this month to vaccinate the school children at Woodvale. They took the needle without flinching we are told.

We are not the only ones in the wee fish business. Little Art and Jimmy Lysons brought minnows home from the creek. Will we have a competition boys, whose fish grows the most this winter?

Friends and neighbors helped Herman Wolters to raise the roof on his barn at the new building site on his farm. Just in time before the heavy snowfall last week.

Joop Smit of Banff spent a few days at the writer's home.

## Mannville Old Timer Passes On

MANNVILLE.—Mrs. C. E. Summers, an old timer of Mannville, passed away at Yelm, Washington, on Saturday, Oct. 31 at the age of 80 years. She was born in Scotland, coming here in 1906. She leaves to mourn her loss, her loving husband, one daughter and 4 sons, Gladys, Allen, Don, Guy and Jerry, seven grandchildren, all of Washington. Also two sisters and three brothers, Mrs. Hindmarch of Vancouver, Mrs. John Finlay of Mannville, Andrew Clark, Mannville, Alex Clark of Fletcher, North Carolina, and Jack Clark of Kamloops, B.C.

## France, Home of Wines, Now Faces Alcohol Reforms

Along with Indo-China and rearmament alcohol has become one of France's major problems, says an article in the November Reader's Digest.

Always a people who like wine with their meals, the French are now drinking before and after meals as well. Last year they consumed six billion bottles of wine, 5 times as much as their nearest competitors, the Italians. Alcoholic content of all beverages consumed annually amounts to 37 quarts per adult, equivalent to 106 bottles of 86-proof whiskey. (Comparable figures: 19 quarts in Italy, 9 in the U.S., 6 in Britain.)

Frenchmen spend almost two billion dollars a year on drink, or 10 percent of the average family budget. This compares with 4% in America. Buying a drink is easy in France- there is one cafe to every 90 inhabitants. Ratios elsewhere: one bar to 246 people in Germany, 4300 in England, 3000 in Norway. In addition, with home distilling legal in France, some 3,250,000 individuals are licensed to produce alcohol from grapes and other sources.

France has 22 alcoholics per 1000 of population — several times the rate in Britain, the article says. In Paris, three out of four child delinquency cases are traced to alcoholic parents. The government has been spending twice as much on the care of alcoholics and their families as it collects in alcohol taxes.

Wine exports, popularly believed to be a great source of wealth for France, actually account for less than six percent of all French exports.

Aiming at reform, the French government is today 'closing in' on the powerful alcohol lobby, says the Digest. Big tax increases have been levied on alcoholic beverages, and subsidies to vineyards have been slashed.

## Early Specialization Futile and Dangerous

There are grave dangers in the modern tendency toward specialization, in the professions and elsewhere in living, argues Dr. Gordon Bates, general director of Health League of Canada, in an editorial in Health Magazine. Premature specialization or specialization without a broad, general knowledge is futile, even dangerous.

"The man who starts life without sufficient general education may make a lot of money," Dr. Bates admits. "Often uneducated men do. But in the process he may not only miss the opportunity of doing good to society but may oppress and damage his fellow men. Even the exponent of a particular religion, pious though he may think he is, may by lack of general knowledge stand for principles which a little more knowledge would prove wrong.

"We suspect that what makes the Kinsey report dangerous is a failure to realize that a knowledge of the habits of bees and butterflies is insufficient for an adequate investigation of the sins and virtues of men and women."

The editorial goes on to apply this same principle to the field of medicine and public health.

"The public health man's knowledge of what to do for the control of disease and the promotion of health is diminished to the extent by which he has missed daily contact with individual patients," Dr. Bates avers.

# What! . . . $800.00?

SINCE OPENING OUR MUSIC STORE, numerous people have asked why our pianos are from $700 up . . . "Why can't we get a good piano for $400 ? ?" Well, you know, I can buy a brand new full-size piano and retail it right here, in Lloydminster, for $495.00 and throw in the bench as well as five free lessons . . . . We were tempted to get one in as a sample, but figured we would have it for the next ten years as such . . . that's if we were honest and answered your question, "Is it any good?" correctly. Then again, who is the goat after four or five years when the piano is nothing but a piece of furniture? ? No, we can't answer the question for you just why you can't buy a good piano for that money, as we don't know enough about making a piano. BUT we do know this . . . When Heintzman, Willis, Mason & Risch and Wurlitzer and other fine manufacturers that have spent years and years building fine instruments can make a piano and tell me it is a good instrument and they are not afraid to stamp their name on the steel plate where it cannot be rubbed off (not on the front as this is just where the stencil name goes) and put it in my store to sell under $500, then, and only then, will we be satisfied that you are getting your money's worth.

# Kitscoty News

Guests at the home of Mr. and Mrs. Dick Evans recently were Mrs. A. Evans (Dick's mother) and Mr. Hugh Evans of Silverton, Man., Mr. and Mrs. Cluny Evans and family of Leduc, Alta. and Mr. and Mrs. Alfred Jamison of Fusilier, Sask.

Mr. and Mrs. Jack Bootsman are enjoying a holiday with relatives and friends at the Pacific coast.

Mr. and Mrs. A. W. Govier and Tommy were Edmonton visitors recently where Tommy had a medical check-over.

The many friends of Miss Margaret Miles extend best wishes to her for a speedy and complete recovery. Margaret, a grade 6 pupil here, injured her back while sleigh-riding and is a patient in the Lloydminster hospital.

The Kitscoty ladies' curling club are holding a dance on Friday Nov. 13 in the town hall. Marwayne orchestra in attendance. Everyone is welcome.

CURLERS TO ORGANIZE

The Kitscoty men's curling club will hold their annual meeting in the curling rink on Friday, Nov. 20 at 8 p.m. All members please attend and any men interested in this winter sport will be very welcome.

Lloyd Harley is now receiving medical treatment in the University hospital for burns he suffered sometime ago in a flash fire.

Mr. R. M. Mathewson spent the week end here visiting with Mrs. Mathewson.

Mr. and Mrs. Donald McLean spent the week end in Edmonton visiting relatives.

Mr. and Mrs. J. C. Potter and David spent the week end in Edmonton visiting Mr. Potter's mother.

AMATEUR HOUR

The Ladies Auxiliary of the Canadian Legion are sponsoring an amateur hour in the Kitscoty town hall on Friday Dec. 4, at 8 p.m. Please send your entries to Mrs. W. L. Apperson, Kitscoty. A dance will follow the evening program.

## Library Bingo Is A Success At Mannville

MANNVILLE.—The Library Association Bingo on Friday last was a financial success. In spite of the snowy weather there was a good attendance and with the help of a number of the men of the village the bingo was run off smoothly with no wasted time. Lunch was served by the ladies of the Association with the aid of some of the young people.

The Library Association wish to express their appreciation to the Birth Creek W.I., Ramsay W.I., Saltaux W.I., Five Point W.I., the Eastern Star and L.O.B.A. for donations, and to all those who individually contributed towards the prizes and lunch, and also those who worked that evening to make the Bingo such a success. They promise that the proceeds will be used to the best advantage of the library.

DEWBERRY BAZAAR

The Dewberry Ladies' Aid are holding their annual bazaar, tea, sale of home cooking, fish pond adn candy sale in the United church on Saturday, Nov. 28 2:30 to 5:00 p.m. 20-2c

## F.U.A. Executive Meets Premier

On Nov. 6 at 11 a.m. the F.U.A. executive met with Premier Manning in his office to discuss the question of gasoline prices in Alberta. A brief was presented asking for a full investigation into the price of gasoline and oil and the establishment of a price related to cost of production within the province.

In the discussion which followed Premier Manning maintained that price control of any kind was impractical, and that gasoline prices were not out of line in Alberta. He doubted if investigation would be of any value. He offered to compile and make available to the F.U.A. certain facts and figures regarding the oil industry including comparative prices in various areas. This will be done as soon as possible.

Some discussion took place on the control of seismograph work on road allowances and it was pointed out to Mr. Manning that the regulations are not being carried out. The Premier admitted that this was a 'headache' and intimated that some action is being considered.

At a meeting of the Executive, the matter of financing farmers was discussed and the following resolution was passed and is being sent to Mr. Howe and Mr. Gardiner.

"Resolved that we consider it imperative that the Federal Government should immediately make provision for some method whereby western farmers can be financed until a much larger part of the 1953 crop can be marketed."

## Says Premature Retirement A Result Of Superstitions

There are many false beliefs still widely held about the ability of the older worker, notes J. B. McGeachy, associate editor of The Toronto Globe and Mail, in the latest issue of Health. It is necessary to make the facts much better known among those responsible for personnel policies in Canadian industry if our economy is not to suffer severely from premature retirement and wasted manpower.

"The older man admittedly has less physical strength than the younger one, but he makes up for this by a gain in endurance," explains Mr. McGeachy. "Up to age 60 there is no loss in power of learning or adaptability.

"The employment of older workers does not mean a loss of production. Men in their 50's or early 60's are absent fewer days in a year, and lose less time through accidents, than men in their 20's and 30's. These statistics are the result of expert surveys in factories and other business enterprises, and they paint a picture very different from popular legend."

"The truth is," concludes Mr. McGeachy, "that most of the prevalent views about the older worker — who may be anything from 40 to 70 — are just superstitions."

## The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

THANKSGIVING

In almost every country in the world around this time of the year people pause to offer thanks for the harvest and for other blessings which they have enjoyed.

No country has cause to be more thankful than Canada. Our natural resources from the fields, the forests, the streams, the seas, the mines and lying deep underground are greater per capita than are possessed by any other country, and far greater than we need for our own domestic use. Throughout the long period of man's sojourn on this earth a lack of food has been his greatest fear, but Canada produces each year twice as much food as her people require, so we are assured for long to come of all the food we need, and we have the privilege enjoyed by few countries of being able to make available each year great surpluses of food and other resources to the hungry and needy people of the world.

Our country has never been overrun by an enemy, thanks to our peculiar geographic position, with barren areas to the north, the Atlantic ocean on the east and the Pacific on the west, and a powerful friendly nation to the south. Surely Canadians have much indeed to be thankful for.

## Sixteen Years Ago Today

*Nov. 11, 1937*

Wm. Steele was elected president of the Agricultural Society with S. C. Heckbert appointed secretary.

The curling club held their annual meeting and elected 16 skips for the coming season. It is interesting to note that of that number only 5 are still skipping rinks here, 4 others are still here but not curling, 2 have passed on, while 5 reside elsewhere.

Gravelling between Edmonton and Jasper Park was completed and the Department of Public Works announced that hard surfacing will be commenced in 1938.

An ideal autumn about describes the weather for the past six weeks. The days are bright and clear, with the nights frosty. A very light covering of snow fell Wednesday bringing the first hint of winter in the offing.

Mr. and Mrs. Hartford Barnes said farewell to Islay and left for the west coast where they intend to reside.

## Thirty-two Years Ago Today

*Nov. 9, 1921*

W. G. Rowden, one of the earliest homesteaders, died at his farm 8 miles north-east of town from a heart attack.

A fine warm rain fell Saturday. This has been followed by weather that has just a little tinge of winter in it.

The old Vermilion Trap Shooting club called it a day, disbursed the organization and donated the balance of funds in the treasury, $33.13, to the Boy Scout troop.

# Chatsworth Chatter

After quite an absence, but not through lack of news, but lack of time, here we are again, and although the items may be a little late, perhaps they will still be of interest to some.

After the most wonderful fall weather enabling everybody to get their harvesting completed and a good deal of fall work done, winter seems to have arrived, and though the temperature hasn't actually dropped too low, we have plenty of snow. But perhaps it will disappear again.

Folks have been very busy getting ready for winter — covering bins and open piles of grain, getting storm windows on, etc. It's a little hard to realize that Xmas is only 7 weeks away, and overseas mail is due to be on its way this week.

The October meeting of Chatsworth Country club was held at the home of Mrs. J. Panter on the 15 with a good attendance of members and a number of visitors present, and Miss Holms as the guest speaker. We all enjoyed her talk on 'Fabric Fair', and the samples of the different new materials now on the market and being made up into clothing for all members of the family proved of much interest to all. Mrs. Burns was the winner of the nickel draw. Our secretary, Mrs. Albert Tovell who has been ill throughout the summer months, was back with us again and the sick committee reported gifts of flowers to two members, and a remembrance for Allie Good, who was sick with polio. The sick committee for November is Mrs. M. Farkash and Evelyn Thompson. The November meeting will be held at the home of Mrs. Patterson, lunch committee to consist of May Panter, Myrtle Thompson, Mrs. Tovell and Evelyn Thompson. All members have tickets to sell on two woollen blankets at 10c each or 3 for 25c, which are to be drawn for in the near future.

Mr. and Mrs. Frey of Leader, Sask. were recent visitors at the home of Mrs. M. Farkash. They were motoring through to the Pacific coast.

Mr. and Mrs. Al Moss of Edmonton were Thanksgiving week end visitors at the Cummings' home.

Mr. and Mrs. A. Ramsley of Clandonald, visited at the home of the writer.

CAMPBELL LAKE

Card party at the Campbell Lake school on Friday, Nov. 13 at 8:30 p.m. Proceeds in aid of the Red Cross. 19-20c

## Village of Derwent

*SYNOPSIS OF BY-LAW No. 77*

This By-law provides for the issuance of debentures of the Village in the sum of 44,700.00 dollars for the purpose of providing a water supply and distribution system for the Village.

The By-law authorizes the Council to install the said system and for the purpose to issue debentures of the Village in the sum of 44,700.00 dollars.

The sum of 24,700.00 dollars is to be charged by way of special assessment for local improvements against all properties abutting on the streets and avenues wherein the said system is to be installed, payable at an annual rate per front foot of frontage of 22 cents payable for a period of 20 years. The balance is borrowed on the credit of the Village at large and provision is made for the levying of annual rates on all taxable property in the Village to provide for the annual payments on the said sum after crediting annual net revenues from the operation of the system.

The debentures are to be dated as may be appropriate having regard to the date of the sale and are to be payable in twenty annual or semi-annual installments of principal in each of the years 1954 to 1973 inclusive, with interest at a rate not exceeding 6% per annum.

If the loan can be obtained under the provisions of the Self-Liquidating Project Act, then the debentures will bear interest at two (2%) per annum and will be repayable in forty equal amortized semi-annual installments of combined principal and interest. The debentures may be made redeemable at the option of the Village on or after the 1st day of February 1974.

If the loan cannot be obtained under the provisions of The Self-Liquidating Project Act but can be obtained under the provisions of the Municipal Capital Expenditure Loans Act, then the loan will bear interest at the rate of three and one quarter (3¼%) per cent per annum and will be repayable in twenty equal consecutive annual amortized installments of combined principal and interest.

M. N. Cherniawsky, MAYOR.
Matt D. Charchun, Secretary-Treasurer
19-20c

## Village of Derwent

*SYNOPSIS OF BY-LAW No. 78*

This By-law provides for the issuance of debentures of the Village in the sum of 32,800.00 dollars for the purpose of providing a sewer and sewage disposal system for the Village.

The By-law authorizes the Council to install the said system and for the purpose to issue debentures of the Village in the sum of 32,800.00 dollars.

The sum of 18,800.00 dollars is to be charged by way of special assessment for local improvements against all properties abutting on the streets and avenues wherein the said system is to be installed, payable at an annual rate per front foot of frontage of 17 cents payable for a period of 20 years. The balance is borrowed on the credit of the Village at large and provision is made for the levying of annual rates on all taxable property in the Village to provide for the annual payments on the said sum after crediting annual net revenues from the operation of the system.

The debentures are to be dated as may be appropriate having regard to the date of sale and are to be payable in twenty annual or semi-annual installments of principal in each of the years 1954 to 1973 inclusive with interest at a rate not exceeding 6% per annum.

If the loan can be obtained under the provisions of The Self-Liquidating Project Act, then the debentures will bear interest at two (2%) per cent per annum and will be repayable in forty equal amortized semi-annual installments of combined principal and interest. The debentures may be made redeemable at the option of the Village on or after the 1st day of February 1974.

If the loan cannot be obtained under the provisions of The Self-Liquidating Project Act but can be obtained under the provisions of The Municipal Capital Expenditure Loans Act, then the loan will bear interest at the rate of three and one quarter (3¼%) per cent per annum and will be repayable in twenty equal consecutive annual amortized installments of combined principal and interest.

M. N. Cherniawsky, MAYOR.
Matt D. Charchun, Secretary-Treasurer

*NOTICE*

The above is a true synopsis of the proposed By-laws of the Village of Derwent which have been introduced and which will be finally passed by the Council within four weeks from the assent of the proprietary electors thereto.

Monday the 30th day of November 1953 at the Village Hall in the Village of Derwent has been fixed by the Council as the time and place for taking the vote of the proprietary electors thereon and the poll will be opened for such purpose between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon.

DATED at the Village of Derwent, in the Province of Alberta this 3rd day of November 1953.

H. MEYERMAN, Returning Officer
19-20c

GOVERNMENT BUSINESS IS *Everybody's Business*

**RURAL ELECTRIFICATION**

The present-day supply of electrical power to 21,386 Alberta farms has been made possible by the co-operation of the farmer, through his Rural Electrification Association; the Provincial Treasurer, representing the Government of Alberta; and privately-owned power companies.

THE FARMER, working through his association, acts as organizer and arranges for equipment and for private financial assistance or government assistance. Since 1947, 299 Rural Electrification Associations have been chartered under the Co-operative Associations Act, administered by the Department of Industries and Labor.

THE PROVINCIAL TREASURER, under the authorization of the Rural Electrification Revolving Fund Act, passed during the last Alberta Legislature sessions, grants loans from a fund of $10,000,000. In addition, the Provincial Treasurer can guarantee the borrowings of Rural Electrification Associations, provided interest on such loans does not exceed 3½ percent over a maximum of 10 years. The Alberta Government has guaranteed borrowings of 192 associations for a total of $6,405,695. The government has made direct loans of $3,313,000 to some 90 Rural Electrification Associations.

THE POWER COMPANIES build and operate power lines at cost. Lines are built on an estimated cost basis; refunds are made when warranted by final cost figures.

Your government assists Alberta farmers with rural electrification, making every effort to expand high line facilities all over the province.

The availability of men and materials to build power lines is the only factor limiting your government's assistance to Rural Electrification Associations.

# News Notes From Your District Home Economist

TAKE A TIP

If it's hide and go seek when you are hunting for handkerchiefs in the washing machine, place them in a net bag made from two knit dishcloths. Swish through wringer in the bag too, and there they are all together for hanging in one place on the line.

Next time you're waxing your floors, apply a coat of wax to your dustpan and see how much more easily the dirt slides off.

If corks slip into salt and pepper shakers every time you fill them, an effective substitute os adhesive tape which may be put across the bottom of the shakers — so easy to remove and replace!

Turkish towels may be worn but still have lots of uses: they make good fillers for potholders; a large sized piece can be used for applying furniture polish; try using small, damp pieces for picking up bits of broken glass—be sure to discard!

If you find the headings on your curtains are torn from the rough, jagged edges of curtain rods, we suggest dipping one end of the rods in melted paraffin and allowing to harden. When ready to hang curtains slip paraffin end of rod through curtain.

QUESTION BOX

Q.: Can fresh pineapple be used in a gelatin salad or dessert?

A.: No. Fresh pineapple contains an enzyme that attacks gelatin and destroys its setting property. However, if the fresh pineapple is heated to boiling, the enzyme is destroyed and the pineapple may be used in a gelatin mold.

REFRIGERATORS

The purchase of a new refrigerator is a large investment and is worthy of thought and inspection. Don't buy the first refrigerator you see in your price range. Shop around to see what other manufacturers have to offer.

The refrigerator of today is large inside and small outside. New insulation has made it possible to buy a 9 cu. ft. refrigerator that takes up approximately the space of a 7 cu. ft. size.

Fresh frozen foods from the locker or deep freezer may be stored in the frozen food holding units for six weeks. Automatic defrosting takes place regulaly and is done so quickly that frozen food is not harmed, and the temperature is not raised enough to spoil food. It only takes 7 to 10 minutes. Special compartments for meat, and vegetables keep these perishables in excellent condition.

Adjustable sliding shelves mean two things, first a greater flexibility of space within the refrigerator and second the food slides out to meet you — no more reaching. A special compartment keeps butter at an easy spreading consistency—a boon to sandwich makers.

There are no 'best' brands of refrigerators. The one that is of standard make with the special conveniences you need installed and guaranteed by a reliable dealer is your best buy.

## Islay District Locals

With winter approaching and the harvest over one has a little more leisure time to take up correspondence. It has been a good summer and a wonderful fall, at least in Alberta, the so-called sunshine territory. Gardens were good, both vegetable and floral, also berries were in abundance.

There has been time for many friendly calls and visitors. Mr. and Mrs. P. Golby and daughter Barbara were guests for tea at the Coombe farm last Sunday.

Mr. and Mrs. Burt Parker gave a chicken supper honoring George Coombe on his birthday recently, chicken casserole, home made rolls with all the trimmings. Helen, your cooking is second to none. Hope to se you in town 'ere long.

There are several householders going into Vermilion for the winter months from Islay district. It's a good place to be while roads are drifted and one cannot get out from the farm.

Ducks were noticed in the fields up to a few days ago but as lakes are freezing up they are now leaving for warmer climes.

One notices quite few improvements in Islay and district these days. The main excitement being preparations for electric lights in nearly every farm home. One housekeeper could not wait for the current to be turned on so connected the bulbs with a storage battery to see what it was going to look like. Well it will be a welcome addition to farm home and buildings. Already toasters and irons are being thought of and Xmas gifts will be electrical in the main this season.

I saw some well stocked shelves of fruit and vegetables, berries and pickles, bins of carrots and potatoes, also beets, squash, pumpkins and ripe tomatoes. Two in particular were the cellars of Burt and Helen Parker of Kitscoty and that of Percy and Esther Golby of Islay. Doubtless others are as good.

The writer gathered large pansies in the snow a day or so ago just as lovely as in midsummer. They seem to be the first flowers to bloom in early spring and the last blossom in the early winter snow.

I believe gardeners usually agree that the Maple Leaf pansies do not form seed pods as they are [illegible]. But mine did as well as Esther Golby's, perfectly formed seeds well matured.

The writer also is closing [illegible] house on the farm and wintering in town. This makes a nice change and rest from farm routine.

Hope you are feeling better Mrs. Bothwell and best wishes to [illegible].

The roads are fine [illegible] to drive on at present and [illegible] must be taken to avoid [illegible].

With Halloween over [illegible] anticipation will be Christmas [illegible] all remember this [illegible] and fill our hearts with [illegible] spirit of Christmas in its true [illegible].

St. Saviour's W.A. will hold their fall sale and tea on Saturday, Nov. 28 in the Parish hall from 3 to 6 p.m. 19-22c

## Another Mammoth Bingo Planned

Save your $2 bills folks— another mammoth bingo is in the immediate future for the people of Vermilion and district. The Kinsmen club is sponsoring this major event on Saturday Nov. 28 at 9 p.m. The prizes have been selected and will be on display in Simonsen's Furniture store within the next week. A total of $1200 in merchandise being arrayed—something to suit everyone's fondest dream in the furniture line.

Advance tickets will be on sale shortly at $2 each which entitles you to admission and the 20 games. All members of the Kinsmen club will have tickets for sale.

## Record Car Output

Output of all vehicles in Canada has now reached 434,000, outstripping the 432,973 produced in 1952, reports The Financial Post. And 1952 was a record year. How much higher this year's output will climb depends on how fast Ford and General Motors - the two shut down for re-tooling get back into full production. Both are expected to be producing 1954 models by the middle of November.

While assembling lines always run slower in the first few weeks when kinks are being ironed out it is expected that the two firms alone could account for another 20,000 units before the end of the year.

*going* **EAST** *this winter?*

...go **CANADIAN NATIONAL**

*—and let the engineer do the driving!*

The popular route for winter travel EAST is via The Continental Limited over Canadian National [illegible] of bad roads [illegible] skies. Relax in the warm comfort of modern coach or sleeper ... enjoy delicious meals in fine diners. You'll arrive at your destination refreshed ... ready for business or pleasure.

Through coaches and sleeping cars to Toronto and Montreal with good rail connections to points in the United States.

Any Canadian National Agent will be glad to help you with your winter travel plans anywhere ... be sure to ask him about the types of accommodation — day coaches [illegible] sleeping cars — also, fares.

# Mannville & District LOCALS

Mrs. Harold Hawley of Hanna was a visitor in town over the week end.

Visiting with Mr. and Mrs. R. Hay is Mr. Hay's sister, Mrs. Cecil Acres of Osgoode Statin, Ont. Mr. and Mrs. Hay and Mrs. Acres motored to Edmonton the Sunday before last to visit with relatives and friends there. On their return from Edmonton they had another visitor from the east, Mr. Lawson Greer of Cars, Ont., a cousin of Mr. Hay who spent several days last week with them.

Mr. R. Whitson attended the Alberta School Trustees convention at Calgary last week.

Mrs. A. Mercer of Edmonton was a visitor at the home of Mrs. Torrance and on her return to Edmonton, Mrs. Torrance accompanied her.

Parents, be sure to attend the Home and School meeting Thursday, Nov. 12. As well as a ... on United Nations by Miss Audrey Hamilton and a report on the library by Mrs. Otto, there will be a buzz session on homework. This is your opportunity to discuss with the teacher your children's school problems.

A number of Mannvillites attended the wedding on Saturday at Vegreville of Miss Sphur and Mr. Willard Jones, both formerly of Mannville.

Mr. and Mrs. F. McLaughlin and family and Mr. and Mrs. Del McFadden were Sunday visitors at the home of Mr. and Mrs. S. Arnett of Viking.

Mr. and Mrs. Gordon Williams of Vermilion, and Mrs. C. Hamilton and Jimmy of Dewberry were visitors at the G. Hetherington home on Sunday.

Mrs. E. Ambler, formerly of Mannville, is now employed with the B.C. government in the Willow Chest Surgery clinic.

## U. S. Car Sales Abroad Drop

Although the U.S. has produced a record number of automobiles this year, the percentage of production shipped abroad has declined, reports the Canadian Trade Commissioner in Detroit. Total factory sales for the first seven months of 1953 were 4,582,944 vehicles, compared with 3,057,583 units for the same period of 1952. In the first seven months, however, only 127,962 passenger cars, 80,145 trucks and 145 buses (a total of 208,252 vehicles) were exported. This is only 4.5 per cent of total factory sales, compared with 213,922 vehicles, or 7 per cent, in the same 7 months last year. This smaller percentage of a higher output being sold abroad is the only unfavorable aspect of the current automotive sales picture.

**FOR SALE: Half Section Land**

Black loam. 4 miles from Elk Point on main road, very level. Approximately 240 acres cultivated, nearly all newly broken. At a very attractive price.

**F. C. Keitges**
ELK POINT — ALTA.

# LETTERS TO THE EDITOR

KINSMEN RESPIRATOR MUCH APPRECIATED

The following letter has been received from the Wainwright municipal hospital district by the Vermilion Kinsmen and is self-explanatory.

President, Vermilion Kinsmen Club
Vermilion, Alberta.
Dear Sir:

As chairman of the Wainwright Municipal Hospital board, I would like to offer our thanks to your organization for the use of your body-type respirator in two recent cases of Bulbar Poliomyelitis in this hosppital. The fine machine proved to be very useful in both cases.

You and your club are to be complimented on the fine public spirit shown in the purchase of this expensive equipment for your hospital and for your generosity in letting us use it in these emergencies.

Yours very truly,
F. E. McLeod, Chairman.

Vermilion, Alta., Nov. 4.
The Editor, The Standard,
Vermilion, Alta.
Dear Sir:

Frog Lake Chapter of the Imperial Order Daughters of the Empire wish to thank you most sincerely for all the space in your paper which you so generously gave in the campaign for the Blind.

The campaign and tag day was a great success and I am sure it will be greatly appreciated.

Again many thanks.

Madeline McLean, Sec'y.
Edmonton, Alberta.

Editor, Vermilion Standard,
Vermilion, Alberta.
Dear Sir:

I take this opportunity of expressing to you the appreciation of the Alberta Optometric Association for the co-operation you extended during the See Better - Learn Better Campaign this fall.

Since vision plays so important a role in children's welfare you are doing a great public service when, through the means and medium at your disposal, you bring the importance of early visual care to the attention of the public.

As in all fields of health care, prevention can best be practiced in the young child. If visual problems do exist in pre-school or early school years prompt attention may prevent them from becoming set defects, uncorrectable in later years.

Many thanks for the service you have rendered in your community.

Yours truly,
K. G. Armstrong, Chairman,
See Better - Learn Better Program

Rat Lake, Alberta.
The Editor,
Vermilion Standard.
Dear Sir:

I thought of sending old friends at Vermilion a Christmas card this year but a few people I've met have mentioned so many changes there that I'd surely miss some. My memory of Vermilion is somewhat mixed because of the old elements there. I think of the words of a resident. He was a new arrival from Sweden and had worked five months for a famous farmer living close to town. He had gathered up much English and a great perspective of things and people. He loved to stop and talk after his wagon of wheat was unloaded. One day after listening to an opinion I said "And what do you think of the people of this town?" He replied, "All the people in this town who haven't been to gaol most of them should be there right now."

He included me of course or I wouldn't be so unkind as to remind others, yet I wonder how many would be outside of gaol if we got our deserts, there might not be enough good people to keep us in and the people of Vermilion would be so nice and kind-hearted that we'd steal the keys and get past them.

I quit the grain buying business seven years ago and am now trying to grow some. The grain buyer may be a rascal but no other knows the suffering he gets night and day because of dust. A farmer gets in a few days at threshing time but the grain buyer has a full year of it while his two weeks holiday does not clear the lungs and throat.

I would like to call in on you all but will have to be content with a wish to all for a Merry Christmas and a Happy New Year.

I am, yours sincerely,
J. M. Pine.

# NATION-WIDE CAMPAIGN TO PROMOTE USE OF BUTTER

TORONTO. According to accepted tradition, the trade secrets of eminent chefs are closely guarded and they answer questions about their culinary masterpieces with an enigmatic shrug. Most of us are content to enjoy their palate-tickling dishes and attribute it all to "the magic touch".

Although not denying that a good chef may be something of a magician, Chef Henri Freitag of Ottawa's famous Chateau Laurier hotel makes no secret of the fact that he prefers butter in his cooking. In the opinion of this expert butter improves the flavor and the quality of food. "Nothing can replace butter for richness and higher quality in cooking," he maintains.

One of Chef Freitag's favorite recipes is the following for Butter Meuniere, a sauce for sauteed fish steaks or chops. When fish or meat is ready to serve, squeeze the juice of a quartered lemon over it. Sprinkle with fresh choped parsley or chives. In a frying pan brown 2 ounces of butter for each person. Pour over fish or meat.

Apparently famous chefs are not alone in their enthusiasm for butter in their kitchens, for officials of the Dairy Farmers of Canada point out that per capita consumption figures this year indicate an increase in the domestic disappearance of this dairy food.

In an effort to boost still further the use of butter in Canadian homes, the national producers' organization representing 435,000 dairy farmers, in co-operation with the National Dairy Council, are spearheading a nation-wide promotional campaign which will continue throughout November.

The Dairy Foods Service Bureau, the advertising division of Dairy Farmers of Canada, will publicize the November promotion through large space national advertisements in magazines, daily and weekly newspapers. Recipes featuring butter as an ingredient will be released.

This campaign will mark the 5th dairy food promotion undertaken this year by the Dairy Farmers of Canada.

## Artificial Breeding Unit At Edmonton

Plans to establish an artificial breeding unit at Edmonton have been formulated by the Edmonton and District Milk and Cream Producers Association. This was the information received from R. P. Dixon, Supervisor, Dairy Cattle Improvement, Alberta Dept. of Agriculture. The association hopes that its members will favor the proposal and breed a large number of cows artificially.

Arrangements have been made to obtain semen from the Maple Breeding Association at Maple, Ont. This unit keeps a battery of outstanding bulls and annually breeds a large number of cows in Ontario.

The semen will be flown here and a technician approved by the association [illegible]. To assist in [illegible] cost of setting up the lab with the equipment necessary for this work, an annual fee of $10 has been proposed. The fee will be the same for grade and purebred cattle.

Circular letters have gone forward to all dairymen in the Edmonton area and as soon as questionnaires are returned the necessary action will be taken depending upon the wish of the membership.

The main reason for the establishment of an artificial centre at Edmonton is the improvement of quality and production of the future cows in the district.

## Poor Way To Advertise

Most serious complaints from new arrivals have been aired in the press of Canada in the last few weeks, The Financial Post notes.

Our immigration offices are described as dirty, dark, crowded and obsolete. There is no friendliness or sympathy on the part of the officials. Potential immigrants are required to wait for hours for attention in these dingy offices then sent home for weeks or months of uncertainty as to whether they have been accepted.

This is the worst sort of publicity for a country that needs new people. Ottawa simply cannot afford to ignore it. If it is not true we should say so. If it is, prompt correction is imperative.

## Air Conditioners

Room air conditioning units are becoming more popular in Canada. Through the summer [illegible] companies have been developing the market. Production last year was 4,727 units compared with [illegible] units the year before. Many units are imported, reports The Financial Post.

For seven years Canadians from St. John's to Victoria have made it a habit to say "Merry Christmas" to friends and [illegible] the CARE way. [illegible]

# Elk Point Man Wed At Sylvan Lake

DARLING JARVIN

Sylvan Lake Memorial Presbyterian church, decorated with baskets of spring flowers, was the setting on June 27 for the wedding of Miss Eileen Anna Jarvin, only daughter of Mr. and Mrs. Abel Jarvin of Alice Lake on Vancouver Island, and Mr. Norman Roy Darling, second son of Mr. and Mrs L. Darling of Elk Point, Alta. Rev Thomas E. Roulston performed the ceremony.

Given in marriage by her father the bride wore a floor length gown of net and Chantilly lace over satin, the skirt fashioned with net and lace panels. The bodice fastened with self-covered buttons was designed with a net yoke and Peter Pan collar beaded with pearls and had long sleeves.

Her finger-tip veil of tulle was held in place with a coronet of pearls and bugle beads, and she wore as her only jewelry a single strand of pearls with matching ear rings, the gift of the groom. She carried a cascade bouquet of crimson roses tied with streamers of tulle.

Attending the bride was her cousin, Miss Anna Kult.

The best man was Mr. Morgan Darling of Regina brother of the groom. The ushers were Mr. M Keith and Mr. Donald Herrick.

During the signing of the register Mr. T. F. Roulston sang "All Joy Be Thine". Mrs. H. N. Fisher was organist.

A three-tiered wedding cake centered the bride's table. Mr. Geo Jarvin proposed the toast to the bride.

A reception was held later on the lawn at the home of the bride's father, Mr. A. Jarvin.

Mrs. Jarvin, mother of the bride wore a blue crepe dress with trim of midnight blue velvet and beads, a white hat and matching accessories with a corsage of pink roses to complete her costume.

The groom's mother wore a grey suit with blue hat and matching accessories, and a corsage of pink roses.

For a honeymoon to Banff and Lake Louise the bride donned a light blue and white pic-n-pic suit with white hat trimmed in red with red purse and matching shoes.

For a corsage she wore a single white gardenia.

The young people are making their home at Sylvan Lake for the present.

Sylvan Lake News.

# Paradise Valley

Mrs. L. Seiger of Coronation is visiting with her mother Mrs. Mary Wood for a few days.

Mr. Roy Mark, now of Lloydminster, but a real old timer of Paradise Valley, was around during the week saying hello to old friends.

Mrs. F. R. Major returned home from Edmonton where she was visiting with her son Fred and his family. Fred is leaving for the east where he has secured a good position. Mrs. Major will take up residence in the McLean house in town for the winter.

Mr. J. Hawkes of the Paradise Theatre was a recent business visitor to Saskatoon returning home Thursday night.

Congratulations to Mr. and Mrs. [illegible] Flint on the birth of a son born in the Lloydminster hospital.

Mr. Albert McDonald who is employed with the Searle Grain Co. has been relieving at Viking during the past week.

Friday night gave us the first real snowstorm of the season when we had quite a snowfall. This was the night of the United Church W. A. chicken supper but did not stop people coming from far and near to this popular event. At time of writing we have no particulars but a good crowd attended. We noticed people there from Westlock, Drayton Valley, Edmonton, Edgerton, Lloydminster, Kitscoty and Marwayne. Not to mention the almost entire population of McLaughlin and Rivercourse. A real good concert followed the supper. More about that later.

We extend our sincere sympathy to Mr. and Mrs. Eric Amblers on the loss by fire of their home and contents last week. Everything was lost as they escaped in night clothes only.

Mr. and Mrs. Herb Foxwell of Edmonton spent the week end with the Hoskin and Gordon families.

## Turkeys May Flutter

Turkeys might be a little higher that last year this Christmas, says The Financial Post. There are some 15% less turkeys in the country than last year. But the price trend will be clearer once the U.S. Nov. 26th Thanksgiving Day is past.

# Of Many Things . . .

By AMBROSE HILLS

HARD-BOUGHT THING

Stephen Vincent Benet, in his famous short story, "Freedom's a Hard-Bought Thing," had Cue his Negro hero, say, "Old Marster, he's a good marster. I don't want to do him no harm. I don't want no trouble or projecting to get into trouble." But then he went on, "O God, I want to be free. I just ache and hone to be free. How am I going to be free, Aunt Rachel?"

Canadians sometimes feel themselves to be in a spot like Cue. They have shown by their votes that they feel "Old Marster, he's a good marster," but just the same a lot of them ache and hone for more freedom.

I think it is coming. Just the other day, in Montreal, Prime Minister St. Laurent said that, "except in grave emergencies, government should not interfere in the affairs of business as long as it is operating legally and is performing a public service." I believe that Mr. St. Laurent really means what he says, and that you and I can look forward to seeing the government releasing some of its war-time powers.

Television and radio may be the first to get this freedom. Certainly there will be some moves made to correct the ludicrous situation we are in right now: a so-called democracy, with the two main means of mass communication held in the chains of a government monopoly.

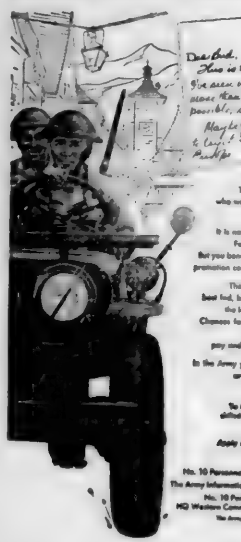
Transportation, too, is likely to get a taste of freedom. Canadian Pacific Airlines may be given the green light to compete in transcontinental air cargo service, which certainly would be a worthwhile public service.

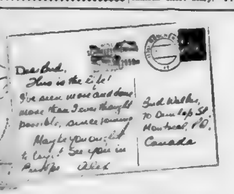
On top of this, the government shows a willingness to sell some of its business enterprises and allow free competition to sharpen them up and make them into solid profit-makers, and consequently worthwhile to taxpayers.

There are other areas where the government might take steps to prove that Mr. St. Laurent meant what he said.

But I doubt if these freedoms will come fast. Freedom is a hard-bought thing, and even the Prime Minister will find his good intentions blocked and hampered by an army of bureaucrats eager to hold onto their powers. If he is to succeed in giving us all a greater degree of freedom, he will have to fight hard to accomplish it.

It seems to me that all of us who believe in freedom as a dynamic force which can make this country great beyond all dreams should urge the Prime Minister to put his words into practice all down the line. Maybe he'd welcome a letter like this: "Dear Mr. Prime Minister, I don't want no trouble or projecting to get into trouble. But I just ache and hone to be free. But you got chains on speech and you got chains on travel and you're digging deep into my pocket book. So how I going to be free, Uncle Louis?"





The Army is the career for the young man who wants to get ahead . . . who enjoys travel . . . who can face up to adventure.

It is not the place for the man who wants it easy. For there's a lot of training and hard work. But you benefit in new skills . . . in financial security. And promotion comes fast for men with ambition and ability.

The Canadian Soldier is one of the best paid, best fed, best looked after soldiers in the world. From the long term view, it's a career that offers much: Chances for extra training and promotion, travel and adventure. 30 days annual vacation with pay and financial security for you and your family.

In the Army you are important to Canada because you are trained to defend our freedom. For your future . . . for Canada's . . . join now!

To be eligible you must be 17 to 40 years of age, skilled tradesmen to 45. When applying bring birth certificate or other proof of age.

Apply right away — write or visit the Army Recruiting Centre nearest your home.

# Municipal District of Vermilion River, No. 71

TAKE NOTICE that the Council of the Municipal District of Vermilion River No. 71, proposes to pass a ZONING BY LAW in accordance with the provisions of the Town and Rural Planning Act, 1953.

The proposed zoning by-law is required, among other things, for the purpose of:

(a) dividing the municipality into districts.

(b) prescribing the purposes for which buildings and land within a district may be used and prohibiting or regulating their use for any other purpose

(c) regulating as to any district
(i) the height, ground area and bulk of buildings,
(ii) the depth, size or area of yards, etc.,
(iii) the maximum density of population,
(iv) the size of rooms and the means of lighting and ventilating buildings.

(d) prescribing as to any district the minimum size of parcels into which land may be subdivided, and the minimum site area required for any particular
(i) class of use, or
(ii) size of buildings, or
(iii) use to which a building is or may be put.

(e) prescribing building regulations.

(f) controlling the design, character and appearance of buildings erected in a district

(g) regulating the public display of advertisement

(h) prescribing a system of building permits

A COPY of the by-law (and of the map(s) referred to therein) is (are) deposited at the office of the Secretary Treasurer and may be inspected there at all reasonable hours

AT 10:00 a.m. on Wednesday, the 13th day of January 1954, the Council will hold a public hearing at the Municipal Office, Kitscoty at which objections to the proposed by-law may be made and discussed

DATED this 27th day of October, 1953.

8 Teams Compete In Successful Round Robin

# V.H.S. TEAMS RETAIN BOTH BASKETBALL TROPHIES

The basketball tournament sponsored by the Vermilion high school on Nov. 14 proved to be a great success from every point of view. Both the V.H.S. boys' 'A' team and the V.H.S. girls emerged victorious from all their games to win the two trophies donated by Mr. Boake and Mr. Clendenning.

At 10 o'clock the tournament began, and by 11 all the participating teams had arrived. Students from Wainwright and Irma came by bus, while the Lloydminster team travelled in cars. Many who were not playing came to watch the games during the day. In the afternoon the Vermilion High cheerleaders were in attendance and really added spirit and color to the proceedings.

At noon and at 6 o'clock the V.H.S. girls served lunch, cafeteria style, in the basement of the Armories. Everyone agreed that the food was excellent and the prices very reasonable. Gum, chocolate bars, oranges and pop were also on sale all day.

Following supper, a short dance was held in the gym. The trophies were presented to representatives of the winning V.H.S. teams. Students from visiting schools thanked Vermilion for a wonderful day, and expressed hopes of the tournament becoming an annual event. Mr. Humphries of Wainwright extended an invitation to all teams to compete in a tournament in Wainwright tentatively set for the first week in December. He also said that, although he hoped the results of the Wainwright tournament would not be the same, he felt there was no doubt that the best team had won this time. Much of the credit for our victories goes to Mr. Bell and Mr. Kokotailo, coaches of the V. H. S. teams.

Results of the girls' games were as follows:

| Team | P | W | L | F | A | Pts. |
|---|---|---|---|---|---|---|
| Vermilion | 3 | 3 | 0 | 86 | 20 | 6 |
| Wainwright | 3 | 2 | 1 | 53 | 40 | 4 |
| Irma | 3 | 1 | 2 | 44 | 46 | 2 |
| Lloydmins'r | 3 | 0 | 3 | 15 | 82 | 0 |

In the first game of the day, the V.H.S girls won a decisive 31-7 victory over the Lloydminster team. High scorers were Ireland and Bauer both of Vermilion, with 8 points each.

The Irma-Wainwright game was a very closely fought contest. The final score was 16-9 in favor of Wainwright. M. Bevans of Wainwright with 11 points, and M. Smallwood of Irma with 7 were the high scorers in this game.

The Irma girls seemed to pick up after their defeat and outscored Lloydminster 25-4 in their next game. E. Allen, 7 points, M. Smallwood 6, L. Smallwood 6, all of Irma were high scorers.

Vermilion girls in their first game of the afternoon won over Irma girls by a score of 28-12. Top scorers were Ireland and Maggs of Vermilion 6 points each and M. Smallwood of Irma 4 points.

In the best girls' game of the day the Vermilion and Wainwright girls fought it out, Vermilion emerging victorious. The score was 25-11. The Wainwright girls played a very good game but the V.H.S. proved to be the better team when it came to scoring. High scorers were Martin with 10 and Barr with 6 points, both Vermilion players.

Wainwright girls chalked up a 26-4 victory over Lloydminster in the last girls' game of the day. Top point getters were Furniss with 13 points and M. Bevans with 6, both of Wainwright.

High scorers for the day were: Wainwright — M. Bevans, 21 pts.; F. Furniss 17.

Vermilion — R. Ireland, 17; V. Maggs, 14; A. Martin, 12; H. Barr, 12.

Irma — M. Smallwood, 17 pts.

Lloydminster — L. Fossey, 5; E. Wright, 4.

The Vermilion girls proved to be the best girls' team both offensively and defensively. It seems their experience in the provincial playoffs last year helped to give them what it takes to win.

Results in the boys' tournament were:

| Team | P | W | L | F | A | Pts. |
|---|---|---|---|---|---|---|
| Vermilion A | 3 | 3 | 0 | 65 | 29 | 6 |
| Vermilion B | 3 | 1 | 2 | 22 | 40 | 2 |
| Irma | 3 | 1 | 2 | 34 | 45 | 2 |
| Wainwright | 3 | 1 | 2 | 30 | 49 | 2 |

In the boys' basketball tournament the Vermilion 'A' team, showing spark and know-how, took top honors by winning all their games.

They opened the tournament against the Vermilion 'B' team and won by a score of 18-5. The smaller 'B' team put up a good fight but couldn't cope with the fast moving A's. High scorers were Cooper and Acheson with 5 each.

In a fast moving, well played game the Vermilion A's rolled to a 23-12 triumph over Irma. The game was close until the last half when the locals outscored the visitors 13-4. High scorers, Cooper with 10 and Acheson with 7.

The best game of the day came when the local A's took on Wainwright. The home brews put on a crowd-pleasing game as they doubled Wainwright's score 24-12. The game was fast and clean with few fouls to either team. High scorers were Cooper with 10 and Bentley with 8.

The Vermilion 'B' team made their second showing against Wainwright and outplayed the larger boys by a 10-9 score in the thriller of the day. The locals put up an air tight zone and fully deserved their win. Top scorers were Marshall of Vermilion with 7 and Koch of Wainwright 6.

The B's lost a hard-fought game to Irma by a 13-7 score. The game was close and well played until the last quarter when the smaller local boys showed signs of fatigue and were outscored. High scorer was B. Masson of Irma with 7.

In a fast rugged game between Irma and Wainwright the Wainwright boys closed with a rush and won 15-9. Fallon of Wainwright was high scorer with 7 points.

The tournament high scorers were Cooper 25 points; Acheson 16; Bentley, 14, Masson, 13, Fallon 12, Marshall 10.

Special thanks to Ken Fisher of the V.S.A. who refereed all the afternoon games and helped to make our tournament a success.

# Mrs. W. P. Pilkie Dies In Edmonton

The many friends of Mrs. Marion Edith Pilkie, beloved wife of Mr. William P. Pilkie, were saddened here Monday when it became known that she had passed away early that morning Nov. 16. She had been ill for some months with cancer.

The deceased was a member of one of Vermilion's pioneer families, being associated with the growth and development of the town from its earliest days. Only this spring they had sold their business interests and homes here and moved to Edmonton where they assumed greatly enlarged business interests.

Mrs. Pilkie is survived by her husband, one son Billie of Edmonton; two brothers Walter Hinchey of Edson and Deward Hinchey of Edmonton; three sisters Mrs. Jane Davies, Edmonton; Mrs. Maude Smith, Toronto; and Mrs. R. R. King of Calgary. There are two grandchildren.

Funeral services were held on Wednesday afternoon Nov. 18 at 2 o'clock in the afternoon at St. Peter's Anglican church with interment at the Edmonton cemetery. Canon T. W. Teape officiated.

The sincere and heartfelt sympathy of their many friends in Vermilion is extended to Mr. Pilkie and the family in their bereavement.

# Sudden Death of Wm. Axley At Islay

News of the sudden death of William Ulrich Axley at his farm home north of Islay last Thursday morning Nov. 12 shocked the community of which he was a widely known old timer. He was 62 years of age and was in his usual health, the sudden death being due to a heart seizure.

Left to mourn his loss are his loving wife, two daughters Mrs. E. McFadyen of Islay, Mrs. Walter Brown at Dewberry, and four sons Bill in Islay; Lorne, Dewberry; Ben, Polpot, Sask.; Buster, Dewberry. One brother Ben lives at Dewberry and there are 8 grandchildren.

The funeral services were held at the Islay hall on Monday, Nov 16 where a very large number of friends and sympathisers attended to pay their last respects. The Rev. T. Sneddon officiated with interment taking place at the Islay cemetery.

# Dewberry Bonspiel Starts Jan. 18th

## Have Matched Rocks

The annual meeting of the Dewberry curling club was held recently with Walter Parker the new president, Stewart Hartwell vice president and Graham Skinner secretary treasurer.

It was decided to hold the Dewberry men's open bonspiel commencing Jan 18. The club now has a complete set of matched rocks for every curling sheet. The second night of the spiel will be followed by the big banquet.

The draw committee for the year is Fred Braithwaite, Neil [illegible], Ralph Lunden, Harold M[illegible]. The prize committee is [illegible] of Alf Redman, George F[illegible], Ben Tinanson. The goodwill committee consists of Ben Tinanson, Frank Mead, Frank Bowe[illegible], A. Redman.

Special thanks during the meeting were extended to the Dewberry Ladies Curling club which donated $350 to the matched rock fund.

# Celebrate 47th Wedding Anniversary

Mr. and Mrs. Wilson Ford were guests of honor on Sunday at the home of their daughter Mrs. F. Gibson where a few relatives and friends gathered to celebrate Mr. and Mrs. Ford's 47th wedding anniversary. Mr. and Mrs. Ford were married at Milton, Nova Scotia on Nov. 17, 1906.

The table looked lovely centred with a three-tiered wedding cake topped with a bride and groom. A delicious goose supper was served. Mr. B. Martin proposed the toast to the bride of 47 years. [illegible] wedding cake was cut by the bride very ably assisted by the groom. May they enjoy many more happy years together.

# Legion To Organize Badminton Club

All members of the Legion and the Ladies Auxiliary who are interested in playing badminton should give their names to the president or secretary by Nov. 27.

# BOARD OF TRADE SPONSORS BANQUET FOR FARMERS

The annual farmers-members get-together banquet will be held in the Legion hall at 6:30 p.m. on Friday, Nov. 27.

Dr. Fred Bentley of the University of Alberta will be the guest speaker. Dr. Bentley has just returned from a year's sojourn in Ceylon. He will report on his trip and show slides of scenery in that far-off land.

Tickets will be on sale at the District Agriculturist's office and from stores in town. Farmers and Board of Trade members are urged to get their tickets soon. This annual banquet has been for several years one of the big events of the year.

Bruce McDonald of Mannville who this week won the Eaton Scholarship in competition with farm boys from all over Canada will be a guest. Mildred Scarfe and George Gow, the poultry club team from Vermilion will also be there. These young people are all in Toronto now and it is hoped that many farmers will be out to welcome them back home.

# FIDDLERS' CONTEST FRIDAY, NOV. 20th

Be sure to keep the date of Friday Nov. 20 open for a night of real fun. That's the night of the Vermilion Kinsmen annual old time fiddler's contest which this year is being held in the Elks hall at 8 p.m.

Entries have already been received from all over this part of the province.

This affair has always been a crowd pleaser and this year will be bigger and better than ever. The perpetual jovial emcee Don Taylor, will again be in charge of putting the contestants through their paces.

DANCE TO FOLLOW

A dance will follow the contest after the hall has been cleared.

All contestants who wish information about type of music, number of pieces, accompanists etc. should contact Keith Inman, chairman of the committee in charge of the big do.

Admission charge to the contest will be 50c per person, adults and children. The charge for the dance is the same, 50c per person.

Remember the date Nov. 20 the place Elks hall, and the time 8:00 p.m.

# Furniture Prizes In Biggest Bingo

Plans are all set for the biggest Bingo game ever presented in Vermilion. This event is sponsored by the Kinsmen club and 'A' Coy. L.E.R. and will be held in the armories on Saturday Nov. 28 starting at 9 p.m. Extra seating is being arranged in the basement of the building in case the crowd cannot be accommodated in the main hall. Programs and cards will be handed to everyone as they enter the hall. Advance tickets are now on sale by all Kinsmen, at Long's Drug store and McLaughlin's Self-Serve. Those who are unable to get advance tickets may pay their $2 at the door. Extra cards at 50c each will be sold inside the hall. $1200 worth of prizes will be offered and can be seen on display in [illegible] Furniture store now.

Further information in this regard is contained in the display ad in this issue of your *Standard*. Special items have been arranged as prizes in case of a tie for the main prize, the bedroom suite.

Parents are advised that, because of limited seating capacity, they will not be allowed to bring their children unless each of them has paid the $2 admission fee. It is hoped that everyone will appreciate that this is a necessity.

# Board of Trade Cancels Wednesday Meeting

The regular weekly meeting of the Board of Trade scheduled for Wednesday Nov. 25 has been cancelled due to the annual Farmers banquet planned for Friday Nov. 27. A full attendance of farmers and town members who is expected at the Friday gathering.

# Hockey Meeting On Sunday, Nov. 22

A general meeting of all those interested in hockey will be held on Sunday afternoon Nov. 22 at 2 p.m. at the Legion hall.

A new executive is to be appointed and a slate of officers will be presented by the nominating committee.

General plans for the coming season will be [illegible]. If you are interested in seeing Vermilion in the league and having hockey played in town again this winter, attend the meeting.

# Mannville Farmer Wins High Honors

Another honor went to Mannville district when Ernie Prill showing an exceptionally fine boar, won his class and the reserve championship in the swine class judging. Experts on swine estimated that not since 1946 has Alberta placed so high in the swine class, an exceptionally difficult class to win against the east.

The Prill stock stood up well against the best that the rest of Canada, especially Ontario, could produce. —Edmonton Journal

# First Numbers Drawn In Newspaper Bingo

## Under the N, 44
## Under the O, 68

If you aren't playing newspaper bingo these days you are missing a lot of fun, the first two numbers were drawn Tuesday night and were under the N 44; under the O 68. Cover these numbers up and wait for next week's *Standard* for the second pair. As soon as you get a line filled, down or across, or diagonally, shout 'Bingo' at Mac Simonsen.

You can start this game anytime and catch right up as master cards are on display. See the large advertisement in this issue with full particulars what to do, where to obtain your cards, etc.

There are 12 prizes of $10 each, with one grand prize for a full house of $200, and wouldn't you like that!

The new game is sponsored by the Vermilion Curling club with proceeds for the rink building fund.

# General Meeting Of Curlers Called For Monday, Nov. 23

A general meeting of curlers will be held in the arena rink gym on Monday evening, Nov. 23 at 8 o'clock.

Reports will be given by building and finance committees, and several other items of interest are to be discussed, so that a good attendance is desirable.

At an executive meeting held recently it was recommended that curling fees be not greater than $20 subject to approval of the general meeting; also that it be not necessary to be a shareholder in order to curl.

Fine headway has been made on the rink and the consensus of opinion is that it is the finest building of its kind in rural Canada. This has only been accomplished by hard and consistent work on the part of building and finance committees and the reports scheduled for Monday night will prove very interesting.

# Evangelistic Services At Salvation Army

Special Evangelistic services will be held at the local Salvation Army Citadel, commencing next Tuesday Nov. 24 and continuing through until Sunday, Nov. 29.

Taking charge of these services will be Evangelist Lieut. David Hammond of High River, Alta., and formerly of Vancouver. Evangelist Hammond is the son of Salvation Army officers, and is presently serving as Youth for Christ director in the southern town. He is a capable speaker, and musically excels on the trombone and concertina, as well as being a vocal soloist.

Week night services will be held at 8:00 p.m. and on Sunday at 11 a.m. and 7:30 p.m. On Monday, Nov. 30 a musical program will be presented in the local citadel, by the Corps band with Lieut. Hammond and other guest artists. The public is cordially invited to attend these services and to share in the blessings of Christian fellowship.

# Coyote Hunt On Wednesday, Nov. 25

The Fish and Game league are sponsoring a coyote hunt on Wednesday, Nov. 25. Meet at Ralph Wilson's farm, 4 miles north on highway 41 at 1 p.m. sharp.

W. L. Robinson is attending the Royal Winter fair at Toronto this week where he is exhibiting three head of his choice Shorthorns. The classes in which they are entered are being judged this Thursday.

# Wins Trip To Grey Cup

David Johanson, son of Mr. and Mrs. Eskel Johanson of Ohaton, Alta. and formerly of Vermilion, was chosen one of two Alberta winners in the Brex Cereal statement contest. He receives an all expense trip by TCA for two, to the Grey Cup final at Toronto or $450 in cash. Dave would sure like to see the Grey Cup final, but also likes the look of that $450 cash.

# J. B. Mix Sells Aircraft To Stan Reynolds

J. B. Mix has sold his aircraft to Stan Reynolds. Stan has had his eye on this plane ever since J. B. brought it home last February. Stan wants to go into the bush west of Wetaskiwin to get an elk and the best way to get there is by this Super Piper he thinks.

John states that he himself has not flown since April as he has not yet obtained a new type private license. He expects to have it soon however and plans to have another plane in 1954.

# High Standing In Dominion Competition

These two members of the Vermilion Turkey club, Miss Mildred Scarfe and George Gow, grade 12 students of the Vermilion high school represented Alberta in the Dominion Junior poultry judging competitions held this week at the Toronto Royal Winter fair and achieved a very high standing being awarded third place. The Saskatchewan team was first while B.C. placed fourth.

# Agricultural Society Annual Meeting And Dinner December 11th

The annual meeting and dinner of the Agricultural Society has been arranged for Friday, Dec. 11 at 6:30 p.m. to be held at [illegible] Saviour's [illegible]. [illegible] invitation is extended to all district residents [illegible].

Those who have previously attended the Vermilion Society's annual dinner [illegible] a great [illegible] interesting addresses [illegible] speakers [illegible] dress will be given by Mr. R. H. Painter of Lethbridge whose [illegible] wit and humor will [illegible] please those who [illegible] opportunity to hear him.

Business of the meeting will be held to a minimum and reports of the work [illegible] being given [illegible] furtherance of [illegible] Society for [illegible]. During 1953 [illegible] maintained [illegible] of projects [illegible] government of Alberta [illegible] out successfully [illegible] horticulture [illegible] with the [illegible] boys and girls [illegible] finest [illegible] purebred [illegible].

[illegible] directors [illegible] of the [illegible] and [illegible] for [illegible] directors [illegible] of the [illegible] the ladies [illegible] growing work [illegible] and the [illegible] fair.

Of special interest [illegible] to teen-agers and younger farm people is the work of the Calf Clubs which have for some time been sponsored by the Society. Also [illegible] this organization makes a valuable contribution to the agricultural life of our community and deserves the support of all interested in the welfare of our young people.

A cordial invitation is extended [illegible] and reservations should be made not later than Dec 8 so that the caterers may be advised as to the number to be served. Dinner tickets are priced at $1.25 each and reservations may be made at the office of S. C. Heckbert, the secretary-manager of the Society or by phoning No. 206. The closing date for reservations must [illegible] be Dec. 8.

# Curling Club To Hold Gigantic Community Auction Sale

The Vermilion Curling club plans [illegible] community auction sale on Saturday, Dec. 12. Al[illegible] this sale will be [illegible] in the building of the [illegible] which is now [illegible] completion.

[illegible] urged to delve into [illegible] and attics for [illegible] of value [illegible] to the sale. Everything and [illegible] will be gladly accepted, from last year's [illegible] Furniture, machinery, toys, skates, tools, sleds, books in fact anything which you no longer use but which some one else may find useful.

Watch for details of the sale which will be announced in next week's issue of the *Standard*. The donations can be left in the waiting room of the new rink shortly, or a phone call to any member of the curling club executive will bring a truck to your door to pick up your donations.

Assist the curling club and the community, donate your no longer used articles so that they can be put to a useful purpose.

## For Dads and Mothers

Are we really interested in the welfare of our children in all its aspects? Do we help them with their school work? Do we take them to Sunday school or church, or do we just send them? Do we help the coaches of their sports teams and do we go out and even cheer for them? Are we helping the Scout, Guide, Cub and Brownie leaders?

These are just a few of the questions that the majority of the parents in Vermilion should be asking themselves and getting truthful answers. If the answers are truthful and correct then there is nothing they need worry about in this problem. All parents must realize that with the pleasure and privilege of raising children in this community there is also a duty that they must assume. Teachers cannot be expected to bring out the best in a student if his parents are not also interested enough to know what he is doing in school. The Sunday school leaders cannot impress children much if those children are merely sent there to get them out of the house and the parents do not even bother to find out what they are being taught. A boy or girl will not be very interested in learning the Scout or Guide Law, or how to tie knots unless his or her parent is willing to help out just a little. The coaches of most of the smaller hockey teams in town are rather discouraged when only a handful of parents turn out to watch their kids play a game and then berate the management because htey don't buy their boys a stick or a pair of skates—the kids are keen but most parents are lukewarm. They feel that we should have school, Sunday school, Scouts and Guides and sports and recreations of all kinds and yet are unwilling themselves to give of their time or talent to help in the successful completion of these various ventures.

We, as parents, must be prepared to sacrifice a little if we want our children brought up in a good community, and we must be prepared to do a little more than just complain about what others are not doing — we must give of our time, talent and, when called upon, our constructive criticism, for the advancement of an all-round community life for our children. This sort of thing cannot come out of taxes. It must come from the heart of every mother and father in Vermilion.

## Remembrance Day Thoughts

Once again the Remembrance Day services go down into the record all across Canada. Again Vermilion services have been carried through with dignity and impressiveness, a large crowd of some 700 people paying their tribute to those who have been taken beyond the ken of human eyes.

Many who were present this year, as in other years, had not been privileged as the minority in being able to serve, and one wonders the thoughts that impinge on the minds of so many, "does this appear as so much mummery?", or "are we once again re-affirming our faith in mankind and being duly thankful that there are still those who would serve still further in this very mixed up world. One has the feeling that both young and old heartily believe in the latter fact, and sacrifice is not a lost cause.

Among the servicemen present, one notes a great variety of medals, symbols of service in engagements that cover over 50 years in the life of our nation. Not a few were privileged to wear up to 6 and even 7 medals. On looking around one person in the crowd was noticed who had South African Service, then through the first world war, the second world war, and one wearing Korean Service ribbons. Among the 'Old Sweats' we spot many who wear two and three medals, those with the Mons Star (1914-15), then General Service and Victory, these three carried with them up to over 4 years of active service, the two could mean up to three years active service. In this group one man's clasp of six medals was more than interesting as so many of the uninitiated would not realize the extent of his decorations. He had the Distinguished Conduct medal, the Military Medal, both rewards for gallantry under fire, followed by the Mons Star, General Service, Victory, and another — this man's record should be known. Then we come to the second world war veteran, with the 39-45 Star, Italy Star, France-German Star, Defense of Britain medal, C.V.S.M. and clasp and Victory, each one speaking of memories in his varied service, well was it said that the serviceman became a world traveller. A few had service in both conflicts.

Then we think of the boys who did not come back from these holocausts (or should we call them misdemeanors of man's existence?). Rather let us say that these boys gave their all in the moment that was the crowning glory of their life. One thing sure, we who are still residents in a wonderful country, never had a finer example to follow.

## NOTICE OF COMPLETION OF VOTERS' LIST

NOTICE is hereby given under the provisions of The Town and Village Act, 1952, that the Voters' List of the Town of Vermilion has been prepared and that a copy of the said Voters' List is posted in the office of the Secretary-Treasurer.

The posted list is open to inspection during business hours.

Any qualified elector may make application for the correction of any error or omission in the said Voters' List by serving notice upon the Secretary-Treasurer in writing on or before the first day of December.

DATED at Vermilion, Alberta, this 14th day of November, 1953.

E. H. WEEKES, Secretary-Treasurer.

# "GREEN ACRES"

RATS ON THE MOVE

Mr. Joe Gurba, Assistant Supervisor of the Crop Protection Service checked over the rat situation in this district last week. He looked over places where rats had been found in Alberta and he reports that the people have co-operated very well in putting out poison. Anyone who suspects that rats are present on his farm or around towns should report to your local pest control officer or to Bert Hozack, Vermilion River M. D., Kitscoty. Warfarin is given out free of charge for rat control purposes.

Every farmer should keep accounts in the same way as any other business man. Handy account books are available without charge from my office. Why not get one now and be ready to record all receipts and payments during 1954. Records are a great help in working out the income tax.

MEASURING GRAIN & HAY

There is too much guessing in estimating the bushels of grain in a bin or the tons of hay in a stack. Circulars can be obtained from my office on figuring out the amounts of grain and hay quite accurately.

LIVE STOCK FEEDING

There are 3 live stock feeder associations in my district. They are located at Vermilion, Mannville and Marwayne. Each Association has a credit of $100,000 for loaning to farmers to feed cattle for the market. It is a good way to get rid of oats and barley green feed and hay. See your local supervisor for details of the plan.

Edmonton dairy men have organized an artificial breeding association. Sperm will be brought in from some of the best Holstein herds in Ontario. There is no quicker or cheaper way of increasing milk production than using sperm from high producing herds. It may be of interest to readers to learn that both bull and cow championships at the International Dairy Show, Chicago went to Ontario exhibits. An aged Holstein cow owned by L. B. Reid, Ripley, Bruce County, Ont., stood first in a class of 66. Your D.A. lived at Ripley until he was 16 years of age.

CULLING THE HENS

It pays to weed out the poor pullets now. Charts are available from my office which show how poor layers can be picked out of the laying flock. You can save a lot of feed by culling out the poor ones.

## OBITUARY

*HUGH MORRISON*

Funeral services for the late Mr Hugh Morrison who passed away on Saturday, Nov. 7, were held under Masonic auspices at the First United church on Wednesday Nov. 11 at 2:00 o'clock in the afternoon. The Rev C. W MacKay officiated. Mr Fred Higginson, acting poultry commissioner of the Department of Agriculture, Edmonton was soloist and sang "Does Jesus Care" The pall bearers were Messrs. J. W G Morrison, Carman Long, Melvin Hill, H. J. Payne, Harry Scott and Basil Hawley.

The late Hugh Morrison was born on August 8, 1880 at Hamilton, Scotland. He emigrated first to the United States, then in 1910 came to Alberta from the State of Indiana. He was employed on engine service on the C.P.R. in the southern part of this province until he went overseas in the first great war. Returning from overseas he engaged in farming in the Vermilion district in conjunction with his brother Alex and family. For the two years prior to his death he had been in ill health.

He is survived by three sisters, Mrs. J Scott, Edmonton; Mrs. J. Simpson, Vancouver; Mrs. E. E. Wright, West Vancouver, and one brother Alex, with whom he had made his home for the past 22 years.

Beautiful floral offerings were received from:

Alex, Christie, Bob and Christine, Marion, Doug and family, Jack, Jean and family, Sandy, Shirley and family, Lizzie and John Scott, Donald, Norma and family, Mary, Tommy and family, John, Henrietta and family, Christina and Ernie Wright, Doris, Ron and Christina Angus, Jack, Jean Wright and family, Simpson Family, Service Bros. and Mrs. Malek, Minnie Eddie and family; Tom and Lillian Wilson, Tom Wilson, Edmonton; Mr and Mrs Knudsen, Harold and Maybelle, Don, Jean and family, Mr and Mrs W. Walker and William; Mr and Mrs R. Tweedy; Rowtell Busy Bees, Rowtell Community Association; The Hawley Family, Mr and Mrs. Albert West, Mr and Mrs. Elmore Stewart, Mr. and Mrs. Charlie Upshall, Mabel and Carman Long, Mr and Mrs. E Buckingham, Mr Moses, Roy and Bob, Mr and Mrs. John Malek and family, Vermilion Chapter No 14, A.F & A.M, Vermilion Lodge No. 24, A.F & A.M., Mr and Mrs Hardy Wear and Lester, Mr and Mrs John Eyben and family, Mr and Mrs. Edward and Jerrold, The Hilton Family, Mr. and Mrs. Henry Eyben, Mr and Mrs. Alex Stone and family, Mr Jim Tilley, Drs. Clandinin and Robbins, University Staff Poultry Branch, Department of Agriculture, Edmonton, Verna and Fred Walden, Edmonton, Johnnie and Annie Browning, Edmonton, Mr. and Mrs. Cy Taylor, Edmonton, Albert and Jenny Holte and Baillie.

Cancer Fund: Mr. and Mrs. Tom Sherwood; Victor and Mrs. Dedeily, Harry and Rose Perkins; Mr. and Mrs. Tommy Fenton, John and Irene Wilson; Mr. and Mrs. J. C. Wallington; Mrs. Henry Eyben; Mr. and Mrs. A. M. Holte and Baillie.

Cancer fund: G. L. Wilson; Mr and Mrs Bob Woodruff; The Macnab Family

Cemetery Fund: Charlie and Hazel Pearman.

## Resident of Chailey District Dies

MANNVILLE. — Clifford Saint passed away at Mannville at the age of 46 years after a long illness. He is the son of Mr. and Mrs. S. Saint and has been a resident of the Chailey district for 41 years. The funeral was held on Wednesday at 1:30 from Chailey church with Rev. R. Alcock officiating. Moyers Funeral Home were in charge of arrangements.

## Not Interested

A return to party politics in municipal elections does not appeal to The Financial Post. Canada, it says, has moved very far away from this practice and we hope the present trend continues.

In this country the independent or floating vote has been growing steadily for years. There are hundreds of thousands of people who vote for one party in a provincial contest and another party in the federal. And when it comes to municipal elections about the last thing they are interested in is the party affiliations of the Candidate. That is a natural and healthy development. Municipal, provincial and federal issues have hardly any similarity at all.

COST OF FOOD

Only 23 per cent of Canadian's expendible income is required for the purchase of food. That leaves 77 per cent for deep freezes to contain food, for clothing, rent, motor cas, amusements, education, liquor, tobacco, and so on.

## FIFTY YEARS OF PROGRESS

TRANSITION. A little more than 50 years ago, the Canadian Pacific Railway introduced to Canadians their first internal combustion self-propelled rail car (INSET). This month the C.P.R. is placing in service four of the very latest in self-propelled cars — the Budd RDC's. Patterned along the "Toonerville Trolley" lines, the old gasoline-powered single truck rail car was 13 feet long and carried 14 passengers. Today's 90-ft. Budd car carries 90 persons and is air-conditioned. Old 502, the first of the breed in Canada, was also air-conditioned, but in a primitive sort of way—she had open sides. Unimpressive as the old car was, she can still lay claim to being the forerunner of the modern, stainless steel, streamlined rail diesel cars which today are providing service between Montreal, Mont Laurier, Toronto and Detroit and North Bay and Angliers. The original rail car, built in 1902, operated from Montreal's old Place Viger Station to Ste Therese.

## Sixteen Years Ago Today

*Nov. 18, 1937*

Dates were set for the winter bonspiels and Vermilion's was scheduled for Jan. 25 to 28. Representatives from seven clubs took part in the meeting.

Activity south of Vermilion by oil and gas companies continues and arouses much speculation as to what the outcome of the work will be.

W. H. Mead, V.S.A. Alumnus and graduate of the University of Alberta, at present farming in this district, will instruct in classes in animal husbandry and field husbandry at the school of agriculture.

## Thirty-two Years Ago Today

*Nov. 16, 1921*

The fine fall weather has taken on a touch of winter and the thermometer sank to 5 below.

Angus Crawford has been engaged as caretaker of the curling rink.

Miss Edna Smith, matron of the Islya hospital resigned to accept the matronship at Drumheller. Her departure was greatly regretted.

Sixteen new houses being erected by the Count de Topor are rapidly nearing the finishing stages.

Wheat was 71c per bushel and oats 22c.

Bruce McDonald, 20, of Mannville, Friday at the Toronto Royal Winter fair, was named winner of the Eaton Agricultural Scholarship. Presentation of the scholarship scroll was made by Mrs. John David Eaton in Toronto on Friday night.

Mr. McDonald won the honor in competition with nine other Canadian young people. It is the first time the scholarship has been awarded to an Albertan.

The award pays tuition and board at any university in Canada for a four-year course in agriculture leading to a B.Sc. He plans to attend the University of Alberta.

Mr. McDonald's parents, Mr. and Mrs. Mathew McDonald, reside at Mannville.

Mr. McDonald has been active in agricultural and athletic events in his community, and has been a 4-H club member for seven years, belonging to the grain, beef, forage and poultry clubs.

In 1952 he was a member of the team representing Alberta at National 4-H Club week, held in Toronto in conjunction with the Royal Winter fair. While there he was elected president of the Junior 4-H club council for Canada. He has taken active interest in the Mannville hockey and baseball teams.

In 1952-53 he attended the Vermilion school of agriculture and attained first class general standing which resulted in the award of the Staff medal for having made the greatest contribution to the academic, social literary and athletic life of the school.

## Christmas Seal Sunday

Christmas Seal Sunday will be observed this year next Sunday Nov 15th, it was announced by D. W. Robertson, president of the Alberta Tuberculosis Association.

Churches of all denominations in all parts of Alberta will be using special Christmas Seal bulletin forms supplied by the TB Association, and the clergy will bring before the people the necessity for supporting the educational and preventive work of the Association. Church leaders consistently endorse the Christmas Seal campaign and commend it to their people.

The 1953 objective for Alberta is $213,000, with $88,000 allocated to Edmonton and Northern Alberta, Mr Robertson said. He pointed out that the provincial objective is only $5000 higher than was raised in 1952, and that every cent has been budgeted for expenditure during 1954. The life-saving work of the TB Association includes health education, rehabilitation nursing and welfare services, X-ray surveys and installation of X-ray equipment in hospitals for low-cost routine chest X-ray of all admissions.

The Association has already given grants or X-ray machines to 29 Alberta hospitals at a cost of $103,000, and it is hoped that during 1954 at least $25,000 can be spent on additional installations.

Christmas Seal contributions are income tax deductible and may be sent to he Kinsmen Club TB Xmas Seal committee, Heintzman Hall, Edmonton, Alberta

## Mrs. Nora Stone Dies At Dewberry

There passed away at her residence in Dewberry on October 17 another highly esteemed person and old timer, Mrs. Nora Stone, beloved wife of Mr. A. Stone. Mrs. Stone came to the Greenlawn district in 1909 from the State of Wisconsin, U.S.A. She was married to Mr. A. Stone in January, 1909, and had resided in the district ever since that time.

She leaves to mourn her loss, her sorrowing husband, five sons and three daughters, Stanley, Frank, Guy and Greg, all of Greenlawn, Norman of Dewberry, Mrs. A. Curtis of Greenlawn, Mrs. Wes Lovell of Landonville and Mrs. Lorne Clack of Greenlawn.

Funeral services were held at the Dewberry hall and the very large attendance testified to the esteem and affection in which the deceased was held. Interment was at the Dewberry cemetery. The pall bearers were the five sons and one brother of Mrs. Stone.

Beautiful floral tributes were received from:

Dad and Family; Greenlawn Old Timers; Jim and Jack McGilawee, Kathleen and Grace; Ruby, Ray and Family; Greenlawn Ladies Club; Mr. and Mrs. Fred Maddex; Mr. and Mrs. J. Ritt; Dewberry Ladies Aid; All the Friends of the Dewberry Community including Cancer donations; Verna, Gerald, Helen, Gladys and Bill; Guy, Opal and family; Mr. and Mrs. Joe Allen.

# Bob Rouse Shoots Huge Timber Wolf

Centre of interest over the week end in town was the corpse of a huge white timber wolf shot by Bob Rouse of Vermilion while on a hunting trip in the mountains 100 miles west of Olds. Bob wasn't hunting for timber wolves, he was after an elk which he didn't [illegible] to get. Accompanying him [illegible] trip were Joe and Bill [illegible]

The huge white or Siberian wolf was a lone animal and according to information from inhabitants of the region had been the object of several organized hunts by American sportsmen. While wolves [illegible] not uncommon in th[illegible] area, [illegible] one was unusual in that it was a white animal and was always [illegible]. The [illegible] variety is the [illegible] packs.

It was just by chance that the Vermilion hunter [illegible] the opportunity to bag the big beast. Joe and Bill Stewart had gone on in front while Bob rested with the understanding that they [illegible] for him when they reached the banks of the Clearwater river, a short distance ahead. The two parties took different paths and when Rouse arrived on the open river valley bottom the other two were not in sight. Instead, up the river he did spot the big white wolf which kept looking backward, his attention being directed elsewhere, possibly sensing the other two men.

When about 200 yards from Bob the wolf swung away from the river and headed towards the trees. Figuring that the other two men would be out of the line of his fire, he took careful aim with his Winchester 30-30 and found later that the bullet passed right through the wolf, piercing its heart en route. Despite this, the powerful animal turned and made a wide circling run-back towards the river, tra[illegible] some 300 yards and dropped dead.

The wolf when examined tipped the scales at 140 pounds, measured 3 feet high at the shoulder, [illegible] from nose to tip of tail was 7 feet 3 inches. His legs were powerful and his head enormous, measuring 9 inches between the ears. He had been living well and for a wolf was fat. Experienced hunters judged from his teeth that the animal was 8 or 9 years old. [illegible] and [illegible] until six years and from then on wear off. These were well worn down and flat on top.

The head and hide will be made into a very fine rug.

As few people hereabouts have ever seen the dreaded [illegible] wolf, the big fellow attracted much attention. The powerful muscles and evident strength of this specimen were adequate proof that he and his mates certainly could wreak great havoc on deer, moose and elk, and would make even a formidable foe for man if they took [illegible]

Incidentally the area in which the Messrs. Rouse and Stewarts were hunting was well off the beaten trail and the last 20 miles had to be traversed by pack horse. There was an abundance of deer and moose but no elk.

— THIS PICTURE of the Vermilion stockyards, a half dozen good stockmen and some fine beef, was taken on January 4, 1915.

## Air Cadets Supply Guard at Remembrance Day Ceremonies

The guard of honor at the Remembrance Day ceremonies was this year selected from No. 97 Squadron Vermilion Air Cadets. The boys picked for the guard were trained on short notice by Cpl. Bert Moore and carried out their duties in a very able manner.

## Important Meeting At Chatsworth School

All those interested in keeping the Chatsworth school as a community centre are asked to attend a meeting at Chatsworth on Friday Nov. 20 at 8 p.m. 20-1x

CLANDONALD HALL

Showing this week end Friday and Saturday, Nov. 20 and 21 — "Flight Command", action in the air with Robert Taylor, Red Skelton, Walter Pidgeon, Ruth Hussey. Next week "14 Hours". News reels with each program. 21x

BOWTELL HALL

Social evening, bingo and cards on Friday evening Nov. 27 at the Bowtell hall under auspices of the hall committee. Please bring lunch. 21-2

BASSWOOD

Dance at Basswood school Nov. 20 has been cancelled.

Most Canadian families spend more on cigarettes annually than they do on health services.

## HOUSEHOLD HINTS For the Ladies . . And Bachelors, Too

Since we found the Kitchen Quickies outlined by one of Alberta's District Home Economists very helpful we asked for more hints for saving time and labor in the home. We hope you find them helpful also:

Keeping a spoon in each canister and a shovel or cup in the sugar and flour bins does save time. It eliminates looking for a spoon or cup at the crucial moment. Plastic cups and spoons are available in attractive colors.

Cutting triangular biscuits is much quicker than cutting the conventional round ones separately. For the cookie jar, squares, bars and [illegible] are easier and quicker [illegible] rolled or drop cookies.

Fresh damp stains are easier to remove than old dry ones. They may be set by hot water and pressing; Ink, if it is still moist try an absorbent such as corn meal or talcum powder. This is especially good for rugs. Coffee, on washable materials—wash in cold water first to remove the cream stain, then stretch over a bowl and pour boiling water through from a height.

Rubber rings sewn to corners of rugs will hold them down. A coarse stiff netting is available in rug departments which will keep [illegible] rugs firm and prevent skidding.

Correct working heights are important. If you are stooping over the dishpan 3 times a day, it might be less tiring to raise the dish pan by placing a rack under it.

THIS SHOWS all that was left of the Vermilion high school after the fire in January, 1940. The school was erected in 1928, destroyed by fire in 1940 and rebuilt the same year.

# ON BUYING A PIANO . .

SOMEDAY an unknown door-to-door salesman will be calling on you to sell a piano . . . Watch these points and don't let him rush you, as this is the treatment usually used . . . They don't want you to wait to think it over for a week or two . . .

1. Is it made by a reliable manufacturer with the name on the steel plate? . . . Ask them to lift the top and look for yourself. This is your safeguard in case you never see the salesman again.
2. Has it got six solid posts in the back? . . . All the top makers insist on 6-post back to withstand the 20-ton tension of strings . . . We have seen 4-post back pianos that will not hold to standard pitch after a year or two . . . Some under-size pianos (73 note) do not require six posts as there are 35 strings missing.
3. Beware of being offered a $900 piano for $695; "It's the last one we have left and want to clean up." A good piano doesn't need to be cut-priced to sell . . . Take time to check on prices of other dealers . . . prices vary as to color, style, walnut or mahogany, etc. but you will not find much variation without a good reason.
4. Try the "Wait-a-Week Test" . . . if the pressure goes on for a quick sale . . . forget it. Any reliable dealer welcomes comparison. Your piano has to last a lifetime . . . don't buy it in an hour from a fellow you have known for five minutes.

## Editor of "Saturday Night" To Address Canadian Club

B. K. Sandwell, who as editor-in-chief and later editor Emeritus of 'Saturday Night' attained a position of wide influence in Canada, will address the Canadian club in Vermilion on Thursday evening Nov. [illegible]th.

Mr. Sandwell was born in England and educated at Upper Canada College and the University of Toronto. His earlier career was varied, including dramatic editor of the Montreal Herald, editor of the Financial Times, assistant professor of economics at McGill, head of the English department and later Rector of Queens, and an author and writer of note.

The subject of his Vermilion address will be "Our Part of North America."

UNITED CHURCH MEN'S CLUB

Next meeting will be held in the church hall at 5:45 p.m. Wednesday Nov. 25. Caterers will be Dr. Stephens and Fred Maddex. Features of the evening will be the presentation of a film dealing with the United Church training school at Naramata, B.C.

## Eastern Alberta League Meets

Prospects of a six team hockey league went by the board at a meeting of the executive of the Eastern Alberta Hockey league held at Vegreville recently. The league will consist of the same teams as last year, Vegreville, Vermilion, Viking and Wainwright.

Representatives were present from Maidstone, Hardisty and St. Paul, but after considerable discussion, Maidstone was voted out because of the distance involved. St. Paul was quite willing to join but Hardisty didn't want to travel to St. Paul. They were both left out.

The schedule which is being drawn up will consist of 18 games besides the playoff. If the ice is ready the league starts Dec. 9.

Dr. Ascah of Wainwright was re-elected president, and Jim Humphries, secretary.

Vegreville Observer.

## Fall Open Dance At The V.S.A.

The fall open dance and alumni reunion will be held at the Vermilion school of agriculture on Friday Nov. 27. Dancing will be from 9 to 1:30 a.m. to music by Joe Dubuc orchestra.

Besides being the opening fall dance at the school it is also an alumni reunion and makes a very popular gathering of former V.S.A. students.

A very enjoyable time is anticipated. 21-2

Look at the date on your label, it tells when your sub is due!

## STAGETTES

First thing this week is a note of appreciation from Stagettes to the Town Council for their consideration on our behalf in giving us the use of the arena for our meetings. We do appreciate your interest in our club.

What's going on here anyway? Joan resigned her position as our treasurer because she is getting married so we elect Evelyn and the next time I see Evelyn — Zeek she's wearing a diamond! What's the treasurer's chair got that it didn't have when I was in it?

Welcome home Gertie, and we hope you are here to stay. Gertie Schmidt was a member of Vermilion Stagettes a few years ago and is back in town as willing a worker as ever.

Who was that pretty little blonde seen doing the double-cross step down the sidewalk to the club room? Oh, that was our Edna Allen, and she learned that step just recently. Edna't nice? (Oh, she'll shoot me for this!)

Friday night is the Fiddlers' Contest and Stagettes play an important role. No, no, not the fiddle. Our part is feeding the crowd. We'll have sandwiches and coffee ready after the contest and again during dance intermission, so nobody should leave the hall hungry, unless they're broke. Just about every member has a hand in this. Serving first shift is Lena, Sophie, Kay S, Berna, Gertie, Pearl; 2nd shift, Kay C, Theresa, Juliette, Evelyn, Mary Anne McD, Ernie. It's a good job the paper comes out on Friday in time to remind all these kids.

Checking Friday: 1st—Shirley, Joyce; 2nd, Edna, Lil; 3rd, Noreen, Ivy. Checking Saturay — Kay C., Theresa.

Theresa will phone the checkers for the Tuesday night and next Saturday night dances as the list was incomplete this week, so your turn will come, just in case you are getting anxious!

Win your Xmas Turkey at the Air Cadet Turkey Shoot. 21-2x

### "CLASSIFIED ADS"
**Payable Strictly in Advance**

The rate for Classified Advertisements is 50c per week straight—CASH with order. Ads phoned in must be paid same day, or in the case of rural residents the same week. An extra charge of 25c will be made for any advertisement not paid as above. If ads contain more than 20 words add 2c per word to the initial 50c charge.

## Local News of Interest

A new member of the staff of the Canadian Bank of Commerce is Mr. Edward Pink who has recently arrived in this country from Belfast, Ireland. Mr. Pink is one of 150 young men whom the Bank of Commerce has brought out from Ireland to relieve the shortage of help in banks.

Mr. and Mrs. Henry Powell have now settled down in Fort Saskatchewan where Henry has purchased an interest in the Red and White store. He says that with the Sherritt-Gordon plant nearing completion the Fort is really booming. The Powells have already met numerous other former Vermilion folks including Mr. and Mrs. Jim Banks, Norman Haddow, Bill Elliott, Jim Knoll, Les Whitcher and Oscar Martinson. They would like very much to see any old friends from hereabouts should they be passing that way.

Attending the Anglican Synod at All Saints cathedral in Edmonton this week are Rev. D. A. Ford, L. H. Playne, Cecil King and E. H. Buckingham. At this important meeting a new bishop to succeed the Ven. Archbishop Barfoot will be elected.

Mr. and Mrs. Sig Lindroth and family were recent visitors at the home of Mr. and Mrs. W. Lindroth at Bawlf, Alberta, and other relatives in Calgary.

J. R. Boake was in Calgary early this week to attend the semi-annual meeting of the Council of the Alberta Pharmaceutical Assoc., of which he is a member.

Roy Walker of the Vermilion constituency and Harry Whitcher of Alexandra are two delegates in attendance at the annual convention of the Alberta Social Credit league being held in Calgary this week.

The Standard incorrectly reported in previous issues that proceeds from the card party held at Campbell Lake school last Friday evening were for the Red Cross. This should have read sponsored by the Jr. Red Cross with proceeds for the annual school Xmas tree.

### CLANDONALD HALL

Showing this week end Friday and Saturday, Nov. 20 and 21 — "Flight Command", action in the air with Robert Taylor, Red Skelton, Walter Pidgeon, Ruth Hussey. Next week "14 Hours". News reels with each program. 21x

### DERWENT THEATRE

Showing at the Derwent theatre Saturday Nov. 21 and Monday Nov. 23 at 8:30 p.m. "The Great Missouri Raid" with Wendell Corey, MacDonald Corey and Ward Bond. See the human bullet streaked saga of the great raid. Next week Nov 28 and 30, "Broken Arrow". 21x

### CARD OF THANKS

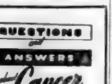
We wish to express our sincere thanks to Dr Sweet and the nurses of the Islay hospital for their care of Dad during his last days before he passed away. Also to our friends and neighbors for their generous donations and messages of sympathy.

All your kindness has certainly been overwhelming and to each and everyone "Thank You".
George and Violet Schaffer

### CARD OF THANKS

We wish to extend our sincere thanks to our friends and neighbors for the many helpful acts, expressions of sympathy and for the many beautiful floral tributes received during our bereavement with special thanks to Dr Stephens and the nurses of the hospital for their kindly care and attention.
Mrs. Tillie Trachuk and family

"Old at 40,50,60?" — Man, You're Crazy
Forget your age! Thousands are peppy at 70. Try "pepping up" with Ostrex. Contains tonic for weak, rundown feeling due solely to body's lack of iron which many men and women call "old". Try Ostrex Tonic Tablets for pep, younger feeling, this very day. New "get acquainted" size only 60c. For sale at all drug stores everywhere.



QUESTION: Can cancer become too advanced for surgical operation?

ANSWER: Yes. While surgery can almost always be done in advanced cancer, in such cases it is done to make the patient more comfortable and not to bring about a cure.

CANADIAN CANCER SOCIETY
Vermilion, Alberta

Mr. and Mrs. James Cawthorpe, of Battleford, wish to announce the engagement of their daughter, Joan Kathleen, to Nicholas, son of Mr. Michael Kowalchuk, and the late Mrs. Kowalchuk, of Edmonton. The marriage will take place on December 2 at 3 p.m. in the Third Avenue United church, North Battleford, Sask.

Dr. and Mrs. F. G. Fushtey and their baby daughter Elizabeth were week end visitors at the home of Mrs. Fushtey's brother, and family, Mr. and Mrs. E. M. Stewart. Dr. and Mrs. Fushtey have recently returned from London, Eng. where he received his Ph.D. degree from London University. They will visit Mrs. Fushtey's mother Mrs. A. Stewart in Edmonton prior to going to Guelph, Ont., where they will reside.

Jack Barr left on Sunday last by light truck for Lachute, Que., and arrived there on Wednesday according to word received here. He intends to spend the winter in Eastern Canada.

## Mt. Everest Story

(Continued from Page 6, Sec. 1)

Stuck at the base camp Sir John and his colleagues at first thought the final try had also failed.

"The returning climbers made no sign," he relates. "just plodded on dejectedly towards us, they did not even wave a greeting."

"Suddenly the leading man in the party it was George Lowe raised his axe pointing unmistakably toward the distant peak of Everest, he made several vigorous thrusts The others, behind him, were making equally unequivocal signs. For from failure, this was IT; they had made it!"

Winnipeg to Brandon was the first railway mail service route organized in western Canada. That was in 1882

## Whitmore Beavers Girls' Club Report

By Hazel Whitlock

The Whitmore Beavers met at the home of Mary Gibson on Nov. 14 with 12 members and 12 visitors present. The meeting was opened in the usual way, followed by the flag salute and the code. The minutes were then read. Roll call was well answered. It being "Bring a friend to the meeting".

The dance held Nov. 6 brought in a total of $97.80. The Whitmore Beavers wish to express their sincere thanks to everyone who helped make the dance a success.

The next meeting will be held at the home of Joan Dibben on Dec. 12. The topic is to be a report on Kingston Hall cult in a Snowy Hike.

Following the business the members worked on their knitting. Then square dancing was enjoyed by all.

Mystery Box was won by Hazel Whitlock. Social was in the form of a game musical arms. The meeting was then adjourned and a very tasty lunch was served.

Canadians visiting the U.S. for more than 60 hours spend an average of $60 each, according to Federal statistics.

## Death of Mrs. D. H. MacMillan

There passed away at the Vermilion hospital on Monday, Nov. 16 a well known old time resident of the Manville and Vermilion districts in the person of Mrs Elizabeth MacMillan, beloved wife of Mr. D. H. MacMillan.

Mr MacMillan homesteaded in the Manville district in 1908, and following their marriage in 1912 he and Mrs MacMillan lived in that area until retiring a few years ago when they moved to Vermilion, purchasing a comfortable home on the south side

Mrs MacMillan was 80 years of age and leaves to mourn her loss her sorrowing husband and one daughter, Mrs. Andrew Topilko of Mirror.

Funeral services will be held on Saturday Nov. 21 at 2 o'clock in the afternoon at the Anglican church in Manville and interment will be at the Manville cemetery. Meyers are in charge of arrangements.

## Earl K. Glidden Dies In Edmonton

Earl K. Glidden of Edmonton who was a pioneer resident of the Vermilion district, passed away on Nov. 5 in the General hospital, Edmonton.

Born at Compton, Que., 74 years ago, he came to Alberta in 1908, homesteading in the Kitscoty district. Later he lived in the Bowtell district until 1918 and then moved to the Thorncliffe district where the family grew up. In 1940 they moved to their present home in Edmonton at 12941-116 street.

He leaves to mourn his loss his loving wife, two sons Harold of home Walter at Camrose, and three daughters, Mrs. G. L. Pratt of Beverly, Mrs. Frank Shaw of Carstairs, and Isabelle at home. There are six grandchildren, and one sister Mrs. B. E. Thaitin of Massachusetts, New Jersey.

Rev. W. W. Moss of Chalmers United church officiated at the funeral services.

## Legion Thanks Citizens For Splendid Support

George Martin, President of Vermilion Branch, Canadian Legion, wishes to thank all those who helped in making the Remembrance day parade and church service such a successful event this year.

Mr Martin wishes to mention specially the ministers of Vermilion for conducting the service of remembrance and worship.

Nick Kowalchuk granted the use of the Columbia theatre; Erate Silverman loaned the Manville Co. public address system; The Salvation Army provided the band; Harry Fleming ran the last year film; G. Lovell cleared the area around the cenotaph. The Legion ladies and all others who helped in the sale of poppies last saturday are thanked also, as well the *Standard* for valuable space given.

## The Weather

The weather seems to have again settled down into enjoyable bright days with some cold ones at night. The snowfall was taken away by a Chinook last week although .52 inches fell Tuesday which is near hardly noticeable except in the shaded spots.

The coldest night of the current fall was Nov. 8 when the thermometer slipped to 11.9 above

DAILY TEMPERATURES

| Day | High | Low |

| Nov. 14 | 48 | 30 |
| Nov. 15 | 50 | 30 |
| Nov. 16 | 41 | 30 |
| Nov. 17 | 46 | 32 |
| Nov. 18 | 36 | 32 |
| Nov. 19 | 33 | 13 |

## Tips on Touring

The glove compartment of your car is like a woman's purse. It usually needs to be cleaned out. Now is a good time to remove those bottles of numbers below that you used this summer and get ready for winter driving. Also what your glove compartment should contain for cold weather driving:

1. Bottle of hand lotion for chapped hands.

2. Pair of wool-lined leather driving gloves which can be used by the whole family and a pair of outside gloves for brushing off snow putting on chains, etc.

3. Plastic container filled with a small shaker filled with salt, to loosen ice on the windshield (Cover the top of the shaker tape to keep the salt lashing).

4. Box gloves for driving in snow.

5. Small flashlight and which brown; our mud's, pocket size pack of tissues and provincial and regional maps.

Don't let your glove compart ment become a catch all. Only put in the things you really need in it.

Canada produces more kinds of lumber and somewhere than any other country.

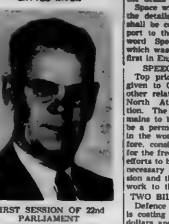
## REPORT to the PEOPLE

BY ROBERT FAIR, M.P. BATTLE RIVER



FIRST SESSION OF 22nd PARLIAMENT

On Thursday afternoon, Nov. 12, His Excellency the Governor-General, the Hon. Vincent Massey, preceded by a colorful RCMP mounted escort drove to Parliament Hill in an open state carriage to officiate at the opening of the First Session of the 22nd parliament. In doing so, His Excellency resumed a viceregal tradition which had not been followed for almost 25 years past. In line with a long standing custom His Excellency was given the Royal Salute when he arrived at the Peace Tower by a guard of Honour, provided on this occasion by one hundred men of the Governor General's Foot Guards. The G.G.F.G. band played 'God Save the Queen'.

THREE LADY SENATORS

History was made in the Senate Chamber ceremony earlier in the day when 3 women were amongst the group of 12 new senators which were formally introduced and took their seats for the first time in the Red Chamber. They were Hon. Mrs. Marrianne Jodoin, Montreal; Hon. Mrs. Muriel McQueen Fergusson, Fredriction; Mrs. Nancy Hodges, of Victoria. The Senate has had two women senators for some years past. Senator Cairine Wilson of Rockcliffe, named in 1930 and Senator Iva C. Fallis of Peterborough, named in 1935. But never before had three women been sworn in as Senators in the same ceremony.

FOUR LADIES IN HOUSE

In the House of Commons, also, four ladies took their seats and in each case a large bouquet graced the desks of the lady members.

Space will not permit going into the details of the ceremony as I shall be content to devote this report to the contents of the 1200-word Speech from the Throne, which was read by His Excellency, first in English and then in French.

SPEECH FROM THRONE

Top priority in the speech was given to Canada's defence and to other related matters such as the North Atlantic Treaty organization. The speech stated "Much remains to be done before there can be a permanent and durable peace in the world. My ministers therefore, consider it would be unwise for the free nations to slacken their efforts to build up and maintain the necessary strength to deter aggression and they intend to continue to work to that end."

TWO BILLION FOR DEFENCE

Defence in the present fiscal year is costing in excess of two billion dollars and it would seem that we can look forward to a similar expenditure for possibly two or three years yet.

HELP FOR UNDER-DEVELOPED COUNTRIES

The North Atlantic Treaty Alliance is described as one of the cornerstones of Canadian foreign policy and under this, continued technical assistance and rehabilitation funds for the under-developed countries are promised with the hope that a political conference would bring peace to Korea. "The Alliance of the North Atlantic nations has been effective so far in preventing aggression in Europe. My government continues to regard the Treaty as one of the foundation stones of Canada's external policy."

On other international affairs, the speech states — "Canada has continued to contribute to those international projects which will promote human welfare and thereby remove some of the causes of unrest and disruption. You will be asked to approve further assistance for relief and rehabilitation for technical assistance; for continued participation in the Colombo Plan."

On the UN the speech said, "We have every reason for satisfaction that through the use, for the first time, of collective peace action the objective of the UN in Korea has been substantially achieved. The aggressors have been driven back. the fighting has ceased and an armistice has been concluded. My government earnestly hopes that a political conference will succeed in promoting peace in Korea."

FOREIGN TRADE

Although Canada's total volume of foreign trade had reached record levels, shortages in many countries have continued to create problems for some Canadian exporters. It should be pointed out here that the action of the Canadian Government aided by Conservative and CCF support, are to a degree responsible for those difficulties caused by the Bretton Woods legislation passed in 1945. The Social Credit ers bitterly opposed passage of the legislation at the time and they are now too late grown credit for the stand that they took at that time. Countries could best achieve economic strength and security through foreign trade and overseas investment policies, and the government is continuing its efforts to bring about progressive reduction of trade restrictions. In this connection, an agreement was signed at Washington on the 12th instant which provided for Canada and the U.S. establishing a joint economic committee on trade and economic affairs in an attempt to forestall future trade between the two countries.

MORTGAGE MONEY

The speech gave notice of legislation to be introduced which will increase and broaden the supply of mortgage money so that more people with moderate incomes will be able to build their own homes.

Other measures to be introduced include bills respecting the Canadian Forces, the United Kingdom-Financial Agreement, the extension for another year of the Emergency Gold Mining Assistance act, a bill to amend the Bank of Canada Act, the Municipal Act and the Explosives Act, the Atomic Control Act, the Opium and Narcotic Act and certain veterans legislation.

It is quite possible that several other new and unwilling bills will be introduced as the session progresses and it is my intention to give further details on these bills from time to time

Another bill to be introduced will amend the Animal Contagious Diseases Act to provide for appropriate compensation in farms whose hogs suffered from cholera as the present limit provides only for $30 per hog

REHABILITATION

Another bill provides for coordinated plans for the rehabilitation of disabled persons, which will be worked out with the provinces on a nation wide basis and a certain percentage of the cost will be provided by the Federal government

Another important item listed in the speech is the revision of the Bank Act. This takes place once every ten years and will, no doubt, bring before the people once again the necessity of modernizing our money system so that it can be made to serve the needs of the people in line with our productive capacity.

## Paradise Valley

Weather during the past week has been wonderful for this time of year. We wish we could say the same for the roads. They, to say the least are of the dangerous variety and many have landed in the ditch. Several accidents have taken place, some quite serious, others of a minor nature.

We hear with regret that Mrs. F.R .Major had the misfortune to fall and fracture her ankle and has been removed to the Lloydminster hospital. Mrs. Major planned on moving into town this week end from the farm if this accident had not occurred.

Congratulations to Mr. and Mrs. D. B. Baxter on the birth of a daughter born Nov. 12 in Lloydminster hospital.

Visitors over the week end were Miss Margie Robertson with Miss Bern McLean and with Marlene McDonald; Miss Donna Davis both of Furness but attending the high school at Kitscoty.

Mr Ted Conarroe of Kitscoty spent the week end with Bob and Gerald McLean While here he took part in the big turkey shoot sponsored by the P.Y. Sports club. The turkey shoot has been very successful for the club.

The Paradise Valley W.A. would like to take this opportunity to thank just everyone who so willingly helped and donated towards making the chicken supper such a success.

DEWBERRY BAZAAR

The Dewberry Ladies' Aid are holding their annual bazaar, tea, sale of home cooking, fish pond ado candy sale in the United church on Saturday, Nov. 28 2:30 to 5:00 p.m. 20-2x

# Allandale Notes

Weather — a glorious day for this time of year, Sunday Nov. 15 and 47 above. No complaints about the cold, the coldest so far here being 10 above.

Orley Omness and son-in-law Don Wilson left Nov. 7 on a hunting trip west of Edmonton on the Jasper highway. They returned on the 13th, reports are there is very little snow west of the city. Plans are to go later and they hope for better luck.

Sunday Nov. 8, Glen Baldock and two of his pals motored from the city and were visitors at his parents' home. They returned the same day.

Mother Martin was taken to the Islay hospital on Nov. 6 and by the time this appears in print we hope she'll be home and enjoying fine health again.

It was a lovely afternoon for our monthly W.A. meeting on Nov. 12 at the Ralph Strome home. There were six members present and we welcomed our visitors Mrs. N. McKinnon and son, Mrs. O. Strome and daughter Beverly, Herb McPhee and son Billie and Albert Armstrong. Our annual meeting in December will be at the Threadson home usual date. Mrs. Delsie Strome and Mrs. Mildred Baldock on the lunch committee.

The district was shocked and saddened to hear of the death of Wm. Axley, Sr. Our deepest sympathy to Mrs. Axley and family.

Allandale was well represented at the Campbell Lake card party last Friday 13th. It was a very sociable evening. Mrs. Baldock won second prize. Another card party two weeks from that date.

Mr. and Mrs. Jimmy Armstrong and Albert motored to the city last week end to attend the football game.

The old home of the Omnesses and the new for Mr. and Mrs. Jimmy Martin has a beautiful new look. All shingled in green asphalt and painted grey and white trim. In the last summer the Gourley home has been added to and now a slate color with white trim. The Orville Armstrong's new home is coming along well.

The following is taken from the November United Church Observer and a group picture was also included:

PIONEER RECEIVES LIFE MEMBERSHIP

The Allandale W.A. honored one of their members when they presented Mrs. William Armstrong with a life membership.

The group gathered at Mrs. Armstrong's home for the occasion when members of her family were present also. She is one of the pioneers of the group which was organized in 1918, and has given faithful and loving service ever since. There was a great deal of talking about the first meetings, to which many present could remember going by "team 'n wagon" over prairie trails. The old days sounded somewhat incongruous in comparison with present when the telephone links the community, and the modern electric conveniences, now a part of Mrs. Armstrng's comfortable home, make her work so much lighter.

The presentation was made by Miss Mary Haggart, the student missionary on Clandonald Mission field.

Closing Thought: Refuse to give allegiance to undesirable thoughts and they will gradually disappear.

## Confusing Stamps

When and whence did the Ottawa postal authorities acquire the idea that it does not matter whether you can see the numerals on a postage stamp, so long as the different denominations are distinguished by different colors, asks B. K. Sandwell in The Financial Post? That is unfortunately not true. Many people are not very sensitive to color, and can quite easily mistake one one-cent stamp for a four-cent stamp when the design is practically identical and when the figures are very small and unobtrusive, as is the case with the new Queen Elizabeth issue. Furthermore, some are quite color blind.

Canada's famed Hudson Bay — a veritable inland sea—is 585 miles wide, 800 miles long.

**How'd Ya Like A Brand Spankin' New Oliver 99 DIESEL, Fully Equipped For Only $95.99?**

YEAH, we thought you would. We would too, but we can't find anyone foolish enough to sell 'em to us at that price.

YESSIR, as the guy said when the lady went by, "that's a ridiculous figure." 'Cause a 99 DIESEL is a good buy at any price. (And if you don't believe that, just ask us.)

AND when we say "Good Buy" we don't mean "Good Bye" . . . We mean — "Come Up and See Us Sometime!"

## W. M. S. MEET

The W.M.S. of the United church held their regular monthly meeting on Thursday evening Nov. 12 at the home of Mrs. Oakley. Mrs. W. L. Robinson, the president, was in the chair and the meeting was opened with the singing of hymn No. 502. Mrs. A. M. West and Mrs. Oakley conducted the devotional.

The roll call revealed an attendance of 25 members and 2 visitors, Mrs. Moore and Mrs. Roy West.

Mrs. Melvin Hill was then delegated the very pleasant task of presenting Mrs. Oakley with a life membership. Mrs. Oakley was much surprised and thanked the ladies sincerely at the honor thus bestowed upon her.

Reports for the month were then given, business completed, and the meeting given over to Mrs. Roebuck who was in charge of the study book. She gave a very interesting synopsis of two chapters.

The meeting was closed by singing hymn 290 prayer led by Mrs. H. N. Stephens and repeating the Mispah.

The ladies had the pleasure of looking over several layettes which had been brought for the babies in Korea. They were lovely and made by hand in masterly fashion.

Following a tasty lunch the ladies adjourned.

MEAL TICKET

The Matterhorn has a big reputation in mountain-climbing circles yet it is considered easy by the climbers and is known to Swiss guides as the 'meal ticket', claims the December Reader's Digest. The speed record for the climb up the final 4000-foot-high rock pyramide is an hour and a half. Nevertheless, there is scarcely a year in which the Matterhorn does not claim the lives of some climbers.

Christmas Seals fight TB. 21tf

You're "sitting pretty" behind the wheel

Take this Bel Air model. Rich-looking upholstery and appointments—roomy, comfortable seats with foam rubber cushions. Just turn the ignition key to start the engine and you're ready to go.

You get more power on less gas

Here's all the power and performance you could ever ask for. In Powerglide* models you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer you the new 108-h.p. "Thrift-King" engine.

You can see all around

You see all the road ahead and see it close in. For you look out and down through a wide, curved, one-piece windshield that sweeps back to narrow corner posts. The panoramic rear window and big windows provide a clear view in all directions.

And it's the lowest-priced line

Chevrolet offers you about everything you could want. So what's the point in paying more? You can be ahead in every way with a new Chevrolet!

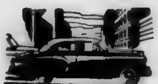
*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

# I figured on paying about $200 more for a new car... until a *Discovery Drive* showed me all that Chevrolet offers

I was ahead in every way after this demonstration!

A smoother and a safer ride

Chevrolet has ample weight to give a good, road-hugging ride. It's weight that comes from Chevrolet's extra strength, weight that means extra protection and safety because it's been utilized in strengthening body and frame.



You get greater getaway with the new Powerglide

A lot finer performance on a lot less gas. Now you're conveniently in "low" range for standing starts and for quick passing in city traffic. Then, automatically, you slip smoothly into "cruising" range as you pick up speed.

Real Power Steering, if you want it

Just like the highest-priced cars, Chevrolet offers you the amazing convenience of Power Steering on all models. You ought to try Power Steering to see how easy driving can be. It's optional, of course, at extra cost.

## New Priest Arrives

# Anglican Minister Inducted, Clandonald

Since our last news report which is quite some time ago, we have experienced a touch of winter, there having been [illegible] on three occasions. The storm of two weeks ago was quite heavy, about 3 inches of wet snow in a comparatively [illegible] period. Reports are that further north it was much heavier, there being twice as much towards Cold Lake. Today indications are that we may lose a major portion of it as the temperature is well above the 40 mark.

The Roman Catholic mission here now has a new priest in charge, Father Stewart. Since the serious illness of Father McPhee about one year ago the work of the parish has been in charge of Father Scriven. Now with the arrival of Father Stewart Father Scriven will act as assistant.

Early in the fall Father McPhee preached a farewell sermon. Following the service he was made the recipient of a generous purse from his former parishioners as a token of appreciation of his long and unselfish service during the many years he was in charge here. Last word of Father McPhee was that he was in Edmonton but may return to his old home in P. E. I. eventually.

ARCHBISHOP BARFOOT CONDUCTS INDUCTION SERVICE

Last Sunday those attending the Anglican church had the pleasure of once again meeting Archbishop Barfoot from Edmonton who was here for the purpose of an induction service for our minister, the Rev. R. Clennett. This may be the last visit of the Anglican Primate to this parish for some time at least as he leaves at the end of the year for Winnipeg to take up his new duties as Archbishop of Ruperts' Land.

F.U.A. TO MEET NOV. 27

The next Farmers' Union meeting will be held in the Rye school on Friday, Nov. 27 at 8:30 sharp. Most important item of business will be the election of three delegates to attend the provincial convention to be held in Edmonton early in December. Here is your chance members for a free trip to the city with all expenses paid. Lunch will be served following the [illegible]

MOVIES IN HALL DEC. 1

The next National Film Board show will be on Tuesday, Dec. 1 in the Orange hall commencing at 8:30. There will be a silver collection to help defray expenses. Due to a mix up in the date of the arrival of the film there was no show this month.

## Meeting To Shed Light On Aging And Retiring

A major contribution to the understanding of aging and retirement problems is expected at the 34th annual meeting of the Health League of Canada in Toronto on Nov. 30, Dec. 1 and 2, when medical and personnel men meet in public discussion with insurance executives.

Dr. Ronald Buchan, medical director of the Prudential Life Insurance Co. is being brought from Newark, N. J. to address the Dec. 1st dinner meeting, and it is hoped that he will participate in the round table session with Canadian Life insurance executives, industrialists and representatives of employee groups and of the medical profession.

Dr. Ian MacDonald of Toronto, a leading authority on the care of older people, is chairman of the Health League committee arranging the day's discussions on problems of aging and their relationship to industry.

Prof. V. W. Bladen, chairman of the department of political economy, University of Toronto, will address a luncheon meeting on the economic value of health to industry.

## HOUSEHOLD HINTS

### For the Ladies . . And Bachelors, Too

Since we found the Kitchen Quickies outlined by one of Alberta's District Home Economists very helpful we asked for more hints for saving time and labor in the home. We hope you find them helpful also:

Keeping a spoon in each cannister and a shovel or cup in the sugar and flour bins does save time. It eliminates looking for a spoon or cup at the crucial moment. Plastic cups and spoons are available in attractive colors.

Cutting triangular biscuits is much quicker than cutting the conventional round ones separately. For the cookie jar, squares, bars and slices are easier and quicker than rolled or drop cookies.

Fresh damp stains are easier to remove than old dry ones. They may be set by hot water and pressing: Ink, if it is still moist try an absorbent such as corn meal or talcum powder. This is especially good for rugs. Coffee, on washable materials wash in cold water first to remove the cream stain, then stretch over a bowl and pour boiling water through from a height.

Rubber rings sewn to corners of rugs will hold them down. A coarse stiff netting is available in rug departments which will keep scatter rugs firm and prevent skidding.

Correct working heights are important. If you are stooping over the dishpan 3 times a day, it might be less tiring to raise the dish pan by placing a rack under it.

Christmas Seal dollars buy milk, cod liver oil and other necessities for needy families of tuberculosis patients to supplement meagre relief allowance. Your Christmas Seal dollars may help save some child from being undernourished.

## Bowtell Bulletin

At time of writing the weather is good and the snow has nearly all disappeared. In fact Mr. Cartwright who will be 82 years of age in January, is working on the land every day.

Miss Maybelle Knutson visited over the week end with Miss Joyce Johnson at Clandonald. Mr Knutson left to visit his aged brother at Gull Lake, Sask.

The Repp families are enjoying electric lights in both their houses. The Walker family now have the phone in.

Mr and Mrs. J. Simeniuk have moved into their nice new house and Mr. and Mrs. Osinchuk now have Jack's smaller house.

Mr. and Mrs. Dedelly were Wednesday visitors at Walker's, while the writer, hubby and Beverly enjoyed a visit Sunday at the Knutson home.

Congratulations and all good wishes go to the newlyweds, Mr. and Mrs. Beck (nee Marie Dupuitt).

Kenny Risdale leaves this week to visit his brother Eddie and family at Rochester, Alberta.

Miss Isabell Sherwood was a guest for supper Sunday at the Bowman home.

KAMIKAZE MISSIONS

In world war 2, a total of 2,519 men sacrificed their lives in "kamikaze" (suicide) missions against naval vessels, says a former Captain of the Imperial Japanese Navy, in the December Reader's Digest.

Have you sent yours? 21tf

# Mannville Local Items

Among those attending the football game in Edmonton on Saturday night from Mannville were Messrs. Jack Conford, F. Proudfoot M. Mercer, E. Kreiler, and Miss Helen of Vermilion. Mrs. Proudfoot and girls, Mrs. Stalen attended the light opera production New Moon.

Mrs. W. Fluker and Mrs. Harry Gaul of Fort Saskatchewan were visitors in Mannville on Thursday last. Mrs Fluker motored down to take Mrs. Finlay back to Ft. Saskatchewan with her but Mrs. Finlay was not well enough to make the trip.

Mr. J. Allen, the village constable, has moved his family to Mannville They are living in the house formerly occupied by Carmen Hughes. Mr. Hughes and family are now in the house moved in from the farm owned by Mrs. R. Hughes.

Two more houses have been moved in on the west side of town. Mr. W. J. Sargent purchased the Bloomington and Bruno teacherages and they were moved in by Mrs of Vermilion.

Mrs. R. Whitson and Mrs. M. Johnson were week end visitors to Edmonton

On Saturday evening Dr. Hastings took a carload of boys to the show in Vermilion on the occasion of his son Stan's birthday.

Mr. and Mrs Jack Conford. Mr. Crooks. Mr. F Proudfoot and Mr M. B. Van Dusen motored to Edmonton on Wednesday last where the men took part in a banquet at the Granite club sponsored by Sun Specialty Ltd

Mr and Mrs C. Gamble and the girls were week end visitors to Edmonton, attending the production of New Moon in which their daughter Shirley was taking part. They were accompanied by Miss Bourassa

Visiting with Mrs. Holden for the week end was her nephew, Mr. Dick Hankayne, who is attending the University of Alberta.

Mrs. Stella Majeau and Mrs. M. O'Connor of Edmonton were Mannville visitors over the week end. Mrs. Majeau has just returned from a visit to Eastern Canada where she visited with Miss Eva Young. While in Ontario she also visited Mr. and Mrs. J. Hegarty, Mr and Mrs. Tom Bertram and others.

Don't forget the bazaar and tea on Saturday, Nov. 28 in the United church hall under the auspices of the United Church W.A.

Mr. J. Naismith is a patient in the local hospital with a touch of pneumonia.

Mrs. Dan MacMillan of Vermilion, wife of D. MacMillan, passed away in Vermilion on Monday, Nov. 16 after a short illness. Mr. and Mrs. MacMillan were old timers of the Mannville district, moving to Vermilion several years ago when they retired. The funeral will be from the Anglican church in Mannville on Saturday Nov. 21 at 2 p.m. with Rev. R. Alcock officiating. She is survived by one daughter Mrs. A. Topilka.

Remember the annual bazaar and tea of Christ church W.A. on Dec. 3 in the parish hall.

Mr. Andy Clark is a patient in the local hospital with pneumonia.

The sale at the Auction Mart this week was again very successful Everything was sold and there was a good attendance. Emmett McLaughlin is going to make sure he doesn't miss any curling this week -- he purchased a saddle horse. And Angus Stuart is preparing for a cold winter, he bought a fur coat.

TheShopping Centre for the Thrifty Buyer!

Vermilion 5c to $1.00 Store

RUMMAGE SALE
Mrs. William's group of the United Church W.A. are holding a rummage sale in the church hall on Dec. 12 commencing at noon. Lunch will be served. 20 & 22-4c

# Conference on Weed Control in Edmonton

The 7th Western Canadian Weed Control conference is being held in Edmonton, Nov. 26 and 27 at the Macdonald hotel. This is a conference at which the weed control workers of the universities of the four western provinces, the provincial departments of agriculture and the Dominion experimental stations come together to review experimenta data on weed control and to make recommendations for the ensuing years.

The program will include talks on equipment for cultural methods and the application of sprays both by ground and aerial means, and cleaning will be discussed; several topics will be presented concerning chemical control of various weeds; and wild oats, probably our most common weed in western Canada, will be dealt with at considerable length

The guest speaker for the banquet which will be held at the Macdonald hotel, Nov. 26, will be Dr A. Stewart, President of the University of Alberta.

Christmas Seal contributions are income tax deductible. 21tf

# The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

BRIGHTER SEED

In Canada there are some 4000 expert farmers -- members of the Canadian Seed Growers' Association -- who devote their time and effort to the production of that valuable commodity -- Registered Seed. The object is to produce seed that primarily is true-to-variety. Farmers in general this year are able to obtain but little cash for their crops. It would be a pity indeed if farmers are not able to purchase their usual quantity of Registered Seed, for it would mean we would be running the risk then of some impairment of the high quality for which Canadian wheat, for instance, is famous on the markets of the world. Some things might be done to help: Registered seed might be transported at half the usual freight rates, which was the practice for many years until recently. Farmers might be permitted to deliver grain over the quota if it is to be exchanged on proper terms for Registered seed. All who are in the position to do so might draw to the attention of farmers the importance of using more Registered seed. Such plans would certainly enable and induce farmers to purchase more Registered seed, so to improve their crops and so to increase the salability of Canadian wheat on the world markets.

# Another Mammoth Bingo Planned

Some four 82 bills folks—another mammoth bingo is in the immediate future for the people of Vermilion and district. The Kinsmen club is sponsoring this major event on Saturday Nov 28 at 9 p.m. The prizes have been selected and will be on display in Simonsen's Furniture store within the next week A total of $1300 in merchandise being arrayed—something to suit everyone's fondest dream in the furnishing line.

Advance tickets will be on sale shortly at $2 each which entitles you to admission and the 82 bills. All members of the Kinsmen club will have tickets for sale.

# Of Many Things . . .

By AMBROSE HILLS
SECOND MIRACLE

Maybe you have already had your first snow. As I write, the air out side my office window blots of it but not a flake has fallen and I'm sorry, for the very minute snow begins to fall I'll rush outdoors to revel in it

I feel about snow the same way Thoreau did when he said, "I should hardly admire them more if real stars fell and lodged on my coat." Nature is full of genius full of divinity. Nothing is cheap or coarse neither dewdrops nor snow flakes. And no scenery and the petals of a flower are fixed each of those countless crystals of snow, vying to earth pronouncing thus, emphasis the number six.

Well, I've spent more than forty years admiring snowflakes and I have never seen two alike but I've noticed they're all six-sided, all have those perfect sixty-degree angles, yet all have an individual variety that gives them beauty.

This year I'm afraid I'll watch from a city window for the first snow I'd rather be watching them drift down over some prairie town like Manston, or Morden or Plum Coulee where they'll really make a difference.

Here in the city life goes on much the same and folks hardly notice the first snow. But on the prairies spirit and seasoned poplar standing ready in the woodshed begins to look mightily important. Jars of preserves shining in the dim light of cellar fruit cheers are ready, and the snow is the prairie housewife's cue to bring up the jar of mackinawes or blackberries or cranberry jelly from the batch done up last season.

In prairie towns the bob sleds will be brought up from the basement by small boys who will hook them on the back of the town dray. The dray man will shout at them and shoo them off—then carefully turn his back so that they may be tied back on again at once. And if he's a real nice dray man (and they nearly all are), he will make like his team is going to run away, and some two small boys will get a thrill to last a lifetime. A thrill they'll save and use again some other winter when they watch the first snow fall in a big unbending city.

Yes, all snow is beautiful but all snow even each separate flake is different. And that is the way the good Lord meant it to be. And I think He'd like us humans to know that way too all beautiful, but different! He wouldn't want us crammed into some single mold, trained up by some central dictator or preached to by some central government. We're starting to worship uniformity these days. I'm afraid and we're forgetting to be individuals with wills of our own Maybe we'd all be wiser, this year, to take a good long look at the first snow.

# Health Unit Notes

(Continued from last week)

WHEN YOUR CHILD IS TROUBLESOME

There are times when any child is especially troublesome and disobedient. Before taking action parents should look for the cause of the trouble. Perhaps something unusual has happened to upset him; perhaps he is tired; perhaps he has eaten unusual food or has a cold coming on. Or again, he may possibly be feeling insecure in his parents' affection because a baby brother or sister is getting their attention. If the cause of the trouble is understood, the parents will find it easier to be patient and will not be so inclined to act unwisely on the spur of the moment The only purpose in using any form of "punishment' is to influence the child to do the right things. It should not be undertaken because an adult has lost his, or her temper.

BELATED

Putting a child in a room by himself is good treatment if he persists in behavior of which he knows you do not approve. No child likes to be left out of the family group and to be removed from his playmates.

SPANKING, STRAPPING OR SLAPPING

These methods of punishment should be used seldom and then only as a last resort. If this punishment is used too frequently it creates resentment in the child who is too small to defend himself This resentment is apt to result in the child showing cruelty to others when he is older. It may also make it difficult for him to accept authority in his life.

WHY OBEDIENCE IS IMPORTANT

The purpose of teaching the child to do what he is told is not, of course, just to get the job done or that errand run. An intelligent parent wants to give his child the kind of training that will make him a happy and successful adult. Undoubtedly, everyone has to learn to obey because all through life orders have to be obeyed. However, blind obedience should not be required of anyone, either child or adult. There must be a good reason behind every order and one which can be explained. If the child learns to be obedient for the common good of the family, he will grow up to be a good citizen ready to co-operate for the welfare of the community as a whole.

REMEMBER ALWAYS

Your child's early years are very important because it is then that the foundations for his future health are being fashioned. You want him to be physically healthy so you make sure he has the right foods, proper exercise, play and sun.

You will also want to do everything possible to make him mentally and emotionally healthy. How well he'll be able to meet the shocks and blows of adult life will depend a great deal on how well you guide him through the preschool years. And during those years he develops habits of mind and body that will largely be determined by his playmates.

Much of his behavior will be good and should get praise and encouragement. But much will be undesirable. It will take patience and understanding on your part to discourage such "bad' behavior without making him feel he's losing your love and affection. To guide him properly in his day to day experiences and at the same time have him always feel secure in your love will pay off in priceless dividends—a sound and emotional character in your youngster

HEALTH CLINICS

Monday, Nov. 23 — Vermilion, Legion hall, 2 to 4 p.m.
Tuesday, Nov. 24 — Streamstown, school, 2:30 to 3:30 p.m.
Thursday, Nov. 26 — Albert school, 10:30 to 12 noon.
Friday, Nov. 27 — Paradise Valley, school, 2 to 3 p.m.

# Pleasant Valley

What happened? It's spring again, last week it was winter! or something like a woman's mind, very fickle we think.

This community was shocked by the sudden death of Mr. William Aziry. He died last Thursday at his home. The funeral was held on Monday.

We are sorry to hear Yvonne Steinhauer is ill with polio. A complete recovery is wished her.

Mrs Giles and the girls motored to Holden on Thursday and returned in time to attend the wedding dance at Islay Thursday evening.

Mrs. Gordon, Sylvia and Marvin visited at the writer's home on Thursday evening; Mr. and Mrs Potvin were supper guests at the Holden home Sunday. Hear that you have a lovely baby boy Evelyn

Most of the children in the district are now ready for the electric lights Hope that power is turned on soon.

The writer is sorry to hear that the Rev. Ford's car gave him some trouble Sunday afternoon resulting in no service at Pleasant Valley The roads were very bad in places

Mr and Mrs. Gordon Gould dropped into see Mr. and Mrs Bothwell for a moment on Saturday. Mrs. Bothwell is looking much better and is really enjoying her new abode

Yours truly is thinking about driving six white horses to town and staying for the long winter months

# Get Everybody In Act Is Aim of The National Health Week

National Health Week 1954 is more than ever to be a week of community participation. It is Health League of Canada's National Health Week committee meeting in Toronto this week, decided to key its annual nation-wide health promotion campaign to the level of community organizations.

"This is a grass roots movement if ever there was one," said Dr J. Z. Gillies, representative of the Canadian Medical Association and chairman of the national committee. "It's the individual and the family that stand to benefit first from a wider knowledge of how to prevent illness in the district and unnecessary sickness. Once each person takes positive action to improve his or her own health, then it follows that everyone down the line benefits also employers, community welfare organizations, the over worked overcrowded hospitals and every taxpayer who contributes to the upkeep of our many government health services. The more healthy people we have in Canada the less sickness is going to cost in individually and collectively.

At its meeting the committee also voted official National Health Week embroidery from a large number of national bodies

October 18th annual National Health Week will be observed across the nation next Jan. 31 to Feb. 7, inclusive.

# Important Meeting At Chatsworth School

All those interested in keeping the Chatsworth school as a cen

municipal council is asked to attend a meeting of Chatsworth on Friday Nov. 20 at 8 p.m. 46tc

The Fox and The Grapes

A HUNGRY FOX saw some fine bunches of Grapes hanging from a vine that was trained along a high trellis, and did his best to reach them by jumping as high as he could into the air. But it was all in vain, for they were just out of reach: so he gave up trying, and walked away with an air of dignity and unconcern, remarking, "I thought these Grapes were ripe, but I see now they are quite sour."

MORAL: Instead of saying "sour grapes" when you can't immediately attain your ambitions, build a ladder to success by opening a savings account with The Canadian Bank of Commerce. Add to your balance regularly and you'll soon be in a position to get what you seek.

# NEWS from ISLAY

The farmers who are having electricity installed are feeling some happier just now, as the men are back working on the line after an absence of two weeks or more.

We have heard of a new foot disease, and Ralph Anderson contracted it in Edmonton. It is called 'Standitis' caused by standing in line a very long time waiting to buy tickets to the football game last Saturday. Anyway the carload of men arrived home safely after enjoying the game.

Mr and Mrs Frank Hancock are at the home of their daughter Mrs. Dave Martin. Mr Hancock has been in hospital for the past few weeks.

The community was saddened by the very sudden passing of Mr. Bill Axley Sr., a pioneer of 19[illegible]. Sympathy of the community goes out to the whole family. The very large attendance at his funeral showed the respect of all for him.

Mr and Mrs. Caro have been having a round of parties as a good-bye, as they are leaving for a holiday to Holland. They came to Canada a little over four years ago and like Canada very much.

Come to church, even if only for the next few Sundays as you will hear some very interesting discourses. Mr. Collins has begun a series on the subject "Yesterday and Today" and we think you will continue coming to church. The time is 3 p.m.

To all you good people who helped with clothing for Korean bales, thank you. We shipped 100 pounds of really good [illegible]

Our monthly meeting of the W.A. of the United church will be held Dec 10 at Miss B. Anderson's, a week later than usual as the date of the bazaar is Dec. 5 in the church.

Ever heard of spotted pigs? — Ask Mrs. Lila Oram about that kind!

# The Mount Everest Story

Brigadier Sir John Hunt hinted for the first time recently that he was near collapse as he fought his way up the side of Mount Everest. The leader of the British Everest Expedition described his ordeal, and the story behind last spring's successful assault on the world's highest mountain, in the current issue of MacLean's Magazine.

Hunt, 42 years old, found the last stages of the climb almost beyond his powers of endurance. "Right from the outset I found each step an immense labor," Sir John writes of the slow push to the top of the world. Five miles up "the effort was agonizingly great," he says. "I stopped to gasp with each step forward. Some feet further on I could continue no longer and for a terrible moment imagined that my day, and in fact my part in the summit effort was over."

Hunt accompanied the first assault party whose attempt to scale Everest failed by only 282 feet. A final camp was established high on the side of the mountain.

"Now began a struggle the like of which none of us is likely to forget," Sir John says. "If the wind had been strong on the Spur, it was terrible here.

"We were pathetically feeble, far too weak to compete against that fiendish gale. For over an hour we fought and strove with it, playing a diabolical tug-of-war, trying to put up one single tent.

"All the time the canvas was being snatched from our hands," he continues, "and we were being caught in a tangle of guy ropes. We staggered about, getting in each other's way, anoxic and hopelessly inadequate to cope with the conditions."

Sir John tells also of the disappointment he felt when he was forced to retreat from the advance camp on the eve of the successful assault by Hillary and Tenzing.

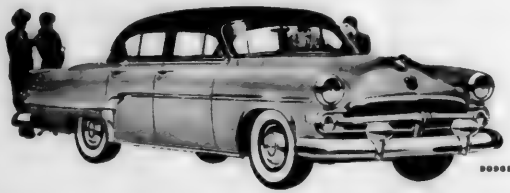
DODGE CRUSADER

DODGE REGENT

# Pick any one of these DODGE beauties



DODGE MAYFAIR

...for the newest in colourful styling...and luxurious driving ease

add *Hy-Drive*

With Dodge Hy-Drive you just shift into high — and go! You can drive all day without shifting . . . manoeuver through traffic . . . stop for red lights . . . glide off again with a smooth, silent surge of power. You soon forget about gearshift and clutch. There's nothing new to learn — if you wish to back up, or need extra power when driving through snow or mud — just shift in the familiar way.

add *Full-Power Steering*

For the most effortless parking and steering you will find in any car — try Dodge Full Power Steering. From the moment you start your engine, hydraulic power takes over 4/5ths of the steering effort. You can't imagine how easy it is to park — to drive through traffic — to turn corners — to control your car on bumpy, rutted roads. You can turn the wheel with one finger — even when your Dodge is standing still.

No matter which 1954 Dodge you select, you'll be thrilled and surprised at how much more your dollars have bought.

In the Crusader series you'll enjoy the longer, more beautiful styling which distinguishes all 1954 Dodge cars, with smart new interiors and seating comfort, safety and fine vision you expect of a Dodge—all at a price that will please you.

The beautiful Regent series brings you styling, fine appointments and comfort hitherto only available in more costly cars—with, of course, all the many Dodge engineering features which mean so much in driving ease and performance.

In the brilliant new Mayfair series you'll see such style, and experience such luxury, you'll wonder how any car in the lower-priced field could offer so much. Their interior two-tone beauty of rich, woven fabrics and soft, ivory, leather-grained vinyl, with every appointment designed for your comfort and driving ease, are seldom surpassed by any car at any price.

There's performance to match this new Dodge style and beauty, no matter which series you select. There's a more powerful engine . . . the famous Dodge "three-way-smoother" ride . . . your choice of Hy-Drive, the simplest form of no-shift driving . . . and Dodge Full-Power Steering for the ultimate in luxurious driving ease.

When one of these beauties is your Dodge you'll drive it with pride. See and drive one to-day at your Dodge-DeSoto dealer's.

*there's a car in the DODGE family that's right for your family*

## Claysmore Clippings

The Claysmore W. I. held their bazaar at the school on Friday, Nov. 13. The day was fine and the roads good so that there was a fine attendance from the district and quite a number of visitors from other communities which made it a very enjoyable event indeed. It was nice to see ladies from Mannville, Clovelly, Stellaville and from the [illegible]

Thanks are extended to all who donated food and sewing, or helped in any way to make the day and evening such a success. The W. I. members are all very pleased with the funds raised from the bazaar and dance. They now have a nice sum for the Christmas fund.

Mr and Mrs. Olstad and family visited at the home of Mr and Mrs. Joe Bauer Sunday evening.

Miss Donna McCauley spent several days in the hospital last week as a result of a bad cold. She has now been able to return home.

Mrs. J Duffy Sr was taken to hospital last week end and it is hoped that she will soon improve in health.

Little Miss Judy Karlstrom of Mannville is spending a few days with her aunt Mrs. A Olstad.

The December meeting of the W.I. will be held at the school on Dec 9. All those interested should remember the date as the chief subject for discussion will be the Christmas program. Mrs. J Horne and Mrs. R. MacMillan will act as hostesses for the afternoon.

## Provide Ample Bedding For Pigs

It is a good idea to provide lots of bedding for pigs at this time of year and throughout the winter advises A J Charnetski Livestock Supervisor, Alberta Department of Agriculture. Pigs are particularly subject to chills and pneumonia when they are forced to sleep in drafts or on damp ground or wet bedding. They do much better when the bedding is dry. Proper ventilation will do much to prevent damp, clammy conditions and eliminate drafts.

A good well balanced ration containing supplements fed at this time gives the pigs greater resistance to colds. A forkful of green leafy alfalfa is also good. Fresh drinking water is always important preferably with the chill removed. Snow alone is not enough.

Did you know that since 1949 July has displaced June as the most popular month for marriages in Canada?

## Remembrance Day Service At Mannville

MANNVILLE. — The Remembrance Day service was held in the United church on Wednesday morning, conducted by Rev. R. Crighton. The address was given by Rev. R. Alcock and the choirs of the United and Anglican church combined for this service. There was a good attendance of members of the Canadian Legion and citizens of the village and district. But to too many Nov. 11 is becoming just another holiday and as Rev. Alcock pointed out in his sermon, the human race has made a mess of running the world and until they ask for Divine help in straightening out this [illegible] the world will be no better. There is nothing wrong with the world, it is the individuals in it that are at fault.

Friday night the Legion dance was well attended in spite of the number of activities in the surrounding districts. Larson's orchestra was in attendance.

The sale of poppies was also successful, not quite a good as last year however, which was a record sales. But all returns are not in yet so the exact amount is not known. The school children were in charge of the sales again this year and did a very good job.

## Vermilion Man Is Married At Oakville

The marriage of Margaret Lyn daughter of Mrs. George D. Kemp to Mr. G. Bernard Portsmith, son of Mr. and Mrs. Harry E. Portsmith, Tolland, Alta., was solemnized in St. John's United church on Sept. 19th. Chrysanthemums and gladioli in autumn colors decorated the church and the Rev. Harry Pawson officiated. Miss L. M. McBain was at the organ and Miss Patricia Porterfield was soloist.

Given in marriage by her brother, Mr. Douglas G. Kemp, of Seven Islands, Que., the bride wore a ballerina-length strapless cream taffeta gown with a long-sleeved chantilly lace jacket. Her shoulder length tulle illusion veil was held to a Juliet cap of lace and taffeta and she carried red roses with bouvardia and gladiola petals.

Miss Evelyn Shunk was her cousin's attendant gowned in ballerina-length French blue taffeta made with a square-cut neckline and tiny puffed sleeves.

A feather headdress matching her dress and old-fashioned nosegay completed her costume.

Mr. Ronald Adams, Toronto, the groom's cousin, was best man and the ushers were Mr. Charles Donnelly, Oakville, and Mr. George Greensides, Toronto, the bride's cousin.

A reception at Riverside Lodge followed where the bride's mother received in a periwinkle blue suit dress with navy accessories and corsage of Johanna Hill roses.

She was assisted by the groom's aunt Mrs Harry Adams Toronto in a mist gray velveteen dress with deep red accessories and corsage of tawny gold roses.

The couple are honeymooning in Alberta and on their return will live in Oakville.

Out-of-town guests included Mrs. Dorothea Tuck, Niagara [illegible], Mr and Mrs F. Tipling, Oakville, Ont. Mr and Mrs Frank [illegible], Belleville, Dr and Mrs [illegible] Armstrong, Durham and several [illegible] from Toronto.

## The World of Wheat

By H. G. L. STRANGE

*Director "The Crop Testing Plan"*

THE RUSTY GRAIN BEETLE

Whenever Nature gives us an abundant crop, then we can be sure we shall find an increase in the population of many forms of life that are eager to obtain a share of all this food. One of the most dangerous forms of such life this year is the "rusty grain beetle" in stored grain, an insect about one sixteenth of an inch long, reddish brown in color, which if in great numbers causes the grain to heat and spoil.

Fortunately a remedy has been found by the Federal Division of Entomology, which is that if the temperature of the grain is reduced to 32 degrees, then in two weeks this particular insect is killed, and if the temperature is reduced to 25 degrees, then the insect dies in 4 days.

Farmers, then should examine carefully each bin or pile of grain for the presence of this beetle. Then if found, whenever the temperature of the outside air is well below freezing, preferably near zero, the grain should be slowly emptied from granaries, or shovelled from piles, onto a tarpaulin or clean piece of ground, then slowly shovelled or elevated back to the bin or pile, so that the temperature may be reduced below the killing point of the insect.

A community can't afford to let its tuberculosis services lag. When you're fighting TB you have to stay on the offensive or you'll lose ground. You can help push your community preventive program by paying for your Christmas Seals now. 21tf

## Holds Open House To Introduce Wives of Teachers

MANNVILLE.—Mrs. H. Doherty held open house on Friday afternoon last from 3 to 5 to introduce the wives of two of the new teachers, Mrs. Bohalchuk., a bride of this month, and Mrs. Misik.

## Chrysler Corp. To Build Parts Plant At Red Deer

WINDSOR. — An additional step in the extensive expansion program of Chrysler Corporation of Canada Limited, was announced by E. C. Row, president and general manager. Mr. Row revealed that the corporation has acquired property at Red Deer, Alberta, upon which will be erected a parts plant costing in excess of half a million dollars.

Ground will be broken immediately and it is hoped to have the building ready for use next summer.

Earlier this year Chrysler of Canada opened a similar plant at Moncton, N.B. Other parts plants are located at Chatham, Ont., and Regina, Sask. Currently the company has in progress at Windsor a $20,000,000 construction program which, when completed, will permit Chrysler to double its passenger car output.

"Our new facilities at Red Deer will allow us to provide an expanded service to meet the growing requirements of the Alberta market," Mr. Row said. "Since 1946 there has been a marked change in the economy of the Canadian West. We feel that its present prosperity is firmly based and we are pleased to play a part in its further industrial development."

Red Deer is about half way between Calgary and Edmonton and is primarily an agricultural community and distribution center.

It offers excellent facilities, the Chrysler officials state, for highway and rail transportation. The property acquired by the company is located on the main provincial highway and alongside the right-of-way of the C.P.R. line connecting the two major cities.

The new plant will come under the jurisdiction of Chrysler's Parts and Services division. At the outset it will employ about 40 persons, all but two of whom will be recruited locally. It will maintain a stock of 20,000 different automotive parts and accessories, and is intended to service dealer requirements in the Alberta-B.C. area. It will be located on 13 acres of property with the building providing approximately 40,000 square feet of floor space.

Construction contract has been let to Poole Construction Co. of Calgary. Architects for the building are William Souter and Associates, Hamilton, Ont., with Rule, Wynn and Rule of Calgary as associates.

# LETTERS TO THE EDITOR

Calgary Alberta.

Editor, Vermilion Standard,
Vermilion, Alberta.
Dear Sir:

The 1953 Cancer Crusade must go into history as the most successful of all time. Through the generosity of the people of Alberta, the Society, this year, raised $230,000, which will be used to carry the battle to our enemy - Cancer.

It is only fitting that thanks should go where thye are due, and that is to the many hundreds of residents of your community who supported your own local Crusade and make the task of the canvassers such an easy one. Sincere thanks too to the *Standard* for its fine contriubtion in devoting valualbe space to publicizing the campaign.

The fund raising part of the 1953 Cancer Crusade is now over, but the real Crusade, that of research, education, and service, is a year-in, year-out job. The funds made available this year will enable our researchers to continue their efforts twoards finding the cause and cure for Cancer and also permit new projects to be undertaken. Our welfare work will be strengthened and enlarged so that relief from pain can be brought to those suffering from Cancer, while our educational services in many fields of public information can be widened in scope so that our citizens can be told again and again that Cancer does not necessarily kill but can often be cured if treated early. All these are made possible through the support of the 1953 Crusade.

The effort is paying off slowly but surely, and, one day, will bring about the end of the most vicious killer the world has known — Cancer.

Sincerely yours,
G. R. A. Rice, President.

## Premier Endorses TB Seal Sale

Premier E. C. Manning issued a statement commending the anti-tuberculosis work of the Alberta Tuberculosis Association, and calling on Albertans to support the annual sale of Christmas Seals.

Mr. Manning said, "Christmas Seals have for many years been a part of the Christmas tradition, but they are much more than that. They are sold to right a great wrong — to speed the end of the last of the Great Plagues, tuberculosis."

Mr. Manning went on to say, "Tuberculosis is still one of our major public health problems because of its infectiousness. It is preventable, however, and we feel that many TB deaths should have been prevented. It is to increase the preventive measures that the TB Associations raise the money through Christmas Seals. I commend the TB Seal sale to people of Alberta. We have a good TB Association—let us support them generously."

Health education is one of the Tuberculosis Association. Early diagnosis through mobile units and hospital X-ray installations account for a great deal of Christmas Seal funds, and the rehabilitation program enables hundreds of ex-patients to resume life trained and self-supporting. Nursing and welfare services also mean much to TB patients and their families.

UNITED CHURCH BAZAAR

The United Church W. A. will hold their fall bazaar, home cooking sale and tea in the church hall on Saturday Dec 5 commencing at 3 p.m. 20-3x

By Shirley Holms, Wainwright, Alberta

## News Notes From Your District Home Economist

FASHION NOTE

Christian Dior's higher hemline may be causing consternation in in feminine circles, but Burton W. Marsh, Washington, D.C., regards it as a safety factor.

At the national convention of the American Automobile Association, he said that only 24 per cent of pedestrian deaths involve women. He suggested that the raised hemline might reduce this percentage even more.

Mr. Marsh didn't elucidate so we are left to wonder if male motorists will become more alert or feminine pedestrians more agile when the calves appear.

SEWING NOTES

Have you had the experience of finishing a garment that fitted perfectly only to find that after washing or cleaning it had shrunk? It's worth the extra effort to preshrink before sewing.

TESTING FOR SHRINKAGE

Measure and mark off 12" along the selvage edge with a ruler and pencil. Wet the edge and iron dry. Measure again. If the marked portion measurs less than 12 inches, preshink the goods.

STRAIGHTENING MATERIAL

If your material does not shrink it may still need to be straightened. If the material is not torn across the end draw a cross-wise thread and cut along this thread. When the material is folded in half lengtwise the ends should be together. Pull the fabric diagonally until the ends are squared and together. It may be necessary to repress the center fold to get the material straight.

PRESHRINKING COTTON, SLUB RAYONS AND LINEN

Leave the material folded, then place in a large pan or bathtub. Completely cover material with cool water. Soak at least 30 minutes. Squeeze out water but do not wring. Hang the material across a straight rod or top of door. Straighten the material so that the ends are even. (Check to se that the material is torn across the ends or cut straight with the weave of the material). If pressing is necessary run the iron parallel to the selvage and not across the material.

WOOL—Dry cleaners will usually preshrink your wool material for you.

Home method for preshrinking wool: Wring out a sheet in water. Spread the wool material out on the wet sheet and roll both up together. Leave for several hours until the material is quite damp. Press on the wrong side with light pressure being careful to run the iron parallel to the selvage. Do not stretch the material as you press. Do not fold the material until thoroughly dry.

### Relaxation Is Key To Happier Life

"Most of us, in practically all our everyday activities, are driving with the brake on, and that brake is unconscious tension," says Jos. A. Kennedy in the December Reader's Digest. The author claims that to overcome tension is to find the key to happier living. He has taught his methods of relaxation to overwrought executives, pilots and midshipmen.

To relax, first locate the tension in your muscles. The muscles of the brow need special attention for they are closely associated with anxiety. With the brow relaxed, it is practically impossible to feel worried. Similarly, tensed jaw muscles signal some difficulty or problem to the brain; a relaxed jaw gives a sense of ease and confidence.

The hands, "main executive instrument of the body," are involved in almost everything we do. Learning to relax the hands, when irritated or in a tight spot, takes the pressure off.

The muscles generally should be relaxed at midmorning, again just before lunch, and again in midafternoon, says this Reader's Digest article. Sit down and "jelly" yourself into the most comfortable position. Or lie on your back with arms at your sides. Then check key points for tension: brows, abdomen, jaw, hands. Tighten each, then let go, allowing the muscle to relax itself.

Breathing furnishes a valuable control for regulating the degree of tension. When a crisis is past, we say we can "breathe easier". But learning to breathe easier in the first place prevents tension from forming.

Hurry is one of the major causes of tension. Whenever you feel a sense of hurry—and you can feel it even while sitting still—you should deliberately slow down. And concentrate on the specific job at hand instead of an ultimate goal which you may be trying too hard to win.

New 6-inch Line To Kinsella Completed

## Vermilion Is Now Served By Canada's Largest Gas Field

The new six-inch pipe line from Vermilion to the Kinsella gas field has been completed by the Northwestern Utilities Limited and the town and the Canadian Utilities Power plant are now served from Canada's largest known gas field. Actually gas from the new source is going to the Utilities plant with the town continuing to draw from the local field. By means of an ingenious system of valves, should the pressure in either line diminish for any reason, the drop is immediately taken care of by extra pressure from the other line. The tie-in is at the Franco Public Service regulator station on the south side.

TENT CITY

No doubt many people wondered at the tent city which sprang up almost overnight some four weeks ago on the Mungo Forbes farm 3 miles south-east of town. This was the camp of the construction party of Northwestern Utilities. The camp was a self-contained little centre. It was laid out in streets, with 12 dormitory tents in one section providing sleeping accomodation for 120 men of the party. There was a wash tent with running water and showers, a large kitchen tent where the most marvellous meals were thought up, cooked and served perfectly, and the large dining room tent. Another tent took care of the office staff where very complete records were kept. In fact, it was a modern little village, very neat and clean. Natural gas was piped in and all the tents were adequately heated, and cooking was by gas.

The construction of the new 6-inch pipe line by Northwestern Utilities was undertaken to insure an adequate supply of natural gas to the expanding Canadian Utilities steam electric plant here. This big steam plant supplies electrical power and light to the entire north-eastern corner of Alberta.

The line itself is laid from the regulator station on the south side of town south-west to the closest corner of the vast Kinsella-Viking gas field. The line is 22 mile long as the crow flies, and this is how the line was laid the very shortest distance between the two points. In charge of the project was Bill Brander, a young engineer and a graduate of Alberta university.

The various steps in laying the line included first securing a right-of-way which of course has to be all surveyed. In this case as stated before the right-of-way was the shortest distance from te town limits to the north-east corner of the Kinsella gas field. Staked out by the engineers the right-of-way is then cleared by bulldozers who go through everything in their path. The path in this particular case is through two coulees, Buffalo and Grizzly Bear. It also traverses some very rugged terrain in addition to the coulees. Trucks then make their way along the right-of-way dropping off the steel pipe. Welding of the long lengths into one unbroken string is the next step and two parties of welders follow along together doing this particular job in two operations.

In the meantime four machines were working steadily excavating the three-foot deep ditch into which the pipe was ultimately to come to rest.

Machines next cleaned and primed the pipe and this operation was followed by a machine which coated the pipe with an enamel substance followed quickly by it being wrapped in a heavy tarred paper. All this is quickly done by equipment especially designed for the purpose, and its efficiency is amazing. This pipe is now ready to be laid into the long open ditch but first it is thoroughly tested for leaks. The last step is the backfilling of the long narrow trench by bulldozers.

Actual ditching of the new 22-mile line started at Vermilion on Monday Oct. 20 and was completed Nov. 13, a bare three weeks later. Gas was turned into the pipes last week.

An interesting feature was that the mills at the Page-Hershey plant at Welland, Ont., only started the actual rolling of the pipe on Oct. 4 and the same pipe is now serving its ultimate purpose being received at Vermilion on Oct. 20. A somewhat noteworthy achievement of quick delivery of steel products.

Watching the completion of the pipe-laying project, the competence of those in charge, the care and efficiency of the actual workmen, and the latest equipment and modern devices used to secure the very best of jobs, all combined to impress that here was a company that really knew its work and was building a project that would really last.

BANQUET

A banquet served in the camp dining tent Friday evening signalized the completion of the project. This week the camp is gone, the site all cleaned up and left as neat as can be, just the condition in which the right-of-way across the countryside is left.

At this banquet were all the members of the whole party, some 120 in number, besides a score of guests representing many town organizations and officials of Northwestern Utilities. The menu of limitless quantities of fried oysters, mushrooms and dozens of other delectable foods, perfectly cooked in the camp kitchen, will long be remembered by everyone there.

And while the gathering indicated the finish of the line-laying project it also signalised the entry into Vermilion business and community life of new and powerful interests of considerable size and importance the Northwestern Utilities. It also heralds for Vermilion an endless supply of natural gas for all uses and for industrial development which might come our way.

### Newspaper Bingo

NUMBERS DRAWN THIS WEEK — B 7 and B 9
NUMBERS DRAWN LAST WEEK — N 44 and O 68

You can start anytime, buy your card for $1 from practically any store in town, the *Standard* will carry all the numbers dawn each week so that you can catch right up. $10 for any Bingo and a grand prize of $200 for a full house.

### Special Music Program Monday, Nov. 30th

A special musical program will be presented in the Salvation Army citadel on Monday evening Nov. 30 at 8 p.m. Guest artist will be Lieut. David Hammond of High River. He will be featured in trombone and vocal solos. The Corps band will be supplying special marches and selections and a ladies trio from Mannville will also participate. Chairman will be Sr. Capt. A. Petcher of the Edmonton Citadel Corps. Tickets are presently on sale by all members of the band and proceeds will be for the instrument fund.

## Lady Curlers Elect Mrs. A. Locke

ENTHUSIASTIC OVER NEW RINK

The annnaul meeting of the Vermilion Ladies' curling club was held Nov. 18. Thirty-two curlers enjoyed a very delectable banquet served in the Noonan Coffee Bar.

President Mrs. G. Williams asked for the minutes and reports of the 1952-53 season. The activities of the last year were drawn to a successful close when the club catered for the lunch at the curlers' dance in November. The ladies are enthusiastic with the prospects of using the new rink. They are especially interested in planning and equipping the kitchen.

The receiving executive were thanked by Mrs. K. Rowe for their work on behalf of the club during the year. Officers elected for 1953-54 are:

Past Pres. Mrs. G. Williams
President - Mrs. E. Locke
1st Vice Mrs. K. Greenwood
2nd Vice — Mrs. R. Calvert
Secretary Mrs. Wm. Bell
Treasurer - Mrs. K. Shattuck
Executive — Mrs. E. Corley, Mrs. G. Caron, Mrs. R. Carroll
Draw Committee — Mrs. L. Pockett, Mrs. C. Sinden
Social Committee — Mrs. C. Long, Mrs. M. Simonsen
Entertainment Committee—Mrs. E. Shalka, Mrs. G. Williams
House Committee Mrs. G. Caron, Mrs. R. Calvert, Mrs. C. Tough

Plans for the coming season were discussed. The ladies curling fees for the 1953-54 season are set at $5. It is not necessary to be a shareholder.

The next meeting will be held in the curling rink on Wednesday, Dec 9 at 8 p.m. All ladies who are interested in becoming members of the club are extended an invitation to attend this meeting. If you are unable to be present, phone and give your name to Mrs. E. Locke 248, or Mrs. K. Shattuck 317, before Dec 9.

### Biggest Bingo On Saturday, Nov. 28

Plans are all set for the biggest Bingo game ever presented in Vermilion. This event is sponsored by the Kinsmen club and 'A' Coy. L.E.R. and will be held in the armories on Saturday Nov 28 starting at 9 p.m. Extra seating is being arranged in the basement of the building in case the crowd cannot be accommodated in the main hall. Programs and cards will be handed to everyone as they enter the hall. Advance tickets are now on sale by all Kinsmen, at Long's Drug store and McLaughlin's Self Serve. Those who are unable to get advance tickets may pay their $2 at the door. Extra cards at 50c each will be sold inside the hall. $1200 worth of prizes will be offered and can be seen on display in Simonsen's Furniture store now.

Further information in this regard is contained in the display ad in this issue of your Standard. Special items have been arranged as prizes in case of a tie for the main prize ... the bedroom suite.

Parents are advised that because of limited seating capacity they will not be allowed to bring their children unless each of them has paid the $2 admission fee. It is hoped that everyone will appreciate that this is a necessity.

TURKEY SHOOT sponsored by the Vermilion Air Cadets in the armories on Saturday Dec. 12 commencing at 1 p.m. WIN your Christmas turkey! 22-3x

Tiger Club Organizes For the Season

## PROSPECTS ARE BRIGHT FOR HOCKEY IN VERMILION

Hockey prospects appear bright in Vermilion for the coming season and the following officers were elected at a general meeting held on Nov. 22 to guide the destinies of the club:

President — Chas. Upshall
Team Manager — Stan Manyluk
Sec.-Treas. — Chas. Heckbert
Executive — Bob Allan, Russell Carroll, Jack Kokotailo, Ken Beaton.
League Representatives — Stan Manyluk, Bob Carmichael
Equipment Manager — Joe Winter

Following the election the new officers took over and laid their plans for the coming season. Among the business discussed were team prospects, which at the moment appear hopeful; financing, and coaching. An effort is to be made immediaely to eliminate the deficit which now faces the club, and various projects are planned.

PLAYERS INVITED

Anyone interested in playing hockey this year is urged to watch for an announcement of the date of the first practise. Ice is now being made and will be ready in the not too distant future.

Present indications are that the club will again have a team which will make a good showing in the Eastern Alberta Hockey league this year. Following the winning of the championship last season interest in the club appears to be high.

FIRST GAME DEC 9th

The first league game of the season is scheduled for Dec. 9 and everyone in town and district is urged to attend the first game and give the team and the league a real send off to a successful year. The calibre of hockey played here for the past several seasons is worth a good deal more than the price charged.

### F. U. A. To Hold Leadership Course

District No. 7, Farmers Union of Alberta, will hold a one day leadership course at the Vermilion school of agriculture on Saturday Nov 28. Expenses of the course are being met from the treasury of District No. 7. It is open to all farm families.

Registration for the course will begin at 9 a.m. During the day Col. Eric Cormack of the Extension Dept. of the University of Alberta, will speak on various subjects pertaining to leadership in organized societies. Henry Young the provincial president of the F.U.A. and Mrs. Harold of St. Albert will also speak.

During the afternoon classes will be held giving information on 'How to make up reports of meetings' also special sessions for presidents, secretaries and all official positions which may be held by anyone in an organization or club.

All will be entirely free except meals which will be at the expense of each one attending. The course will adjourn at 6 p.m.

### Clandonald Fiddler Wins Contest

This time the Old Timer Fiddlers' contest was won by Eugene Michael of Clandonald with Billy Syddora of Morecambe second and F. J. Isley of Fort Saskatchewan third. The entertainment was held in the Elks hall last Friday night with every available seat filled with an audience of over 300. There were nine contestants.

Judges were John Maxwell, Vermilion, Ed Wagner of Lloydminster and Yogi Bartling of Elk Point.

This is an annual event sponsored by the Kinsmen of Vermilion and is a real crowd pleaser. Following the contest a dance which was also well patronized was held in the hall.

### Curlers Organize At Kitscoty

KITSCOTY. [illegible] meeting of the Kitscoty Curling Club was held on Friday Nov. 20 with a large attendance of enthusiastic curlers. The following executive was elected:

President J. G. Inglis
1st Vice-Pres. [illegible]
2nd Vice-Pres. [illegible]
3rd Vice-Pres. C. W. Miles
Sec.-Treas. Roy Speelman

February 2nd was chosen as the date to start the annual Kitscoty bonspiel.

New curlers [illegible] member of the executive [illegible] is well along [illegible] hands of [illegible]

LADIES ELECT [illegible]

The [illegible] held their first meeting of the season at the home of Mrs. [illegible] with 22 ladies present. Officers elected for this season are:

President Mrs. E. Stewart
Vice-Pres. Mrs. [illegible]
Secretary Mrs. A. [illegible]

### United Church Sunday School Christmas Tree Program Dec. 17-18

In order to conveniently accommodate the many friends and relations of the [illegible] Sunday school children it has been arranged to put the entire program on for two consecutive nights commencing at 7:30 p.m. Free tickets will be available for both evenings. 22-3

## Passing Of George Edgar Long

Here Since 1907

There passed away early Wednesday morning Nov. 25th a well known citizen of Vermilion in the person of George Edgar Long. Eddie, as he was familiarly known to a host of friends and acquaintances, was 77 years of age.

He came to Vermilion away back in 1907 and for many years was associated with Long's Drug store. Following some ill health a number of years ago he retired but until a few months ago had helped his son Maurice in the men's wear store of McWilliams and Long.

Left to mourn his death are his sorrowing widow, one son Maurice and one daughter Mrs. Bob Harle and two grandchildren. There are three brothers Will in California, Frederick in Vancouver, Percy of Vermilion, and one sister Miss Nell Long also of Vermilion.

Funeral services will be held this Friday Nov. 27 at 1.30 p.m. at the United Church with interment at the Vermilion cemetery. The Rev. C. W. MacKay will officiate.

Meyers are in charge of arrangements.

## Farmers' Banquet This Friday Evening, November 27th

The annual farmers members get together banquet will be held in the Legion hall at 6:30 p.m. on Friday Nov. 27.

Dr. Fred Bentley of the University of Alberta will be the guest speaker. Dr Bentley has just returned from a year's sojourn in Ceylon. He will report on his trip and show slides of scenery in that far-off land.

Tickets will be on sale at the District Agriculturist's office and from stores in town. Farmers and Board of Trade members are urged to get their tickets soon. This annual banquet has been for several years one of the big events of the year.

Bruce McDonald of Mannville who this week won the Eaton Scholarship in competition with farm boys from all over Canada will be a guest. Mildred Scarfe and George Gow, the poultry club team from Vermilion will also be there. These young people are all in Toronto now and it is hoped that many farmers will be out to welcome them back home.

### Annual Meetings In School Subdivisions

Annual meetings in subdivisions of the Vermilion school division will be held as follows:

Subdivision No. 5 Dewberry hall, Dewberry, Monday Nov 30 at 2 p.m.

No. 1, McLaughlin hall, McLaughlin. Tuesday Dec. 1 at 2 p.m.

No. 2 Kitscoty hall Kitscoty, on Wednesday Dec 2 at 2 p.m.

No. 3 Marwayne hall Marwayne, Thursday Dec 3 2 p.m.

No. 6, Jr high school Vermilion, Friday Dec. 4, 8 p.m.

No. 4 at New Woodvale school, Saturday Dec. 5 at 2 p.m.

Terms of R. C. Mead, Sub No. 5 and D. C. McGrath Sub No. 4 expire and nominations for the office of divisional trustee will be received at the meetings at Dewberry and Woodvale schools.

Although having one year to run, the town representative on the school board, Ashley H. Cooper is retiring also, after four years service on the divisional board. 22-3

### Parent-Teacher Interviews Replace Report Cards At Dewberry

DEWBERRY. The October meeting of the Dewberry Home and School Association was held in the school on Tuesday, Nov 10.

The meeting was opened by the singing of O Canada, after which the secretary Miss Gawryluk, read the minutes of the last meeting.

After Mr Smith had reviewed the objectives of parent-teacher interviews it was passed that these interviews be used in place of report cards in Dewberry school.

Nita Pritsch entertained the group by singing 'Auf Weidersehn'.

Mr Smith then presented Elaine Wilson the Governor General award winner of 1953 with a cheque for $15.

To close the meeting Margaret Herr [illegible] sang 'Sometime'.

At the next meeting on Tuesday Dec. [illegible] Mr Simonsen will be in attendance and will present Elaine Wilson with the Governor General's award.

### Banded Duck Shot In Irwinville District

[illegible] Sept. 25. Mr. Roy Kent shot a mallard drake wearing the band number 517-53085.

From information received from the Fish and Wildlife Service of [illegible] United States it is learned that [illegible] was banded at Tule Lake, Refuge Siskiyou County, California on June 20, 1951.

### Mannville Proud Of Native Sons

MANNVILLE. Mannville and district are very proud of the honor brought to the district by Bruce McDonald and Ernie Prill in the awards they have won at the Royal Winter Fair in Toronto. Bruce will be attending the University of Alberta next fall under the T. Eaton scholarship. He plans to major in nutrition and we wish him all the best of luck in the next four years. We are sure he will make a further name for himself in the future. Mr Prill won reserve championship for his hogs. This meant that his hogs had to be of the best for the Ontario hog breeders have been in the lead for well finished hogs for many years.

## Spotlight Turns On The Vermilion Junior High

[illegible] President of Junior High [illegible] Union, heads the [illegible] which is as follows:

[illegible] Eileen Bauer
[illegible] Madeline Carroll
Boys' Sports Rep. Dick Hollen
Girls' Sports Rep. Lynda Long
[illegible] 7a Keith Maughan, [illegible] Scott, 8a Marlene MacDonald, 9b Joanne Cooper, 9a Irene Adam, 9b Margaret Goodwin
Social Convener and Press Correspondent [illegible] Adam.

The first social function of the [illegible] took place on Oct. [illegible] The Hallowe'en party was especially [illegible] by the Grade 7's because [illegible] social entertainment [illegible] After an enjoyable program [illegible] lunch was served [illegible] in conjunction with the social convener.

Farewells were paid to Patsy and Michael Mullen who have left Vermilion to take up residence in Hobema. A vote of thanks is given to the clean-up committee who returned the next morning to help clean up the hall.

Grade 9a is planning a party that they will sponsor on Dec 4. They are planning a Sadie Hawkins so the girls are wished luck.

The sports representatives have organized a basketball league for all those who wish to take part. The girls' captains are: 9a Lynda Long, 9b Donna Cooper, 8a Lila Porter, 8b Madeline Carroll, 7a Norma Fenton, 7b Esther Mullen.

Boys' captains are: 9a George Martin, 9b Morley Hough, 8a Bill Tougo, 8b Rod MacDonell, 7a Dale Scott, 7b Jack French.

Although many are not professional basketball players they are learning and enjoying the sport.

Vermilion Hunter Bags Huge Siberian Wolf

Shown above is the body of the large Siberian wolf which was shot by Bob Rowe of Vermilion during a recent elk-hunting expedition in the foothills west of Olds. A shot directly through the heart killed the animal which ran for about 200 yards before dropping dead. Hunter Rowe, shown admiring his prize, says that it will be made into a rug for his home. —A Vermilion Photocraft Picture.

## Royal Winter Fair

The Royal Winter Fair just recently concluded in Toronto has proven once again that Alberta is first and foremost a farming province and that its farms and farm products are among the tops in Canada. Alberta exhibitors carried off the championships in market cattle in pigs in wheat and many other classes. The showing of our own young people, Mildred Searle and George Gow, in the poultry judging brings closer to home the achievement of the Alberta farm population. A high honor was also accorded to another local youth, Bruce Macdonald. The most wonderful thing that the fair does is to stimulate the attainment of perfection in the young farmers of Canada and if the record of the youths from Alberta in Toronto this year is any criterion, then we can expect nothing but great things for the agricultural advancement of this province. Our hats are off to the Farmers of Alberta.

## Young Canada Book Week

This Dominion has just observed "Young Canada's Book Week" — a joint community effort to encourage first, more reading of more worthwhile books by more children, at home in school and at the library. And, secondly, to bring to the notice of adults the immense development in children's literature in recent years, and to make them aware of the great interest that is shown today in what children read.

Good books for boys and girls can give wings to their imagination, depths to their sympathy, breadth to their understanding. They can make school work easier and playtime more fun.

## Courtesy vs. Death

This is stealing a headline from a very well-known radio program featuring Sgt. Bernie Nicholson of [illegible] but it seems to this writer to be particularly applicable to Vermilion. Most of the accidents, or near accidents involving cars, are the result of a lack of courtesy or common sense on the part of the drivers. Most people when they get into a car know how to shift gears and step on the gas and that's about all. A good driver should know all the speed regulations, obey all traffic signals and most important [illegible] signal to other drivers what he intends to do. Even in a small town such as this there seems to be a constant disregard of courtesy in driving — drivers fail to signal a stop or a turn, fail to give the right-of-way, fail to stop at stop signs and pass at the wrong time. This, in our opinion, is most noticed in a lot of the Teen-Age drivers around this town. Many of them are guilty at all times, of speeding to excess, especially in residential areas where there are always little children playing in the streets or running out on the roads. It is merely a matter of common sense to realize that [illegible] one has a license to [illegible] car that he has assumed a very [illegible] responsibility and it should not be abused. The police make the laws and they cannot force everyone to obey them. They can only punish the offenders if they are caught. Much better if the young car drivers would realize that they have a machine of terrible destructive powers in their hands and they should treat it intelligently before they cause serious trouble to themselves or worse still, to someone else.

## Highway 41 . . .

In this writer's opinion, this highway should be renamed, the "Trail of '98". It seems to be no better than that, at the present time, and is definitely dangerous to drive on. When this highway was constructed a few years ago it was among the best secondary ones in the province. But it has since been let go into such a deplorable state that it will have to be almost rebuilt. This fall some gravel was thrown on it but did not improve the situation much. It is to be hoped that the Provincial Department will use all methods available to get this highway back into good state in the spring as it is the main artery of travel for the area to the north of Vermilion and those people deserve a good road.

## Less Local Interest

Why is there less interest in municipal elections and local affairs generally?

One reason is the speed and ease of modern travel, suggests The Financial Post. It quotes a speaker at the recent Westinghouse conference in Quebec City. The man pointed out that modern facilities of travel have greatly extended the geographical range of the educated individual's acquaintanceships so that a man's friends and main interests are now likely to be spread over a continent whereas in less mobile days they were largely confined to his own bailiwick. But the number of real friendships that any one man can make is limited and is not much greater now than a century ago; so that more friends in New York and San Francisco and London, means fewer of them in the old home town.

"We pay a heavy price for our ability to go round the world in a few hours", comments The Post. "That same mobility has vastly diminished the local interest and the local pride even of the property-owner."

## Mrs. Wise Bakes Her Christmas Cake

November is the time Mrs. Wise usually prepares her Christmas cake since she knows that aging or ripening improves the flavor of a fruit cake. This is an excellent idea says Miss Joyce Lewis, Nutrition Specialist, Alberta Department of Agriculture; a month before Xmas is not a bit too soon to make the cake.

Miss Lewis offers the following tips for preparing baking and storing fruit cakes.

Prepare and combine fruits the day before the cake is to be mixed and baked.

If your glace or candied fruits have dried out from standing, place them in a sieve and steam over boiling water to soften.

Be sure to flour fruits and nuts with some of the flour required in the recipe (use about ½ cup). This will keep them from sinking to the bottom of the cake.

Grease and line cake tins with 4 layers of heavy waxed paper or three layers of brown paper. Grease again.

Always bake fruit cakes in a [illegible] oven.

If your cakes have a tendency to burn on the bottom place the cake tin on a cookie sheet which has been covered with a layer of [illegible].

Leave the greased paper around the baked fruit cakes to help keep them moist and fresh.

Fruit cakes should be stored in closely covered containers. A scoop of brown sugar in the container will help to keep it moist.

If your fruit cake becomes dry place it over hot water in a closed container. When the cake is hot make several holes in it with a small knitting needle and put a drop of fruit juice or wine in each [illegible].

## NOTICE OF COMPLETION OF VOTERS' LIST

NOTICE is hereby given under the provisions of The Town and Village Act, 1952, that the Voters' List of the Town of Vermilion has been prepared and that a copy of the said Voters' List is posted in the office of the Secretary-Treasurer.

The posted list is open to inspection during business hours.

Any qualified elector may make application for the correction of any error or omission in the said Voters' List by serving notice upon the Secretary-Treasurer in writing on or before the first day of December.

DATED at Vermilion, Alberta, this 14th day of November, 1953.

E. H. WEEMES, Secretary-Treasurer.

## Point System Proves Successful At Vermilion High School

The present point system, introduced in the Vermilion high school in 1952 has proved unique among high schools in our part of the province. It is a system whereby the students may earn awards by active participation in all phases of school activity. This participation enables the student to collect points which in turn entitles him to certain crests which are worn on his school sweater. A school ring, a school pin and a school sweater are the larger awards given. If a student earns more than the 150 points needed to win a sweater, a special award is given. Since this system was started here only 2 special awards have been won.

Points are given for scholastic standing, participation in sports, basketball, curling, [illegible] ball and track, leadership in the Student executive and other extra-curricular activities such as school orchestra, or school paper.

The awards are as follows:

25 points — V.H.S. crest, worn on back of school sweater.

50 points — Wings, worn on back of school sweater.

75 points — Bar, worn on back of school sweater.

100 points — School pin.

125 points — School ring.

150 points — School sweater.

Over 150 points — Special award.

The special awards earned last year by Anne Martin and Betty Bentley were engraved silver trays.

Besides earning points, participation in school activities entitles the student to wear crests for each activity he enters —

House Letters — C. L. or S.
Basketball House League — B.
'A' Team Basketball — Crest.
Curling House League — C.
Bonspiel Winners — Crest.
Track — Crest.
School Orchestra — Crest.
Student Union Exec. — Crest or Pi.
Baseball 'A' Team — Crest.

Students who are active participants soon have an impressive display of awards on their school sweaters. All crests are in the school colors of grey, black and red.

We feel that this system encourages the student to enter all activities of the school, therefore, developing a sense of responsibility, pride and keen interest. In this way, a foundation for a fuller life in his community is laid and a better citizen for the world of tomorrow is ready to take his place. This results in citizenship education.

## Kitscoty High School Notes

On Nov. 12 the annual election of officers to [illegible] Students Council [illegible] held. Elected were:

President — Marjorie Roberton
Vice-Pres. — Gordon Jacobs
Secretary Treas. — Donna Davies
Social Convener — Jean Milne
Sports Convenor — Harley Rea
Press Corresp. — Ernie Marshall

On Oct. 13 at 4 p.m. many of the students met with Mr. Woolier, the Anglican church minister, to discuss the formation of a Young Peoples' club. Since the support seemed good, a meeting was held on Oct. 22 to elect officers as follows: President, Marjorie Roberton, Vice-Pres., Harley Rea; Secretary, Kathleen Reid; [illegible] David Jack. Since it was decided that the work of the club was to consist of three classes, social, religious, and work, three committees of 3 members each were elected: Social: Myrtle Kinahella, Jean Milne, Don Hannah; Religious Education — Beverly Campbell, Jack Currie, Jim Kent; Work committee — Donna Davies, Audrey McIntyre, Gerhard Kastendieck.

A weiner roast was held Nov. 4. An enjoyable [illegible] spent around a campfire by all present.

Everyone met in the gym Tuesday Nov. 17 to organize leathercraft work under the supervision of Mr. Gee of Lloydminster.

TO PRESENT PLAYS

The drama class of the high school under the direction of Mrs. James Smith are presenting three plays on Dec. 11 at 8 p.m. in the Kitscoty town hall. The plays are entitled "The Felton Mystery" "The Royal Touch" and "Our Dream House".

The Wednesday night parties continue to be a popular event with the students.

SCHOOL REDECORATED

During the past three weeks the interior of the school has been painted. While each room was being done the class was moved to the 'cooler', otherwise known as the gym for their sessions.

Through the efforts of Mr. Smith a ping pong table has been set up in the basement of the boys' dorm. It has been made use of through the week and is greatly appreciated by the boys.

## Curling Club To Hold Gigantic Community Auction Sale

The Vermilion Curling club plans to hold a gigantic community auction sale on Saturday, Dec. 12. All proceeds from this sale will be used to assist in the building of the new curling rink, which is now nearing completion.

Everyone is urged to delve into their storerooms and attics in a search for any article of value which they no longer use, to donate to the sale. Everything and anything of value will be gratefully accepted, from last year's calendar to your new car! Furniture, machinery, toys, skates, tools, sleds, books, in fact anything which you no longer use but which someone else may find useful.

Watch for details of the sale which will be announced in next week's issue of the *Standard*. The donations can be left in the waiting room of the new rink shortly, or a phone call to any member of the curling club executive will bring a truck to your door to pick up your donations.

Assist the curling club and the community — donate your no longer used articles so that they can be put to a useful purpose.

## New Grain Cleaner Demonstration

Hines and Delainey are offering to clean 100 pound samples of oats, wheat or barley with their new Link grain cleaner. The demonstrations will take place Friday, Nov. 27. See ad for particulars. 22c

**CORRECTION**

We wish to make a correction in an announcement appearing in this publication recently. It read to the effect that Tartan permanent anti-freeze is a better all-weather protection for the cooling system of your car. It should have read "Tartan glycol permanent anti-freeze is the best in the West because it's made for the West by Westerners!" This is one of the main reasons why Western farmers, truckers, and machine operators use Tartan all-weather anti-freeze. They know it won't evaporate, boil away, or corrode the cooling system of their car, truck or tractor. It is specially compounded to protect their engines from effects of Western weather.

GOVERNMENT BUSINESS IS

Everybody's Business

YOUR GOVERNMENT LENDS

"A HELPING HAND"

QUESTION. What assistance do needy citizens receive from the Government of Alberta?

ANSWER: Through the Department of Public Welfare, your government spent $7,000,000 in 1952-53 to help those in need.

Co-operating with the Government of Canada, and with municipalities, your government provides the following assistance:

OLD AGE SECURITY AND ASSISTANCE. Old age pension of $40 per month paid persons over 70 years by the Government of Canada. Supplementary allowance of $10 per month, plus hospital and medical services, provided by provincial government, also up to $40 per month paid persons aged 65 to 69. The aged and infirm may be cared for in one of [illegible] licensed homes.

BLIND PERSONS' ALLOWANCES. In addition to paying 25% of Government of Canada pensions, the provincial government pays up to $10 per month supplementary allowance and supplies hospital and medical services.

WIDOWS' PENSIONS. Up to $40 per month, plus hospital and medical services, paid widows aged 60 to 64.

MOTHERS' ALLOWANCES. From $50 to $146 per month plus hospital and medical services. (These are the highest rates of mothers allowances paid in Canada.)

CHILD WELFARE. Wards of the government are placed with prospective foster parents who have been carefully investigated.

Further information regarding provincial government assistance may be obtained by writing the Department of Welfare, Administration Building, Edmonton.

GOVERNMENT OF THE

PROVINCE OF ALBERTA

ANNUAL PROVINCIAL

C. C. F. CONVENTION

December 3rd, 4th, 5th, 1953

in the

I. O. O. F. Hall, Edmonton

103rd Street (North of Jasper)

Sessions commence 2 p.m. Thurs., Dec. 3rd

# INTERESTING MEETING HELD BY THE BOARD OF TRADE

The following is a summary of the minutes of the Board of Trade meeting held Nov. 18.

The President Keith Chalmers was in the chair and there were twenty present.

Mr Miller, chairman of the retail section, reported that his committee was awaiting word from CJCA as to when their representative could come to Vermilion to address the Board [illegible] licity for the town [illegible]

Dr King for the health committee reported that a circular letter had been sent out to the M.D.'s and towns setting out generally the conditions under which the Old Peoples' Housing project could be arranged and asking the various councils to ascertain if there was a demand for such a housing project and if so a meeting would be called to consider the matter.

Motion Mitchell-Boake: That the next Wednesday luncheon of the Board be dispensed with and the regular meeting held at the Farmers' banquet on Nov 27. Cd.

The president mentioned that he had received many favorable comments on the valuable publicity given Vermilion by our page in the special edition of the Edmonton Journal on Nov. 10.

Motion King-Shalka: That the publicity committee and the retail committees be highly commended for the excellent work they did in compiling the above page of publicity Cd.

Motion Morrison-Stephens: That a letter of condolence be sent to Mr. Pilkie and family on the death of Mrs Pilkie. Cd.

Dr King suggested that the Board should give greater recognition to the various breeders who annually bring purebred cattle to the Agricultural Society's [illegible] sale of purebred livestock. Dr. King stated that this was an important sale in the community and brought breeders in from many outside points. The president stated this suggestion would be given consideration by the executive.

Motion Mitchell-Cooper: That we contact Mr. Richard Martland Director of Industrial Development and Economic Research and extend an invitation to the Industrial Development Board to visit Vermilion and make a survey of the industrial resources here. Cd.

Mr. Boake suggested the Board of establishing an auction mart. After several comments from the members of the Board this was referred to the industrial committee for investigation and report to the board.

Motion Boake-Hanlan: That the Board of Trade appoint a representative to attend the hockey meeting Sunday in the Legion hall at 2 p.m. Cd.

The meeting adjourned with the singing of The Queen.

# Bowtell Busy Bees Elect Officers

The November meeting of the Busy Bees was held at the home of Mrs. Fulton with 18 members present. Mrs. Medill was welcomed to the club as a new member. This being the annual meeting Mrs. S. Carroll was chairman. Officers for the coming year were elected as follows:

President — Mrs. Johnson
Vice-Pres. — Mrs. Moses
Secretary — Mrs. Tweedy
Treasurer — Mrs. Gow

Flower and Sick Committee — Mrs. Walker and Mrs. O. Repp.

The December meeting will be held at the home of Mrs. O. Repp on Dec. 9 when plans will be discussed for the Xmas concert. A pot luck dinner will be served. At the close of an enjoyable afternoon Mrs. Hardie and Mrs. Harrison served lunch.

We wish to extend our own and the district's sympathy to the Pilkie and Glidden families on the loss of loved ones.

Mrs. Johnson spent Friday in Edmonton.

Mr. and Mrs. Tweedy were recent visitors to the Williams' home.

Quite a number of young folks enjoyed a skating party on Sunday evening at Lippert's lake.

Mr. J. Dixon is now feeling much better and able to do the chores.

Jimmy Repp was a visitor to Edmonton for three days last week.

Take Advantage . .

# NEWS from CLANDONALD

Louis Garnier, local business man, was one of a big party of big game hunters in the area west of Edmonton and south of Carrot Creek ,not long ago. He reports that game on which there is open season as being very scarce. The party, however, [illegible] successful in bagging two elk and a timber wolf. Travel in the swamps which were frozen very little would have been very difficult had they not taken along a small John Deere crawler type tractor. It would negotiate over soft places without any trouble where a man was not able to travel without sinking down. The party were almost successful in getting a bear but were outwitted by the wily animal finally.

**SUCCESSFUL SUPPER**

Last Thursday night a very successful chicken supper and bazaar was held in the Orange hall sponsored by the ladies of St. Mary's Anglican W.A. Blessed with very favorable weather the event drew a near record crowd and the ladies have every reason to be very well satisfied with the results of their efforts. They wish to take this opportunity of thanking all those who so generously donated eatables and help and also to those who turned out so splendidly, many of them from considerable distance.

**FAREWELL M. PATTERSON**

A large crowd gathered in the Orange hall recently, the occasion being a farewell party for Mac Patterson who has been a member of the staff of the Bank of Toronto here for the past 12 months. Mac has been transferred to the Winnipeg branch and left a few days later for his new post. Although a comparative newcomer here Mac was always ready to lend a hand with any community effort whenever requested and it is with genuine regret that news was received of his leaving for the city position. During the course of the evening he was presented with a purse of money as a token of esteem by the many friends present. Every wish for future success follows Mac to his new surroundings. Jim Foy, formerly of Bonnyville, takes over the position in the bank which was previously held by Mac.

**OLD TIMERS VISIT**

Former residents of the district, Tom Souder and Jake Roe, were visitors from Edmonton in town and district last Saturday. Tom reports having been around Camrose not long ago and while there visited with Mr. and Mrs. Ed Christian who lived in the Rusylvia district about 25 years ago. They are carrying on very successful farming operations south of Camrose and not far from Edberg.

**ATTEND ANGLICAN SYNOD**

Accompanying Rev. R. Clennett to the special meeting of Synod in Edmonton on Wednesday last for the purpose of electing the new bishop were lay delegates Keith Kent of the Irwinville parish and Ed Stockwell from St. Mary's in Clandonald.

**JOHNNY BUTZ VISITS HERE**

A resident of the Clandonald and Dewberry districts many years ago, Johnny Butz, was a visitor in the district last week. If our memory serves us correctly he left here in the early days of the first world war serving overseas and receiving a medal for distinguished action. A few years ago he had the misfortune to sustain serious injuries caused by a fall and spent many months in hospital and later on crutches. Of interest to present residents he reports that Walter Miller is well established south-west of Calgary where he has employment on a small ranch.

Mrs. Ernie Stanley left on Sunday on the first stage of a holiday trip which will take her as far as Vancouver and Victoria for a visit of several weeks. Mrs. Stanley's two married daughters, Edith and Jessie have their homes at the coast as well as other relatives and former neighbors.

The James Martin family are sporting a new Studebaker this week end while Pat McGurkin has a very recently purchased Ford truck.

---

Canada's National Parks had their beginnings in 1885 when a 10-square mile area around the hot Banff mineral springs was reserved for public use.

## LOCALS

Mr. and Mrs. Stan Manyluk were in Edmonton on Wednesday to attend the funeral of Mrs. W. P. Pilkie. Mr. Manyluk was a pall bearer.

*CARD OF THANKS*

It is our desire to express our thanks to Dr. Stephens and the hospital staff for the very kind and efficient services given during Mrs. MacMillan's illness; to express our thanks also to Rev. R. Alcock for his kindly words at the funeral service; and to the friends who made donations to the Mannville and Vermilion cemetery funds, Mannville Anglican church memorial, and to the Cancer Society in memory of my wife; also to the many friends for the letters and cards of sympathy and for the beautiful floral tributes. Appreciation is expressed for the kindness of Mr. and Mrs. George H. Whitson for hospitality extended to the pall bearers and relatives after the funeral, and thanks to the pall bearers. Such kindness and sympathy will always be remembered.
D. H. MacMillan.
The Toplika Family.

### Ships Firewood To Calgary

DEWBERRY. — Ernest Garnier of Dewberry recently shipped a car load of firewood, about 40 cords cut in stove-length, to Calgary.

**Check that date on your label!**

*APPRECIATION*

The Clandonald Anglican W. A. wish to thank all the non-members for helping in every way they did, to make our chicken supper of last Thursday a huge success. A very special thank you goes to June Johnson, Clarice Laird, Florence Joemack, Peggy Dupuit, Eileen Stockwell and Joyce Johnson for so diligently and capably waiting on the tables.

*APPRECIATION*

The O.O.R.P. wish to thank all those who supported the draw for the Lazee-Boy chair at the recent Elks carnival. Due to this generous support the event was very successful. The chair was won by Mrs. John Johnson of Vermilion.

*IN MEMORIAM*

In loving memory of
*Henry Charles Oakley*
—who passed away Dec. 23,
and
*Dorothy Oakley*
—who passed away Nov. 26.
"Until the morning breaks
and the shadows flee away."
—Ever remembered by Mother, Eva, May and families.

*IN MEMORIAM*

In loving memory of mother and wife
*Mrs. Margaret Filgate*
- who passed away Nov. 28, 1950.
"Nothing can ever take away
The love a heart holds dear.
Fond memories linger every day
Remembrance keeps her near."
--Ever remembered and missed by Sam, Ivan and family.

## Canadian Legion Notes

Did you hear that the Canadian Legion is to put on a polio assistance fund in January? It costs a lot to treat patients for polio and often the family is not eligible for assistance. It is to take care of all these needy cases where help is not forthcoming in any other way that the Legion fund will be used. Let's save up our nickels and dimes and have a good donation ready for our own polio fund in January.

On Dec. 9 the Ladies' Auxiliary of the Legion is going to throw a party. All Legion members and their wives are invited by the ladies to come to this social evening.

Well, it was a good parade and service Remembrance Day. More veterans than usual turned out with their medals on. Jim Chalmers was noticed to be wearing 7 medals which was the most for anyone in the parade. Jim's medals are 39-45 Star, Italian Campaign, N.W. Europe, CVS medal, Defence of Britain, Victory Medal and Canadian Forces Decoration.

The next meeting of this branch will be Monday, Dec. 14. Now is the time to make up your mind you will be there. Your officers and other members will be glad to see you.

Several veterans have reported that they will join up for 1954. Get your application now from the secretary and you will be made a member at the first meeting.

## Woodvale News

Let us start with some Woodvale news for a change! The Glee club has started its winter activities with their regular weekly card parties on Mondays at the old school. On the 9th there were 9 tables and the few ladies who never got a prize -- it was an all-men's win with Carl Nelson and Elmer Yuse getting 1st and 2nd and the ladies' prizes Johnny Watt and Bob Elson. But on the 16th the ladies had better luck and Mrs. C. Nelson and Mrs. G. Dixon were the winners with Carl Nelson and Clarence Crocker for the men.

The newlyweds Mr. and Mrs. Ralph Thomsen were charivaried last Wednesday night. As they were not home, the happy crowd played cards at the Thomsen home until the lights of a car announced the home-coming of the couple and then in the darkened home gave them a noisy welcome. After all the excitement had died down everyone enjoyed the lunch the ladies served.

On Thursday around 50 friends of Fay Watson, whose marriage to Mr. Jeff Martin will take place this week, gathered at Watson school for a shower in her honor. Games with prizes were played before the presentation of a decorated basket full of gifts and an overflow of boxes was made by Cliff Crocker on behalf of Fay's many friends. Mrs. Watson helped her daughter open the many parcels and afterwards Fay thanked everyone with a few well chosen words. A bountiful lunch was served afterwards and after singing very heartily "For She's A Jolly Good Fellow" the crowd left wishing her much happiness in her marriage, regretting however that she is leaving this community luckily not very far, so we might see her quite often in our district. Mrs. Grace Young deserves a special compliment for the way she conducted the games and had the large crowd soon in a happy mood and laughing heartily at the whales swimming in the sea ful. of fishes, and the baby bonnet competition to mention only a few. Did someone lose a white enamel pie plate trimmed with red? It was found by Mrs. Lamport. And did anyone find a brand new man's new gray stock hat after the wedding dance of Mr. and Mrs. Thomsen on Nov. 10 at Ganton school? It belongs to Bill Lamport and he will be very glad to get it back!

Mrs. Gordon Portsmith had a visit from her mother and sister with two children from B.C. She kept the youngsters for a few days so the ladies could enjoy visits to the homes of other children and sisters at Kitscoty and St. Paul.

Mrs. Raymond McQuid spent a few days in Edmonton, where her sister underwent a serious heart operation earlier this month. It is hoped the operation will have been completely successful.

Clarence Crocker is rebuilding his barn that was seriously damaged by a freak windstorm last year.

Kaare Seite is adding a bathroom and a few rooms to his house.

Herman Wolters has left for a trip to the States and will be away for about six weeks.

Speaking or writing about Woodvale school we always have to add the old or the new school and as they are more than 3 miles apart we wonder if the new consolidated school could not get a new name -- someone ought to be able to dream up a good one from a combination of Woodvale, Watson, Ganton, Union and Kokner!

## Uncle CHARLEY'S "Epigrins"

If you've gotta say nasty things to a mule better do it to his face.

Waitin' for some gals to stop talkin' is like tryin' to find the end of a roller towel.

Tubby Tyler had a phone put in and now finds he ain't got no friends to talk to.

Sometimes we think the army of the Lord could use a little more ammunition.

Jr Hinch says his prayers every night cause he says he ain't afraid in the daytime.

Yep, it takes more than a pretty face to make a marriage go.

A feller can't liquidate his debts with a bottle and a jug.

To have loved and lost may not be better but it's cheaper.

Some fellers shoulder responsibility, while others just dodge.

When Tubby Tyler gits that smug look on his puss you kin bet he's got a dollar in his pocket.

—REV. CHARLEY GRANT

## Sammy Chow Dies At Bonnyville

Sam Chow, aged 63 years, well known in Vermilion where he worked in the Boston Cafe for many years, died suddenly early Wednesday morning Nov. 18 of a heart attack at Bonnyville where he went a short time ago. He had lived in Canada for over 40 years. A few years ago he left Vermilion and went home to China. He found conditions there not to his liking and returned to B.C. where he has a son living at Quesnel. This summer he spent a short time in Vermilion and then went to Bonnyville where he worked in restaurant.

### Hounds Making Short Work of Coyotes

DEWBERRY.—The coyote hounds of Allen Bensmiller are making short work of the coyotes in this area. They have so far caught 12 since the fall of snow. Other packs of hounds to the north are also doing good work.

# "GREEN ACRES"

STOCK WATERING DUGOUTS

Farmers in this area are not taking advantage of the P.F.R.A. grants for building dams and dugouts for stock watering purposes. Application forms and circulars on building these earth works are available at my office. Don't make your cattle walk miles to water when water reservoirs are so easy to construct.

SHIPPING FEVER

It is cheaper and far safer to inoculate cattle for shipping fever than to wait until the cattle are sick and then a vet is needed to clear up the outbreak. There are two things to do: Inoculate the whole herd every year; Act fast if cattle have a high temperature and other symptoms of shipping fever. Get your vet who will use sulfa drugs or penicillin.

CREAM PRICES

There is a spread of 14 cents per pound between special grade butter fat and second grade. The chief causes of low grade cream are: bad flavor such as stinkweed; Frozen cream; Cream not cooled quickly and kept cool until marketed.

Tests have proved that early planted tomatoes yield much more than later plantings. It is certainly not wise to put out tomatoes or any frost tender plants before May 24th. Tomatoes planted out May 12 and protected with hotents or hotcaps gave far bigger crops. Gardeners ought to make more use of hotcaps in this area.

LICE ON CATTLE

Lice reduce the thrift and health of cattle. Fall is the best time to spray for lice control. Use lidane or DDT sprays. In cold weather it is best to use insect powders. Two treatments about two weeks part are required for effective control.

FERTILIZER PAYS WELL

Every year tests prove that the yields are increased by the use of fertilizer on grain and hay crops. The farmers who get the biggest yields are making the most money. Crop rotations, good seed, weed control, trash cover and fertilizer all have their place in growing more bushels to the acre. Don't underestimate the place that commercial fertilizers and manure have in raising crop yields.

## Dewberry Hunters Shoot Timber Wolf

The elk hunters, Vic Dennill, Headley Dennill, Milo Hodgson, Tom Lambie and Louie Garnier returned home with two fine elk. They also shot a very big timber wolf. This one was nearly coal black and was a very ferocious looking animal. The stomach contents showed that he had feasted greedily on moose meat.

The curlers who went from Dewberry to the recent Edmonton bonspiel, won one, lost one and gave one away on a sporting shot. The curlers were Fred Braithwaite, Neil Jones, Tom Jarrett and Graham Skinner. A very nice time was enjoyed by all.

Still in the amusement or recreational line, some of the local folks have been attending the recently formed square dance nights at Marwayne.

Mrs. Vernon Keast has returned after a lengthy stay in Islay hospital. It is hoped that she enjoys good health from now on.

The Beard Drilling Co. of Calgary are putting down water wells in the district. One went to 340 feet for Winston Braithwaite but water has risen to within 80 feet of the surface. The hotel will also have a well drilled.

TWINS TO MARRY IN DOUBLE WEDDING

An interesting double wedding will take place this week when the twin sisters Judy and Joyce Nichols will be married to Mr. Roy Butz and Mr. Jack Brock. The wedding will take place Wednesday, Nov. 25.

Miss Shirley Volker and Mr. Robert Henderson of Viking will be married in Dewberry on Dec. 15. An open reception will be held in the Dewberry hall following the wedding ceremony, from 4:30 to 6 p.m.

## News from Islay

Mrs. Ada Fraser of Vermilion is visiting Mrs. Herb Simmons. Mr. Simmons is doing carpenter work for Mr. Seite at Vanesti. Mr. Simmons surely gets around right smart for being 70 or so years old. He has finished the Redmond house. The writer called at the Simmons home on Monday and had a real nice visit. As soon as we entered the house on went the tea kettle and in no time we were enjoying a delicious cup of tea and cakes. Before we left in came Mrs. Sholdice and Mrs. Sadie Drysdale and children. We saw one of those air photos of the farmstead. We understand there are quite a number of those photos in this area. This one of the Simmons farm is exceptionally good, we can see the twin hills very clearly, also the Fortien and Frank Young farms and in the distance the Chas Robertson house.

We have added 3 more to our school population, children of Mr and Mrs. Emonds now living on the Frank Schammel farm.

We hope to see all the Islay S.D folk at the whist party Friday night in the hall -- it is for the Xmas tree fund.

Haven't seen Mr and Mrs. Don McInnes for some time, especially on Sunday — wonder are they away?

Omer Easton and Bernard Bow were in Islay last week. Bernie hasn't been here for a long time. Omer lives with Bernie now.

Two thirds of Canada's national income is derived from the domestic market, proving that Canadians are the best market for Canadian products.

## Mannville Local Items

Lt Nick Plishka has sailed for Germany where he will remain for two years.

The turkey shoot sponsored by the Happy Centre W.I. on Wednesday last was a big success, several winning two turkeys. They are having another one on Dec. 2 at the Highway Auction mart. If there are enough boys there, they will hold a special competition for the boys. The same for the ladies, otherwise they will have to take their chances with the men.

Mr. and Mrs. Len Manz were city visitors last week for a few days.

Take note of the mailing dates for Christmas U.S., Dec. 8; Newfoundland, Dec. 11, Maritimes, Dec 12; Ontario, Quebec, Manitoba, Dec. 14, B.C. Dec. 14; Alberta and Saskatchewan, Dec. 15. Get your mail away early!

Mr and Mrs C. Hamilton were week end visitors to Edmonton to say goodbye to their daughter and son in law, Mr and Mrs F. Palmerchuk who are leaving to spend the winter in the U.S.

Mr. R. Dorward, secretary, and the councillors of the M.D of Minburn attended the municipal convention which was held in Edmonton on Nov. 18-20.

Mr. E. Stevens former constable of the village of Mannville is now on duty as policeman at the Macdonald hotel in Edmonton.

Messrs. Edwin and Leslie Torrance, Bill Jackson and J. Allen took advantage of the first snow to go hunting but apparently the rabbits have changed color already.

Remember the bazaar and tea on Saturday in the United church hall sponsored by United Church W.A.

Mr Jack Gamble Sr of Edmonton suffered a heart attack Saturday and is in the Royal Alexandra hospital. We wish him a speedy recovery.

Mrs. Van Dusen is spending a few days this week in Edmonton.

The annual Xmas bazaar and tea under auspices of the W.A. of the Anglican church will be held Dec 3 in the parish hall.

Mrs C. Manz and Mr Len Manz attended the funeral of Mr Oliver Kelly in Edmonton on Saturday. Mr Kelly was a nephew of Mrs Manz.

All 4-H club members and their parents are invited to attend a meeting of the 4-H club in the school auditorium on Wednesday, Dec 2. There will be speakers from the Dept of Agriculture and there will be a reorganization meeting.

Stan Reynolds has nothing on our Chester Gamble at the Hi-Way auction market, the way he sells everything. I'm afraid poor Angus will be going home without his shoes one of these Mondays.

Miss Zeta Christie of Edmonton was a visitor on Saturday at the home of Miss Jean Allanach.

Mr. and Mrs. Tom Syer were Edmonton visitors over the week end.

Miss Marie Phillips and Miss Nellie Semeniuk were joint hostesses at a shower to honor Miss Dora Kerpinsky, a bride-elect of November, at the home of Mrs. Peter Shchepanik. There were 20 ladies present. Miss Kerpinsky received many beautiful and useful gifts.

## Sixteen Years Ago Today

**Nov. 25, 1937**

F. J. Stanley, a former resident of Vermilion, passed away in Vancouver.

The arena rink opened Wednesday evening.

The long promised shower baths were being installed in the arena rink.

The high school planned a variety concert for two nights Dec. 2 and 3 to be presented in their assembly hall.

## OBITUARY

*KARL SCHAFFER*

People of Islay were saddened at the sudden passing of Mr. Karl Schaffer on Sunday Nov. 8.

Mr Schaffer was born Aug. 3rd, 1885 at Therasberg, Russia. He came to Canada in 1913 and settled at Fox Valley Sask., moving to Islay in 1941

He was predeceased by his wife Christine and all but one brother, Martin of Waseca

Mourning his departure are one brother, two sons, Jack of Whitewood Sask and George of Islay, two daughters, Mrs. David Leippi of Kronan Sask., and Mrs. Roger Ayerst of Moose Jaw, ten grandchildren and four great grandchildren.

The funeral was held at the United church, Islay, on Thursday, Nov. 12 with Rev. W. Buchop officiating, using as his text Phil. 3:20-21: "For our conversation is in heaven, from whence also we look for the Saviour, the Lord Jesus Christ, who shall change our vile body that it may be fashioned like unto His glorious body, according to the working whereby He is able even to subdue all things unto Himself".

The organist was a niece of Mr. Schaffer, Mrs. David Schaffer of Waseca, Sask. The hymns were Rock of Ages and Abide With Me.

Pallbearers were Mr. James Barnett, Mr. Wellington Barnett, Ed McFadyen, Duncan Carey, Chas. Redmond and Gordon Robinson.

Many friends expressed their sympathy in flowers, donations to Cancer fund, cemetery fund, Red Cross and to the Crippled Children's Society.

The following memorial donations were received:

C. Redmond; W. McCaughan; D. Carey; C. Mountford; B. McLean; J. Teakey; U. MacFadyen; J. H. Ford; H. G. Young; W. King; C. W. Robertson; Z. Budzilka; H. Foxton; Ralph and Bessie Anderson; A. J Anderson; Chas. Robertson;Mrs. Fyfe; W Purves; J. McClelland; E. McFadyen; W. Shaw; E. Steiner; H Waterfield; F. Hutchinson; S. Grant; L. Buchanan; M. L. Buchanan; W. Carlson; S. Starnes; W Tekley; N. McEachern; B. Barfoot; A. Turner; L. J. Carey; P. Golby; Geo. McFadyen; G McFadyen; Dr. Sweet; D. L. Clark; Students' Union; W. Waterfield, W. Barnett; S. Kohn; D. Hrycash, L. Axley; P. Hrycash; R. Kennedy; J. Mairie; Mrs. M. Gordon; Mrs. J. Gould; E. Ternoster; P. Wilkinson; J. Knoll; A. Jones; H. Simmons; D. Buchanan; Mrs. R. Martin; B. Axley; J. Allan; A. Linton; J. Bauman; Joe Heslop; A. Beck; M. Beck; W. Bellchambers; J. Barnett; C. Hanna, N McLennan; J. Carey; W. Belton; W. Potvin; D. Martin; A. Hollington; P McGuigan; D. Torrance, J. Carey; W. Hannon; A. Van den Dolder; I Inman; G Robinson; L. Kowalski; M. and G. Stone

*CARD OF THANKS*

We wish to express our sincere thanks to Dr Sweet and nurses of the Islay hospital for their care of Dad during his last days before he passed away. Also to our friends and neighbors for their generous donations and messages of sympathy. All your kindness has certainly been overwhelming and to each and everyone, 'Thank you'

George and Violet Schaffer.

## Islay Hospital Board Holds Meeting

The Islay Municipal Hospital board met in rgeular session at 2 p.m. in the hospital Nov. 7. All board members and the secretary attended.

## Revive Old Floors

Continued scrubbing and the use of strong soaps or cleansing powders makes floors rough and thus more difficult to keep clean. They can be brought back to fair appearance though, says Miss Caroline Judson, Extension Home Designer, Alberta Department of Agriculture.

The linoleum should be thoroughly cleaned, rinsed and dried. This should be followed by two thin coats of a good liquid wax free from turpentine applied with a soft cloth. If the linoleum is old and hard, the first treatment will likely leave the surface with an oily appearance which will show tracks when walked on. In this case several polishings may be necessary until the surface takes on a hard gloss.

## Thirty-two Years Ago Today

**Nov. 23, 1921**

A Big 6 hockey league was formed with teams from Lamont, Vegreville, Innisfree, Mannville, the Vermilion Farmers and Vermilion Firemen. Col. W. C. Craig of Vermilion was the league president.

In order to light their street Minburn has placed two large gasoline lanterns on main street of the village.

Running for the Federal constituency of Battle River were H. V. Fieldhouse of Wainwright, Liberal; J. W. G. Morrison of Vermilion, Conservative; H. E. Spencer, U.F.A. 630 candidates had been nominated for the 235 seats. Election day is Dec. 6th.

It was 22 below zero on Sunday Nov. 19.

## November Bride-Elect Honored at Shower

Miss Marianne Salewski of the Mannville hospital nursing staff was honored at a shower by the ladies of the town and district on Tuesday in the parish hall. After an evening of games the bride-elect was presented with a beautifully decorated box to resemble a trunk. Mrs. Sowden, in a few sentences told Miss Salewski how pleased they were to give her these gifts and wished her every happiness on behalf of those present. Miss Salewski expressed her appreciation and only wished that her mother who is still in Germany could have been present to see the many beautiful gifts she received.

QUESTIONS and ANSWERS about Cancer

QUESTION: Does cancer usually occur at the menopause?

ANSWER: Most cancer occurs in patients between the ages of 35 and 60. Any abnormal symptom should be investigated regardless of age.

*Write for Free Literature*
CANADIAN CANCER SOCIETY
Vermilion, Alberta

Sub-Lt. (M/N) Dorothy Taylor, R.C.N. of H.M.C.S. Naden, Esquimalt, B.C., is visiting her parents Mr. and Mrs. Raymond Taylor of Vermilion. She has just arrived after spending 12 days with friends in Montreal. The entire trip from Vancouver to Montreal and back to Edmonton, was made by the kind courtesy of the RCAF.

Mr. and Mrs. Harvey Anderson attended the wedding of their son Ross and Miss Dora Ann Spicer at Fort St. John on Wednesday Nov. 18. The trip north was made by plane and was very pleasant.

On Thursday evening Nov. 19th, the ladies of the Order of the Royal Purple celebrated the 6th birthday of the Lodge. Forty members were present for a pot luck supper followed by a short business meeting.

Don Davis, son of Mr. and Mrs. Tom Davis, has joined the RCAF and left last week end for Montreal to commence his training.

## Home & School Hears Report on U.N.

-MANNVILLE. — The Mannville and District Home and School Association met on Thursday last with a large attendance. Community singing under the leadership of Mr. Rostron, with Mrs. G. Young at the piano started the program in place of a film. After the minutes and financial report, Miss Audrey Hamilton gave a very interesting and enlightening talk on her week at the Banff School of Fine Arts. She expressed her appreciation of the opportunity to attend this course and said that if it proved a success it would be continued next year. It is impossible to write all of her talk in these minutes but we hope maybe at a later date to publish her notes in the Standard in a shortened form with the highlights that the different lecturers stressed.

Mrs. Otto spoke on books for the children and some of the best books for them to read. She praised the Mannville library and said that Mrs. Hay would at any time help the children choose suitable books.

Then the members divided into eight groups with a school teacher in each group and held a buzz session on homework. Many good points were brought out on homework, some in favor and others against. It was thought by some that the long hours spent on the busses, some children having to get on the busses at 7 in the morning, gave the students very little time for homework. Many children ask for homework while others will work extra hard during the school hours rather than have homework.

The meeting adjourned with God Save the Queen, and lunch was served by the lunch committee and a social time was had by those present.

## Clandonald Wedding

*MARTIN —CONVEY*

Mauve and yellow chrysanthemums reflected in the glow of candlelight at the altar of St. Columba's church on Oct. 20 for the marriage of Miss Winifred Convey, daughter of Mr. and Mrs. Michael Convey, and Mr. Joseph Martin son of Mr and Mrs James Martin of Clandonald. Rev. Father L. Scriven performed the ceremony.

Given in marriage by her father the bride looked charming in a floor length gown of white satin and lace. Her finger-tip veil was held in place by a coronet of seed pearls and rhinestones. She carried a bouquet of red roses.

Miss Kathleen Convey and Miss Joan Convey, sisters of the bride, acted as bridesmaids. They wore floor-length gowns of taffeta and lace, in shades of yellow, and mauve and had headdress to tone. They carried bouquets to match their dresses.

Mr. Thomas Martin and Mr Eugene Martin, brothers of the groom, acted as best men. The wedding music was played by the organist Mrs. P. McGurkin. The choir sang throughout the Mass and during the signing of the register. Dinner was served to relatives and immediate friends. A reception followed at the home of the bride during the afternoon. The bride and groom left for Prince George, B.C., where they will make their future home.

## Thorncliffe W.I.

The November meeting of the Thorncliffe branch of the A. W. I. met at the home of Mrs. Thos Thompson on Nov. 5 at 2 p.m. Six members were present. Four ladies from the Princess Anne branch and Miss Shirley Holms from Wainwright were visitors. Thank you for coming ladies. It was nice to have you.

The meeting opened with the singing of 'O Canada' followed by the Women's Creed and the roll call a favorite flower.

The minutes of the last meeting were read by the secretary. She also read the new list of topics on which Miss Holms will speak during the next year.

Five dollars will be sent to the Canadian Arthritis and Rheumatism Society.

Mrs John King reported the result of the raffle held recently. The quilt was won by Miss Gladys Clark and the proceeds were satisfactory.

Mrs James Moses Social Welfare convener reported sending two cards and one basket of fruit to the sick.

Mrs Thompson's topic on Handicraft took the form of a talk and demonstration by Miss Holms and some very useful tips were shown on the following: A professional looking belt made by machine covering buttons. Ideas with ric rac trim embroidery with the machine bound button hole combination apron and bag.

For the social Mrs Fred Clark had a contest unscrambling the letters of girls' names. The winner was Mrs John King.

The meeting closed with the singing of 'God Save the Queen' after which a lovely lunch was served by Mrs. Moses and Mrs Thompson.

The next meeting will be held at the home of Mrs Earl Watt on Dec 2 at 2 p.m. This will be the annual meeting so plan to attend and put in new officers for the coming year. The roll call will be a home nursing hint and the social will be by Mrs. Earl Watt.

## The Weather

Mild weather has prevailed all week. Only unusual feature was the heavy fog of Sunday night. 1.2 inches of snow fell early Sunday morning but has showed a tendency to disappear.

NOTHING BUT THE TRUTH by Russ [illegible]

## ALLANDALE NEWS

Wonderful weather still prevails. The large snow fall has now settled but a snow flurry last Sunday made roads slippery and dangerous.

The Campbell Lake, North Vermilion and Allandale folk met at Campbell Lake school on the 18th for the purpose of appointing a church board. Mr. Wm. McIntyre, Ralph Strome and Herb McPhee were officially elected members of the board. More details later.

It was grand to hear a local girl's voice over the air at the Toronto Royal Fair, Mildred Scarfe. Our congratulations too on winning 3rd place. It was good news to all of us back home.

It was a lovely evening for the Clandonald Anglican chicken supper held last Thursday. The ladies are to be congratulated on a very fine meal and one meets many old and new friends.

Mr. and Mrs. Louis Baldock spent last week end in the city visiting their daughter Beryl and family and son Glen. Mrs. John Arnold accompanied them.

Mrs. Don Wilson and family spent a few days last week end at her parents' home.

Visitors at the Omness home last Sunday were Mr. and Mrs. Ben Axley and Mr. Lawrence Venance, all of Dewberry and Mr. and Mrs Clarence Wilson and family.

Mrs. Woody Wilson and children Curtis and Linda plan to leave on the 25th for Chilliwack, B.C. to visit her parents. Her dad hasn't been well and has recently had an operation. Woody plans on being with the family for Xmas.

Closing Thought: Time to be doing the Christmas baking and above all attending to the Xmas mail. Those letters once a year to dear ones mean so much. Take time to do good deeds. Think loving thoughts and be worthy of a good friend.

## Enumerators, D.R.O.'s Appointed By Vermilion River Council

The following is a summary of the minutes of the meeting of M. D. of Vermilion River No. 71, held in the municipal office, Kitscoty, Nov. 9 and 10.

Moved by Cr. Stone that SE 12-50-3 and Pt. SW 7-50-4 be sold to Robert Keith Shirreff for $700 cash. Cd.

## Xmas Seal Receipts Show Increase

Christmas Seal receipts for Edmonton and Northern Alberta district for the first week of the 1953 campaign total $16,791 according to T. E. Thompson, chairman of the Edmonton Kinsmen Club Christmas Seal committee.

The amount is slightly higher than last year's figure for the same date and leaves $71,209 still to be collected to reach the objective of $88,000 for Edmonton and Northern Alberta.

Provincial receipts reported by C. Robt Dickey, general secretary of the Alberta Tuberculosis Association now amount to $23,500 toward an objective of $213,000.

Mr Dickey said, "We are greatly encouraged by returns so far but we have a long way to go yet. Mass surveys with the Christmas Seal mobile chest X-ray units, hospital X-ray installations, rehabilitation and health education, as well as our nursing and welfare services, need to be carried on just as vigorously as ever if we are to maintain the gains we have made against TB."

Christmas Seal contributions are income tax deductible. Receipts will be sent on request.

**SOMETHING "JUST GOOD ENOUGH"!**

Day after day we hear this said when it comes to buying a musical instrument for the young ones . . . "We don't want anything expensive . . . just something that will do to learn on . . ." We have seen instruments which make it a disgrace to ask young, sensitive ears to listen to the jumbled, distorted tones they produce. Don't waste a nickel of your money on lessons unless your child has a decent instrument . . . they won't learn to play anyway. We don't know of a single article that is more important to buy with QUALITY foremost in mind than a musical instrument. A 1953 car or $500 fur coat will look pretty shabby in ten years BUT your piano must retain its brilliant tone, evenly balanced action and playability for a lifetime . . . It will, if you get a quality instrument from the start.

*Mannville Farmer And His Violins*

Leeton Blakely, Mannville district farmer about 100 miles north-east of Edmonton, is pictured with two of three violins he owns. One of the two instruments, a valuable Francesco Ruggeri, led to a spontaneous but deep friendship with James Bainbridge, a 77-year-old pensioner-violin master of England. The other is a gift from Mr. Blakely's new-found friend in the Old Land.

## Generous Act, Mutual Love of Music Cement Friendship Across Ocean

Letters and violin, the latter apparently of considerable value, have brought about a spontaneous but deep friendship between a 77-year-old English pensioner-violin master and a Mannville district farmer.

The pensioner, James Bainbridge of Blyth, Northumberland, Eng., and Leeton Blakely, a Mannville farmer, have never seen each other. Separated by 6000 miles of land and ocean, they have become friends through correspondence.

First seed of this friendship was sown almost a year ago when Mr. Blakely, a bachelor farmer, became keenly interested in acquiring a really good violin. He had purchased a Testore violin in Edmonton, but prior to this purchase, in his search for the best he could afford to buy, he had written to a Winnipeg musical instrument shop.

Shortly after his first major purchase, he received a letter from the Winnipeg shop saying that a violin "certain to be to his liking" was available. He instructed the shop to forward the instrument to him on a trial basis only.

After receiving the violin he said he was confident it was worth more than he had paid for it. But there was something he did not like about its tone value, it wasn't just right.

An ardent reader of "The Strad" a musical journal published in London, England, Mr Blakely saw an advertisement by Mr Bainbridge. He wrote the elderly pensioner-violin expert, the first of what later proved to be a series of letters.

In reply, Mr. Blakely was assured that the elderly Briton was just the man who could restore the violin to its true tone. He started to pack and prepare the violin for shipment to Bainbridge. It was after a much closer inspection and attempting to value the instrument with customs officials that he received his first hint of the value of the violin. He shipped it and insured it for $700.

All in good time, the violin was returned to him. Included was a bill for five pounds. Mr Bainbridge had also enclosed instructions on the proper care of the instrument, informing Mr. Blakely that the violin was of considerable value, dating its manufacture back to 1695.

The elderly and skilled restoration expert enclosed a certificate [illegible] that the mail-order violin Mr Blakely had picked up was a genuine Francesco Ruggeri violin made in Cremona Italy. Ruggeri was a master craftsman who had studied along with A. Stradivarious in the famous Nicholas Amati [illegible].

"As soon as I started playing the violin after I had received it back from Mr Bainbridge I was overjoyed," the Mannville farmer stated in an interview. "The tone was balanced. It was beautiful. I don't know what Mr Bainbridge did to the violin, but whatever it was it was wonderful.

I was so pleased that I wrote to him immediately tha[illegible] I enclosed money covering the repair bill, and was so pleased that I also mailed an extra $10 to express my full gratitude," Mr Blakely stated.

"You can imagine my surprise when I received a long and friendly letter from Mr Bainbridge. That letter started a friendship I will never forget. We have written many letters to each other since then and that is about eight months [illegible].

"He (Mr Bainbridge) has enclosed some of his own compositions. He has made efforts to have some of his music published and I offered him financial aid, but he refused my help," said the Mannville farmer.

"So great has become our friendship that only recently I received a violin Mr. Bainbridge has been playing on for years. In his letter to me and offering the violin Mr. Bainbridge writes, "I know you are a much younger man than I am, and I sincerely hope you have many, many years of life to enjoy yet, and I give this violin to you, wholeheartedly knowing you appreciate good violins and good music as I did when I was your age."

Mr. Blakely first started playing the violin when he was a boy. He paid $12 for his first fiddle. Only in the past four or five years has he been interested in more expensive instruments. His next purchase was one for $100 and then another for $[illegible].

He made his first really big purchase when he bought a Testore violin. He has visited shops across Canada to try out various violins.

His greatest thrill was in a large musical instrument shop in Chicago where he tried out a violin valued at $25,000. "I just wanted to try one of those expensive instruments", he said, "I couldn't afford to buy one at that price."

But Mr Blakely claims that one of the violins he tried, valued at more than $5000, was not any better than the Testore he now has.

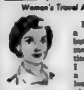
"I will always feel indebted to Mr. Bainbridge," the Mannville farmer said, "and I know I will never forget this friendship, even though I may never meet the gentleman.

"I think that this incident of our friendship, across a great distance, in a mutual kindness that could grow among all men if the simple golden rule of 'do unto others as you would have them do unto you' was practised more throughout the world," stated Mr. Blakely.

—Edmonton Journal.

## Tips on Touring

By Carol Lane
*Women's Travel Authority*



It only costs a few cents, but it's helped me out many-a time. That's why I always carry a roll of cellulose tape in the glove compartment of my car as well as in my overnight bag. Here's how you can use it:

1. Put tape over the lock of your car door to keep it from freezing in sleety weather.

2. Repair torn road maps or make temporary repairs on ripped upholstery in the car.

3. If you're without a needle and thread a piece of cellulose tape will hold up a ripped hem until you get home.

4. To remove lint from your clothes wrap tape around your hand, stick side out, and pat lightly over the surface.

5. Seal cosmetic bottles with tape to prevent leakage.

No matter where you travel, cellulose tape is one thing you should never be without.

## Fall Open Dance At The V.S.A.

The fall open dance and alumni reunion will be held at the Vermilion school of agriculture on Friday Nov. 27. Dancing will be from 9 to 1:30 a.m. to music by Joe Dubuc orchestra.

Besides being the opening fall dance at the school it is also an alumni reunion and makes a very popular gathering of former V.S.A. students.

A very enjoyable time is anticipated. 21-2

Look at the date on your label, it tells when your sub is due!

# Health Unit Notes

UNDULANT FEVER

THE SYMPTOMS—

Undulant Fever in man is a rather indefinite disease with a large variety of symptoms which make it difficult to distinguish from other diseases such as influenza, malaria and tuberculosis. It behaves also in a great variety of ways. It may make itself known by an acute attack with high fever, severe pains in the back of the head and extreme weakness or it may approach gradually from a lengthy dormant state to a sub-acute stage which later lapses into chronicity. In its commonest form it is a slow disease, lasting for months or years.

In any case, the patient will probably exhibit some or most of the following symptoms:

Fever — which may come in periodic waves or undulations of a day's to several days' duration.

General Weakness — Usually worse in the afternoons and of such an insidious onset over a period of time that like the tiredness characteristic of tuberculosis it may go unrecognized.

Rheumatic symptoms — with pains in the muscles and joints.

Nervous Symptoms — with uneasiness, depression and irritability.

The Incidence — Undulant fever is found all over the world and it attacks all ages and classes but for some unknown reason it is commonest in men between 20 and 50 years of age. We believe that it is more frequent than is usually recognized due to its chronicity and the difficulty in diagnosis, many cases probably [illegible].

The Source — Nearly all human cases result from the drinking of raw milk though the disease can be contacted from the handling of infected animals or the meat from infected carcasses. Cattle, hogs adn goats are the animals most commonly infected, though others may also carry the disease. There are three strains of the germ which cause Undulant Fever and while each strain [illegible] chiefly in its own type of animal they are inter-transmitted and man is susceptible to all three.

In cattle the disease is called Bang's Disease or Infectious Abortion. Its germs localize in the udder which remains as a source of infection as long as the infected cow lives [illegible]

[illegible]

THE PREVENTION

Because treatment is inadequate [illegible] made to do this it is an expensive means of protection. A more acceptable method is immunization of herds, but this will take a number of years to complete.

Consequently, we are inevitably faced with the immediate problem of protecting the public against the dangers of raw milk. The answer, needless to say, as for other diseases spread by milk, is pasteurization. Without spoiling the nutritional value of milk, the pasteurization process destroys all germs which cause disease — including those of Undulant Fever. Where commercially pasteurized milk is not available, the process can be accomplished in any home by raising the temperature of the raw milk to 155F and then immediately cooling it to below 50F.

Thursday, Dec. 3 — Clandonald school 2 to 4 p.m.

Friday Dec. 4 — Dewberry school 2:30 to 3:30 p.m.

## The World of Wheat

By H. G. L. STRANGE
*Director "The Crop Testing Plan"*

SOME FACTS ON THE WHEAT SITUATION

An unusual interest is being taken by many in the present wheat situation. Here are a few facts. On July 31 last Canada had a 'carry-over' of wheat of 362 million bushels — equal to one whole year's exports and with a new crop of some 570 million bushels being harvested.

The U.S. had a 'carry-over' of 550 million bushels with a new wheat crop of over 1 billion bushels being harvested. The 'carry-over' in the hands of the four chief exporters, Canada, the U.S., Australia and the Argentine on July 31, 1952 was 503 million bushels. On July 31, 1953, it was 1,081 million and it is estimated this same 'carry-over' on July 31, 1954, will be 1,[illegible] million bushels.

Information reveals that the demand for wheat will be somewhat less this year than in previous years owing to the better crops in Europe and that some of the other countries are offering wheat for export, Sweden, Turkey, Russia, the Balkan States and France.

[illegible] mainly in [illegible] will certainly [illegible]

Einar Holboell, a Danish postal clerk, first thought of the sale of Christmas Seals [illegible] kindliness of [illegible] in a way [illegible] these in dis[illegible] from their first [illegible] Christmas Seal sales the Danes started hospitals for tubercular children.

## Paradise Valley

Mrs. L. N. Thomas who has been a patient in the Lloydminster hospital for some time, returned home on Friday.

We extend our sincere sympathy to Mrs. Stanton Murray on the death of her mother Mrs. George Miles who passed away in Edmonton recently.

Mr. and Mrs. Arthur Clarke were recent visitors to Edmonton where Mr Clarke attended the convention of municipalities held in that city during the week.

Mr. and Mrs. Dobson left for Calgary on Sunday where Mr. Dobson will attend the annual meeting of the Wheat Pool delegates during the next two weeks.

Mrs. Vince Fenton of Kelowna, B.C., was a recent visitor with her sisters and brothers in Lloydminster and district. She called to say hello to her friends in Paradise Valley on Thursday.

Our local postmaster would like if all persons sending parcels outside of Canada call at the office and get their customs declaration forms and have them on the parcel when mailing. This saves time and will help to get better service. Remember the old advice—mail early and often and help your postmaster to give better service. Overseas parcels should be mailed now if you want them to get there before Christmas.

Sorry to hear that Henry Thibebeau is still a patient in the Lloydminster hospital where he has been for some time.

Mr Frank Ball spent his fall vacation in Edmonton with his sister and brohter-in-law Mr. and Mrs. John D Gaunt. Mrs. Ball Sr is living with the Gaunts for the winter.

The weather during the past week has been wonderful for this time of year and we can congratulate ourselves on not getting weather like the Western States have. The roads have frozen up pretty rutty but might be worse.

Mrs. W. A. Gunn spent the week [illegible] returning home on Saturday. Miss Shirley Gunn also spent the week end in Edmonton the guest of Mr. and Mrs. Herb Foxwell.

Considerable building has been going on during the past few weeks. Mr. W. H. McAmmond has added to his house and Mr. and Mrs. Lloyd Fulgham have moved a house into town and is adding to that.

Mr. and Mrs. Vincent Phillippe who have been living in the Adams building have moved back to the farm for the winter.

Canadian railway rates are comparable with those of any other country in the world despite the fact that there are so few people to support the vast systems.

Stamp out tuberculosis. Xmas Seal your Christmas mail.

## News Notes From Your District Home Economist

**Sewing Machine Embroidery**

A very simple, effective way to do embroidering by machine. Wind heavy thread such as embroidery or No. 5 pearl cotton on the bobbin of your machine. Loosen the tension until thread comes through easily. Use a medium stitch length around 10.

Use ordinary sewing thread on the top of the machine — the same color as or contrasting to the heavier thread.

Use a simple design — mostly straight lines, or large curves. Most embroidery transfers are not suitable because their designs are too intricate. Work on the wrong side of the material. When you've finished sewing, the heavy thread shows on the right side. Initials can be done this way but be sure they are turned backwards before sewing.

Here is the address from which you may be able to obtain patterns:

Form Journal,
Philadelphia, Pa., U.S.A.

DID YOU KNOW?

That people have asked whether detergents have the same bacteria-destroying power as soaps?

That soap, on prolonged contact with bacteria does have some bacteria-destroying power?

That the main factor in rendering a fabric satisfactorily free from bacteria by washing, is not killing bacteria, but loosening them and suspending them in the washing solution and rinse waters. They can then be eliminated when the water is removed from the fabric.

That repeated washing and rinsing thus means greater removal of the bacteria?

That in the case of white cottons where hot water and bleach can be used, these help to reduce the number of bacteria to a very low figure per unit area of fabric?

That there should be, because of the above explanation, little difference between soap and detergents with respect to the loosening and suspending of bacteria in a fabric.

Since we found the Kitchen Quickies outlined by one of Alberta's District Home Economists very helpful we asked for more hints for saving time and labor in the home. We hope you find them helpful also:

Keeping a spoon in each canister and a shovel or cup in the sugar and flour bins does save time. It eliminates looking for a spoon or cup at the crucial moment. Plastic cups and spoons are available in attractive colors.

Cutting triangular biscuits is much quicker than cutting the conventional round ones separately. For the cookie jar, squares, bars and slices are easier and quicker than rolled or drop cookies.

Fresh damp stains are easier to remove than old dry ones. They may be set by hot water and pressing: Ink, if it is still moist try an absorbent such as corn meal or talcum powder. This is especially good for rugs. Coffee, on washable materials—wash in cold water first to remove the cream stain, then stretch over a bowl and pour boiling water through from a height.

Rubber rings sewn to corners of rugs will hold them down. A coarse stiff netting is available in rug departments which will keep scatter rugs firm and prevent skidding.

Correct working heights are important. If you are stooping over the dishpan 3 times a day, it might be less tiring to raise the dish pan by placing a rack under it.

## Kitscoty News

Mr. Tom Alton was a week end visitor to Lamont recently where he attended the funeral of his uncle.

Mrs. J. A. Blair and her sister Miss A. Dalgleish have now taken up residence here. A welcome is extended to them and we hope they will enjoy living in town.

Mr. and Mrs. Reg Kay and family have moved to Bert McCourt's house which they have purchased.

The evening group, and the Sr. W.A. group of St. John's Anglican church are holding their annual bazaar and tea, also bake sale, on Friday, Nov. 27 in the Tracy Memorial hall. A cordial invitation is extended to all to attend.

Mr. Alex Potter is at present a patient in the Islay hospital having a check-up and treatment.

## PLANS ARE NOW COMPLETED FOR ANNUAL FAIR MEETING

The Vermilion Agricultural Society has now completed plans for holding its annual dinner and general meeting. The event will take place at St. Saviour's hall on Friday evening, Dec. 11 at 6:30 sharp. The Happy Hour Group of the St. Saviour's W.A. will serve one of its famous dinners with the festive turkey occupying an important place.

Mr. R. H. Painter of Lethbridge is to be the special speaker and those who recall the fine address of Grant MacEwan a year ago may well imagine that there will be a treat in store for all who hear Mr. Painter. His subject will not be at all technical and his addresses are replete with laughs.

The Society has invited as guests the young people who represented the Vermilion district at the Royal Winter fair, in the persons of Miss Scarfe and Mr. Gow, while Bruce MacDonald, winner of the national T. Eaton Co. scholarship will also be a guest. Prominent among those attending will be the group of younger farmers, and their wives, who are engaged in the Farm and and Home Improvement contest sponsored by the Society.

The business of the annual meeting will be kept as brief as possible and a very pleasant evening is assured for all who attend.

As it is necessary to give the caterers the number who will be served it is hoped that reservations may be made as soon as possible after this issue of the *Standard*.

Dinner tickets are available at $1.25 each and ladies as well as men are cordially invited. Reservations may be made by phoning No. 206 or by calling at the office of S. C. Heckbert, Secretary Manager of the Society.

## W. J. Casterton Dies at Elk Point

One of the most widely known farmers in this section of Alberta, Williard J. Casterton, died at the Elk Point hospital on Monday Nov. 30 at the age of 79 years. The deceased came to Vermilion in the early 1920's and operated extensive farm holdings in what is now known as the St. Andrews district some 16 miles north of Vermilion. He was a proficient auctioneer and his services were in demand over a wide area. He served as school trustee in the old Pelican Lake district and was a member of the first council of the enlarged municipality of the Vermilion River.

A few years ago he retired from active farming and, not enjoying the best of health, moved to Elk Point to be near his doctor.

He leaves to mourn his loss one son Norman of Spring Grove, Minnesota, one daughter Mrs. W. H. Clarkson in Edmonton, and one sister Mrs. Emery Rice of Harmony, Minnesota.

Funeral services are being held this Thursday, Dec. 3 at 10:30 a.m. in St. Andrews church with interment in the church cemetery. The Rev. Father Champagne will officiate.

Moyers are in charge of funeral arrangements.

## BILL BARR FLIES TO NEW ZEALAND

Bill Barr, widely known farmer, curler and all-round good citizen, left on Monday from Edmonton by air on the first step of a trip to New Zealand where he will visit cousins near Auckland for the next three months. Bill's journey was by air from Edmonton to Los Angeles where he spent a few days visiting brother Sam Barr. On Sunday Dec. 6 he boards the plane at San Francisco for the ride that will take him half way round the world. He touches at Honolulu and the Fiji Islands en route and then lands at Auckland. The return journey late next March will be more direct, from New Zealand to Honolulu to Vancouver.

All details, arrangements and reservations for the long flight were made right here in Vermilion by Reg Mitchell of Mitchell Agencies, T.C.A. representatives, with flight connections to all parts of the world.

## The Gideons Present Testaments in Schools

Carrying out their program to present a copy of the New Testament with Psalms and Proverbs to every pupil passing through Grade 5 in the public school of Canada, local Gideons have begun the work of distribution in the Vermilion School Division.

On Wednesday Nov. 28 Gideons O. Gunderson, R. Watkins and E. Clendenning met with the pupils of Grade 5 in the Vermilion public school and each pupil received a copy of the little red book. In the afternoon the men travelled to Islay, Dewberry and Marwayne where testaments were also presented. At Marwayne they were assisted by two local members R. A. and Albin Swanson.

Appreciation is expressed for the cordial reception experienced in each school and for the attention and courtesy of the pupils.

## Nurses' Assoc. Hold Successful Dance

Vermilion Chapter of Alberta Association of Registered Nurses held a successful dance in the Elks hall on Tuesday evening Nov. 24. The proceeds from the dance are to be used to send a delegate to the Canadian Nurses' convention to be held in Banff next June. Anyone who bought tickets or helped in any way are sincerely thanked by the Nurses' Association.

NURSES NEEDED

Any nurse who is not a member of the Nurses' Assoc who is able to do some special nursing at short notice, please leave name and address with any of the local doctors or members of the Nurses' Assoc.

## Mannville Musician Wins Award

MANNVILLE. Robin Stuart's many friends will be pleased to hear that he received the National Music store award at the Western Board Musical recital held Nov. 20 for the highest marks in the province on a Harmony paper written in February.

In 1951 Robin was awarded the I.O.D.E. bursary for $300. At that time he tied with the winner of the gold medal for high marks in the grade ten music exams.

## Mr. and Mrs. J. Machon Honored at Dewberry

DEWBERRY. More than 80 guests signed the guest book at an at-home tea held recently at the home of Mr and Mrs J Machon, Dewberry. The event being honored was the silver wedding anniversary of Mr and Mrs. Machon. Their daughter, Mrs. Jeanette Wright of Calgary, acted as hostess for the occasion.

Mr and Mrs. Machon are old time residents of Dewberry. Mr Machon having started the first general merchandise store in the town shortly before the railroad was brought through the district.

The couple received many gifts from friends in the Dewberry, Greenlawn and Riverton districts, and from their family.

Out of town guests included Mr. and Mrs Gordon McIntosh of Vegreville, Mr and Mrs. Glen McIntosh of Lloydminster, and George Machon of Edmonton.

## Former Islay Man Gets Perfect Crib Hand

His first perfect hand in 60 years of cribbage playing was reported Tuesday by Jack W Bristow 7203 104 St. Playing with George Schurman at the week end, Mr. Bristow was dealt the five of clubs, spades and hearts and the jack of diamonds, when the five of diamonds was cut from the deck.

Edmonton Journal.

## TB Assoc. Supply New Chest X-ray Machine

—STAFF MEMBERS of the Vermilion Municipal hospital inspect the new miniature chest X-ray machine supplied recently by the Alberta Tuberculosis Association from Christmas Seal funds. Dr. C. W. Stephens and chairman B. A. Macnab examine procedures outlined by E. R. Baxter, X-ray director for the association while Miss A. Keith, R.N., Miss M. Perri, R.N., and L. Marian look on. This equipment will be used to give a low cost chest X-ray to all admissions thus enlarging the case finding program in the Vermilion area. The cost of the new unit was $3,190.
—Photo by Vermilion Photocraft

## Home & School Assoc. Re-organizes

A meeting of the executive of the Vermilion Home and School Association was held Wednesday, Dec. 2 to plan activities for this present year.

The officers of the Association were elected as follows:

President Mr. E. Clendenning
Vice-Pres.- Mr Hugh Stewart

The position of secretary is to be filled later.

Committees: Program, Mrs. Kibblewhite; Finance, Mr. D. Folk; Social, Mrs. M. Norton; Membership, Mrs. Crawford.

Rural member on the executive is Mr. Norman Armstrong.

The next general meeting of the Association is planned for Tuesday Jan. 26 at 8 p.m. in the new Junior high school. New members of the teaching staff will be introduced to the parents and a film 'He Acts His Age' will be shown followed by discussion. It will be the parents of Grade VI pupils' turn to provide the lunch following the meeting.

All parents of school children are urged to attend, membership fees of 50c per person for the year entitles any parent to full privileges of membership and to a subscription to the periodical provided by the Federation of Home and School Associations of Canada.

## Annual Meetings In School Subdivisions

Annual meetings in subdivisions of the Vermilion school division will be held as follows.

No. 6. Jr. high school, Vermilion, Friday, Dec. 4, 8 p.m.

No. 4, at New Woodvale school, Saturday Dec. 5 at 2 p.m.

Mr John M Harvey arrived from Winnipeg Tuesday morning and is a guest of Dr and Mrs D P Hanlan. Mr. Harvey is installing X ray equipment for Dr Hanlan.

## 12 New Stagettes -- Interesting Plans

Tuesday meeting was an important one for Stagettes as it included the candlelight service of initiation in which 12 girls took the solemn pledge of the club, thus becoming full-fledged members entitled to voting privileges etc. Meetings will pop from now on.

HOLLY FROLIC

Time to think of our Holly Frolic, the second big dance of the year. As is our custom we are holding it on Boxing Day Dec. 26 and as it falls on a Saturday we have the Elks to thank for giving up their Saturday night dance for us. To [illegible] money's worth this time you've got to snap a shirt tail and get there early as dancing time will be from 8 to 12 instead of 10 to 2. Same amount of dancing (figure it out) so let's have a time. Buy your tickets early and come to the dance early. Don't forget that's the night of the raffle for the doll.

XMAS PARTY

Honorary member Anne Baldock has invited the club to her home for the Xmas party, so on the 15th there'll be merry making from 8 o'clock till Anne winds the clock and puts us out. An invitation goes out to all honorary members who would like to attend [illegible] It's a nice time to visit all the older members and get acquainted with the new ones. (We've got some [illegible]. There will be a brief meeting before the fun parade.

LIBRARY DONATION

We were pleased to hear from Vivian that the funds left in the kitty after the [illegible] celebration some $172 [illegible] has been forwarded to the [illegible] for the purchase of [illegible] a real [illegible] through [illegible]

[illegible]

and [illegible]

## Carman Leads At V. H. S.

To Play in the Wainwright Tourney

The basketball league, very successful last year, has proved very interesting so far this term. Although the point race is not as close competition is still keen. Six games are played each week, each team playing twice. Points for boys and girls teams are totalled for the standing of the houses. It looks as if Carman has two good teams, as Joan Maxwell and Stewart Cooper have led them to the top of the league.

The standings up to date are as follows:

| House | P | W | L | T | Pts |
|---|---|---|---|---|---|
| Carman | 21 | 17 | 4 | 0 | 34 |
| Laurier | 20 | 7 | 12 | 0 | 14 |
| Service | 21 | 8 | 13 | 0 | 16 |

After Xmas, curling and hockey will take the place of basketball, except for the 'A' teams who still have practices and outside games.

Saturday Dec 5, the V.H.S. basketball teams and cheer leaders will travel to Wainwright to defend the trophies won at the tournament here, Nov. 14. The Wainwright tournament will give the other teams a second chance but although we may have to work hard, we feel we should be able to bring the trophies back with us.

Results of the tournament will appear next week.

Most of us when we think of Christmas, think of holidays. But before those holidays roll around, guess what? That's right exams. They are scheduled to start next week, so don't be shocked if you see some students carrying books home and even studying now and then.

## Kitscoty High School

On Wednesday Nov. 25 a guidance clinic from the Dept. of Public Health visited the high school. The clinic, which gives guidance to young people, was visited by children from different parts of the Vermilion school division.

Don't forget play night in Kitscoty. On Friday Dec 11 [illegible] plays will be presented in the [illegible] hall by the high school Dramatic class. The time is 8:15. Everyone is cordially invited.

Work has begun on flooding the skating rink and hockey will soon be in full swing. Many of the students are anticipating another busy curling season during the coming winter.

## Hockey Getting Well Organized

Plans are now coming along very well for the current hockey season, which should prove to be one of the best for Vermilion fans. Many of last year's players will again be in action with the Tigers, and several new players have been added to the roster, some of whom have had wide hockey experience with other clubs.

Plans are being made now for a Turkey Bingo which will be held on Wednesday Dec. 16. Funds raised in this way will help finance the club for the coming year. Please watch for details in the next issue of the Standard then come and win yourself a fine Xmas turkey.

Below are the dates for the first five games for the coming winter, the remainder of the schedule will appear next week.

Wednesday Dec 9 Vegreville at Wainwright, Viking at Vermilion.

Saturday Dec 12 Vermilion at Viking, Wainwright at Veg.

Wednesday Dec 16 Vermilion at Vegreville; Viking at Wainwright.

Saturday Dec 19 Wainwright at Vermilion; Vegreville at Viking.

Wednesday, Dec. 23 Wainwright at Viking; Vermilion at Vegreville.

Referees are Messrs Hughes and Hanby.

## Brush Clearing Along Shores of Park Lake

Clearing of brush for a distance of 25 feet up from the water's edge is now underway in the Vermilion Provincial Park. The work has been authorized by the Parks Dept and is being carried out under the supervision of the local committee. The brush is being piled and burnt as it is cut. The idea is to make more picnic spots close to the water.

Students of the V.S.A. are busy making picnic tables and benches as shop projects this winter. These will be used in the park next summer, and the co-operation of the V.S.A. teachers and students is very much appreciated.

## United Church Club Hold Supper Meeting

The United Church Men's club of Vermilion met for their regular meeting in the hall of the church on Wednesday Nov. 28. The supper preceding the meeting was catered to by Dr C. Stephens (the Genius) and Fred Maddex.

A memorial service was conducted by Rev. MacKay, in memory of Mr E. Long who recently passed away.

It was agreed that the club play host to the Presbyterial Visitation and the Church board on Dec 9 and also to the Tyro Boys club and parents on Jan 13.

A very interesting film was presented dealing with the Christian Leadership Training school of the United Church at Naramata B.C. A [illegible] the purpose of [illegible] the platform brought the evening to a close. Appreciation is expressed to the men for their willing cooperation in this respect.

## Sudden Death of Mrs. Victor A. Pauls

Many friends here were shocked on Tuesday when word was received of the sudden death of Mrs. Victor A. Pauls (nee Ethelyn Keys) at her home in Calgary. Mrs. Pauls was apparently in good health when her husband left for work and the two sons, Jerry and Jim for school in the morning. On their return at noon the boys found their mother's lifeless body collapsed on the floor. Death was due to a severe heart seizure. She was about 46 years of age.

Mrs. Paul's mother, Mrs. Keys resides in Vermilion and a brother Clarence in Edmonton. Both went to Calgary leaving from here on Tuesday evening.

## Derwent Votes For Water and Sewer

DERWENT — At the recent plebiscite in the Village of Derwent over 87 per cent of the proprietary electors voting favored both the water works and sewer by-laws referred to them.

Since these by-laws have been already approved by the Board of Public Utility Commissioners and an adequate water supply has been proven, it is anticipated that the village will take immediate steps to secure the necessary funds and active construction will commence next spring.

## Annual Meeting Red Cross December 8th

The annual meeting of the local branch of the Canadian Red Cross Society will be held in the office of the District Agriculturist on Tuesday, Dec. 8 at 8 p.m.

Owing to the fact that it is becoming increasingly difficult to carry on this branch, it will be appreciated if interested persons plan to attend in order that the business of the branch may be properly conducted.

## Death of Martin Peter Larsen

There passed away on November 29 another well known old timer and homesteader, Martin Peter Larsen whose sudden death occurred at the age of 63 years.

He homesteaded south of Vermilion in the early days but is probably better known in the north as he helped farm the extensive Arthur Lord holdings at Campbell Lake for many years. On retiring from active farming he and Mrs. Larsen moved in to Vermilion where they have a comfortable home in the east end of town. He is survived by his loving wife and two sisters in the U.S.A.

Funeral services were held on Wednesday Dec. 2 at 2 o'clock at the Alliance chapel with interment following in the Vermilion cemetery. The Rev. T. McNair officiated.

Moyers were in charge of funeral arrangements.

## Stories Crowded Out

The Standard reporter waxed too loquacious and several stories were crowded out this week including the curling club meeting, Board of Trade Farmers' banquet, Canadian Club address, School division minutes and several shorter items, also left out this week due to being held up in the mails are the Standard's weekly comic features.

## "GREEN ACRES"

MORTGAGE LIFTERS

A [illegible] of farmers have good pig [illegible] There is no quota [illegible] few gilts [illegible] have them bred [illegible] By this time [illegible] will have a batch [illegible]

REDUCING CROP ACREAGE

I [illegible] that there will [illegible] surpluses. At least [illegible] but we should always [illegible]

[illegible] CHAMPIONSHIPS

[illegible] grain [illegible] All it needs is [illegible] farmers or 4H club members [illegible] the time on some [illegible] and we will have this [illegible] in the headlines. Think it [illegible] fellows for next year.

GROWING FLAX PROFITABLE

Farmers know that flax does not fight weeds in the same way as grain crops. Flax can be sprayed to kill or at least set back weed growth. We ought to grow more flax to get around some of the wheat. The big problem of course is to find an elevator which will take in a small amount of flax so it means a considerable quantity to interest an elevator agent. Several farmers can plan on seeding enough acres to make up a car load.

CARBON MONOXIDE

Two young people at Camrose lost their lives in November from carbon monoxide gas. It is wise to treat this 'silent killer' with respect. Never run a car, tractor, or gas engine in a building without leaving the doors open. There is never danger in keeping the windows of a car tightly closed, especially if the car is standing still.

SHIPPING FEVER AGAIN

Last week I mentioned about vaccinating for shipping fever. Today I heard of two farmers who lost cattle. The vaccine is cheap and you can do the job yourself. It is good business and good insurance to vaccinate for shipping fever. Don't forget that all young cattle ought to be vaccinated for blackleg also.

## Bingo At Clandonald

The Clandonald Curling club is holding a 20-game bingo in the Columbus hall on Wednesday Dec 16 commencing at 9 p.m. There are $200 in prizes for the event and admission is $2 for the 20 games.

## We're All Capitalists

Silk hats, gloves, vests, portly physiques —that's how some people like to dress up their pictures of capitalists.

But what do the capitalists really look like? And who are they, says The Financial Post.

They are the bricklayers, the toolmakers, the little merchants, the men down the street. They are the millions of Canadians who sell their services and put their savings to work. They are just about all of us.

They certainly are not just a select few in the higher income brackets. High taxes and the rapid growth of the middle income group now mean that the bulk of the expansion must come from the "middle income men."

## Keep This Symbol

More than Canadians will regret it if the musical ride troop of the Mounties is abandoned, says The Financial Post.

This is one of the very best advertisements for Canada. At the Coronation parade in London, at New York's Madison Square Gardens and at our own Royal Winter Fair and other exhibitions these RCMP have brought Canada favorable attention that could not be purchased for millions and millions of dollars.

The musical ride is a spectacle and an excellent one. Moreover, it is a spectacle that means Canada to millions of people. We have all too few national symbols in Canada now, not even a flag that we can agree on. We will be poorer still if we let the musical ride disappear.

## Bruce McDonald Honored at Chailey

MANNVILLE — Chailey community held a card party and dance on Tuesday, Nov. 24 in honor of Bruce McDonald who has done much to bring honor to Chailey and Mannville. There were over 80 present and on behalf of those there Mr. W. R. Jackson presented Bruce with a Flite bag. Mr. W. R. Cornish also spoke a few words of praise for Bruce. In replying, Bruce mentioned the encouragement he had always received from his parents and those in the district. He mentioned particularly Walter Jackson and Mr. Cornish who started him in club work. And no matter where he went he wouldn't forget he was one of Chailey's sons. After a delicious lunch served by the ladies of the community dancing resumed until the small hours.

## This Week's Curios

John Arnold who farms some 14 miles north-east of town brought in a piece of perfectly petrified wood, the heart of the tree, grain in the wood and the bark was all perfectly visible. The odd thing about it was that it was picked up on dry land, doubtless at some time a lake bottom.

The second oddity is a bunch of pussy willows picked by Sid Guerney in the Buffalo coulee. There were plenty of them there and in addition the south hill was covered by crocuses in full bloom. At the time of writing on Wednesday the blooming spring flowers will feel out of place as the snow flakes are floating earthward in ever increasing numbers.

**YOUR SAVINGS AND CREDIT UNION**

You can have your pie and eat it. You can, if you are a member of the Vermilion Savings and Credit Union.

Did you know that savings invested with the Vermilion Credit Union are insured?

Thus, if the man who has $1000 to his credit was to die, his wife would be credited with $2000.

If that man had a loan of $1000 that debt would be wiped out. Thus the widow would have received $3000 for the $1000 investment.

Our Credit Union regularly charges ⅔ of 1% per month on ordinary loans and ½ of 1% per month on loans having bankable security for backing.

At the end of the year the surplus earnings are turned back to the shareholders.

Since Credit Unions are Co-operatives dealing only with members, no income taxes are paid and since officers give of their time freely, the operating costs are very low.

Make application today to join your Credit Union. The office is at the home of the secretary H. P. Long. 23-4c

## W. I. Activities for November

**PRINCESS ANNE**

Princess Anne W.I. is sponsoring First Aid classes in conjunction with Civil Defense. Near the end of October Miss Holms gave a very interesting talk on Gift Ideas. The members of Thorncliffe W.I. were visitors at this meeting. This branch is planning to use the teacherage as a club room and also as a centre for social events. Mrs. Geo. Dollman read a very interesting paper on Madam Pandit Nehru. Donations were given to the A.C.W.W. and also to a Fund for India.

**THORNCLIFFE**

Miss Holms visited this branch early in November and gave an interesting demonstration on serving. Several visitors from the Princess Anne W.I. were present. A donation was given to the Arthritis and Rheumatic Society. The sick were remembered. The secretary reported the quilt raffle a success financially.

**SALTEAUX**

Salteaux is supporting the clothing drive for Korea. Each member is asked to bring a visitor to the Xmas meeting.

**WILDMERE**

Wildmere gave a donation to the C.N.I.B. in memory of Mrs. Morton. This branch plans to hold a dance and bazaar early in December. They have supported Dr. Hitchmanova's appeal for help in India. Some members have interesting correspondence with W. I. members in England and Scotland.

**CLAYSMORE**

Claysmore held a very successful bazaar and tea in November. They remembered the sick and made plans for a Xmas party.

**VERMILION**

Vermilion supported Dr. Hitchmanova's appeal for help in India. They remembered the sick by visiting them. Mrs. L. McFadden, the guest speaker, gave a very interesting paper on the 'Origin of Cancer'.

**RAMSAY**

Ramsay supported financially the Unitarian Service committee and the Mannville Library Association. Mrs. Thos. Henderson led a panel discussion on the United Agencies.

**KITSCOTY**

Kitscoty gave a donation to the A.W.I. They are planning to hold a bazaar early in the new year. The sick were remembered.

**CREIGHTON**

Creighton supported the 'Barley for Korea Fund' and Dr. Hitchmanova's appeal for help for India. In memory of Mrs. Morton, an account of her life was read mentioning particularly all her W. I. work.

## United Church Sunday School Christmas Tree Program Dec. 17-18

In order to conveniently accommodate the many friends and relations of the United Church Sunday school children, it has been arranged to put the entire program on for two consecutive nights commencing at 7:30 p.m. Free tickets will be available for both evenings. 23c

## News from Islay

I wish — I wish — says Ralph Anderson, I wish I had a wishing well so that it would tell me to whom I loaned the belt off my sewing machine. Someone got it, and I'd like to have it back as I'd like to do some sewing.

Bill Axley motored to Calgary over the week end to bring his mother home.

Ed McFadyen, Frank Bowman and son Harvey left recently on a big game hunt.

Harold McClelland accidentally steered his car into a ditch last week and Alex McFadyen went with his truck to haul the car to town. Some minor repairs were needed.

**CELEBRATES BIRTHDAY**

On Saturday Nov. 28 Mr. Albert Anderson celebrated his 80th birthday. The Bill Young's and the Milt Christopherson family came to dinner. On Sunday after the afternoon church service the congregation called at his home and in the evening some more friends called and all enjoyed a visit and a very delicious lunch and birthday cake. No wonder the lights at Anderson's were burning so late at night for a week. We think Bessie was doing the baking — certainly was good!

The whist party last Friday night was a 'hang up' success. A goodly number of parents and friends were out though a great many were missing. The cards were much enjoyed and were played without loss of time. The Home and School Association think they will do this again, in the not too distant future.

We recently learned that Mr. and Mrs. Don McInnes have been down to Manitoba, hence the reason for their disappearance.

Noticed Charlie Robertson driving a new Ford, a real dark green just like Bill Muir's.

Mrs. Lila Oram has gone to Winnipeg to visit her mother and others of her family. Son Bill has joined the air force and was transferred to Quebec for training.

The Big Question? When will the electricity be turned on for the farmers around Islay? All are anxiously hoping it will be before Christmas.

The W.A. meeting will be held at Bessie Anderson's on Dec. 10.

TURKEY SHOOT sponsored by the Vermilion Air Cadets in the armouries on Saturday Dec. 12 commencing at 1 p.m. WIN your Christmas turkey! 23-2c

Stamp out tuberculosis. Xmas Seal your Christmas mail.

## Wedding Bells

**OSINCHUK—SIKORA**

The rectory of the Ukrainian Catholic Holy Ghost church at Derwent on Nov. 10 was the scene of a pretty wedding when Miss Emma Theresa Sikora, daughter of Mr. and Mrs. Alex Sikora, Dewberry, became the bride of Mr. Horace Osinchuk, son of Mr. and Mrs. William Osinchuk, of Landonville. Rev. Father Cherkowsky officiated at the ceremony. The bride, given in marriage by her father, wore a gown of Chantilly lace and nylon net over white satin. The fitted bodice was styled with keyhole neckline and lily point sleeves. The full skirt of nylon net and lace ruffles over satin, featured long side aprons of Chantilly lace. Her fingertip veil of illusion net with rose satin corners was gathered to a tiny nylon cap. She carried a bouquet of white roses. Jewelry consisted of a rhinestone necklace, earrings and bracelet, gifts of the groom. The maid of honor, Miss Esta Curtis and the bridesmaid, Miss Elsie Marcinew, wore matching strapless ballerina-length frocks of blue nylon net and lace over taffeta with lace boleros and nylon head dresses. Both carried bouquets of blue and yellow carnations. Pearl necklaces with matching earrings were gifts of the bride.

Groomsmen were brother of the groom, Mr. William Osinchuk and Mr. Floyde Quickstad.

For her daughter's wedding Mrs. Sikora chose a grey nylon crepe afternoon dress with navy accessories and a rose corsage.

A reception for sixty guests was held at the home of the bride's parents. The bride's table was centered with a three-tiered wedding cake flanked by bouquets of pink, blue and white carnations.

Mr. Harry Palinka proposed the toast to the bride, to which the groom ably responded.

Miss Betty Curtis was in charge of the gifts.

On the same evening Mr. and Mrs. Osinchuk and their parents were hosts at a wedding dance in the Greenlawn hall.

For a honeymoon trip to Calgary and Montana the bride wore a blue wool tailored suit, matching the groom's, with navy and red accessories and a rose corsage.

Mr. and Mrs. Osinchuk will make their home in the Landonville district.

Among those present at the wedding were Mr. and Mrs. Beryl Swanson and daughters Elloise, Carolyn and Alpha-Jean of Holden; Mrs. Clarence Long of Calgary, Mr. and Mrs. Ernest Wood and daughters Barbara and Coleen of Lloydminster.

## OBITUARY

**GEORGE EDGAR LONG**

There passed away early on Wednesday Nov. 25, a well known citizen in the person of George Edgar Long in his 76th year. 'Eddie' as he was familiarly known to a host of friends and acquaintances.

Mr. Long was born in Orono, Ontario., coming west to Calgary in the late 90's, leaving there at the turn of the century and spending some time living in the southern United States, returning to Canada and coming to Vermilion in 1907. He homesteaded north of town. Mr. Long served several terms on the local Board of Education as a trustee and at the time of his demise was a member of the Board of Elders of the First United church. In his younger years he was an active supporter of healthy outdoor sports and was actively identified wiht curling for a number of years.

Funeral service was conducted by Rev. Mr. C. W. MacKay pastor of the church on Friday Nov. 27. The organist was Mr. W. B. Elford. Interment was in the Vermilion cemetery.

Left to mourn his death are his sorrowing widow, one son Maurice and one daughter Mrs. Bob Harle, two grandchildren and 3 brothers, Will in California, Fred in Vancouver and Percy in Vermilion, and one sister Miss N. E. L. Long of Vermilion.

Pall bearers were Messrs. John Brimacombe, W. L. Robinson, Ed Corley, Gordon Dunsmore, Gerald Stephens and S. C. Heckbert.

Moyers Funeral Home had charge of arrangements.

Beautiful floral tributes were received from:

Loving wife and Maurice; Marg and Bob. Sister Nell; Percy and Ethel, Lois and John; Fred and Stella and family. The Long Family in California; Muriel and Carman and family; Agnes and Andy; Mr. and Mrs. Tom McWilliams and family. Mr. and Mrs. C. P. Leveque and Mr. M. W. Leveque; S. Harle. Management and Staff of Rio and Boston Cafes; Mr. and Mrs. Lyle Robinson and family; Staff of Long's Drug Store. Board of Session United Church; Britannia Rebekah Lodge. Royal Purple Lodge. Beth Witherbe; Hilda and Jimmie English. Dr. and Mrs. Clarke; Mrs. H. N. Stephens, Margaret, Betty and Gerald. Jessie, Gib and Mrs. Stephen. Joe Fore and Wilkie. Mr. and Mrs. Geo. Webb. Mr. and Mrs. Melvin Hill. The Macnab Family. Mr. and Mrs. Burgar. Mrs. Riley, Beryl and George. Mr. and Mrs. Lorne McLean, Ted and Madelon Edey. Mrs. Hawksworth, Claude and Louise Bishop. # Kitscoty News

Mr. and Mrs. Joseph Batty attended the investure of the Order of St. John in the legislature building last week. They had the pleasure of being presented to Lt.-Governor Bowlen and Mrs. Bowlen and later were entertained at tea. About 250 people attended the investure.

Mrs. J. McGladrie of Erskine is visiting at the home of her son Andy and Mrs. McGladrie and family for awhile.

Pleased to say the following folks are home from hospital and feeling much better: Mrs. F. Dzus, Mrs. Stan Gerritts, Miss Magaret Miles and Mr. Tommie Govier.

Mr. and Mrs. Chris Cairns Jr. and family of Edmonton spent the week end here visiting with their parents Mr. and Mrs. C. N. Gray.

Mrs. Ken Jenkins is at present visiting here with her parents Mr. and Mrs. Jack C. Potter and her sister Mrs. Ralph Gray.

The evening group and senior W.A. of St. Johns Anglican church wish to extend their sincere thanks to everyone who helped in any way to make their tea and bazaar a success on Friday, Nov. 27.

# Health Unit Notes

**PROTECTION OF COMMUNITY'S FOOD SUPPLY**

In order to assure the people of Canada that the food they are being sold is of a high standard, the Dominion Government and the Provincial Governments, through various acts and regulations have provided legislation to control the matter.

**ADULTERATION OF FOODS**

Adulteration of food consists of a large number of practices, some of which are fraudulent, some technical, and some of both a fraudulent and technical nature. Some forms of adulteration are injurious to health but for the most part they have an economical rather than a sanitary significance. Foods may be adulterated in a variety of ways by the removal of nutritive substances, by the addition of injurious substances, by the fraudulent substitution of cheaper articles, by misbranding, or by the sale of food that is filthy, decomposed or putrid.

The adulteration of food for human consumption is a matter over which the Government of the Dominion of Canada has made provision for exercising control.

There is at present on the Statutes of the Dominion Government an act respecting food and drugs cited as "The Food and Drugs Act."

For the purposes of this Act, the term 'Food' includes every article used for food or drink by man, and every ingredient intended for mixing with the food or drink of man for any purpose whatsoever.

The Act provides that

"Food shall be deemed to be adulterated within the meaning of the Act.

(a) If any substance has been mixed with it so as to reduce or lower or injuriously affect its quality or strength.

(b) If any inferior or cheaper substance has been substituted wholly or in part for the article.

(c) If any valuable constituent of the article has been wholly or in part abstracted.

(d) If it consists wholly or in part of any diseased or putrid or rotten animal or vegetable substance whether manufactured or not.

(e) If it is obtained from a diseased animal, or from an animal fed upon unwholesome food.

(f) If it contains any added poisonous ingredient, or any ingredient which may render it injurious to the health of the person consuming it, whether added with intent or otherwise.

(g) If its strength or purity falls below the standard, or its constituents are present in quantity not within the limits of variability as provided in the Act and the Regulations made thereunder."

Any inspector appointed under the Act may procure samples for the purpose of submitting the same for analysis to be made by an approved analyst.

It is also interesting to note that the Food and Drugs Act, besides dealing with the question of adulteration, also makes provision for the controlling and labelling of food products and specifies the allowable proportions of various ingredients going to make up such well known products as baking powder, fruit juices, flavoring extracts, etc. The question of adding coloring materials to foods is also controlled under the above Act.

The adulteration of butter and cheese in Alberta is controlled by the Dominion Government 'Dairy Industry Act' while adulteration of milk is controlled by the Provincial Board of Health regulations respecting dairy farms, milk plants, fluid milk and table cream, as well as by the Dominion Food and Drugs Act.

# Wedding Bells

*MULLAN- DAWSON*

In a quiet wedding recently at Ponoka United church, Evelyne Josephine Dawson daughter of Mr. and Mrs. L. S. Dawson of Ponoka exchanged marriage vows with Mr. John Quinton Mullan, son of Mr. and Mrs. E. Mullan, of Clandonald. Rev. W. E. Burgess officiated at the ceremony.

The only attendants were the bride's sister and brother-in-law, Mr. and Mrs. Wm. Wilson. Mr. and Mrs. Mullan will make their home in Edmonton.

# Wildmere F. U. A.

Some time ago, it was brought to our attention that the Hudsons Bay Co. had sold all their farm lands in Alberta to the Province and as we understood that no taxes are being paid on Provincial property we sent a strong protest to head office and asked what could be done. We were since informed that this would be dealt with at the annual convention so don't forget folks to come out and hear what our delegates have to say on Wednesday evening Dec. 16.

Mr. Young has lately been in Ottawa in session with some of the crown ministers and should have a lot of valuable information for us. this is one convention I would like to attend, not so much as a delegate but more as a star reporter, but since that cannot be this year, be sure to attend our next meeting on the third Wednesday of December and hear our delegates.

Fred C. Haines.

# The Weather

Mild weather has prevailed this past week with a high of 37 on Nov. 28 and the low of 4 above Tuesday night.

# Princess Anne W. I.

The regular monthly meeting was held at the home of Mrs. Ralph Reeves with the Vice-President Mrs. West in the chair. There were ten members and one visitor present.

The meeting opened with O Canada followed by the repeating of the Creed.

Roll call was answered with "A Famous Name in the News". Correspondence from Miss Holms re winter topics was read, also a letter from the A.W.I. president with regards to urgent appeals from Dr. Hitschmanova.

A discussion followed and it was decided that we support the 'Diaper Appeal for India'. The treasurer's report was read and adopted. The business regarding card tables cups and gas and container for use in our club room was taken care of.

Citizenship convener Mrs. Geo. Dollman capably handled the topic for the meeting which was on Madam Pandit Nehru.

We were favored with a visit by our constituency convener Mrs. H. Hamilton of Mannville. She gave a very enlightening and interesting talk on the "Growth of the W. I. in Alberta".

This brought the meeting to a close. Following the singing of God Save the Queen the hostesses Mrs. West and Mrs. Parchewsky served a delicious lunch.

The December meeting which will be our annual one and election of officers will be held in the club room on Dec. 7 at 2 p.m. Each member to contribute to the lunch.

The roll call is to be answered with the name of your favorite flower.

# Bowtell Bulletin

Congratulations to Mr. and Mrs. F. Robinson on the birth of a baby [illegible] at the Vermilion hospital on Nov. 28.

Mr. and Mrs. F. Lippert were pleased to have the former's brother and the latter's sister visit them over the week end. While here they enjoyed a [illegible] trip at Muriel Lake. Mr. and Mrs. Lippert live [illegible]. While here they also visited another sister and family, Mr. and Mrs. J. Payne.

We wish to extend our deepest sympathy to the Long family in their recent sorrow. Another of our old timers gone to a well earned rest.

Next Sunday the skating party at Lippert's lake will be held in the afternoon, making it possible for the [illegible] folks to attend.

Mr. and Mrs. H. [illegible] were recent visitors at the home of Mr. and Mrs. Jones. Turkey pickers were busy at the Gew[illegible] one Saturday. Thanks folks for the lovely one you [illegible].

The writer and hubby celebrated their 23rd wedding anniversary on Dec. 1st.

We are pleased to report Mrs. [illegible] Payne is feeling much better and doesn't have to report back to the clinic for six months.

Quite a number in the district are on the sick list with bad colds and flu.

We are pleased to report Mr. McFarland is home again after spending some time in the hospital with pneumonia.

Check that date on your label!

# Mannville Local Items

Visiting with Mr. and Mrs. C. Hamilton for a few days is Mrs. Williams of Lloydminster.

The date of Happy Centre W. I. has been changed. The meeting will be on Tuesday, Dec. 8 at the home of Mrs. Milton Finlay.

Western Water Wells of Calgary have received the contract to drill a well behind the fire hall immediately.

The Board of Trade are holding a luncheon on Wednesday Dec. 9 in the United church hall to honor Bruce McDonald, Ernie Prill and Jack and Bill Bryden. Later the members of the 4-H club are asked to attend a meeting in the school auditorium. This will also be the December meeting of the Mannville and district Home and School who are in charge of the entertainment for the evening.

December 18 is the date chosen for the Sunday school Xmas tree of the Anglican church.

Angus Stuart didn't lose his boots at the Auction market yet but he did say his hat blew off at this week's auction sale. And there was no wind blowing either.

A number of friends gathered at the home of Mrs. Barnes to honor Mr. Jack Dearnally on his 84th birthday taking with them a birthday cake for Mr. Dearnally.

Mr. Nyhouse has returned home after spending ten weeks in Saskatchewan.

Mr. and Mrs. Maurice Mercer and family were week end visitors in Edmonton visiting with relatives there.

Mr. Bob White of the Co-op is a patient in the local hospital.

## Dance At Braes

MANNVILLE. The masquerade dance held by Braes Community club on Friday was very well attended and a good sum was realized for the Xmas fund. Prizes for fancy dress costume were won by Mr. and Mrs. Johnnie McLaughlin, for comic by Mrs. E. McLaughlin, Mr. P. Kreller and Mr. and Mrs. H. Stevenson. On the raffles the turkey was won by Mr. P. Bielech and the lamp by Mr. L. Kreller.

## Pleasant Valley

Well folks, it has been lovely weather for visiting and taking in all the social functions.

A shower was held at Christie Gould's home in honor of Mrs. Beck (nee Mary Dupuit). A very enjoyable afternoon was spent and Mary received some nice useful gifts.

Mrs. Dupuit was home for a few days from hospital. Alex was married at Edmonton two weeks ago. He plans on working there until spring then returning to the farm.

Congratulations to Mrs. Frankie Robinson on the birth of a son, also to Mrs. Hughes on the birth of a son. What a nice Xmas gift, girls. The Moore family were visitors at the Magstads on Sunday. Jennie Block has been spending a week visiting her parents, Mr. and Mrs. Mercier.

Mrs. Belton and Mrs. Potvin spent Thursday visiting the beauty parlor getting their hair all prettied up for Christmas. Let's see Sylvia, was it dyed and cut or cut and curled? I just forget now. Many of us can now sing 'Silver Threads Among the Gold'.

The lights are coming folks. They say now it will be on Tuesday - what Tuesday?

## Higher Bank Interest

An increase in the rate of interest paid on savings deposits by the chartered banks and trust companies will be announced shortly reports The Financial Post.

The increase mentioned by the banks is one half of one per cent, restoring the rate to 2%, the level that prevailed previous to June 1, 1936. Back in 1933 it was 3%.

# Local News of Interest

Mrs. A. I. Martin wishes to announce the engagement of her daughter Margaret Jean Martin, to Mr. John Clifford Ruud, son of Mrs. Margaret Ruud and the late Edward Ruud, both of the Tolland district.

University students who came from the city to spend the week end at their homes in town and to attend the opening fall dance at the V.S.A. included Shirley Sutherland, Betty Bentley, John Stewart, Cecil Kitz, Larry Kehoe and Ken Caron. Accompanying them home also was Alice Brix of McTavish Business college.

Rex Boake of the U. of A. and his grandfather Mr. Boake Sr. motored from Edmonton last Friday and spent the week end here with Mr. and Mrs. Ross Boake.

Mr. and Mrs. A. McGaughey and two children are visiting at the home of Mrs. H. McGaughey.

## Chatsworth Chatter

Social activities are on the increase now that fall work and preparations for winter have been completed. A more wonderful autumn and early winter season could not have been imagined, and it's almost unbelievable that we are so close to Christmas.

A meeting of the F.U.A. local was held at the home of Mr. and Mrs. Joe Farkash, Jr. on Monday Nov. 9 and a good deal of business was carried out including the election of officers for the ensuing term.

On Monday Nov. 20 a meeting was held at the school for the purpose of organizing a Community club to purchase the school building. Officers elected were J. K. Thompson, president; vice-pres.— Arthur Tovell; Sec.-Treas. — Mrs. J. K. Thompson and a number of directors.

Mr. and Mrs. George Honey Jr. were visitors in the writer's home the week end of Nov. 14.

Mr. and Mrs. Arthur Burton were hospitalized recently when they received bruises and shock in the overturning of their truck on the icy roads.

Mrs. Cummings was a visitor to Edmonton and to Wetaskiwin during the Nov. 14-16 week end where she visited relatives.

We extend sincere congratulations and wishes for their future happiness to Mr. and Mrs. Stewart Hillcox (nee Valeria Malek) who were married on Nov. 21.

The November meeting of the Chatsworth Country club was held at the home of Mrs. Patterson on the 19th with 11 members and two visitors, Mrs. Pich and Mrs. McKay present. The draw for the blankets was postponed until the December meeting in view of the fact that there was more demand for tickets. It was decided that the matter of a bazaar and sale of home cooking be also deferred until after Christmas, the suggestion being for a spring sale. Committees were named to prepare a concert to be held at the school on Saturday Dec. 19 these being Program, Mrs. Arthur Tovell, Mrs. H. Good, Evelyn Thompson. Lunch, Mrs. M. Farkash, Mrs. Ben Pich; Supplies (candies, etc.), Mrs. J. Panter, Mrs. Albert Tovell, Mrs. J. K. Thompson. Decorating, Julia and Matt Farkash with power to add to this list.

The good wishes of the club were extended to Mrs. M. Tovell on the occasion of her 34th wedding anniversary. The nickel draw was won by Mrs. Patterson and the social contest by Mrs. M. Tovell and Evelyn Thompson. At the conclusion of the meeting a tasty lunch was served by the hostess assisted by the lunch committee of May Panter, Myrtle Thompson and Evelyn Thompson.

Ladies, please take note that the December meeting is to be held on Dec. 10 at the home of Mrs. Harry Good instead of at Evelyn Thompson's as previously planned.

The sympathy of the community is extended to the Wynnychuk families on the passing of Mrs. Wynnychuk Sr., a long-time resident of the Indian Lake district.

**QUESTIONS and ANSWERS about Cancer**

*QUESTION:* Does cancer occur more often in persons in certain occupations?

*ANSWER:* Yes. It is known that workers with tar are subject to a recognized cancer-causing agent. Such workers should report any signs of sores or warts on the exposed areas of the skin.

*Write for Free Literature*

CANADIAN CANCER SOCIETY Vermilion, Alberta

A. M. "Sandy" Watt was a very welcome visitor in town on Tuesday and Wednesday of this week, receiving a warm welcome from his host of friends here. Mrs. Watt remained in Edmonton visiting son Bob. Mr. and Mrs. Watt have recently returned from a six months' visit to Scotland and England. Sandy attended the Board of Trade luncheon meeting Wednesday noon as a means of seeing just as many of the business men of the town as possible during his brief stay in town. Plans for the present are that Mr. and Mrs. Watt will remain in Edmonton for the winter at least.

BORN—To Mr. and Mrs. Harold Moyer on Tuesday, December 1st at the Vermilion hospital, a son, Robert Stanley.

Val Budzilka of the Islay district drops a line to the Standard all the way from Bryte, California, where he and Mrs. Budzilka plan to spend the winter.

## Merry Manvilleites Come by Bus To Attend Old-Timers Round-Up

MANVILLE.—One of the best Old Time Round-ups to date was held in the Orange hall, Manville on Friday, Nov. 20. Approximately 175 were in attendance. A busload of old timers and their families came from Edmonton for the evening. An exceptionally good program of both juvenile and adult talent was presented. To start out the program, pictures taken by Dr. Hasinoff were shown and commented on by the Doctor. These were pictures of local events and places and were, of great interest to the visitors. Among those taking part in the program were Gail Mercer, Ross Sargent, Hans Pederson, Norma McLeickie, Doreen Gerhart, Connie Gerhart, Betty Proudfoot, Jim Johnstone, Joan Lugg, Mr. and Mrs. Elliott, Mr. Alex Mark of Edmonton brought his bagpipes with him and entertained those coming down on the bus as well as playing later in the hall. To complete the program, a pantomine "The Shooting of Dan McGrew" read by Mrs. Muriel Lugg and portrayed by a number of the younger old timers was much enjoyed by the audience.

A short business session followed the program, with the following slate of officers elected for 1954: President, Bert Williams; Vice-President, Mrs. Ronald Scott; Secretrea. Miss Kay Sutton; Executive, Mrs. Nettie McFadden, Allan Emmott, Jim McLuckie, Jim McLaughlin, Ralph Bee, Mrs. Annie Hubbard, Mrs. Mabel Finley, Mrs. Olive Thompson, Norman Crooks. The retiring president, Mr. Crooks regretted the fact that it was impossible to have had a banquet this year but he hoped that the new executive would be able to arrange one for next year. The kitchen on the hall will be completed and it will be much more convenient by then.

The hall was cleared and dancing commenced to the music of Lee Kreller and his orchestra until 12 o'clock when a lovely lunch was served by the committee. Mr. Williams, the new president, welcomed the Old Timers and called on several for a speech. All the speeches were very brief as the crowd wanted to resume dancing. It was in the small hours of the morning when the bus loaded up and left for the return trip to Edmonton with the following old timers: Mr. and Mrs Jack Shaw, Mr. and Mrs. Leo Colborne (Leo is President of the Merry Mann ville-tees), Mr. and Mrs. George Symington, Mr. and Mrs Tim Brady, Mr. and Mrs. Noel Austin, Mr. and Mrs Alex Barnes, Mr. and Mrs. Les Lesson, Mr. and Mrs Tom Candler, Mr. and Mrs W. Pudue, Mr. and Mrs D.Slade, Mr. and Mrs. Jim Allanach, Mrs Gilbert Majeau, Mrs. Fluker, Mrs Emma Chrysler, Mr. W. J. Colbert, Mr Alex Mark, Mr Dick Mark, Mrs Elsie Barlow, Mr and Mrs Jack Chrysler of Edmonton Mr. and Mrs Pete Kufehlt of Lavoy, Mr and Mrs W. Symington of Irma, Mr. and Mrs Thompson of Vermilion Mr and Mrs J Pallot of Vermilion and Mr. Galpin of Viking were other old timers present from out of town. We know that nobody has been missed from the above list and were very pleased to see all those present and hope that they will return next year to the annual Old Timers Round up.

## Looking For A Hobby?

After the Christmas rush is over and January winds start blowing, why not settle down to learn to play your favorite musical instrument . . . Just a few minutes every day will work wonders and the first thing you know you will be spending hours without knowing where they went. No one is too old to learn and it is foolish to think learning to play is just for children . . . We met a doctor this summer who started in his early forties just three years ago, and plays wonderfully well now. Make up your mind to have MUSIC as your hobby and start this winter . . Don't expect to play in two or three weeks . . . but if you will promise to spend ten, fifteen or twenty minutes each and every day, we will guarantee you will be surprising your friends before another winter rolls around . . . Music is a 12-month hobby and even if you just learn to play for your own enjoyment, it's worth while!

## Campbell Lake News

Wednesday evening Nov. 25 saw a very good turn out at the Campbell Lake school for the commencement of the First Aid classes, sponsored by the Princess Anne W.I.

Mr J. Bauman is the instructor and Mrs. O. Stroune was appointed secretary-treasurer.

The next class will be held in the Allandale school, Wednesday Dec. 2 at 7:30 p.m.

Mr. George Martin was present at the meeting and described the purpose and aims behind the formation of the First Aid classes as related to Civil Defence

Miss Mildred Scarfe is back from a wonderful trip to the Toronto Royal where she and her teammate George Gow managed to capture third place in the Dominion Poultry Judging competition.

Mrs. R. Mead returned at the week end from Edmonton where she had spent the past two weeks

Mrs. McKay left two weeks ago for Vancouver where she intends to spend the winter

Friends and neighbors of Mr. and Mrs. M. M. Fraser, who now reside in Vermilion send their hearty congratulations for their 54th wedding anniversary which falls on Dec. 6

The sincere sympathy of the community is extended to the family of the late Mr. Ed Long on the loss of a loving husband and father.

Mr. and Mrs. Reeves and Miss Sheila Hamilton were Sunday guests at the home of the latter's parents in Manville.

A card party was held in the school on Nov. 27 in aid of the Christmas tree fund. There were six tables. Prizes went to Mrs. Geo Dalman, Mrs. George Richardson, and Mrs. Parchewsky the consolation. Gents were Mr. Joe Good, Steve Sadownik and the consolation Mr. Joe Parchewsky.

A final card party in aid of the tree fund will be held at the school the night of Dec. 11 at which time he draw for the grocery hamper will take place. Watch the Standard for announcement.

BINGO AT HAZELDINE

Bingo, night at Hazeldine community hall on Friday, Dec. 4 at 8 p.m. Big prizes include a chest of silverware. Cards are 75c with second cards 50c. 2d-3n

## Square Dance Club Formed At Manville

MANNVILLE — On Friday and Saturday night, Mr. Henry Lien of Bawlf with the assistance of Mrs. Lien (the former Gladys Lund), instructed quite a number on the evils of the Canadian Square Dance club. Friday night there were 9 on the floor but on Saturday night there were enough for nine squares. We hope these folk will all return next Friday night so that we are sure of enough for a club. Some who were not able to attend either of these classes may still want to join, and if they are present next Friday this may be arranged. Fees will have to be paid on or before Friday and may be paid to either Mrs. C. Rickford or Mr. Jack Crawford.

Those in attendance seemed to thoroughly enjoy both the square dances and the rounds, and will no doubt be back next week for further instruction. On Friday night the class is from 8.30 to 11.30 and on Saturday night from 9 to 12

Tuberculosis is not hereditary. It is a disease in which repeated contact is an important factor. Of those within the household of a TB patient diagnosed or in hospital are therefore in most their average danger. It is because so many family contacts contracted tuberculosis that the idea that it was hereditary developed

## Sixteen Years Ago Today

*Dec. 2, 1937*

Chief Oakley celebrated his 20th year as town constable in Vermilion.

At a meeting of subdivision No. 4 of the Vegreville S.D., protest was lodged against the institution of the enlarged divisions.

The last wind almost closed the roads for motor traffic. Most east and west roads are impassable unless one is willing to do a lot of shovelling. Main roads north and south are still open.

Woodvale school celebrated the 10th anniversary of its opening on Nov. 23. The first teacher had been Miss Dorothy Mallinson, then Miss Mae Chrisp who stayed for five years, Miss Ruth Arthur and Mr. Marwood Brimacombe.

Mrs. Chas. C. Smith was elected president of the W.I.

## Thirty-two Years Ago Today

*Nov. 30, 1921*

Wm. Telford was elected president of the Vermilion Agricultural Society and W. E. Sutton was the secretary treasurer.

Chief activities centered around the Federal election campaign with many meetings being held in town and district.

The Boy Scout troop had organized a hockey team.

W. J. Casterton of Coyote Valley returned from his farm in Saskatchewan to finish the marketing of his 20,000 bushel grain crop.

The annual meeting of the town was held with H. N. Stephens as chairman, with reports given by Mayor Morrison and councillors and chairman of the school Board, W.P. Pilkie. H. P. Long was secretary of the meeting.

**By Shirley Holms, Wainwright, Alberta**

## News Notes From Your District Home Economist

CANDY FOR CHRISTMAS

Do you have trouble making candy? Candy should be cooked as quickly as possible and cooked to the right stage, and if it is to be beaten set it aside on a cake rack and leave it without moving or jarring until cool. Once beating begins, it must continue steadily, even if beating is slow. Just before candy is ready to turn out into a pan it loses some of its gloss and some stickiness, and the scrapings on inside of dish have already crystallized. Pour as much candy out at once as possible onto a buttered metal plate.

November is the time Mrs. Wise usually prepares her Christmas cake since she knows that aging or ripening improves the flavor of a fruit cake. This is an excellent idea, says Miss Joyce Lewis, Nutrition Specialist, Alberta Department of Agriculture; a month before Xmas is not a bit too soon to make the cake.

Miss Lewis offers the following tips for preparing, baking and storing fruit cakes.

Prepare and combine fruits the day before the cake is to be mixed and baked.

If your glace or candied fruits have dried out from standing, place them in a sieve and steam over boiling water to soften.

Be sure to flour fruits and nuts with some of the flour required in the recipe (use about ½ cup). This will keep them from sinking to the bottom of the cake.

Grease and line cake tins with 4 layers of heavy waxed paper or three layers of brown paper. Grease again.

Always bake fruit cakes in a slow oven.

If your cakes have a tendency to burn on the bottom place the cake tin on a cookie sheet which has been covered with a layer of salt.

Leave the greased paper around the baked fruit cakes to help keep them moist and fresh.

Fruit cakes should be stored in closely covered containers. A scoop of brown sugar in the container will help to keep it moist.

If your fruit cake becomes dry place it over hot water in a closed container. When the cake is hot make several holes in it with a small knitting needle and put a drop of fruit juice or wine in each hole.

Continued scrubbing and the use of strong soaps or cleansing powders makes floors rough and thus more difficult to keep clean. They can be brought back to fair appearance, though, says Miss Caroline Judson, Extension Home Designer, Alberta Department of Agriculture. The linoleum should be thoroughly cleaned, rinsed and dried. This should be followed by two thin coats of a good liquid wax, free from turpentine, applied with a soft cloth. If the linoleum is old and hard, the first treatment will likely leave the surface with an oily appearance, which will show tracks when walked on. In this case several polishings may be necessary until the surface takes on a hard gloss.

BOWTELL

There will be a dance in the Bowtell Community hall on Friday Dec. 11. Good music. Admission 60c.
22-4

## 980,000 Free Chest X-Rays Financed By Xmas Seal Sales

The 1953 Christmas Seal campaign has now passed the one-quarter mark, according to T. E. Thompson, chairman of the Kinsmen TB Christmas Seal committee, and the collections at end of the second week total $27,478 for Edmonton and Northern Alberta, toward an objective of $98,000.

Provincial returns reported by C. H. Crooks, Treasurer of the Alberta Tuberculosis Association, now amount to $59,500, slightly higher than at the same period last year. Alberta's 1953 objective is $212,000.

Alberta's Christmas Seal funds are spent in the province on chest X-ray surveys and other diagnostic services, rehabilitation, health education, nursing and welfare services for TB families and contacts.

Alberta's two Christmas Seal Mobile X-ray units have now given more than 980,000 free chest X-rays to residents of the province and X-ray equipment has been installed through Christmas Seal funds in 29 Alberta hospitals for routine chest X-ray of admissions. Several hundreds of cases of unsuspected TB have been discovered through this means, and also large numbers of other abnormal conditions including heart disease and cancer.

Christmas Seal contributions are income tax deductible and may be sent to the Kinsmen Club TB Xmas Seal committee, Heintzman Hall, Edmonton, Alberta. Receipts will be sent on request.

## Wildmere W. I. Notes

On Nov. 4 the Wildmere W. I. met at the home of Mrs. W. J. Garnett with 15 members present. The opening was by singing of O Canada and repeating the Creed. Roll call was answered by 'Bring a Diaper' as a result 20 diapers and a few articles of baby clothes were handed in.

Mrs. D. Dibben, treasurer gave her report. The convener of the Sick committee Mrs. F. Gibson sent $5 to the Blind in memory of Mrs. Morton of Vegreville from the Wildmere group. Everyone regrets the passing of such a splendid W.I. worker.

Mrs. Martin read a letter sent to the Wildmere Beavers Girls club from May Sullivan thanking them for the donation to a blind girl she took care of. Mrs. Wallington read a letter from our pen pal link in England. A letter was read from the District Home Economist at Wainwright.

The little tartan card sent to our group is for a pen pal. Mrs. Garnett has written to the lady in Scotland.

The dance committee gave its report on what each member is to bring to the dance. A wool blanket will be auctioned off at the dance.

Mrs. Gibson received a letter to the effect that a Laboratory of Cancer Research is to be opened at the University of Alberta. The Wildmere W.I. is proud to have helped in this project.

Mrs Ray Osterburg won Johnny Jump Up.

Mrs. W. T. Garnett had the topic "Handicraft" which was read by Mrs. R. Martin and the ideas proved very interesting.

The president extended a hearty welcome to Mrs. Smith and Mrs. Morand and granddaughter Brenda who were visitors to the meeting. The social was a sing-song. The meeting closed by singing 'God Save the Queen'. Following this our hostess served a delicious lunch.

The next meeting will be the regular annual one and will be held at the home of Mrs. R. Osterburg. The roll call will be 'Favorite Xmas Carol'. The social — exchange of Xmas gifts, value not to be over 25 cents.

Mrs. J. Wallington,
Press Reporter for W.W.I.

## Myrnam Congregation Attends Service In Mannville

MANNVILLE. — More than 20 members of the Myrnam congregation of the Anglican church and Rev. Clennett attended service in Christ church, Mannville, on Sunday evening. Due to foggy weather they were a little late in reaching here but the local congregation held up the service and sang hymns while waiting. After the service lunch was served in the parish hall by members of the W.A. and Happy Hour group.

## Paradise Valley

Mr. James Elliott who left Paradise Valley over a year ago and now makes his home in Vancouver, is visiting with Carmen Lawrence.

Mr. Look Lum left on Thursday night for Edmonton where he will meet his son on his arrival from Hong Kong. He travelled from China by plane.

Mrs. J. Gordon and Mrs. H. Fair entertained at the November meeting the United Church W.A. The ladies plan on having a Xmas party early in December to which all ladies in the comunity are invited. There will be an exchange of Xmas gifts valued at not more than 50c. Please watch for an announcement of the date. Ladies, yot are all invited. The annual meeting will be held in the church basement at 8 o'clock Friday, Dec. 4. Mrs. Fred Sirett and Mrs. T. J. Anderson will be hostesses.

Miss Maureen Gordon celebrated her 6th birthday on Saturday when she had a number of her pals in for an afternoon of fun and, Oh Yes, the eats!

VALLEY MAIDS NEWS

On Oct. 7 the Paradise Valley 'Valley Maids' met in the school auditorium for their reorganization meeting. The leader is Mrs. W. Gunn with Mrs. D. Davidson and Lois Stoddart as assistants. The following officers were elected for the year: President—Sharon Walters; 1st Vice-Pres. Barbara McDonald; 2nd Vice—Eva Redmond; Secretary—Gloria Baxter; Treas. Helen Krawchuk; Pianist — Joan Richardson; Convener of Games—Grace Stoddart, Press Reporter — Gloria Baxter. Mrs. Gunn gave a talk on general club work and it was decided to take up cooking as our project this year. Our meeting closed with singing of Taps and playing games. The second meeting was held Oct. 21 in the auditorium of the school. Mrs. D. Davidson and Grace Stoddart took the devotional and showed a film on 'Cherish Health'. We practiced songs for the chicken supper. Mrs. Dobson assisted at the piano. Mrs. Davidson gave the chevron requirements. After a short talk by Mrs. Gunn she served treats. A delightful time was enjoyed by all at the Hallowe'en party at Joan Richardson's on Nov. 4. This was also Joan's birthday and a small gift was presented to her from the group. We were invited to Gloria Elliott's for our meeting on Nov. 18. Mrs. Davidson took the devotional. Sharon gave the story of 'I Would be True' and she and Joan sang a song. Alberta Rawson and Grace Stoddart demonstrated and modelled the C.G.I.T. middy. Mrs. Davidson gave a talk on etiquette and it was decided to answer the next roll call ... personal qualities. It was ... to have a Xmas party with the date to be set later. Next meeting will be held in the church basement and we will practice for our ... per service which will be held on Dec 13th. Lois gave a talk on nutrition in connection with our project. A delicious lunch was served by Gloria and her mother and we departed for home.

Motor vehicle registrations in Canada increased from 2.8 million in 1951 to 3.1 million in 1952.

## Popular Pension

Ottawa's plan to co-operate with the provinces in giving aid to the totally disabled is likely to be a popular one, comments The Financial Post.

A strong case can be made against wholesale welfare measures which don't distinguish between those who need help from those who don't. But every Canadian is glad to contribute tax money to help those who cannot provide for their own well-being. As well it relieves pressure on hospitals and welfare institutions and in these days of over-crowded hospitals and almost weekly charity drives that is a most important consideration.

## Wildmere Winks

(This bulletin was written for last week's issue)

Our heartfelt sympathy goes out to Mrs. E. Glidden and family of Edmonton, formerly of the Thorn cliffe district, on the death of a loving husband and father. They farmed for years here where their family grew up and received their education. The two girls taught school in surrounding districts. One by one the real old time hone-

Everyone was deeply saddened when word came that Mrs. W. P. Pilkie had passed away. She too, was a pioneer of this part of Alberta. A writer remembers she and Mr. Pilkie coming out by team and buggy in the early days, to her home. The country has changed a lot since those days. She was a quiet, friendly and kind-hearted woman and her pleasant smile will be missed by all who knew her. To her sorrowing husband and son Billie and family goes our deepest sympathy in their hour of sadness. Ut was only last spring this fine family moved to Edmonton.

Congratulations to Mr. and Mrs. Clayton Smith on the birth of a son; to Mr. and Mrs. Davis Lowe a son; and Mr. and Mrs. A. Kent, a son

We are very pleased to hear Mr. R. Howard of Edmonton, but formerly of our district, is improving in health after his recent spell of sickness. He has been a patient in the Royal Alex hospital. His son Lloyd of Wildmere was up to visit him.

When Councillor Jimmie Wallington attended the municipal convention last week in Edmonton the writer also went along and had a nice holiday. We found Peggy Graham who is training for a nurse, in bed with what was thought to be the flu. She was quite ill but Royal Alex hospital is lucky in the need again. Two other nieces on Mr. Wallington's side are very sick as no one visited was not as pleased as if everyone had been well. We enjoyed the tea and coffee parties put on by the Wheat Pool, U.C.G. and Community Publication Co., also the Milk Producers' Association and a special address by Helen Kent of CFRN. They all were very interesting and helpful. The banquet at the Macdonald hotel was just grand and the short program with Jack Jones as M.C. afterwards was enjoyed as well as the dance that followed. Our view of the city from the 12t floor at C.F.R.N. was quite a sight and our visits with other councillors' wives were equally enjoyable. Mrs. Clark of Paradise Valley, Mrs. J. Smith, Mrs. Bolshein were the councillors wives from Vermilion River No. 71. Mrs. Stone's sister Mrs. Shand of the city was with us most of the time we were there. The slaves in the city were all getting ready for Xmas. Santa at Woodward's already. We hope you are feeling well Mrs. Clark after your tripping around in the city. We'll all go

## Assistance To Western Farmers

**F. U. A. BOARD STATEMENT**

The Western Farm Unions are trying to get the Federal government to make provision for some system of loans or advances to the western farmers on the security of their grain until a larger quota can be delivered.

While there may be some argument as to what percentage of farmers actually need advances, there is no doubt that a substantial number urgently require money in order to carry on and pay debts incurred for current expenses in connection with the crop. That being the case, we are making every effort to persuade the government to take action.

Naturally we are much disturbed over the telegram sent recently to Mr Howe by Mr. Marler, President of the Alberta Federation of Agriculture. This telegram was in direct opposition to any assistance to integrity of anyone advocating such farmers, and every question like it is a policy.

On behalf of the Farmers' Union of Alberta, which is a member body of the A.F.A., I want to make it clear that our union does not endorse the sentiments expressed in Mr. Marler's telegram. I consider the effect of this telegram as definitely detrimental to what we are trying to accomplish for western farmers on this particular question.

As Mr. Marler is the head of the A.F.A., any pronouncement by him is naturally regarded as official A. F.A. policy, and I think that considerable policy has been laid down by the A.F.A.

The Farmers' Union will continue its efforts to get financial assistance for needy farmers regardless of opposition from any source.

Farmers' Union of Alberta.
Henry Young, President

Many Plans Being Made For Active Season

## CURLERS ENTHUSIASTIC OVER NEW SIX-SHEET RINK

Enthused with the prospect of playing in the new six-sheet curling rink, some 60 curlers attended the general meeting Monday evening Nov. 23 at the arena rink. As a result of the large attendance all matters pertaining to a successful season were discussed and settled, with every indication pointing to the best season of curling in Vermilion's history. Mr. Gordon Ross was moved to the chair with to Russell Carroll acting as secretary.

Mr. Aldous Kent, the club president, extended his sincere thanks for the wholehearted help and support which made the erection of the splendid new six-sheet rink possible. He mentioned the co-operation of the contractors whose generosity was one great reason for building it with as much a margin figure; the volunteer workmen received much praise with special mention of those from the country many of whom were members of other community clubs. Also the finance committee under Al Locke, and the various other committees engaged in putting over different fund raising projects such as the street raffle, newspaper boost, community sale, and to the many who had made cash donations. As a result of these combined efforts said Mr. Kent, Vermilion will soon complete a six-sheet curling rink equal to the finest in the West.

FINANCES

Mr. Al Locke gave an interim report on the building fund finances. 92 shareholders had donated the sum of $6,031 up to Nov. 23rd, and materials from the old rink torn down amounted to $1,366. Crown and Anchor booth at the fair $269, sale of house $150, steer raffle and dance $1,100, and in rental figures of $10,854.

Expenditures for materials have amounted to $7,720, labor and trucking $2305, with cash on hand of $1,098. Outstanding accounts total $6,939 with other expenses necessary to complete the rink estimated at $4000.

This means that the rink when fully completed would cost $25,000.

Contractors have stated that a fair estimate of the cost of building the rink and waiting room under different conditions would be a minimum of $60,000.

The balance of the financial obligations will be by a $12,000 loan and $350 in pledges.

FEES

The fees are seven - town members $16; farmer members $12; high school students $5; Saturday curling privileges will be allowed high school curlers for the season at $2 and to W.S.A. students at 25c per Saturday.

### Woodvale Community Club Organizes

The Woodvale Glee club held a reorganization meeting on Nov. 30 to elect new officers. They have purchased the school for a community centre. The new officers are:

President Arnot Brown
Vice-Pres Pete Rund
Sec Treas. Gordon Dickson
Directors Mrs. Eva Dickson, Bob Elson, Dave Sweeney, Alec Ross and Mrs J. Mahler Isley.

Besides their regular card parties the Glee club will have a dance at the old Woodvale school in the community hall, on Dec. 18. The Kreiler orchestra will play.

### Dewberry and District Organizations Donate

DEWBERRY Sincere thanks are extended for all the donations to the Polio Equipment Fund for Northern Alberta's Crippled Children. The people of Dewberry district showed their appreciation of the three "Research" Day, in the Life of a Cripples Child" and "The Twig is Bent" by donations, namely

| | |
|---|---|
| Greenlawn Community Association | $ 30.00 |
| Clandonald District | 17.70 |
| Dewberry District sponsored by F.U.A. | 35.70 |
| Marwayne District sponsored by B'POE | 58.00 |
| TOTAL | $141.50 |

RINKS

The following methods of selecting rinks will be used: Skips will be elected; skips will select their own thirds; seconds and leads are chosen in rotation off the blackboard. Country rinks can enter intact if they so desire.

A survey of all curlers will be made by Aldous Kent.

Lunch concession was turned over to the ladies curling club to handle as they see fit.

OFFICIAL OPENING

The regular curling season will start on Dec. 16, weather permitting, with a mixed bonspiel. All desiring to play leave their names at Zed Curley's or Hill's.

January 16th has been picked as the date when, with due pomp, the rink will be officially opened. Plans for suitable observations are now under way.

BONSPIELS

Dates for bonspiels were set as follows:

Jan. 7, 8 and 9—Farmers' annual bonspiel with George Webb as chairman of the committee.

Sportmen's Spiel — The second annual Sportsmen's bonspiel will be held Jan. 13, 14 and 15, with Brownlee automatic sheigsure again the first prize.

Open Bonspiel Annual open bonspiel will be held Feb. 23, 24, 25, 1954, with prizes being used in addition to the curling rink.

COMMITTEES

Ice Committee — Darrel Currah, Gib Stephen, Jack Marlleet, Norm Ingram and Ken Beston with power to add.

Ross Boake was named chairman of the goodwill committee.

Committee to select prizes for bonspiel — Chairman, Roger Rowe and Lawrence Webb.

E. M. Stewart in charge of junior rinks.

Entertainment committee — N. N. Ingram, Martin Shalka and Reg Mitchell.

Sunday curling will be allowed for members only and to visiting rinks from other clubs. Non-members not allowed.

A hearty vote of thanks was moved from the floor to the president of the club Mr. Kent, the contractors Rand Calvert and George Carson for their efforts on behalf of the new rink project.

The fine new structure measures 96 feet wide and 154 feet long over all by 80 feet wide and a dining room and kitchen 64 feet by 16 feet. Completely modern lavatories. Waiting room complete the building.

The ice surface is some four feet lower than the waiting room with the partition between ice and waiting room all glass. This difference in elevation allows the spectators unusual view.

The accomplishment has been a remarkable one and the new rink is a decided acquisition to the buildings of the town, both from the standpoint of appearance and the facilities which it provides.

## Turkey Club To Hold Annual Sale

Wednesday, Dec. 16 has been set for the annual show and sale of the Vermilion Turkey club.

The judging will start at 11 a.m in the Provincial Poultry Commissioner Mr. Fret Higgleson will place the live turkeys and a representative of the Marketing Service will place the dressed turkeys.

The auction sale will start at 2 p.m. in the Flea hall. There will be about 150 well fat and well dressed turkeys for sale by auction. Here is a chance for Vermilion people to buy their Xmas turkeys and at the same time support the boys and girl's in the Vermilion Turkey club

### Turkey Shoot At The Armouries Saturday

A turkey shoot will be held at the Vermilion armories Saturday Dec. 12 commencing at 1 p.m. This is being organized by the No. 97 Squadron Vermilion Air Cadets and offers every person interested in marksmanship a fine chance to try their skill in the rifle range at the new armories. The Air Cadets will appreciate your support. It's a great chance to take home your Xmas turkey at a minimum cost and with a lot of fun besides.

### The United Church Christmas Programs

The United church Christmas programs will be on Dec. 17 and 18 at 7:30 p.m.

Anyone wishing to attend this program will be free of charge. Monday nights are advised to be sure and get their free ticket now, as there are only a limited number of tickets available for each evening.

The program will be put on jointly by the beginners, primary, juniors and intermediate departments of the Sunday school.

## Hockey League Opener Postponed

The first hockey game of the season which was scheduled against the Viking Lions here for Dec. 9 has had to be postponed due to lack of ice. It is hoped however that the ice will be ready for play shortly and it is now anticipated that the first game will be played here against the Wainwright Centaurs on Saturday, Dec. 19. Watch for advertisement in next week's issue of the Standard.

TURKEY BINGO DEC. 18

All bingo fans will please note that a Turkey Bingo will be held in the Elks hall on Tuesday, Dec. 15 starting at 8 o'clock. As exceptionally fine bunch of turkeys have been obtained as prizes and a good time is assured all who attend. For the first prize and an evening of fun, plan to attend the Turkey Bingo and help the hockey club in plans for the coming season.

GOOD BRAND OF SOCKEY

The Elks hall can boast a good brand of hockey will be played in the league this year. Reports from other clubs in the circuit indicate that strong competition can be expected from every team and an exciting year of hockey is assured.

### Hockey Club To Hold Turkey Bingo

Thirty-five people will win their Christmas turkeys at very low cost on Tuesday evening next, Dec. 15 at the Elks hall.

In an effort to raise funds to get the hockey club free of some of their last year's obligations, the hockey club officials are holding their big turkey bingo. Admission is $1 and this entitles you to 10 games of bingo.

Attend the exciting event Tuesday evening, have some fun, may be win a turkey, and you'll help the Tigers away to a good start for the season.

## Overflow Gathering Honors 4-H Club Members

## ANNUAL FARMERS' BANQUET PROVES POPULAR EVENT

Always a popular event, the annual agricultural banquet sponsored by the Vermilion Board of Trade and at which the program is of particular interest to the farmers of the district was made more prominent than ever this year because of the presence of Bruce Donald of Manville and Mildred Scarfe and George Gow of Vermilion. Mr. Donald was the splendid trip to the Toronto Royal. He thanked the Board of Trade for this event and spoke of the great help and encouragement given him by Mr. F. H. Buckingham district agriculturist.

Mr Gerry Moffatt assistant D.A. then introduced the members of the Vermilion Junior Curling Club Mildred Scarfe and George Gow. Mr. Moffatt mentioned the fine cooperation received from the Lions Hamburger stand for the free lunches and coffee served during the year. He also thanked the Co-op, Mr. Cox, Mr. Morrison for the radio broadcast Mr. Moffatt then introduced the guests present at the banquet and the head table. Mr. Moffatt then introduced Mr. Gow who gave a report of the activities of the club during the year. Mr. Gow mentioned the fine cooperation received from the Lions Hamburger stand for the free lunches and coffee served during the year. He also thanked

## Amazing

Vermilion has 600 children attending the schools of the town, yet not one single solitary father or mother other than officials, took enough interest in the educational plans or plant to attend the annual meeting in subdivision No. 6 which was held in the Junior high school last Friday night. This visible lack of interest is all the more puzzling when it is recalled that during the past year or so a modern school has been built and opened, new courses in home economics and shop have been made available, and the facilities of a fine gymnasium have been secured for use of the young people.

The school superintendent had prepared most interesting and detailed reports on school matters in the division in general, the secretary-treasurer's financial statement revealed that estimated revenue for 1953 amounted to $582,740, and that the Town of Vermilion's share was $80,537.60; while the town's representative's report covered details of the operation of Vermilion schools.

Despite all this, no parent, no ratepayer, other than the three school division officials, two local board members, two members of the teaching staff, and the building supervisor retained by the school division, were in attendance.

It would be quite safe to state that no one single topic is so much in the public focus, so much discussed, as Education, yet no one attends the one public meeting at which those responsible for conducting this $800,000 per year business give an accounting of their stewardship. *It's amazing!*

## Street Numbering

Vermilion has at last arrived. The project has finally been completed. This past two weeks have seen the town officials putting up the street and avenue numbers on the corners of the main part of the town — the entire area will also be done in the near future. This project was initiated over four years ago by the local Kinsmen club, who, with the co-operation of the Town Council, completely revamped the street naming system and made out a plan for numbering all residences and business places. Two years ago the club members sold house numbers to the public and now the job has been completed and your numbers can be of some use. The system is a very simple one and follows the pattern of the City of Edmonton very closely. It starts in the centre of town by the post office and Craig's store, running east and west from this corner is 50th Avenue, and running north and south is 50th Street. The avenues increase in number as you proceed north and decrease going south that is, the first street north of 50th Ave. is 51st Ave. and the first one south running east and west past Boake's store is 49th Avenue. The streets increase in number as you proceed west and decrease as you go east. That is, the street running north and south by the Legion hall is 51st Street and the street in front of the skating arena is 52nd St. The street running north and south by the Salvation Army hall is 49th Street and so on decreasing as you get farther east.

This is a project which will be of great aid to strangers in town when it is used properly and will be of the utmost help to the fire department in the rapid location of a fire; it will also be of aid to the various business places for the delivery of articles and any number of other advantages. It is to be hoped that the people of the town will make full use of the system and our bouquet of the week to the Kinsmen club for starting this plan and to the town officials for their co-operation in seeing that it has been brought to such a fine conclusion.

## Curling Rink

Probably most of the people of the town and district know of, or have seen, the mammoth project that the Vermilion Curling club has undertaken in the past few months. If you haven't been over there you should make it a point to visit the building. After many difficulties this was started and after many many headaches in every department it is now reaching completion and in our estimation will be the finest structure for sport in the Town of Vermilion and the finest rural curling rink in the province. There are six spacious sheets of ice and not a support or beam to obstruct the view of the entire ice area. There will be a large and comfortable waiting room and a marvellous kitchen, and a special office for the draw committee and officers. Even if you are not a curler — and even if you are not interested in curling, every citizen of this town should be proud of the structure as an asset to the life of the town, and should be especially proud of all the men who have volunteered their time and money for the success of this worthy matter. It will certainly add a great deal of prestige to the annual curling bonspiel, which is even now noted as the biggest and best in the rural part of the province. Another bouquet to the President, Aldous Kent, and to all others of the curling fraternity, including the women, who have contributed to this community effort.

## Prisoner of War Claims For Compensation Must Be Made Immediately

It is imperative that all prisoners of war make application for claim for compensation of maltreatment before Dec. 31, 1953. Documentation can follow that date but this is the deadline for registration. Application can be made to Secretary, War Claims Commission, Ottawa and the veteran should give regimental number, unit, date and place of capture and place of imprisonment. The Pensions Advocate in each Department of Veterans' Affairs District will give any necessary assistance to the veteran concerned in preparing his claim.

Since it is quite likely that most prisoners of war will receive some compensation for maltreatment, it is definitely in their interest to make application. 23-3

## Vermilion High School Defends Basketball Trophies At Wainwright

On Dec 5 the V.H.S. girls' and boys' basketball teams and cheerleaders travelled to Wainwright to compete in the basketball tournament. Teams were entered from Wainwright, Irma, Provost and Vermilion. The trophies which were recently donated by two of our local business men Mr. Boake and Mr. Clendenning. This affair was a straight elimination tournament instead of the round robin feature held in Vermilion on Nov. 14, and although competition was keen, Vermilion teams were again the victors.

In the first game of the day between Irma and Provost girls, the final score was Irma 19, Provost 18, the top scorers being L. Smallwood and M. Smallwood both of Irma.

In the second girls' game between Wainwright and Vermilion, score was 32-14 in favor of Vermilion. The high scorers were R. Ireland of Vermilion 15, and M. Bevans of Wainwright 8. In the final girls' game, Vermilion vs. Irma, the score was 33-22 for Vermilion. High scorers of this game were H. Barr of Vermilion 15 and L. Smallwood of Irma 11. As this was the deciding girls' game for the trophy, our own high school team took the honor of champions. The final game was perhaps the most interesting of the three as the score was very close throughout the game. Vermilion met a surprisingly fast team from Irma and were kept hustling, each team struggling to claim the coveted cup.

In the first boys' game of the day, the locals with S. Cooper scoring 26 points, walloped Irma 42-25. The V.H.S. boys were ahead all the way and were never in trouble. The locals put up a well organized zone defence and showed shooting accuracy as they took advantage of every opportunity.

The semi-final game between the Provost and Wainwright boys was a very close one. Provost displayed an air tight zone defence and a fast breaking atack and won 15-13 over the hard working Wainwright team. The game was close all the way but Provost won by the edge they had in free shots, scoring 7 to Wainwright's 5. This was the margin of victory. High scorers were Poole of Provost and Koch of Wainwright with 6 points each.

The boys' final game, between Vermilion and Provost, supplied the thriller of the day as it was in doubt until the last whistle. Bob Barr of the locals shut the door on Provost's hopes with a spectacular shot from about 30 feet out which gave V.H.S. the win and the championship. The lead changed hands many times before the locals finally sewed it up. Both teams played air tight zone defence and displayed fast breaking attacks. The game could have gone either way.

The top scorers were Cooper and Bentley of Vermilion and Poole of Provost, all with 8 points.

The tournament was a success and fans saw plenty of action. The refereeing was very good and play was clean on the whole. The Provost team which didn't play in the Vermilion tournament is one of the best squads in North Eastern Alberta and a high calibre of sportsmanship was shown throughout the tournament.

Plans are being laid for the coming Christmas Prom which will be held Dec 23 in the armories. The guests of the evening are Dewberry, Vegreville, Mannville and the Grade Niners. A look at the outline of the occasion tells us that it's certain to be a memorable success, and as it's being put on by Laurier House we can expect some mistletoe pranks. Be prepared girls!

## Letters to the Editor

Vermilion, Alberta,
Dec. 5, 1953.

The Editor,
Vermilion Standard.
Dear Sir:

A review of the finances of the Town of Vermilion as at the end of November indicates that nearly $20,000 is still outstanding in taxes. This is creating a serious situation for those charged with the administration of the affairs of the Town as they must necessarily find the money with which to pay school and hospital costs and other important items for the adequate maintenance of municipal services.

It will be clear to all, I am sure, that the Council has been faced with a heavy program in order to complete the installation of water and sewer system, the provision of adequate fire fighting services and the proper upkeep of streets and other vital services.

It is possible that non-payment of taxes is caused by a lack of appreciation of the difficulties of municipal financing which, I can assure you, is most difficult indeed and I trust that with this reminder all good citizens will come to the aid of the Council and provide the funds so essential to adequate and sound municipal administration.

May I thank you, Mr. Editor, for the use of your valuable space to bring this important matter to the attention of our citizens and to express to you, as well, our appreciation of the splendid co-operation the Town has received from the Standard during the past year.

Faithfully,
S. C. Heckbert, Mayor,
Town of Vermilion.

## "GREEN ACRES"

### FOWL CHOLERA

This disease has been reported in northern Alberta. It was found in this district two years ago. It spreads rapidly through the flock. There is no cure. Isolate all sick birds and al birds which have a temperature above 107 degrees. Send a sick live bird to the Provincial Veterinary Laboratories, Edmonton.

### RIDGLING PIGS

It is generally believed that ridgling and ruptures in pigs are hereditary. Hence the breeding stock should be changed if either of these conditions occur. Also it is best to have a 'vet' operate on ridgling pigs before they are three months old. Otherwise the animal will be condemned to boar grading at the packing plant.

### FERTILIZER IN MANITOBA

Trials with 11-48 ammonium phosphate under farm conditions in Manitoba showed increased yields and good profits over a ten-year period. Only in two trials was there no increase in yields when fertilizer was applied.

### COYOTE GETTERS

One farmer in this district had a mishap with a coyote getter. He says that he was very lucky not to get the poisonous cyanide gas right in his face. The tops of the caps are often picked off by magpies. Everyone handling these devices are warned to be extra careful. These are effective in killing coyotes as several farmers have reported from 7 to 10 dead coyotes.

### HERDSMAN WANTED

One of the foremost live stock breeders in Alberta wishes to get a young farmer who would like to learn the herdsman business. Here is a chance for some young fellow who likes to work with live stock.

### MPC RECOMMENDED

At the recent Western Weed conference held at Edmonton, several speakers stated that a new chemical called MPC is safer than 2, 4-D for use on sensitive crops like oats, flax, legumes and field peas. The speakers also recommended a 50-50 mixture of 2, 4-D and 2, 4, 5T for killing trees, buck brush etc. in native pastures.

## Wedding Bells

*MARTIN—CONVEY*

St. Columbus church, Clandonald, was the setting of a lovely wedding when Winnifred Convey, daughter of Mr. and Mrs. Michael Convey became the bride of Joseph Martin, son of Mr. and Mrs. James Martin. The altar was banked with yellow and mauve baby mums, white carnations and yellow roses.

Rev. Father L. Scriven officiated at the wedding ceremony.

Given in marriage by her father, the bride looked lovely in a floor-length gown of nylon net over satin which featured a sweetheart neckline and lily-point sleeves.

She carried a bouquet of red roses. Her fingertip veil was held in place by a coronet of rhinestones and seed pearls. A rhinestone necklace was her only jewelry.

Attending the bride were her two sisters, Kathleen and Joan Convey, who wore gowns of yellow and mauve nylon net over taffeta. They were strapless models with matching lace boleros. Their chapel veils were of the same colors and they carried nosegays of artificial flowers.

The groom was attended by his two brothers, Thomas and Eugene Martin.

A reception for about 200 guests was held at the home of the bride's parents. The wedding table was centered with a yellow and mauve ruffled centrepiece on which stood a three-tiered wedding cake. Toast to the bride was proposed by Father Scriven and suitably answered by the groom.

For receiving her guests, the bride's mother chose a navy blue redingote with white accessories and red roses en corsage.

The groom's mother wore a navy blue suit with pink and white accessories. Her corsage was of red roses.

Later that evening a dance was held in St. Columbus hall. The young couple left for a honeymoon trip to Prince George, B.C. where they are making their new home.

## Home & School Re-organization At Paradise Valley

The reorganization meeting of the Home and School Association was held on Nov. 20.

The following officers were elected:

President — Mr. E. S. Murray
Secretary — Eva Redmond
Treasurer — Mrs. E. Welsh
Lunch Convener—Mrs. Knutson.

The conveners for other committees will be elected at a future meeting. It was decided that this year each member should bring lunch to the meetings which will be held on the third Tuesday of each month.

## Wildmere Winks

Our deepest sympathy goes out to Mrs. Ed Long and family, also to his sister and brothers left to mourn his passing. His friendly smile and pleasant words will be missed by all who knew him. He was always willing and eager to serve his fellow man and was a real old timer in Vermilion. One by one the real pioneers are passing to their well-earned rest.

Mr. and Mrs. Cliff Cruthers and Mr. and Mrs. J. Batke were visitors to Lloydminster not so long ago. They called to see Mr. and Mrs. Bud Batke while in the border town.

Maureen Cruthers who cut her foot severely a couple of weeks ago on a shovel is still not able to go to school. Speedy recovery is wished you Maureen by your many friends.

Mr George Wilson left on Mondya for a visit with relatives at Saskatoon.

Congratulations to Mr. and Mrs. Elmer Isley on the birth of a baby daughter last week.

Ice is being made in the curling rink and these frosty nights should be ideal for ice-making. It won't be long until curling will be going strong once more.

Mr. and Mrs. Jeff Martin's wedding dance at Triangle was really crowded. Everyone seemed to enjoy themselves even if bumped around a bit. George Stewart and Mrs. Rogan furnished the music. A 'shower' was held at supper time and many nice useful gifts were given to the happy couple. A charivari was held on Monday evening last week and a good crowd attended. We all wish Mr. and Mrs. Jeff Martin many years of happiness and we all welcome Fay to our midst.

Noticed around: Laurence Graham and Mr. and Mrs. R. Martin, Doreen and Alice Seuffert and Shirley Underdown at the Gibson home Saturday evening. Ray Osterberg has had a Coleman oil furnace installed this fall, Lloyd Howard has a Propane furnace and cook stove. Who was the gentleman with the two ladies on Saturday? Could you guess Bob?

Check that date on your label

# Health Unit Notes

IT WAS GOOD BUT WAS IT SAFE?

Every year an unaccounted number of social groups find themselves burdened with the guilt that follows a mass food poisoning or spread of contagion, either directly or indirectly traceable to some function which they have run.

Don't dismiss this problem with the off hand statement, "Of course we wouldn't serve anything but fresh food and we keep our dishes and utensils clean." Even professionals restaurant hotel operations caterers have their troubles. The Army and Navy despite military efficiency and rigorous standards of cleanliness have not escaped either.

Most common cause of food poisoning is due to Staphylococcus Aureus a germ generally referred to by health officers as 'staph'. No one is entirely free of this vicious creature, but its favorite haunt is the throat and nasal passages of those who have recently had colds, and infected cuts or burns.

Staph thrives at lukewarm temperatures and has a special liking for foods that are commonly served at social meals — chicken salad, turkey salad, potato salad, various ham dishes and creamed foods and custard desserts.

In the greatest number of cases staph poisoning is traced by the Health Department to food which which has been improperly refrigerated. Room temperature is the ideal setting for the tiny staph to raise a family; the bigger the family the faster and more deadly the effects on the unwary eater.

Even more insidious and difficult to guard against than the staph are the viruses of communicable germs from the common cold through cerebro-spinal fever which can be brought in by one guest or worker and spread to others. The results of these are no less immediate or no dramatic as food poisoning but the effects on the army they are not restricted to your guests, but may rage through the whole community. No one knows for sure, but health experts are reasonably certain that many germs are spread by improperly washed dishes, cups and glasses.

Health officers are equally certain that most social organizations lack the equipment for safe and sanitary dishwashing.

How you can be safe instead of sorry

Here are six easy to remember rules for sanitation:

1. Keep hands clean.
2. Keep cold foods cold — hot foods hot.
3. Don't let foods stand at room temperature.
4. Use paper service or be sure that dishes and utensils are scalded or disinfected.
5. Protect all food from contamination.
6. Don't let anyone with a skin infection or a cold handle food.

These rules, approved by sanitary experts, deserve careful study and thought by anyone responsible for food handling or service.

For maximum health and sanitation safety, ask the advice and assistance of your local health officer or health department. You will find them eager to cooperate.

## Calf Club Started At Paradise Valley

PARADISE VALLEY — Recently sixteen boys and girls at Paradise Valley met and organized a beef calf feeding club. Mr. E. H. Borkingham, District Agriculturist, explained what was required in forming a club. Each member must have a beef type steer or heifer from 9 to 12 months old. The calves are fed until next spring or summer when a show and auction sale is held.

The meeting elected the following officers for 1953-54: President — Emily Swayne; Vice-Pres. — Don Flint; Secretary —Marion Holgate. Club leaders are Ernest Walker and Nick Stepenoff.

The District Agriculturist and Mr. Stepenoff will visit all club members immediately and inspect their calves.

## Farmers' Banquet Proves Popular

(Continued from front page)

Bentley, Professor in the Soils Department of the University of Alberta, was then introduced to the gathering by the chairman Mr. Stewart. Dr. Bentley it is interest to note, is a brother of Principal N. N. Bentley of the V.S.A.

Dr. Bentley has just returned from spending a year in Ceylon working under the Colombo plan. Which plan aims for the sending of technical materials and technical personnel for this purposes improving standards of living and the general welfare of less fortunate countries. The plan at one time applied only to members of the British Commonwealth but has now been expanded.

Dr. Bentley dealt with the history of Ceylon, an island one-tenth the size of Alberta with ten times the population. It had at one time a very superior type of civilization but this had been reduced by war, pestilence, and eventual loss of soil fertility. He told of the attempt to improve and increase production of their agriculture which chiefly consisted of growing tea, rubber and coconuts. Their part lay in the rapidly increasing population and the very low production of these products. Of their three chief products tea and rubber are not food crops.

Various phases of the work being done were depicted on the screen along with many views of scenic and interesting spots on the island. In concluding his remarks the Doctor stated that the outlook for much improvement in the general condition of Ceylon was dim.

The story of the agricultural efforts of another country, told in a clear interesting manner along with the fine visual aids combined to make the address a most enjoyable as well as enlightening one taking out the audience as it did outside the field of their own world and opening the doors to give an insight into what was to them an entirely new view of a very old country.

The thanks of the large gathering were fittingly extended to Dr. Bentley by the chairman Mr Stewart and by the prolonged applause following the introduction of his talk and by many appreciative remarks addressed to him after the adjournment of the meeting.

## Local News of Interest

On Sunday, Nov. 29 many friends and relatives gathered at the home of Mr. and Mrs. William Kochan who live two miles west of the Buffalo Coulee school. The occasion was the christening of their youngest daughter Diane Helen, with Father Cherkawsky of Derwent performing the rites. A very delicious dinner was served and the afternoon was spent in sing-song and conversing. Among those present were Mr. and Mrs. H. Kochan, parents of the host; John, his younger brother; Mr. and Mrs. S. Elechko, M. Stachniak, P. Stachniak, J. Stachniak, P. Bielach, N. Klutz, N. Wasylik, D. Pich, J. Mistal, M. Pawlow, H. Kocowski, D. Misyk, M. Jarock, W. Bushko, W. Jaremko, E. Rudiak, P. Kitt, F. Semeniuk, W. Osnychuk, M. Pus, A. Ambroch.

## Kitscoty High School

In addition to the usual group of students who supply the music at the high school parties some of the local orchestra assisted in furnishing the music last Wednesday night. The music was enjoyed by each and everyone present.

Due to the length of the line of those waiting to play ping pong in the boys' dorm, a second table has been installed.

With Xmas exams less than two weeks away mixed feelings are apparent around the high school. The visions of turkey dinner are crossed with those of approaching tests. However, who knows? Maybe we will pass!

CANADIAN LEGION

The regular monthly meeting of Vermilion Branch of the Canadian Legion will be held on Monday, Dec. 14 at 8:30 p.m.

## Wedding Bells

*THOMSEN—WHITLOCK*

The First United church at Vermilion was the scene of a pretty wedding on Tuesday afternoon, Nov. 10 when Irene Gertrude, daughter of Mr. and Mrs. Wm. Whitlock of Triangle, became the bride of Ralph Thomas, son of Mr. Chris Thomsen of Tolland.

Given in marriage by her father, the bride wore a strapless gown of white nylon net and lace over satin, with a lace bolero.

The bridal veil was held in place by a coronet of trumpet beads. She carried a bouquet of pink and red roses. A gold-filled locket, gift of the groom, was her only jewelry. The bride was attended by her sister, Miss Leona Whitlock, who wore a strapless gown of pink net over satin, with a net bolero. Her chapel veil was held in place by a halo of nylon rosettes. Mauve carnations made up her bouquet.

The best man was Johnny Isley, cousin of the bride. Mr. Grant Robinson and Mr. Gerald Colton were the ushers. Mrs. A. M. West played the wedding music.

For her daughter's wedding Mrs. Whitlock chose a wine suit with matching accessories. Her corsage was of pink carnations. Following the wedding ceremony a reception was held at the home of the bride's parents. The table was centered with a three-tiered wedding cake. The toast to the bride was proposed by Mr. Frank Gibson.

Later in the evening a wedding dance was held in the Gantan school with many friends attending.

The newlyweds left later for a honeymoon to Calgary and Claresholm. For travelling the bride wore a navy suit with matching accessories.

The young couple will make their home in the Tolland district.

*OSINCHUK—SIKORA*

The Standard regrets that a portion of the account of the Osinchuk-Sikora wedding was omitted in error in last week's paper. To complete the report the following should have appeared:

For her daughter's wedding Mrs. Sikora chose a grey nylon crepe dress with red accessories. Her corsage was of roses. The groom's mother Mrs. Osinchuk wore a wine crepe afternoon dress with navy accessories and a rose corsage.

Among the guests were Mr. and Mrs. Vince Varyu from Edmonton.

QUESTIONS and ANSWERS about Cancer
QUESTION: Does sunburn cause cancer?
ANSWER: There is more cancer of the skin of the face among individuals exposed to the hot, dry air of some of the southern states than there is in the rest of the United States and Canada. This type of cancer can almost always be cured.
Write for Free Literature
CANADIAN CANCER SOCIETY
Vermilion, Alberta

Mr. and Mrs. H. W. Voss announce the engagement of their daughter Veronica Vivian, to Mr. William Dyck of Vermilion, Alberta. The wedding to take place on January 12th, 1954, at 4:00 o'clock in the afternoon in St. Charles church, Marsden, Sask.

Friends in Vermilion and Clandonald will be interested to learn that Mr. and Mrs. George T. Chalmers have recently moved into their newly purchased home at 11627-69 street. This will be their permanent address from now on.

Miss Anne Snaychuk has as her guest this month her friend of long standing Mrs. Stella Porayko of Edmonton.

The Cancer Society acknowledges the following donations in memory of the late Willard J. Casterton: E. A. Stockwell, Mr. and Mrs. Fred Goddard, Mr. and Mrs. John Taschuk, Mr. and Mrs. John Grant, Mr. and Mrs. J. C. Grant and family, Mr. and Mrs. Fred Douglas Jr., Mr. and Mrs. S. ## New X-Ray At Dr. Hanlan's Offices

Something new has been added. X-ray services are now available at the offices of Dr Hanlan. The Standard is informed that Dr. Hanlan has recently purchased very complete shock-proof diagnostic X-ray equipment from the H. G. Fischer X-ray Company of Chicago.

This unit is capable of radiographing the entire spine on one long film, as well as all the more common sizes of X-ray plates. It is interesting to note that this large capacity equipment has been especially developed by the Fischer Co. for the Chiropractic profession. It is only in recent years that the 14in by 36in film has come to be used and as far as can be ascertained there are only about four in use in Alberta at the present time.

The main feature about these long films is that they enable the spine to be studied as a unit, showing up all curvatures to the best advantage. This can only be done by using a 14in.x 36in. film.

This equipment can handle gastro-intestinal, gall bladder, and various other types of radiography.

The X-ray unit has been installed as well as a complete and modern dark room by Mr. John M. Harvey of Winnipeg who is Western Canada representative for Fischer and also other lines of electro-medical and surgical apparatus.

This means that the residents of Vermilion and district are now in the fortunate position of having two very complete and up-to-date X-ray laboratories at their disposal.

---

Mr and Mrs Wm. Roebuck have had as their guest for the past two weeks the former's cousin Miss Martha Anderson of Saskatoon. Miss Anderson returned to her home the beginning of this week.

Mrs Thos. Vanasse of Vancouver spent several days last week at the home of her parents, Mr. and Mrs Joe Livingstone, south of Claysmore.

## Handicraft Guild Elects Officers

The annual meeting of the Canadian Handicraft Guild of Vermilion was held on Dec. 3 at the public school.

The election of officers resulted in the following slate for 1954:

Past Pres. Mrs. Hilda Wilson
President Mrs. M. Hill
Vice-Pres.- Mrs. B. Macnab
Treas -- Mrs. E. Clendenning
Secretary Mrs. R. Tidsbury
Executive -- Mrs. B. Ackerman, Mrs. S. Manyluk, Mrs. O. Strome and Mrs. L. Webb.

The secretary's report on the year's work showed a membership of 96 members. Classes offered during the past year have been Painting, Smocking, Copper Tooling, Glove Making, Leather Carving, Elementary Sewing, Petite Point, Needlepoint, Woodworking, Wire Jewelry, Felt Work and Shell Pictures.

The study of 'Chinaware' has been carried on at our general meetings with the guest speakers being Miss Shirley Holms, the District Home Economist and Mrs. Hill.

Two highlights of the year's activities have been our display of work in June when the Vegreville Guild also displayed some of their crafts and the visit this fall by the provincial president Mrs. Hoar and Mrs. Jean of Edmonton.

At the close of the regular meeting Mr Stewart kindly showed the films, Plastic Art, and Toys from Odds and Ends.

---

Dec. 5. Many of the girls waited on the tables, others took care of the candy table and the selling of articles. It was a very profitable afternoon too as the C.G.I.T. cleared around $45. The leaders thank the girls for their co-operation and state that they are a very fine group to work with.

## Winners At The Kinsmen Bingo

The largest crowd ever to assemble in a building in Vermilion, except for a hockey game or ice carnival, attended the mammoth Kinsmen Bingo on Saturday Nov. 28. The Kinsmen members wish to thank the entire district for making their efforts successful. Under the capable direction of Don Taylor all games were run off on schedule. The prize winners were widespread coming from all corners of a very large area.

Mrs Carman Long was the lucky winner of the main prize, the 5 piece bedroom suite. Mrs. A. [illegible] of Clandonald won the chesterfield suite; Mrs. W. F. Smith, Mannville took home the dining table. Mrs. Jack Kokotailo of Vermilion won the cedar chest. Mrs. J. Simmons [illegible] the chrome stool. Mildred Conboy won the last game of the evening a 5-piece chrome kitchen set. To Mike Pashulka of Derwent went the easy chair. Andy Jarula the chrome arm chair. Other prize winners were from Derwent, Bonnyville, Mannville, Vermilion, with one winner all the way from Wainon, Sask.

NOTHING BUT THE TRUTH By Arnold

## School Division Board Hears Convention Report

The regular meeting of the Divisional board was held at the divisional office on Friday, Nov. 20.

Marwayne S.D. Mr. Brown reported purchase of 3 acres of additional school site from W. W. Crowther for the sum of $350.

Closed Schools: Board discussed possible sale of properties no longer used, to associations formed in the community. Where buildings are not required for this purpose, the Board will be prepared to offer for sale by tender.

A. S. T. A. Convention: W. L. Brown presented delegate's report on convention held in Calgary on Nov. 3, 4 and 5 stressing the following topics: Request for Dominion Grants for Education; Inclusion of Teachers under Workmen's Compensation Board, this being opposed by the delegates; Transportation of High Schol Students; Revision of Building Grant System with formula based on number of rooms provided in building.

Bus Routes: Board approved payment of half regular amount for days in September when the schools were closed because of polio.

Watson S.D.: Board approved sale of school buildings and site at Watson S.D. to community association to be former for sum of $125.

Kenilworth S.D.: Request to have piano, formerly in school building, returned to community association was approved.

M.D. Vermilion River: Mr. J. Batty attended the meeting to discuss assessment problems, prior to visit of Co-Terminus Boundary Commission.

Chairman R. Mead was delegated to attend next meeting of M. D council for further discussion.

Tuition Fees: Mrs. H. D. Mathison attended the meeting with request for payment of tuition fees for pupil attending Grade 9 at Clandonald Separate school from Greenlaw S.D. Board will be responsible for payment for Grade 9 pupils only when student is attending the school specified by the Board.

Superintendent's Reports: Report was presented by Mr S. D. Simonson on visits to schools since date of last meeting; Salary Evaluation committee; Meeting of Marwayne Home and School Assoc.; Reading Institute Grades 1-9, on Nov. 17; South Ferribly S. D. electrical services.

Next meeting Dec. 18.

## Mannville & District

Attending the Western Canada Wheat conference in Edmonton the end of the week were Mr. E. H. Buckingham of Vermilion, Mr. G. Erickson of Ranfurly, Mr. Robert Johnson of Irma and Mr. Chester Gamble of Mannville.

We are sorry that the names of two of the entertainers at the Old Timers were missed in last week's news. Mrs. Bert Barlow of Edmonton recited and Miss Bernice Phillip sang a solo.

Mr. and Mrs. J. McLuckie were Sunday visitors at the home of L. Croft, Kitscoty.

Mr and Mrs. Jack Park and Martie spent the week end in Edmonton. Mrs. M Morrison and Heather accompanied them and returned with M. Morrison on Sunday.

Don't forget the Xmas bazaar and tea on Saturday, Dec. 5 in the parish hall under the auspices of Christ church.

Mr and Mrs Pat Cotter are spending the winter in town with Mrs. Morrison and Heather.

Mr Julian Pulyk has purchased the home section of the farm owned by Mrs Ekin but will not take over ownership until the end of March.

Mrs Aleck [illegible] and Mrs Bruce Scott are relieving at the Mannville hospital for a short time.

## ALLANDALE NEWS

Lovely weather until Dec. 4 and then grand for this time of the year. On that day around 6 inches of snow fell. Saturday evening the temperature was zero, coldest so far this winter. Last year the coldest day was on Nov. 26, 5 below.

The First Aid class sponsored by the Princess Ann W.I. of Campbell Lake held in that school on the evening of Nov. 25 was well attended, around 25 registered.

Mr. George Martin, our enrolling officer for the C.C.D. services was present and introduced our instructor Mr. Jack Bauman. These classes will be very beneficial and proved very interesting. We are grateful to our instructor and anyone who is aiding this worthwhile project.

We do appreciate the kindness of the Campbell Lake folk for letting every other class be at Allandale. Class at Alandale on Dec 2 added a few more members.

It was a lovely warm afternoon on Nov. 27 when there was a 'Stanley Party' at the Mayers home. Mrs. Jim Fisk of Lashburn was the competent saleslady and demonstrator. Around a dozen ladies were present and a few men folk. The party was a grand success which in part favored our hostess. The afternon closed with a sumptuous lunch served by the hostess. Last but not least, 'many happy returns' to Uncle Willie on his 71st birthday' which was that day.

Our deepest sympathy to Mrs Long and family and Mrs. Larsen and relatives on the loss of loved ones recently.

Mr. and Mrs. Wm. Roebuck, son Harold of town and Miss Martha Anderson from Southern Saskatchewan, a cousin of Bill's, were visitors at the Omness home Sunday the 29th. Mrs. Roebuck taught at Allandale 29 years ago. Time goes so quickly.

David Williamson has sold his quarter of land the SW 14-52-5 to Ronnie Johnson.

The first euchre party was held at the Mayers home on the evening of Dec 3rd. There were 4 tables. Lunch was served by the hostess which closed a very enjoyable evening.

A recent letter from Mrs. Gordon Mayhew of Bawlf, Mrs. O'Fee and Johnny are now visiting at her daughter's home in North Vancouver.

Closing Thought. "He that fancies himself very enlightened, because he sees the deficiences of others may be very ignorant, because he has not studied his own

## What About This Thing Called "Talent"?

As everybody knows who has ever worked with children, there is no such thing as an entirely unmusical child. Even the tiniest baby will "beat time" to music. Almost every child learns at an early age to sing little nursery songs. Practically every child, even those whose parents think he "cannot carry a tune," can be taught to sing and carry a tune.

The "gift" of music is not something that is awarded to certain children at birth, but denied others. While it is true that some children and adults have more musical capacity than others, it is perfectly possible to say that any normal human being, between 8 and 80, can learn to play the piano.

In fact, most music educators agree that if a child is unable to learn music, it is not necessarily a sign that the child lacks musical talent. Instead, it may very easily mean that mistakes may have been made in the handling of the child. After all, few of us have "talent" for mathematics or the art of cookery. But practically every man can master enough mathematics to serve his purposes in life, and every woman can learn enough cooking skill to feed and nurture her family!

## Your Savings And Credit Union

You can have your pie and eat it. You can, if you are a member of the Vermilion Savings and Credit Union.

Did you know that savings invested with the Vermilion Credit Union are insured?

Thus, if the man who has $1000 to his credit was to die, his wife would be credited with $2000.

If that man had a loan of $1000 that debt would be wiped out. Thus the widow would have received $3000 for the $1000 investment.

Our Credit Union regularly charges ¾ of 1% per month on ordinary loans and ½ of 1% per month on loans having bankable security for backing.

At the end of the year the surplus earnings are turned back to the shareholders.

Since Credit Unions are Co-operatives dealing only with members no income taxes are paid, and since officers give of their time freely the operating costs are very low.

Make application today to join your Credit Union. The office is at the home of the secretary H. P. Long. 23-1x

# B. K. Sandwell, Toronto, Addresses Vermilion Meeting

Members of the Canadian club for the second time had the pleasure of listening to an address by Mr. B. K. Sandwell, Editor-in-Chief of Toronto Saturday Night. His career has been a varied one and as well he has held office in many important voluntary organizations, and holds several honorary degrees. He is an author and writer of note and is currently honorary president of the Canadian Authors' Association.

In the absence of the president of the Vermilion Canadian club due to illness, vice-president Frank H. Walker presided and introduced the speaker, complimenting him on his previous address to the club, and assured him of an equally attentive hearing to his address of the evening.

Mr. Sandwell took as his topic "Our Part of North America". He disregarded boundary lines and took the mass population of both Canada and the United States, then looked into the ratio of increase of our country to the total of both.

Basing his assumption on this ratio, he found Canada remained more or less static until about 1900 when the development of the western prairies ushered in a new era of progress. Up until then the U.S. had enjoyed a period of great industrial development and people from all over the world flowed past the Statue of Liberty. It became a nation of great wealth, large industries; towns and cities grew immensely.

In order to provide employment great industries were established. Field and forest were exploited and while the population increased the natural resources were steadily being depleted. The end of the second period, 1950, finds the United States running short of raw materials to keep its industries in operation. Its industries and mercantile enterprises had to flow over into Canada whose agricultural and natural resources had by then begun to be developed. People will follow the trend of industry. The United States had long ago exhausted its forests and were compelled to appeal to Canada for the importation of newsprint. She is short of many things, she is now willing to pay any price.

Then the speaker turned to a prophetic mood. What will the population of Canada and the United States be 50 years hence? Some in the audience may see this and will be able to discern the difference between Alberta 1950, and in 2000 A.D.

Canada husbanded her natural resources, profiting by the mistakes of the U.S. who early exploited or sacrificed these to industrial development.

The United States with its fine harbors on the Atlantic seaboard and the growth of such cities as Boston and New York, attracted immigration -- particularly from Europe. As the population increased room had to be found and then the country improved its river navigation, built railways and canals and people and industries flowed over the Apalachian ranges into the western states to establish new industries and build new towns and new cities. With this rapid expansion the natural resources of the country were used up to keep industries going and give employment to the influx of people.

Canada in that era had no large industries; the west was an unknown country. With the construction of the Canadian Pacific Railway the country began to develop and with the opening of the country an era of progress followed the tide of immigration to the prairies of the west to build towns and cities, establish local and provincial forms of government.

We were then having a similar economic situation as the United States had in the preceding century. The United States has reached the stage where it had exploited its resources in order to supply employment. Some of her raw materials are exhausted and they have to come to Canada to get it. Having preserved our resources we are now in the position where capital comes to us and develops these in our own country instead of exporting them.

The Clifford Sifton immigration policy of 1896-1900 ushered in the development of western Canada's agricultural possessions. The west became established as a wheat growing country. There followed an era of railway construction, the towns and cities grew apace and people swarmed in from all parts of the world. We were then enjoying an expansion which had been experienced by the U.S. in earlier periods of development.

The situation at present is that we have unlimited natural resources awaiting development while the United States reports a shortage and must, therefore, import some of these to feed their gigantic industries. We have the raw matrial they want, but essential for our own people.

Basing his assumption on the matter of ratio Canada in 1951 had 8.4 per cent of the population of the North American continent excluding Mexico, compared with 6.6 in 1900. If this percentage is maintained, in 2000 A.D. Canada should have a population of 25,000,000 and the United States 190,000,000.

To meet conditions as they may then exist both countries may have found it necessary to import immigrants from crowded countries, both in Asia and Europe.

At the close of the meeting a hearty vote of thanks was tendered Mr. Sandwell after he had answered some relevant questions from members of the club.

# Paradise Valley

Mr and Mrs. Elnor Olsen and Elmer Beckett of Wetaskiwin spent the week end with Mrs. Charles Beckett and Mr. and Mrs. Fred Beckett.

Mr Ed Block has gone to Calgary to complete his course in mechanics. He expects to be away for at least, six weeks.

Miss Avis Fair R.N., of Vancouver spent a few days with her parents Mr and Mrs. John Fair recently

Mr. and Mrs. William Stoddart spent the week in Edmonton where Mr. Stoddart atended the annual meeting of the farm implements dealers convention.

Mr and Mrs M Hoskins went up to Edmonton where they spent the week end with their daughter and son-in-law Mr. and Mrs. Herb Foxwell

Mrs William Aitken left by plane for New York on Saturday to spend her vacation in the eastern city

Flooding on the curling and skating rinks has started and a foundation has been laid.

Look Jung Quank and Dang Kou Hong arrived in town on Thursday making the trip from Hong Kong by plane. Look Jung will make his home here with his father Look Lum of the Royal Cafe and Dang Kou will stay with Mrs. Luke Lee.

Mr. Don Squires, C.P.R. station agent here is on his annual vacation which he is spending at his home at Red Deer. Mr. Chymon is doing duty here until Mr. Squires returns.

Mr. and Mrs. Frank Towndrow of Uneeda have moved into the McLean house for the winter. Mrs. Towndrow has been confined to a wheel chair for many years

Well we have plenty of snow now to satisfy everyone Friday morning it started in earnest and as a result snow shovels had to be dug out and put to work However very little wind accompanied the storm and the roads while heavy are not so bad.

Special Christmas services will be held in McLaughlin and Paradise Valley United churches on Dec 20 at the usual time.

A Christmas eve service will be held in the Paradise Valley United church on Dec 24 at 7:30 p.m. A Xmas film strip has been procured for this occasion.

## Exchange Vows In Metropolitan Church

Shown above are Mr. Michael Skitako and his bride, the former Miss Olga Kowalchuk of Vermilion following their wedding at the Metropolitan United church, Edmonton. The bride is the daughter of Mr. Michael Kowalchuk, now of Edmonton, but formerly a well known Vermilion man, and the late Mrs. Kowalchuk, while the groom is the son of Mr. and Mrs. John Skitako of Waskatenau.

A wedding of interest to Vermilion and district people was solemnized at the Metropolitan United church in Edmonton on November 14 at 3:30 o'clock in the afternoon when Olga Kowalchuk became the bride of Mr. Michael Skitako. The bride is the daughter of Mr. Michael Kowalchuk and the late Mrs. Kowalchuk and the groom's parents are Mr. and Mrs. John Skitako of Waskatenau, Alberta. The Rev. Vipond officiated. For the occasion the church decorations were baskets of mums with the guest pews being marked with satin bows.

For her nuptials the bride chose a gown of Chantilly lace and net over cream satin, fashioned with lily-point sleeves. Her three-tier illusion veil was held in place by a lace hat. She carried a cascade bouquet of pink and white roses and baby mums

The maid of honor, Miss Joan Cawthorpe, wore a dress of mauve net over taffeta and carried a colonial bouquet. The bridesmaids were the Misses Anne and Mary Wakulich, cousins of the bride. They were dressed in yellow net and lace and their flowers were colonial bouquets.

The best man was Mr. Nick Kowalchuk, brother of the bride. The ushers were Arnold and Reginald Skitako, cousins of the groom.

The little flower girl Dianne Dowhaniuk was pretty in a green taffeta dress and carried baskets of baby mums. She preceded the bride down the aisle sprinkling rose petals

A reception attended by 150 guests was held in Edmonton South Side legion hall where a beautiful wedding cake, made in four tiers graced the centre of the bride's table. The cake was embedded in tulle and flanked by white tapers

The hostess was Mrs. D. Wakulich, aunt of the bride, who chose for the occasion a dress of grey with corsage of pink carnations Mrs Skitako, mother of the groom was gowned in black and her corsage was of roses and mums.

Following the wedding trip to Spokane, Seattle and Vancouver the happy young couple will make their home in Edmonton For her going away costume the bride wore a suit of blue-grey with red accessories topped with a muskrat coat Her corsage was of red roses

IN ALBERTA, EDUCATION PROGRESSES

Realizing that the children of today must have a thorough knowledge of the sciences, history and world study, the Alberta School system has expanded and improved its facilities to insure a useful program of studies for each student.

Present-day schools are larger and better equipped; the number of qualified school teachers has increased as teacher salary scales are revised; and most important, enrolments in elementary and high schools, and enrolments at the University of Alberta have made consistent gains.

The Department of Education assists the School Districts, Divisions and assists the Student individually in the following ways.

- Revised high school curriculums provide increased study of English.
- School books are provided at minimum cost through the School Book Branch. School Readers are supplied free by the Department of Education. The department also has promoted the extension of the Text Book rental plan.
- School Districts and Divisions receive assistance in constructing and equipping new buildings.
- Candidates for teaching diplomas and degrees may receive government assistance.
- Under the Student Assistance Act, Grants and Loans are made available to University Students in all faculties.
- The Calgary Branch of the University of Alberta offers courses in arts, sciences and education.
- Courses in art, homemaking and trades apprenticeship are among educational facilities available at the Provincial Institute of Technology and Art, Calgary

TOTAL GRANTS TO ALBERTA SCHOOLS AND TO THE UNIVERSITY OF ALBERTA HAS INCREASED FROM $2,335,082 IN 1936-37 to $16,017,000 IN 1953.

GOVERNMENT OF THE
PROVINCE OF ALBERTA

The Dog and the Bone

A DOG was crossing a plank bridge over a stream with a piece of meat in his mouth, when he happened to see his own reflection in the water. He thought it was another dog with a piece of meat twice as big; so he let go his own, and flew at the other dog to get the larger piece. But, of course, all that happened was that he got neither: for one was only a shadow, and the other was carried away by the current.

## Beautiful Wedding At United Church

Photo by Vermilion Photocraft

*HILLCOX MALEK*

A beautiful wedding of wide interest was solemnized in the United church, Vermilion, on Saturday, November 21 when Valeria Doreen Malek, youngest daughter of Mr. and Mrs. John Malek, became the bride of Mr Stewart Maurice Hillcox, only son of Mr. and Mrs. George Hillcox all of Vermilion.

The church was prettily decorated with baskets of mixed chrysanthemums for the double ring ceremony performed by the Rev. C. W. MacKay.

The bride, given in marriage by her brother Mr. Mike Malek, wore a gown of pearl edged tiers of nylon net over satin, the high collar, bodice and lily point sleeves were of Chantilly lace. The sweetheart crown, held in place a matching fingertip veil. She carried a bouquet of red roses. Her rhinestone necklace and earrings to match were a gift of the groom.

Miss Christine Morrison and Miss [illegible] Pedruchney, friends of the bride were the attendants. They wore identical gowns of pink net over taffeta complemented with matching headdresses and gloves. Each carried a bouquet of pink carnations.

The best men were Mr David Tovell and Mr. Harry Hodgson. The ushers at the church were Mr John Morrison and Mr Jack Coates.

The wedding music was played by Mrs John Hillcox, aunt of the groom. During the signing of the register Miss Beatrice Hillcox sang "I'll Walk Beside You".

For her daughter's wedding Mrs Malek chose a black dress with white and grey stripes of tiny pleats at the neckline. Her corsage was of red roses and baby mums. Mrs. Hillcox, mother of the bridegroom, chose a tan dress with black accessories, with corsage of red roses and baby mums.

A reception was held in the evening at the United church hall where some 75 guests gathered to honor the happy couple. The bride's table was centred with a beautifully decorated three-tiered wedding cake baked by the groom's sister Eileen.

The Rev MacKay opened the reception by asking the blessing and proposing a toast to the bride to [illegible] the groom responded suitably.

Out of town guests present were Mr and Mrs. Hugh Gilchrist of Edmonton; Mr. and Mrs Lawrence Hillcox, Cold Lake; Mr. and Mrs. Orest Gregory, Lloydminster; Mrs. James Mayguard, Edmonton; Mr and Mrs. Walter Nawak, New Sarepta; Mr and Mrs. Douglas Naylor, Edmonton; Mr. and Mrs. Thomas McCraken, Hardisty; Mr. Herbert Macnab of Cold Lake who acted as master of ceremonies at the reception.

For the honeymoon trip to Calgary and Banff the bride donned a purple suit with striped yellow coat, mink fur neckpiece and matching black accessories. Her corsage was of red roses.

The young couple will make their home on their farm in the Claysmore district.

## Kitscoty News

Messrs. James Leche, Leonard and Albert (Dick) King left here last week for a visit to England. They plan to be away until spring. Best wishes are extended to them for a pleasant journey and a happy holiday with relatives and friends.

Mr and Mrs Billie McLean and Maryalice of Hughenden spent the week end here visiting with relatives and friends.

Mrs. C. N. Gray spent part of last week in Edmonton visiting with her daughters.

Miss Marion Inglis of Vegreville spent the week end here with her parents Mr. and Mrs. J. G. Inglis.

Miss Iva Watt, R.N. of Creston, B.C. is at present visiting here with her parents Mr and Mrs. Lawrence Watt.

The Kitscoty business men are sponsoring a free show in the town hall on December 19 and Monday Dec. 21. Everybody is welcome. There will be free treats for all the children.

## OBITUARY

*MRS F R MAJOR*

Mrs. Fred Major, an old time resident of Paradise Valley passed away very suddenly on Monday Nov 23 in the Lloydminster hospital where she was doing nicely recovering from a broken ankle. On Monday morning she was feeling fine but during the afternoon her heart gave out. Mrs. Major was 75 years of age, born at Cheshire England. Her maiden name was Ada Wright and she was married to Mr Major in 1904 and came to Canada in March 1927 and lived at Blackfoot for a year moving to Paradise Valley in 1928 where she has lived ever since. Mr Major died in 1940. They had four children, Fred, Muriel, Eileen and Peggy, all living in Edmonton.

The funeral was held on Thursday from the United church with Rev D Davidson in charge. The burial was to the Oxville cemetery. Pallbearers were Messrs Walter Sirett Jr., W A Nickle, Lyle Greenwood, Fred Sirett, F Wiley and F J Wood. J S McLeod was in charge of the funeral arrangements with W J Sirett at the organ.

Outstanding Annual Meeting

## Wm. Barr Elected President Of Vermilion Agricultural Society

Directors of the Vermilion Agricultural Society, the organization which sponsors the three day class B fair, the town's largest and most ambitious annual event, did things in the same big way on Friday evening last. The occasion was their annual banquet attended by a capacity crowd of 148 members. The banquet in turn served a threefold purpose — it honored numerous agriculturists who had brought fame to the district by competing at the Toronto Royal Winter fair; treated those present to the opportunity of hearing Mr. Painter give a most entertaining address; and conducted the regular business of the annual meeting.

As Mr. Wm. Barr, the president, is absent in New Zealand, S. C. Heckbert acted as chairman until the business session commenced at which time E. M. Stewart, the first vice-president took over.

Special tribute was paid to the farmers who had showed live stock at the Toronto Royal, Ernest Prill who had won with his swine, Jack and William Bryden with their horses, and W. L. Robinson with his Shorthorn cattle.

Honored also was Bruce McDonald who has been awarded the T. Eaton Agricultural scholarship, and Mildred Scarfe and George Gow, members of the 4-H club who competed in the poultry judging contests, standing third in Dominion-wide competitions.

ENTERTAINING ADDRESS

It would be hard to adequately describe the address given by Mr. R. H. Painter, dominion government entomologist of Lethbridge. His subject was "Bugs" and the object of the talk was to stress the danger from insects, and to enlighten the audience as to the amount of foodstuffs which bugs consume. In fact, we humans just get the left-overs after the bugs have finished. Mr. Painter imparted a great amount of knowledge in a most humorous and entertaining fashion.

F. H. Newcombe, director of extension for the Alberta Department of Agriculture, spoke briefly lauding the Agricultural Society for its remarkable financial statement, its efforts in promoting good farming, and especialy on its farm and home improvement project. He paid tribute to district agriculturist E. H. Buckingham as "one of the most capable men we have in the field."

Prior to the election of officers, secretary-manager S. C. Heckbert reviewed the year's activities of the association touching on the many improvements effected to grounds and buildings, the success of the 1953 fair, the farm and home improvement plan commenced this year, summer horticultural show, and the annual purebred livestock sale held in the fall.

The financial statement revealed receipts of $19,329 with an operating surplus for the year of $3626. The Society now has assets in land and buildings, government bonds and bank balance of $30,589 with no liabilities.

ELECT OFFICERS

Honorary Presidents—Hon David Ure, Hon. Anders Aalborg, Robt. Fair, M.P., W. R. Cornish, M.L.A., J. W. G. Morrison, Q.C., William Steele, Mayor S. C. Heckbert.

President—William Barr
1st Vice—E. M. Stewart
2nd Vice—O. A. Strome
3rd Vice—Jack Bryden
Im. Past Pres.—W. L. Robinson
Exec. Chairman—W. H. Duncan.

Directors for two year term — Clarence Barr, Wm. Bryden, Homer Campbell, W. E. Cross, J. S. Cross, Chester Gamble, V. T. Janssen, Gordon Larson, A. MacMillan, Peter Noster, Gordon Ross, Thos. Smith, Alex G. Stone, A. M. West, W. D. Williams, Bruce Winters.

Associate Directors — Dr. H. E. MacDonald, Dr. A. R. Anderson, E. H. Buckingham, Bruce MacDonald, A. E. Moses, John Nowakowski, Douglas Clarke, F. V. MacHardy, R. E. Stanley, Geo. Braithwaite, Jack Morrison, John C. Anderson, Clifford Miller, Keith McIntyre, Lewis Hendell.

The following were elected as Directors for 1953-54 and still have one year to serve: N. N. Bentley, Manson Barr, James Bennett, C. N. Brennan, E. W. Hart, S. C. Heckbert, W. R. Jory, Keith King, Geo. Maggs, Ernest Prill, W. L. Roenuck, Hugh Stewart Jr., George Webb, Donald Wilson.

The ladies' committee will be named on recommendations from committee.

NOTABLES INTRODUCED

Other visitors introduced at the banquet were Howard Byers of Edmonton, secretary of the Shorthorn Breeders Assoc.; Don Clayton, the farm service director of CJCA, and Jack Deakin, provincial news editor of the Edmonton Journal.

Another interesting project discussed was the fact that the 50th anniversary of the Vermilion Fair was coming up in 1955 and something special should be planned for that occasion. It was also suggested that due to the interest in the Toronto Royal stock show a special railway carload of persons from this area should be organized to attend next fall.

E. M. Stewart handed a well merited bouquet to secretary-manager S. C. Heckbert stating that it was Mr. Heckbert's tremendous interest in the Agricultural Society, his organizing ability, and the generous use of his time and energy that resulted in Vermilion and area having such a well run and vigorous Fair organization.

## Annual Meeting Held By Islay United Church W. A.

ISLAY. The W.A. of Knox United church, Islay, met last week at the home of Miss Bessie Anderson with 15 ladies present. The election of officers resulted as follows:

President Miss Muriel Stone
Vice-Pres. Mrs. Neil McLennan
2nd Vice-Pres Mrs. D. Clark
Secretary Mrs. Irene Martin
Assistant Sec Mrs. V. Schaffer
Treasurer Miss Bessie Anderson
Bazaar Committee - Mrs. Vera McLean, Mrs. Betty Purser, Mrs. Irene Horricks
Visiting Committee The whole membership
Manse Committee Mrs. Irene Martin and Miss Muriel Stone
Missionary Monthly Miss Gladys Stone

A very successful year was reported with many pleasant gatherings. The interest of all the members was the reason for making the W.A. the happy and successful organization that it is. The annual bazaar was a real success again this year.

## S. Hinton Returned To Vegreville S. D. Board

MANNVILLE. With 16 years continuous service on the school board, Sidney Hinton of Mannville has been returned by acclamation to the Vegreville School Division board.

He had intended to retire this year but agreed upon request, to allow his name to stand for nomination. He was returned by acclamation. He is the representative of Division No. 5.

In subdivision No. 3 retiring trustee M.T. Tym of Innisfree will be opposed by Paul Kaminsky in elections to be held Jan. 8.

## HOCKEY LEAGUE OFFICIAL SCHEDULE, 1953-54 SEASON

## Home Hockey Games Postponed Until After Christmas

Hockey plans are still progressing favorably, although it will be shortly after Christmas before the first game can be played on home ice. It is expected that the team will be playing their first game next Wednesday on Vegreville ice. The ice sheet in the arena here is just now ready for use and it is felt that it will be impossible to ice a team for the scheduled game here on Saturday.

The Turkey Bingo which was held in the Elks hall on Tuesday Dec. 15 proved to be very successful, and will be a great help in the financing of the club. The thanks of the club are extended to all those who patronized the Bingo, and especially to all those who helped out in organizing and running it.

Watch for definite announcement regarding the first home game in next week's Standard.

## LANDMARK BURNS TO GROUND

The big three-storey frame house located three miles west of town, just north of highway 16, was completely destroyed by fire which broke out about 10:45 p.m. Wednesday. Mr and Mrs Peter Cavish who occupy the house were away at the time. Nothing was saved.

The tall house has long been a landmark and was lived in for many years by Mr. and Mrs. George Reasbeck. It was also a popular stopping place in the early days of settlement in the district.

## Donate To Salvation Army Christmas Cheer Fund

As in previous years the Salvation Army will be dispensing Christmas cheer and aid to the less fortunate. You can have a share in this work by your contribution to the cheer fund. Mail any donations direct to Capt. R. Chapman or place your contribution in the cheer pot which will be on the street this Saturday afternoon when the Army band will play carols.

## Annual Meeting Of United Church W.A. At Mannville

MANNVILLE. The W.A. of the United church held their annual meeting on Dec 10 at the home of Mrs. Sargent. A successful year was reviewed and the executive thanked all those who helped make the bazaar, tea and banquet such a success. The following groups are sponsored by the United church at Mannville: the Cubs under the able leadership of Rev R Crighton and Mr Kott are very active so hope to have a good year; the Mission Band led by Mrs Sowe and Mrs Clark meets every Wednesday afternoon with 16 members present, and the C G I T meet on Monday evening with Mrs Doherty as leader assisted by Mrs Gamble. On Dec. 13 the C G I T girls were guests of the Vermilion group at their candlelight service, and on Monday evening the girls entertained their mothers at a Xmas party at the home of Mrs Gamble.

The following officials were elected at the W.A. meeting: President, Mrs. M Majeau; Vice-Pres., Mrs. M. Proudfoot; Secretary Mrs M Rostron, Treasurer Mrs N McFadden. Visiting Committee Mrs E Gerhart and Mrs N Ewing; Sunshine, Mrs G Ruud and Mrs M Gerhart, Devotion, Mrs. Crighton, Education and Youth sponsor Mrs L. McCauley, Parsonage Mrs M Proudfoot and Mrs H Letts, Literature Mrs D Baker, Phone Mrs V Elliott, Sewing E Gerhart, N Ewing, M Sargent, Candle roll Mrs L Colborne, Press Mrs E Van Dusen.

## Extra Hours For Christmas Shoppers

Vermilion stores will remain open extra hours for the convenience of Christmas shoppers next week. On Tuesday, Dec 22 the stores will be open all evening until 9 p.m., On Wednesday, Dec. 23 the half holiday will be cancelled and stores will be open from 9 a.m. to 6 p.m.

All stores will close on Thursday Dec. 24 Christmas eve at 6 p.m. as this is an evening practically everyone prefers to spend at home with the family.

This year provides a three day holiday with everything closed on Christmas Day Dec. 25, Boxing Day Dec. 26 and Sunday Dec. 27.

Council Agrees To 75%--25% Split

## More Gate Receipts for Hockey Club

The regular meeting of the town council was held Dec. 7 with Mayor S. C. Heckbert, Crs. M. Hill, D. R. Mitchell, H. J. Payne, G. W. Sutherland, and Geo. C. Webb present.

Absent, Cr. K. G. Urquhart.

A delegation from the Senior Hockey club attended the meeting and outlined the financial position of the club. They requested that the town give consideration to a 75%-25% split in the net gate receipts from the hockey games rather than the 60-40 split of previous seasons. The Mayor said the matter would be discussed and that they would be advised of the decision.

The minutes were adopted as read.

Financial statements for October and November were adopted as read.

Correspondence: R.C.M.P. re the October and November reports; NADP re milk supply and delivery; Town and Rural Planning re town survey, Civil Defence re Welfare Forum; Winifred Preston re street light; Dr. A. Ben King re water supply; Kinsmen club re street numbering; Health Unit inspector outbuildings; Town of Camrose re garbage disposal unit; Board of Trade re Old Folks Home; C.N.I.B. and Wood's Christian Homes re Financial appeals.

The following motions carried:

That division of gate receipts for hockey games for 1953-54 season be divided on basis of 25% for the town and 75% for Vermilion Sr hockey club after referees are paid from gross revenue.

That a committee be appointed to go into insurance on all town property.

That ratepayers owing taxes on properties rented on a profit basis be advised that distress proceedings will be taken immediately in Jan. 1954 unless taxes are paid by Dec. 31, 1953.

That school requisition balance and hospital requisition balance and debentures be paid in full forthwith.

That voters' list as presented be adopted.

That Toner Grocery and Peter Hawryluk be permitted to conduct their businesses in Vermilion.

That the town accounts and the water and sewer accounts be passed and ordered paid same having been certified by the Finance committee.

## Town Purchases Garbage Truck

A special meeting of the town council was held on Dec 10 with Mayor S. C. Heckbert and Crs M. Hill, D. R. Mitchell, H. J. Payne, G. W. Sutherland, K. G. Urquhart, Geo. C. Webb present.

The following motions carried:

That notice of this meeting be waived.

That we purchase Woods Bucket Packer and truck from the town of Camrose for $3500.

That Bernard Bauer be granted permission to move building in to be made an addition to his present house, acceptable to the Building Inspector and Secretary.

## W. J. Elliott Dies In Edmonton

Former Principal of the Vermilion school of agriculture and a much esteemed citizen of the town during his residence here, W. J. Elliott died suddenly in Edmonton last Thursday. He was 78 years of age. Mr. Elliott was V. S. A. principal here from early in the 1920's until 1937 when he was transferred to the Dept. of Agriculture in Edmonton. While in Vermilion he was very active in church and community work.

Mr Elliott was born in Egmondville, Ont., and was educated in Ontario schools and the Ontario Agricultural College at Guelph. On graduation he became dairy instructor at Bozeman College, Montana, and in September 1903 married Miss Edna Sarah Spooner in Leroy, Minnesota.

In 1910 he was appointed manager of the CPR farm at Strathmore and in 1915 became the first principal of the Olds school of agriculture. For the next 21 years he was principal of the [illegible] Vermilion with the exception of a few years with the United Grain Growers.

Following his retirement from the Vermilion school in 1937 Mr and Mrs Elliott moved to British Columbia. During the war years Mr Elliott worked with veterans at the Shaughnessy hospital, Vancouver under [illegible] educational service.

In the past few years the couple resided in Edmonton. Mr Elliott is survived by his widow, two daughters Mrs J A Strathern of Vancouver and Mrs. G. H. Lambert of Edmonton, one son W S Elliott, Fort Saskatchewan, nine grandchildren and four great grandchildren.

## Suey Fore Is Host To Board of Trade At Christmas Dinner

Suey Fore, manager of the Rio Cafe, played host to the Board of Trade members on Wednesday [illegible] treated them to a [illegible] Christmas dinner [illegible]. This [illegible] and the [illegible] was called to the [illegible] the thanks of the Board [illegible] proffered by President [illegible].

MEETINGS CANCELLED

The next two [illegible] Board have been [illegible] to the Xmas holidays [illegible] next meeting will be held [illegible] Rio Cafe on Wednesday [illegible] 12 noon.

## Mannville Man Suffers Serious Eye Injury

MANNVILLE. Mr. Milton Fury of Mannville is in the University hospital in Edmonton undergoing treatment for an eye injury. He was pounding a nail when the head of the nail flew back and hit him in the eye. The fluid from the eye was lost and it will not be known for two weeks whether his eye can be saved.

## Saturday Noon Dead-Line For Christmas Greeting Adverts.

Next week the Standard will publish the Christmas issue. As this requires a complete change in the make-up of the 16 pages expected it means that the staff is confronted with a large undertaking. As a result of the work required the deadline for Christmas advertisements is Saturday, Dec. 19 at noon. You can select your greeting advert from over 1000 samples at the Standard office.

The issue of the Standard between Christmas and New Year's will be suspended, so that next week will be the final paper of 1953.

## Plan Progressive Development of New Provincial Park

Mr. Melvin Hill, chairman of the local board of the committee in charge of the Vermilion River Provincial park in reporting to the Board of Trade at the Wednesday noonday meeting, stated that plans were already being forwarded for further development of the new Vermilion River Provincial park. This development in the forthcoming years would probably surpass that which has already been done. Brushing and burning of the brush was being carried out at present. Other plans called for extension of the lakeside drive for another mile and a half along the south side and the building of a new scenic drive along the north side of the lake. The boat dock will be enlarged and improved; the present beach will be enlarged and a great amount of new sand hauled in. The Fisheries Dept of the Province have plans for putting in a large number of fish early in the spring. The Provincial Dept. have supplied material for two more bath houses and these are being built as special projects by the students of the Vermilion school of agriculture.

The local parks board is comprised of Melvin Hill, chairman, K G Urquhart and G W Sutherland.

## Christmas Sunday Services At The Salvation Army

Christmas Sunday services at The Salvation Army will be in charge of Sr. Capt. I. Maddocks, Young People's Secretary for the province of Alberta. In the evening at 7:30 there will be a special Candle-Lite service with musical numbers presented by the orchestra, and others, as well as selected readings. The annual Christmas program will be presented at the citadel on Monday, Dec. 21 at 8 p.m. and on Xmas Eve members of the band and carol-ers will be visiting the hospital and the homes of shut-ins.

ALLANDALE

Allandale Christmas concert will be held on Tuesday, Dec. 22 at 8 p.m. 25

Guests of Vermilion Stockmen at Luncheon

## IRMA 4-H CLUB MEMBERS TOUR VERMILION DISTRICT

Thirty-seven young people and their leaders from the Irma district members of the 4H Beef club toured the Vermilion district on Saturday when they visited the farms of six prominent beef cattle breeders. In charge of the tour was the Club leader, Mr Stuart Fenton, while accompanying the young people also were Mrs. C. M. Steele of Irma and the District Agriculturist Mr Stewart Duncan of Wainwright.

Before reaching Vermilion the group which was travelling by bus stopped at the farms of W. L. Robinson prominent Shorthorn breeder where they saw the stock which had just returned from the Toronto Royal, also some stock being fitted for the Edmonton spring livestock show. At the farm of Mr. Manson Barr they inspected stock being [illegible] for the Edmonton Spring show and then went on to the farm of Mr. Clarence Barr who is preparing a carload of [illegible] steers for the Edmonton show.

At the farm of Mr. Manson Barr their first stop the young visitors were met by Bob Barr president of the Vermilion 4H Beef calf club [illegible]

[illegible] the town of Vermilion [illegible] Dr. H. E. MacDonald [illegible]

Dr. MacDonald urged the young folks to keep their eyes open, listen well and not to be afraid to ask a lot of questions. Don't take everything for granted he said as these tours were arranged in order that they might see how other people who have achieved success in stock raising times do things and achieve that success. The men whom they had already visited during the morning and those who they would visit in the afternoon would be only too glad to pass along all the information they could. The days of haphazard farms are long since gone said the Doctor we are now in an age where there is more thinking and less hard manual labor, more planning of better ways to do things.

Bob Barr expressed appreciation to Mr Campbell and Mr Tucker for arranging for the very enjoyable dinner while the thanks of the Irma Club for the kind hospitality received everywhere in Vermilion and district was suitably voiced by Miss Irene Archibald, president of the Irma 4H Beef club.

Following the dinner the group headed north to the Hereford farm of Mr. Homer Campbell where the centre of interest was Mr Campbell's imported herd sire brought in from Thorpes, U.S.A. The tour then took them to the farm of Mr. J. S. Cross and here again they inspected imported Hereford cattle. A short bus trip from there they saw the exceptionally fine Aberdeen Angus cattle on the farm of Mr. William Cross. This concluded the stops to be made and all the young people felt that a very worthwhile and enjoyable day had been spent. Everywhere they went they received the utmost in hospitality.

Mr Stuart Fenton, Club leader extends his thanks and appreciation publicly to the owners of the several farms visited for their interest the information imparted to the club members and for the hospitality received and to Mr Tucker and Mr Campbell for the dinner given to the entire group of some 47 young men and women at the hotel.

The Irma 4H Beef club arranges one such trip each year. One year ago the tour was to Camrose and Wetaskiwin with this year the trip to well known purebred cattle farms in the Vermilion district.

## Newspaper Bingo

Numbers drawn this week are N-37 and O-75.

Numbers previously drawn are: B-7, B-9, I-18, I-28, N-44, G-57, O-62, O-68.

As soon as you get any bingo, up and down, across, or from corner to corner phone or notify Simonsen's Furniture store.

# News from Islay

Mrs. W. Purves is home again, after having had a little holiday, not sure though where she spent it. And W. G. is worried again about his hens laying too much. He feeds barley chop. So if any of you poultrymen would like to increase the egg production of your flock of hens, contact W. G. Oh yes, his little Ford car can't go fast enough for the wheels, so the wheels take off and run on ahead. But they seemingly can't steer themselves along the street as one went bango right into the side of Harry Young's store. Harry hurried outside to catch the culprit who might be hammering with a battering gun and what does he see but a wheel, a whole wheel, by his store and W. G. and car lopsided in the middle of the road. Needless to say those wheels are bolted on solidly now.

New cars, and more of them! Dave Martin is driving a new Chevrolet and was Grandpa (Mr. Frank Hancock) who was riding in it, ever mortified when the 'Beauty' refused to go, right on Main street in Islay and had to be pushed. The reason, just too new, some part too stiff yet. Well the Chevvy goes alright now and Mr. Hancock came to church Sunday afternoon in it. Very glad to see you out again Mr. Hancock.

## PERSONAL

DERWENT—Concerning — Yours B.A.

Dear B.A.
Teasin, reason, jealousy
Yet we continue faithfully,
Saturday, Sunday any day
Watch your step so they say
Travel fast or travel slow
It's no use for now we know
Paper time so little spent,
But Oh, your notes so little meant.
Yours truly — You know who.

## First 1954 Car Already In Hands of Owner

The first 1954 model car to be purchased and delivered in Vermilion is owned by George Caron. George is driving a Dodge Regent sedan purchased from local agents Super Service.

## Princess Anne W. I.

The annual meeting was held in the club room on Dec. 7 at 2 p.m. with 19 members present.

The meeting opened with O Canada and the repeating of the Creed followed. Roll call was answered our favorite flower.

Our President Mrs. R. Mead gave a short address touching on a concerted drive in the new year for new members, and so ably expressing what our first year in the A.W.I. has meant to all of us.

The treasurer gave her report for the $113.95 and of this had paid out $94.23. The report was adopted as read.

Each member is to bring a Diaper for India to the January meeting.

We sent our contribution to the A.C.W.W. fund.

A discussion followed re necessary seats for our club room. It was duly moved, seconded, passed that we purchase enough lumber to make 16 stools and ask Mr. Geo. Mead to cut same on his power saw.

A gas container and 25 new cups were bought for the club room.

The next item was the election of officers. It was the feeling of all the members that as we had only been organized since February it would be better for the present slate of officers to remain in office for another year, so all officers were returned by acclamation. They are: President Mrs. R. C. Mead, Vice-Pres. Mrs. Fred West, Secy. Mrs. T. R. Reeves, Treas. Mrs. ... L. Searle.

The meeting adjourned and after the singing of God Save the Queen we enjoyed a hearty lunch to which each member had contributed.

The next meeting will be ... 27 at the home of Mrs. ... Roll call to be answered with a Sewing Hint. Lunch committee Mrs. W. McIntyre and Mrs. Dollman.

QUESTIONS and ANSWERS about Cancer

*QUESTION:* Is there a relationship between irregular bleeding and cancer of the cervix of uterus?

*ANSWER:* There may be and for that reason women with this symptom should go at once to a doctor. Irregular bleeding is usually the first sign of cancer of the uterus. In women beyond the menopause a discharge may be the first sign.

*Write for Free Literature*
CANADIAN CANCER SOCIETY
Vermilion, Alberta

William Johnson who settled in the Landonville district and homesteaded in 1907, so can rightfully be regarded as one of the true pioneers of the district, writes from Prince George, B.C. and sends greetings to all of his old friends and acquaintances hereabouts. Mr. Johnson lived on the Landonville farm until 1928, spent four years in Edmonton and then moved to Prince George. He likes the B.C. port town fine and doesn't regret moving to the coast. He has a brother J. T. Johnson living in Vermilion.

## United Church Men's Club Enjoys "Pot Luck" Supper

The November meeting of the United Church Men's club was held in the lower hall of the church, on Wednesday, Dec. 9, 5:45 p.m.

The supper at which the Men's club was host to the members of the church board and the Presbyterial Visitation committee, took the form of a 'Pot Luck' supper and there was an abundance of good food for all to eat. Caterer Eddie Brimacombe and his assistants did a really good piece of work in the arrangements.

After the supper members attended the meeting of the Presbyterial Visitation committee held in the church.

## W. M. S. MEET

The W.M.S. of the United church met for their last meeting of the year on Thursday evening, Dec. 3 in the church hall. The meeting was called to order and opened with a prayer by the President Mrs. L. Robinson. The roll call was then taken. There were 32 members and visitors. The reports were given and whatever business on hand was transacted. The meeting was turned over to Mrs. Folk and Mrs. Stephens was asked to read the Scripture which was the Xmas Story. Mrs. Moore was then called on to give a reading of a very interesting story. Next on the program was a lovely hymn 'In the Sweet Bye and Bye' played on the piano by Miss Donna Isley. It was played beautifully. The next item was a wonderful description of how Christmas first came to our Christian world and of how Santa Claus first started. Mrs. Hill brought her item to a close by playing the piano for a solo sung by Mrs. Koehli which was lovely. Mrs. Folk was asked for another hymn as it was the Christmas season.

The meeting closed with a prayer.

The Christmas bazaar was then held while the committee in charge prepared lunch. This was enjoyed by all along with the social half hour which followed.

A donation to the cemetery fund in memory of Mr. George Edward Long from Mr. and Mrs. A. W. Elliott was omitted from the list published in the obituary.

In memory of a loving husband and father
Mr. A. J. Wayne
who passed away Dec. 18, 1952.
He bade no one a last farewell,
He said goodbye to none,
The heavenly gates were opened wide,
A loving Voice said "Come".
Always remembered and sadly missed by his loving wife and family.

*IN MEMORIAM*
In loving memory of
... Firth
who passed away Dec. 19, 1949.
And ... peaceful ...
... we shall always keep.
Loving wife, Dorothy, Bill, K... and Marie

*IN MEMORIAM*
In loving memory of
*Paul Harwather*
who died Dec. 16, 1948.
Gone is the face we loved so dear,
Silent is the voice we loved to hear,
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember him who once was here,
And who though absent is just as dear.
Ever remembered by his loving wife and family

# Dewberry News

The Dewberry United church and Sunday school are having a Xmas service in Dewberry hall Dec. 20 at 7:30 p.m. The Dewberry Boys' band will also be on the same program. Everyone is welcome.

Curling got away to a fine start here on Dec 10. 20 rinks are lined up for the winter draws. The new rocks are now in play and great interest is being shown.

The Dewberry Ladies' Curling club held a meeting last week. The new officers are: President -Mrs. V. Dennilla. Vice-Pres Mrs. G. Fluney. Sec-Treas Mrs N. Jones. The date of the ladies' open bonspiel is set for Jan. 27 and 28.

Our congratulations to Mr. and Mrs. Harold McKnight on the arrival of a first son.

Roads are becoming badly drifted in places. Oh sure, everybody is blaming the councillors!

Milton Brett this year planted nearly a half mile of trees for a wind break on his road. Little snowplowing need be done if the snow could be held on the fields.

Harlan Green of the Greenlawn F.U.A. local has a tape recorder and has recorded much of the recent F.U.A. Provincial convention.

The recent annual school meeting held in Dewberry hall had about 30 ratepayers present. We appreciate very much such a complete report as given by the secretary, the School Superintendent, and the trustee Mr. R. Mead.

Violet Keast has been taken to Edmonton by her parents for an analysis of a nerve condition. We hope this great little athlete, as she proved herself to be at the track meets, will soon be able to enjoy herself again.

Just in case you are all doubled up with rheumatism don't complain because if you are a curler you are bound to show up for the draw you are in. Just one way of ironing out the kinks!

## THE STAGETTES

This agreement between Vivian the bride of the month of January in the year of our Lord one thousand nine hundred and fifty-four, hereinafter called the bride-to-be, in the town of Vermilion in the province of Alberta, of the First Part, and I, hereinafter called the writer, of the Second Part, made on the 15th day of December, 1953 doth hereby free and clear and freely and absolutely release the writer from all and any responsibility concerning remarks, true or untrue, arising from innocent comments in the Standard regarding the bride-to-be, hereinafter called the paragraph, or any part in, of or about said remarks, and that the bride-to-be shall and will answer any such said heretofore mentioned remarks from time to time and at all times hereafter upon every reasonable occasion. (Puff, puff).

It was thoughtful of Anne Baldock to tell Frank and Elsie Cameron of the big event to be held in her house ahead of time so that they could arrange not to be home that night. If anybody tried to sleep—not that we were noisy on purpose it's just that each had to talk a little louder than the other to be heard above the rest. With "Pig Pig" in one corner, "I bid three of diamonds, no trump (Vivian so lost) in another and "Hic! Ooops" from Juliette what a party. Oh just a minute, hold That is to say the money bag Mary Anne McDonald who is leaving us for the Air Force soon was making the most of her last fling as a Stagette. With an apple in one hand as many peanuts as she could hold in the other, and a lap full of washers that she thought was money she was as happy as she could be. We haven't had our Mary Anne very long and will surely miss her though wish her every happiness as the New Year brings her a new life in St John's Nfld and hope to hear from her from time to time. Was it the Luck O' the Irish that made Kay Stewart the Canasta queen or was it Theresa's beginner's luck? Ivy's got a fist full of cards and she doesn't know what to play where, but she can hum a little ditty so all's well in that corner. Ernie is going to hang out her shingle as Fortune Teller. She sits there with her mouth open and everybody else tells the fortune but you could see that she had good ideas. After the games were all over and the girls were discussing the final results Eileen came up with the big idea that she should find out what she was playing.

No one was on a diet that night, so lunch, and what a lunch it was, disappeared down the hatch at an alarming rate. Then Santa, the dear ol' fellow himself stumbled into the room. He looked a little different somehow suffering from stomach trouble I believe, but was as good natured as ever and distributed gifts to all. It was a jolly good time and hearty thanks to our hostess Anne.

It isn't news when a Stagette gets a diamond ring. It isn't even news when two or three of them do but Zeeh' our club's gone starry eyed completely this year. Kay Caron the president of all people, is the latest victim of Dan Cupid's arrow.

There's just one week left to get your tickets for the doll and also for the dance so if you haven't one step lively while the chance lasts. And don't forget to come early on the 28th. Dancing is from 9 o'clock til midnight you know. Remaining doll tickets, if any, and stubs are to be turned in to Evelyn by Tuesday, the 22nd. Remember to make your posters, kids.

Christmas hampers are being made up and will be distributed soon. Along with these hampers go our best wishes for a Merry Xmas and a Bright and Happy New Year.

Berna and Gertie will check on Saturday 19th. Theresa will phone checkers for the Holly Frolic, and Saturday Jan 2 Ivy and Noreen take their turn.

Until after Christmas then, have fun everybody.

## Wildmere Winks

Congratulations to Mr. and Mrs. John King of Thorncliffe district on the birth of a baby girl last week.

Mr. Jim Kenneyd who took sick last Thursday night and was taken to the hospital by George Cruthers is seriously ill. We all wish him a speedy recovery to health and home.

The high winds have played havoc with roads lately, not so much in our part as we have not had much snow. North of Vermilion and at Kitscoty snow is already deep.

The Wildmere curling rink will soon be ready for the busy season as ice is just about ready.

Rev Ford held church at Basswood on Sunday afternoon. There was a large congregation, 28 to be exact. He gave a lovely Xmas service and said not to forget Christ on Christmas as that is the true meaning of the day. So, let us not forget to give thanks to Him for our loved ones and blessings of freedom we enjoy in our country. Next service will be Jan. 10 at the home of Mr. and Mrs. Frank Gibson.

The writer and family attended the Kitscoty Rramatic club plays held at the hall in Kitscoty last Friday evening. There were three plays and the actors and their directors are to be congratulated on the fine work. We are sure everyone enjoyed it very much. Only thing the hall was not large enough to accommodate everyone. The music given between plays was good too. Our nephew, Bobby Graham took prat in one of the plays. It's a lot of work for those behind the scene but well worth the trouble it takes.

Here's a good one. Mrs. Fred Kottmeir of Tolland had a turkey hen lay two eggs last week, but now she is moulting. That is certainly late for a turkey to lay or should we say early!

Mr Frank Gibson and Ernest of Basswood leave this Friday to spend Xmas with his parents Mr. and Mrs. G Gibson at Cloverdale, B.C. Next Wednesday Mrs. Gibson, Mary and Isabelle leave to join Frank out there. They will all return home together.

## Sixteen Years Ago Today

Dec 16, 1937

A meeting of the ratepayers of the new Vegreville school division asked that the order constituting the division be withdrawn.

Practically all side roads were blocked and snow planes were in demand.

Davies' Meat Market was advertising No 1 Government graded young buffalo.

Jack Turker was away on a trip to Toronto.

Ernest J Green of the Tolland district had just become nicely settled near Mission City B.C.

## Thirty-two Years Ago Today

Dec 14, 1921

Proceeds of the bazaar held by the ladies aid of the Methodist church amounted to $200.

Considerable interest was taken in the town elections on Monday when five candidates were contesting the three vacancies. The vote stood as follows: S.R.P. Cooper 139, W. R. White 125, J.A.M. Craig [illegible], Wm. Boydon [illegible], Walter Noble [illegible].

I. Saville was president of the Dewberry F.U.A., J. Tough vice-president and Fred Hardwick was secretary treasurer.

Skating and curling rinks were both opened for the season last week.

A farewell party was held for Mr and Mrs. Bateman at the St. Saviour's Parish hall. They are leaving to live at Dauphin, Man.

## Uncle CHARLEY'S "Epigrins"

The Ridge Corner butcher handles all kinds of meat and hands out bologny too.

• • •

A lot of gals start out with bangs and end up with jerks.

• • •

Since the young folks are all wearin overalls, where is the "Fancy Pants"?

• • •

How anger is only one letter short of danger.

• • •

Since Grandpa Hedges got a new upper plate he don't git as much mileage from his chewin gum.

• • •

Many a kid starts out with a paddy cake and ends in a paddy wagon.

• • •

Everytime that Grandpa Hedges gits wound up, Gram runs him down.

• • •

In the Parsons mail, Your sermons sir, I wish you would make 'em half as long and twice as good.

• • •

That boy that fell two stories on its head and was uninjured would sure make a dandy congressman.

## Are You Safe at Home?

Paper burns quickly and generates enough heat to set fire to any other combustible material in the area. Your chesterfield, your chairs, table, clothing and even the rug on the floor could be the material ignited by the paper. That is why Christmas wrappings should be quickly removed from the home and disposed of safely.

Now is the time to think of buying a few extra ash trays. Ash trays are most important when more than the usual number of people gather together in a home. Then there are the children playing on the floor who are always discovering new things. Make sure they don't get a chance to experiment with matches. Your home will be safer if you keep an approved fire extinguisher in readiness. Plan ahead of time just what you would do if a fire should suddenly break out. Remember it is dangerous to remain in a burning building unless you can put the fire out immediately and don't forget to call the fire department.

There will be a few extra fire hazards to watch for during Xmas time and the extra precautions will be well worth while and [illegible] in no way spoil the joyous Christmas spirit.

## Please Tell Us!

The Standard would deem it a great favor if residents of the town and district having visitors over the holiday season, or if you are spending the Yuletide elsewhere would forward such information by phone, letter or personal call to the Standard office for inclusion in the local news column.

---

The golden anniversary of the Christmas Seal sale is being celebrated this year in Denmark where this method of enlisting public interest in the fight against tuberculosis originated. In the 50 years since a Copenhagen postman Einar Holboell, thought of the scheme [illegible] Christmas mail, over [illegible] countries have used this method of appealing to the public for funds to prevent tuberculosis.

## Elk Point Creamery Sold; Will Be Operated By Local Company

Of particular interest to Elk Point residents is the news that the local creamery has recently been purchased by a new firm being organized under the name of Elk Point Dairy Products Ltd.

Built in 1929 by a local company the creamery was operated until 1936 when it was sold to the late Claire Johnson. Mr. Robert Dale purchased the business in 1938 and managed the plant until his death in June 1948. Since that time and until mid-October of this year it has been operated by his widow, who, having found it increasingly difficult to hire efficient help decided to sell out to the new firm.

The plant has been closed since October 17, but it is the intention of the new owners to re-open early in the new year after certain repairs have been carried out.

Mr. William Mulholland, popular local creamery man will be in charge of the plant. It will be recalled that Billie has for several years been a runner-up in Provincial competitions for the high quality butter which he has produced and in 1952 he succeeded in winning the Canadian Vegetable Parchment award for the most perfect control of mould and yeast in the province.

The new firm is fortunate in obtaining the services of such an outstanding buttermaker and as plant manager his contribution to the dairy industry in this district will be very substantial.

Equipped with the most modern machinery, this plant will be able to provide a very high standard product. Up-to-date electric refrigeration has replaced ice and an automatic electric icy flow refrigeration unit provides rapid cooling of cream following pasteurization. A new enclosed transmission electric DeLaval cream vat and Cherry churn will contribute much to the future operation of the plant.

Natural gas is used for heating and generating steam and it is expected that town water and sewage disposal will shortly be made available.

As the name implies, Elk Point Dairy Products has ambitious plans which embrace the processing and sale of fluid milk to the town as well as the manufacture and sale of ice cream and poultry products.

The opening of the plant will shortly be announced through the columns of the Standard.

---

More than 6 percent of Canada's surface is fresh water.

## Municipal Seed Cleaning Plants

There are at present nine Municipal Seed Cleaning plants operating in the province, reports F. F. Parkinson, supervisor of Special Projects, Alberta Department of Agriculture. All of these have been built under the three-way policy sponsored by the Alberta Department of Agriculture, that is, the cost has been shared by the Farmers' Co-op., the Municipal District and the Dept. of Agriculture. A tenth one will be in operation at Vermilion in the course of a few weeks.

The combined capacity of these plants is well over 2,000,000 bushels for the season, if they are patronized as they should be. Farmers have been inclined to wait until seeding time approaches before arranging to have their seed cleaned. This results in a rush at the plants, so much so, that many farmers have been unable to get their seed cleaned. Mr. Parkinson advises farmers to take their seed in now to have it cleaned and treated ready for spring, thereby avoiding the spring rush and disappointment. Some farmers took their seed in from the combine.

Seed drill surveys carried out on a province-wide basis, show that the plants are doing a good job. In the 1949 survey only 23% of all samples were No. 1 seed grade and 53% were rejected. In the 1953 survey 29% were No. 1 seed, and only 27.5% were rejected.

---

More than a million people passed through the gates of Alberta's four national parks during 1953. This was almost 130,000 more than the previous year and the increase of visitors to Jasper National Park amounted to 20,000.

## Funeral Services For Mrs. Ethelyn Pauls

On December 1st, Mrs. Ethlyn Pauls, nee Ethlyn Keys, of No. 10 Dufferin Lodge, 317 13 Ave West, Calgary, passed away at the age of 39 years. She is survived by her husband Victor, two sons Jerome and James, her mother Mrs. Mary Keys of Vermilion, and one brother Clarence of Edmonton.

Funeral services were held Dec. 4 at Knox United church, Calgary. Rev. D. McLeod officiated and interment took place in Jacques Funeral Parlors in Calgary.

## Campbell Lake News

The [illegible] card party in aid of the Xmas Tree fund was held in the school Friday, Dec. 11. There were six tables. Prizes went to Mrs. N. Armstrong, Mrs. R. Reeves and [illegible] Armstrong, gents first Mr. [illegible], second Mr. [illegible], consolation Mr. Joe [illegible].

The draw was made for the two Christmas hampers of groceries. [illegible] drew the winning [illegible] Bill Herron, ticket No. 102, second to Mr. [illegible] Dellman, ticket No. 25.

[illegible] wishes to take this opportunity to thank all who so kindly contributed to the hampers and to all those who so willingly bought tickets and helped to make it a success.

## Xmas Prom Highlight For December

The final games of house league basketball for this year were played last week. It seems Carman is really ahead in basketball ability, as the final standings show. Both Carman boys and girls won the majority of their games. Service and Laurier seemed [illegible] evenly matched, Service finishing only one game ahead of Laurier. Standings were:

| *House* | *P* | *W* | *L* | *T* | *Pts* |
|---|---|---|---|---|---|
| Carman | 28 | 23 | 5 | 0 | 46 |
| Service | 28 | 10 | 18 | 0 | 20 |
| Laurier | 28 | 9 | 19 | 0 | 18 |

After Xmas curling will take the place of basketball, so Laurier and Service may have a chance to even the score with Carman then. Only time will tell!

CHRISTMAS PROGRAM

On Wednesday afternoon, Dec. 23 the High and Julor High schools will combine to present a Christmas program. We have heard several rumors of what is to go on, and are sure we will all enjoy it fully. Who wouldn't, after writing exams?

HIGHWAY SAFETY

On Monday afternoon students of V.H.S. and the Jr. high met in the Junior high auditorium to learn more about highway safety and the Alberta government driver's tests. After explaining about the various exams, Mr. Ball gave a volunteer, LaVerne Smith, the tele-binocular vision test and explained each step. Then a film entitled "Borrowed Power" was shown. All this proved to be most interesting and informative to everyone.

CHRISTMAS PROM

The members of Laurier House, led by Bob Bentley and Janet Wilson are planning a Christmas party to be held in the armories on Dec. 23. Everyone should be in a holiday mood, so let's all come and join in the fun.

Anyone wishing to attend, other than Grade 9, Dewberry, Mannville and Vegreville high schools, who has not been a previous member of V.H.S. in the past ten years, must have a guest card.

## Spotlight On The Junior High

In the Junior high school a dance was sponsored by the Grade IXa room on Dec. 4. It was a great success and I think the school enjoyed dancing to the music of the High school orchestra much more than to the music of a record player.

As a special project, table tennis tables have been built to provide entertainment during lunch hour. At present these tables are undergoing a paint job and should be ready for use early next week.

A joint party of the Junior high and the High school will be held on Dec. 23 at the Armories at 2 p.m. Please note that parents are cordially invited to attend. Entertainment will be supplied by the students of both schools.

On Dec. 14 many students attended the basketball game when the grade 9 boys played the grade 10 boys. The final score was 14-1 for the grade tens. The grade 9 girls made up for this however the next day, for they won 11-7 against the grade ten girls.

## Kitscoty High School

Curling has begun in earnest and a total of 14 rinks are in the high school this year. The skips include Kathleen Reid, Myrtle Kinshella, Jean Milne, Harley Rea, Bill Giles, Gerhad Kastendieck, Don Wannah, Jim Keit, Russell Linton, Ronald Conarroe, Gordon Jacobs, Lorne Venance, Art Berg and Wilfred Cundliffe. The first draw was held on Thursday night in which Berg and Jacobs tied 3-3 on sheet No. 1, however it was a different story on the other sheet as Cundliffe defeated Kastendieck 7-1. High school curling draws will be held every Tuesday and Thursday night. In addition a boys' rink will be picked from the high school to play in the men's draw. On Wednesday night a rink from the high school skipped by Gordon Jacobs defeated Croft's rink 8-4.

A large crowd packed into and overflowed the hall for the annual Drama Night on Nov. 11. The Drama Night. The dance which followed was also well attended.

## Martin-Watson Nuptials At The United Church

Miss Edith Fay Watson exchanged vows of marriage with Mr Jeffery Lyle Martin in an attractive ceremony at First United church Vermilion on Friday Nov 27.

Rev. ... W. MacKay read the ... the daughter of Mrs M Watson of Hindsville and ... Mrs A Martin of Vermilion.

The church ... was decorated with bouquets of mauve and white chrysanthemums.

Mr Frank Watson gave his sister in marriage.

The bride was charming in a beige gabardine suit with brown trim complemented by mauve and ... accessories and a corsage of pink roses and violets.

Miss Mabel Watson preceded her sister down the church aisle. She ... a gray gabardine suit with ... and green accessories. Her corsage was of pink roses and lilies of the valley.

The groom was attended by his brother, Mr Fred Martin. Guests were ushered to their seats by Mr ... Watson and Mr John Rund.

Wedding music was beautifully played by Mrs A. West.

For her daughter's wedding Mrs Watson chose a royal blue suit with pink and navy accessories and a spray of roses was pinned at her shoulder.

Mrs Martin wore a grey suit with pink and black accessories complemented by a corsage of deep pink roses.

After the ceremony a reception for ... guests was held in the Brunswick hotel.

A three-tiered wedding cake centred the head table which was laid with a white cloth. Bouquets of chrysanthemums completed the decoration.

Mr George Haines proposed a toast to his niece and nephew to which the groom ably responded.

Upon leaving guests signed the bride's book which was presided over by the bride's sister Mrs D Cameron.

The young couple will reside on the groom's farm in the Triangle district.

## Wildmere W. I.

The annual meeting of the Wildmere Women's Institute took place at the home of Mrs R Osterberg on Dec. 2.

The secretary gave her report for the year 1953 as follows:

Number of members 17.

Number of meetings during the year 12 with an average attendance of 12.

The past year has been a busy and interesting one, with all projects each month well responded to.

Donations were made to the following: Korean Milk for Children fund, International fund Arthritis and Rheumatic campaign, Flood Relief, European and Korean Relief fund. Subscription to 'Wee Wisdom' for local school, donation to W.I. Girls' club, also A.W.I. fund.

A blanket, used clothing and diapers were also sent to the depot in Calgary to be distributed to the needy.

After all reports were given and old business attended to, the meeting proceeded with the election of officers as follows:

President Mrs J. Bathe
Vice Pres. Mrs. F. Gibson
Treasurer Mrs G. Whitlock
Secretary Mrs. R. Dibben
Publicity Mrs. J. Wallington
Directors Mrs. R. Osterberg, Mrs L. Howard, Mrs. A. Holle.
Auditor Mrs. W. J. Garrett.

After all business had been attended to the meeting adjourned and the ladies then had their usual Xmas party. A lovely lunch was served by the hostess.

Back the attack on TB. Buy Christmas Seals.

## 4-H Girls Meet At Mannville

MANNVILLE. — Second meeting of the 4-H girls' club was held on Dec. 7 in the school. Mrs. S. Jackson has volunteered to be the club leader and she will be assisted by Mrs. C. Gamble. There are 22 members to date and it was decided that a membership fee of 25 cents each wud be charged. It was also planned to have a Xmas party as the next meeting and names were drawn for exchange of gifts.

Mis Shirley Holms, Home Economist gave the girls an outline on their first sewing project. Connie Gerhart, social convener was in charge of the entertainment for the evening after which Norma McLuckie served lunch.

ISLAND HILL-CAMPBELL LAKE

The Island Hill-Campbell Lake Athletic Assoc. will hold a New Year's dance in the Island Hill hall on New Year's eve, Thursday Dec. 31. 24-3

## Tips on Touring

By Carol Lane

Women's Travel Authority

If you've been wondering what to give for Xmas here are a few suggestions for the car owner and traveller.

For Her: A lightweight iron with its own zippered case; tissue dispenser; a pair of driving gloves; make-up mirror to be attached to sun visor, a travel alarm clock; a fitted overnight case; small sewing kit; plastic bottles in a zippered waterproofed case; car robe.

For Him: Deluxe license frame; fog light, oversize suction cup ash tray also compass and altimeter; set of chains; fender parking guides, hydraulic jack, folding case for road maps, a spotlight; budget and expense log book.

For the Family. Picnic kit; seat covers; water jug with spigot; folding camp stools; travel magazines; new luggage; a trouble light; portable radio; portable cooking stove; insulated formula bag; portable folding crib; gift certificate from your neighborhood service station.

And a Holiday Gift for Everybody Drive Safely!

There's nothing like giving folks what they want

NOTHING BUT THE TRUTH By Arnold

## NEWS from CLANDONALD

Indications are that if present weather continues for long that farmers around here will be hauling out the closed cutters and repairing the old bob sleighs. During the past week there has been several more inches of snowfall with almost as much now as during the entire winter last year. One good feature, however, is that the very slippery conditions underfoot are much improved with the covering of snow.

The F.U.A. convention was attended by three delegates from this local, Mrs. John McGillivray, Norman Seal and Tom Foy.

DEATH OF COLORFUL FIGURE

This section of Alberta lost a familiar and colorful figure in the passing of Mr. W. J. Casterton. In addition to his many activities previously mentioned in this paper he also took a lively interest in the affairs of hte Derwent Co-op. Shipping Association. As a member of the central board he acted as chairman for several years as well as serving in the same capacity on the board of the local branch in Clandonald.

CEREBRAL PALSY PICTURES

On Monday evening Nov. 23, moving pictures dealing with cerebral palsy were shown in the Orange hall. Mr. and Mrs. Steve Romanchuk of Dewberry were responsible for the affair as they have a real interest in making the symptoms and treatment of this dread disease familiar to the public. One of their children is a victim and is at present undergoing treatment in the Edmonton clinic. Although not largely attended by adults the donations were very gratifying, there being a total of $17.75 left at the wicket. During the intermission Mrs. Romanchuk gave a brief outline of work being done at the Edmonton home. Following the show she again spoke for a few minutes thanking those in charge of the hall and the owner of the machine for the free use of all facilities.

Also attendance was not large at the N.F.B. show held on Dec. 1st but many expressed themselves as very pleased with the high class type of pictures shown. There will be a show each month during the winter if attendance is satisfactory and the next one is billed for Jan. 12. These shows are of special interest to school children being of a highly educational nature as well as very entertaining.

ENJOYABLE DAY AT VERMIL.

A very enjoyable day was spent Vermilion on Nov. 28 when F.U.A. officials of District No 7 sponsored a one-day leadership course. About 80 were in attendance and during the course of the day heard very interesting talks from President Henry Young, F.U.A. Mrs. Taylor and several others. Col. Cormack of the Dept. of Extension was also in attendance, proved exceedingly witty and entertaining and kept things moving at a lively pace during the course of the day's program.

This district seems to be especially lucky at winning biggo prizes in Vermilion. Following Mrs. Michael's lucky win of first prize at the first part, Mrs. Alphonse Roberge was successful in bringing home a chesterfield suite from the second big affair. Here's hoping the district residents' luck will continue.

INTERESTING TRAIN SERVICE

Mr and Mrs. Fritz Brockman from Spondin near Hanna were week-end visitors recently at the home of the latter's parents, Mr and Mrs Harry Brake. For those who sometimes complain of our train service here a comparison ... that at Spondin may be of interest. The district is served by a ... train which ... in with empty cars and another to haul them out ... As the track passes through ... amount of grazing land the ... crew have to accompany the train to open and shut the gates. Fortunately mail and supplies do not have to depend on the railroad for transportation.

Lately several young farmers of the district have been seeking employment during the slack winter season. Among these are Harry Brake Jr., David Williamson and Charlie Monaghan who were successful in obtaining jobs with ... mograph outfits.

James Kirwin who sold ... farm and equipment early this fall recently purchased the property in town formerly owned by Jim Kinney. This consists of a dwelling house, garage, other buildings and an acre or so of land. Previously Mr Kirwin purchased a small house in town from Tom Stockwell. Mr and Mrs Kirwin are now living in the Kinney home.

Delegates from this local to the recent F.U.A. convention held in Edmonton were Mrs John MacGillivray, Norman Seal and Tom Foy. A full report on the proceedings will be looked forward to at the next regular meeting. This will be on the evening of Tuesday Dec. ... commencing at 8:30 sharp. All members and other persons interested are urged to be on hand as some very important resolutions were passed during the five-day session. Lunch will be served following the meeting.

Mrs Ray LaFaivre (nee Ivy Stanley) is at present visiting at her parents' home in Clandonald and plans to remain for the holiday season. Her husband who is C.P.R. operator at Fort McLeod will be coming for a few days at Xmas. Her mother Mrs. Stanley is at the present holidaying at the coast with another daughter ... whose home is in Vancouver.

## Wildwood

(Held over from last week)

Mrs. Dave Jack received word of the sudden passing of her brother, Amiel in Colorado. The older residents of this district will remember his living here for a time with his sister and extend to Mrs. Jack sympathy in her bereavement.

Mr Ted Wheadon took his parents to Calgary recently to spend the winter months with their son Thomas.

Mr. Carl Marklund, Mr. H. Lenz and Mr Geo Jack left Sunday as delegates to the Farmers' convention in Edmonton.

The ladies met in the hall Thursday afternoon and made two quilts for the Red Cross.

Mrs Ted Wheadon had the misfortune to slip and in falling to break a bone in her ankle and now has her leg in a cast.

Mr Neil Shook has spent the last fortnight in hospital with a bruised knee. His friends wish him a speedy recovery.

Mr Jimmie Critchon spent the week end at his home north of Kitscoty.

Misses Patricia and Darlene Wheadon spent a day or two with Mr. and Mrs. G. Jack while their mother was in hospital.

Mr and Mrs Jimmie Shouldice spent the week end with his parents.

Mr R. C. Drysdale and Bob Robertson also spent the week end at their respective homes.

The pupils of the school are having a dance in the hall Dec 18. The proceeds to go toward the Xmas tree.

CLANDONALD

The C. W. L. are sponsoring a dance at Columbus hall Clandonald on Monday Dec 28. Michael and Mulgrew orchestra. Gents 75c, ladies 50c. Everybody welcome. 25-6x

## Tuition Only Part

The typical freshman and his parents will hardly realize it, but university tuition fees pay only about 40% of the true cost of higher education, The Financial Post points out.

And every time enrollment rises, somewhere, somehow, funds must be found to more than duplicate the additional revenue from tuition fees.

Time may be a great healer, but it's not going to nurse Canada's universities back to financial health. There's a lull now in enrollment because of the scarcity of teen agers. But Queen's Principal Mackintosh expects 60% more freshmen than there are today to be knocking on college doors in 1980.

It is unfortunate commentary on our prosperous times that to keep the light of knowledge burning collecting money must take precedence over all other activities for most of our college presidents.

## OBITUARY

*MRS. IRENE WYNNYCHUK*

Funeral services for the late Mrs. Irene Wynnychuk were held in the Vermilion Greek Catholic church on Saturday, Nov. 28. The Rev. Father Charkowski officiated and interment took place in the Vermilion Catholic cemetery.

The pall bearers were Messrs. Mike Ferbey, Fred Ferbey, Mike Kunyk, Nick Woyewitka, E. T. East and Nick Hasiuk.

Mrs. Wynnychuk was born in Austria on July 11 1888 and passed away on Nov. 25, 1953 at the age of 65 years. She came to Canada in 1907, settling in the [illegible] district where they lived until 1924. She then moved to the Indian Lake district and has resided there ever since. She was predeceased by her husband on Dec. 18, 1933.

She is survived by one daughter Mrs. Kate Chubaty and six sons, Alex at New Westminster, Harry, at Vegreville, Mike and William, of Vermilion, Dan, Enderby, B.C., and Nick at New Westminster.

Moyers were in charge of arrangements.

Beautiful floral tributes were received from:

Mike, Kay and family, and Bill, Pete, Kate and Mary, Dan, Polly and family, Harry, Vivian, Bob and Marshall, Nick, Joan and Wayne, Eugene and Mary, Mrs. Hasiuk and family, Fred Wynnychuk, Mike Ferby and family; Alex Wynnychuk and family, Edmonton, Fred Ferby and family; Mr and Mrs. Ed East, Mr and Mrs Vic Patterson and family, Mr and Mrs Bill Woyewitka and family; Mr. and Mrs. Ben Pich and family, Hasniuk Family; Harvey and Mary Seymour, Joe, Anne Farkash and George.

Cemetery fund: The Chatsworth Country club.

Cancer fund, Mrs. Julia Farkash; Mr. and Mrs. Frank Farkash, Mary Rochford.

## ALLANDALE

We are enjoying fine weather yet though some roads have drifted badly. Our coldest so far has been 6 below on the 7th, on the 9th it was 35 above.

Monday Dec. 7 Orley Ommess accompanied Eddie Throndson on a fishing trip to Lake Wabamun. Tom Souder and Jimmy Mead joined them from the city. They enjoyed fine weather and good fishing and got ample supplies for all the families. They visited the Currie family and Mr Chalmers, who was repairing the fire damage done in their new [illegible]. Eddie visited Vermilion V.S.A. pals at the University. The hospitality of Mr and Mrs. Tom Souder was appreciated very much.

Mr. and Mrs. Orville Armstrong and sonny, the latter's mother and the former's dad, all motored to the city on Wednesday the 9th returning the next day. Carol and Karen holidayed with their Grandma Armstrong.

First Aid classes at Campbell Lake on the 9th were very interesting. Artificial respiration was taken up that evening.

It was a lovely afternoon for our monthly W.A. meeting held at the Throndson home on the 10th. We welcomed our visitors Mrs. Mayers and Mrs. Arnold. It was our annual meeting. President - Mrs. Ommess, Vice-Pres. - Mrs. Armstrong, Secretary, Mrs. Baldock; Treasurer - Mrs. Throndson, Ways and Means committee - Mrs. McPhee and Mrs. Dolsie Strome; Bazaar Convener, Mrs. Armstrong. Our bundles of lovely material were distributed for the making for our bazaar later.

The next meeting is to be at Mrs. Herb McPhee's on Jan. 13 at 2:30 p.m. The Clandonald W.A. and the Campbell Lake W.I. ladies are to be guests at this meeting. Miss Holme is to be our speaker.

Last Friday the 11th was turkey picking day at Johnny Nelson's, over 80 lovely birds were dressed for market. We all enjoyed the pet muskrat right at home in the barn. Really amazing how tame they can be. Saturday was picking day at Delore Nelson's and Monday at Throndson's.

To the Editor, staff and families, our fellow correspondents and our readers — may every gift of God be yours to know on Christmas day — the joy and happiness of friends, bright faith to light your way, new hope to face the coming year; and more than all these things, the tender blessings, lasting joys His dear love always brings.

## Progressive Education

Disputes about education and educational methods date at least from the time of Plato, and it is not difficult to imagine a caveman grumbling about the poor results of what passed for progressive education in his day.

More than a hundred years ago, Coleridge had a friend John Thelwall, who thought it unfair to influence a child's mind by inculcating any opinions before it should have come to years of discretion and be able to choose for itself.

"I showed him my garden," Coleridge reports, "and told him it was my botanical garden.

" 'How so?' said he, 'it is covered with weeds.'

" 'Oh,' I replied, 'that is only because it has not yet come to its age of discretion and choice. The weeds you see have taken the liberty to grow, and I thought it unfair in me to prejudice the soil towards roses and strawberries.' "

Fortunately, children seem to get educated somehow, in spite of all the theorists.

CARE OF THE FEET

Perhaps you are young and 'full of go' and you don't think the care of the feet matters very much, the fact remains that few persons reach adult life without some kind of foot trouble. Now practically all this foot trouble in 'grown ups' could be avoided by taking care of the feet in early years. In England there is a firm which specializes in making shoes for children and the trade name is 'Startrit' the idea being that if children are given the right footwear when young, trouble will be avoided later on. Your feet are the foundation upon which your body is supported. Have you ever had to wear a pair of tight fitting shoes? How miserable you feel! In time your back and legs ache and in fact you ache all over and soon you are tired out. To be comfortable on your feet is to be comfortable all over so it pays to take care of your feet.

Now there are some popular misconceptions about the feet. One of these is that it is rather an inferior part of the body — that you cannot compare the foot to the wonderful human hand. Exactly the reverse is the case. Man's foot is a highly complex structure. No animal has a foot to compare with it. Only man walks upright. Next to the brain, the foot is perhaps the most highly specialized part of the body.

Another common misconception is that all feet are pretty much alike, and — except in the matter of size — remain without change from childhood to old age. This is not so, feet are not all the same, they are as individual as faces. Feet have family and racial characteristics just as faces have.

A third respect in which many people are at fault is to regard the foot as something static, as unchangeable in form as the ear or the nose. The foot is dynamic; it is as responsible to the call for appropriate action as is the face to the play of the emotions. Along with this view goes the general undervaluation of the potentialities of the foot. In people who habitually go unshod, the toes can be used for picking up small objects, etc.; and in those who have the misfortune to be born without upper limbs, the foot can be employed for such civilized activities as writing, threading a needle or sewing. (Care of the Feet will be continued next week.)

BABY & PRE-SCHOOL CLINIC

Monday, Dec. 21 — Vermilion, Legion hall, 2 to 4 p.m.

Tuesday, Dec. 22—Streamstown, school, 2:30 to 3:30 p.m.

Wednesday, Dec. 23 — Paradise Valley, school, 2 to 3 p.m.

Thursday, Dec. 24 — Albert school, 10:30 to 12 noon.

## Claysmore Clippings

(This bulletin was crowded out last week so that due allowance should be made for time elapsed.)

Just a few members attended the Community Society meeting held on Dec. 1 at the school, consequently there wasn't much business taken up or discussed. The annual meeting of the organization will be held the latter part of June.

The U.G.G. agents at Claysmore and Mannville sponsored a joint meeting and picture show held in the Orange hall at Mannville on Dec. 3.

Mrs. Tom McCauley returned home last week end after spending ten days in the city visiting her mother who has been ill. We are glad to hear htat Mrs. Blair is now feeling much better.

Mr. and Mrs. Carlstrom of Edberg motored here on Saturday Nov. 28 and spent the week end with their daughter and family Mr. and Mrs. Allen Olstad.

Mr. and Mrs. Lloyd McCrae of Calgary motored from that city recently on a business trip here, and made some hurride calls on old friends in the district. Lloyd is now field man for the John Deere Co. and has a large district north and east of Calgary to cover.

A cordial welcome to the community is extended to Mr. and Mrs. Stewart Hillcox who were recently married and have purchased and are living on the Les Kreller farm.

## Germany Is Major Canadian Market

Germany is now one of Canada's major markets, continuing in fifth place during the first six months of 1953, with purchases valued at $33.9 million (DBS statistics). The central point of this trade is grain, particularly wheat but also feed grain, which accounted for $26 million or 76.7% of the total, the Canadian Agricultural Secretary writes from Bonn. In the crop year just started, Germany has again made large purchases of Canadian wheat, giving concrete evidence of its significance as a long term outlet. In addition, Germany imports from Canada a substantial volume and widening range of other products, primarily industrial raw and semi-processed materials but also food and agricultural products which are traditional Canadian exports.

## Travellers Hold Annual Meeting

C. W. Claxton, Edmonton was elected president of the Edmonton Club, Associated Canadian Travellers, at the annual meeting held recently. Mr. Claxton will succeed C. S. McNabb, Jan. 1.

Election results were announced at the regular luncheon meeting held at the Corona hotel, after the mail ballots were counted. Balloting by the 425 members was conducted by mail during the month of November. An executive consisting of three vice-presidents and 15 directors was elected as well.

The meeting, largest in the history of Edmonton A.C.T., heard a rpeort on the progress of the 7th Annual Search For Talent shows from Mr. McEachern, chairman of the Crippled Children's committee.

Mr. McNabb, in the chair for this final meeting under his guidance, reported that in the first 11 months of the year, 107 new members had been brought into the Edmonton Club, making it the largest club in Canada. He thanked the members for their efforts in this regard.

# Woodvale News

It seems that we have to report on a shower in every news bulletin. A very pleasant task it is however. Neighbors and friends gathered at the Thomsen home to shower the young couple there, Mr and Mrs. R. Thomsen. For awhile the men played cards in one room and the ladies and youngsters games in another. Both parties enjoyed this very much. Later in the evening they all came together and a decorated basket filled to overflowing was brought in and Mrs. R McQuid made the presentation on behalf of everyone present. At this kind of a shower the bride has the help of her husband and he thanks their friends, which Ralph did in a few well chosen words. After singing "For They Are Jolly Good Fellows" a tasty lunch was served and another pleasant evening came to an end.

Another [illegible] took place a week earlier when Mrs. R McQuid entertained all the young fry of the Tolland district on Larry's fifth birthday, and with her talent for organizing games and fun the children had a real good time.

The Ganton-Watson Red Cross auxiliary held their annual meeting at the home of Mrs. F. Van Wageningen on Dec 2nd with ten laides working at the same time on a quilt. The report for 1953 showed a very successful year with eleven meetings held and 9 quilts made and sewing done for the Red Cross. Money was raised by collections at meetings, donations, a bazaar and booth at the Tolland picnic, to the amount of $131.98, while contributions were made to the Red Cross Drive, TB drive, the Flood Relief and comforts bought for the sick and shut-ins of the community and help given in financing the booth the ladies use in the summer. New officers were elected as follows. President, Mrs. F McQuid; Vice-Pres., Mrs. Betty Lysons; Secretary, Mrs. A. Portsmith; Treasurer, Mrs. M Watson, Work convener, Mrs. M. McGrath; Sick convener Mrs. G Wolters; Publicity, Mrs. F. Van Wageningen. Afterwards a well deserved lunch was served and plans made for work in 1954. The next meeting will be on Jan. 6 at the home of Mrs. R. McQuid. We hope we will be able at that time to see the muskrat that is living in their cellar at present, though others who have had these fascinating little creatures in their cellars, predict that it will dig itself out before then and leave an uncomfortalbe big hole under the foundation, unless it is evicted before that happens.

Mrs. O. Wolters has a turkey hen which has not realized yet it is winter and is still laying eggs in the snow outside. This hen has not started to moult either and would be wiser to forget about that now the temperatures are declining daily!

Mr. and Mrs. E. Dubor and Diane accompanied by Cecile Goutier paid a visit to their parents Mr. and Mrs. Paul Goutier and had quite a time getting back to their home in Vegreville, as a fog descended over the country that evening. Camille Goutier spent a few days in Edmonton to attend a meeting of the Knights of Columbus there.

Mable Watson was home for several days at the time of her sister Fay's wedding. She works at the Aberhart Memorial hospital in Edmonton as a nurses-aid.

When Mr. and Mrs. John Crooks and baby Linda could get a ride from Always to Vermilion they dropped off at the home of their sister Mrs. Harry Sweeney and after a bit of [illegible] the Lysons family of [illegible] all came up to see them and the new baby — and needless to report, that such unexpected family get-togethers are thoroughly enjoyed.

Mrs. A. McQuid is staying with her daughter Marion in Edmonton for the winter.

Fred Slocum was chosen as the Tolland F.U.A. candidate for the general meeting in Edmonton this week, at a meeting held in the store on Dec. 1.

Bill McGrath and [illegible] Wolters were hunting near [illegible] and had a good time. Maybe one of these days they'll return with an elk, but what they would like to shoot they say is a wolf. Bert Portsmith also is away on a hunting expedition.

Wes Isley spent a few days in the Vermilion hospital for [illegible] lamp treatments on his shoulder.

Adam Dussack of Wynyard, Saskatchewan stayed a few days with Clarence Lewis and is helping John Tattersall for awhile. He has been on a trip to the coast.

## V.S.A. Has Largest Enrollment

Total enrollment at the three schools of agriculture and home economics in Alberta for the 1953-54 term is 394 students, a decrease of 22 over last term.

Largest enrollment was at Vermilion, where 121 boys and 38 girls were taking agricultural and home [illegible] courses. This was followed by Olds with 119 boys and 34 girls, and the Fairview school with 63 boys and 19 girls enrolled.

## Christmas Seal Returns Near Half-way Mark

Approaching the half-way mark, Christmas Seal returns for Edmonton and Northern Alberta have now reached $40,600, it is reported by T. E. Thompson, chairman of the Edmonton Kinsmen club TB Xmas Seal committee. Mr. Thompson pointed out that this is still $47,400 short of the $88,000 objective.

Alberta Tuberculosis Association officials report the provincial total now stands at $88,000 towards the objective of $213,000. The Association stresses that the Christmas Seal sale is the only appeal it makes and that no other funds are available for all its anti-tuberculosis work which includes many preventive services such as the mobile installations for routine chest X-ray of hospital admissions, tuberculin testing and health education, as well as a complete rehabilitation program and extensive nursing and welfare services.

C. Robt. Dickey, general secretary of the Association, declared that tuberculosis is still far from defeated, though spectacular progress has been made in recent years. He said, "TB killed more than 2500 Canadians last year, including 112 Albertans. TB costs over $30,000,000 a year in cash alone, besides untold suffering, misery and heart-ache. We will never have enough money until TB is as rare as smallpox or polio."

Chest X-ray surveys, a major activity of the TB Associations, account for a large part of the annual budget. X-rays given to Albertans through the Christmas Seal mobile chest X-ray units have now passed the 900,000 mark.

Christmas Seal contributions are income tax deductible and may be sent to the Edmonton Kinsmen Club TB Christmas Seal Committee, Heintzman Hall, Edmonton.

Check that date on your label!

# Of Many Things . . .

By AMBROSE HILLS CHARITY

Five minutes after I arrived in my small office this morning, a friend of mine called with a request. He wanted me to commit myself to a fifty-dollar donation to a charity close to his heart. I tried to say no to him in a polite way, explaining that I also have a charity close to my own heart and prefer to give what I can spare to it. I am afraid I lost a friend, because he became quite testy with me, particularly when I offered to trade cheques. I'd give fifty to his pet charity if he'd make out a similar cheque in favor of mine. That really upset him.

Later this morning, two nursing sisters called and collected a few dollars from me, and I know they will spend them well. They did not try to tell me how much to give or where my duty was. They offered me the chance to be charitable whereas my friend had tried to sell me, had been aggressive and even nasty.

I am reasonably sure that before the day is out, others will call here. I cannot afford to give to all of them. I am afraid I cannot always afford to give even to those who are gentle and of a charitable nature themselves, although in those cases I'll do my best. But like others, I must not make a big fellow of myself at the expense of my own family.

I know there are other men in this same office building who must be embarrassed in the same way that I have been. It is impossible to pay today's high rate of taxation and at the same time give enough support to private charities. Of the two, I'd much rather give privately. I don't find much charity in my heart when I make up my income tax form, even though I know that about a third of it is supposed to be used for welfare payments. I'd rather hand that out myself to the nursing sisters and the Salvation Army and the Community Chest. I hate paying an army of bureaucrats to tax money out of me to pay to charity. Charity is ruined by such middle-men. I wonder how much real charity there is in those huge government offices where all those big machines are busy pounding out welfare payments?

I like the kind of charity that has human emotion along with it, the personal kind. I like it best of all, because I think, in such giving, the old saying holds true that it is more blessed to give than to receive. Next to that, I like giving to nursing sisters, Red Feather, Salvation Army and the like, or to the building fund of a hospital or the support of a camp for boys. There, too, in spite of the drum-beating that goes with it, I know there is a lot of voluntary labor and real sincerity involved. I have done a good [illegible] of [illegible] labor [illegible] for free [illegible] I was glad to do it. No bureaucrat got a cut out of it.

I am quite sure that if the government doesn't stop forcing people to give through taxation, private giving will dry up, and with it the well-springs of genuine charity. That will be a sorry day for the world.

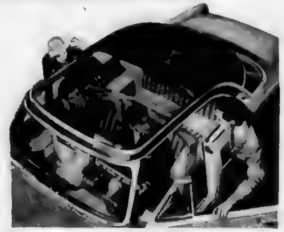
FIRST SHOWING TODAY-
and you're invited!
new '54 MERCURY
new in style...new in power...new in ride

Wider choice of models in two superb lines!

completely new 161 hp. V-8 overhead valve ENGINE
Canada's newest V-8...by the builder of more V-8's than all other makers combined

It's here! The big, long, low-to-the-road Mercury for '54, with a completely new 161 Hp. Overhead Valve V-8 Engine of advanced design. Here's smoother, more flexible power—a safer margin of power for surging acceleration, for hill-climbing, for more "go" in mud and snow, for better all-round performance. Here's all-new Ball-joint Front Suspension, introducing you to brand-new road-hugging stability on the curves—and an even smoother ride. And here's a new, wider range of Mercury models in two superb lines... four magnificently luxurious Monterey models, newest fashion cars of the day... dramatically beautiful Custom models... with new interior elegance, rich upholstery and appointments that challenge you to compare. New '54 Mercury travels with almost unbelievable quietness. You ride so silently you can praise it in a whisper and be heard! Arrange to road test the '54 Mercury for the driving thrill of your life!



Introducing the MONTEREY "SUN VALLEY" an all-new sky-view car!

Here's the newest of car fashions—the "Sun Valley" with transparent plexiglas top—an all-new styling concept that brings you an all-new driving sensation. It's just one of four superb Monterey models that widen the Mercury line for '54—each with the full complement of Mercury power features, plus Merc-O-Matic Drive—greatest of all automatic drives (or optional Touch-O-Matic Overdrive), custom radio, heater, Sea-Tint glass, turn indicators, windshield washer, rear fender shields, bumper-grille guards and whitewall tires.

Your Mercury Dealer invites you to see and road test '54 Mercury

## Wonder Out of Gas

In Edmonton these days there is much talk about a recently-developed plastic. It is so light it floats in water. It is an exceptional electrical insulator. It won't chip, shatter or [illegible] normal usage and is unaffected by the action of most chemicals. It is so tough it resists breaking or cracking in sub-zero temperatures.

The reason citizens of Edmonton are especially interested is that a $13,000,000 plant of Canadian Industries Limited located there is beginning production of this versatile plastic. The raw material is one of the province's natural resources — natural gas. The name of the plastic is polythene.

While polythene manufacture is new in Canada the plastic itself was first produced commercially in Great Britain by Imperial Chemical Industries Ltd. on the day Germany invaded Poland to set off World War 2. It was given credit for making radar possible through its value as a high frequency cable insulation.

But peacetime uses for polythene have exceeded by far those of war time. [illegible] and vegetables fresh on their way from market gardens to consumer. Multi-walled paper bags coated with polythene keep powdered milk dry, peat moss wet and safely hold fertilizers which normally eat through paper containers in a few weeks. Polythene bottles are being used to package everything from corrosive chemicals to cosmetics. Almost every kitchen contains [illegible] article made from polythene.

The Edmonton plant produces the plastic in the form of flake which is shipped to converters who mould or extrude it into the finished article. The plant therefore serves [illegible] by providing additional employment opportunities. Alberta [illegible] use of one of the province's natural resources, and Canadian manufacturers by providing a Canadian source of supply. They in turn now can provide a made-in-Canada article for their customers.

The mint at Ottawa has produced all Canadian coinage since 1908.

THOSE WERE THE DAYS By ART BEEMAN

# Pleasant Valley

(This bulletin was intended for last issue, allowance should be made for time elapsed.)

It is getting to look more like Christmas every day, with lots of snow, the trees look so pretty all dressed up in winter's sparkling shroud.

Mrs. Giles, David, hubby and yours truly were supper guests at Chrissie Gould's on Thursday night.

Sorry to hear that Mrs. Sherwood is ill with the flu. Annie Clark was sick a whole week even losing her voice. Quite a change eh Christie?

Sylvia and Marvin Gould were supper guests at the Giles' home last week. Quite a number of friends attended the Stanleyware party at Doreen Gould's home on Thursday. It was nice having Nora Playne with us that day. They were visitors at the Maire home for dinner.

Hello Mary, we hear you have the telephone installed now, right?

The lights did not come on last Tuesday as expected. Watch for a shining flare folks and you will know that the lights have come on.

Charlie Burt has been busy baling hay for Vic McKee. Charlie you let your lighting plant go too soon. How do you like the oil lamp?

The writer enjoyed reading a copy of the Grimshaw Voyageur published by Allen Ronaghan. He was raised in this district and received his early education at the Morrison school. We really enjoyed the poem written on the 1914-18 war. Some of it reads like this:

Oh wicked, wicked man,
You wanted the world with a fence around
But you forgot that it was iron bound
By Britain and her battleships
That stung you like a thousand whips
They drove you back and hemmed you in
And all your fleet was made of tin

Another former neighbor's ad was noticed, Propane fuel and the Massey Harris dealer, Bob Minard. Margaret Minard spent some time here during the summer and she certainly likes it at Grimshaw. So glad to hear that both families are doing so well.

# The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

HOW THE BOARD SELLS WHEAT

Some are wondering just how the Wheat Board sells wheat. Here is the explanation given by Mr. George McIvor, Chief Commissioner of the Canadian Wheat Board:

"In the actual selling of Canadian wheat, one of several methods may be followed. The Board itself may enter into contracts for the sale of Canadian wheat to overseas buyers. In addition to sales contracts made by the Board, shippers and exporters may originate export sales subject to Board confirmation. At this point I would like to indicate that in the handling of wheat from the producer to terminal market positions, in the forwarding of wheat from Fort William to eastern destinations and to seaboard, and in respect to selling wheat, the Board utilizes the services of existing agencies. In this way the Board takes advantage of the experience and services of elevator operators and shippers and exporters, and a very considerable scope is left to marketing agencies, co-operative or private, who have facilities, experience and the 'know-how' in the forwarding and merchandising of wheat. The over-all planning of the movement of wheat, hte day-to-day pricing of wheat, and the selling of wheat for the domestic markets are, of course, the responsibility of The Canadian Wheat Board. In the marketing of oats and barley the Board sells these grains in store the Lakehead. In the process of selling we use the facilities of the futures market."

## Car Prices

What will the new cars cost? No person is quite sure yet, reports The Financial Post. One firm has announced an increase others are steady or have eased off. Most people are waiting for the big 3 models in December to set the real trend. Price on the Canadian cars will not necessarily follow the changes of U.S. models some of which have gone down as much as $100, others being boosted about $30.

In the meanwhile virtually every motor car plant in Canada has either expanded facilities substantially in recent months or is about to do so.

Back the attack on TB — Buy Christmas Seals

## Bigger Dividends?

Recent dividend action of some companies strikes a note of optimism that wasn't quite as loud earlier this year, reports The Financial Post.

Dividend payments in the first 11 months were at about the same level as a year ago, and while the total declarations for December so far are not equal to what was actually paid in December, a year ago, by the time all have been announced, the final year's figures should be about on a par with [illegible].

# Bowtell Bulletin

We wish to extend our deepest sympathy to Mrs. J. Rochford on the death of her mother recently in Ireland.

Miss J. Johnson of Clandonald was a visitor recently at the Knutson home.

Mr and Mrs. Johnson of Davidson, Sask., spent several days at the Knutson home enroute home from Edmonton.

Mrs. Hardie spent a few days visiting at her son's home, Don Harrison recently.

We were pleased to have Eddie Risdale visit ye writer over the week end. He comes from Rochester, Alta.

Mrs. K. Burton spent a few days visiting her sister Mrs. Robinson over the week end.

We are sorry to report at time of writing Mrs C. Pierman is a patient in the hospital.

Many in the district have been on the sick list with the flu.

A large number enjoyed a skating party on the Lippert lake Sunday.

We were pleased to have Mr. and Mrs. Lippert, Mr. Gow, Mr. J. Fisk, Mrs. Burton, Mrs. R. Repp, Mrs. R. Carroll, Mrs. Sherwood visit us on Sunday.

Will we tell them about our joke Rev. Ford? Guess not!

The writer enjoyed a visit Saturday with Mrs. Wallington.

On Dec. 9 16 members met at the home of Mrs. O. Repp. After enjoying a delicious pot luck dinner the business meeting opened and plans were completed for the Xmas tree and concert which will be held in Bowtell school Monday, Dec. 21, commencing at 8 p.m. Please bring lunch.

At the close of the meeting members exchanged gifts and a social hour followed. Mrs. Fenton was the lucky winner of the draw.

A card party will be held at Bowtell on Dec. 28.

Miss Shirley Holms, Home Economist has been invited to the January meeting and speak on "Judy Dress Form".

**TIME TO BUY REGISTERED SEED**

Competition to sell wheat between different exporting countries is keen and vigorous. But quality will tell. The best way to maintain and improve the quality of Canadian wheat is by using some Registered seed. For prices and particulars of this high class seed, so profitable for farmers, see the nearest Searle Agent.

**SEARLE GRAIN COMPANY, LTD.**

# News Notes From Your District Home Economist

MRS WISE MAKES FONDANT

When Mrs. Wise was a little girl, candies were a real treat at Xmas time. It seems now that the 'visions of sugar plums' have passed away for many children. Unfortunately candy eating has become a daily habit instead of the occasional treat. Mrs. Wise is aware of the dangers of too much candy eating, and her children have not developed the candy habit. One of the benefits they have reaped from this is a real enjoyment of the Christmas sweets.

No candies are as nice as home-made candies, says Miss B. J. Lewis, Nutrition Specialist with the Women's Extension Service, Alberta Department of Agriculture. Her friend Mrs. Wise always makes her own. She and her children have a lot of fun together preparing these Christmas dainties for gift packages as well as for themselves. With a smooth creamy fondant as a basis and lots of imagination to work on it—what a variety they have! Stuffed dates, figs, prunes, cherries and raisins, fruit or nut centered bon bons of various hue; nuts of all kinds with a candy coating.

Mrs. Wise has learned the secret of handling fondant. Most cook books give the recipe, but many do not stress the important points of handling to get just the right results. She cooks the syrup in a straight sided saucepan without stirring (once it comes to the boil). As soon as it will form a soft ball when a little is dropped into a cup of cold water, she turns it quickly onto a cold wet platter. A little cold water sprinkled over it helps it to cool quickly. The platter isn't moved while the fondant cools, as this may change the condition of the candy. When the cooling syrup is lukewarm (Mrs. Wise tests it by holding her hand underneath the platter) it is time to begin to work them ixture. Using a spatula she works forward and backward toward the centre. Soon the mixture changes to a creamy white mass which she can take up in her hands. After about 5 minutes kneading it becomes soft, smooth and velvety in texture. Then it is placed in a covered jar or crock to ripen. Fondant should be allowed to ripen at least a day or two before using. It will keep in good condition for several weeks.

## More Insurance

Sales of new ordinary life insurance in October were $158.6 millions, an increase of about $5.4 millions over the same month of 1952, reports The Financial Post.

For the first ten months of the year total sales are also running well above a year ago.

# LETTERS TO THE EDITOR

R. R. 3, Vermilion.
The Vermilion Standard,
Vermilion, Alta.
Dear Editor:

On behalf of the Wildmere Women's Institute I would like to thank you for the space given to our reports in your paper.

With all good wishes for the coming holiday season.

Yours sincerely,
Elsie Dibben
Secretary W.W.I.

Vermilion, Dec. 9, 1953.
Messrs. Cooper Bros.,
Vermilion Standard.
Dear Sirs:

At the annual meeting of the local branch of the Canadian Red Cross Society, a motion was passed thanking you most sincerely for your kindness and co-operation to us during the year. We do appreciate the publicity you willingly give us at all times.

Yours sincerely,
Mrs. E. H. Buckingham,
Secretary.

The enemy of youth is tuberculosis. The enemy of tuberculosis is the Christmas Seal.

# "GREEN ACRES"

FARM LABOR

I have been asked by the C.N.R. Immigration Branch to find a farmer who will take a Dutch family. The father has farm experience. There is a daughter 14 years old, so it would require a 3 or 4 room house for the family. Anyone interested should enquire soon at this office.

FOR THE LADIES

A circular entitled 'Cereals' is now ready for free distribution. Pointers are given in the use of cereals for breakfast, in soups, and in desserts. There are four good recipes for cookies.

BALANCED FARMING

Setting up a farm plan is common practice in some parts of Alberta and in the U.S. It has to do with a system of cropping to fit in with a planned live stock program. I would be pleased to discuss balanced farming with anyone in this district who is interested.

SPREADING WEED SEEDS

It does not seem to be common sense to scatter weed seeds from a combine then go to trouble and expense to clean seed so carefully. Every operator ought to equip his combine with a weed seed cleaner and a container to carry the seeds to the end of the field.

ERGOT IN FEED

This year there is more ergot than usual in threshed rye and barley. Some ergot does not effect the health and thrift of livestock. It is generaly believed that grain having more than one-tenth of 1% of ergot should not be fed. It can be diluted of course with clean grain. Ergoty grain should never be fed to livestock carrying young.

DEEP LITTER FOR HENS

It used to be that the hen house was cleaned out once a week at least. Now many poultry men keep adding litter in the form of chopped straw, chaff or saw dust all winter. Great care must be used in ventilating hen houses or moisture will collect, making the litter too damp.

# Chatsworth Chatter

Although weather is still agreeable for this time of year, the wind of Saturday night drifted roads badly, and many are impassable. The Ottawa road is filled north of Jim Thompson's and though one or two cars or trucks have gotten through, it is risky. It looks as though there will have to be some snow plowing done soon if folks are to get out.

The school children of the community are busy rehearsing for the concert, which is to be held on Wednesday Dec. 23 instead of the 19th, as formerly reported. That is Wednesday evening folks at Chatsworth school, Dec. 23 at 8 p.m.

Mrs. J. Farkash Sr., George and Ian Davis were recent visitors to Edmonton.

Mr. William Croft left last week to visit his daughter and her family Mrs. Bert Duthie of Vancouver. Mr. Croft travelled by car to Wainwright then via C.N.R. He expects to spend a good part of the winter at the coast.

The December meeting of the Chatsworth Country club was held at the home of Mrs H. Good on the 17th with 13 members in attendance. Two new members were added that day these being Kay Good and Sophie Jacula. The blanket draw took place, the holders of lucky tickets being Mrs. T. Thompson with No. 325 and Leo Klashinsky No. 131. Proceeds from the sale of tickets netted $18.85. It was decided to postpone the sale of home cooking until spring.

The Christmas gift exchange was held and at the close of the meeting a delicious lunch was served by the hostess assisted by the lunch committee. The nickel draw was won by Evelyn Thompson and also the Social contest, supplied by May Panter a nice dish of homemade candy. The next meeting is to be held at Evelyn Thompson's on Jan. 21 roads permitting, and the lunch committee is Mrs. M. Farkash, Mrs. East, Sophie Jacula, Kay Good. The Sick committee is Mavis and Gladys Tovell and the Social, Evelyn Thompson.

Mr M. Tovell was a delegate to the F.U.A. convention held in Edmonton last week.

The writer was a visitor to Spirit River, Alberta to attend the wedding of our son Jack and Miss Diane Haverluk. The trip was made by bus to Edmonton thence by plane to Grande Prairie and to Spirit River by car. Mrs. George Honey (June) accompanied her from Edmonton leaving Friday the 4th and returning Tuesday 15th.

As this will likely be the last Chatter column before Xmas, I extend every good wish to the Editor and staff to all readers of the Standard, and especially to all friends and neighbors of the Chatsworth community for a *Very Merry Christmas and a Healthy, Happy and Prosperous New Year.*

# Banff Leadership Course Is Again A Success

MANNVILLE - During the two week period from Oct. 25 to Nov. 7 the Banff School of Fine Arts held its Fourth Annual Short course in Leadership and Techniques. The course was attended by 40 young people from all parts of the province. These 40 young people were selected from about 65 applications and were chosen because they showed definite leadership qualities which it was felt should be developed and encouraged.

The aims of the course are to develop leadership techniques with a hope that these young people will go back to their respective communities and help make them better places in which to live.

The program featured a number of prominent speakers of whom Mr. Donald Grant, a touring lecturer from the University of London, was perhaps the most outstanding. Mr. Grant's topic was the "World and Your Community" in which he endeavored to explain the present world situations and trends.

Some of the other speakers who might be mentioned were Mr. H. Young, President of the Farmers' Union of Alberta. Mr. Roy Marler President of the Alberta Federation of Agriculture; Mr. R. M. Putnam, Superintendent of the Schools of Agriculture for the province; Mr Basil Dean, Associate Editor of the Calgary Herald and many others who are active in farm organizations and government work.

These speakers attempted to broaden the students' horizons.

The program which was designed for both the young men and the young women attending contained classes in public speaking, conduction of meetings, parliamentary procedure, business correspondence, recreation and periods for group discussion. Public speaking may be used as an example on how the classes were conducted. After some instruction on the preparation and delivery of a speech, each student prepared and gave a 5-minute address. The other students wrote critiques which were checked by the instructor and handed back. Then after making his comments on the speech the instructor played back a recording of the speech.

The course is under the guidance of the Extension Department of the University of Alberta and has at its head Mr. Donald Cameron who is also the Director of the Dept. of Extension. The nominees are sponsored by various farm organizations and the Dept. of Agriculture. These sponsors support and encourage the course not only financially but also send their men to assist in the instruction of the courses.

The course has been very successful during the last four years because it is not only very educational but is a splendid holiday in the Canadian Rockies.

Mr. Bruce McDonald of Mannville was one of the 40 young people chosen to attend the course and the above are his comments. We are sure that he will make good use of what he learned there.

By Shirley Holms, Wainwright, Alberta

# News Notes From Your District Home Economist

MRS. WISE SERVES A "BACKWARD" BREAKFAST

The Wise family thought Mother a bit daffy one morning when she placed bacon and eggs before them and announced that cereal and fruit would come later. But all agreed that it tasted just as good that way and it was nice to have mother sit down and eat with [illegible]. Ordinarily she would have been cooking the bacon and eggs while they ate their cereal.

Why be slaves to tradition, asks Miss Joyce Lewis, Extension Nutritionist, Alberta Department of Agriculture. The important thing, she points out, is that we eat a good breakfast. For people who have [illegible] with acid fruits on an empty stomach, this backward breakfast is ideal. The protein foods take up the excess acid in the stomach so that the fruit or fruit juice may be enjoyed afterwards. The tendency now is for a quick snack of toast and coffee, rather than a nutritious breakfast of fluffy well cooked rolled oats or crisp cereal flakes with fresh fruit and hot spicy muffins, or feathery pancakes with sizzling sausage.

For keener and peppier morning work, combined with many health benefits, eat a good breakfast. To contribute its share of your daily food requirements this meal should include fruit or fruit juice and whole grain cereal with milk. Additional protein in the form of eggs, meat, fish, or cheese should be included for those who are very active. Hot cakes, muffins or biscuits provide a change from the everyday toast.

A little advance preparation the night before would probably make it much easier to prepare and enjoy that good breakfast. Setting the table, cooking the cereal in a double boiler for reheating, mixing dry ingredients for muffins, pancakes or biscuits, arranging bacon or sausage in the pan or broiler rack ready for the oven are a few suggestions for saving time in the morning.

XMAS CAKE POINTERS

1. Several people have asked how aluminum foil may be used to line the pan for fruit cakes. Use one layer of aluminum foil next to the pan, then three layers of greased brown paper around the sides and 6 layers on the bottom.

2. Sprinkle your cake with brown sugar and wrap it in aluminum foil to prevent it from drying out while storing it.

3. Well filled pans give a more evenly browned cake. Put the batter into pans up to within 1 inch from the top.

FIREPROOFING FABRICS

Farm fires take many lives each year. As the Xmas tree is brought into the home the danger of fire is increased. Fireproofing children's clothes, curtains, and Xmas tree decorations will help to reduce this loss.

Formula for making fireproofing solution: Borax, 7 ozs.; Boric Acid, 3 ozs.; Water (hot), 2 qts. Stir the fireproofing substance into the water until a clear solution is obtained. If this is allowed to stand it will become jelly-like but warming will restore it to a liquid.

Articles such as clothing or textiles, may be dipped into the solution and then wrung out. Or the solution may be sprayed on to the articles and allowed to dry. A common garden sprayer can be used. The articles should be dry before dipping them into the solution so they will absorb it.

Take care to prevent unnecessary fires.

CHRISTMAS WRAPPING

Do you ever say 'It's too pretty to open'. If you wrap and decorate the lid and the bottom of the box separately, your gift box can be opened Christmas morning without destroying the attractive wrapping. The paper must be measured and cut to the right size but it really is not much more work than wrapping the whole box.

For interesting packages add gummed stars of different sizes, cutouts from old Xmas cards; Xmas balls; natural evergreens; lace paper doilies, or miniature toys, etc.

A TRICK WORTH TELLING

If you are going to have candles at Christmas which will not be lit but will be used as ornaments, shellac them two to three times. The heat will not cause them to soften and become crooked—they will remain straight.

## Prisoner of War Claims For Compensation Must Be Made Immediately

It is imperative that all prisoners of war make application for claim for compensation of maltreatment before Dec. 31, 1953. Documentation can follow that date but this is the deadline for registration. Application can be made to Secretary, War Claims Commission, Ottawa and the veteran should give regimental number, unit, date and place of capture and place of imprisonment. The Pensions Advocate in each Department of Veterans' Affairs District will give any necessary assistance to the veteran concerned in preparing his claim.

Since it is quite likely that most prisoners of war will receive some compensation for maltreatment, it is definitely in their interest to make application. 23-5

Mr Robert Weaver Sr has returned home after a couple of weeks in the local hospital and is much improved.

# Merry Christmas

Official Opening Planned January 20th

## SEED CLEANING PLANT NEARS COMPLETION

The Vermilion Seed Cleaning plant, a major project promoted by a group of district farmers, is rapidly nearing completion. It is expected to commence operations early in the new year. [illegible] opening is being planned for January 20 and announcement as to program will be made in an early issue of this paper.

The new plant, being built at a cost of approximately $40,000 rises to a height of 65 feet from ground level, and is located in the east end of town on railway trackage. The building is 30 feet square with office space of 12x32 feet.

The plant will be equipped to handle all cereal grains and it is the hope of the directors that they will be able to finance the extra cost of $2200 necessary to instal forage crop seed cleaning equipment.

At the present time the actual building is finished and painted. The machinery is being installed.

The cost of building and equipping seed cleaning plants is met from three sources, the municipality in the case of the Vermilion plant, contributes $13,000, Dept. of Agriculture $13,000 with the shareholders being responsible for the balance. The shareholders are for the most part, farmers who realize importance to the country of clean seed, hence the absolute necessity for seed cleaning plants.

The elected officers of the Vermilion Seed Cleaning Plant Assoc. are:

President—C. J. McCormick

Vice-Pres.—Roy Walker

Sec.-Treas. Richard Good

Building Committee — Gordon Ross, Frank Young, C. McCormick

Directors—F. Van Wageningen, Fred Haines, Fred Watling Jr, Bob Drysdale, Ross Taylor, Ralph Wilson, Arthur Tovell, Herman Feenstra

E. H. Buckingham is the provincial representative on the board.

APPOINT MANAGER

The executive has been fortunate in securing as manager of the plant Mr. E. V. Coulburn, who comes from Edmonton. Mr Coulburn has had seven years experience with the Canada Forage Crop Co. in that city. The new manager and his family arrived in town early this month and have taken up residence in the former Ken Rowe house.

Foreman of the [illegible] the plant was Mr Morley Anderson who used practically all local help on the building. Much of this help was by men from the farms following threshing [illegible] from around the town.

Keep in mind that the plant will be in actual operation about the middle of January, and that the official opening will take place on Wednesday Jan. 20th.

## First Hockey Game Here December 30

### Rangers vs. Tigers

The Vermilion Tigers are now getting into shape for the coming season of hockey. The first game of the schedule for the locals was played Wednesday night at Vegreville. The first home game for the team will be played here on Wednesday, Dec. 30 starting at 8:30 p.m. sharp with Vegreville Rangers forming the opposition. Veg appears to have a much stronger team this season than last having recently lost a very close game to Viking, and it is expected that the opener will prove to be fast and exciting. All hockey fans are assured of a good evening of thrills and spills when they turn out for this first encounter Wednesday, Dec. 30.

## Death of James Henry Kennedy

James Henry Kennedy, well known homesteader of the Auburndale district and affectionately known as Uncle Jim to scores of friends and acquaintances, passed away at the Vermilion hospital on Monday, Dec 21 at the age of 65 years. He came to Auburndale in 1909 where he homesteaded and which has been his home ever since.

Funeral services were held at the Auburndale United church on Wednesday afternoon at 2:00 o'clock with interment in the Auburndale cemetery. The Rev. C W MacKay officiated.

Moyers were in charge of arrangements.

## Coronation Medal Is Presented To Staff-Sergeant M. Hunter

A high honor has been accorded one of the members of the local Reserve Army unit. At a regular parade on Dec 15 Staff Sergeant Monte Hunter was presented with the Coronation Medal in recognition of his long and faithful service with 'A' Company, The Loyal Edmonton Regiment. This carried with it a citation from Buckingham Palace. The medal was pinned on Sgt Hunter by the C.O. of the unit Capt L. Roy. The officers and men are quite proud to have one of their members so honored.

S. D. Simonson Elected Pres. at Annual Meeting

## Renewed Interest Evident In Red Cross Work

The annual meeting of the Vermilion Red Cross Society was held Tuesday evening Dec 8. A better crowd than usual was in attendance and the executive hopes that this is an indication that a renewed interest in the Red Cross organization has begun in the Vermilion zone.

NEED STILL URGENT

The Red Cross organization became very active during the war years when there were so many needs to be fulfilled. In more recent years the interest seems to have waned. But today the need is just as grave — the Crippled Children's Hospital in Calgary, every year somewhere the Red Cross is called upon to assist in some emergency, floods etc. This year the dreaded polio has struck fear in our hearts. Special appeals have gone out for blood for the new serum, Gamma Globulin.

The need, therefore, for such an International organization as the Red Cross is just as great as it has ever been. Each zone must strive for a greater interest in the activities of the Society and the Vermilion branch must not be the least of these.

ELECT OFFICERS

The following officers and executive committee were elected at the meeting:

President — S. D. Simonson

Secretary Miss D. Oldenburg

Treasurer -Mr. L. Roy

Provincial Council—Mrs. E. H. Buckingham

Executive Committee—the above officers and Mrs. Carl Heckbert.

Chairmen of Committees:

Campaign — Mr. J. R. Robson, Reg Mitchell

Women's Work -Mrs. J. R. Robson, Mrs. Carl Heckbert

Blood Transfusion Service Mrs. Buckingham

Emergency and Disaster Mrs. Buckingham, Mrs. J. Adam

Swimming and Water Safety Anne Stewart, Helen Adam

Publicity Miss D. Oldenburg

Very gratifying reports were read from Vermilion elementary school and from the Ganton-Watson auxiliary branch.

JUNIOR BRANCHES ACTIVE

It was noted with pleasure that the membership of the Junior Red Cross in the schools was very good. The Grade 4 classes have sent $7 in to headquarters. They have been collecting coupons and have made trinket boxes from used Xmas cards, also collected a box of toys for the Crippled Children's hospital. They subscribe regularly to the magazine and have been busy selling calendars. The grade 5 and 6 classes have sent in $11.50, the proceeds of a candy sale. These classes too have been busy collecting coupons and stamps, knitting an afghan with self purchased wool and they are planning to make wooden toys for the Children's hospital.

The Secretary reported for the Vermilion branch. The sum of $1918.15 collected during the annual campaign in March was sent to northern headquarters. Two blood donor clinics were held. In May there were 134 and in October 155 donations. Great satisfaction was expressed by [illegible] panel organizer at the results of both these clinics. Christmas cheer was dispensed to the value of $40.

WATER SAFETY COURSES

Anne Stewart and Helen Adam reported on swimming and water-safety classes which they had attended last Easter in Edmonton. Attendance at these classes was made possible by the Red Cross. There were lectures and swimming lessons; films on life saving; practising of artificial respiration.

SHIP MANY ARTICLES

The work convener, Mrs. Robson, reported on the shipment of articles to Calgary. 156 articles have been sent, of which 135 had been handed in by the Knit Wit club of Vermilion. There are only about 8 members in this club so they must have been busy to have accomplished so much. Many thanks are due them.

GANTON-WATSON AUXILIARY

The Ganton-Watson Red Cross auxiliary deserves special mention too. This branch is the only one in this zone that has continued to function. They are a busy unit and should be commended for the work that they have done. Their membership is not large but, during the past year they have had 11 meetings and have made 9 quilts. Work articles, pyjamas, pillow cases and knitted baby sets have also been turned in. Money donations were made to the Vermilion branch, Cancer fund and Flood Relief. Five boxes of used clothing were collected. The sum of $151.98 was raised by collections at meetings, donations, bazaar and booth work.

We hope that the work done by this one auxiliary will be an inspiration for other units to reorganize and carry on this most worthwhile work of the Red Cross.

MERRY CHRISTMAS TO ALL!

## Farmers' Bonspiel January 7, 8, and 9

Farmers of the district are again invited to be the guests of the Vermilion curling club and the business men of the town at the annual Farmers' bonspiel to be held early in January. Formerly a two-day event the bonspiel proved so popular and attracted so many entries that it has stretched to three days. The dates are Thursday, Friday and Saturday, Jan. 7, 8 and 9. There will be only daytime draws Thursday and Friday with curling to continue Saturday until the spiel is completed. It is thought that this will make it easier for those who travel back and forth some distance.

Another change is that an entry fee of $4 per rink is being charged. This has been suggested to the bonspiel committee by numerous farmer curlers.

There are four competitions all with good prizes, six sheets of ice with matched rocks, and a brand new rink. There you have the setting for a jolly holiday and outing.

Send your entry in today to Geo. Webb or Russell Carroll.

RECEPTION

Mr. and Mrs. W. D. Williams will be at home to their friends on Wednesday, Dec. 30 from 6:30 p.m. to 9:30 p.m., the occasion of their Golden Wedding.

## NO "STANDARD" NEXT WEEK

Following the custom of previous years, the issue of the Standard between Christmas and New Years, next week that is, has been suspended. This is a practice quite widely observed by weekly newspaper publishers. The week itself is well punctured by holidays, the business men will not be in ad writing moods, and the Standard staff are pretty well all in, so the job of publishing would be a difficult one.

The next issue of the Standard will therefore be on Thursday, Jan 7, 1954.

The Standard staff will not be on holidays however, and the office will be open as usual. It is our hope that job work customers will come in for some overdue attention.

Turkey Club Hold Annual Show and Sale

## Josie McDonald and Joyce Armstrong Have Best Turkeys

Josie McDonald of Mannville showed the champion dressed turkey at the recent Vermilion Turkey club sale. It was bought by Craig Bros. for $1.35 per pound. This turkey weighed 26 pounds, so it realized $35.10 for Miss McDonald.

The first prize in the dressed hen turkeys went to Joyce Armstrong. Vermilion Food Locker plant paid $1.30 per pound for this bird.

There were 132 dressed turkeys on sale. The auctioneer Chester Gamble reports an average of 52 cents per pound. The club members obtained a total of $1,377.68 for sales of market turkeys.

Mr Fred Higginson, Poultry Commissioner judged the live turkeys. Mr Higginson was loud in his praise of the exhibits. He stated that many of the birds would have won prizes at the recent Provincial Poultry show at Calgray if they had been entered there.

First prize Tom was won by Shirley McDonald, second prize going to Josie McDonald. Third was awarded to Mildred Scarfe. In the hen class Steve Dymterko was 1st, George Gow 2nd and Joseph Dymterko 3rd.

There were 25 birds exhibited by the club members in the live turkey classes.

Following the first prize won by Josie McDonald in the dressed Tom class were George Gow with 2nd prize and Shirley McDonald third.

The placing for dressed hen turkeys was Joyce Armstrong 1st, Josie McDonald 2nd, Janet Hall 3rd.

Mr. Crawford of the Canada Marketing Division judged the dressed turkey class. He stated that never before had he judged as good classes as were on display by the Vermilion Turkey club.

Awards for special prizes will be announced in the next issue of the Standard.

The Turkey club wishes to acknowledge with thanks all those who helped in making the show and sale the success it was. Chester Gamble as usual did a good job at auctioneering. Al Locke was at the cashier table, Norman Armstrong handled deliveries. John Raffa and Oliver Michelson, poultry inspectors were clerks of the sales.

The show and sale was in charge of District Agriculturist E. H Buckingham and his assistant Jerry Moffat.

YOUR SUB. DATE

The label of your Standard will be brought up to date with the next issue, namely January 7th.

No changes have been made for two weeks.

## Margaret Teape Passes Away In Edmonton

Ill for the past year from the incurable disease of leukemia, eight year-old Margaret Teape, daughter of Canon and Mrs. T. W. Teape of Edmonton, passed away on Monday, Dec 21. Funeral services were held Wednesday afternoon. The sincere and heartfelt sympathy of many friends here is extended to the family in their bereavement.

## HI-SCHOOL HI-LITES

Here is the last basketball news of the year. Well the boys' house league is over and the statistics have been brought up to date. The league's high scorer is Stew Cooper with 139 points in 14 games. Cooper's closest rival is Bob Bentley with 98 points in 13 games. Stanley Hicks is the league's third highest scorer with 31 points in 14 games. The league's 'good boy' is Bob Barr with one one foul in 14 games and a good total of 77 points. The league's 'bad men' were Bob Hemmingway and Pete Kupin collecting 30 and 27 fouls respectively.

In the girls' house league, Rhea Ireland was far above anyone else with a total of 137 points in 14 games. The next two high scorers were Hazel Barr with 84 and Anne Martin with 38. There were several girls who did not have any fouls. The league's 'bad girl' was Karen Acheson with 17 fouls.

Our house leagues, both boys and girls, proved very successful this year, and even though Carman was so far ahead there was still a keen competitive spirit in every game.

CHRISTMAS PROGRAM

The Christmas concert program on Wednesday promises to be a [illegible]. The high school's contributions to the program include a play led by Mr Dowling, a tumbling display under the direction of Mr Bell, and a number of Christmas carols conducted by Mrs English. Also, the Junior high is putting on several numbers. Parents are invited to this program which is to commence at 2 o'clock in the armories.

CHRISTMAS PROM

Plans for the Christmas Prom sponsored by the House of Laurier are now completed, and last minute details are being arranged. All the students should plan to come Wednesday Dec 23 in the armories at 8:30 p.m., and don't forget, anyone wishing to attend who has not been a student at V.H.S. within the last two years must have a [illegible].

## Newspaper Bingo

Numbers drawn this week are I-19, I-29.

Numbers previously drawn are B-7, B-8, I-18, I-28, N-44, G-57, O-62, O-68, N-37, O-75.

As soon as you get any bingo up and down, across, or from corner to corner phone or notify Simonson's Furniture store.

Let us pray with deep reverence on this most blessed day for peace on earth ... good will toward all men ...

*CHRISTMAS IN CANADA—*

Christmas in Canada is especially a season of Goodwill. Emotionally we are generally conservative and hesitant in showing what might be considered a soft sort of sentimentality, but in the Christmas spirit we do our best to express that Goodwill which we feel. So we mail Christmas cards to our friends we give presents to those nearest and dearest to us — we visit our relatives or have them visit us. We decorate our homes with symbols to add to the Christmas spirit we decorate our stores to appeal the Christmas feeling.

Spiritual values find material expression. Goodwill, love charity and even religion are things of the spirit. Our individual methods of expressing Goodwill may be different. To some it will be an affectionate kiss, to others the clasp of a hand, the sparkle in the eye. The smile on the cheek, and many times it will be the hearty greeting "Merry Christmas" in words or print.

The story of the original Christmas, as told in the Bible has never been improved upon by all the eminent writers and theologians who have lived since the time of Christ. In simple moving phrases the Bible relates how the star moved majestically across the heavens and paused over the stable in Bethlehem where Christ was born. There the wise men of the east came to pay their homage to the new-born King, the first of many millions to bend before the power and beauty of the Christian Ideal. On the hills were the shepherds for whom the veil of eternity lifted so that the immortal choirs sang to them of the good things which were to sustain mankind for centuries yet to come.

It is a wonderful story whose message swings down the corridors of time, encouraging and inspiring countless generations.

*FOR THE NEW YEAR —*

*Let me be a little kinder, let me be a little blinder to the faults of those about me; let me praise a little more; let me be, unless I am sorry, just a little bit more cheery; let me borrow a little better than that I am striving for. Let me be a little braver when temptation bids me waver; let me strive a little harder to be all that I should be; let me be a little mother unto the brother that is weaker; let me think more of my neighbor and a little less of me.* —Selected

*CHRISTMAS FILLING*

*I hate to say it just because*
*It sounds so mean and shocking;*
*But Nature beat you Santa Claus*
*In filling Peggy's stocking*

*CHRISTMAS LIGHTING —*

Christmas decoration in the form of lighting effects continues to gain favor in Vermilion and many a window verandah, house front and evergreen tree in the yard gives off a warm glow from myriads of colored lights. Possibly outstanding this year are the effects obtained at the Vermilion hospital, and the residence of Dr. Kling in the west end of town. Much more than ordinary amount of work must have been necessary in each of these cases to achieve the lovely and novel effects obtained. Elsie and many more are well worth a drive up and down the residential streets.

## Vermilion's New Seed Cleaning Plant

*The new Seed Cleaning Plant built by the Vermilion Seed Cleaning Plant Association. See story on front page* The plant will go into operation about mid-January. The official opening will be held Wednesday, Jan. 20.

## Farmers' Day At Mannville Attracts Big Crowd

MANNVILLE. — The annual Board of Trade "Farmers' Day" again was a big success. Judging from the crowd in town. The day started with a free show for the children at 1 o'clock and the Oxygen Hall was filled to capacity in a short time. Just about 3 o'clock Santa came riding down the street in a red truck — lack of snow in the Kitscoty district caused him to leave his sleigh north of that city and travel by truck. With the kiddies at the show and those outside the hall, there were over 500 to greet him. Julian Pulyk was on hand with his camera to take shots of Santa and the children. Then inside the hall members of the Board of Trade handed out bags of treats to 300 children under the age of 13, and each was greeted by Santa as he or she passed through. After Santa left the second show started.

In front of Proudfoot and Conford's the North East and North West and South East and South West men took part in the second annual tug of war contest. For the second year the competition was won by the NW's and as last year the prize was donated to the Red Cross.

The local Board of Trade are to be commended on this annual Farmers' day. Unless one sees the preparation necessary for such a day it is hard to realize the work involved. It takes several days of canvassing to see all the business people at such a busy time of the year. Fry Van Dusen, President of the Board of Trade wishes to thank all those who aided in the preparations for Saturday and to the girls of the high school who filled the bags.

## Wildmere F.U.A. Local Discusses Many Farm Problems

One of the best attended and most interesting meetings in the experience of the Wildmere F.U.A. local was held on the 21st with 50 in attendance including some visitors.

**REPORTS ON CONVENTION**

Following the usual preliminaries Mr. Saville Heinz local delegate to the provincial F.U.A. convention, gave his report. Quoting Mr. McNamara, chairman of the Wheat Board, who said that we had now passed into a sellers market, or in other words we now have to look for markets, not the markets just coming to us. This is largely due to the third consecutive bumper crop on the North American continent.

Great stress was placed on co-operative marketing and buying and farmers are urged to patronize their own C.C.I.L.

**UNION WITH A. F. A.**

Union with the A.F.A. was again discussed and again shelved for another year. This seems to be only something which takes up valuable time at conventions as the F.U.A. is represented on the A.F.A. board which body speaks for the farm co-operatives whereas the F.U.A. speaks for agriculture right from the soil.

**RURAL ELECTRIFICATION**

Mr J M Wilson then brought the meeting up to date on rural electrification with a report on a board meeting held the previous day. Judging from the way they are spilling poles around the area it looks as if the farmers will be getting power early in 1954, so it behooves all interested to get some brush cut, as it has to be done any way.

**ANNUAL SCHOOL MEETING**

Mr. F. Gibson reported on the annual school meeting held in the subdivision early in December. Following this the purchase of unused schools as community centres was discussed. In order to do this clubs have to be organized and be duly recognized by the Dept. of Education, seal and all. This must be done within three months from date of sale. At this point Mr. Jas. F. Wallington announced that following centralization, he was purchasing the Preston school for use as a community hall for the Wildmere district. It now rests with the people thereabouts to form the necessary organization to handle same. Thanks of the gathering for his public-spirited act were tendered by the meeting to Mr. Wallington. Wildmere will be grateful for this long into the future.

**MUNICIPAL CONVENTION**

James Wallington, councillor of the M.D., then told of the recent convention of municipalities, stressing what had so far been done in the setting up of the county system, stating that this is being done whether one like it or not.

Mr Wallington who is also a member of the Vermilion hospital board touched on the need for a larger hospital, or the addition of a new wing to the present one.

A shower to the meeting, by Dyt vester, gave a short talk on insurance, especially accident. This appeared quite attractive and deserves careful study. One policy mentioned covers everybody that Workmen's Compensation covers and at very reasonable rates.

## Serving of Boar's Head One of Old Christmas Customs

Of the customs that grew up around the Christmas festival in Merrie England, the serving of the boar's head was one of the most exciting. It endures to this day at Queen's college, Oxford, where the 10-pound tusked head—a lemon a

its gleaming neck—is borne on a great silver dish, escorted by trumpeters and needle bearers.

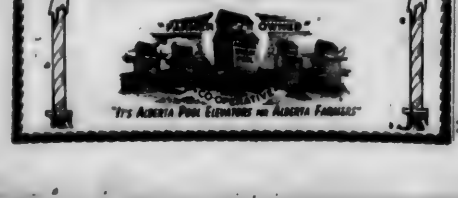
In the olden days there was an appropriate chant, half creed and half ritual, that the gentlemen used to bellow at the moment the dish trundled in the board.

*Then let down the sideboard,*
*The fun is the strongest,*
*Let Bacchus conjure his fill,*
*Let the boar's head and mustard*
*Stand for pig, goose and capon,*
*And so ye are welcome all.*

Money doesn't grow on spruce.

From 1520 to 1920 federal governments spending per capita increased from $20 to $80.

—Saint Catharines Plant.



## Christmas Message

from the

## ALBERTA WHEAT POOL

The Christian world commemorates Christmas in honor of the birth of Christ. His teachings form the foundation of a relationship between human beings which, if lived up to, would bring heaven to earth.

The spirit of unselfishness is abroad at Christmastime. While the family is the centre of Christmas festivities, hospitality and friendly feelings spread far beyond the intimate circle. Goodwill radiates through the whole community.

It is a wonderful experience for humanity, that the cares and worries and resentments of everyday life can, for a little space in the year, be forgotten, and friendliness and sympathy prevail.

So, in the face of the trouble and fear of war which depresses the world, the 1953 Christmastide is looked forward to with cheerfulness.

*"As long as there are homes where free born and there is bread,*
*As long as there are homes where lamps are lit and prayers are said,*
*Although a people falter through the dark, and nations grope,*
*With God, Himself, back of those homes, we still have hope."*

*Christmas comes softly,*
*silently and sweetly,*
*And wraps its loveliness*
*about the world,*
*And once again the most*
*beautiful wish on earth*
*is reflected —*
*"Peace on Earth — Good Will to Men"*

He is now operating from his recently purchased quarters on the corner of 49th street and 50th avenue, formerly known as the Veteran's Service.

## Clandonald United Church W.A. Meets

The December meeting of the United Church W.A. at Clandonald was held in the evening at the home of Mrs. H. Feenstra. Nine members and five guests were present. All of the husbands were also in attendance. The result was a very pleasant social evening.

During the meeting a letter was read from the All-Alsike W. A. group inviting the Clandonald ladies to a joint meeting on the afternoon of Jan. 13 at the home of Mrs. Herb McPhee. The invitation was gratefully accepted. The January 6th meeting will be held at the home of Mrs. Goddard.

The United Church W.A. sponsored a Sunday school Xmas party in the Orange hall on Dec. 17. Mrs. Goddard the very able Sunday school superintendent was in charge of the program which was remarkably well planned and carried out. The children from widely scattered points made practise for some impossible but all who took part gave a wonderful performance. Santa was on hand with gifts and treats for all.

On Sunday Dec. 20 Miss Annie Shaw showed slides and gave a very interesting talk on her life as a missionary in Mexico. This service was at the public school in Clandonald at the regular Sunday

## Wildmere Winks

MOURN DEATH JIM KENNEDY

A pall of sadness was cast over our district on Monday, when word came that one of our pioneer neighbors in the person of Jim Kennedy had passed away in the local hospital. Uncle Jim as he was known to everyone was a great favorite with the children and his death will be mourned by all his neighbors and friends. He homesteaded in the Wildmere district in 1911 and has resided on his farm ever since. He leaves two sisters and several nieces and nephews to mourn his passing. Jim had been ailing for some time but no one thought his took of life was to close so suddenly. To his sorrowing relatives heartfelt sympathy is extended in their hour of sorrow. Burial was in the Auburndale cemetery on Wednesday afternoon.

We wish to extend to the readers of the Standard everywhere to our fellow scribes and to the Editor and staff best wishes for a Very *Merry Christmas*.

And a little reminder be careful in celebrating so that we will all be here to welcome in the New Year!

Family allowances now cost the Canadian taxpayers $350,000,000 a year.

Canada has roughly 1,200,000 trade unionists in a population of 15,000,000.

CHRISTMAS CHOIR — Junior members of a church choir lift their voices in song during the annual Christmas candlelight service. Truly they represent the spirit of Christmas.

# NEWS from ISLAY

To the Editor and staff of the Standard *A Merry Christmas and a Happy, Successful New Year!*

Rev. Mr. Ford of Vermilion will hold Anglican service in the United church, Islay, next Sunday Dec 27 at 12:30 noon and the last Sunday of each month thereafter. Please note, the last Sunday of each month.

Mr. and Mrs. Albert Beck left Sunday night by train for Eston, Sask., to spend Christmas with daughter Violet and family.

Mrs. Winnie Torrance has arrived for the Xmas holidays and is at daughter Patsy's home.

Mr and Mrs. Vic Torrance were Sunday visitors in Islay.

Jim Carey left last Sunday for the west coast for the winter.

We notice Mrs. Betty Purser out around again after hibernating a few weeks, new dentures too, and doing fine.

Yard lights in the country surely are brilliant. We notice to the east Mr Buchanan's, just like a town, and Bill McFadyen certainly has a strong one, lights the whole yard just like day. Ulva can get around easily now, no stubbing the toes on the doorstep. It is good for the bread business too, children love to [illegible] toast to see it pop [illegible] Oh yes, another thing is the [illegible] Master. Cakes are being made more often than usual.

Mrs. Herb Simmons is back from the city. That is another home really enjoying electricity.

The combined church and Sunday school service last Sunday at 3 p.m. was a very nice service. The children did their parts well. There was a good attendance, yet we missed quite a number of the parents who really missed something. Don't the children love to know Mum and Dad are watching as they take their parts? Yes, indeed they do! It was so very nice to have all the Harry Waterfield family at the service.

When the electric line fell and left some country folk in the dark a couple of weeks ago, it fell on the aerial wire of Anderson's and their radio was ruined — nobody was home at the time. How would it be to disconnect all aerial wires when you go away. Who knows when a wire may drop again.

We saw wee Sandra Bell with a very nice Xmas box, in it were cookies, not just ordinary, but a Xmas tree, green too; a Xmas wreath; a Xmas stocking all red with white heel, and a lovely Santa, white whiskers. A very lovely box, and all made by Mrs. Ulva McFadyen.

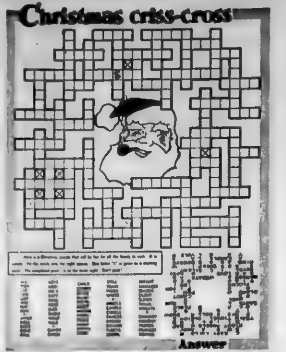
Many windows of the homes are bright and gay with colored lights and Christmas tree lights, giving the town a gay look. Specially gay is the Drug store.

Mr Bothwell was inquiring for several in Islay. One of the men I may say is really quite fine, and he is Mr. Jim Allan as he has been making shortbread, yum, yum, it is good.

Noticed in town Mr. and Mrs. Lloyd Brown, Mr. and Mrs. Orville Armstrong, Mr. and Mrs. Charlie Burt, who say it is so nice to have electricity and hot and cold water in the house; also saw Barney Bow, but then he has a chauffeur now Omar Easton with his car, so why not come to Islay!

To all the other scribes of the Vermilion Standard, A Very Merry Christmas and a Happy New Year, and to Mr. Tom Sherwood we wish you may enjoy the Christmas season and have a healthy, happy New Year.

## Christmas criss-cross



Answer

# The Mystery of God's Firmament

THE "STAR" which signaled "the First Christmas" may be interpreted in many ways. In all such interpretations we must put ourselves as nearly as possible into the social and psychological frame of mind of those whom we try to understand. The astronomer knows that through the ages the word 'star' has been used to indicate almost any celestial phenomenon. We still speak of "falling stars" or "shooting stars" which we know quite well are not stars at all. In [illegible] called a "hairy star" and was derived from the Latin word coma, meaning hair. The planets were the "wandering stars" as opposed to the "fixed stars", and from the Greek word for wanderer we derive our word "planets."

The Star of Bethlehem could have been any of these. It could even have been a "new star" or nova which suddenly burst forth with a many-thousand-fold increase in brilliance, due to some great stellar catastrophe. These are all explanations of what the "star" could have been. Had it been any of the above it would have been seen by many peoples, and in literature would have been found references to the appearance of the object which attracted attention. But nowhere in the literature or in the folklore of any of the peoples noted as astute observers of celestial phenomena do these references exist.

From this we are forced to conclude the appearance of the star was a sight given only to the Wise Men to see.

Canada today is second only to the U.S. as a producer of aluminum.

## 'Lord of Misrule,' 'Hodening Horse' Make Noel Jollier

A DIFFERENT playtime observance for your Christmas festivities is the game "Lord of Misrule."

When your guests have all arrived and have been greeted by the music of the minstrels and the song of the carolers, it is time for the most honored guest of the evening to arrive. With much fanfare the "Lord of Misrule" is announced. He enters with great pomp and ceremony and takes his place as the master of ceremonies for the evening.

The Lord of Misrule comes to us from the Tudor courts where he was elected annually to reign over the Christmas festivities. His word, during the festivities, was law, and the ridiculous commands he laid upon the guests had to be obeyed. The introduction of the Lord of Misrule into our festivities offers an unusual method for introducing the many games with forfeits which are traditional for Christmas.

At your party, the Lord of Misrule will command each guest to do his bidding. He may call for singing, dancing, pantomime, imitations and stunts of all kinds. Failure to do the bidding of the Lord of Misrule results in the payment of a forfeit. And here another unusual note may be injected. The forfeit, instead of being paid to the Lord of Misrule may be paid to another Christmas character, the "hodening horse."

It was the custom in Kent, England, for young men to go from house to house with the hodening horse, an imitation of a horse's [illegible] attached to a long stick. Two [illegible] forming the body of the horse, [illegible] hidden from view by a covering of cloth resembling horse's skin. The hodening horse was [illegible] by paraders who rang the bells throughout the town and begged for money or food.

*MERRY CHRISTMAS, everyone!*

## Chemical Solution Protects Christmas Trees From Flames

To fireproof your Christmas tree, which is still a hazard even with electric lights, select your tree four to six days before you intend to decorate it. Then weigh the tree and buy one-fourth as many pounds of ammonium sulfate as the tree weighs. This chemical is available in most stores that sell seeds and fertilizers.

For each pound of ammonium sulfate use 1¼ pints of water to make the fireproofing solution. Mix the solution in something tall and narrow that will hold the tree upright. Then saw off the tree diagonally so as to give a large cut surface. Set the tree in the solution in a cool place, away from the direct sunlight, and leave it there until most of the solution is absorbed.

## You Can Make a Big Christmas Candle

You can make a big, long-burning candle to fit into your Christmas decorations if you have a number of odds and ends of partly burned candles around the house. Melt them and pour into cardboard containers and remold. Use ice cream cartons, oat meal containers or others. Use plain cord for a wick. When the wax is beginning to set, tie the wick to a pencil and suspend it in the wax. Let set hard, remove carton and there is a nice candle for your table.

# CHRISTMAS MESSAGES FROM THE CHURCHES

*(Rev. C. W. MacKay)*

ALMOST two thousand years ago certain Greeks came to Philip with the request, "Sir, we would see Jesus". They knew Philip was a follower of Jesus Christ and they wanted to know more about this One, who healed the sick in body and mind, brought comfort to those in sorrow, and instructed His disciples in such a remarkable way. The Greeks had an inquisitive mind and wanted to know more about this Teacher.

We need to come humbly, in this most blessed season of the year, and say sincerely with those men of ancient times, "we would see Jesus".

In the busy world in which we live we may lose sight of the One whose birthday we celebrate at this time. Bishop Werner, of the Methodist Church (U.S.A.) tells of an incident which happened in a large department store just before Christmas last year: "The store was a very busy place. Suddenly a man came down one of the aisles carrying a little boy and calling 'Here is a little boy that is lost.' He was lost alright, he was bewildered and afraid. Amidst all that heaped up colorful immensity of tinsel and toys, clowns with moving hands and the endless sundry of things to eat and to wear and to play with—a boy was lost. In a world just like that, men and women are lost—really lost. Their souls are smothered under heaped-up things that they can buy, eat, wear and play with."

There is truth in his statement but may we this Christmas seek beyond the tinsel, toys and parcels, which comprise a part of Christmas that is true for it brings joy to the hearts of many, especially the little ones, but let us seek beyond and say sincerely with the seekers of old, "We would see Jesus".

God grant then, this year that we may see Jesus Christ as God's most precious Gift. God loved mankind so much that He sent into the world, His supreme Gift, Jesus, His only Son, to save men from their sin. The central message of Christmas is surely this, "God so loved the world that He gave . . ."

Amid all the toys, jewelry and tinsel can we discern that God has given us His most precious Gift. There are those today who can see beyond this outward display and know full well the true meaning of Christmas. One such person was an elderly gentleman who owned a little candy store in Fargo, N.D., and barely eked out a living. But he trusted the boys in the town who wanted candy and didn't have pennies. William F. French tells about this man in his article "Whose Birthday do we Celebrate?", in these words: "While other stores drew trade with mechanical Santas and windows bright with shiny steam engines and beautiful dolls, the window of this little shop showed only a cheap lithographed picture faintly lighted by two small candles. It wasn't a picture of the Babe in the Manger. The face in that picture was sad, with downcast eyes and a crown of thorns on the head. It clashed with the gay, festive Christmas atmosphere. But shoppers stopped before that picture on cold Christmas eves, even in bitter Dakota blizzards. One never forgot that dim little window. In the midst of competing displays up and down the street it asked 'Whose birthday is it?'"

And as we take part in this busy joyous season with all the giving and receiving of gifts may we pause as the shoppers did on the Fargo streets and remember the One Who said "I lay down my life for the sheep. No man taketh it from Me but I lay it down My self. I have power to lay it down and I have power to take it again." He did not have to die. But because of His great love for mankind He gave everything even His own life for others.

May we accept with thanksgiving God's most precious Gift and with love in our hearts join with the hymn writer who said:

"We would see Jesus. Lo, His star is shining
Above the stable while the angels sing
There in a manger on the hay reclining
Haste let us lay our gifts before the King."

God bless you and yours on His birthday.

*(Capt. Robert R. Chapman)*

Matthew 2:10 — "When they saw the star, they rejoiced with exceeding great joy."

THERE is some speculation as to when the Wise Men actually came to visit Jesus at Bethlehem. There are some who suggest that these men came immediately that the Saviour was born, whereas others believe that due to the great difficulties encountered in travelling in Bible days, there is a lengthy lapse of time between the birth of Christ and the arrival of these men from the east.

That part of course is incidental. Our chief concern is that these Wise Men saw the Star; they followed the Star; and the Star led them to Bethlehem the exact place where the Saviour was born.

The Star that leads to Jesus still shines today! It is true we cannot see it with our physical eyes but indeed through the eye of Faith we can perceive the Light that leads us to Bethlehem and to Christ. Our Star today is the Word of God. The word which David declares "is a lamp unto my feet and a light unto my path".

We can offer to you no other power of direction. Just as the children of Israel accepted the pillar of cloud and the pillar of fire as a sign of the Divine Presence of God during their journey through the wilderness so this Star would serve to guide the footsteps of these Wise Men to Bethlehem and to Christ.

Suppose these men had sought out their own inventions and had refused to accept the leadings of God through this Star? Suppose they had felt that their own wisdom and integrity would lead them to Christ? Instead of being led to Bethlehem and to the Saviour, they would have failed in their mission.

I fear there are many who because of reliance upon their own efforts and their own knowledge, and who possess a belief that they are sufficient in themselves, have failed to find Christ. They have not remembered the words of Jesus, "I am The Way . . ."

In vain, men have sought by their own methods and merits to discover the way to Christ. Thrusting aside the Word of God as the Star of Hope, they have succumbed to other themes and traditions for their guidance. But alas, these feeble and futile attempts to find Hope have only resulted in desperate failure for the soul. Men have long sought to extinguish the Star of Hope. The Word of God has been burned, buried and banished, but still it shines and glows with Light for the darkened soul.

There are many who have lost all sense of their true destination. Life for them has become meaningless and purposeless. How different is their hope to that of the individual who has followed the Star that leads to Christ. This Star leads to Heaven and to eternity with Christ and the truth of the Bible becomes very vivid. "For here have we no continuing city, but we seek one to come". The person who refuses Divine Guidance finds his sad destination is a life outside of Christ.

My prayer this Christmas is that you all will accept the counsel and guidance offered by the Star of Hope. If you will do this, the happiness and joy associated with this season of the year can be constantly yours. You will as did the Wise Men "rejoice with exceeding great joy."

DERWENT THEATRE

Showing at the Derwent theatre on Saturday and Monday evenings Dec. 26 and 28 "Appointment With Danger" featuring Allan Ladd and Phyllis Calvert. A truly fine picture heartily recommended for the pleasure of patrons at the height of the festive season. Shows commence at 8:30 p.m. 25c

## The Weather

The mild weather continues with just as fine a pre-Christmas shopping season as ever experienced as far as the weather is concerned. The daily temperatures read like a fairy tale —

| Day | High | Low |
|---|---|---|
| Dec. 17 | 19 | -1 |
| Dec. 18 | 37 | 10 |
| Dec. 19 | 33 | 21 |
| Dec. 20 | 9 | -1 |
| Dec. 21 | 15 | 5 |
| Dec. 22 | 39 | 7 |
| Dec. 23 | 44 | 28 |

One-tenth of an inch of snow fell on Dec. 20 and one-third of an inch on Dec. 21.

TIRED OUT — Santa Claus pauses in his Christmas Eve visits sometimes to pick up a hot dog and ice cream cone at an all-night hamburger stand

## Egyptians Made Elaborate Dolls For Children

No one knows for sure who made the first doll, but it can be assumed the earliest figures were sacred—gods and ancestor images. These doll-like forms were not toys for the delight of children, but solemn religious figures that preserved the tribe from harm.

Then, somehow, somewhere, a change took place. Dolls became a toy for girls and the most popular Christmas toy of them all.

Dolls have been [illegible] in Egyptian tombs and [illegible], some even had real hair; some were ivory, carved by craftsmen for a king's daughter; others were made of straw by an overworked mother in a peasant's hut.

In ancient Greece dolls were played with and cherished by little girls until they were ready to be married. Then (their dolls were taken to the shrine of a favorite goddess) and, often with tears, presented to her. The Roman children played with dolls, too, but after the fall of the Empire there came a long period in which there is no record of dolls.

Not until the thirteenth century when dolls were made in Nuremberg and dressed in the fashions of the times did little girls again play with dolls. They were here to stay.

By and by in Europe, the French fashion dolls became all the rage not for children to play with but as models from which fine ladies could pattern their own modish costumes.

In America, the Indian children had dolls of their own made of raw hide and feathers and wood. Pioneer children had dolls much like these, and some were made of braided cornhusks, or nuts or corncobs, or rags, and were dearly loved in spite of these [illegible].

Much [illegible] the dolls were imported from Germany, where the doll industry had reached enormous proportions. These dolls had fine china heads with carefully painted faces and kid bodies that were jointed at the arms and legs. Later there came the Japanese-made dolls, which were inexpensive enough for almost any child to own. Then the American-made dolls began to appear—the special dolls, the [illegible], Buster Browns, teddy bears, Patsy dolls and Shirley Temples and phonograph dolls, with all the host of others that have followed and which are still to come. For dolls always will be part of childhood and part of Christmas as long as there are little girls and boys to play with them, and parents and [illegible] to buy.

# Local News of Interest

OFF TO HAWAII

Mr. and Mrs. Jack Wright and three children left the first of the week for the first step of a trip which will take them all the way to Hawaii. They will spend Xmas with Jack's parents Mr. and Mrs. E. E. Wright in Vancouver and then accompany them on a cruise to Hawaii. They expect to be away for six weeks.

An interesting Christmas card has been received by Mr. and Mrs. Thos. Bothwell from Mr. and Mrs. Earl Bowser who are at Lahore, West Pakistan. The card started on its 10,000 mile journey in mid-October with the weather a pleasant 95 above after summer heat of 120. Mr. Bowser has a year's assignment with the United Nations Food and Agricultural organization. They will return to Edmonton in June, 1954.

H. W. Kitching, a former member of the V.S.A. staff and who left here to instruct at the Guelph Agricultural college, is now working with the Canadian government on the Colombo plan and is presently at Pashawar, Pakistan, according to word received here recently by Mr. H. J. Payne.

Mr. Peter Fitzell who was taken ill with a heart attack in Lloydminster two weeks ago, is convalescing in the Lloydminster hospital.

Mrs. George Garland with son Arthur and daughter Betty of Calgary are visiting the former's mother Mrs. A. W. McKee, her sister Mrs. George Lyons and family, and two brothers Vic and Cliff McKee.

Dr. A. H. Goodwin and daughter Miss Eleanor Goodwin have gone to Regina to spend Christmas at the home of their daughter and sister and family, Mr. and Mrs. R. Walker. Dr. Goodwin will remain for a month while Miss Goodwin will return to Czar where she will teach school.

Home for Yuletide with her mother is Miss Ilene Shattuck who attends St. Joseph's high school in Edmonton.

Among the University students noticed home are Miss Shirley Sutherland, Jim Adam, Rex Boake, John Stewart, Larry Kehoe and Ken Caron.

Mr and Mrs Clarence Elliott and little son Johnny Douglas returned home to Edmonton Tuesday night after sepnding a few days at the home of the former's parents Mr and Mrs. Wib Elliott

Jim Goodwin who makes his head quarters in Edmonton while working at Gibbons, is home for Xmas at the family home

Mr. and Mrs. Wes Waldenberger left Wednesday for Edmonton to spend Christmas with their daughter and family, Mr. and Mrs. E. L. Martyn. They plan to return home Monday

John Klashinsky, R.C.A.F., stationed at Saskatoon, is home for the holiday season with his parents Mr and Mrs Nick Klashinsky and family

Mr and Mrs S. D Simonson and family are guests for Christmas at Mrs. Simonson's family home at Camrose.

CLANDONALD

The C. W. L. are sponsoring a dance at Columbus hall Clandonald on Monday, Dec. 28. Michael and Mulgrew orchestra. Gents 75c ladies 50c. Everybody welcome 25-6x

IN MEMORIAM

In loving memory of
Robert H. Bell
- who passed away Dec. 27, 1946.
"He is gone but memory lingers
In the hearts that knew his smile."
Ever remembered by his wife and daughters Janet and Sandra.

IN MEMORIAM

In loving memory of
William Cummings
who passed away Dec. 21, 1942.
"You are gone but not forgotten
Fresh our love will always be.
For as long as there is memory
We will always think of thee."
Ever remembered by Daisy, Pat and Ruby

IN MEMORIAM

In loving memory of our dear son and brother
Edwin Arnold
who passed away Dec 24, 1942
"Gone is the face we loved so dear,
Silent is the voice we loved to hear.
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember him who once was here,
And who, though absent, is just as dear."
Always remembered and sadly missed by Mom, Dad, Agnes, Dick and Betty.

### Vermilion Sailor To Broadcast

A broadcast over CJCA at 10 minutes to ten Xmas morning will feature greetings from sailors at sea to relatives back home. Among the boys broadcasting will be Brian Callaghan, well known Vermilion boy, who will send greetings to his parents here, Mr. and Mrs. Pat Callaghan and family

Many thanks are extended to those who donated used blankets to help polio patients at St. Joseph's hospital, Edmonton. If more are needed a further appeal will be broadcast.

Wally Footz writes from Grand Centre that he is now stationed there with the C.N.R. He has recently moved from Camrose. Wally is no doubt trying to dig up some hockey activity in the north centre

Mr and Mrs. A. M West have their guests for the Yuletide Mr and Mrs. J. M. Duncan from Edmonton.

J. L. Edwards left Vermilion on Sunday morning for Sunbury, Ont., where he plans to spend the next three months

Among the visitors expected for Christmas at home is Miss Audrey Watts who has just the day to spend with her parents Mr. and Mrs Tom Watts.

Home for Xmas from the southern part of the province is Doug Harrington who is visiting his father Mr. F. J. Harrington.

Baillie Holte, son of Mr and Mrs Albert Holte, is visiting at the home of his brother and family Mr. and Mrs. T. K. Holte in Winnipeg for Christmas and New Year's.

Barry Bell is spending the holiday season visiting his mother, sister and brothers in town and district. Barry comes from Edmonton

Thomas A. Gould, formerly of the Islay district but who for quite a number of years now has lived at Victoria, extends greetings to all former friends and acquaintances in the Vermilion and Islay districts. Tom says there are a lot of people from hereabouts living at Victoria and the chances are you will meet someone every time you go down town. Weather has been mild with some rain on the Island

The annual ladies open bonspiel will be on Tuesday and Wednesday Feb. 2 and 3.

## Prize Turkey Is Donated To Cubs

The Vermilion Food Locker and Meat Market purchased the Grand Championship turkey hen at the Turkey Club show and sale last Wednesday, and have donated this delectable bird to the Vermilion Cubs. The Cubs are in turn selling tickets on the turkey and some lucky person will enjoy a dinner of grand championship turkey.

The turkey was raised, fed and exhibited by Joyce Armstrong, the daughter of Mr. and Mrs. Norman Armstrong of the Island Hill district.

*YOUR SUB DATE*

The label of your Standard will be brought up to date with the next issue, namely January 7th.

No changes have been made for two weeks.

### Christmas Game

Snapdragon was a favorite Christmas game in England more than 300 years ago. It is still played in modified form in England and America.

The original game called for a quantity of raisins to be deposited in a large bowl or dish. Brandy or some other spirit was poured over the fruit and ignited. The bystanders then endeavored to grasp a raisin by plunging their hands through the flames. A carol, called "The Song of Snapdragon," accompanied the game.

### God Bless Christmas

"There are many things from which I might have derived good, by which I have not profited, I dare say," returned the nephew. "Christmas among the rest. But I am sure I have always thought of Christmas time, when it has come around, as a good time, a kind, forgiving, charitable, pleasant time, and, therefore, uncle, though it had never put a scrap of gold or silver in my pocket, I say, God bless it!"—Charles Dickens, "A Christmas Carol."

### The Prophecy

Isaiah 9-6

*For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, the mighty God, the everlasting Father, the Prince of Peace.*

## News Notes From Your District Home Economist

*HOLIDAY MENU IDEAS*

-Mincemeat Upside-Down Cake—(if you want a change from pie): 1⅔ c cake flour, 1¼ tsp. b. powder, ½ tsp. salt, 4 tbsp. shortening, ½ c sugar, 1 tsp. vanilla, 1 egg-beaten, ½ cup milk. Cream shortening, add egg well beaten. Add sifted dry ingredients alternately with milk. Beat until smooth.

Melt 1 tbsp. butter in bottom of cake pan. Add one-third c brown sugar and 1 c mincemeat. Bake 350 degrees 45 minutes. Serve upside down with lemon or vanilla sauce.

Mincemeat filled cookies — For a change, why not try those ordinary date-filled cookies with a new mincemeat filling?

HOLIDAY HINTS

1. Aluminum foil can increase the capacity of the roasting pan by several inches. Tear off a sheet of foil large enough to fit under the turkey and protrude about 6 inches on all sides. Centre the turkey on the foil and carefully place it on the rack in your roasting pan. Turn up edges of foil slightly to prevent drippings from running out.

2. What if the turkey's browning too fast? Again aluminum foil can come to your rescue. Merely place a piece of foil over the turkey's breast bone and drumsticks as a shield from further browning.

*A Merry Christmas and A Happy New Year, One and All!*

## CHRISTMAS MESSAGES FROM THE CHURCHES

*(Rev. Douglas A. Ford)*

ONCE more it is my privilege to bring to the readers of the Standard a message for this Christmas season. There are so many influences that claim our attention, so many words audible as well as visible that clamour for our notice, that it becomes most difficult for the average person to sort out the truth from the fiction in today's observance of Christmas-tide. May we think together of three words that convey at least a part of the truth about the season of our Lord's birth.

First, there is the word *Joy*. What happiness there is in the Christmas observance over the centuries! "Joy to the world, the Lord is come!" And so mankind has responded in rejoicing on the occasion of the birth of the Saviour. Momentarily at least, sorrows and hatreds are forgotten, strife and enmity are put away, and Joy, one of the fruits of love reigns supreme. One thinks of the radiant happiness in the heart of Mary and of the vibrant thrill that came to the shepherds to mention only two instances of the Joy of the first Christmas. This, in various ways we endeavour to recapture at this time.

The second word is *Simplicity*. There is nothing so appealing in this respect as a little child. An infant is the central figure in the drama of the manger at Bethlehem, as we contemplate the Nativity scene. Certainly this is the children's festival, and truly it calls the adults back to a childlike trust and simplicity. Complicated is the word that describes so much of life today and yet at Christmas we are confronted with simple people in homely surroundings; simple beings who are chosen and used of God as His instruments in bringing in His Kingdom.

The third word is *Mystery*. This may seem contrary to the previous word, but in the Christmas message, simplicity and mystery go hand in hand. How baffling it is to us to think that in a helpless child, born in an obscure corner of an obscure nation, in this child should dwell all the fullness of the Godhead bodily. "The Word was made flesh, and dwelt among us." The splendour of God enters our human ranks and is born in a manger in Bethlehem. It is not a bad thing to be baffled by such mystery, for we must wonder before we adore, since this leads us to a proper conception of what it all implies. The infant at Bethlehem, God, the centre of all our worship, the source of all our being, the meaning of all our thought — here are thoughts that tax our imagination, and yet this is the great truth of Christmas.

Let us ponder these words at this holy season and make them part of our understanding of the most significant event that ever took place in human history.

May God richly bless you and give you peace both at Christmastide and through the coming New Year.

*(Rev. J. T. McNair)*

Luke 2:10-11 Behold I bring you good tidings of great joy which shall be to all people; For unto you is born this day in the city of David, a Saviour, which is Christ the Lord."

THE message of Christmas is essentially the message of Christ. To a world lost in sin, such blessed news must surely have been "tidings of great joy", and should still be the same.

We would note three stupendous facts recorded in our text.

1. *His Birth.*

This was the greatest event in history and a climax of prophetic fulfillment. Unto us a Child is born, unto us a Son is given. No natural happening either, for He was conceived of the Holy Ghost and Virgin born. The carol says, Born to raise the sons of earth, born to give them second birth.

Let us note more closely however just Who was born, the text says, Christ the Lord. This suggests -

2. *His Divinity.*

Here again we contemplate holy mystery. "Christ" means "The Anointed". Such is His heavenly name. The Angel had previously said, they shall call His name Emmanuel, which being interpreted is, God with us. Behold, the Incarnation. The Eternal Word, who was in the begining with God, and who was God, was made flesh and dwelt among us. Christ in a cradle! The Infinite in swaddling bands! Let us see this thing which is come to pass, and as we behold let us reverendly inquire, why did He come? The text reveals—

3. *His Personal Saviourhood.*

Unto you is born a Saviour. The purpose of His coming was to die for our sins, according to the Scriptures, and save us from eternal loss. Surely this aspect of Christmas should cause us to repent, believe, wonder, love, and praise.

Christ does not save men by His life,
Though that was holy, sinless, pure,
Nor even by His tender love,
Though that forever shall endure;
He does not save them by His words,
Though they shall never pass away;
Nor by His vast creative power
That holds the elements in sway;
He does not save them by His works,
Though He was ever doing good
The awful deed was greater still,
It took His DEATH, His CROSS, BLOOD!

Might I respectfully ask: Has Christ brought life, joy and forgiveness to your heart; or has your unbelief made His coming all in vain? One cannot know a really happy Christmas without knowing Him, whom to know is life eternal. May His joy be yours this Christmas.

Greetings from the pastor and people of the Alliance Chapel.

## Christmas Eve Memory Check

**Did You Remember . .**

to take home a few extra toys? If you are expecting two or three neighborhood small fry to drop in, you can be sure six will show up. And three toys and six children do not enhance "Peace on Earth."

**Did You Remember**

to check the Christmas tree lights? Not day before yesterday. Not last week. We mean right now. A few stores are still open and you can supply new ones. Better pick up a few more ornaments too.

**Did You Remember . .**

that you told all those people to drop in for refreshment tonight? Better check on the cake, cookies, soft drinks and other goodies.

**Did You Remember**

those last minute Christmas cards? If not, you can send telegrams to friends too far away for cards to reach them by December 25. You can even have a messenger call at your house while the guests you invited in for snacks are there and probably everybody will remember someone far away who should have a Christmas greeting.

**Did You Remember**

to hang some kind of Christmas decoration outside the house so passing strangers may enjoy some of the Christmas glow that is in your home and reflect it around your town? Remember, everyone has a part in this Christmas cheer, not just your small circle, and the more cheer you scatter the more you will [illegible]

## Manville Locals

**MANVIL LOCALS . . . to-la owre**

The turkey which was donated by Mrs. George Clark and raffled by the Manville Public library was won by Mr. N. Bohaichuk.

The [illegible] Sunday school [illegible] concerts are over for another year. The Catholic Sunday school children met in the Anglican parish hall on Thursday afternoon, the United church S.S. in the school auditorium and the Anglican S.S. in the Orange hall on Thursday evening. After a program of songs, recitations and plays by the children, Santa appeared with gifts for all the kiddies.

Mr. and Mrs. R. W. Hay left on Sunday to motor to Grande Prairie to attend the wedding of their son Arthur on Tuesday Dec. 22.

The Christmas cake donated by Mrs. R. Whitson and decorated by Mrs. McFadden and Mrs. Bauer was raffled by Birch Creek W.I. It was won by Mrs. Fred McIlroy.

Don't forget that for the months of January, February and March, and commencing Jan. 2, the stores will be closing at 7 o'clock instead of 9.

Mr. and Mrs. W. F. Smith and family have motored to California to spend Xmas with Mr. Smith's mother.

Bonuses amounting to over 14,000 have been paid out to the farmers by the NADP at Mannville.

## Elmer E. Roper Is Re-elected

Elmer E. Roper, MLA, was re-elected to his 12th term as provincial leader at the Alberta CCF convention in Edmonton Dec. 3-5, and A. J. E. Leismer, Calgary, was also accorded an acclamation when he was returned to the presidency.

Other officers elected were Harold Bronson, Cherill, 1st vice-president; Robert Carlyle, Blackfalds, 2nd vice-president; Ivor Dent, treasurer. J. E. Cook and Art Thornton, members of the CCF National Council. Mrs. H. Scott as president of the Women's Committee and Miss Kay Halliday as president of the CCYM will also sit on the Provincial board. Art Thornton, retiring treasurer, was accorded a hearty vote of thanks for his work as treasurer during the past few years.

In addition to the above officers each federal constituency will be represented on the provincial board.

## The World of Wheat

By H. G. L. STRANGE
*Director "The Crop Testing Plan"*

**OUR HOPES AT CHRISTMAS-TIME**

At this Christmas-time the world is full of perplexities and difficulties. History tells us, however, that throughout the ages, perplexities and difficulties are much more normal than many suppose. Except for some 300 years of continous [illegible] the rule of [illegible], called the 'Pax Romana' and about 100 years when Britain kept the peace of the world, called the 'Pax Britannica', the world has usually been upset and with fear of possible war and shortage of food gripping the hearts of men. Somehow or another, however, things usually turned out at least to be not quite as bad as many expected. Our present period of perplexity and difficulty will no doubt be much the same.

Man's most fervent hope throughout the ages has been for an abundance of food. In some relatively small areas of this world a great abundance of food is now present and an abundance of wheat is causing some temporary difficulty to our prairie farmers. It is worth remembering however, it seems to me, that it is far better to have to contend with the relatively minor problems of abundance than it would be to have to suffer from a lack of sufficient food. This at least must be a comforting thought for us at this Christmas-time when we ponder on the great hopes of mankind "On earth . . . peace, good will toward men" and "Give us this day our daily bread".

Canada today is second only to the U.S. as a producer of aluminum.

Winters are cold in the interiors of Newfoundland but are more moderate along the coast.

## NEWS from CLANDONALD

This being the last edition of Clandonald news for this year we would like to take this opportunity of wishing our readers and the editor and staff *A Very Merry Christmas* and the best of everything in the coming year. We wish also to thank all those who from time to time hand us news items and also those who by their remarks appreciatae our efforts to have some of the local happenings of general interest published in our weekly newspaper.

BINGO PARTY

Wednesday night the first large scale bingo party in Clandonald was held in the Columbus hall sponsored by the Curling club. A large crowd turned out for the affair and we understand that the promoters were well satisfied with the financial returns. Winner of first prize, a chest of silver, was Mrs Alex Malk, wife of a Clandonald business man. Second prize winner was also a town resident, Bobbie Taschuk who was fortunate enough to take home a set of dinner wishes.

We are very pleased to report that Mrs. Bill Specht is home again following an absence of several months duirng which time she was a patient in an Edmonton hospital. We sincerely hope that this time her treatment will effect a complete and permanent cure

TO VISIT SOUTH AMERICA

Most people plan to spend Xmas at home with their friends and relatives. However, Roy Smith, a former resident of the Clandonald and Dewberry districts prefers to do things a little differently. Roy, accompanied by his wife and two small girls left their Calgary home recently for a visit to South America. A brother of Mrs. Smith's has employment there in the oil industry and it is with him that they are planning to visit for the next three months. Roy and family were planning on driving to Miami, Fla., and from there complete their trip by air, about a seven hour journey.

Mrs. S. Filgate returned from Calgary recently following an absence of several weeks. During that time she was visiting with her grandson Tom Forsyth and family. Mrs. Filgate has almost completely recovered from a fractured ankle which she suffered last summer.

CHRISTMAS CONCERT

Thursday evening the Sunday school under the direction of Mrs. Goddard held their Xmas concert in the Orange hall. Quite a large crowd turned out for the affair and seemed to enjoy the program very much. As usual at such affairs Santa Claus paid a visit toward the end of the entertainment and after having been suitably welcomed handed out candy and gifts to the children present.

## Quaint Rehearsal Of Christ's Birth Found in Old Carol

'Auld Lang Syne' has become such an integral part of our modern New Year's eve that no celebration however gay would be complete [illegible]

The music sheets for those nostalgic strains simply say "Robert Burns — Scotch Air", and Robert Burns generally is supposed to have written it after he had settled down on a farm and taken himself a wife following the sweeping success in 1778 of the second edition of his "Poems." Well and good, but Auld Lang Syne was not exclusively a Burns' product, nor did he claim it to be.

In a letter to George Thomson, a publisher, Burns explained

"It is an old song of olden times, which has never been in print. I took it down from an old man's singing."

Modern scholarship has discovered that Burns was wrong when he told Thomson "Auld Lang Syne" never had been in print. Its refrain at least, was printed obscurely long before Burns heard his "old man singing."

Further, the original song often has been credited to Sir Robert Aytoun (1570-1638). Aytoun was one of the earliest Scots to use the lowland dialect as a literary medium. Multitudes of Americans decended from non-British stock are perpetually mystified by this dialect, nor does it seem to make much sense in the standard English translation.

Regardless of its original [illegible] and origin, it was Burns who gave 'Auld Lang Syne' its [illegible]. And though the bells [illegible] the New Year with joyous peals symbolizing mankind's hope for a bright future, the nostalgiast of [illegible] summarizes a[illegible] adherent reluctance to leave the security and friendship of the past and embard upon a future which, however promising, may not be more pleasant. Thus it [illegible] a part of the English speaking heritage to

"Drink a cup of kindness yet
For Auld Lang Syne."

DOUBLE SPACING in all typewritten articles for publication!

## Tips on Touring

*By Carol Lane*
*Women's Travel Authority*

The next time you get stuck in a snow bank take it easy and remember that pair of old throw rugs in the car trunk. In nine out of ten cases, your car is stuck, not because of the amount of snow, but because the tires lack traction. The moment it becomes apparent that you are in trouble in snow, stop and investigate. The worst thing you can possibly do is attempt to plow your way through by gunning the car and spinning the wheels.

Get out and look at the rear wheels. If you think you can get out without trouble put the car in low gear and start forward slowly, letting the clutch pedal up gradually. If the wheels spin without moving the car, stop before you dig yourself in deeper.

You need traction — and that's where those throw rugs come in. Stuff them under the two rear tires, along with any sand, gravel, broken sticks or weeds that are handy.

In low gear let the clutch pedal out slowly and if you go forward only a few inches, shift immediately into reverse, then into low again. By repeating this rocking movement — without spinning the wheels—you should develop enough traction and momentum to work yourself free.

One woman I know swears by a pair of faded bath mats. They take up little space in the luggage compartment — and they haven't failed her yet!.

# Wedding Bells

*MARTIN – MASSINE*

St. Theresa's Catholic church in Hillcrest was the scene of a lovely wedding at 11 a.m. recently when Josephine Barbara Massine, daughter of Mr. and Mrs. John Massine, became the bride of Patrick James Martin, son of Mr. and Mrs. Pete Martin of Dewberry, Alberta. Rev. Father B. Holland of Bellevue performed the double-ring ceremony.

The bride was given in marriage by her father. She wore a strapless floor-length white gown of satin and net topped with a lace bolero. Her finger-tip veil was held in place by a beaded coronet of pearls and rhinestones and she carried a bouquet of red roses and white mums.

The bridesmaids, Dorothy Massine, sister of the bride and Lorraine Massine, cousin of the bride, were identical net gowns of pale mauve and pale green with matching chapel veils and each carried a bouquet of yellow mums and pink carnations to match their gowns.

The groom was attended by a brother, Jerry Martin of Dewberry, and a brother-in-law, Walter Bonwick of Calgary. Usher was Mario Colostino of Hillcrest. Mrs. A. McIntyre of Hillcrest presided at the piano and Eric Price of Bellevue sang a solo.

A reception was held at the home of the bride's parents. A toast to the bride was proposed by Rev. B. Holland, to which the groom responded.

For going away the bride chose a blue-grey suit with pink and black accessories. She wore a corsage of red rose buds.

The young couple will take up residence in Calgary.

—Lethbridge Herald.

*ROGAN – WICKHAM*

St. Saviour's church, Vermilion, was the scene of a pretty wedding recently when Florence Winnifred, youngest daughter of Mr. and Mrs. E. J. Wickham of Vermilion became the bride of Desmond Gerald (Tim) Rogan, youngest son of Mrs. W. Rogan and the late Mr. Rogan of Furness, Sask.

The Rev. D. A. Ford officiated. The wedding march was played by Mrs. C. King of Vermilion.

The bride, given in marriage by her father, wore an angel-length gown of white lace over net. The fingertip veil was held in place by a sweetheart headdress of net. She carried a bouquet of red roses.

Mrs. George Wickham of Vermilion, a sister of the groom, was matron of honor. She wore an ankle-length dress of pink crepe and carried a bouquet of pink and yellow roses.

Mr. George Wickham, brother of the bride was best man.

For her daughter's wedding the bride's mother chose a grey floral dress of rayon with matching accessories and her corsage was of red roses.

The groom's mother wore a black dress of crepe with pink accessories and a corsage of pink roses.

Following the ceremony a reception was held at the Brunswick hotel with 40 guests present. The toast to the bride was proposed by the Rev. Ford to which the groom responded.

Later in the evening the young couple left for a short honeymoon to Edmonton.

**How's Business?**

The fine, warm, open autumn weather played hob with retail clothing sales, sports goods, etc., reports The Financial Post. People don't seem eager to sneak up with overshoes, winter overcoats or skis with the thermometer hovering up above the freezing mark. However, when the rush does come, business as good or almost as good as the record volume done a year ago, is expected.

# Mannville Local Items

Mr. and Mrs. Olsenberg of Edmonton were renewing acquaintances at the Home and School meeting on Wednesday night.

Mr. Don Allanach has returned from a visit to Brandon. He was the guest of his sister and family, Mr. and Mrs. Jas. White.

Mrs. Edith Pederson and Mr. Don Upton are assisting in the Post Office during the Xmas rush. Mrs. Eber McFadden is clerking in the 5c to $1 store and Miss Reta Majeau is in the drug store until Christmas.

Frundfest and Canford have Santa Claus and his reindeer up on the housetop again this year with Rudolph's nose alight.

Mr. James McCauley is confined to bed with a bad case of flu. We hope he will be well soon.

Mr. and Mrs. Joe Dowicki and small daughter were visitors last week at the home of her parents, Mr. and Mrs. E. Hubbard.

The Square Dance club has a paid-up membership of about 90. Lessons are completed and we hope to have several dances during the next month. Mr. Lien was a very capable instructor and caller and after a little more practice the members of this club should be able to enjoy dances at any of the Canadian Square Dance clubs.

Lawrence Pandak, son of Mr. and Mrs. Fred Pandak, is ill with rheumatic fever.

The two Christmas bazaars and teas this year sponsored by the United church W.A. and Christ church W.A. were exceptionally well attended. The C.G.I.T. realized a fair sum from their taste of flowers candy etc., at the United church hall. The Girls' auxiliary of the Anglican church had a table of home cooking, sewing etc. at the Anglican bazaar.

From 1939 to 1952 the national public debt increased from $3,139 million to $11,195 million.

Manufacture of fishing tackle in Canada is a business worth close to $2,000,000 annually.

*Are you willing to forget what you have done for other people, and to remember what other people have done for you, to ignore what the world owes you, and to think what you owe the world, to put your rights in the background, and your duties in the middle distance, and your chances to do a little more than your duty in the foreground; to see that your fellow-men are just as real as you are, and try to look behind their faces to their hearts, hungry for joy; to own that probably the only good reason for your existence is not what you are going to get out of life, but what you are going to give to life; to close your book on complaints against the management of the universe, and look around you for a place where you can sow a few seeds of happiness—are you willing to do these things even for a day? Then you can keep Christmas.*

# Bowtell Bulletin

First we wish to make a correction from last week's bulletin, the writer was pleased to have Mr. and Mrs. Lippert, Mr. Gow and George and Mr. J. Fisk as visitors on Sunday. The three names were at the recent Busy Bee meeting being Mr. and Mrs. Burton, Mrs. R. Popp and Mrs. R. Carroll.

The latest to be taken ill are Mrs. J. Seminick, Mrs. Williams and Ed Lippert.

Two more phones are now on the line, these are Tom Watt and Jack Seminick.

Mrs. Don Harrison returned to her home this week from the coast where she has spent two weeks visiting her parents, Mr. and Mrs. Ed Wilson.

Henry Strang has returned to Edmonton.

Thanks for the good wishes Pleasant Valley, we are all much better after a siege of the old flu.

We extend to Editor and staff and to all our readers everywhere our best wishes for a Merry Xmas and a Happy New Year!

**Lower Taxes**

Looking for tax cuts in next year's budget? You may be disappointed, says The Financial Post. Present indications, it reports, point to no general reduction in taxes but no increases either.

In special cases, there may be some cuts, especially in excise taxes now levied at an average level of 15% on a wide range of goods. On certain individual items too, there may be decreases. First to get exemption will probably be glassware, tires and tubes, furs, some sporting goods; more doubtfully soft drinks.

Food and beverage products ranked first among Canadian manufacturing industries in 1952 with a gross value of $3,477 million; second were iron and steel products, at $2,134 million.

**THE FUNCTIONS OF THE FOOT**

In the animal kingdom structure and function always go together, and so the human foot is constructed to carry out to the best possible advantage the requirements of a two-legged individual who require at times to stand still and at other times to move about. In other words, the function of the human foot is twofold — Support and Progression.

If we are to understand how to care for the foot, it is necessary in the first place to understand how it is constructed and how it is meant to work. Let us bear in mind what it is that feet are meant to do, and then examine the mechanism which Nature has designed for these purposes.

SUPPORT

To act as a support for the body in standing, we must have some sort of a base. If we never moved at all, then something like the pedestal of a monument would be appropriate. But we have to move about, and so a solid base is out of the question. Architects have found out that the strain of weight-bearing can be carried by a domelike structure without using nearly so much material and consequently without nearly so much weight. This architectural concept has been carried out in the case of the feet. When the feet are placed together, the heels and the outer side of each foot are in contact with the ground, as are the heads of the metatarsal bones, but the inner sides of the foot make no contact with the ground. You can see the outline of this base if you stand on a floor with wet feet.

PROGRESSION

Important as the function of support is, it is less so than the function of progression. You have to move about from place to place sometime you wish to walk very slowly, to saunter; at other times you wish to walk briskly or to run, you may have ambitions to do a hundred-yard dash in ten seconds, to swim a mile at record speed, or to give exhibitions of the sword dance or the Highland fling. Your life may require you to tread on ground more irregular than the surface of a city street although even there you may have an incline to mount or a steep pathway to descend.

Many activities are implied in the word 'Progression'. For am and all of them the human foot is adequately and admirably designed. It must always be remembered that every action of the body is controlled by the brain and nervous system, and it is assumed throughout this discussion that the nervous control is normal.

# MR. AND MRS. FRANK SCOTT HONORED ON SILVER WEDDING

MANNVILLE—On Dec. 11 a surprise party was held in the Clovelly Community centre to honor Mr. and Mrs. Frank Scott on the occasion of their silver wedding anniversary. About 75 friends and neighbors gathered to extend good wishes to the happy couple.

Whist was played to begin the evening the prizes being won by the following: Ladies Mrs. J. Crawford, consolation, Mrs. B. Hanning; men's, Mr. Frank Scott, consolation Ian Robertson.

A double ring aniversary cake was made by Mrs. H. Robertson and Mrs G. Clark and beautifully decorated by Mrs. Ernie Bauer. The MC Mr Harvey Robertson, in a few well chosen words, made the presentation of an electric clock. The clock was brought in and presented by Edith Wood and Bobby Machin dressed as bride and groom. Incidentally Mr. Robertson was master of ceremonies on the occasion of a shower for Mrs. Scott in 1928. The groom suitably replied.

Flash pictures of the occasion were taken by Mr. Alvin Bauer.

The bride and groom started the dance to the strains of the 'Anniversary Waltz'. Dancing lasted until the small hours of the morning.

Mr. and Mrs. Scott are both old timers of the Mannville district. Mr. Scott came to the district in 1905 and Mrs. Scott (the former Iva Shore) in 1918.

# Of Many Things . . .

By AMBROSE HILLS

LAW OF AVERAGES

I have a friend who is a crackerjack salesman. I ran into him yesterday and said, "Well, I saw you coming out of Blotz & Blotz office. Did you make a sale?"

He grinned back at me. "I'm sure I made at least forty dollars."

I didn't get it. He sells an expensive line of equipment for construction purposes. If he made a sale at all, his commission would be up in the hundreds or thousands. If he made no sale, he'd get no commission. I couldn't figure out this $40 business.

"It works this way," he told me. "I didn't sell anyting to Blotz & Blotz today. But I know, through experience, that every call I make is worth, on the average, $40 to me at the end of the year. So I put a value on each call I make. Then, I'm not frustrated, or bothered too much by ups and downs. I know very well that the law of averages is working for me, and if I make enough good calls I'll get enough business to pay for the ones that don't click."

I like that philosophy. The law of averages only works for those who give it a chance to work. But it is strictly fair to all. Rich or poor, black or white, it cares not a hootinanny. Politicians have nothing to do with it; the recipients of its favors cannot cheat it, or bribe it. But everyone can use it by honest work. Make the calls or you don't get the business.

I like laws that work on their own and leave men free to fail or succeed by such impersonal measurements. I hate to see human beings set up as judges of who shall succeed and who shall fail.

The free market operates much like the Law of Averages. The good product can be sure of being chosen often enough to succeed. But you must put your product out there in the market place in order to have this impersonal law operate for you. It doesn't practice patronage as government agencies are inclined to do. It doesn't care if you are Liberal or Conservative or CCF. It doesn't care if you are somebody special, daughter of a big shot or brother to a senator. Produce the goods, at the right price and the market makes you a hero. Fail to produce, or offer shoddy goods, and the market makes you a failure. Pull doesn't operate the way it is very apt to do when government agencies run the market place, or operate the TV stations, or make the films, or sell the whiskey. Nobody's uncle can help you if you can't produce the goods on the free market . . . and that's the way it ought to be.

May we wish you and yours the best of everything for this Yuletide Season. May you enjoy a health, happy, prosperous New Year.

Geo. S. Maxwell

Box 1953 VERMILION, ALTA. Phone 381

# Kitscoty High School Notes

Curling draws held during the week saw Rea lose to Hannah 7-1 while Giles won a narrow 4-3 victory over Kent on Tuesday night. On Thursday night Kastondieck upset Giles 7-1 and Venance lost to Berg 4-3. Until after the New Year all games are a maximum of one hour in length because of the interference with the men's draw.

The high school rink skipped by Gordon Jacobs lost two games 14-6 and 9-7 on Wednesday and Thursday nights in the men's draw.

A hockey practice was held on Thursday evening and all indications point to a stronger team taking the ice this year than last. A coach has not yet been secured.

# The Standard's Special Report Of Annual F.U.A. Convention

With a realization of the interest attached to, and importance of the annual F. U. A. convention, the Standard arranged for coverage of the main points of the five-day event. The report is herewith presented.

EDMONTON. — With the prediction of darker skies and squalls on the 1954 farm scene, 665 delegates to the 5th annual convention of the Farmers' Union of Alberta outlined their dislikes and wants in five days of considering resolutions and hammering out organization policy.

By the end of the convention they had considered 150 resolutions, passed others on to the central board for suitable action. They placed the stamp of approval on most points in a 35-point declaration of FUA policy, drawn up by the central board.

GAS PRICES AND RURAL ELECTRIFICATION

They reiterated the farmers' protest against oil and gas prices, delved into the field of rural electrification and power costs and put the heat on the federal government about the grain situation. They blasted alleged price-fixing in various fields and called for an investigation of farm machinery prices.

AMALGAMATION

Once again the question of amalgamation with the Alberta Federation of Agriculture provided very lively, strong debate for several hours, but the upshot was a passage of a resolution asking for deferment for a year to "get the information to every member". This, despite the fact that President Harry Young had opened the convention by stating that a draft constitution had been drawn up and sent to every local last spring for consideration. He expressed the hope at that time that the delegates had been instructed by their locals on the stand they were to take.

In these remarks he also pointed out that the last AFA convention did not express approval or disapproval of the proposed merger. When the debate started, the AFA President Roy C. Marler said his organization had tabled the matter without consideration because FUA wishes were not known.

The inability of the delegates to reach a decision on amalgamation was pointed up by frequent references by delegates and officials to the necessity for farmers to present a united front in pressing their wishes and needs. The difficulties in the way of attaining this objective were left to an outsider to declare. S. O Hillerud, of the University of Alberta Extension department, said organizers will have to overcome the indifference of 85% of the farm population to organization.

The 'united front' did not show strongly during consideration of the method of seeking marketing boards for farm produce and, before the debating was over, officials were ready to say the delegates did not know what they wanted. Delegates applauded when they were 'bawled out' by Vice-President Carl J. Stimpfle for not acting on their own resolutions.

MARKETING BOARDS

It started when the convention came to a resolution asking the government to take a plebiscite on producer marketing boards, with a 60% majority to constitute a mandate for setting up marketing board legislation. Although the resolution had been submitted by four district conventions, a sub-district rally and two locals, it was sent back by the delegates for re-drafting. When it was again presented to the convention the delegates voted to throw out the changes and they were back on the original resolution.

No one seemed to know what to do and Mr. Stimpfle, one of the group which drafted the original resolution and rejected change, was asked for his views. He gave them. In part, they went like this:

'You've got to make up your minds what you want. You pass a resolution, then leave it alone. You don't take it home and talk it up. I've been trying to tell you that for three years and you won't listen to me or any of your officials

'You're trying to set up the mechanics before you accept the principle of the thing. The government doesn't see fit to take action because you can't take time to go to your MLA and tell him what you want."

He urged them to get their district boards to call one or two mass meetings: invite their legislative member and have a qualified authority explain marketing board set-ups. "By doing that", he said, "we might get some action at the next legislative session."

In the end the convention passed a resoltuion asking the government to pass legislation legalizing the establishment of such boards. Feeling was that after the legislation is on the books the principle will be established.

NATURAL GAS IN CANADA

The convention rejected the central board's policy statement, which opposed the gas export from Alberta, and substituted one to keep the gas in Canada.

Apparently most of the convention agreed with delegates who saw export from the province was all but fact. But they disagreed with the optimism of one or two others who claimed there is far more than enough gas for the needs of Alberta and Canada for many years to come. One woman delegate suggested it would not be long before atomic power would relegate gas to the position of a second-rate fuel and source of power.

While passing a resolution and endorsing policy seeking public ownership of rural power developments, delegates also recognized that private ownership of power would exist for some time. They passed a resolution asking for a reduction of the farm power rate to one cent per kilowatt hour. The request was based in the contention that the power companies have no money invested in rural power lines and that production of electricity under an efficient system costs about one-half cent per kilowatt hour.

GRAIN HANDLING

In connection with grain handling, the convention had before it a resolution favoring compulsory arbitration of strikes in cases of grain handling, livestock processing and other essential industries. After a stirring plea by a grain handlers representative and strong debate by delegates, the sting was taken out of the resolution by deleting the word 'compulsory' and the convention went on record as favoring plain, ordinary arbitration in case of such strikes.

ELECTIONS

The elections saw Mr. Young of Millet, returned by a thumping majority for his fourth term in the $5000-a-year job as president of the 23,000 member organization. He received 414 votes, compared with 152 for his only rival, Mr. Stimpfle of Egremont, who in turn was elected vice-president very easily. Also in his fourth term in the same position received 307 votes, his nearest rival, Frank Maricle, of Hamlin 99, and Arthur Hadland of Baldonnel, B.C., 79.

In a field of nine candidates three were chosen as executive members. New member is Archie L. Hogg of High River, while re-elected were A. B. Wood of Dewberry and Mr. Hadland. Acclamation was accorded Mrs. W. C. Taylor of Walwright, in re-electing her president of the Farm Women's Union of Alberta, which held sessions at the same time as the parent organization. Mrs. C. T. Armstrong of Calgary was re-elected first vice-president and Mrs. C. R. Braithwaite of Red Deer second vice president.

It was not all work and no play for the delegates. Several districts drew their delegates together at small banquets while a social evening and convention dance highlighted events Tuesday. Throughout the convention delegates congregated in small groups in the halls of the convention building, the Alberta college auditorium in downtown Edmonton and in hotel rooms. They threshed out their organization's problems among themselves at breakfast and lunch and exchanged information that many will carry back to their locals and put into practice.

DELEGATES PROMINENT

Throughout the five days, Edmonton was aware of the visitors. Their convention badges showed up everywhere. Citizens, accustomed to eating in downtown restaurants found they had to wait even longer than usual when the farm delegates took their noon hour.

Although attendance at the last day's session dropped off considerably the convention earlier in the week rejected a resolution calling for a four-day meeting instead of 5.

Indications were that on many major issues delegates thought differently about how they should be settled. But the convention as a whole, presented a picture of the farmer striving for the best position obtainable—socially and economically.

Over 250 years ago English school children wrot[illegible] Chr[illegible] specimens of good [illegible] called "Christmas pieces". From th[illegible] school[illegible] came the gra[illegible] of sending Christmas cards.

The first known Christmas card was created in 1842 [illegible] a young etcher named William [illegible]. Original of the first card is now on display in the British museum.

In the United States Louis Prang published the first Christmas cards. During the 1870's and 80's Prang produced thousands of beautiful [illegible] and has become known as the grandfather of the [illegible].

## Wedding Bells

### THOMPSON—HAWRYLUK

The United church, Spirit River Alberta was the setting for a beautiful wedding on Saturday Dec. 5th at 2.30 p.m. when Diane Olga only daughter of Mrs Hawryluk and the late Mr Michael Hawryluk of Spirit River was united in marriage with John Ernest (Jack) Thompson only son of Mrs Thompson and the late Mr Ernest Thompson of Vermilion Alberta.

Rev Douglas Chapman officiated at the double-ring ceremony.

The bride was lovely in a ballerina-length gown of white lace and net over satin fashioned with fitted bodice and lace bolero with Peter Pan collar and long sleeves ending in lily points. The full gathered skirt featured diagonal inserts of lace and net and her chapel veil was of embroidered net. She carried a bouquet of red roses and fern tied with ribbons of embroidered net and her jewelry was a necklace of pearls the gift of the groom.

Mrs George Kosowan matron of honor was dressed in a blue-grey suit with black accessories. Her corsage was of pink apple blossoms and fern.

Miss Olga Sidoruk, bridesmaid wore a ballet length dress of Queen's blue lace and net over taffeta the fitted bodice embroidered with sequins, and a bolero of lace. Her shoulder-length veil of blue net was held by a coronet of blue marguerites and her gloves were blue nylon in matching shade. She carried a bouquet of rose carnations and fern.

Miss Cristle Jeske, bridesmaid, wore a ballet length dress of rose-pink net over satin, with fitted bodice and bolero trimmed with net frilling. Her shoulder length veil of pink net was held by a coronet of white marguerites and her gloves were of pink nylon. She carried a bouquet of rose carnations and fern.

Miss Victoria Kushneryk, also attending the bride was dressed in pale blue lace over taffeta with fitted bodice and draped bolero of net embroidered in sequins. Her shoulder veil was of blue net held by a coronet of white marguerites and her gloves were of white nylon. She carried a bouquet of pink carnations and fern.

Darlene Setter flower girl was gowned in a floor-length dress of daffodil yellow net over satin with a coronet of blue marguerites and she carried a bouquet of blue carnations and fern.

Mr George Kosowan was best man. Also attending the groom was Mr Robert Wilcox.

Ushers were Mr Rene Frigon and Mr James Hawryluk brother of the bride.

The wedding music was played by Mrs H. Lewes.

Following the ceremony an open reception was held at the home of the bride's mother who received in a [illegible] suit of grey wool with hat of felt trimmed with feather. Her corsage was of red gardenias and fern.

Mrs Thompson mother of the groom was dressed in an afternoon frock of blue taffeta with black hat trimmed with veiling and her corsage was of red gardenias and fern.

A three-tiered wedding cake topped by a vase of white lily of the valley flanked by white tapers and vases of red carnations and fern centred the bride's table which was laid with embroidered cloth.

The toast to the bride was proposed by Mr George Kosowan and replied to by the groom.

Gifts to the bride's attendants were cigarette lighters and perfume and to the groom's attendants and ushers gold-plated tie clips.

A wedding dance was held in Spirit River during the evening with music by the Romaniuk Bros orchestra.

The young couple were the recipients of many beautiful and useful gifts and a purse of money, with the well-wishes of a host of friends.

About 1300 tuberculosis germs, placed end to end would just about cross the head of a pin. 31tf

Vol. XLV. No. 27. Vermilion, Alberta, Thursday, January 7th, 1954. $2.00 a Year

### Vermilion and District Objective $1500.00

## CANADIAN LEGION TO LAUNCH POLIO FUND CAMPAIGN

The Legion Polio Fund campaign will be started in Vermilion and district on Jan. 11th is the word given to the Standard by Chairman George Martin after an executive meeting of the Vermilion branch.

The campaign is Dominion-wide with the Canadian Legion taking charge in Alberta. The 238 branches of the Legion in Alberta will canvass for donations in their respective districts.

The local branch appointed Thos. Wilson in charge of finance, E. H. Buckingham for publicity, J. R. Robson and S. D. Simonson for school collections. Mayor Carl Heckbert will officially open the drive for funds.

Canvassers have been appointed for the business section and the Ladies Auxiliary of the Legion will visit all homes in town. Any person not canvassed personally can make a donation to any member of the executive.

The objective for all Alberta is $100,000. The Vermilion branch is assuming a quota of $1500. The committee hopes that Vermilion people will support this very worthwhile program generously.

Mr. Martin reports that during 1953 there were 1413 cases of polio in Alberta with 109 deaths. There were several cases in this town and district. Both old and young are susceptible to attack. Polio may strike at any time

Citizens may wonder at necessity of a special fund for helping polio victims. The government does a lot but there are many ways in which help is needed where government grants do not apply. We all know of the lack of equipment last September when so many people contracted the disease

The Legion fund will be available to all residents who have polio. Help will be given for home treatment, transportation, processing of essential gamma globulin, iron lungs and other equipment. There are many other ways in which the fund can be used in helping to bring back to health children and older people also who become victims of this dread disease.

## Legion Auxiliary Work Reviewed

At the close of 1953 the Ladies' Auxiliary to the Canadian Legion in Vermilion looks back on a year that has been successful both from the standpoint of activities and services rendered.

Donations totalling $420 have been given to the following worthwhile causes. Save the Children Fund, Books for the Boys; C.N.I.B., Red Cross; Coronation celebration; Salvation Army; Cancer Soicety, Boy Scout Assoc., Post 11 and the Provincial Hospital fund.

Most of the money has been raised by the Social committee catering to banquets and luncheons.

Other activities have included the annual church parade, Decoration Day, Poppy campaign and Nov. 11 services, the family picnic in July and the Xmas party in December. An added feature this year was the part taken in the Coronation celebrations.

The delegates, President Thompson and Vice-President Davis attended the Provincial convention held this year in Edmonton. They brought back valuable and inspiring reports.

As [illegible] cards, flowers and baskets have been sent to our sick members [illegible] parcels and Xmas cards sent to the boys in the services and a small Christmas gift to our life members and any over 80 years.

Around the kitchen more new dishes have been purchased, another cupboard built, a tea towel shower was held and insurance put on all belongings

As the result of the election held at a recent meeting the following will hold office for 1954

Pres. Mrs Ethel Thompson
Vice-Pres. Mrs Marion Davis
2nd Vice-Pres. Mrs Florence Jenkins
Secretary Mrs Ivy Pare
Treasurer Mrs Anne Wright
Executive Mrs. I Webb, Mrs. E. Rooks, Mrs. E. Mayhew, Mrs. E. Stephens, Mrs. H Bell, Mrs M Tough.

## Inhales Toothpick — Rushed to Edmonton

A toothpick can be dangerous as well as helpful Gordon Park found out last week. Gordon had a toothpick in his mouth and coughed with the result that he inhaled the pick, it slipped down his trachea, commonly called the windpipe, and stuck on the path down to his lung

As special instruments were required for extricating the toothpick, Gordon was rushed to Edmonton where two specialists were successful in removing the dangerous obstruction.

## Engineer At Steam Plant Blacks Out

An accident which might have had more serious results occurred Monday evening at the steam plant It appears that the engineer on duty that evening, Mr Tom Chrisp climbed to the top of one of the big steam boilers some 17 feet above the floor to perform a task and while up there fainted away. He was unconscious for some time but fortunately was discovered by Ken Urquhart who noticing that the temperature in the garage was falling rapidly phoned the plant and on receiving no answer sensed something wrong and hurried to the premises. The task of removing the unconscious man from the top of the boiler to the floor required considerable help

At last reports Mr Chrisp is recovering with no ill results apparent

LIBRARY TO CLOSE AT 6 P M

The Vermilion Library will close at 6 p.m. Saturdays for the next three months

## Kitscoty Barrister Honored

Among the membes of the legal profession in the Province of Alberta appointed and commissioned at New Year's by Her Majesty the Queen as exercised through the Attorney-General's department of the Provincial government to be one of Her Majesty's Counsel learned in the law was James McCorry of Kitscoty where he has been practising his profession for the past several years. The honor of Queen's Counsel is bestowed upon members of the Bar who have shown ability, loyalty and integrity in their profession. Being appointed Queen's Counsel gives preference in our Courts and is under the Letters Patent and Great Seal of the Province Mr. McCorry is the recipient of congratuations from friends all over the district on his signal preferment

## Week of Prayer Services to be Held

The annual Week of Prayer will be observed in Vermilion from Jan. 12 to 15 this year. Under auspices of the Vermilion Ministerial Association, services will be held in the co-operating churches at 8 p. m. each night. These services offer the opportunity to Christian people of varying faiths to unite in prayer for the world and its needs and for the witness of the Faith in the world.

Services will be held as follows: (with preachers as noted)—

Tuesday, Jan. 12—The Alliance chapel, Rev. D. A. Ford.

Wednesday, Jan. 13 — Salvation Army, Rev. C. W. MacKay.

Thursday, Jan. 14—United church, Capt. R. Chapman.

Friday, Jan. 15—Anglican church, Rev. J. T. McNair.

### Youthful Team Rounding Into Shape

## Vermilion Tigers Lose, Tie and Win

Since the publication of the last Standard the Vermilion Tigers hockey management has iced a very young team in the Eastern Alberta Hockey league. The team lacks experience and weight but is coming along fast. Results to date have been a tie with Vegreville Rangers on home ice 4-4; playing at Veg they lost a 10-4 decision last Saturday; and at Vermilion Wednesday night the Tigers turned in a brilliant 5-4 win over playing coach Kay Strate and his Wainwright Commandos.

SCORING STATISTICS

After this issue it will be possible to deal at some length with each game, scoring, penalties, etc. In order to catch up just brief summaries of the scoring will be given in this week's paper

Playing here against Vegreville the goals for the locals were Dobbyn from Stewart Cooper and Moffat; St. Martin from Barr and Patsula; Stewart Barr unassisted; Bill Schmidt from Patsula and St. Martin.

At Vegreville Bill Schmidt notched two, Stew Cooper and Dobbyn one each

Back at Vermilion Wednesday it was Patsula from St Martin, Dobbyn (Moffat); Schmidt (St Martin); Bill Williams (Schmidt); St Martin (Patsula).

For Wainwright Strate notched three with Linnell getting the other. Assists went to the Blensh brothers and Touchette.

## Viking Gas Kings To Show Here

Vermilion fans have now seen the Wainwright and Vegreville teams in action and on Wednesday next Jan. 13, the Viking Gas Kings will play at the arena against the local Tigers.

Viking has gone all out to build a pennant winner! Vermilion has a purely local and very young team that has held up its end against both the Commandos and Rangers. The game next Wednesday should be a headliner — call off your other lesser dates and attend

Tigers play at Wainwright this Saturday evening

## Stan Manyluk To Coach Tigers

First taking the post of team manager Stan Manyluk has now accepted the job of coaching the young Tigers hockey club. Several men were mentioned for the position among them Elmer Kreller, Les Williams and Jim Ferguson, but apparently Stan was the only one who figured he had time for the job

In the meantime it would be good to see Kreller Williams and Ferguson out there backing up the very youthful Tiger team

## Ivar Larsen Suffers Broken Ankle

Ivar Larsen slipped when getting out of his car one day last week and in the resultant fall suffered a broken ankle

Help Polio Victims — give liberally to the Legion Polio fund

## INTRODUCING THE 1954 VERMILION TIGERS HOCKEY TEAM

The Eastern Alberta Hockey league after a three weeks delay due to warm weather is underway and the scheduled games are being played regularly. The local Tigers have played only three of their scheduled games and are now working the lost games into their schedule.

The Tigers are faced with a complete rebuilding job as only five of last year's championship squad are still with the club. The backbone of the 52-53 Tiger team, the defence Les Williams, Jim Ferguson and playing coach Elmer Kreller have all retired. This is quite a loss to any club and the locals will have a tough time replacing them.

The Tiger line-up, for the first few games, featured many young and inexperienced players. Four of last year's Kinsmen Midget team, all of whom are 16 years of age, were playing. Barr and Little, 2 of the Midget stalwarts make up the backbone of the Tiger defence. The other defenseman is Hancock of the V.S.A., who is only 17. Although this defense is young, with a little more coaching it could blossom into one of the best in the league. Stew Cooper last year's Midgets high scorer is playing in the centre slot on one line and is doing a good job of it. He scored the nicest goal of the game at Vegreville, splitting the defence on a solo effort and scoring easily. Lowrie is another Midget playing for the Tigers and he shows plenty of promise for future games. It is very evident that the Midget organization is beginning to pay off to the senior team.

The Tigers' first line of Patsula St Martin and Schmidt should supply the Tigers with that much-needed scoring punch. Schmidt has replaced hard working Rod Barr on this line, otherwise it is the same as last year's.

Cooper's second line composed of himself, Dobbyn and Moffat have a good passing attack and should blink the old red light often

The third string is not definite as yet but at present it is made up of Leahy at centre with Lowrie and [illegible] on the wings. This is a [illegible] line and should pick up a lot of experience this year and give a good account of themselves

With Ken Brown moving upward on the hockey ladder the Tigers were fortunate that H Laporte should move into town to attend the V.S.A. this winter. Goalies are a scarce article and from his performances in the three games to date this boy is well above average. He has a wonderful eye for that puck and is equally good with his hands and feet. He was particularly scintillating during the first period of Wednesday's night's game against Wainwright when the Commandos really turned on the heat. The post of goalie appears to be in good hands

Big, fast and powerful and used as a utility man for the past few seasons, Bill Williams gives promise of putting in his best winter on defense. He can be dangerous on the attack but this year particularly is needed on the rearguard. Once Bill really makes up his mind that this is his game he has what it takes to develop into an outstanding hockey player

The local Tigers are definitely a young team with good potentialities. With a few older players to lead them they should improve greatly. Could it be that Ferguson or Les Williams will be lured back into uniform? If so the Tigers would have a good chance to retain their title

UNITED CHURCH MEN'S CLUB

First meeting of the new year will be held Wednesday Jan 13 at 5 45 p.m. in the church hall

It will take the form of a pot luck supper at which the Tyro boys and their parents will be the guests

### Program and Banquet To Be Features

## Official Opening of Seed Cleaning Plant Planned For January 20th

Newly appointed Minister of Agriculture the Hon. L. C. Halmrast is expected to officially open the Vermilion Seed Cleaning plant. The ceremony will take place at 3 p.m. on Wednesday, Jan. 20.

From 2 to 5 p.m. the plant will be open for inspection. Parties will be conducted and the operation of the plant explained. Coffee will be served to the general public.

The banquet is being arranged by the Board of Trade to take place at 5:30 p.m. on the same day, in the Elks hall. As only 300 places can be set at the banquet table it has been agreed that tickets must be purchased beforehand. These tickets may be purchased from all directors, from the D.A.'s office and from several stores in town.

At the banquet Hon. Mr. Halmrast will be the special speaker. Other officials from his department will also be on hand. Deputy Minister O.S. Longman; A. M. Wilson, Field Crops Commissioner; F. H. Newcombe, Director of Extension; F. Parkinson, Agricultural Engineer, are all to be here for the day. Mr. W. R. Cornish, MLA for this constituency will also speak. Don Clayton Agricultural announcer will take recordings for broadcasts over CJCA farm shows.

The opening of the Vermilion Seed Cleaning plant has been looked forward to by shareholders and the public generally. It is another step in good farming. Clean and pure seed is so necessary in growing good quality high yielding crops.

The President, Cliff McCormick, wishes to make it quite clear that no tickets to the banquet will be for sale after Tuesday, Jan. 19. No tickets will be for sale at the door. The banquet has been arranged especially for the shareholders and their friends. Ladies are welcome so men should bring their wives to this big affair

## Celebrate Golden Wedding Anniversary

On Wednesday Dec. 30th, Mr. and Mrs. W. D. Williams celebrated their Golden Wedding among members of their family and friends.

A turkey dinner at the Brunswick hotel was tendered to Mr and Mrs. Williams by those members of their family who were present, Dale, Norman, Ray and Grace. Ronnie Barwick, a son-in-law, acted as toastmaster. Two daughters, Violet and Doris were unable to attend.

During the evening hours an open reception was held at their home and sixty-five friends called to express their good wishes and congratulations.

The living room was beautifully decorated with bouquets of golden mums. The bride's table was laid with a lace cloth and graced by a three-tiered wedding cake and golden tapers.

Mrs. Dunsmore, Mrs. Hutchinson, Miss Karen Barwick and Miss Mary-Ann Fisher assisted in serving the guests. Miss Gwen Dunsmore was in charge of the guest book

Many cards, telegrams and beautiful gifts were received

All together it was a very happy and long to be remembered day.

Mr and Mrs. Williams were married at Hinckly, Minnesota at the farm home of the bride's parents on December 30, 1903. In 1909 they came to Vermilion and homesteaded in the Turkey Hill district. They proved up on the homestead and in 1912 sold their original holding and bought farm land in the Claysmore district. Here they carried on mixed farming operations with marked success until 1947 when they retired, purchased a home in Vermilion where they now live.

## Ladies', Men's, Curling Draws

LADIES' CURLING DRAW

9 p.m. Dr. Stephens-Long, Seath-Baddock, MacMillan - Kent; Carmichael French Ken Rowe-Schmidt

An account of the official opening of the curling rink will appear next issue

## Cubs Entertain Mothers At Christmas Party

On Dec 15 and 16 the Cubs of Vermilion were hosts to their mothers at their annual Christmas party. The party was well attended and it was highlighted by the generosity of Mr A Kent who supplied cokes for the Cubs. Thanks go to the [illegible] Bros who donated a turkey to the Cubs. The turkey was raffled and the sum of $113 was realized from the sale of tickets. The winner was B. Klashinsky holding ticket number [illegible]. Thanks also go to Mr J R Robson and Miss Muriel Wilson who prepared the tickets and to the many citizens who so freely purchased tickets from the Cubs.

## Death of Fred Aubrey Douglas At Clandonald

Fred Aubrey Douglas, a retired school teacher, passed suddenly away at his home in Clandonald on Thursday, Dec. 24 at the age of 72 years. He is survived by his wife.

Mr. Douglas came from Saskatchewan to teach the Queenie Creek school eight years ago and continued in that position until 1951 when he retired to live in Clandonald

Funeral services were held at the Clandonald Anglican church Monday, Dec. 28 with interment in the Clandonald cemetery The Rev R. T. Clennett officiated.

Among the floral tributes and memorial donations received were the following:

Crippled Children's Fund: R. E. Stanley and wife; J. Taschuk and family; Mr and Mrs. M Kada and family; Mr C. Stockwell and Tom; McMorrow's and Mr. and Mrs A. MacDonald and family Mr and Mrs Scottie MacDonald and family; Mr. and Mrs. Harry Brake and family; Mr and Mrs. J. C. Foy; Mr and Mrs Pat Lee; Mr. and Mrs Phil Lovell; Mr. and Mrs. Dick Goad and family; Mrs. Johnson and family; Mr. and Mrs. Fred Goddard, Mrs. Wilkinson; Mr and Mrs. Wm. Selwood; Pearl and Alex Grant; Ed and Eileen Stockwell; Mr. and Mrs. H. Hagen and Anne; Shaw Family; Homer, Elsie and girls; Mr. and Mrs. O. Omness; A. Convey; Mr and Mrs. H. C. Dorey and Clive; Mayhew Bros.; Mr and Mrs. Tom Lamble and girls, Nancy and Harmen Feenstra; Mr and Mrs. Free; Barclay Family

Cancer Fund: Mr. and Mrs. S. Wasylishen; Mr. and Mrs. Jerry Glass Moyers were in charge of funeral arrangements

Capt R Chapman wishes to express the thanks of the local Salvation Army Corps to those who supported its annual Xmas Cheer appeal Through the work of the Army this Christmas many enjoyed a happier Yuletide than they would have otherwise.

*CARD OF THANKS*

I wish to thank my friends of Clandonald, Dewberry and Vermilion for their beautiful floral tributes, spiritual offerings and messages of sympathy during my recent bereavement. A special thanks to Louis Garnier, Cliff Flanders, Mike Simonet John Roth Rod MacMillan, John Alex MacDonald and Bill McCafferty for their kind services

Mrs W H Clarkson.

*CARD OF THANKS*

Mrs Ada Fraser wishes to thank the organizations and individuals who remembered her so generously with parcels cards and good wishes at Christmas time

## 57 Years Married

Mr and Mrs. John Yuill observed the 57th anniversary of their wedding on December 31st They were married in the Parish of Newton, now a part of Edinburgh Mr Yuill went to the U.S. in 1882 but returned to his native Scotland, migrating again from the same village in 1908 to homestead in southern Alberta. After some 25 years in the south they moved to the Vermilion district farming southeast of town until their retirement.

### By Your District Agriculturist

## "GREEN ACRES"

ORNAMENTAL TREES

The Brooks Horticultural station is offering ornamental shrubs in bundles of 33 for roadside planting The bundles include lilacs, Russian Almond, hardy roses, etc Anyone interested should let me know shortly The shrubs are for roadside planting on summerfallow land They are for farm planting only and are free

SAVE THE PIGS

Farmers on the power line find that infra-red lamps give enough heat to carry new born pigs through the cold weather Don't forget to give potassium iodide to the sow and iron to the young pigs Feed pig starter and be sure oat hulls are sifted out of all feed for young pigs Get circulars from my office on saving the losses in feeding young pigs.

IMPROVE THE SOIL

Speaking of the soil someone once said Before you take from it you must give to it Farmers who get big crops are the ones who use fertilizer and manure, who return the stubble in the form of trash cover who seed down part of the land to grass every year These men are getting ahead by good farm management

MINERAL SUPPLEMENTS

Very few farmers give mineral supplements to cattle and pigs on feed Feeder pigs should get limestone and salt Cattle should get mineral mixtures of bone meal ground limestone and blue salt Cows in calf and sows in pig should get plenty of minerals When alfalfa hay is fed there is not the need for so much mineral

SEED PLANT OPENING

Jan 20 will be a red letter day for the grain famers of this district. The new seed cleaning plant will open on that date. Everyone is welcome to inspect the plant at 2 p.m Tickets for the banquet on the same day must be obtained by Jan. 19. This makes the second seed plant in the area. Marwayne built a plant in 1951 and Paradise Valley is all lined up to build this year

BULLS ON LOAN

Last year 28 bulls were placed in this district under the Dominion Bull Loaning policy. This year there are four enquiries to date. All that is required is a group of five farmers and at least 30 cows among them. Jan. 15 is the deadline so any group intending to get a bull on loan should see me right away

## Newspaper Bingo

Numbers drawn in past two weeks B-5, B-10, G-54, O-63.

Numbers previously drawn are B-7, B-0, I-18, I-28, N-44, G-57, O-62, O-68, O-75, N-37, I-19, I-29

As soon as you get any bingo up and down, across, or from corner to corner phone or notify Simonsen's Furniture store

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, JANUARY 7th, 1954.

**WHAT OF PEE-WEE HOCKEY?**— The old adage that listeners never hear any good of themselves was borne out last Sunday afternoon when the writer was sitting in an obscure corner of the waiting room at the arena rink during the usual intermission for ice scraping. The room was crowded with boys, the predominating age group being from 10 to 14 or 15 years the stage of boundless energy, horse play and [illegible].

The talk was hockey, Pee-Wee hockey. Judging from the comments by the boys nothing had been done by the usual league sponsors, the V.A.A.A., or anyone else towards operating the Pee-Wee league this winter. No teams had been organized so that the league could operate just as soon as the ice was ready, no schedule had been drawn up. In fact, listening to the remarks just nothing has been done. The boys were really concerned about the lack of activity in the important Pee-Wee section and greatly agitated by the apparent lack of interest on the part of those usually entrusted with the organization and management of what is, to the boys who play, just about the most important activity of the year. One young fellow remarked vehemently that at Lloydminster both Bantam and Pee-Wee leagues are in operation with several regular league games played.

If all the above is true, it is to be hoped that even since Sunday rapid action has been taken to get the Pee-Wee league underway, and that quite a number of fathers of the boys who are so keen to play Canada's great winter sport, have offered to coach and manage the various teams.

## Wildmere Winks

The writer now commences her 22nd year of writing the "Winks". On Jan. 7 1933 she wrote the first column.

The Christmas concert presented jointly by Wildmere and Rosewood pupils was greatly enjoyed. The teachers and pupils are to be congratulated on their fine work. Santa came and found a well laden tree. In fact he had to have helpers to distribute the gifts. A large crowd attended. It was pleasing to see Mrs. Riley and Mrs. Cruthers of town out. They used to be our close neighbors in the days gone by.

Mr. and Mrs. Guy Whitlock and family and Mr and Mrs. Wm. Clark Jr., and family, Mr. and Mrs. Jeff Martin spent Xmas with the ladies' sister (Lily) Mrs. Cameron and husband at McLaughlin; Mr and Mrs. R. Martin [illegible] Doreen at the Bradford home in town; Mr and Mrs. Albert Smith and family at the Cruthers' home. Peggy Graham of Edmonton spent Xmas at her home here; Tom Best was at the Wallington home; Mrs. J. Wilson and George Wilson at the Holte home. John was to go but he spent his Xmas day sick with the flu.

The Fadden family spent Xmas at Mrs Fadden's parents Mr and Mrs. A. Frissell in town. It was the first time all the Frissell family had been together for some time.

On New Year's Mr and Mrs. J. Wilson spent the day at Mrs. Wilson's brother's Mr and Mrs. Chas. Finlay of Mannville, the Cruthers family at the A. Smith home in Rosewood; Faddens at Lloyd Howard's.

Schools re-opened on Monday. Bobby Graham returned to Kitscoty on Monday morning.

It's been real winter the last few days but up till now it has been real nice weather.

A 'bee' to put up the snow fence along our road was staged Wednesday and Thursday before New Year's. All the help that turned out was greatly appreciated. In many places the municipal snow fence has been used by farmers to store grain. It's badly needed now to keep the roads from being blocked with snow.

Baillie Holte left before Xmas to spend a month with his brother and family at Winnipeg.

The writer and husband through the kindness of Mr and Mrs. W. Waldenberger of town enjoyed seeing the old year out and the New Year in at the Gay 90's. It was a very enjoyable party. Three of the crowd were New Year 'babies' and all joined hands around them and sang Happy Birthday. They were Mrs. Hanna of Islay, Mr Angus McMillan of town and Fred Lucheck of Brockville district. May they all enjoy many more such happy birthdays. Hanna orchestra furnished the music and Tommy Thompson was M.C.

Happy New Year to everyone! May 1954 be a healthy and prosperous year for us all.

Wildmere W.I. meeting will be held at Mrs. Gibson's on Jan. 13 so all members please note the change.

Rev. Ford of the Anglican church in Vermilion will hold service at the Gibson home this Sunday Jan. 10, weather permitting.

What does your Label read?

## Wedding Bells

*STACHNIAK — OMILIAN*

At a recent wedding held in Edmonton Mr John Stachniak, formerly of Derwent exchanged marriage vows with Miss Mary Omilian, formerly of Iron River, Alberta.

The wedding took place Saturday Dec. 19th.

Reception for immediate relatives and friends was held at the home of Mr and Mrs. Eugene Rudiak.

Among those present were Miss Violet Kesser and Miss Annie Omilian bridesmaids, and Mr. Walter Kochan and Mr. Joe Hryhorak, groomsmen. Mrs. Steve Omilian, mother of the bride, Mr. and Mrs. Steve Stachniak, Mr. and Mrs. Sam Stachniak, Mr and Mrs. Bill Kochan Mr and Mrs. Eugene Rudiak, Mr and Mrs. Mike Stachniak, Mr and Mrs. Andrew Ambroch, Mr. and Mrs Emil Stachniak, Mr. Peter Stachniak, Mr. and Mrs. John Walovich, Mr. and Mrs. Walter Lawrin, Mr and Mrs. Eugene Bykowski, Mr. and Mrs. Mike Chichak, and Mr. M. Andreusussin.

## Shower Honors Miss Vivian Voss

An open shower on Monday evening Jan. 4 found an overwhelmed bride-elect in the person of Miss Vivian Voss as a number of friends gathered at the Catholic church hall to wish her untold happiness in her forthcoming marriage to Mr Wm. Dyck. The hall was gaily decorated with streamers and paper covered umbrellas, one of which formed a canopy over the table of gifts. While Mrs. B. Rogan, seated at the piano in the midst of a group of songsters, with Myrtle's glasses perched on the end of her nose, played for a good old fashioned sing-song, the ones who sat back to listen soon found themselves blowing an empty egg shell back and forth across the top of a table. Fun galore!

Quite unlike herself, Vivian was very quiet throughout the evening but in a few well chosen remarks expressed her heartfelt appreciation for the sincere friendship and the many wonderful gifts she received. Then each armed with a plate helped herself from the stacks and stacks of goodies and all were happy and content knowing that Vivian will be making her home right here in Vermilion.

**STORES CLOSE AT 6 P.M.**

Vermilion stores will close at 6 p.m. on Saturdays for the [illegible] 3 months.

## Improvements To Mannville Rink

MANNVILLE. January 4th will be the official opening date for the curling club. There are 24 rinks and 24 sets of matched rocks. 60 yards of gravel was put in the 3 sheets before the ice was made, the inside of the rink was given a coat of paint, and double glass put in the waiting room. These are among the improvements made to the rink this winter. The following are the officers for 1953-54: President Jack Coxford; 1st Vice-Pres.—Ken Scoggins; 2nd Vice-Pres. — Fred Proudfoot; Sec.-Treas.—M. Malin. The bonspiel will be the week of Feb 8th.

## Obituary

*JAMES HENRY KENNEDY*

The district and friends were shocked and saddened to learn of the sudden passing of James Henry Kennedy on December 21 at the age of 65 years.

He was born at Manotick, Ont., and came west in 1909 where he homesteaded in the Wildmere district.

He leaves to mourn his passing two sisters, Mrs. Ida Bowman of Fullerton, Calif., and Mrs. Ivar Larsen of Vermilion.

Funeral services were held in the Auburndale United church, Rev. C. W. MacKay officiating and interment was made in the Auburndale cemetery.

Moyers Funeral Home was in charge.

Pallbearers were John Bathe, Albert Holte, Lloyd Howard, Ray Osterburg, Albert Smith, John Wilson.

Beautiful floral tributes were received from:

Olive, Ivar and Gladys; Gordon and Ruby; Cora and Sigurd; Milly and Floyd; Ida, Cliff and Morell; Bob and Agnes; Bessie and Frank; Viola and Louis; Chester and Alma; Russell and Carman; Ken and Win; Cecil and Marguerite; Hilda and Earl; Alma and Lyall; Cliff and Kay; Allen and Irene; May and Alex; Mackenzie Family; Herman and Jennie; Albert and Vi; Norm and Ronnie; Nell and June; Cliff, Naomie and family; Ach, Emma and family; Rogan Families; Majury Family; Mr. and Mrs. R. Osterberg; Fred, Thelma and Fay; D. and H. Mitchell; Mr. and Mrs. James Green; Mr. and Mrs. J. H. Green and Chester; Mr. and Mrs. Wear and Lester; Mr. and Mrs. A. M. West; Mr. and Mrs. Elmore Stewart; Gladys and Lloyd Howard; Mr. and Mrs. Howard Coburn.

Auburndale Cemetery Fund: Mr. and Mrs. A. G. Stone; Harry Amos; Fred and Phoebe Arthur; George and Muriel Harrison; Mr. and Mrs. Roy Jory.

Crippled Children's Fund: Mr. and Mrs. J. B. Eyben and family; Henry Bretcher; Norman May and family.

Canadian Cancer Society: Mr. and Mrs. P. Jensen; Woodruffs and the Elwards; Harold, Lucienne and family; Mr. and Mrs. Bruce Harrison; Mr. and Mrs. A. Osterberg; Mr. and Mrs. L. H. Fadden; Mr. and Mrs. A. Holte and Baillie; George L. Wilson; Mr and Mrs. Bud Bathe; Mr. and Mrs. R. Martin; Mr. and Mrs. J. M. Wilson; Mr. and Mrs. W. Westman; Mr. and Mrs. J. Bathe; Mr. and Mrs. Albert Smith; Mrs. J. M. Smith; Bill and Adam; Mr. and Mrs. Frank Gibson; Mr. and Mrs. W. J. Garnett; Noel and Roy; Mr. and Mrs. W. T. Garnett; Mr. and Mrs. David Dibben; Mr. and Mrs. Guy Whitlock; Mr. and Mrs. Fred Haines; Mr. and Mrs. J. C. Wallington; Thomas Best; Laurence E. Graham; Mr. and Mrs. Harry Howard; George Haines; Mrs. Alice Riley; Bobbie and Kenny Graham; Mr. and Mrs. Robt. Smith; Mr. and Mrs. L. Samuelson.

## Former Bowling Green Pupil Is A Credit To His Teachers

MANNVILLE. — Mr. William Lawrence, son of Mr. and Mrs. Jack Lawrence of Cloverdale, B.C. has obtained his B.A. degree at the University of B.C. with honors and is now studying for his M.A. degree. During the holidays he is employed at the Vancouver post office. Billy leads a male voice choir on the campus and last year won the silver cup over eleven other choirs. Folks around here will remember what a good voice Mr. Jack Lawrence had and how much he was in demand for concerts, etc.

Mrs. Lawrence would like Billy's former teachers and fellow pupils at Bowling Green school to know that his position now is due to his training at this school.

Mr. and Mrs. Lawrence lost their eldest boy in the air force in the last war. Notwithstanding the efforts of the Red Cross nothing could be discovered as to what actually happened to him and he could only be presumed as dead.

## LOCALS

**DONATION APPRECIATED**

The donation given recently by the Past Matrons of Queen Esther Chapter to the Unitarian Service Committee (Barley for Korea) was gratefully received. Anyone else wishing to make a donation to this very worthy cause may send name to Mr. W. C. Fraser, Chairman, 10711 University Ave., Edmonton. Socks are also badly needed. Any person desiring to knit same may obtain a very easy heel-less pattern from Mrs. E. H. Buckingham.

Dr. and Mrs. D. P. Hanlan and Mrs. E. S. Ottewell spent Dec. 23 and 24 in Edmonton where they attended the banquet given in honor of Mr. and Mrs. Mark Latam of Bremner who celebrated their 50th wedding anniversary on Xmas eve. Mrs. Latam is an aunt of Dr. Hanlan. 120 relatives and friends attended the gathering. An interesting feature of the celebration was that a granddaughter modelled the wedding dress worn by the bride of 50 years ago.

Mr. and Mrs. W. H. Prescott of Saskatoon and Mr. and Mrs. M. H. Prescott and little son Clay of Regina were guests for Christmas at the home of Dr. and Mrs. A. Ben King.

Wm. T. Bothwell of Regina visited his parents Mr. and Mrs. Thos. Bothwell for Christmas week.

[illegible] Scout Mothers' association will be held on Monday, Jan. 11 at [illegible] p.m. in the [illegible] hall.

**DERWENT THEATRE**

The Derwent Board of Trade will show the following programs at the Derwent theatre: Saturday and Monday Jan. 9 and 11 "I Wonder Who's Kissing Her Now" with June Haver and Mark Stevens, in color. Trials, tribulations and romances of a great song and dance man. Next week end Jan. 16 and 18 — "My Darling Clementine". 27c

**CLANDONALD HALL**

Showing at the Clandonald hall Friday and Saturday Jan. 8 and 9, "Th Redhead and the Cowboy" with Glen Ford, Edmund O'Brien and Ronda Fleming. Next week end — "Stand By For Action", news reel with each program.

John Uniat, a dental student from Walla Walla, Minn., spent Christmas visiting his sister and brother-in-law, Mr. and Mrs. Alex Marian.

Miss Joy King of Edmonton spent Christmas at the family home in the Thorncliffe district.

Robert Fair, M.P., who has been home for Christmas leaves on his return to Ottawa on Friday this [illegible].

## Canadian Legion Notes

The regular monthly meeting of Post No. 11 will be held at 8:30 p.m., Monday, Jan. 11. A lot of important matters will come up at this meeting.

Last year there were 150 members in Post No. 11. Several new applications are on file now for approval at the next meeting. Now is the time for old soldiers and youngones too, to get application forms from your Secretary, E. H. Buckingham. If you start now you have a full year's use of your membership fee.

Members and their wives and others too will be glad to learn that the dance floor is to be sanded and varnished. Very soon it will be one of the best dance floors in this area.

President George Martin appeals to all members of this branch to support the Polio campaign. The canvass will start on Monday, Jan. 11. The objective is $1500 for Vermilion district. With 150 members we ought to make it with the support of citizens generally. Remember it will take folding money to do it.

There will be a rink from this branch in the Legion Alberta bonspiel eliminations. The selected rink is Marshall Jackson, Vic Tillett, Alex Callas, Sandy Wright and Martin Shalka. We wish them luck and good curling.

What about ladies of this town who are eligible to be members of the Legion? There are three ladies now who are members of this branch, Evelyn Mullen, Alma Cameron and Daisy Buckingham. There are several others in town and we would welcome their applications for membership.

At the last executive meeting it was proposed to appoint Marshall Jackson to the executive in place of Jim Mullen who has moved from this district.

## Health Unit Notes

**NITRATE POISONING IN BABIES**

Attention Parents! No baby should get untested well-water in a formula or between feedings.

Perhaps you don't know well water containing too much nitrate can make your infant ill. The nitrate is changed in the body to nitrite which is a poison and can cause a chemical change in the blood of a new born baby giving the baby a blue color. This condition is called Methaemoglobinaemia of the newborn or well-water Cyanosis. Immediate attention is necessary because this condition quickly becomes serious.

Boiling the water will kill bacteria and all water given to babies should be boiled BUT this will not destroy the nitrates.

Note these facts too, for your baby's safety:

Breast-fed babies do not get well-water Cyanosis if they get no well water at all.

Never use well water with an unknown or high content of nitrate for a young baby.

Have your well water tested as a part of your preparation for the arrival of the infant.

Ask your local health officer or public health nurse for information.

How to get well water tested. Phone or write the Minburn-Vermilion Health Unit, Vermilion, telephone No. 502.

**BABY & PRE-SCHOOL CLINICS**

Monday, Jan. 11 — Legion hall, Vermilion, 2 to 4 p.m.

Friday, Jan. 15 — Mannville school 11 a.m. to 12 noon.

Friday, Jan. 15—Minburn school 2 to 3 p.m.

## Mannville Locals

Mr and Ms. R. S. Johnston were business visitors to Edmonton in the week before the New Year.

Mr Fred Otto has returned to University after spending the holiday with his parents. While home he was back at his old job in Ralph's general store.

Mr and Mrs W. Ross spent a few days at Xmas visiting in Calgary.

Chuck Thumlert was in Edmonton for the holiday.

Visiting over Sunday at the Gamble home were Miss Shirley and Mr. Jack Gamble of Edmonton.

Messrs. Tom and Harry Osborn of Edmonton spent the New Year's holidays with their parents Mr. and Mrs. W. Osborn.

Mrs. Neil Phillips and two daughters of [illegible] were visiting with her mother and father Mr. and Mrs. N. McKinnon during the holidays. Mr McKinnon has not been very well.

Mr. and Mrs. G. Bartlett, Arthur Bartlett and Joan Fisher were visiting friends and relatives in Mannville and district over New Year's.

Mr Gravdon spent the holiday with his parents Mr. and Mrs. F. Arnold.

Mr. and Mrs. Raoul Bodard have been visiting in Mannville for a few days. Raoul was a patient in the Royal Alex hospital with pneumonia but is on the mend now.

Miss Janis Whitson and a friend Wilma Sokoloski of Vegreville visited relatives and friends for a few days last week.

Mrs. Mercer and Barbara Arnold of Edmonton have been the guests of Mrs. [illegible] during the holiday.

Rev. and Mrs. A. Cole and Randy of [illegible] were visitors in town on [illegible] on their way to a Deanery [illegible] at Clandonald.

A [illegible] birthday party was held [illegible] for Emma Jack [illegible] and Marlene Bathe with Mrs [illegible] and Mrs. Bathe as the hostesses. There were 18 girls present and the young people enjoyed [illegible] and games. Both girls received lovely gifts.

**The Ox and the Frog**

A LITTLE FROG was playing about at the edge of a pool when an Ox came down to the water to drink. In fear, the little frog swam home. "Why are you so frightened?" asked his mother. "An enormous creature with four legs came to our pool this morning," replied the little frog. "Enormous, was he? Was he as big as this?" asked the mother Frog, puffing herself out to look as big as possible. "Oh! yes, much bigger," was the answer. The mother Frog puffed herself out still more. "Was he as big as this?" said she. "Oh! yes, yes, mother, MUCH bigger," said the little frog. And yet again she puffed herself out. "As big as . . .?" she began—but then she burst.

# $1450 ... Scholarships Presented At The V.S.A. Christmas Closing

On Friday, Dec. 18, the Vermilion school of agriculture held its annual Christmas banquet. At this banquet approximately $1450 worth of scholarships were presented to students in attendance at the school.

Blanche Ross of Forestburg received the V.S.A. Alumni scholarship presented annually to the girl having made the greatest contribution to the Social, Academic, Literary and Athletic life of the school. Mr. Bob Langdale, President of the V.S.A. Alumni Association made the presentation.

Ian Royan of Chauvin received the V.S.A. Alumni Assoc. scholarship presented annually for General Proficiency in First Year Agriculture. Mr. Bob Langdale made this presentation.

Colin Calenso of North Edmonton, received the Vermilion Board of Trade scholarship presented annually to the boy having made the greatest contribution to the Academic, Social, Literary and Athletic life of the school. Mr. K. Urquhart made the presentation on behalf of the Vermilion Board of Trade.

Dyann Cramton of Strome received the Alberta Women's Institutes scholarship presented annually to the First Year girl with the highest standing in the Home Making subjects. Mrs. J. I. Jones of Mannville made the presentation on behalf of the A.W.I.

Shirley Hillgardner of Namao received the U.F.A. Robert Gardiner Memorial scholarship presented annually to the First Year girl with the highest standing in the Academic subjects. The presentation was made by Mr. Geo. Black.

Harry Cramton of Strome received the U.G.G. scholarship for the highest standing in First Year in Blacksmithing and Carpentry. The presentation was made by Mr. K. Watts of the U.G.G.

Gerald Harle of Vermilion received the Alberta Seed Growers' Assoc. scholarship for the highest standing in Plant Science. The presentation was made by Mr A. M. Smith, Manager of the Association.

Clifton Holt of East Edmonton received the Imperial Oil Ltd. scholarship for the highest standing in Farm Mechanics. The presentation was made by Mr. C. S. Markle of the Imperial Oil.

Kenneth Lowe of Picardville received the Craig Bros. scholarship for the highest standing in Animal Husbandry. The presentation was made by Mr. A. M. West of Craig Bros.

[illegible] of Edmonton received the Alberta Turkey Breeders' Assoc. scholarship for the highest standing in Poultry. The presentation was made by Mr. George Black of the Dept. of Agriculture, Edmonton.

Annually the Surplus Wheat Board Monies Trust makes a number of scholarships available to students entering the schools of agriculture and home economics. This year Rose-Marie Hood of Gibbons, Bernice Raistin of St. Lina, Nick Holowach of Bruderheim, Bernie Kolodychuk of Haight and Robert Plank of Bluffton received these scholarships. Mr George Black made the presentations.

The Rotary club of Edmonton annually awards scholarships to students entering the school of agriculture and home economics for the first time, who have attained high standing at Boys' and Girls' Club weeks, at the Edmonton Exhibition.

Violet Busteed of Clyde, Isabella Lambie of McLeod Valley and Norman Rauzer of Tomahawk [illegible] these scholarships. Mr. Black made the presentations.

Annually the U.G.G. makes available one scholarship to a boy entering the school. Raymond Rippel of Fort Saskatchewan received this scholarship presented by Mr K. Watts of the U.G.G.

Annually the Alberta Wheat Pool makes available the Henry Wise Wood Memorial scholarships to students entering the schools of agriculture and home economics. These scholarships are presented to boys and girls who have high standing Junior club work. The Henry Wise Wood Memorial scholarships were presented to Florence Morris of Spruce Grove and Ronald Peterson of Chaton by Mr. George Hen... of Mannville, Wheat Pool dele...

The Women's Institute of Tomahawk annually presents a scholarship to the student graduating from the Tomahawk high school with the highest standing and on condition that he or she goes on to further their education. This scholarship was presented to Norman Runner of Tomahawk by Mrs. J.I. [illegible].

After the banquet the V.S.A. staff put on their 'concert'. Santa Claus made a timely appearance to give out presents to the little folk in attendance. The Dubuc orchestra of Vegreville provided the music for the dance.

Help the Canadian Legion exceed their $1500 polio fund campaign. Give generously when the canvas [illegible].

# DEWBERRY NEWS

First all, a Happy New Year to all!

The old year was pushed out in great style at the New Year's dance in the local hall. Nice to see so many out as proceeds were for upkeep of the skating rink. Leo Maltais won the ten silver dollars as door prize and promptly donated it back for support of the rink.

While on ice, Dewberry Seniors, although better than last year's team, have yet to win a game. They have lost to V.S.A., Two Hills twice and Lashburn once.

Most of the smaller grade school children enjoyed concerts put on by the teachers before Christmas. Mr and Mrs. Santa Claus were right on time to hand out the gifts to the [illegible].

The high school and their district friends enjoyed a dance and program on Wednesday before Xmas. Looks like a barbering school has been added to the curriculum.

Christmas time brings friends and relatives very close together. We noticed many families with sons and daughters home. We were pleased to have a homey Xmas this year with mother, brother and sisters coming from Calgary and Edmonton for the day.

Our roads have been plowed once more and now let's hope we don't get another blow as it may be impossible to open them again.

For those who like a variety of games, the Dewberry Home and School Association are having a 'game night' on Jan. 8. Whist, bridge, cribbage, canasta, and a Ping Pong tournament.

The Sunday before Christmas the local hall was packed for a service by Sunday school children and parents. The boys' band was present and played several carols. We pass on our word of thanks to all those who made the evening service so enjoyable.

# Claysmore Clippings

Mr and Mrs. L. Kreller were dinner guests at the home of Mr and Mrs. J Horne New Year's eve.

Mr. and Mrs. A. Olestad and family spent Xmas day and the week end with parents and other relatives at Edburg, Alta., returning home Sunday evening.

Mr and Mrs. P. Willis and Mr. and Mrs. J. Willis and family spent Christmas day at the home of their daughter and sister Mr. and Mrs. K Kennedy and family.

Mr and Mrs. J. King spent Christmas day with Mr. and Mrs. Oliver Willis and family.

Visiting at the home of Mr. and Mrs Robt MacMillan for Xmas day and the week end were their daughters Mr and Mrs. Stan Gerrie, Mr and Mrs. Vern Schroyen of Edmonton, Mr and Mrs. E. Mills of Onaway. Miss Ruth and Miss Ann Beatty and John Jr. were also dinner guests Christmas day.

Mrs. Laurena Harrison and small daughters Arlene and Edith of Lloydminster spent New Year's day and the week end with Mr. and Mrs J Willis and family.

Frank Marchinew who has been working at the Bruce Winters' farm is spending a few weeks' holiday with his sister and family at Black Diamond.

Mr and Mrs. T. McCauley had as dinner guests on New Year's Mr and Mrs Frank McCauley and family.

The New Year's eve party at the school was much enjoyed by all. The hats, whistles and noise makers made it very gay when the New Year was ushered in at 12. Dancing was enjoyed until the wee small hours. Willis orchestra supplied the music.

The holidays are over and the pupils are back at school. Some no doubt are happy about going and others are sad. When they are older and school days are behind them they will look back on these as the happiest days of all.

STORES CLOSE AT 6 P.M.

Vermilion stores will close at 6 p.m. on Saturdays for the next 3 months.

## Catches Wanted Couple

MANNVILLE. — Shortly before Christmas, Jim Allen, the local policeman, apprehended a couple trying to break into several stores in Mannville. Melnychuk Bros., who sleep above the store, heard a noise at the back of the store and [illegible] Constable Allen. He gave chase and caught them at the railroad tracks. They were tried the next day and sent to Fort Saskatchewan [illegible] charge of vagrancy. The couple, a man and a woman, are wanted in various other districts for breaking and entering business places.

# Kitscoty News

Mr. and Mrs. Ken Jenkins spent the Christmas holiday at Slave Lake with Mr. and Mrs. S. Jenkins.

Miss Joanne and Norman Wutherick of Alliance spent part of the holiday at the home of Mrs. W. L. Apperson renewing acquaintances with their former friends.

Miss Mae Bohan and brothers Joe and Tommy spent Xmas with their parents Mr. and Mrs. P. Bohan.

Mr. and Mrs. R. M. Mathewson spent the holiday week in Calgary with their daughter and son-in-law Mr. and Mrs. Ken Tinney.

Mrs. M. Miller is spending part of the holiday with her sister at Edson.

Mr. and Mrs. F. O. Seward and Margaret spent Christmas at Bonnyville with the Rev. O. C. and Mrs. Seward and family.

Mr. and Mrs. L. Kohlruss and family of Edmonton spent Xmas week end at the home of their mother Mrs. H. Batty.

Guests at the home of Mr. and Mrs. Robert McKerihan were their daughter Jean, and nieces Misses Patricia, Esther and Linda McKerihan, all from Three Hills.

Best wishes are extended for a complete recovery to Mrs. C. K. Miller who is a patient in an Edmonton hospital.

Mr. and Mrs. Jos. Batty and family spent Christmas day in Marwayne with their daughter Mr. and Mrs. Bud Blatchford and family.

Mr. Herman Behling of Boyne City, Mich., spent Xmas with Mrs. Behling and children at the home of Mr. and Mrs. Fred Dzus. The Behling family left for their home in Boyne City this week.

Mr. and Mrs. Ken Gray entertained 27 relatives for dinner on Christmas eve. Many of the guests were from Innisfree and [illegible].

Mr. and Mrs. Donald McLean spent the holiday week end in Edmonton with relatives.

Guests at the home of Mr. and Mrs. A. Hale were their daughters Miss Peggy Hale, Mrs. E. Cattapan and Mr. Cattapan, all from Edmonton.

Deepest sympathy is extended to Mrs. J. A. Blair and family on the sudden passing of her sister Miss A. Dalgleish.

Congratulations to Mr. James McCorry who was recently appointed Queen Counsel in the New Year's Honor list issued by the provincial government.

The Rev. O. C. and Mrs. Seward and baby daughter of Bonnyville spent part of the holiday season here with the former's parents, Mr. and Mrs. F. O. Seward.

Rev. Dicker of Mayerthorpe was a guest at the home of Mr. E. Tyler and family on New Year's day.

## United Church W.A. Group Meetings

The W.A. groups of the United church will meet next Tuesday Jan. 12 at the following homes: Mrs. Dougan's group at the home of Mrs. W. Anderson; Mrs. William's group at the home of Mrs. Elmore Stewart; Mrs. Hardie's group a Mrs. Marshall's home; Mrs. Allen' group at the manse.

## THE STAGETTES

Oh Mildred! Oh Berna! Oh No! It's getting out of control this epidemic of diamonds. Who is it this time? Mildred and Berna, that's who. Congratulations! There's still a couple left fellas. In spite of it there were 20 members present at Tuesday's meeting, the first of '54. We enjoyed browsing all through the numerous Christmas cards and notes of appreciation from recipients of the Xmas hampers, and cards from honorary members who scattered as they are, remember Stagetes. Our thoughts turn to Mary Anne McDonald who leaves the city this week for her new adventure with the Air Force and we wish her luck. Once again we were forced to find a new treasurer. Juliette was put into office and we hope she will stay for the rest of the year. You just can't tell. Our meeting was brief and the next one on Jan. 19 will be an educational which the convener of the Educational committee, Ernie, will line up for us. This meeting will be held at the home of Kay Caron, 4813-51st Street. Oh gosh no, that's Avenue, 51st Ave. Then the next meeting will be a social and that Feb. 2.

Ivy and Noreen check Saturday 9th (try again kids. There's bound to be a dance this time.)

Kay C. and Theresa check on Saturday 16th.

## NOTICE re: Vermilion Seed Cleaning Plant

We will be open for business about the middle of January and we wish to urge all farmers who have space available, to get their seed cleaned as soon as possible.

*NOTIFY THE MANAGER, MR. COULBOURN, PHONE 594, FOR YOUR BOOKING — WE WILL TRY TO NOTIFY YOU A COUPLE OF DAYS IN ADVANCE WHEN YOUR TURN COMES.*

THE PRICE IS:

**Commercial Seed—**
Shareholders .......... 6c per bu.
Non-shareholders .......... 7c per bu.

**Certified or Registered Seed—**
Shareholders .......... 10c per bu.
Non-shareholders .......... 11c per bu.

**Treating Smut** .......... 5c per bu.
**Treating Smut and Wireworms** .......... 75c bu.
**Cleaning Commercial Grain** .......... 3c bu.

This can only be done when the Plant is not needed for cleaning seed. It is doubtful if we can do any of this until after seeding.

*WE CANNOT CLEAN TARTARIAN BUCKWHEAT OUT OF WHEAT 100%, so please do not bring it in expecting it clean for seed.*

**Board of Directors**
**VERMILION SEED CLEANING PLANT**

## A VERY HAPPY NEW YEAR!

## Uncle CHARLEY'S "Epigrins"

Yes, a lot of hair do's look like they didn't.

A feller with no money shouldn't feel too bad, there's plenty of others like him.

The fat used to go into the fire, now it goes from the griddle to the girdle.

Sometimes little white lies turn out to be big black whoppers.

Tobe Hinch just loves to make speeches but has trouble gittin' listeners.

In politics we need fewer questions and more answers.

A lot of young fellers who go pretty fast never go very far.

It's more hard to feel sharp when you have your nose to the grindstone.

Sometimes a little knowledge kin be a big nuisance.

—REV. CHARLEY GRANT

*APPRECIATION*

We wish to extend our sincere thanks to everyone so kind to Allan during his recent sojourn in hospital and at home. Your kind prayers, good wishes, beautiful gifts and cheery visits are all very deeply appreciated.

At present Allan is improving nicely although latest medical report is that his vision will be very likely permanently impaired.

Thank you all for your kindness.
The Gannon Family.

*APPRECIATION*

I wish to thank Dr. Evans, Miss Keith, the nurses and the hospital staff for their kindness and thoughtfulness to me while a patient in the Vermilion hospital.

I'd also like to wish them all a very Happy New Year.
Mrs. Eileen Steele.

*CARD OF THANKS*

We wish to express our sincere thanks to all our friends, far and near, for their kind wishes and beautiful gifts, and to all those who helped to make our 50th anniversary such a joyous occasion.
Mr. and Mrs. W. D. Williams.

*CARD OF THANKS*

We wish to express our sincere thanks to Dr. Evans, Dr. Stephens, Miss Keith and the nursing staff for the excellent care and kindness extended J. H. Kennedy during his stay in the hospital.
Mr. and Mrs. Ivar Larsen.

## Vermilion River Officials Attend Civil Defence Course

Thirty-four candidates from the municipalities throughout Alberta attended the second Orientation Course of a week's duration conducted by the Alberta Civil Defence organization held in Edmonton in December. Included in the group were the three officials from Vermilion River M.D. shown above, from left to right they are Arthur Clarke of Paradise Valley, Reeve of the municipality, Joseph Batty of Kitscoty, assistant secretary-treasurer, and George Martin of Vermilion, co-ordinator of Civil Defence activities for the M.D.

Graduation certificates were issued to the candidates on the closing day of the course by Lieut.-Col. A. J. Lavoie, Assistant to the Alberta Civil Defence co-ordinator.

## Mannville Local Items

Mr. and Mrs. J. Jandel spent Christmas with relatives in Edmonton.

Mr. and Mrs. Dave Bensmiller, Miss Fay Nicoll and Penny Nicoll of Rocky Mountain House, and Mr. and Mrs. Ralph Phillips spent the holidays with Mr. and Mrs. Len Manz in town and relatives in the district.

Mr. and Mrs. Otto and family spent Christmas day at Marwayne.

Spending the holidays with relatives in town and district were Mr. and Mrs. S. Arnett and son of Viking.

Mr. and Mrs. Jack Coxford and family, Mr. and Mrs. Bill Mercer and family, Mr. and Mrs. Maurice Mercer and family, spent Xmas in Edmonton with Mrs. C. Mercer and other relatives.

Mr. and Mrs. Garrison and family of Red Deer were holiday visitors at the Terrance home.

Mr. and Mrs. R. Dorward spent Christmas day in Edmonton. There was a family gathering at the home of their daughter Mrs. Loftus. Mr. and Mrs. Schneider of Rycroft returned home with them for a few days.

Mr. and Mrs. J. Gawreliuk and family spent the holidays at Ryley.

Mr. Wm. (Scotty) Johnstone of Edmonton spent Xmas with J. Johnstone and family.

Mr. and Mrs. J. Dowicki and infant daughter of Edmonton were Christmas visitors with her parents Mr. and Mrs. F. Hubbard.

Mr. and Mrs. R. Ruud and daughters spent Xmas day with relatives at Edgerton.

The raffle winner at the Legion dance on Boxing night at the Legion hall was Mr. Larry Williams of Sedgewick. This was the first dance held in the new hall. The hall is near completion and practically all the labor was volunteer. Members of the Legion worked hard to have it finished by Boxing day.

Mr. and Mrs. M. Malin and family spent the holidays at Lloydminster.

Christmas is a time for renewing acquaintances and many from Mannville spent the holidays elsewhere and an equal number were home for the Yuletide.

The Matney family were all together for the first time in about seven years. Those from out of town were Mr. and Mrs. Henry McMartin from Grand Centre, Mr. and Mrs. Loucks from Mayerthorpe, Everett Matney of Cherry Grove, Ken McMartin, Mr. and Mrs. Steve O'Connor and Dick Matney from Kitscoty. They visited with Mr. and Mrs. W. Sargent, Mrs. Matney Sr. and Mr. and Mrs. Emery Matney and Adele of Mannville.

Rev. and Mrs. Crighton had as their guests Mrs. Crighton's sister, Pat Chandler of Toronto; Mr. Crighton's brother Gordon from Pincher Creek and Mrs. McBain of Edmonton.

Among the young people home for Christmas were Robin Stuart, Sandy Hogan, Allan Williams, Jim McIlroy, Frankie Ewing, Patsy Jones, Maxine Leitch, Shirley McFadden, Johnny Matters and Red Clark.

Mr. and Mrs. Hugh Nix of Stettler and Miss Phyllis Nix of Edmonton were visiting Mrs. L. Colborne for the holiday.

Guests of Mrs. K. Hogan were her brother Henry McDonald of Edmonton and Miss Lois Smith of Exshaw.

At the Finlay home were Mr. and Mrs. Norman Evans and daughter of Oyen and Miss Lois Finlay of Marsden, Sask.

Mr. and Mrs. Jim McLuckie and family spent the holidays with relatives in Edmonton.

Spending Xmas with Miss Jean Allanach were Mr. and Mrs. Jim Allanach and family of Fort Saskatchewan, Mr. and Mrs. A. Hubbard and Bruce and Mr. Don Allanach of Brazeau.

Mr. and Mrs. G. M[illegible] and family spent Xmas day at Kitscoty as guests of L. Croft and family and Mrs. McLachlan who has been there for awhile.

**HAPPY NEW YEAR!**

# REPORT to the PEOPLE

BY ROBERT FAIR, M.P.
BATTLE RIVER

On Thursday, Dec. 3, the address in reply to the Speech from the Throne was concluded exactly 3 weeks after the speech was read in the Senate Chamber by His Excellency the Governor General.

Many of the new members took advantage of this occasion to pay tribute to their constituents and gave vivid descriptions of their home territory paying glowing tributes to the people who sent them to the House. Advantage was also taken on this occasion by many of the older Members of the House to express similar sentiments.

The number of speeches was smaller than on many previous occasions but at the same time amendments were moved by the Progressive Conservatives, C.C.F. and Social Credit leaders which, in some cases turned out to be rather embarrassing. The Hon Geo. A. Drew delivered his address on Nov. 16, at the end of which he moved the following amendment: "We respectfully represent to Your Excellency that the welfare of Canada is dependent upon free competition and that the prosperity and security of all Canadians will be advanced by government policies which will restore markets for the primary products and generally promote a high volume of international trade." Later that day Mr M. J. Coldwell leader of the C.C.F. party moved his sub-amendment as follows: (by deleting the words) "the welfare of Canada is dependent upon free competition and that" (and by adding at the end of the said amendment the following words: "we further represent that this House regrets that Your Excellency's advisers have failed to recommend legislation establishing a nation-wide health insurance program with provision for provincial participation.

You will note here that the C.C.F party as has been the case for a number of years past, have placed most of the emphasis of their amendment on the question of health insurance, although at Toronto not many months ago one of their leaders stated that they would soon have to get away from welfare matters and deal with matters of economic interest. A debate on their amendment was carried on continuously until Nov. 28 when a recorded vote was taken and the amendment was defeated, supported only by the party moving same and the members of the Social Credit party. Immediately before the vote was taken Mr. F. Shaw, member for Red Deer, made it plain to the C.C.F and to the House generally that we would support the amendment but not on any particular basis of health insurance which the C.C.F. party might suggest, at the same time outlining in some detail a part of the program which we Social Creditors would put into effect, also pointing out some of the program that is already in effect in Alberta.

Immediately after the C. C. F. amendment was disposed of, Mr. Low, our leader, moved another amendment which reads as follows: "That the amendment be amended by deleting therefrom the words "free competition" where they appear in the third line and substituting therefor the words "private enterprise" and by adding at the end of the said amendment the following words: by the acceptance of sterling in payment therefor." This would make the amended motion read, "We respectfully represent to Your Excellency that the welfare of Canada is dependent upon private enterprise and that the prosperity and security of all Canadians will be advanced by government policies which will restore markets for primary products and generally promote the high volume of international trade by the acceptance of sterling in payment therefor." Mr. Low struck out the words "free competition" and explained that under the present system we are operating on a free competition basis and under this apparently without very much government supervision or regulation monopolies exist in many lines of industry much to the detriment of the ordinary working people. He further went on to explain that many of our marketing difficulties are hindred and hampered at the present time because of the lack of dollars in some of our most important markets of years gone by. This applies particularly to Britain.

Speaking on the amendment on Dec. 1 Mr. Victor Quelch, member for Arcadia, went into detail on the reasons for our moving to have convertability of currency. Before getting very far on this part of his address he was interrupted by some of the C.C.F. members who claimed that they had always favored convertability of currency, but Mr. Quelch soon set their chorus at rest by pointing out to them that they, the Liberals and Progressive Conservatives, had all voted in favor of the Bretton Woods Agreement, the effect of which was to compel debtor nations to pay for their imports in the currencies of the exporting nations.

It would appear that many of the members of the three parties mentioned above did not understand or take the trouble to find out the actual meaning of the Bretton Woods Agreement, as all of those parties have since agreed with the Social Credit Party against this agreement which has caused many of the difficulties that we have encountered since that time.

It should be noted in particular that we did not ask for convertability of currency for all our exports and this was made very plain by Mr. Quelch in the following words "on the other hand it is interesting to note that today the United States is accepting sterling in payment of a proportion of their exports. Therefore we feel justified in asking the government at this time to accept sterling in payment for a certain proportion of our exports to the sterling area, at least until such time as we can establish international machinery that will facilitate the movement of surplus goods to needy nations."

Regardless of the fact that this statement was made by Mr. Quelch, we find Mr. Drew and Mr. Coldwell both claiming to be continuous supporters of convertability of currency, claiming that our amendment would commit Canada to bearing the weight of responsibility for convertability of currency of all nations, yet in both cases their parties, or at least a part of them, voted against our sub-amendment.

Mr Drew on Dec 3 had the following to say, "The party which I have had the honor to lead in this House has been constant in its demands that this government take the initiative in seeking convertability in sterling and dollars, so that what we have described as the log-jam of non-convertability may be broken". On the same day Mr. Coldwell stated, in part, "There is no limitation. We have suggested that sterling might be accepted in part payment to the extent that it migh be used for Canadian purposes, Canadian investment and, if you like, Canadian aid in those parts of the sterling area where we could assist in the development of undeveloped areas requiring such assistance.

A recorded vote was taken on Mr. Low's sub-amendment on Dec. 3 and all members of the Liberal and C.C.F parties voted against it. It is very interesting to note however that 11 of the Progressive Conservative members, including Mr. John Deifenbaker, one of the leading Progressive Conservative members in the west and member for Prince Albert, voted with the eleven. Much criticism of the wording of the sub-amendment and its effect upon world trade has been found in the editorials of many leading newspapers, including the 'Ottawa Journal' and the 'Globe & Mail' of Toronto, both leading Conservative newspapers. Much of that criticism has been levelled at the Social Credit party, but at the same time it shows that a rift to some extent is apparent in the ranks of the Progressive Conservatives on this question of convertability and trade. I understand the wording also caused the C.C.F. caucus considerable worry in finding a way out and I am dealing with this question at greater length than many people may perhaps think necessary. But when people speak one way in their home territory and vote another way in the House of Commons, I feel that the people of Canada should be advised of what is taking place. The records are clear and all of the statements I have made here can be substantiated.

THAT DOES IT By Al Smith

# Allandale Notes

Our coldest so far has been the evening of Dec. 28, 17 below, more snow, wind and drifting, some of the roads have been opened that were closed.

The second euchre party of the winter was at the Omness home on the evening of Dec. 17. Five tables were played, midnight lunch ended the evening.

Mr. and Mrs. Don Wilson motored to the city on Dec. 18 to meet the latter's sister Mrs. James Walsh and family, Adele, Doreen and Wayne from Waterways.

Mr. and Mrs. Paul Whelan (Orlene Omness) of Calgary, left Dec. 18 for Aylmer, Que., to spend the Xmas holidays with the former's parents and family.

On the morning of Dec. 19 by way of C.N.R. Mr. Edwards left for Sunbury, Ont., to spend Xmas with his sister and relatives.

The Allandale school was filled to capacity for the Christmas concert on Dec. 22 which was ably put on by the teacher Mrs. Bobroski and pupils and very much enjoyed by the parents and all those attending. Santa came in due form and distributed a large number of parcels to the children and grown-ups too. Bags of candy for all the children present, apples and oranges for all, and midnight lunch. Mention of days gone by that evening recalled that the curtains still in use were made by Mrs. Wm. Mayers 29 years ago when Miss Sybil Moore was teacher, now Mrs. Wm. Roebuck of Vermilion.

Congratulations to Mr. and Mrs. Jack Hobbis of Vermilion on the birth of a son, Randall John, on Dec. 22.

Their two daughters Karon and Beth are with their grandparents Omness at New Serapta. Randall John is their first grandson, there being six granddaughters.

Mrs. Frank Darling was in Vermilion on Dec. 22. Frank was joining Edith and her dad and spending Xmas at Marshall, Sask., with Mrs. Darling's sister.

Rather late but news to us: Congratulations to Mr. and Mrs. Howard Pratt of Dodds on the birth of a son, Dale, on Sept. 22. A brother for Muriel Lyall and Douglas.

Mr. and Mrs. Idelore Nelson, Anna, Lee, Vernon and Leslie left on the 23rd for Ferguson Flats to spend Chistmas at the latter's parents' home. Helen, who is employed at the phone office and friend joined them on Xmas day.

Mr and Mrs Tommy Greaves and daughter Brenda accompanied Glen Baldock from the city to spend Xmas at the Baldock home. Mr. and Mrs. Hogoboam of Derwent were guests also.

Mr. and Mrs. Jimmy Armstrong who have been in Red Deer were home for Christmas. They returned on the 28th.

Mr and Mrs Ramsley from the coast were spending Xmas with the Lindville family at Shuswap, B.C.

Mr and Mrs Andy O'Neill and two sons from Saskatoon spent Christmas at the Phillips' home. Morris and Jimmy Phillips who have been working with their brother in law Andy were also home.

Miss Joan Nelson will be attending the Lloydminster Business college after the new year.

The sympathy of the community goes to Mrs Douglas of Clandonald on the passing of her husband recently.

For some who may want to do a kindly deed just before Xmas a blue bed lamp was lost on highway 16 or the north Clandonald road between Vermilion and Herb McPhee's. It belongs to McPhee's. Your kindness in returning same if found would be very much appreciated.

The community is very sorry and hope treatments in the city at the polio clinic will relieve and help Mrs Warren Edwards of her present condition and that she will in time gain perfect health.

Mr and Mrs Gus Throndson and family had a surprise phone call from their oldest daughter Lucy and family in the Peace River on New Year's day. The Throndsons spent the day at their daughter Delsie's the R. Strome home.

Mr and Mrs Milton Lee and daughter Marian are moving to Vermilion for the rest of the winter. Jean is employed at the Bank of Toronto in Clandonald.

Ronnie Bellingham from the Currie Barracks, Calgary, was home for New Year's in town and visited the Mayers' home. He returned to Calgary on Jan 3.

Mrs Nora Ronahgan who has been in Calgary taking a nurses' aid course was home for Xmas and the holidays. The roads being impassable she wasn't able to visit relatives in the district so called them on the phone. She likes her work immensely and is now half way through the course.

Closing Thought: Old things are passed away is true of 1953, all things are become new is true of 1954. The clock of life is wound but once and no one has the power to tell just when the hands will stop at a late or early hour. Now is the only time you own, live, love, toil with a will, place no faith in tomorrow for the clock may then be still.

HAPPY HOUR GROUP

The Happy Hour Group of St. Saviour's W. A. will meet at the home of Mrs Dorothy Pettigrew on Thursday Jan. 14th at 8 15 p.m.

## Wildmere Beavers Girls' Club Report

The meeting was held at the home of Joan Dibben on Dec 12. There were 12 members present and four visitors. The meeting opened with the singing of 'O Canada' then we had the Flag salute followed by the Code.

The minutes were read and approved. The roll call was then answered with 'A Beauty Hint'.

A card of thanks is being sent to Mrs. Rendell by the secretary for the donation of a lovely table cloth to our club.

It was decided that each member is to bring material for an apron to the next meeting. A topic on Etiquette by Mary Gibson and Janet Cruthers was read by Mary Gibson.

Mystery Box was won by Sylvia Steele. It was a hair brush.

Social was by Daine Smith, it was a puzzle.

The next meeting will be held at the home of Daine Smith on Jan. 16. Roll call will be 'A Famous Lady'.

The meeting then adjourned followed by the singing of 'God Save the Queen' and a tasty lunch was served.

**ANNOUNCING THE UNVEILING OF THE 1954 METEOR FRIDAY, JAN. 15th**

•

**GEO. C. WEBB & SONS**

Yes, the new GMC is ready to go—ready to bring you new heights in pulling power, carrying power, and staying power. It's handsomer too with its massive redesigned front end, new headlight spacing and driver-planned cabs.

But this year the GMC story is truly a power story. In over 50 models you can choose from the widest range of engines, transmissions and axles on the market. From this brilliant range of power units you can get the exact combination to haul your specific loads with the highest efficiency.

And though new efficient power is a big feature it is just one of the many which makes GMC outstanding. There's over 70 new features in all—and every last one is designed to give higher performance, greater profit, greater comfort and convenience. Nothing has been overlooked in the forward march to bring you a truck that's filled with power, that's built to take the heaviest loads over the roughest going and come back for more. Ask your dealer to explain the brilliant, new advances that can be yours in 1954. You'll see immediately how they'll mean great new benefits to you in your business. Then choose the one model in 50 that's exactly right for your requirements and be ready to go for more profits in any trucking job.

**NEW CAB COMFORT**

These all-new cabs offer greater comfort vision and convenience than ever before ... plus a new high in appearance. They have such features as one piece "Panoramic" windshield redesigned instrument panels with soft light gauges and beautiful two tone [illegible]. In addition as optional equipment there are Cab Rear Corner Windows [illegible]. These and many more features put GMC cabs far ahead in '54.

Here's the feature you've been waiting for. [illegible] a new Hydra-Matic transmission which eliminates clutch and gear shifting. It also selects the right gear for any load and any condition.

Now you can carry sand or grain loose in the pick-up box with no leakage. And the boxes are deeper this year, giving a lower loading height. Even the tailgate is stronger with new safety catch that eliminates rattles.

You get a wide choice of GMC engines. And all are of the valve-in-head design which has won fame over the years. The Thriftmaster and Loadmaster engines have been increased from 108 to 112 horsepower.

With this amazing optional feature, the driver floats over bumps with no harsh jouncing. And for extra comfort, the seat is fully adjustable so the driver can select the best driving position.

## Wildwood

The Wildwood local of the F.U.A. held its annual meeting on Dec. 16. The following officers were elected for 1954: President—Karl Marklund, Vice-Pres. Herman Hartman, Sec.-Treas. — Ted Wheadon; Directors — Henry Joy, Larrie Watt, Jim Stone, Alfred Nelson. After the delegates to the convention had given their reports, lunch was served and the meeting closed.

Miss Lorna Hay of Onoway spent a few days last week with her sister Mrs. Ted Wheadon.

Ada Jack came home to her parents Mr. and Mrs. Geo. Jack for the Christmas holidays as also did Mr. and Mrs. M. F. Payne and family.

Mr. Dick Wheadon of Dawson Creek is holidaying at the home of his brother Ted Wheadon.

Jimmie Crichton spent the day at his home in Marwayne.

Mr. and Mrs. Ernie Edgar arrived to spend Xmas with Mrs. Ernest Jack.

Miss Betty Stone was home for their family gathering on Xmas day.

Mr. and Mrs. Floyd Branvold were Christmas day visitors at the C. N. Jeffery home.

Mr. and Mrs. J. G. McKay of Edgerton are visiting their daughter Mrs. Alf Jack.

Mr. Joe Cooper went to Edmonton to have Xmas with his parents.

Mr. and Mrs. R. P. Shoildice had a family reunion on Xmas day.

The Robert Drysdale family were at Mr. J. H. Simmons for their holiday celebrations.

Mr. Alex Sperberg, returning from Edmonton had the misfortune

## Christmas Party At Mannville

MANNVILLE. The school children from grades 1 to 8 inclusive put on an excellent concert on Dec. 22. Choruses, pantomimes, tableaus, rhythm bands, etc., made up the program. The teachers, Miss Bourassa, Mrs. Brown, Mrs. Gamble, Mr. Bohairhuk, Mrs. Lugg, Mrs. Otto, Miss Markowski are to be commended for the work spent on training these children. The proceeds of the concert are to be used to purchase a projection machine for the school.

On Wednesday the various rooms held Xmas parties and exchanged gifts. The Junior high had a skating party and then had lunch at the school. The high school had an evening party.

By Shirley Holme, Wainwright, Alberta

## News Notes From Your District Home Economist

SAVE THOSE OLD XMAS CARDS

Every Christmas most of us go through a mental search for our friends trying to remember those to whom we wish to send a card. And every year we forget someone not because we mean to but because we have so many things on our mind.

The time to start thinking of next Christmas is right now. Save yourself some brain-tugging by going through your greeting cards. Make a list of all those who have remembered you this year and write down those addresses. Pack the list away with the Xmas decorations or put it down at the bottom of your stationery box. Then next year simply go through the list and save yourself hours of time. You save money too, when you buy greeting cards right after Xmas. Your list indicates how many you need. Put them away on the top shelf of your linen cupboard or some such spot. Then next year you can concentrate on mincemeat, Xmas puddings and holiday parties. You will enjoy Christmas more next year if you prepare for it.

When you have finished with your cards, try to think of some use for them. A children's ward at your local hospital, an Indian school in your locality. Or simply tuck them away for cold winter days when your children look for a 'different' activity. They love to cut out the angels and snowmen and paste them in a scrap book. Or even keep them till next year and have the children make their own greeting cards. Everyone appreciates a card made by a child, even if it is all glue and off-centre reindeer!

HOMEMAKER'S HINTS

When you wrap parcels and want to protect the ink-written address from being smeared by rain or snow, try this: Rub it lightly over with a colorless wax candle. This thin wax coating protects the address.

Preserve the sharp points on your scissors. Push them into a cork. This keeps the other articles in your sewing box (and indeed, the box itself) from being scratched.

Remove tea or coffee stains from china (and china teapots). Scour with salt moistened with a little vinegar.

For fluffy, tufted or chenille bedspreads, try an electric dryer! Just like new! If you dry them outside, fold the tufted side in. When the wind blows the tufts rub against each other, they fluff as they dry.

Use cardboard rollers from paper towels or wax paper to roll up and store place mats and doilies. No more bent corners, curled edges or fold marks.

Paste an envelope on the inside of your recipe book to hold recipes you wish to clip and save. When you do try them, paste them in a looseleaf book so they do not get lost.

to have a car accident and then to spend Christmas day unconscious in hospital. His friends were glad to hear that there has been some slight improvement since and wish him a speedy recovery.

To the Editor, staff and all our readers. A very Happy New Year!

Vol. XLV. No. 28. Vermilion, Alberta, Thursday, January 14th, 1954. $2.00 a Year

OFFICIAL OPENING PROVES GALA EVENT

## New Curling Rink A Great Community Achievement

"Thirty-two rinks from curling centres in Northern Alberta and Saskatchewan joined Vermilion's justly proud curling fraternity on Wednesday, Jan. 6 in officially opening what undoubtedly is Canada's best town curling club and the envy of many a club in the metropolitan areas. This six-sheet rink is a product of admirable community effort."

The above paragraph was written by Don Fleming of the Edmonton Journal and is quoted by the Standard. Should this paper have made the statement it might have been discounted to some extent as justifiable bragging, but when a [illegible] from a big city daily voices thoughts such as these, there must be ample reason for it, and he states just what the Standard and everyone who has seen the rink thinks and says.

No one of the hundreds assembled at the rink last Wednesday could help but be impressed by the exceptionally fine curling palace. The six clear sheets of ice, the commodious waiting room, the windows of which afford a view of all the ice surfaces, the finely appointed and spacious kitchen and dining space, the modern wash rooms, in fact, a person is somewhat awed by the completion of such an ambitious and worthwhile undertaking. Not completely finished is the plastering of the inside walls. When this is done the entire interior will be coated with aluminum paint. This will enhance the appearance and increase the lighting effect.

THE PROGRAM

The program was a fitting one for the opening of such a fine building. A building into which went much co-operaton and mutual help. Thirty rinks from visiting clubs had been invited to take part with Vermilion curlers in the ceremonies officially opening the rink. The visiting clubs had in the past all sent rinks to our bonspiels or had visited and curled here. It was thus felt that they too should have a share in the grand opening, their presence did much to make the event such an overwhelming success. To many of these visitors it was the first view they had of the new rink and it will probably be many years before so many complimentary remarks over an undertaking are heard. To say that everyone was impressed is a gross understatement they all marvelled at the building, at how it was accomplished, and at the amount of actual cash expended.

The program included a curling game for each of the visiting quartets, each one being pitted against a local rink. The draws started at 10:30 a.m. and continued until the last draw at 8:15 p.m. The curling was good and all rinks went about the game earnestly so that many close finishes and much fine curling witnessed. At the end of the day it was found that the visiting curlers outclassed the locals by winning 17 games, losing 7 while four were tied.

Instead of a ribbon cutting ceremony, the act officially opening the rink was a draw to the four-foot made by Bill McCready, president of the Royal Curling club in Edmonton. He was pinch hitting for Bunny Gregg, president of the Northern Alberta Curling Assoc., who was unable to attend. Holding the broom for Mr. McCready was President Aldous Kent of the Vermilion club and the sweeping was done by Mayor Carl Heckbert. The three thus taking the major parts in the proceedings were piped around the rink by Piper John McMillan and the stirring pipe music added just the final exhilarating air to top off the ceremony in commemorating an event for which many generations of Vermilion and district people will have cause to be thankful.

E. M. Stewart was chairman of the gathering in the waiting room while the chief speaker was Mayor S. C. Heckbert. Mr. Heckbert paid tribute to the fine old timers who started the curling game in Vermilion long ago, mentioning many by name. He went on to praise the co-operation of contractors Rand Calvert and George Caron, and the work of the many volunteer helpers, all of which combined to keep the cost of the rink below $25,000, while underwiters have placed its actual value at $40,000. "This fine building will provide comradeship and sportsmanship for many years to come that will live up to the ideals of our forebearers", said the Mayor.

Mr. McCready praised Vermilion curlers for their splendid rink while Aldous Kent welcomed each and every visitor to the day's events and invited them all back to the Sportsmen spiel, and to the open bonspiel in February.

For in-between games, entertainment was supplied at the Legion hall through the courtesy of President George Martin and his fellow Legionnaires. A feature of this was the showing of the films of the 1953 Macdonald Brier play-offs.

In charge of arrangements for the official opening was a committee of Ross Boake, E. M. Stewart and Aldous Kent. So many helped with the building that the Standard hesitates to start naming those responsible for the achievement of the fine project.

OLD RINK BUILT IN 1910

The old rink erected in the fall of 1910 was torn down in the spring of 1953. Rebuilding commenced immediately with two Alberta products, sawdust blocks made in Edmonton and strawboard or Stramit roofing manufactured at Innisfail.

Spear pointing the project was President Aldous Kent backed up by his building committee.

The financial end was in the hands of Al Locke, while numerous committees were placed in charge of various activities to raise funds. About $12,000 was raised through these projects and voluntary subscriptions. The remainder of the cost is covered by a loan from the Alberta government for community enterprises.

During the day the members of the ladies curling club were in charge of the lunch room, serving meals and lunches.

The Standard ends this portion of the article with hats off to Aldous Kent and his curlers, to the many country and town men who labored so unselfishly and successfully to build a rink that will long be a credit to town and district.

A LITTLE CURLING HISTORY

Curling commenced in Vermilion with the founding of the town or should it be said the beginning of settlement. A rink company was formed in 1906 and that winter saw a building erected and curling carried on. It was located on property now occupied by Watt Sales and Service and the Vermilion Iron Works. There was a good two sheet rink with an outdoor skating rink in conjunction.

This rink was used for the winters of 1906-7; 1907-8; 1908-9 and 1909-10. In the summer of 1910 this rink property was sold to Norman Darling and Mike Armstrong for a livery barn and feed stable while curling enthusiasts, led by the redoubtable Joe McKone and Bob Dunsmore, later a mayor of Vermilion, went to work to raise $2000 at $10 per share to build a combined skating and curling rink. Nearly the whole amount was subscribed and the building with its huge bridge timbers covered with galvanized sheeting rapidly took shape and was ready for the curling and skating, which took place under the one roof, in the fall of 1910. The place was 200 feet long and 60 feet wide. Two sheets of curling ice in the centre were encircled by the skating strip. At bonspiel time this skating ice was converted into curling sheets. Thus it was in the early days with curling and skating in the same building that every person became quite familiar with the roaring game at an early age.

Despite the fact that building the rink just torn down must have represented just as big an effort to the small town then, as erecting our present palatial curling quarters did to the present day Vermilion it was apparently put into use without any official opening. That first season in the new rink there were nine skips to start the season with one being added later. These skips were Ernie Slater, Alf Jones, Joe McKone, Andy Yungblut, S. R. P. Cooper, Chas. Pilkie, W. P. Pilkie, Wm. Telford, Bob Dunsmore and Dr. Ryan. Of these men only one, S. R. P. Cooper, still resides in town, with W. P. Pilkie moving only a year ago to Edmonton.

In the 1911 and 12 season Fred Long was President with S. R. P. Cooper vice-president, Percy Long was on the executive along with Slater, John Walker, Joe McKone and John Law. H. R. Parker and W. E. Mackenzie both appear in the curling news that season.

Vermilion's first open bonspiel was held Jan. 27 to 31, 1913, with 19 rinks entered and 5 events played. The local skips on that occasion were Parker, Chas. Pilkie, Albert Pilkie, Bill Pilkie, Slater, Howson, Ryan, Cooper, Telford and Law. The second spiel was held the next year 1914 with 22 rinks of which 11 were local and this great winter's event has been held annually since.

About 1920 an open air rink was built for skaters and hockey and the curlers took over the [illegible] sheets. Use of the building continued with alterations and renovations at various times until being entirely torn down in the spring of 1953, and succeeded by its very modern and luxurious counterpart.

## Pee-Wee League Opens Saturday

At a meeting in the elementary school on Monday, Jan. 11 plans were completed for this season's Pee Wee hockey. This meeting was called by the Vermilion Amateur Athletic Association and an invitation was issued to the fathers of the 65 boys who had signified a desire to play Pee Wee hockey. Twelve fathers attended.

Coaches for the teams are:

Maple Leafs — P. Hareuther, S. Waldenberger, J. Brown, L. Robinson.

Rangers — L. Hareuther, J. Hamlyn, N. Welsh, G. Ross.

Red Wings — A. Hareuther, Dr. Stephens, K. Urquhart, B. Risdale.

Canadians — F. French, G. Park, L. Pockett, R. Ireland.

Teams were selected by the captains at the Junior high school on Tuesday, and the first game will be on Saturday at 7 p.m. Practices will begin next Monday, Jan. 18.

Mr. G. Ross outlined a system used in Saskatchewan Pee Wee hockey leagues designed to foster good citizenship, and it was decided to introduce the plan this year in Vermilion. Under this plan, players must conform to satisfactory standards of behavior at home, at the rink, in Sunday school and at school in order to be eligible to play in the league. A Citizenship committee of the V.A.A.A. will be set up to deal with this phase of the work, and suitable awards, both individual and team, will be made for Good Citizenship at the end of the season.

## Newspaper Bingo

Numbers drawn Tuesday: B-4; O-65.

Numbers previously drawn are: B-7, B-6, I-18, I-28, N-44, G-57, O-62, O-68, O-75, N-37, I-23, I-29, B-5, B-10, G-54, O-68.

Three bingos have been claimed: Robert Galloway, angle B to O; Mrs. Smith and Mr. McPhee horizontal through centre.

## Stars New Year Right With Perfect Crib Hand

While visiting at Cloverdale, B.C. at the home of his parents Mr. and Mrs. Gaylord Gibson, Frank Gibson of Rosewood was playing crib with his brother Don on Jan. 1st and drew a perfect 29 crib hand.

Frank was holding a jack and 3 fives and a five turned up.

## HI-SCHOOL HI-LITES

HOLD THAT BROOM, SKIP !

Curling has again entered the minds of the enthusiastic V. H. S. students. Two days of the week, Tuesday and Friday, have been set aside for the House League games and the school is alive with the hum of curlers comparing rinks.

Competition is always keen but we'll certainly have to keep an eye on Laurier as that house just seems to have a way with a rock and a broom. Service, however, proves to be the most enthusiastic house with 27 out of 29 members participating.

Best wishes from the staff and students of the high school are sent to Mr. Bell, our principal, for an extra speedy recovery from his recent illness.

Instead of issuing year books this year, the school has decided to let the students make individual scrap-books. Duncan Locke, school photographer sells pictures of the various activities while Jean Kibblewhite, director, Sue Carmichael and Gerald Marshall, assistants provide bi-weekly reports to the Standard. Interesting scrapbooks can be made and prizes of $10, $5 and $3 will be awarded for the best.

The Christmas prom was a memorable success, and we were especially pleased to see so many university students in attendance. Sue Carmichael, Janet Wilson and Bob Acheson added spice to the evening with their rendition of a song entitled 'Ma'.

The Students' Union is in charge of the social function this month: a surprise party to be held in the armories at 8:00 p.m. on Jan. 22. V.S.A. students will be our guests. All students are warned to be prepared. Anything can happen!

## Viking Trim Tigers 9 Goals to 2

The league-leading Viking Gas Kings spoiled a perfectly good hockey game here Wednesday night for Vermilion fans when they scored six goals in the third period to win 9 to 2. Starting the third it was 3-2 and anybody's game up to that point. The Gas Kings however turned the pressure on the very youthful Tigers and notched six counters without a reply.

Viking has a much improved team from last winter. They have all their old stalwarts and have added a number of fast young players. It would take all that the 1952-53 edition of the Tigers could do to handle the present Viking squad, so that it was little wonder that the very young and light Tiger team could not cope with them in the third.

Vermilion needs much experience and some weight . . . so page Elmer Kreller, Les Williams and Jim Ferguson. They would round out a nice-travelling hockey team.

Viking played a good clean game and this pleased the fans mightily, they made no attempt to use their weight and paid strict attention to hockey as it should be played.

For Vermilion, Dobbyn from Koehli, Patsula from St. Martin and Schmidt scored.

The Gas Kings marksmen were Slykawa 3, Lewis 2, Masson, Proctor, Klein and J. Dunigan one each.

Proximity of the game to press time prevents a more complete report.

Referees were George Hughes and Russell Carroll.

LINE-UPS

VIKING—Bantle, Thunnell, Klein, Selzer, Lewis, Glasgow, Masson, Slykawa, T. Dunigan, J. Dunigan, Romaniuk, Josephison, Proctor and Flickleton.

VERMILION — Laporte, Barr, Little, Hancock, Williams, St. Martin, Patsula, Schmidt, Moffatt, Dobbyn, Cooper, Lowrie, Koehli, Leahy, Manners.

## Next Home Game Saturday, Jan. 23rd

The next home game of the East Alberta league will be Saturday Jan. 23 with Vegreville Rangers supplying the opposition to the Tigers.

The Tigers travel to Viking on Saturday this week, and play at Wainwright Wednesday next week.

## Vermilion Tigers Win At Wainwright

Vermilion Tigers defeated Wainwright Commandos on their own ice last Saturday evening 6 goals to 4. Local marksmen were St. Martin with 3, Dobbyn 2 and Cooper 1. Laporte played sensationally in goal for the Tigers.

## William Park Dies At Sangudo

William Park of Sangudo passed away at the Mayerthorpe hospital on January 7 at the age of 75 years. He leaves to mourn his loss three sons, James at Sangudo, Jack at Mannville and Gordon at Vermilion, and one sister Mrs. J. Bowman in Edmonton. There are seven grandchildren.

Funeral services were held at the United church in Minburn on Wednesday Jan. 13 at 2.00 o'clock and interment took place in the Minburn cemetery. The Rev. R. C. Crighton of Mannville officiated.

Moyers were in charge of the funeral arrangements.

## The Weather

The Standard has been left behind as far as weather reports are concerned. This is usually left to the very last minute before publication so in the rush frequently is neglected. The weather over Xmas holiday week was very mild, records show it the mildest since 1943. Since that time a cold dip of short duration has been experienced.

DAILY TEMPERATURES

| Day | | High | Low |

## Mrs. Lillian Firth Passes Away

Many old friends were saddened by the passing away of Mrs. Lillian Firth on January 8. She was 86 years of age and had long been a well-loved resident of the town, coming here in 1906.

Mrs. Firth was born at Manchester, England. She came to Canada in 1904 and to the Vermilion district in 1906. She was predeceased by her husband, the late Mr. Fred Firth and leaves to mourn her loss one daughter Mrs. Wm. Pettigrew and four grandchildren.

Funeral services were held at St. Saviour's Anglican church on Tuesday Jan. 12 at 2:30 o'clock in the afternoon. Interment followed at the Vermilion cemetery. The Rev. D. A. Ford officiated.

## Frank H. Walker New Pres. Canadian Club

N. N. Bentley who was elected President of the Canadian Club last year has tendered his resignation due to pressure of other work and health reasons. The resignation has been accepted with regrets by the executive and Frank H. Walker, vice-president has been moved up as his successor for the remainder of Mr. Bentley's term of office. Mr. E. Clendenning was taken off as executive member to succeed Mr. Walker as vice-president. The club has arranged for a dinner meeting at the Legion hall on Feb. 15.

## HOCKEY GAME SATURDAY NIGHT

The Midgets swing into action in the Vermilion arena Saturday night with Lloydminster supplying the opposition for the locals. All hockey fans will remember the fast-travelling team led by the local Midgets last season and look forward with interest to the 1954 edition. The game starts at 8:30 sharp.

The Midget game is preceded by some Pee Wee games so that a good night of hockey can be enjoyed.

*RECEPTION*

*Mr. and Mrs. A. W. Elliott will be at home to their friends at the home of Mr. and Mrs. Ken Urquhart, Vermilion, on Wednesday, January 20th, from 2 to 5 p.m. The occasion of their Golden Wedding.*

Do not forget the annual school meeting of the Paradise Valley school district will be held in the school auditorium on Monday, Jan. 18 at 7.30 p.m. Make it a point to be present as important business is coming up.

## Six Rinks Reach Quarter Finals Of Sportsmen 'Spiel

By noon Thursday six rinks had entered the quarter finals of the No. 1 event of the annual Sportsmen bonspiel. The rinks were those skipped by Dr. Geddes and Glen Gray of Edmonton, Kent and Sutherland of Vermilion, Dobry of Viking and Stevenson of Lashburn. Forty-two rinks are competing and the entry list is well studded with name rinks. Billy Rose, former Dominion champion is here from Viking, while among car spielers are Gerber of Kelsey, Stevenson of Lashburn, Glen Gray, Dr. Geddes of Edmonton, Darrell Currah of Vermilion, Fred Braithwaite of Dewberry, Herbie Olson, former high school provincial champion is here from Edmonton and another young rink Dillon of North Battleford. There are 8 local rinks with all the rest from a wide area.

Three competitions are played down to the semi-finals, then these 12 rinks play off for the $1600 in prizes. Great interest throughout the northern half of the province is being shown in the event with daily press and radio following results closely.

Complete results will appear in the Standard next week.

## 8-ender At Clandonald

The sublime has been achieved by a rink of Clandonald curlers. Skip Harold Schoonmaker with Mr. E. Gower, Mrs. Gower and Mrs. Schoonmaker on his rink scored an 8-ender in a club bonspiel game played Monday evening. The opposition rink was skipped by John Taschuk. The perfect score was made on the 8th end and really cinched the game for the Schoonmaker quartet. This was the first 8-ender in the history of the Clandonald club.

## Public Library Popular

The popularity of the Vermilion Public library is well indicated by the fact that in 1953 the circulation of books aggregated 7,670, possibly the highest on record. There were 125 adult and 105 junior memberships. Fully 1000 books were added to the library during the year and fresh additions are made from time to time.

## FREE HAT TO TIGERS

Ernie Clendenning has offered a free hat to any member of the Tigers hockey club who performs the hat trick, that is scores three goals in any one game. The offer is good from Wednesday, Jan. 13 and stands for all league and play-off games.

Other Events Go To Staden and Hinton

## BILL KOCHAN RINK WINS VERMILION FARMERS' 'SPIEL

Curlers from the Buffalo Coulee district made a clean sweep of the first prizes in all three of the competitions played in the annual Farmers' bonspiel held in Vermilion from Thursday to Saturday last week. The final games were played at 8 p.m. Saturday evening and drew a record gallery.

This annual Farmers bonspiel continues to grow in popularity and the standard of play has become extremely high. In contrast to the first Farmers spiel held here some four years ago when many of the contestants had never thrown a rock, now all appear to be experienced curlers, the competition is keen throughout and the shotmaking is on a par with that of the open bonspiels.

Forty four rinks took part last week, the same number as last year, but three other entries were received the morning after draws had been made and posted so that nothing could be done to let them in. All parts of the district were represented, east to Islay, west to Mannville, north to the C.P.R. and south to the Battle River.

THE GRAND CHALLENGE

Winner of the Grand Challenge event was the Johnny Kochan rink of Buffalo Coulee, who turned back last year's winner Charlie Meece of Mannville to take the blue ribbon event by a score of 14-3.

With Skip Kochan were Jim Cameron at 3rd, Walter Hinton in second spot and Maurice Cooper lead. The second prize rink was skipped by Jack Park with Ken Scoggins, Charlie Meece and Don Allanach.

Third prize — Art Lysons rink of Tolland.

4th — Tom Smith, Buffalo Coulee.

SECOND EVENT

1. Skip F. Renaples, Bud Staden, Art Phoney, Dud Staden of Buffalo Coulee.

2. Skip Ralph Anderson, Gordon Gould, Ken Reid, Jim Barnett of Islay.

3. Bill Shaw, Islay.

4. Jim Hinton, Buffalo Coulee.

Score of the final game was 13-8.

THIRD EVENT

1. Skip M. Smith, Albert Hinton, Mrs. M. Smith and Mrs. W. Hinton, Buffalo Coulee.

2. Skip Vern Willes, Fred Watling, Junior Williamson, Art Olstad, Claysmore.

3. Skip Nick Woyewitka, Claysmore.

4. Skip Bob Martin, Wildmere.

Score of the final event was 12-5.

Convener of the committee in charge was George Webb who presented the prizes following the final games. Assisting George in arrangements were Aldous Kent, Martin Shalka and Marshall Jackson.

Lorne Pockett was in charge of draws assisted by W. Liningo.

Large crowds of spectators were on hand at all times, the enlarged waiting and lunch room accommodations of the new rink coming in for full use and much praise.

Curling in the big new six-sheet rink was hugely enjoyed by all the participants. Despite the dip into the frigid temperatures outside, the interior did not reflect the change and curling was carried out in well above zero temperatures.

## Board of Trade Luncheon Cancelled

The regular Wednesday noon luncheon meeting of the Vermilion Board of Trade has been cancelled for Wednesday Jan. 20. Instead all members are expected to attend the banquet in honor of the opening of the Vermilion Seed Cleaning plant which will be held in the [illegible] hall at 6.30. Tickets for this should be procured in advance.

# The Vermilion Standard

VERMILION, ALBERTA

S. R. P. COOPER - - - FOUNDER

VERMILION, ALBERTA, THURSDAY, JANUARY 14th, 1954.

**LOVES VERMILION—**

Hal Pawson, sports editor of the Edmonton Journal, has this to say about the new Vermilion Curling rink. Mr. Pawson was present at the official opening on Wednesday last week.

"Other than good people, it takes little else to build a real curling rink. Out at Vermilion they did it with straw and sawdust, and came up with one of the best six-sheet rinks we've seen in the province. It was our pleasure to curl with Dr. Harry Jones, Ken (Side Road) Samis and colleague Don Fleming at the Vermilion club's opening against the Ross Boake rink. The game was like everything else about the Vermilion celebration -- good, with the Boakes apparently leaning backwards to let a visiting rink win 8-7.

That's right about the straw and sawdust. The rink is constructed out of bricks and roofing made from these two materials. 'It's an all-Alberta curling rink for certain' quipped Aldous Kent, club president."

**PAY FOR YOUR CHRISTMAS SEALS—**

It is good business to spend money to wipe out tuberculosis. It would be far cheaper in the end than to go on bearing the terrific cost of caring for the tuberculous. The Christmas Seal fund still needs your dollars. Charity begins at home — and so does tuberculosis — somebody's home. You don't want it to be yours, or your neighbor's, or anyone that you know, or even anyone you don't know. Then do your share to prevent tuberculosis by paying for your Christmas Seals and so help pay for TB prevention.

## Kitscoty High School Notes

School slowly swung into progress on the 6th amid the usual groans of "Oh, I'm tired", and "Gosh, I'm sleepy". However, as the half way point of the school year approaches, sports are beginning to hit their stride. On Tuesday night the high school rink, skipped by [redacted] lost to Manson 10 to 5 in the men's curling draw. The boys are hoping to do as well, or better than they did last year, when the high school rink reached the finals in the Alberta High School championships at Edmonton.

The first hockey game of the season was played Tuesday night when the local club lost 6-4 to Dewberry. It was a hard-fought game from the opening whistle and 7 penalties were handed out by Referee Dennills. For the visitors Braithwaite and Ewen scored two goals apiece and singletons were tallied by Jones and Garnier. For the locals Cunliffe got a hat trick and Garris scored the other. For the first game the locals did quite well. 'Little John' Currie playing for Kitscoty, played his first game in the nets.

On Thursday night in high school curling Milne lost to Kastendieck 5-1, while Kadaskas won over Graham 6-3.

Wallington-Noster: That the liability insurance on the Vertical tubular boiler be increased from $15,000 to $50,000 at an increase of premium of $73 for a period of 3 years.

Hospital days 752, births 16, deaths 1.

**CARD OF THANKS**

It is with sincerest gratitude that I wish to thank the many friends of the community, also the friends of Vermilion, for their kindly expressions of esteem and sympathy in my recent sad bereavement in the loss of my beloved husband.

Mrs. S. E. Douglas.

## Vermilion Hockey Is More Exciting Than Calgary's

INNISFREE.—Mr. and Mrs. Alex Herrman, Clifford and little Lennie Potter of Calgary spent Christmas with Mrs. Herrman's parents, Mr. and Mrs. S. Samograd. They left for home on Wednesday. Clifford stayed behind, spending the New Year with his grandparents, too.

While here, Clifford, a Calgary hockey fan, together with Ernie Markosky, had the privilege of attending the hockey game at Vermilion and, quoting Clifford, "Even Calgary doesn't have as exciting a game as that". The next morning he found he had lost his voice.

## Much Visiting Features The Holiday Season At Islay

The school pupils are curling twice a week and really enjoying the game.

NEW HOCKEY UNIFORMS

The Junior Hockey club have their new uniforms and on Saturday at 2 p.m. will play on home ice against the Dewberry Midgets. Come out and encourage the lads, see a good game see the new uniforms! Remember the big turkey responsible for the uniforms.

The curlers installed a hot water system in the curling rink. The only trouble is that the water must be hauled in. Next improvement it is said, will be a cistern.

What happened to the junior room of our school? Only 12 out of 32 pupils were present on Tuesday.

Mrs Annie Young left on Sunday for Victoria for an extended visit.

Eight Islay rinks participated in the Farmers' bonspiel at Vermilion. The Bill Shaw rink took 3rd and brought home the Thermos jugs don't mistake me, and the Ralph Anderson rink got second and came home all lit up, no, not that way they brought home lovely electric lamps.

Not often do we see horses hitched to a sleigh these days, but on Sunday we saw a team running away. They belonged to the Duncan Carey boys. They really went up the street hauling the jumper and the boys were left far behind. Jack McNeely just escaped being run down.

Wee Johnnie Bauman is in hospital with ear trouble. Mr. Omer Easton entered the hospital Monday for a check-up.

Mrs. R. Martin left on Friday for Saskatoon to visit daughter Ruby (Mrs. Scott).

The Xmas party held at Kenilworth school Dec. 18 was a huge success.

Mr. and Mrs. Harry Armstrong and family spent Xmas at the Linton home.

Kenneth Gunn spent the Xmas holidays in Saskatoon.

Joe Waterfield returned to University on Sunday after enjoying the holidays at the family home.

HONOR W.M.S. MEMBER

The monthly meeting of the United Church W.A. met on Thursday at the home of Mrs. King at the C.N.R. station. There were 15 present. Mrs. I. Inman led the devotional period. Miss Bessie Anderson read the financial statement for 1953, a very good one indeed. Raised during the year $828.35 and after the different expenses and donations to good causes, a balance of $127.84 is on hand. The W.M.S. raised $86.08 and have a balance on hand of $2.20. Miss Muriel Stone was presented with a Life membership to the Women's Missionary Society, Mrs. Irene Martin making the presentation. Mrs. Bothwell, I can now sympathize with you for being surprised, so taken unaware as you were a year ago. It really is an honor to be so recognized by our ladies here, and thanks again.

The program for 1954 was drawn up, and if you would like one just telephone Mrs. I Martin or Muriel Stone and you will receive it. The February meeting will be at Mrs. D. Clarke's home.

**STEPHENS LTD.**

Vermilion, Alta.,
January 14th, 1954.

Dear Folks,—

You probably weren't expecting a letter from me as you see I'm a Used Car down at Lloyd's Servicentre. I think I'm pretty good, too, if I do say so myself. You see I was born in June of 1951 and the man that delivered me said I was good for 150,000 miles if I looked after myself. To date I've done that. Oh, I had a tie rod get a bit loose and I needed a little tune-up for a bit of a cough I had on cold mornings, but they have a pretty fair Doc down at Lloyd's here, and I'm just feeling like new again. After all, I've only gone 27,095 miles and I'm good for a lot more. And you know the first man that I was with paid a lot of money for me and he's taken quite a bit of depreciation; actually I'm sure you will find me an awfully good buy.

Hope to see you soon,

Yours faithfully,

Mr. 1951 Studebaker.

P. S.—

I've got half a dozen cousins and uncles down here who also would like to see you.

## The Vermilion Municipal Hospital

DISTRICT No. 2

**RATES 1954**

RATEPAYERS—
$1.50 per day, extras included
FOR ALL IN-PATIENTS

CONTRACT HOLDERS—
$1.50 per day, extras included
FOR ALL IN-PATIENTS

Phone 102, Vermilion. 27-9x

True happiness springs from Moderation

—GOETHE (1749 - 1832)

The House of Seagram

*Men who think of tomorrow practice moderation today*

## Sixteen Years Ago Today

16 YR AGO... lastid coofol. ...
*Jan. 12, 1938*

The town received an offer from Canadian Utilities for the light and steam heat plant of $50,000 plus assuming debenture payments.

Sid Hinton of Salteaux and T. Henderson of Ramsay were elected to the first board of the large school division of Vegreville.

Mrs. Harold Reid was elected as president of the Canadian Legion W.A., Mrs. W. Elford secretary and Mrs. H. Scott treasurer.

Jap oranges were 65c per box; coffee 39c a pound.

W. P. Pilkie was re-elected president of the Vermilion board of trade.

Leigh Tyner was President of the Legion. Paul Steele vice-president and Tom Dick 2nd vice-president.

R. S. Barwick succeeded Andrew McWilliams as Exalted Ruler of the B.P.O.E. with J. J. Part as the secretary.

## Thirty-two Years Ago Today

*Jan. 11, 1922*

Car licenses for 1921 numbered 29,775, more than 1000 greater than in 1920.

The Farmers' hockey team won the opening game of the Big 6 league from Mannville. The Farmers line-up included Holland in the nets, Bill Barr, Murray McKinnon, Frank Pilkie, Bert Scarfe, George Reasbeck, Clarence Barr, Wilfred Potvin.

The 1922 town council was composed of Mayor Morrison, Crs. F. C. Long, M. A. Brimacombe, W. H. Duncan, J. A. M. Craig, W. R. Wiebe, S. R. P. Cooper.

Schools and Sunday schools were ordered closed for two weeks owing to there being several cases of diptheria.

Skips George Wright and S. R. P. Cooper reached the finals of the New Year's day bonspiel with the final game to be played later.

Population of Alberta was 581,995 according to the latest census figures.

# Health Unit Notes

— From —
the Sanitary Inspectors Diary.

This week I propose to write about Garbage.

The proper storage, handling and disposal of garbage is a cornerstone of Public Health along with Pure Air Supply, Safe Water Supplies and Safe Disposal of Liquid Waste (Sewage) and has unfortunately been the 'Cinderella' of these services. Its importance however should not be under-rated as even in these atomic times some delay in its handling or removal can create chaos in the larger cities within a few hours.

WHAT IS GARBAGE?

Well, it consists of such things as ashes, paper, metals, glass, wood, articles containing rubber, leather and most important of all waste is animal and vegetable matter. The quantity of these various constituents varies with season and localities, occupation, etc.

Why is it important to see that garbage is stored properly?

Animal and vegetable waste form a suitable feeding and breeding ground for flies and a handy and accessible food supply for rats and mice. Flies, rats and mice are notorious in spreading many diseases but by simple efficient storage you can prevent fly-breeding and encouragement of unwanted vermin.

Surely it makes much more sense to prevent flies from breeding in your garbage rather than rely on fly screens and insecticides as the best method of dealing with this menace. It's also more economical and a surer method.

As for rats and mice, these rodents always establish themselves near a readily accessible food supply and if yu want rats for company just leave a pile of scrap food around long enough.

What is the best method of storage for garbage?

A proper garbage can with handles and a proper water-tight and fly-proof lid. The number of proper garbage cans needed depends upon how much garbage you produce and how often your municipality or you remove it. For a normal family of four persons, two garbage cans should hold one week's supply of garbage.

Why not burn garbage instead of storing it

This is a question I am often asked. If every house had a proper garbage incinerator that would be ideal but by that I don't mean old drums at the end of the lot or an old dilapidated brick incinerator into which garbage is thrown and a match put to it. What happens? Some of the paper burns and any scrap food contained just gets charred and all you have done is reduce the volume of garbage.

Don't be under the illusion that flies, mice and rats won't want to go near such food—they thrive on it.

Think again! There are several large cities in this country which consider incineration as the ideal method of garbage disposal, they spend several millions of dollars putting in large furnaces with specially constructed flues and burn thousands of tons of coal or millions of cubic feet of gas in order to burn their garbage and yet many of you think you can do this with an oil drum and a match.

As a public health worker there is nothing more pleasing than to look down an avenue of beautifully designed and constructed homes, every modern convenience that science can invent.

I then take a look down the alley and quite often I am displeased at what I see, instead of the 20th century it looks more like the 13th century. Oil drums in various stages of disintegration, garbage spilled on the ground, volumes of smoke large numbers of flies in the summer, and numerous scavenging dogs. This is something I would expect in the Far East countries where the standard of living is low and they don't know any better.

Why do many people burn garbage?

In this country there is a large volume of paper in the garbage, chiefly wrapping and newspaper. One garbage can is not large enough to hold a week's garbage but quite often it has to hold two or even three weeks supply of garbage owing to the very infrequent collection service. The only way to get two or three weeks' garbage in to one can is to reduce the volume and that is why so many people burn their garbage. The problem is, I believe, two-fold.

a. Insufficient and improper storage space at the home or business.

b. Poor garbage pick-up service.

Next week I shall explain how to give a really efficient garbage service at a low cost, and the legal side of garbage storage, collection and disposal.

BABY & PRE-SCHOOL CLINICS

Monday Jan. 18 Legion Hall Vermilion 2 to 4 p.m.

Tuesday Jan. 19 Ranfurly hotel 10 to 12 noon.

Tuesday Jan. 19 Innisfree clinic 2:30 to 3:30 p.m.

## Kitscoty News

Miss Mabel Gevier R.N. who has been nursing in the U.S.A. is at present visiting at the home of her parents Mr. and Mrs. A. W. Gevier.

The Legion Polio Fund campaign has now started in Kitscoty and district. This campaign is Dominion-wide with the Canadian Legion taking charge in Alberta. The committee hopes that all residents of town and district will support this very worthwhile project. The canvassers appointed are Messrs. L. E. Speelman, Herman Lenz and A. Hennck for Kitscoty Legion Post 158.

Best wishes are extended for a speedy recovery to Mrs. A. Hale, Mrs. Pauline McLean and Mr. Tom Alton who are on the sick list.

Mr. and Mrs. J. C. Potter are home again after spending a week visiting friends at Red Deer, Calgary and Crossfield.

At the time of the 1951 census it was disclosed that 298,339 Canadians of 10 years of age or over had never been to school.

Help Polio Victims — give liberally to the Legion Polio fund

## The Vermilion Co-Op.
[illegible] — [illegible]
John Knight - Manager

## Farewell Departing Citizens At Derwent

DERWENT.—A large number of friends gathered in the town hall at Derwent on Jan. 5 to bid farewell to Mr. and Mrs. Lawson Fleming. Mr. Fleming has been manager of the Bank of Nova Scotia here since July 1951. His promotion to the Stettler branch was well deserved, and although Derwent people would very much have liked to keep him there it was fully realized that his promotion was bound to come sooner or later. Mr. and Mrs. Fleming took an active part in all community affairs. Mr. Fleming was secretary of the Board of Trade for two years and gave freely of his limited time to any and all activities of the community. At concerts, plays or any doings of a social nature Mrs. Fleming could always be found to the fore directing and organizing, and playing the piano whenever the occasion [illegible] it.

They will surely be [illegible] in Derwent but the people wish them well in their new location.

Mr. H. Meyerman acted as the master of ceremonies and short speeches were made by the Mayor of the town, Mr. Cherniawski, the school principal D. S. Chrapko and Mr. C. V. Larson.

Out of town visitors included the Kemps from Bonnyville and E. Lewicki from Edmonton, all ex-residents of Derwent.

The M.C. in the presentation of a substantial purse of money, warned the recipients that they had better buy something to have on display whenever any Derwent folks happened to drop in on them in their new home at Stettler.

During the evening the newly-appointed bank manager, Mr. Smith who has been transferred from Edmonton, was welcomed by Mr. Meyerman on behalf of the community. Mr. Smith made a very suitable reply.

The successful affair was brought to a close by everyone forming a circle and singing 'Auld Lang Syne' and 'For They are Jolly Good Fellows'.

## Chatsworth Chatter

Though we've had a few days of really cold weather, we can't complain yet, with winter almost on the wane—or so it seems, now that we are well into January, and although we have quite a depth of snow, roads are [illegible] after one [illegible]-plowing, as we've had little [illegible]. Most roads have [illegible] to be plowed, the main, or school bus route having been opened by the municipal plow while local roads have been opened by the individual or combined force of different ones concerned.

Dr. Anderson, Veterinarian, accompanied by George Farkash, has been making the rounds vaccinating against Bang's disease.

The Chatsworth concert, held at the school on Dec. 23 was attended by a large crowd with hardly standing room, and was, as usual, we are pleased to say, very enjoyable from the audience's viewpoint. The [illegible] a very good job, considering the difficulties in meeting for practices and also many of them [illegible] part in other entertainments being staged in town schools and churches. After the concert the well-laden tree was stripped of its gifts [illegible] Santa [illegible] to the boys and girls, along with candies, nuts and oranges. At the close of the evening lunch was served with the lunch [illegible] of Mrs. M. Farkash and Mrs. B. Pich in charge.

Mr. and Mrs. [illegible] were visitors to V[illegible] for Xmas and the New Year. The trip was made via C.N.R. While there they were [illegible] at the home of Mr. [illegible] Mrs. Bert Duthie and family and at Mr. and Mrs. Ernie Brass' formerly of Vermilion.

Mr and Mrs Eric Ludwig and Kenny were visitors to Edmonton recently. Steve Sturt looked after chores while they were away.

Mr and Mrs Herb Sturt and family of Minburn were visitors at the former's brother's, Steve Sturt's and family for New Year's day.

Ray Hutchinson was a Xmas visitor at the home of his parents Mr and Mrs Randolph Hutchinson.

The writer spent Xmas day with daughter June in Edmonton, returning the following day.

## Wedding Bells

SMIT — LENSBEEK

A pretty wedding took place on December 28th at the home of Mr. and Mrs. F. Van Wageningen of Tolland, when their niece, Quirine Florentine Lensbeek, daughter of Mr. and Mrs. C. E. P. Lensbeek of Kleetinge, The Netherlands, exchanged marriage vows with Johannes Marinus Smit, son of Mr. and Mrs. M. Smit of Laren, The Netherlands.

Rev. D. A. Ford officiated at the double ring ceremony which was performed in the sitting room, decorated for this occasion with white bells and streamers and bunches of silver [illegible] and red berries.

The bride, dressed in a moss green suit had a corsage of orange blossoms, worn by her mother at her parents' wedding, in her lapel, carried a bouquet of white carnations and was given in marriage by her [illegible] and attended by her aunt as matron of honor.

Mr. Hendrik Smit of London, Ontario, was his brother's best man.

Following the ceremony luncheon was served to the small wedding party. A three-tiered wedding cake with orange blossom decorations centered the table, flanked by four tall white candles, and ornaments in silver, green and red.

Toasts to the bride, the absent parents, the young couple were proposed by her uncle, the best man, Rev. D. A. Ford and her cousin in turn, as is the custom in their native land. The groom thanked everyone in a few, well chosen words.

Later in the evening the young couple left for Bruce, Alberta where they will make their home for the winter.

## WOODVALE

In the first place, sincere good wishes for 1954 to all the readers of this column, and apologies for all the old news we are telling. We simply have not had time to write any earlier.

We hope everyone noticed the advertisement in last week's Standard about the opening dance at the Woodvale Community hall as the old school is known now, on Jan. 15. This is a last minute reminder. Someone will be the [illegible] of the calf to be given as a door prize.

The first Christmas party and concert in the consolidated Woodvale school on the 23rd was a great success and Mr. Hohol and Mrs. Roberts can be proud of the children's performances and pleasant spirit in the school. Most enjoyed was the small boys' bear hunting expedition! Santa was in a jovial mood, handed out a mass of presents and liked, we are sure, all the kisses he collected from the young ladies!

That same evening a group of ladies of the Red [illegible], escorted by three men, paid a surprise visit to Quin Lensbeek, who stayed at the writer's home and who was married there on Boxing day. She was really a surprised girl and very pleased with the gift, a beautiful red rug Mrs. Poytesmith gave her with the good wishes for a happily married life on behalf of the members. Everyone enjoyed the get-together and the delicious lunch the ladies brought with them. We were sorry to hear that evening that Wayne and Betty Ann Lysons had chicken pox and Artie Lysons the flu, we missed their mothers at the party! We also found out that Mrs. McQuid's muskrat was not doing so well [illegible], and besides that, he grew so affectionate that she almost tripped over him [illegible] cellar. She brought [illegible] a tub of water into which he immediately crawled, covered it up and took his [illegible] he looked so cold and [illegible] that he finally was taken to a slough with a muskrat house in it and everyone hopes that he is still living there happily.

WE WISH TO OFFER
### Congratulations and Best Wishes
for Success from
**The Marwayne Seed Cleaning Association**
to
**Vermilion Seed Cleaners Co-Operative Association**
on the completion of their fine modern Seed Cleaning Plant.

It is our hope that the Board, Management and Staff of each of these two Seed Cleaning Plants may work together and co-ordinate the operation of the plants in a way to render a finer service to all farmers in the area.

Program and Banquet To Be Features

## Official Opening of Seed Cleaning Plant Planned For January 20th

Newly appointed Minister of Agriculture the Hon. L. C. Halmrast is expected to officially open the Vermilion Seed Cleaning plant. The ceremony will take place at 3 p.m. on Wednesday, Jan. 20.

From 2 to 5 p.m. the plant will be open for inspection. Parties will be conducted and the operation of the plant explained. Coffee will be served to the general public.

The banquet is being arranged by the Board of Trade to take place at 5:30 p.m. on the same day, in the Elks hall. As only 300 places can be set at the banquet table it has been agreed that tickets must be purchased beforehand. These tickets may be purchased from all directors, from the D.A.'s office and from several stores in town.

At the banquet Hon. Mr. Halmrast will be the special speaker. Other officials from his department will also be on hand. Deputy Minister O.S. Longman; A. M. Wilson, Field Crops Commissioner; F. H. Newcombe, Director of Extension; F. Parkinson, Agricultural Engineer, are all to be here for the day. Mr. W. R. Cornish, MLA for this constituency will also speak. Don Clayton, Agricultural announcer will take recordings for broadcasts over CJCA farm shows.

The opening of the Vermilion Seed Cleaning plant has been looked forward to by shareholders and the public generally. It is another step in good farming. Clean and pure seed is so necessary in growing good quality high yielding crops.

STORES CLOSE AT 6 P.M.

Vermilion stores will close at 6 p.m. on Saturdays for the next 3 months.

## NOTICE!
All those requiring Power for 1954, please make application on or before Feb. 10th, 1954, to
**Gordon Gould, Secy-Treas.**
Islay Rural Electrification Association Ltd.

## Wm. Teresio Dies In Toronto

William M. Teresio of Toronto, aged 47, National President of the Association of United Ukrainian Canadians, collapsed and died from a heart attack Wednesday, Jan. 6 while waiting at the provincial parliament buildings for his 1954 driver's license.

Born in Alberta, he formerly was principal of the high school at Myrnam, and served several terms as mayor of that village. He moved to Toronto in 1946 after being elected head of the Ukrainian organization. Surviving besides his widow are a son and daughter.

The deceased was well known in Vermilion receiving his high school education here.

LOST — Black Labrador, answers to name of 'Rocky'. Please phone 192 or 563. 28c

The famed Cariboo Road of B C was completed in 1865

## Wildmere Winks

Baillie Holte returned home last week after spending the holidays with his brother Kenneth and family in Winnipeg. Baillie did intend getting work and staying there for awhile but with 11,000 unemployed it was a hopeless task. So he came back to the farm where there is always work to be done.

Here is something to remember folks. The Wildmere-Tolland Mutual Telephone Co. will hold their annual meeting at Wildmere curling rink on Wednesday Jan. 27 at 2 p.m. Plan to attend all you ratepayers and if you have any 'beefs' regarding the telephone that's the place to have them straightened out. If you have praise for those looking after it, tell them so. Most of all please attend this meeting. Date is Jan. 27 time 2 p.m., place the curling rink.

Gary Cruthers visited his cousin Warren Marfleet of town over the week end. His sister Janet visited Evelyn Marfleet during the Xmas holidays.

## NOTICE re: Vermilion Seed Cleaning Plant

**We will be open for business about the middle of January and we wish to urge all farmers who have space available, to get their seed cleaned as soon as possible.**

*NOTIFY THE MANAGER, MR COULBOURN, PHONE 804, FOR YOUR BOOKING — HE WILL TRY TO NOTIFY YOU A COUPLE OF DAYS IN ADVANCE WHEN YOUR TURN COMES.*

THE PRICE IS:

| | |
|---|---|
| **Commercial Seed—** | |
| Shareholders | 6c per bu. |
| Non-shareholders | 7c per bu. |
| **Certified or Registered Seed—** | |
| Shareholders | 10c per bu. |
| Non-shareholders | 11c per bu. |
| **Treating Smut** | 5c per bu. |
| **Treating Smut and Wireworms** | 75c bu. |
| **Cleaning Commercial Grain** | 3c bu. |

This can only be done when the Plant is not needed for cleaning seed. It is doubtful if we can do any of this until after seeding

*WE CANNOT CLEAN TARTARIAN BUCKWHEAT OUT OF WHEAT 100%, so please do not bring it in expecting it clean for seed.*

## Uncle CHARLEY'S "Epigrins"

There's no excuse like havin' a headache to git out of things.

• • •

Every time that Grandpa Hodges gits tough Gram tenderizes him with a fryin' pan. It's so much better to take [illegible] them to give 'em.

• • •

How come stuff that goes in a car is a shipment and if it goes in a ship it's a cargo?

• • •

Gram says that some old men are silly while others never git a chance to be around a pretty girl.

• • •

A young man asked his girl to wed, go ask father the maiden said; Now the young man knew her dad was dead, he also knew the life he had led, therefore he knew what she meant when she said; "Go ask father".

• • •

Some fellers git all brushed up and then go out and git brushed off.

• • •

The Ridge Corners barbershop lights went out and the barber had to do some daylight shaving.

—REV. CHARLEY GRANT

## Local News of Interest

**SHOWER BRIDE-ELECT**

A delightful shower was held at the home of Mrs. Oshaldeston in honor of Miss Margaret (Peggy) Martin with the [illegible] being Miss Jean Hawryluk and Delia Morgan. The room was beautifully decorated in pink and blue. Games were played, Peggy winning first prize. Little Judy then wheeled in some lovely and useful gifts. A dainty lunch was served by Mrs. Oshaldeston, Jean and Delia.

The bride-elect [illegible] the guests by several piano selections which were thoroughly enjoyed by all.

Mr. Dennis Waltz and Mr. Dick Waltz of Landonville accompanied by their sister Mrs Martin Aarbo of Elk Point went to San Francisco late in December to attend the funeral of their sister Mrs. Ed Lynch, the former Mary Waltz. They spent from Dec 23 to 27 in the southern city during which time the temperature ranged from 80 to 86 above. The trip was made by rail by way of Vancouver and Seattle.

Mrs. W. J. Macnab has gone to the University hospital for further treatment for a broken hip sustained some time ago.

Mrs. L. M. Winters sends along her subscription and extends best wishes for a Happy and Prosperous New Year to all her old friends here. She resides at 549 Paradise St., Victoria.

Andrew Sherwick is driving a nice new 1954 model Pontiac purchased from the local dealers. Andy took delivery of the car on Xmas eve, the first 1954 model Pontiac to be delivered here.

E H. Buckingham was in Edmonton from Monday to Thursday this week attending he annual three-day conference of Alberta's [illegible] agriculturists.

BORN—To Mr. and Mrs. Freddie Douglas (nee Gladys Johnson) at the Elk Point hospital on Dec. 23, a son Jerry Frederick, 7 lbs., 7 ozs.

Dr. and Mrs. A. Ben King plan to leave Sunday for Edmonton where they will spend two days before boarding the TCA for Toronto. They will be in Toronto for a week and then go to Windsor to take delivery of a new Dodge car purchased from the local agents. The trip thereafter will be by motor and it is the intention to visit several children's hospitals in Ohio, Indiana and Illinois. Before returning home Dr. and Mrs. King will visit Mr. and Mrs. Mason Dixon at Terrace Bay, Ont. They expect to be away for three or four weeks.

Miss Margaret McLennan who is attending the Three Hills collegiate spent the Christmas holidays with her parents Mr. and Mrs. Wilf McLennan.

Mr. and Mrs. Tommy Knight of Ensign were visitors at the family home of Mr. and Mrs. Curtis Wilson returning the Sunday following New Year's.

Mr. and Mrs. W. C. Wilson had a phone call from daughter Dorothy at Spokane on Xmas day. Reception was perfect and conversation much enjoyed.

On New Year's eve Mrs. Arthur Burton received a long distance telephone call from her sister Mrs. Fergus Coutts from Kingston, Ont. She also spoke to her niece Betty and nephew Jimmy. The reception was very clear and was sincerely enjoyed by all parties.

**DERWENT THEATRE**

Showing at the Derwent theatre on Saturday, Jan. 16 and Monday Jan. 18 "My Darling Clementine" featuring Henry Fonda, Linda Darnell and Victor Mature. The fabulous story of Wyatt Earp, the Marshall who tamed Tombstone. Next week "Boomerang"

**APPRECIATION**

**IN MEMORIAM**

In memory of
Mattie Ostherbe
—who passed away Jan. 16, 1945.
"Most of all other beautiful things in life
Come in twos, threes, dozens and hundreds,
Plenty of roses, stars, sunsets, rainbows, brothers,
Sisters, aunts, cousins, but
Only one mother in the whole world.
Kate Douglas Wiggins.
Remembered with love, Beth.

**IN MEMORIAM**

In memory of our Dad
James W. Gould
—who passed away Jan. 17 1953
"Not dead - Oh no! But just borne
Beyond the shadows
Into the full, clear light,
Forever done with mist and cloud and tempest
Where all is calm and bright
Not silent - just passed out of earth's hearing
To sing heaven's new sweet song:
Not lonely - dearly loved and dearly loving
Amid the white-robed throng
Not forgetful - but keeping fond remembrance
Of dear ones left awhile
And looking gladly to the bright reunion
With hand-clasp and with smile
Lovingly remembered by loving wife Sylvia, Marvin, Laura and Maurice

## Home & School Meet At Paradise Valley
The December meeting of the Paradise Valley Home and School Association was held recently.
Mr. Murray gave a report on the annual meeting held in McLaughlin and Mr. Simenson's report was discussed by the members.
A motion requesting the local board to hold the annual school meeting in January was carried.
It was decided that each future meeting should be planned by a committee of three. Its the same suitee for January are Mr. Richardson, Mrs. Murray and Mrs Hallett.
Mr. Veuner was asked to give a report on the Cub and Scout movement at a future meeting. Lunch was served at he conclusion of the meeting.
Next meeting of the Association will be on January 19

## Hereford Bull Sale April 7th and 8th
At the annual meeting of the Central Alberta Cattle Breeders' Association held in Lacombe on Monday, Dec. 21, it was decided to hold a Hereford Bull sale at Lacombe on April 7 and 8, 1954. This sale will be in addition to the three breed sale the end of May and beginning of June. This special Hereford Bull sale will be open to bulls born after Jan. 1st, 1950 and before Oct. 1, 1952.
Entry forms will be in the mail in January. Entries will close Feb. 1st, and no late entries will be accepted.

Vermilion: President, Mrs. J. McCaig.
Wildmere: President, Mrs. J. Batke; Vice-Pres., Mrs. F. Gibson; Sec., Mrs. A. R. Dibben; Treasurer, Mrs. G. Whitlock.
Salteaux: President, Mrs. W. Hinton; Vice-Pres., Mrs. M. A. Smith; Secretary, Mrs. T. Smith; Treasurer, Mrs. L. Smith.
Five Point: President, Mrs. J. Kazuga; Vice-Pres., Mrs. Wm. McCauley; Secretary, Mrs. H. Thompson; Treasurer, Mrs. R. Gordon.
Ramsay: President, Mrs. A. Henderson; Vice-Pres., Mrs. J. Coshin; Secretary, Mrs. R. Bang.
Thorncliffe: President, Mrs. Thos. Creighton; Vice-Pres. Mrs. R. A. Clark; Secretary, Mrs. Fred Clark; Treasurer, Mrs. John King.
Claymore: President, Mrs. Wm. Hammon; Vice-Pres., Mrs. R. McMillan; Secretary, Mrs. F. Watling; Treasurer, Mrs. R. Bauer.
Creighton: President, Mrs. W. Dommerwith; Vice-Pres., Mrs. D. Wagner; Secretary, Mrs. E. Bauer; Treasurer, Mrs. G. Clark.
The Kitscoty will elect their officers at the January meeting.
Officers in the various branches are as follows:
Beavers, is a very enthusiastic group. They held their annual meeting earlier in the year. The officers are: President, Betty Hamm; Vice-Pres., Diane Smith; Eleanora Dondy; Supervisor Mrs. Hardie.

## Lady Curlers Start Season At Mannville
MANNVILLE.—The lady curlers started their play last week and on Tuesday, the opening night of the curling season, the President vs Vice-President competition was played. The following are the skips of the two rinks: Joy Manz, Muriel McLuckie, Ethel Mercer, Nancy Cushing, Eva Proudfoot, Bren Hasinoff Mable Majeau, Ethel Chrysler, Norma Ewing, Linda Scoggins. The ladies all enjoyed a luncheon after the games Tuesday night. The date of the bonspiel is not absolutely definite as yet
The lady curlers are serving lunch at the rink for the first two weeks of curling.

## Second Appeal By Derwent District Benevolent Society
The 1953 drive for funds just about completed was quite satisfactory. This was the Society's second attempt at the 'Single Appeal' system of securing donations for charity. Although we did not do as well as in our initial drive we learned a few lessons that will help us in the future. There is no going back as we know that we are on the right track. It was very interesting to listen to the canvasser's report from their respective divisions most of the donors were expecting the canvasser to call and willingly gave their donations, a few that I talked to, I merely figured that it should cover this century. In only one division in the outlying districts did the canvasser meet organized opposition
All in all we are well satisfied with the results and we expect to do even better next year as the people realize that they will have to contribute to charity one way or the other, those who did not do it the sensible way which of course is the 'Single Appeal' way
The list will be kept open for a little while longer so that any one who wish can still contribute. Contact Mr M Chernawski or H Meyerman The list following is not complete as some canvassers are still to be heard from these will be published later The canvassers did a good job which is much appreciated by the executive Canvassing for charity is a thankless job as the writer well knows so let us all get together next year & give them the donation without any argument and everybody will be happy, including the recipient charity organizations

# NEWS from ISLAY

This news bulletin was received last week but was held over. Allowance should be made for time elapsed.

Back to routine after the holiday festivities. The Christmas concert was the wind-up of school, but the beginning of fun. The concert was of the usual calibre, many excelling in the parts played. Black Sambo and the Tigers surely thrilled the pre-school youngsters who sat with eyes fairly bulging. Two wee lads close by the Xmas tree hardly breathed they were so thrilled. Those tigers were almost real. It was heard said by some outside the district that if little old Islay hadn't much she certainly had the 'talent'. That was the way they expressed their liking for our school [illegible]

Misses Catherine and Marie Carey from Edmonton spent the holidays at the home of Mr and Mrs. Jack Carey, returning on Sunday last, Catherine to University and Marie to her position at Namao airport.

Miss Catherine McEachern was home over the Xmas week end.

Mr. and Mrs. Jim Allan had Xmas day with the McEacherns.

Miss Sheila Purves now of Lougheed, was home for the holidays.

Mr Anderson, Bessie and Ralph had Xmas day with Bill Young's family of Dewberry. The Wednesday following the Youngs had dinner at the Anderson home.

Ulva McFadyen and family spent Christmas day at the home of their daughter Mary and Emerson Ternoster. Also Nurse Jarvis and Nurse McKerricher were at the Ternoster's for the day.

Mr and Mrs. Don McFadyen had Mrs. McFadyen's sister Olga and husband at their home for the day.

Mr and Mrs. Albert Beck are expected home this week having spent some time with their daughter and husband at Eston and also in Saskatoon.

Mr and Mrs Jack Bauman and family had Christmas at Elk Point with the Baumans Sr.

Mr Eugene Dolinski visited his sister Mrs. Bill McLean and the family. Eugene is a dental student at the University of Alberta.

The Jack Bauman's entertained on New Year's day. Mr. Bauman's mother from Elk Point, the George Martin family of Vermilion, Mr. Simons and Miss Doris Bauman of Cold Lake, Mr. and Mrs. Vallie Watt and children of Kitscoty, Mrs. Shattuck and Bud, Mr and Mrs. Bill McLean and two children.

Mr Jack Bauman was in Edmonton a day or two during the holiday week.

Mr and Mrs. John Shaw, Mr. and Mrs. Bill Shaw and Jimmie, the B. Teskey family, and Mrs. Hilda Bell and girls had Xmas day at the home of Mr. and Mrs. Gordon Gould.

The New Year's eve frolic in the hall was really a nice affair. There were more than 165 people present and with the Gould orchestra supplying the music, and all the balloons, streamers, whistles etc., all had a very enjoyable time.

Mr. and Mrs. Walter McCaughan spent Xmas with Walt's mother out on the farm in the Holyrood district.

Mr. and Mrs. Bill Axley and the girls, Dorothy and Jeannie had Christmas dinner with Mr. and Mrs. Jim Monroe at Hazeldine. For New Year's dinner at Mrs. Axley's mother's home; Mrs. Monroe in Dewberry also had with them our two nurses from Scotland, Miss Jarvis and Miss McKerricher. And at supper time all the Axley's gathered at Mrs. Axley Senior's home. Mr. and Mrs. Lorne Axley were with her parents Mr. and Mrs. Tesmond at Tolland.

Mr and Mrs. Glenn Wheadon and two wee sons, Richard and Keith Robinson motored from Edmonton and spent the New Year's week end with the home folk, Mr. and Mrs. [illegible]

[illegible] for the Xmas week end.

Misses Muriel and Gladys Stone had Sunday night dinner at the B. Teskey home and during the evening Mr. and Mrs. Grout and Catherine came in.

During the holiday week the Dave Martin family, and with them Mr and Mrs. Frank Hancock had dinner with the Clare Hancock family at Marwayne.

The annual meeting of the Islay United church was held Monday afternoon in the church. Reports show a good year in many ways other than financial and the meeting closed with a social half hour. There were increases in every phase. The Sunday school especially from an attendance of around 15 to one of 44. We are needing more space for our classes. Church attendance increased, our Junior choir is faithful, our W.A. and W.M.S. is flourishing, credit due to its members who are faithful and very happy workers. We had 12 meetings during the year. W.M.S. meetings are quarterly and they are all missionary meetings.

To wind up, 9 grain cars came in to Islay today, Tuesday, so all 3 elevators are shipping out.

---

Only about one-seventh of Canada's land is suitable for agriculture.

---

Christmas Seal dollars are not charity. They are an investment in the protection of your home. Have you sent yours? 21tf

# Of Many Things . . .

By [illegible]

Remember school days when each new term meant new exercise books, or scribblers as we used to call them? Even the naughty boys liked those new scribblers, thick and clean, and that first page was given careful treatment. With cramped fingers clutching well-sharpened pencils, with heads bent low and noses almost touching the paper, we went industriously to work. A new book, a new page! Will such thrills ever come again?

Some of us get a hint of the same old thrill when new desk calendars are opened in January. A whole new month! Page one gets a carry-over list of those things we've been putting off. The coming year is going to be different! Each day will see its allotted tasks faced and accomplished. Yes, there's a bit of the old thrill in a desk calendar. And today most office men have added another thrill.

The new thrill is in the day record book. Here instead of telegraphic notes, the efficient business man keeps a record of progress. It makes good reading at the year's end if it is well kept, or very bad reading if it records opportunities bungled or high hopes dashed. But at the start of the year how good it looks! What fine records always coax us onward to tomorrow!

Farmers, too, have some of the old schoolday thrills. They see tomorrow's history in the fields that may yield bumper crops if they are coaxed into it diligently. Or perhaps an oil well lies down there under the topsoil. And this coming year, of course, the markets of the world may open wide and prices soar. You bet, the thrill is there, just as it was of old when the teacher handed out the brand new scribblers.

Fathers, of course, get the biggest thrill of all. They have a fresh page to look at every morning at the breakfast table, watching sons and daughters, clear of eye, quick with smiles, eager for life. What will they make of themselves, these eager youngsters? What kind of future awaits them?

I hope, above all, that they will have freedom, to grow according to their own natures, abilities and interests. I hope they will have freedom to win, or to lose, to succeed or to fail; that they will be wise enough to retain for themselves the right to worship in the church of their choice, vote freely, speak the truth without fear. In a world that seems intent on sliding slowly into a sort of benign and comfortable slavery, I hope our children have wisdom and courage to end that fearful drift and start their generation back on the road to independence of spirit. It is a straight and narrow path, but it leads to a glorious victory!

THAT DOES IT By Al Smith

## LOWER YOUR PRODUCTION COSTS

**AND INCREASE YOUR PROFITS!**

Thousands of Prairie farmers have proven to themselves that their costs of producing grains have been lowered due to the increased yields and better quality of their fertilized crops!

# Dewberry United Church is Scene of Pretty Wedding

*HENDERSON—VOLKER*

On December 15 the Dewberry United church was the scene of a pretty wedding amoung mauve and white streamers, cedar boughs and white bells, when Shirley Pearl, daughter of Mr. and Mrs. D. A. Volker of Dewberry, became the bride of Mr. David Robert Henderson, son of Mr. and Mrs. David Henderson of Viking. Rev. Sneddon officiated at the ceremony.

The bride, given in marriage by her father, wore a gown of alendon wencon lace over satin with nylon net pleated inset in skirt front and finished with cord embroidery and pearls. The fitted bodice featured lace, nylon net and lily point sleeves with pearl insets and embroidery. Her matching floor-length veil was gathered to a halo type crown also of nylon net and pearls. She carried a bouquet of red roses. Her gift from the groom was a pearl necklace, bracelet and earring set.

The maid of honor was Miss Joyce Tullock and bridesmaid Miss Elsie Wadley, both wearing gowns of pink and blue nylon net with lace boleros and wearing matching fingertip veils gathered to nylon net halos and carrying bouquets of pink and mauve baby mums and carnations. Both received rhinestone necklace and earring sets as gifts from the bride.

Miss Evelyn Parker sang a fitting solo during the signing of the register with Mrs Joe Braithwaite as organist.

The groomsmen were Mr Dale Henderson, brother of the groom, and Mr Jimmy White both from Viking. The ushers were Mr. Russell Garnier of Dewberry and Mr. Neil Skori of Kinsella. The ring bearer was Ronald Henderson and flower girl was Colleen Henderson who made a very pretty sight dressed in a white satin gown and halo and carrying a nosegay of mixed flowers.

The bride's mother chose a black velvet transparent velvet dress with dusty rose accessories. The groom's mother chose a Nordic blue velvet dress with white accessories. Both wore sweetheart rose and carnation corsages.

An open buffet supper was served in the Dewberry hall with Mrs V. R. Dennis and many friends doing the catering. The bride's table centred with a three-tiered wedding cake flanked in pink tulle with white candles finishing off the table. Toasts to the bride and [illegible] proposed and ably responded to. Miss Theresa Philbin was in charge of the guest book.

A dance was held in the Dewberry hall and was very well attended.

The bride chose a wine suit with matching accessories and wore a rose corsage for her honeymoon trip. Mr and Mrs David Robert Henderson will make their home in Viking.

Among the many out of town guests were the bride's grandmother and grandfather of Erskine, also the groom's grandmother and grandfather of Viking.

## Tips on Touring
By Carol Lane
Women's Travel Authority

How can you keep your children amused and out of mischief on automobile trips? I've done a lot of research on that question and here's what I've found out:

1 Before leaving home, buy a few inexpensive toys and put them in a 'mystery box' When the child becomes restless, let him pick a toy.

2 To give your youngster a roomy place to play, stack your luggage level with the back seat and cover the bags with a blanket or air mattress

3 For really young children, take along their favorite toys. If the child is older, let him 'navigate' or keep track of the expenses

4 Play games such as spotting license plates from other provinces and counting animals, or have a family song fest.

A little forethought on how to keep your child from becoming bored may save you many a headache on the road.

**YOUR KEY TO REAL DRIVING PLEASURE!**

A car in tip-top condition, inside and out, is a pleasure to own, a joy to drive! Let us bring your car up to the peak of performance RIGHT NOW.

# News Notes From Your District Home Economist

SEWING SECRETS

HEMS -

1. To prevent a bias skirt from saging, fasten it to a hanger and let it hang for 48 hours before making the hemline.

2 On a gored or circular skirt some fullness in the hem should be shrunk out. Use a long gathering machine stitch ¼ [illegible] from raw edge of hem. Place skirt on ironing board, pull up machine thread until edge fits garment. Place a piece of heavy paper between hem and garment to avoid an impression on the right side, and steam hem until it is as flat as possible Then finish skirt.

3. Always press a hem to give it a professional finish.

Pressing — is placing the iron firmly on the fabric. The iron must be lifted each time it is moved. Pressing should be distinguished from ironing.

In ironing — the iron is moved without lifting. Always iron with the grain of the fabric.

USEFUL INFORMATION

Yours for the asking, directions on—

1 Inserting Dress Zippers.
2. Tucked Bound Buttonhole.
3. Shirt Sleeve Opening & Cuff.
4. Preparing Material for Sewing.

FOR THE HANDY MAN — OR [illegible]

During the winter months when you find time to spend on hobbies, remodelling and other more pleasant tasks, why not replace that old wood box with a new moveable one or add to the ease of reaching by making a combined kitchen stool and chair.

Perhaps you received a set of knives at Xmas and would like a knife holder for them. A rack for hot dish holders could be very conveniently placed on the inside of a cupboard door to keep them within reach and yet out of sight.

Add to convenience on wash day by building a laundry cart on which to move any size clothes basket. Replace that old ironing board with either a collapsible or a clamp on type.

For those of you interested in plans for the above mentioned Handy Aids, write to this office. I would be very pleased to send what you request.

THE SCHOOL LUNCH

Mother, have you a hot lunch program in your school? Your child's health as well as his progress and interest in school may be affected by the meals he eats each day. Therefore it is important to realize that the school lunch is more than a midday snack; it is a midday [illegible] It is still better if he has at [illegible]

By taking a little more time you may give your child a hot dish with his lunch [illegible] that can be successfully re-heated. Place it in a glass jar labelled with his name. This can be heated in a hot water bath at school. This is known as the Hot Jar Method.

There is still another method of giving your child a hot lunch. Under supervision of an older pupil or teacher, a hot dish can be prepared at school. This, eaten with foods brought from home, makes a complete lunch. This is known as the Hot Dish Method.

Please write me for further particulars on Hot Lunch Programs and for pamphlets dealing with the proper feeding of your child.

I sincerely wish you a Happy and Prosperous New Year.

## Bowtell Bulletin

Deepest sympathy is extended to Canon and Mrs. Teape and family in their [illegible] sorrow on the loss of their little girl.

The writer was pleased to have her niece Miss K. Fowler of Edson visit over the week end. The school which Kathy was teaching recently burned to the ground.

Mr Rochford had the misfortune to lose two head of cattle when a straw stack blew over and buried them.

George Gow and Leslie Sherwood each caught a coyote this week.

Mr. Knutson was home for Xmas but returned to be with his brother who is quite ill in hospital in Saskatchewan.

The writer is sorry to learn that Mrs Sample is a patient in the hospital at time of writing.

Mr. and Mrs. Ed Lippert were recent visitors to Red Deer.

Mr. and Mrs. Gow and Tom Sherwood motored to Edmonton on Tuesday returning home Wednesday.

Mr. and Mrs. B. Gould were Saturday visitors at the Jones' home

The next Busy Bee meeting will be held at the home of Mrs. Moses on Jan. 27. Ladies please note the change of date

The annual meeting of the telephone company will be held Jan. [illegible]

William Walker had the misfortune to lose his toboggan off the back of his truck recently.

Mrs Tom Sherwood was [illegible] to receive a card from Mr. and Mrs. Caro who are holidaying in Holland.

Mr and Mrs. Walker and William were supper guests at the Harrison home and on Sunday at Mr and Mrs. Sherwood's.

It must be near spring folks as Mrs Walker reports her turkey hen started to lay Xmas day.

IS YOUR SUB PAID UP?

## Pleasant Valley

Intended for last week, make due allowance for time elapsed.

A very happy New Year to staff and readers. We all miss our local paper when it does not publish. It seems a long wait until the next one

It is nice to read this and that about friends we cannot visit. The roads are drifted in places and it's blowing hard again today.

We did however have real nice weather during the Xmas holidays for parties, visiting and the New Year's frolic which everyone enjoyed

Mrs Gillies left for Edmonton on Sunday where she will spend some time with Bill and family Hope you think of us here sometimes maybe under 10 feet of snow' A letter surely would help our morale some, don't forget

So many say'O how I hate letter writing but I love to receive them.

Mrs Duprait was home during the holidays The writer, hubby and Mr Gillies visited her on Sunday She is very cheerful and so pleased to be home although she has to keep in bed I hope we did not make you laugh too much. Alex and his wife were home for New Year's day. Albert cooked the turkey.

Mr. and Mrs. Shaw spent Xmas holidays with Doreen and Gordon

Laura and two girls are visiting Sylvia and Marvin for a month from Lac la Biche Nora Ronaghan was home during the holidays and returned to Calgary on the Sunday following

So glad to read about Mr Jim Allan being so well again. Will be in one day to sample your shortbread. and to wish you both a Happy New Year

The writer Mr and Mrs Jones and Mrs Gillies attended Carol service It was very much enjoyed. Then we drove around the slippery streets to see some of the lovely decorated homes It really was worthwhile The lighting effects through the green trees and a little snow on the ground gave it a real Christmas effect

We extend best wishes to Jack Thompson the account of the wedding was read in the Standard. Wedding bells will be ringing for another Pleasant Valley Miss soon, so we hear

The days go by the weeks rush on
And before we know it a year has gone
Life seems to be a terrible rate
So to you all happiness, and a smiling face.

# WARNING!

Frequent statements have been made to the Better Business Bureau that unscrupulous salesmen of stainless steel cooking utensils conduct a fake test by boiling soda in an aluminum saucepan.

As a result of this test, the salesman may say, or infer, that food cooked in aluminum causes various diseases.

**Scientific investigation has proved these claims absolutely false and has found both steel and aluminum quite harmless.**

**The National Research Council**, Ottawa, states: "No harmful effect to the Health is incurred by the use of aluminum cooking utensils."

**The American Medical Association:** "We believe that the propaganda against aluminum comes from quacks, cranks and faddists, or from those who put out cooking utensils made of other wares than aluminum."

**The National Cancer Institute of Canada:** "A considerable amount of public confusion has been caused by allegations against aluminum. The action of those who continue to disseminate such false information is to be condemned."

If someone approaches you performing these fake tests, protect yourself by securing the name of the salesman, the Company he represents, and report this information to:—

Vol. XLV. No. 29. Vermilion, Alberta, Thursday, January 21st, 1954. $2.00 a Year

Glen Gray Rink of Edmonton Wins First

# MANY CURLING GREATS HERE FOR SPORTMEN'S BONSPIEL

Glen Gray and his rink from Edmonton Granite Curling club, won the four Browning automatic shotguns at the second annual Sportsmen bonspiel which was completed Saturday night after four days of exceedingly good curling. The Gray quartet defeated the Bill Sutherland rink of Vermilion in the final game by a score of 11 to 5. Each end of the game was closely contested but the count consistently went to the Edmonton rink. They counted three doubles and five singles while the best the hometowners could do was two pairs and a singleton. The second prize were automatic Browning .22 rifles.

Third prize went to Mas Simonsen and his rink of Vermilion, 4 campers' sets. Dr. Geddes, also of the Edmonton Granite club, won the fourth, four pairs of binoculars. The prizes were valued at $1600.

WINS THE HARD WAY

Gray won the bonspiel the hard way. He played in all three of the qualifying rounds, reaching the 8's of the first and second, being eliminated each time when trying to enter the charmed circle of those rinks qualifying for the play-off for the prizes. He made it in the third and final qualifying round and filled the very last slot in the play-off competition. The Gray rink thus played 13 games in the spiel, five on the final day alone, and he and his men were curling flawlessly during the entire final game.

In this final the Gray quartet [illegible] at the [illegible] of [illegible] game while the Sutherland four had apparently reached their climax in the afternoon game, in which they won from Dr Geddes who had hitherto been undefeated.

WINNING RINKS

1. Glen Gray, Bill Graham, Vern Drake, Lorne Morris.
2. Bill Sutherland, Ross Boake, Reg Mitchell, Bill McLaughlin.
3. Wm. Lingings, Mac Simonsen, Ken Rowe, Bob Rowe.
4. Dr. Geddes, Roger Dion, Jack Green, Dr. Sand Fleming.

Forty-two rinks entered the spiel with many of the skips being well known as Macdonald Brier and carspiel curlers. Billy Rose of Sedgewick, former Canadian curling champion was present; Stevenson of Lashburn who won cars at Biggar; McIntyre of Viking who has curler with several rinks in provincial and Dominion finals and was a member of the Manahan rink when it won the Macdonald Brier; Herbie Olson from the Royal, Edmonton, with the same rink with which he won the provincial high school curling championship two years ago. The rink has curled together for six years and are much above average performers; Gerber who made the play-off last winter at the Edmonton carspiel, comes from Kelsey; Dr Geddes who maintained his record intact longer than any other rink in this spiel, skipped the carspiel winners at Edmonton last spring skipping the Glen Gray rink against Vermilion's Currah; Glen Gray who played third on this rink and who has taken a leading role in Alberta curling circles, had with him at the Vermilion spiel the three men who won the second prize here last year as they then curled with McCallum. After taking second at the Sportsmen spiel they went on to win the Grand Challenge at the Edmonton bonspiel; Freddy Braithwaite of Dewberry, also a curler with much experience in big bonspiels and who has curled at Nipawin in the carspiel, was here and made his presence felt.

In fact, every rink entered was a formidable contender, and the curling was of a very high standard.

THE 12 RINKS THAT MADE IT

The twelve rinks reaching the semi-finals in the three qualifying rounds were as follows:

COMPETITION No. 1

Olson, Edmonton; Stevenson, of Lashburn; Geddes, Edmonton; Dobry, Viking.

COMPETITION No. 2

Currah, Vermilion; McIntyre, of Viking; Simonsen, Vermilion, Sutherland, Vermilion.

COMPETITION No. 3

Lunden, Dewberry; Gerber, Kelsey; Rattray, Wainwright; Gray, Edmonton.

WICKS and ROLLS

The Herbie Olson rink down 5-0 against the Lunden rink of Dewberry in the play-off round, scored a seven-ender in the third to jump into the lead, and then went on to win 14-9. With Olson were Terry Bocock, Ken Laubman and Tommy Ryan.

This Lunden rink cut quite a swath in the spiel. They made the play-off and eliminated Gerber before they ran into the disastrous seven-ender which proved their undoing against the Olson crew. It was just one of those things that happen in a curling game and without which no curler's experience is complete.

The Lingings-skipped [illegible] rink seemed to be winning a [illegible] in a thrilling climax [illegible] the Standard reporter happened to be in the rink. [illegible] against Stevenson they [illegible] two coming home in the play-offs. They landed the two and then went on to win in an extra end. Earlier they had taken an extra end game from Billy Rose, then as a grand finish [illegible] against the McIntyres of Viking, they landed a four end to win a high-scoring game 15-14. This game had the spectators in an uproar, each in turn landed a five end followed by a three.

Incidentally Wick and Roll were the names given to two Cocker Spaniels raffled off at the rink during the spiel. With the mental agility of the rising generation Duncan Locke named them Wick and Roll. Tickets on the two cute little purebreds were in demand and on the last night the names of the lucky winners were drawn. Mr. Slocum of Tolland who immediately presented his to Art Lysons for the children, and Harold Moyer were the winners. Harold hustled home to the children with his prize, sure of an overwhelming welcome. The pups were donated by Claude Brennan.

It was lovely curling in the rink despite the very much sub-zero temperature outside, around the 40-below mark. Unbelievable as it may seem, an even 20 degrees above was maintained in the unheated ice palace and curling was thus more than ever enjoyable.

The draw committee for these events always has worries and difficulties and much credit is due them for finally winding up a very successful event. It seemed to the writer that Al Locke and Lorne Pockett bore the brunt of the work with assistance in the first instance from E M Stewart, and during the play Charlie Heckbert and Russell Carroll It's a thankless job but still the boys do it.

Ice makers ran into a little difficulty due to an oily substance in the hot water flood put on Tuesday. Flooding Wednesday night in the wee small hours eliminated the trouble and the playing surface was lovely from then on. The regular ice committee is Darrel Currah, Gib Stephen, Jack Marfleet, Reg Rowe Norm McGinnis and Ken Bruton. Their worries are multitudinous but they surely work hard at it, long hours and any time.

To wind up — the coverage given the bonspiel by CJCA and the Edmonton Journal was phenomenal. The radio had up to date results, morning, noon and night, each one of the four days, with the Journal featuring every game result and progress in each edition with a wind-up on Monday. This meant a terrific amount of publicity for Vermilion, both by the printed page and the spoken word.

A bouquet for the ladies who served hot meals and lunches for the whole four days. They were busy, very busy, early and late.

# Junior High School Students Holding Salesmanship Campaign Next Week

Students of the Vermilion Junior high school will launch their own salesmanship week within the next few days throughout Vermilion and district This activity is sponsored by the Student Council under the supervision of Council President Pat Bentley.

This plan presented by Maclean-Hunter Publishing Co. and sponsored by the school has proven immensely successful throughout Canada It enables the school to obtain money for many extra curricular activities not always provided for in the annual school budget Hundreds of schools across Canada have earned much needed money to buy athletic equipment movie projectors, band equipment and to finance educational tours, through this grand program.

Citizens of this community are being offered the opportunity to assist and encourage the high school students, and at the same time subscribe by subscription to Canada's leading magazines, as well as the best of American publications.

## Queen Esther Chap. Hold Installation

Warder—Mrs. H. Barr
Sentinel—Mrs. I. Webb.

Examining Committee—Bro. Omness, Sister Waldenberger, Sister Buckingham.

Trustees or 1954 are Mrs. Clarke, Mrs. Washington and Mrs. Brass.

## Loses Life In Fire Near Kitscoty

KITSCOTY.—Mr. Charlie J. Green 72, who lived alone about one half mile from town, lost his life in a fire which destroyed his small home on Monday, Jan. 18. Eight dogs were burned with him.

## Store Is Robbed At Mannville

MANNVILLE. — The Midland Hardware was broken into on Tuesday night or early Wednesday morning and about $30 taken. The small safe from the office was taken out of the store and dropped north-west of town. The bottom of the safe had been cut out. Several axes and a couple of crowbars were found near the safe. No arrests have been made as yet. There were also footprints outside the drug store but the door was not tried. At the hardware the back door to the warehouse and the door into the store were both broken.

## United Church Men's Club Host to Tyro Boys

The January meeting of the United Church Men's club was held in the lower hall of the church Wednesday, Jan. 13. On this occasion the Men's club was host to the Tyro boys and their parents.

The pot-luck supper was catered by Harvey Tebbutt and was followed by community singing led by Mr. D. Folk.

Presided over by their leader Mr E. Schurman, the Tyros then presented a typical meeting of their group. Mr. Schurman, in his remarks, pointed out that 'Tyro' (try your reach out) is a boys' work endeavor started in recent years for the boys of the church. The aim 'Stand Firm in the Faith' Projects embraced Handicraft work and instruction in Christian principles and living.

After their meeting presentation the Tyros gave a demonstration of floor hockey

Rev. C. W MacKay expressed the thanks of all present to Mr Schurman and his assistants Mr Stan McCrae and Mr. W. Nankivelle for the splendid work they are doing with the boys group.

## Handicraft Guild Organizes Classes

The Vermilion Handicraft Guild is putting forth its 1954 effort and classes as follow are promised

Smocking Mrs. Ward MacDonald and Mrs. Martin Shalka.

Basketry -- Mrs. S. C Heckbert
Flower Making— Mrs. Wm. Anderson.

Metal Work -Mrs. R. Tidsbury

This is an interesting worthwhile effort in the community and will develop in direct ratio to the interest shown. Anyone with ideas for expansion of the work or with new ideas, is welcome and all old members are asked for their continued interest and support.

## Mannville Legion In Curling Competitions

MANNVILLE. A Legion rink made up of Messrs Ralph Rudd Jack Cruford, Ab Hubbard and Chas. Blackford journeyed to Marwayne on Sunday to curl in a round robin They marked up a win of two games, against Vermilion and Marwayne.

## Death of James Cavil, Revered Old Timer

James Smith Cavil, revered old timer of Vermilion, passed away at the Vermilion Municipal hospital on Wednesday afternoon January 20. He was 94 years of age in April, 1953. Funeral services will be held on Friday afternoon Jan. 22 at 2:30 o'clock at the United church.

Mr. Cavil was born at Metis Beach, Quebec, on April 22 1859. He and his family came to Vermilion back in 1905 when they homesteaded in the Landonville district. In 1912 they moved into Vermilion and have resided here since that time.

Married in February 1886 Mr. and Mrs. Cavil celebrated their Golden and Diamond weddings and last year observed the 67th anniversary of their marriage.

Left to mourn his passing are his sorrowing wife, four daughters, Mrs. George Capatos, Vermilion; Mrs. John Grant, Dewberry, Mrs. W. H. Douglas, Vancouver; Mrs E. A. Reid, Chilliwack, and two sons John at Kitchener, Ont., and Andrew at Smithers, B.C. There are 14 grandchildren. One sister, Mrs. Tom Blue resides at Brad-[illegible]

Rev. C. W. MacKay will conduct the funeral services. Moyers are in charge of arrangements.

## Hockey Saturday If Weather Moderates

Vermilion will see the Vegreville Rangers in action here against the local Tigers on Saturday providing the weather moderates sufficiently Games in which the Tigers were to play at Viking and Wainwright on Saturday and Wednesday respectively had to be postponed due to the extremely cold [illegible]

Peculiarly enough early games billed for December in the Eastern Alberta league had to be postponed due to the mild weather preventing ice making Now it is the other extreme, too cold to play, or rather it is too cold to expect fans to turn out to watch in any numbers.

GOOD NEWS

Good news for local fans Les Williams has been turning out to practices with the local Tigers. If Les lines up maybe that will induce Kreller and Ferguson to don the blades again and team up with the Vermilion youngsters. We can always hope!

## THE PEE-WEE HOCKEY TEAMS

Teams in the Pee-Wee hockey league are comprised of the following.

The teams are as follows.

MAPLE LEAFS -W. Robinson, J. French. K. Hough. E Leahy. J. Ferguson. V. Nelson. R. Green. G Hareuther. W. Pockett R. Park. G Gunn. D. French. J Gordey. B. Sobry. J Sinden. R. MacKinnon.

RANGERS- R. Bentley. R. Waldenberger. D Hines. A. MacDonell. G Callaghan. M Kneale C Maggs. D Gunderson. D. Ackerman. L. Ferbey. J English. T Dixon K Mayhew. W Gannon. N Wiwchar. M White

CANADIANS R Stephens G Schmidt R Hemmingway D Kindrachuk M Ross N Harrison B Calvert N Gannon M Marshall R Ackerman R Curtis C Rior A. Forbes. R Pare H Robinson S. Ludwig

RED WINGS L. Coyne E Urquhart, J. Reid W Tough B Risdale. J. Martin. J Marfleet J Farkash. P Link. R Carmichael D. Dixon. B Hawryluk. D Ziegler D. Calvert. W Filgate F Ireland R. Panter

## Newspaper Bingo

Numbers drawn Tuesday O-72 G-59

Numbers previously drawn are B-7, B-9, I-18, I-28, N-44 G-57 O-62 O-68, O-75, N-37 I-19 I-29 I-15 B-10, G-54, O-63, B-4 O-65

Three bingos have now been claimed with four winners as one was a tie. The bingos thus out are Angle B to O, Horizontal through centre; Horizontal one above the centre

The latest prize winner was Bill Coma Bill bought a card and it proved a prize winner right off the bat You can do the same buy more bingo cards the big $350 prize is not too far away

## Lady Curlers In City

A rink of lady curlers from the Vermilion club is taking part in the Edmonton Ladies' spiel this week The four are Mrs. Hilda Cross, Mrs. Lena Williams Mrs Carmen Millar and Mrs Kae Shattuck

# LEGION POLIO CANVASS REPORTS $1,000 COLLECTED

It would appear from reports made by canvassers to date that the donations to the Legion Polio fund will exceed $1000 at the time of going to press.

The campaign was opened by Mayor Heckbert last Monday at the monthly meeting of the Vermilion branch of the Canadian Legion. Mr. Heckbert passed in his personal cheque as the first contribution to the fund

The Vermilion branch followed the Mayor's example by voting $150 and the Ladies Auxiliay to the local branch gave $100

The canvass in town is nearly completed but the cold spell has set back the country collections. Actually the returns to date are nearly all from business firms and the town people. If the quota of $1500 is to be obtained most of the remaining $500 will likely be collected from farmers.

Donations can be left with Thos Watts at the Northern, Vic Tillett at the Co-op butcher shop and with E. H Buckingham.

George Martin, president of the Vermilion Branch urges that Vermilion and district citizens be sure that they hand in a donation to this very worthy cause After all the polio cases in this district during the past two years surely we can exceed our quota.

Mr Martin wishes for everyone to know how the money collected on this canvass will be used. Here is the report of the Provincial Committee under the chairmanship of Dr. Graham Huckell of Edmonton.

1 Transportation of victims to recognized Polio hospitals. This is not provided at present.

2. Aid during the initial or acute stage, which is the first ten to 14 days. This is not provided by any other agency.

3. Aid for any victim who has not resided within the province for a full year. Department of Health regulations do not cover these cases

4. Your funds will buy equipment such as respirators, iron lungs, polio packs, wheelchairs, braces, to augment the needs of our hospitals in time of emergency.

5 Special courses for doctors [illegible]

6. Physiotherapy

7. Aid during rehabilitation period.

8. Research.

9. To aid in any way that will assist in the fight against Polio.

## Cold Wave Persists

The last above zero reading recorded at the Vermilion weather station was on January 13. The mercury slipped below that night and fell a long way down and has stayed in the lower regions both day and night ever since. This is the most severe and prolonged cold snap of the past three winters, although the two wintry seasons preceding this were exceptionally mild ones with no long cold snaps.

The lowest reading of last winter, 1952-53 was 37.9 below on Jan. 14 but it was only a two-day cold wave It has been colder on several occasions than that in the past week with the 47 below of Wednesdya morning Jan 20 setting the low mark for the winter to date

Weather bureaus hold no hope for a break for at least two days. However, the barometer at the Vermilion Beam station which has been abnormally high, began falling shortly after 1 p.m. Thursday, and this can be taken as a good sign

DAILY TEMPERATURES

| Day | High | Low |
|---|---|---|
| Jan 14 | 17 | -23 |
| Jan 15 | -31 | -45 |
| Jan 16 | -19 | -46 |
| Jan 17 | -16 | -38 |
| Jan 18 | 15 | 27 |
| Jan 19 | -23 | -35 |
| Jan 20 | -26 | -47 |
| Jan 21 | -30 | -40 |

LOW TEMPERATURES OF OTHER WINTERS

The lowest temepratures for each year since the Dept. of Transport Radio Beam station was built here are as follow:

| | | | | |
|---|---|---|---|---|
| 1945 | 40 | below | Dec | 21 |
| 1946 | 45 | below | Dec. | 29 |
| 1947 | 53 | below | Feb. | 1 |

## Rusty Grain Beetle A Menace

Scattered reports of the presence of the 'Rusty Grain Beetle' are being received by grain companies. In one or two cases this infestation, also Mite infestation has been found in farmers' granaries. Odd reports of it having been present in annex stocks of grain. All elevator agents have been warned to keep a careful watch on all stocks of grain for the presence of Mites or Rusty Grain Beetle, and farmers should do likewise. Farmers who suspect that they have either of these should bring samples of the grain to the District Agriculturist or their elevator agent to test.

The situation is serious and all farmers should examine the stored grain immediately.

## Farm Electrification Grows Rapidly

Farm electrification had a record breaking year in Alberta in 1953 when a total of 6,126 farms were connected to rural lines, according to Hon. N. A. Willmore, Minister of Industries and Labor.

Approximately 27,700 customers in Alberta now are being served by farm electrification. Of this total, 26,131 are farmers, while the remainder are non-farm customers who are obtaining service from the farm electrification lines.

Mr. Willmore stated that plans have been made to serve an additional 5000 farmers during 1954 and each year thereafter until approximately 67,000 farms are receiving farm electrification. This total is approximately 80 per cent of all farms in the province.

The rural Electrification Revolving Fund Act, approved at the last session of the legislature, has been a major factor in assisting the expansion of farm electrification. During 1953, the Alberta Power Commission issued approvals under this act covering 5,157 farms and for the construction of lines costing an estimated $5,800,000.

"The Power Commission is directing its energies towards pushing farm electrification back into the more remote areas of the province", stated Mr Willmore. "Good progress was made along these lines in 1953 and we hope much more will be done during the coming year."

## Revolvers, Pistols, And Automatic Firearms Must Be Registered

The laws of Canada require that every person, with exception of wholesale and retail dealers, must register all revolvers, pistols and fully automatic firearms in his possession. This does not include the ordinary type of rifle, shot gun or air gun.

It is also required that any person, with the above exception, wishing to purchase a revolver or pistol, or to receive it into his possession by gift, loan, or any other means, must first obtain the necessary authority to do so from his local Police Department before receiving the firearm.

In accordance with amendments to the Criminal Code of Canada, a new type of Firearms Registration Certificate has been in effect since Jan. 1 1952. For the purpose of re-registration on this new type Certificate, registered owners are now required to forward all copies of Certificates in their possession bearing date of issue prior to 1952, to: The Commissioner, Royal Canadian Mounted Police, Ottawa, Ont.

In the event that copies of Certificates have become lost or mislaid it is requested that the registered owner submit the description of the firearms in his possession by letter, quoting the make of firearm, calibre, serial number, number of shots, and barrel length. 29-30

For the last several years Canada's annual increase in population has been about 2%.

## Ladies' and Men's Curling Draws

Monday Jan. 25: 7 p.m.—Stewart-Mitchell; S. C. Heckbert-MacMillan; Benson-Ken Rowe; Long-V. H. S.

9 p.m.—Caron-Bell.

Friday, Jan. 29: 7 p.m.—Corley-Calvert; Cross-Park.

9 p.m.—Long-Pockett.

## HOCKEY CHIT-CHAT

*By RAIL BOID*

Things are beginning to look up in the Tiger Camp now as the locals have trimmed Wainwright twice in the last week. The team is starting to work like a well-balanced machine and should really be rolling before the season ends.

Viking who have spared no effort to ensure the title this year will be the local Tigers toughest opposition to date. The Gas Kings walloped Wainwright's Commandos 11 to 6 in a recent tilt. The Tigers will do well to gain a split in their two-game series against the Gas Kings this week.

Jerry Moffatt looked good in the Tiges latest victory, a 6-4 conquest of Wainwright. His constant backchecking is resulting in some fast breaks for the Tigers. Jerry is best known as as baseball player having playd for Lacombe Rockets last year's provincial champions. We predict a star rating for him as a hockey player as well.

Johnny (the Cat) LaPorte has been a stand-out in the last few games displaying an agile and fearless type of goal-tending. In the Tigers' first win against Wainwright Johnny did everything but score. He kicked out 12 shots in the first period alone and was spectacular throughout the game. His almost impossible saves were the difference in the locals 5-4 victory. The 'Cat' proved once again that a good goalie can be the difference between victory and defeat as the Tigers trimmed the Commandos 6-4 in their own back yard.

Stan Manyluk, former outstanding player and captain of the Tigers has now taken over the coaching reins and is getting excellent results from his young team.

It was a real pleasure to see the "Old Master" out at practise last Sunday a.m., namely Elmer Kreiler. Kreiler's ability as a leader and playmaker would go a long way to strengthen the club and it appears that he may play in the not-too-distant future. Everyone here certainly hopes so.

## Red Cross Notes

A letter was received from Mr. W. C. Paulin, Blood Donor Panel organizer regarding clinics in the city and the following is an extract from same:

"We will be holding clinics pretty well throughout January, February and the first part of March, at Red Cross House, 9981-105 St. 4:30 to 8:30 p.m. and we would welcome any donors who might be in town from Vermilion to support us in this work."

## Paradise Valley United Church Meets

A meeting of the congregation was held in the Paradise Valley United church on Jan. 11. The meeting was opened with a prayer by Rev. Mr. Davidson who also acted as chairman.

Reports wer given of all the different organizations in connection with the church.

Mr. C. E. Conarroe was put in charge of all subscriptions to the United Church Observer.

Mr. G. Venner, Mr. S. Murray, and M. C. Conarroe were the three retiring Stewards, being replaced by Mr. N. Stepanoff, Mr. Frank Mr. P. Pasigaard.

There was a lengthy discussion in regards to the purchasing of a school for a church hall. It was finally decided that the price of purchasing and moving an old school be found out and also an estimate of a new addition to the present church for Sunday school purposes.

At the close of the meeting a lunch was served by the ladies.

More than 400,000 Canadians are employed by Government and state-owned enterprises.

## Mannville Local Items

Mr. and Mrs. Comrie of Edmonton were visitors last week at the home of Mr. and Mrs. Ray Hay. Mr. and Mrs. Hay celebrated their 40th wedding anniversary Thursday Jan. 14.

Mrs. Jack Cosford and Mrs. A. Hubbard are curling in the Edmonton Ladies' bonspiel this week.

Constable Allen apprehended an out of town truck as it crashed into the right of way sign on the north end of Main street on Thursday night. The driver was charged damages.

Three local rinks skipped by Les Kreller, Jack Park and Elmer McFadden took part in the Sportsmen spiel at Vermilion but did not bring home the bacon.

There were 12 young people present at McLuckie's home on Friday night. The occasion was Howard McLuckie's 21st birthday.

Mrs. Cosford Sr. of Edmonton is visiting with her son Mr. Jack Cosford and her grandchildren while Mrs. Cosford is curling in Edmonton.

On Thursday last rinks from Buffalo Coulee and Vermilion were visitors of the Mannville lady curlers at the local rink. Lunch was served after the games.

Don't forget the L.O.L. bingo in the Orange hall, Mannville, Wednesday, Jan. 27.

Mrs. Nicoll Sr. and Mr. and Mrs. Len Manz attended the wedding of Miss Fay Nicoll in Edmonton Monday.

In the recent Alberta Highland Dancing competition, Carole Elston, daughter of Mrs. Hilda Elston of Edmonton, won a gold medal, coming first. Although only ten years of age, she competed against those 16 years and under in the Novice Fling. She has also participated in numerous programs in the city. Mrs. Elston is a former Mannville resident.

## "WELL, You Know 1954 Might Be Known Sometime as 'The Year of Beautiful Cars'!"

We've stolen a few glimpses of the New Chevvies, Fords, Plymouths, etc. They're mighty fine cars even if we hate to admit it.

And we presume you too might have been around looking at these beautiful Cars. So now that you've seen them we invite you in to see .... THE CHAMP.

You know a guy the other day did just that. He came in, looked over our Champ, then he said:

"This car's not near as heavy as some of the other cars in the same price range."

We told him, "You know, almost any alarm clock will outweigh a 21-jewel wrist watch but it's usually a bit cheaper."

Anyway, come up and See Us Sometime!

*BY ORDER OF VERMILION MUNICIPAL HOSPITAL BOARD*

I. MOFFATT, Secretary-Treasurer
Phone 102, Vermilion. 27-30

## News of The District

## Three Meetings Held in Woodvale

The 13th of January saw three meetings held in the Woodvale district. One was in the Woodvale Community hall by the Community Association. New officers were elected. Arnot Brown is once again the president and Camille Goutier the new secretary-treasurer.

RURAL ELECTRIFICATION

In Watson school farmers of the Hindville and Tolland districts met and decided to go ahead with the hydro-electric projects. Contracts will be signed before February to make it possible to have the power turned on in these parts in 1954.

RED CROSS W. A.

The ladies of the Red Cross Auxiliary met at the home of Mrs. R. McQuid for their first quilting bee of the year. With only seven ladies present it was a busy afternon, made bright with all the Xmas stories. A couple of husbands took pity on the ladies and helped put in the last few squares on the quilt, after that the delicious lunch was most thoroughly enjoyed. The next meeting will be at the home of Mrs. Gladys Wolters on Feb. 3.

NEWLYWEDS

Congratulations to Mr. and Mrs. Johnny Ruud (nee Peggy Martin) of the Triangle district on their recent marriage. At least six cars full of people on this side of the coulee attended the wedding dance and had quite a time climbing the steep slippery coulee hill on the way home.

Herman Wolters returned home from his eight weeks trip to the U.S. just in time to enjoy our very cold January weather; also the total eclipse of the moon which was observed by many, though at the time of the total eclipse it grew a bit hazy.

WIN PRIZE AT SPIEL

The curling foursome of Art Lysons, Clarence Lewis, Bill McGrath and Kare Selte are very proudly displaying nice shirts won as their third prize at the Farmers' bonspiel. Good work for the first bonspiel of the season.

The dance scheduled for the school was cancelled as it was too cold for the music to come. It was too cold almost for anyone to be on the road that night. Cars don't like to start when it is that cold either.

HINDVILLE FORM ASSOCIATION

The Hindville Community association has been formed with Cliff Crocker as president and Mrs. M. Watson as secretary-treasurer. This association will buy the Watson school for a community centre.

When school opened again in January Mrs. R. McQuid took Mrs. Roberts' place for a week as the latter was called to Vancouver due to the serious illness of her father Mr. Ed Wilson, formerly of Vermilion.

Mrs. Charles Young has gone to visit her husband at the Col. Mewburn hospital in Edmonton. All their many friends hope that there will soon be a marked improvement in Mr Young's condition.

Almost every family has a member ill with the flu. Mrs. T. Preston and Mr. C. Nelson were hospital patients with flu earlier this month.

Brooks and Peggy Lysons and the boys have moved into the Potter house for the winter as it will be easier to operate the school bus from a place on the gravelled road. Adam Dusseck is helping the Lysons boys haul hay.

## Funeral Services Held For Mrs. Lily Firth

Funeral services for the late Mrs. Lily Firth, widow of the late Mr. Fred Firth were held at the St. Saviour's Anglican church, Vermilion on January 12 at 2:30 o'clock in the afternoon. Interment followed in the Vermilion cemetery. Rev. D. A. Ford officiated.

The very large attendance showed the affectionate esteem in which the deceased was held. Attending in a body were the Ladies Auxiliary to the Canadian Legion, and the Ladies of the Royal Purple.

The favorite hymns of the late Mrs. Firth were sung, "Lead Kindly Light" and "Rock of Ages". The pall bearers were Messrs. George Berry, Cecil King, Ed Corley, Roy Jory, Lance Playne and Basil Hawley.

Mrs. Firth was born at Rusholme Manchester, England in the year 1867 so had reached the age of 86 years when she passed away on January 9th. She was the daughter of William and Emma Nicholson and in her early years was a saleslady for Wm. Batty & Sons Ltd., one of the largest jewelry firms in Manchester. One incident in her career as a saleslady was that of selling expensive jewelry to "Buffalo Bill" Cody during one of his tours in England.

Mrs. Firth came to Canada in 1904 and resided at Keyes, Manitoba. She came to Alberta in 1907 and to the Vermilion district in 1909.

Until her later years she was an ardent worker in the W.A. to Canadian Legion, St. Saviour's W.A. the Women's Institute, and during the first world war, the Red Cross.

During the days of the great depression she helped organize the Sunshine Society in Vermilion and could always be found mending clothes and packing parcels for needy people.

She was a Charter member of the Royal Purple and was presented with a Life membership from the Ladies Auxiliary to the Canadian Legion.

Mrs. Firth was predeceased by her husband the late Mr. Fred Firth in 1949. Left to mourn her passing are one daughter Mrs. William Pettigrew and four grand children Kenneth and Marie Miller and twins Donald and Gerald Miller.

Beautiful floral tributes were received from:

Loving Family; Loving Grandson Ken; Stan, Dolly and family; Ladies Auxiliary to the Canadian Legion; Order of the Royal Purple; Vermilion Women's Institute, B.P.O.E.; Happy Hour Group; Dr and Mrs. Ben King; Myrtle, Len and Larry Kehoe; Mr. and Mrs. Ray Norton, Mrs. H. N. Stephens and Margaret; Mr. and Mrs. G. F. Stephens; The Hawley Family; Mr and Mrs. Cliff Hollen and family, Magnus Gertrude and Alice Simonsen, Mr and Mrs. W. B. Miller, Ruth and Harold; Mr and Mrs E. Schurman and family, Art Lysons and family, Beryl, George, Berna and Alice; Bob and Bell Carmichael; Faye Gordon and family; Mr and Mrs [illegible] and family, Jim and Clara Cameron, Eva and Johnny Gorley, Mr and Mrs [illegible] and Albert, Arnold and Annie, Vaughan Wilda, Herb, Muriel Norman, Edna and Teddy; Mr. and Mrs. Irvin Gordon, Mrs. Lysons Sr and family.

Donations to Cemetery Fund:

Mr. and Mrs. S. C. Heckbert, Beth and Frank; Leona and Bill, Mrs. T. Kehoe; Mrs. A. Cameron and Alma; George and Ina Webb; Mr. and Mrs. B. Klashinsky; Mr. and Mrs. L. Mayhew and family; Mr. and Mrs. W. McLennan and Margaret; Mr. and Mrs. A. Williams.

Donations to Polio Fund:

Mr. and Mrs. George Berry, Harold and Chris; Norma and Les; Mr. and Mrs. Vic Tillett; Noonan Family; Women's Auxiliary to the Canadian Legion.

Donations to Cancer Fund:

Mr. A. E. Shortell, Carl, Nora and family; Roy, Leila, Jim and Irene; Keith, Jean and boys; Mr. and Mrs. Evans and Elenor; Mrs. J. Powell and family; Mr. and Mrs. Tom Davies and Louise.

Crippled Children's Fund:

Mr. and Mrs. Ben Aichin; Mr. and Mrs. A. Manyluk, Stan and Gene; Mr. and Mrs. Don Taylor.

Anglican Church Building Fund:

Mr. and Mrs. C. M. King and family; Mr. Playne.

## Memorial For The Late W. J. Elliott

W. J. ELLIOTT

As a mark of esteem and in tribute to the memory of a devoted church worker the Session of St. Paul's United church in concert with his family has authorized a Memorial Organ fund in the name of the late Mr. W. J. Elliott formerly of 11602 71 Ave. who up until his passing on Dec. 10 had been the senior member of the Session of that church.

Throughout his long and busy lifetime the late Mr. Elliott had always been actively identified with church and Sunday school work. During his residence in Edmonton he contributed to the founding of Erskine and Garneau congregations of the United church. In his retirement years when he took up his last residence on the South Side he turned his efforts to the founding of St. Paul's United church. Much of the pioneering which eventually resulted in the establishment of the present congregation and church was due to his unflagging energy and example.

The announcement of his passing which touches a wide circle of friends in Western Canada has evoked a wave of sympathy for his family and has also created a spontaneous demand from many quarters for a fitting tribute to his memory.

Those desiring to be associated with the Memorial fund may contact the church treasurer Mr. Harold Chisholm 11000 78 Ave. All contributions will be acknowledged.

**By Your District Agriculturist**

# "GREEN ACRES"

SWINE QUALITY SLIPPING

The department officials told the District Agriculturists last week at our conference in Edmonton that grades of market hogs were slipping in Alberta. They also told the D.A.'s that we would have to do something about it. The British market for good Canadian bacon has disappeared for the time being but United States is asking for it. They have enough fat pigs down there. What they want is Wiltshire bacon.

QUALITY IN THIS DISTRICT

Records show that there is a higher percentage of Grade A hogs here than any place in Alberta. I checked over the market hogs at the Vermilion yards on Friday and found good bacon type pigs being unloaded by farmers. There was only one flop-eared pig in the yards.

REASON FOR POOR TYPE

Ten years ago there were a lot of short-thick hogs in this area but they are nearly all gone. Some misguided pig raisers still harbor boars of poor bacon breeds. These poor breeds are Durocs, Berkshires, Minnesota No. 1, Hereford and any breed with flop ears. If you want to know the reason call in at my office and we can talk it over.

PRICE OF EGGS

It used to be that eggs were high priced in January and low priced in August. It is just the other way round now. If egg producers wish to get the high prices for July, August, September and October then you must get the baby chicks by March 1 or better still get month old chicks. It may mean $150 more profit from the pullets if you get them started to lay early.

ERODED SOIL

A district farmer was in my office last week about a 60 acre field which was badly wind blown several years ago. This field is only yielding half what it ought to. No, we can't put that rich top soil back. We can use manure, fertilizer, practice trash cover, seed down to grass. They all help in increasing the yield but nothing can take the place of the soil that blew away.

C.T. 186 SELKIRK WHEAT

Seed of this new rust resistant variety is being distributed for trial under farm conditions. It is not recommended for this area. Thatcher is still our best variety. Seed of Selkirk wheat is available only to areas in Manitoba and Saskatchewan where it is needed for rust control.

G. H. Berlinghoff, D.A.

## Big C.N.R. Bond Issue Oversubscribed in 15 Minutes

MONTREAL.- It took the investing public just 15 minutes to buy up $200,000,000, 20-year, 3¾% Canadian National Railways bonds recently. The books opened at 9 a.m. and were closed 15 minutes later when the new C.N.R. bond issue had been heavily oversubscribed.

Donald Gordon, chairman and president, C.N.R. expressed gratification with the prompt response of the investing public to the new issue and said that it reflected confidence in the capital development program of the Canadian National System.

The proceeds of the issue will be used to redeem $50,000,000 of maturing 5% bonds issued in 1924 and to repay interest bearing capital advances from the Government of Canada.

## Letters to the Editor

Vermilion, Alberta.

Messrs. Cooper Bros.,
The Vermilion Standard.
Dear Sirs:

On behalf of the W.M.S. of the United church we wish to extend to your our very grateful thanks for your kindness in granting us such generous use of space in the Standard for our monthly reports. It is very gratifying to see the write-ups of our meetings and it is stimulating to our members. With many thanks again.

W.M.S. of United Church.

Send no Money — your name on postcard will do. Northwest Mfg. Co., 125B Main, Mitchell, S. Dak.

The first Canadian postage stamps were issued in 1851.

## Tips on Touring

By Carol Lane
Women's Travel Authority

Changing a tire alone is no fun but it doesn't have to be a messy, frustrating, horrible experience either. There's a trick to everything including flat tires.

At the first hint of trouble slow down and pull to the side of the road. Never risk ruining a tire by driving a few seconds more while deciding if you actually do have trouble.

If there is traffic on the road, your chances of aid will be considerably increased by relying on that old feminine trick of looking helpless. A friend of mine, wise in the ways of the road, pulls out the spare and stands it against a fender. With tire trouble so evident, it is hard for a passing male to rationalize that she has "probably stopped merely to enjoy the scenery."

But — even if passing cars are few and no one stops all is not lost. Carry an old shower curtain which you can spread on the ground to protect your clothes. Roll the spare wheel to a position directly before or behind the flat tire, and lay it on the ground. Then run the flat up over the inflated tire of the spare wheel and set the brake.

The extra height gained by driving up on the spare makes it easy to place the jack under the axle or bumper.

A few turns of the jack handle and the wheel is high enough to change. Remove the wheel lugs, then the wheel, replace with the spare — and it's all over.

As soon as you get any bingo, up and down, across or from corner to corner phone or notify Simmons's Furniture store.

## Elected Officers In Busy Vermilion Agricultural Society

The Vermilion Agricultural Society held its annual meeting recently and pictured are some of the officers elected. Left to right, back row, Jack Brydon, third vice-president; O. A. Strome, second vice-president; S. C. Hodgson, secretary-manager; front row, left to right, W. L. Robinson, immediate past president; W. E. Duncan, chairman of executive; E. M. Stewart, first vice-president. William ..., on holiday in New Zealand, was elected president but did not attend the meeting.

—THE NEW PLANT of the Vermilion Seed Cleaners Association which was opened in Vermilion on Wednesday. Opening ceremonies included setting the machinery of the plant in motion by the Hon. L. C. Halmrast, Minister of Agriculture, and later in the day by a banquet attended by 155 in the Anglican parish hall, held under auspices of the Vermilion Board of Trade. The complete story of the opening will appear next issue.

## Try To Understand 'Difficult' Oldsters

The moods and tantrums of very old people are really not 'difficult' to live with if one makes an effort to understand their causes. This was the subject of a recent article by John E. Eichenlaub, M.D., in "Today's Health", an official publication of the American Medical Association.

"A person is as old as his arteries," Eichenlaub said. He pointed out that the signs of real old age begin to show as the arteries that supply different parts of the brain begin to wear out. Increased "crotchetiness" is the result of this deterioration, but one who understands old people will not be disturbed by occasional outbursts of crotchetiness. They go as quickly as they come, and they are forgotten.

The first personality change, according to Eichenlaub, is loss of recent memory. Old people who can remember scenes from their childhood with sharp clarity can have difficulty remembering that their grandchildren visited them a few hours ago. This is humiliating at first, and Eichenlaub said many oldsters will cover up such memory losses by accusing their grandchildren of neglecting them.

Eichenlaub's advice to younger members of the family is to take it with a smile and a friendly word. These little storms are forgotten. His advice to oldsters is to live on a schedule, pay cash on the line or pay bills at regular intervals, and keep a memo pad handy to avoid the petty embarassments caused by inability to remember.

Another change caused by arterial deterioration is intensification of immediate and simple emotions. Slight peeves become towering rages. The 'lump in the throat' of youth becomes a deluge of tears. But according to Eichenlaub this change can be welcomed by other understanding members of the family when it is realized that 'even an old timeworn joke or a momentary reminder of some pleasant memory will pull an oldster out of the blues."

Pontiac takes its place beside the biggest, most impressive cars on the road with the introduction of the 1954 Star Chief, pictured above. With a 124-inch wheelbase and an over-all length of 213.7 inches, the Star Chief is eleven inches longer than the longest of Pontiac's other 1954 models. The Star Chief, Chieftain Deluxe, Chieftain Special, Laurentian, Pathfinder Deluxe and Pathfinder provide a choice of 31 different models, all immediately identifiable as Pontiacs by their new, beautiful and distinctive Silver Streak styling. The 1954 Pontiac, more brilliant than ever in appearance, offers greater value in terms of power, economy, and all-round performance.

## ALLANDALE NEWS

The New Year brought us colder weather, about the same time as last year. It was around 50 below in the district on Jan. 15. The coldest last year was 40 below on Jan. 14.

Mrs. Hilda Wilson and Mrs. Jessie Strome spent a day in the city on Jan. 5th.

First Aid was well attended despite the cold evening at Campbell Lake on Wednesday, Jan. 6. The time was changed to Monday the next week and was held at Allandale with a good attendance. Jan. 18 meeting at Campbell Lake was cancelled on account of the cold, to be held at Allandale on the 25th.

We were very grateful to Wm. Axley Jr. of Islay for opening the roads of the district on Jan. 6.

Congratulations to Mr. and Mrs. James Walsh (nee Della Omness) of Ft. McMurray, Waterways on the birth of a daughter, Laura Margaret on Jan. 7, 7 lbs. 9 oz. Born in the Vermilion hospital.

Jimmy Walsh joined his wife and family on Jan. 7.

The third euchre party was at the Wm. Cross home on Jan. 7th. Those present reported a very fine evening.

Mr. and Mrs. Paul Whelan (nee Orlene Omness) of Calgary arrived in Vermilion on Jan. 9th and visited at the latter's home. They reported a grand holiday at Paul's home in Quebec. Television was very interesting. They returned to Calgary on Jan. 15.

It was a lovely day for our W.A. meeting on the afternoon of Jan. 13th held at the McPhee home. There were about 60 present, ladies, children and men. It was grand to see so many familiar faces from Clandonald W.A. and the Princess Anne W.I. from Campbell Lake and visiting ladies.

Miss Shirley Holms, our district home economist, a very efficient speaker spoke on "Color in the Home". A good topic for this time, with grand ideas for spring redecorating, new and different ways for dressing the windows, floors etc. While lunch was being prepared the ladies were busy at a guessing contest which Mrs. J. Forsyth of Clandonald won.

Mrs Jessie Strome is a substitute teacher at Allandale for Mrs. Bobroski.

The total eclipse of the moon was very visible last Monday night, at 7 p.m. the moon was completely covered.

Closing thought: Cheerful giving means helpful giving, give and it shall be given unto you.

## "John Deere Day" Tuesday, Jan. 26th

Good news for farmers! The annual John Deere day will be held on Tuesday, Jan. 26 and all farmers and their wives are invited. The program includes two complete shows, the first commencing at 1 p.m. at the Columbia theatre. Then there is lunch served at the John Deere showrooms.

Messrs. Hines and Delaney, your John Deere agents, extend a cordial invitation to attend. 28-9c

## Paradise Valley W.A. News

Mrs. J. W. Guy and Mrs. Floyd Henry entertained the P.V.W.A. in the church basement Friday, Jan. 8. The attendance was very good and the ladies spent a pleasant evening. Copies of the Constitution were ordered and the ladies decided to purchase one half dozen copies of the Hymnary with music for the choir. Plans were made to send a shipment of used clothing for overseas later in the month. Then ext meeting of the W.A. will be held at the home of Mrs. E. Knox.

ANNUAL MEETING

Mrs. Fred Strett and Mrs T. Anderson entertained at the annual meeting which was held in December. The following officers were elected at the meeting: President Mrs. Clarence Conarroe; Vice-Pres. Mrs. Paul Paulgaard; Secretary Mrs. W. D. Block; Treasurer Mrs L. A. Matheson; Press Sec. Mrs. G. M. Venner; Devotional Convener Mrs W. A. Nickle; Youth Convener Mrs N. Stepenoff; Work Committee Mrs L. Knutson, Mrs R. Hallett and Mrs. George Guy; Manse Committee Mrs W. Stoddart, Mrs. T. Anderson and Mrs. Fred Strett; Christian Citizen Committee, Mrs. N. Stepenoff and Mrs Fred Beckett; Cupboard Committee, Mrs W. A. Gunn and Mrs. L. Block; Gift Committee Mrs. Floyd Henry, Mrs J. W. Guy and Mrs. Harold Fair.

The past year has been very successful for the W.A. Twelve new members joined the organization making a total membership of 29. The proceeds from the Kitscoty tour which the group sponsored in March were given to the local church board to pay for fuel used in the church during the winter. Funds for the organization were raised by membership fees, tea collections, Hobo teas, a strawberry tea in June and the chicken supper and sale of work in November.

## Appoint Supervisor Public Libraries

Hon. A. J. Hooke, Minister of Economic Affairs, announced this week the appointment of Harry E. Newsom as Supervisor of Public Libraries for the province.

Mr Newsom, a graduate of the University of Alberta, taught for some years in the Stavely area, and was responsible for some of the public library organization which tok place in that area. He hten joined the staff of the Calgary public library and is now attending the University of Washington in Seattle where he is working for his Master's Degree in Librarianship. The new supervisor of public libraries served overseas with the R.C.A. Medical Corps during the Second World War.

Mr Newsome will take over his duties as supervisor in Alberta on Sept. 1 this year.

### Widmere Winks

We start with this item we unintentionally omitted last week. Our deepest and heartfelt sympathy goes out to Lewis Alexander of Battleview and to his sister and brothers on the death of a dear sister Mrs Woodward of Wainwright; also to her husband and family on the loss of a loving wife and mother.

It really set in to be real old time winter weather last week and so far this week it is still cold. Much better to be cold now than have it when it should be getting warmer later on.

Wasn't the eclipse of the moon plain on Monday evening. It was indeed a total eclipse as for awhile not even the moon's outline could be seen. The next eclipse of the moon will not be until 1956.

Don't forget the annual telephone meeting next Wednesday.

## Local News of Interest

Rev. and Mrs. Frank Chapman who have been visiting at the home of Mr. and Mrs. David E. Brown, left Tuesday morning of this week for Camrose to attend a conference. They took with them Albert Mix to hospital in Edmonton to receive treatment for polio. Rev. and Mrs. Chapman returned to Canada last fall after spending seven years as missionaries in Africa. They visited here at that time and then went to the coast where they saw numerous relatives and friends from Vermilion and district.

Mr. and Mrs. Harry Vanden Dolder of Vermilion have gone to Summerland, B.C. to attend the wedding of their grandson, son of Mr. and Mrs. George Vanden Dolder. They will also visit their daughter in Vancouver and will return in some two weeks time.

Sympathy is extended to S. C. Acheson who was called to the family home at Brandon, Man., last week end by the death of his father. Mr. Acheson Sr. visited Vermilion on several occasions and was here for a week only last summer.

Harry Shelton, accountant at the Treasury Branch for the past three months has been transferred to Edmonton. Just getting nicely acquainted and being away to a good start in the curling season Harry wasn't overjoyed with the transfer to the city.

Mrs. Charlie Mix accompanied her son Albert to Edmonton with Rev. and Mrs. Chapman on Tuesday. The latter were on their way to a conference at Camrose.

Mr. and Mrs. Bill Coms have moved back to Vermilion following the disastrous fire at Elk Point. The garage in which Bill worked was completely destroyed by fire and along with it his tools and equipment valued at $1400. This was only half covered by insurance. Bill is now working at Webb's garage.

GRADUATES NURSES TO MEET

The regular meeting of the Graduate Nurses Assoc. will be held on Monday, Jan. 25 at 8 p.m. at the home of Mrs. Stan Waldenberger.

HOME NURSING COURSES

Home Nursing courses will soon be started. Contact Miss Sophie Pawliuk at 302, or 271 after 5 p.m. if interested in taking the course.

OFF TO LOS ANGELES

Roy Walker went to Edmonton Thursday morning and leaves from that city for Los Angeles travelling TCA. He plans to spend some two months in the sunny southern clime visiting his brother. Arrangements for the trip were made by the local TCA agent, Reg Mitchell.

E. M. Stewart, vice-president of the Vermilion Agricultural Society, and Secretary-Manager S. C. Heckbert, went to Winnipeg on Sunday to attend the annual convention of the Western Canada Fairs Assoc.

Mr. and Mrs. C. H. Sampson and Wayne have left for a six weeks trip by car to California and the southern United States. —Lloyd. Times.

Clarke Wilson recently returned from Vancouver where he visited son Gordon and wife. Clarke says he was at the coast for 22 days and the sun only shone for three out of the entire 22 days.

Following participation in the ladies bonspiel in Edmonton Mrs. Clarence Millar will go out to Kelowna, B.C. to visit her mother Mrs. Gilbert Groselle for a month.

A duck shot by Jack Barr on the farm just west of Vermilion last fall, had been banded only that spring in the Grizzly Bear Coulee, according to information received from the Washington Fish and Game.

### Bonspieling

The season of bonspiels is very definitely on with with Darrel Currah, Lloyd Magnus, Roger Rowe and Mac Simonsen forming one Vermilion quartet at the Viking Deep-Freeze spiel, while Aldous Kent, Gordon Park, Rand Calvert and Jack Park of Mannville form another rink. Rinks skipped by George Webb and Charlie Heckbert are trying for the silverware at Dewberry where 39 rinks are in the battle for the prizes.

Herb Hemmingway was a member of the C.N.R. rink from along this line which took part in the annual Alberta district bonspiel sponsored by the Canadian National Recreation Association. The rink he was with was comprised of Gordon McLellan of Edmonton skip, Ollie Myhre of Innisfree, Herb and Peter Hatlen of Vegreville and formerly of Islay, and they won first prize in the second competition a really lovely wool blanket. An extra good time is reported with a big banquet to top things off.

The following were omitted from the obituary of the late James H. Kennedy:

Memorial donations to the Canadian Cancer Society: Harold and Amy, Rose and family, Dave and Dorothy, Mr and Mrs Bryan Fraser, Bill, Chris, Paddy and Grace Todd, Mr and Mrs Gilbert Harrison, Mrs. Cleland and the boys; Mr and Mrs Martin Haverslew, Ruth and Henning, Mrs Henry Eyben, Henry and Joey Eyben, Mr and Mrs F. H. Eyben.

To the Mount Auburn Cemetery Fund: Alf and Agnes Greer, Mr and Mrs L. R. L. Brown, The Macnab Families, Lloyd and Ruth Everett, Bill and Laura McLaughlin; Mr and Mrs. Ted Marfleet and family.

The name of Mr James C. Wallington was omitted from the list of pall-bearers.

*APPRECIATION*

The members of the post office staff wish to express their appreciation for the many gifts received at Christmas time and to say "thank you" to those sending them.

*IN MEMORIAM*

In memory of *Louise Mary Genton* —who passed away Jan 25, 1952.

"Until the shadows lengthen and the evening comes, the busy world is hushed, the fever of life over and our work is done. Then in Thy mercy grant us a safe lodging and a holy rest and peace at the last."

Always remembered and loved by The Family.

IN MEMORIAM

In memory of a beloved brother *James W. Gould* who passed away Jan. 17, 1953.

"Not dead to us who loved him
Not lost but gone before;
He lives with us in memory
And will forever more."

Ever remembered by loving sister Nellie and friend George

The following letter has been received by the Frog Lake Chapter I.O.D.E. from Canadian National Institute for the Blind:

Edmonton Jan. 8, 1954.

Mrs. J. C. Dougan
C.N.I.B. Campaign Convener
Frog Lake Chapter I.O.D.E.
Vermilion, Alberta
Dear Mrs. Dougan:

At the December meeting of the Northern Alberta Board of the C.N.I.B. it was duly moved and seconded that a special expression of appreciation be sent to you and your Chapter for outstanding success achieved in your 1953 campaign on behalf of our work. Our Board is deeply grateful for the keen interest and active suport which the Frog Lake Chapter of the I.O.D.E. has given to our work for the past several years and it particularly appreciates the splendid results achieved in your most recent effort on our behalf. It gives me great pleasure to pass on to you this unanimous expression of appreciation. Please convey same to your Chapter as a whole.

With very best wishes for the New Year I remain

Yours sincerely
W. E. Milton,
Executive Officer

*IN MEMORIAM*

In loving memory of our dear son and brother *Sgt. Ross Harvey Stanley* —who was reported "Missing" over Germany in the R.C.A.F. Jan. 21-22, 1944.

How can we cease to pray for thee, somewhere
In God's great universe thou art today.
Can He not reach thee with His tender care?
Can He not hear us when for thee we pray?
Somewhere thou lives and hast need of Him;
Somewhere thy soul sees higher heights to climb;
And somewhere still there may be valleys dim
That thou must pass to reach the hills sublime.
Then all the more, e'en if thou cannot hear,
Poor human words of blessing, will we pray.
O true brave heart! God bless thee wheresoe'er
In God's great universe thou art today!

—Ever remembered by his Family.

IN MEMORIAM

In loving memory of *Mrs. Louise Mary Genton* who passed away Jan. 25, 1952.

"And while she lies in peaceful sleep
Her memory we shall always keep."

—Art. Bette and family.

*IN MEMORIAM*

In loving memory of *Valerie Spencer* who passed away Jan. 13, 1952.

"And while she lies in peaceful sleep
Her memory we shall always keep."

Reg and Raymond.

## Wedding Bells

*RUUD--MARTIN*

A pretty wedding took place on January 13th, Tuesday afternoon at 3:00 o'clock at the First United church when Miss Margaret Jean Martin exchanged marriage vows with Mr. John Clifford Ruud.

Rev. C. W. MacKay read the marriage lines for the only daughter of Mrs. Alice Martin and the late Mr. H. W. Martin, of Vermilion, and the son of Mrs. Margaret Ruud of Triangle. The church altar was decorated with two baskets of mums. Mr. Robert Martin gave his sister in marriage.

The bride was pretty in a forest green suit with pink [illegible]. Her corsage was of open rose buds of pink and lily of the valley. A Gold necklace and earrings, gift of the groom, was her only jewelry.

The bride was attended by Miss Hazel Clarke who chose a wine suit with blue accessories and a corsage of blue mums and lily of the valley.

The groom was attended by his brother Mr. Arnold Ruud. The guests were ushered to their seats by Jeff Martin and Fred Martin, brothers of the bride. The wedding music was played by Mrs. A. M. West.

For her daughter's wedding Mrs. Martin chose a light grey suit with navy blue accessories, her corsage was yellow tea roses and lily of the valley. Mrs. Ruud chose a grey gabardine dress with a navy hat, her corsage was of pink roses.

The reception was held later at the Rio Cafe where 26 guests attended. Two tables were decorated with baskets of mums. The bridal table was prettily decorated with a three-tiered [illegible]g cake. The toast to the bride was given by Robert Martin, the groom making a fitting reply.

Following the reception there was a wedding dance held at Triangle school at which many friends attended.

The happy couple will make their home in the Triangle district.

## Silver Anniversary Is Marked By Enjoyable Party

The silver wedding anniversary of Mr. and Mrs. Wm. Fooks was marked by a very enjoyable party on Friday evening Jan. 8 in the Anglican Parish hall. Fifty-five friends of the esteemed couple were present and square dancing was enjoyed, followed by a very sumptuous lunch. During the lunch hour Rev. D. A. Ford on behalf of all in attendance presented the bride and groom of twenty-five years, a beautiful chest of silver service, "Eternally Yours". Other gifts presented were an automatic toaster from son and daughter-in-law Jim and Gran and a mantel radio from son and daughter Keith and Lynn.

Bill and Gladys as they are so well known, were married on Jan. 8, 1929, at the farm home of the bride's grandmother north-west of Vermilion. The Rev. H. A. Boyd was the officiating minister. They lived at Acme, Alberta for 14 years and then moved to Vermilion where they take a very active part in church and community work.

## Heatherbell W. A. Report on Year's Work

The Heatherbell W.A. group reports an active year in 1953 with the following work accomplished. The group made 25 nighties, 8 shirts, 8 rompers, 2 pairs bootees, as well as sewing for the local hospital.

A total of $43.50 was donated to charitable institutions, and a parcel of clothing was sent to Korea in Japan.

A sale of home cooking was held in July and netted $37.15. Members also donated to the local bazaar held in June.

Officers for the ensuing year are: President Mrs. Mavis Haverslew; Vice-Pres. Mrs. E. Cunningham; Secretary Mrs. Vera Brook.

## W.M.S. Meets

The W.M.S. of the United church held the first meeting of the year on Thursday Jan. 14 at 3 p.m. in the auditorium of the church. It was opened with prayer by the president Mrs. W. L. Robinson who was in the chair. Mrs. C. Barr was in charge of devotional and began with the hymn "Standing at the Portals of an Opening Year". Mrs. Rooks read the scripture.

Roll call revealed that there were 19 members present. Secretary read the minutes for the last meeting and then gave the report for the whole year. Additional reports were given by each committee.

The Rev. C. W. MacKay then installed the incoming officers for the ensuing year in a very impressive ceremony which made one feel the great responsibility assumed on taking office in the W.M.S.

Quite lengthy business and additional reports were given following installation. The meeting closed with prayer by the president.

The committee in charge then served a welcome lunch and a social hour was enjoyed before dispersing.

## Wedding Bells

*CARLSON--ODELL*

A bride of December 19 was Miss Dorothy Mae Odell, daughter of Mr. and Mrs. Olin R. Odell whose wedding to Mr. Albert Andrew Carlson took place at the University Park Methodist church in Portland Oregon. The groom is the son of Mrs. Maury Winge and the late Mr. Andrew Carlson. The Rev. W. Sherman Burgoyne officiated.

Following the ceremony a reception was held at the church. Their wedding trip took them along the Oregon coast. They have now returned to Portland where Mr. Carlson is a student at the University of Portland.

Since 1945 the cost of family allowance payments has risen from $17 million a month to $29 million.

## He Helps Us Live Longer

The neighborhood pharmacist helps us to live longer. He is a vital link in the chain of developments that has lengthened the life expectancy by more than sixteen years the past half century.

He is the responsible [illegible] of the modern drugs, medicines, and antiseptics that do so much to relieve pain, shorten illness and prolong life. He keeps himself fully informed of each new discovery, eg. it is said that 80% of the drug sales today are of products that did not exist 10 years ago and that 90% of doctors' prescriptions could not have been filled 15 years ago. Your pharmacist knows these drugs and carefully dispenses them at reasonable cost.

*CARD OF THANKS*

We wish to sincerely thank the doctors and nurses of the Vermilion Municipal hospital for kindly care and attention given to our mother during her illness, and to the many friends for the cards and gifts sent to her at the hospital and to the family at home.

Dorothy and Bill Pettigrew and family

## Local Ladies Defend Curling Trophy

Two rinks of local lady curlers defended the Bank of Commerce trophy against challengers from Mannville on Sunday last. The contest was a thrilling one as at the end of the regular ten ends with total score to count both games were tied up.

An extra end was played in each game and in the Pockett vs. Scoggins game two rocks were right on the button so close that there was no way to tell which was the counter. However Skip Muriel Long scored two on Mrs. Mercer and this cinched the trophy.

Personnel of the rinks were:

Mannville skip Mrs. Mercer, Mrs. McLarkie, Mrs. Gerhart and Mrs. Majeau lost to Skip Mrs. Muriel Long, Mrs. Doris Greenwood, Elaine Doherty and Yvonne Cooper.

Mannville, Skip Mrs. Scoggins, Mrs. Hanisoff, Mrs. Proudfoot, Mrs. Reich tied Skip Mrs. Mona Pockett, Mrs. Elsie Sinden, Mrs. Bell Carmichael, Mrs. Clayton Davis.

The trophy was presented last winter by the Mannville branch of the Canadian Bank of Commerce for inter-town competition among ladies curling clubs in this corner of Alberta.

## Not Quite Perfect, But Counted 28 Points

Not quite a perfect crib hand, but still 28 good points, was counted by Norman Welsh when playing crib with Alex Palin one evening last week. Norman held the fives of clubs, hearts and diamonds and the Jack of Hearts while the five of spades turned up. The Jack of Spades which would have made the perfect crib hand was held by Mr. Palin.

The campaign against tuberculosis has reached the stage where it is beginning to pay dividends. The death rate from this disease has dropped 80% in the last 30 years. Much of the money used to combat TB is raised through the sale of Christmas seals. Have you sent your contribution?

LIBRARY TO CLOSE AT 6 P.M.

The Vermilion Library will close at 6 p.m. Saturdays for the next three months.

## F.U.A. To Hold Series of Meetings

The midwinter meeting of the F.U.A. board was held in Edmonton Jan. 7 to 9. This was preceded by a two-day short course for Board members, put on by the Dept. of Extension, University of Alberta.

At the Board meeting it was decided to sponsor a series of mass meetings in various parts of the province to discuss the need for Producer Marketing legislation in Alberta. This is one of the main points in the F.U.A. program and will be supported in every possible way. These meetings will be part of a drive for additional membership in the F.U.A.

It was also decided that a concentrated membership drive based on a single day, will be put on in the fall.

Regarding the Building fund, it was decided to make every effort to get sufficient money to build a new office in 1954. The executive was empowered to act as soon as the necessary funds can be secured. A further appeal will be made to the Locals and individual members to provide the money in time for building this year.

Tentative arrangements were made for the holding of District conventions in June and July next, and many other matters dealt with during the two and a half day session of the Board.

## Pleasant Valley

The weather is milder at present but the short-lived cold spell kept some of us indoors for awhile, which after all is the best place. On Sunday everyone seemed to take advantage of the warmer weather and open roads.

Betty and Lloyd Gould were visitors at the Giles home. It was David's birthday, the family all being home for the occasion. Christie and Annie were at Chrissie's for supper. The writer and Ruby were supper guests at Sylvia's home where a good game of crokinole was really enjoyed. Was it only a five we won Sylvia?

Albert Dupruit has installed a new electric range in his new house. Albert is a good housekeeper. We will be over to sample your bread and buns soon!

Mary and Clifford Beck were visitors at the Albert Beck home Sunday night. Albert and Mrs. Beck have recently returned home from Saskatchewan where they spent the Christmas holidays visiting their daughter Violet.

The time is flying with its cold deep snow, one can dream of lovely scenes, like rippling streams, the hills decked out in green, but indoors can be paradise, with flowers and bulbs to make life nice. There are white narcissus, daffodils too, Pink and white hyacinths and out in full bloom, one of which is blue.

We enjoyed a nice visit with Mr. and Mrs. Jones Saturday night. They both walked up to Mrs. Robinson's and had New Year's dinner with them. We hear the baby is grand, Thelma. Be seeing you soon we hope.

## Mr. Wm. Dyck and Miss Vivian Voss Married At Marsden, Sask.

*VOSS--DYCK*

A very pretty winter wedding was solemnized in St. Charles church, Marsden, Sask., on January 12th, when Veronica Vivian, eldest daughter of Mr. and Mrs. H. W. Voss became the bride of Mr. William H. Dyck of Vermilion, Alta. The Rev. Father Fetsch officiated throughout the candlelit double-ring ceremony.

Given in marriage by her father the bride chose a floor-length gown of Chantilly lace and net over satin. The dress, made on Princess lines, had a high ruffled neckline, lily point sleeves with inserts of Chantilly lace. The skirt front was in tiers of pleated nylon lace extending from the waist to the floor. The back was of nylon net over satin and terminated in lace panels at each side. The finger-tip veil of illusion net was held in place by a head crown of nylon rosettes and orange blossoms. She carried a white prayer book adorned with a cascade bouquet of orchids and white fleur de mour and wore a turquoise rhinestone necklace, the gift of the groom.

The matron of honor Mrs. Lavonne Rutherford, sister of the bride, and the bridesmaid Miss Lena Miller of Vermilion, wore identical waltz-length dresses of cherry red nylon net over taffeta with matching boleros. The dresses arranged in bouffant design had two ruffles encircling the skirt accentuated by their white trim. They wore pom pom hats of white fur and carried white fur muffs with red carnation trim. Silver slippers completed their ensemble.

The bride's mother chose for her daughter's wedding a dress of cocoa brown ticatine cord with olive green accessories. She wore a yellow rose corsage.

The groom's attendant was the bride's brother, Mr. Verne Voss of Edmonton. The ushers were Mr. Adell Voss of Marshall, Sask., and Mr. Albert Rutherford of Neilburg, Sask. Mr. Anton Miklautsch lighted the candles. Large baskets of flowers and cascade bouquets of roses formed the flower motif in the church. White satin bows marked the guest pews.

The wedding music was played by Mrs. Alma Tindall, cousin of the bride. Before the ceremony Miss Shirley McCormick of Vermilion sang "On This Day". During the signing of the register she sang "O Promise Me". The bride's gift to matron of honor, bridesmaid, soloist and organist were costume jewelry. The groom's gifts to his attendants were Morrocco leather wallets. Following the wedding ceremony a reception was held in Marsden Community hall, catered to by the Altar Society ladies. Mr. C. A. McInnis had very tastefully decorated the stage. Mr. John A. Gordon was toastmaster. After a very delicious turkey dinner a program arranged by Mr. Gordon consisting of solos by Miss McCormick, Mr. and Mrs. Bootsman and Mr. William Johnson were enjoyed. Telegrams of congratulations were read by toastmaster Mr. Gordon. They were from Ula, Stan and Bruce, Mae, Kerrobert; Grace Reber, Carroll, Iowa; Beverley Voss, Victoria, B.C.; Mr. and Mrs. E. Reichelt, Winnipeg, Man.; Mr. and Mrs. Chas. Adie, Kerrobert; Mr. and Mrs. Kyle, Camrose; Miss Alice Nair, Carroll, Iowa; Miss Mildred Clark, Kingston, Ont. The day came to a close with the singing of "Auld Yang Syne" led by Mr. Wm. Johnson. Mrs. Grace Miklautsch was in charge of the guest book.

For going away the bride chose an angel rose suit with black accessories and orchids en corsage.

After the reception the happy couple left for Edmonton where they took a TCA plane for Vancouver en route to the Hawaiian Islands for a month's honeymoon. After their return they will reside in Vermilion.

Out of town guests were: Mr. and Mrs. E. Houser, Rutland, Sask.; Myrtle Killien, Shirley and Dorothy McCormick, Fay McLennan, Mr. and Mrs. Cliff McCormick, Mr. and Mrs. Ken Urquhart, Mrs. G. Seuffert, Mrs. Albert Miller, Mr. and Mrs. C. Miller, Mr. and Mrs. Nick Kowalchuk, Mrs. Dede Rogan, Mrs. R. Ireland, all of Vermilion; Mr. and Mrs. Geo. Bootsman, Mr. and Mrs. T. Bootsman, Mr. and Mrs. J. Miller, all of Kitscoty, Alta.; Mr. and Mrs. John King of Wainwright, Alta.; Mr. and Mrs. R. Chisholm of Maidstone, Sask.; Mr. C. Haugen of Neilburg, Sask., and Gary and Clare Voss of Marshall, Sask.

# Thirty-nine Rinks Entered At Dewberry Annual Bonspiel

The Dewberry men's open bonspiel is now in full swing with 39 rinks entered. Tuesday evening saw the annual banquet enjoyed by quite a large gathering of the curling fraternity. Dewberry now has matched rocks and this adds to the enjoyment of the game.

Three Dewberry rinks competed in the Vermilion Sportsmen spiel. They all report a very fine time, extra high class curling and have much praise for the new Vermilion rink. Curling is really a pleasure there despite the coldest weather, the temperature out on the ice maintaining an even 18 to 20 degrees above at all times.

Miss Bernice Romanchuk is now employed as a clerk and bookkeeper in the local Co-op store. She attended an Edmonton business college last year to complete her course.

HOCKEY TEAM WINS

The local senior hockey team have won two games from the V.S.A. by scores of 11-4 at Dewberry and 4-2 at Vermilion.

The Junior hockeyists walloped Heinsberg to the tune of 12-3 with Russell Garnier doing the 'cat' trick with four goals.

The C.P.R. section crew expect to have their house moved from Hazeldine to Dewberry soon.

Ernest Davis is in Edmonton receiving medical aid from war injuries which have been painful to him lately. Better health is wished him in the future. Also in hospital are Ernest Garnier and Orley Timmings who have undergone operations.

Now the Flu Bug seems to be making its way through the district.

No, the lady clerks in the Co-op store are not wearing moustaches. The back firing of the oil furnace caused the air to become full of soot in the store and inhaling same left a cute little cookie duster under the nose.

Little Ann Collins and her mother went to Edmonton recently. Ann received treatment at the Baker clinic and is now home again.

The cold weather of last week caused a number of oil furnaces to quit owing to the jelling of the fuel. Even Propane tanks became so low in pressure as to cause considerable missing.

## Letters to the Editor

January, 12, 1954.

Messrs. Cooper Bros.,
The Vermilion Standard,
Vermilion.

Dear Sir:

I am writing this note on behalf of the Vermilion Ministerial Association. We wish at this time to thank you most cordially for your kindness and co-operation in matters of publicity on local church affairs.

The week by week notices while of benefit to the readers of the Standard are invaluable to us as they give us the means of notifying our people regularly of the services that are being held.

Please accept our thanks and to you and all the members of your oragnization we extend hearty good wishes for continued success in your endeavors.

For the Vermilion Ministerial,
Douglas A. Ford, Sec'y.

In 1953 the average value per acre of Canadian farm land was $46, double the 1935-39 value.

# The Valley Maids C.G.I.T. Report

January, 1953. Group consisted of 18 members. Two hour meetings held every two weeks, 7:30 to 9:30. Made donation of $3 to Institute for the Blind.

February. Started campaign fund. Collected $56. $5.60 was kept by group and the rest sent to the Religious Education Council of Alberta.

March. Sang on the radio in Amateur program in aid of Cancer fund. Raised $50 for fund. Were awarded first prize of $25.

April. Held a sale of work and tea in church basement, also put on Achievement day in the school auditorium.

June. Group invited to North Battleford for W.C.T.-CJNB amateur Guest night to sing on final amateur program.

A sewing and etiquette program sponsored by the Dept. of Agriculture of Alberta was taken up by the group. Marlene McDonald was chosen efficiency winner and went to Vermilion for club week. Grace Stoddart was awarded the T. Eaton prize of pinkers for top girl for 1952-53, staying in the group for 1953-54. On Oct. 7, 1953 the Valley Maids re-organized. Sang songs at chicken supper. Held Xmas party received from Religious Education Council and realized $15 as their net profit. Put on Vesper Service on Dec. 13. Total collection $23.78. Sent $4, their share of collection, to the National C.G.I.T. Committee, Canadian Council of Churches. Balance of collection $19.78 retained by the church board for expenses. Donated $5 to W.A. to help pay freight on articles collected for Korea for a missionary project. Membership now stands at 20. Joan Richardson was awarded the Simpson-Sears prize of a camera for the best dress sewn in 1953.

# Of Many Things . . .

By AMBROSE HILLS

*SLEEP*

Blame this column on my twin daughters. They're just past two years old, and last night they graduated from cribs to a partnership in a Junior bed. Result: a fight over blankets, one hour; a giggling tickling session, one hour; a fall from bed which meant another settling-down session requiring a drink of water, a cookie, and as an after-thought, another trip to the bathroom. They woke about five this morning and ran through the routine again, fighting for blankets, giggling, tickling, and then discovering that they could get out of the bed themselves and come in to visit mummy and daddy.

This morning I'm convinced that this world suffers its most violent upheavals due to lack of sleep. In my present mood, I could almost join the communists. I want to pas laws. I want to go to work on humanity with a vengeance.

The way I feel this morning, I'm even in favor of our government radio and I'd be willing to see it much duller than it is, with six more child psychologists added to the staff, and every youngster in Canada forced to tune in at least six hours a day. I'd be willing, at this moment, to banish private radio from the face of the earth, hang the Lone Ranger, poison the Green Hornet, and deport every entertainer who dared to win a rating above four points!

This morning, without a heart-throb or regret, I could be sold the notion that there is no Santa Claus! I'm almost ready to agree there are no fairies, and a baby tooth under a pillow can never change into a dime.

Up until today I had the old-fashioned idea that governments should confine themselves to governing, and leave us free to look after ourselves; but if anyone can prove that the government could guarantee me eight hours sleep, I think I'd start plumping for the Welfare State. Step up, politicians, and get a more sleep plank in your platform! Fathers and mothers everywhere will vote you into power!

Yes, if you want to find the trouble-spots in the world, look for the man who didn't get his sleep. He'll be in the ranks of the wild-eyed reformers, eager to change the world! Even to destroy it if necessary.

# OBITUARY

*FRED AUBREY DOUGLAS*

The sudden death occurred on Thursday, December 24 at his home in Clandonald of Fred Aubrey Douglas. He had suffered a stroke about three months previously but appeared to be making good progress toward recovery.

The late Mr. Douglas was born on July 14, 1881 in Truro, N.S. Coming west in 1911 he followed the profession of school teaching almost continuously until his retirement about two years ago. Since that time Mr. and Mrs. Douglas made their home in Clandonald. Of a kindly disposition Mr. Douglas was a friend to all and was always ready to lend a hand in any worthwhile endeavor whenever possible. For some time he held the post of organist in St. Mary's Anglican church until forced to discontinue several months ago on account of an eye ailment. Deepest sympathy for her sad bereavement is extended to the sorrowing widow by her many friends.

Pall bearers were R. Feenstra, H. Hagen, H. Campbell, F. Goddard, C. Free and H. Brake.

Beautiful floral tributes were received from the following:

Loving Wife; Clyde and K. Douglas; St. Mary's Anglican W. A.; Lodge A.F. and A.M., Vermilion; Mr. and Mrs. Bert Moore; Mr. and Mrs. R. Feenstra; Clandonald Community; Fred and Thelma, Mr. A. Clarke and family; Vermilion School Division Board officials; Mr. and Mrs. W. Feenstra.

In 1951 men's fur coat production was valued at $154,000 compared with $45,351,000 for women's fur apparel.

## "John Deere Day" Tuesday, Jan. 26th

Good news for farmers! The annual John Deere day will be held on Tuesday, Jan. 26 and all farmers and their wives are invited. The program includes two complete shows, the first commencing at 1 p.m. at the Columbia theatre. Then there is lunch served at the John Deere showrooms.

Messrs. Hines and Delainey, your John Deere agents, extend a cordial invitation to attend. 20-2c

THEY HELP US

Canadians talk in a very general way about what new settlers contribute. But here are some actual figures from The Financial Post.

These million people, which have come to Canada since the war, mean a potential market for some 250,000 houses, 220,000 radios, 100,000 passenger cars, 180,000 refrigerators, 200,000 washing machines, besides all the food and clothes busy people can consume.

As well, there's no doubt but that new settlers have helped to keep Canada's birthrate high. Half of them are in the 20 years to 40 years age bracket — the child-raising phase.

There's a much longer view as well. At present rates of natural increase this one million immigrants will total two million extra Canadians by 1980.

What they consume is only one side of the story. What they produce is equally important. We could not have our rapid expansion without a large increase in the labor force. And these people have provided it for us, at the very time when low birthrates during the depression have reduced the number of teen-agers in Canada who would normally be joining the country's productive force.

Christmas Seal dollars are not charity. They are an investment in the protection of your home. Have you sent yours? 21tf

This year the federal government will collect about ten times its pre-war tax revenues.
- Quick Canadian Facts.

Plant Food Losses

Farmers of Western Canada over the past few years have enjoyed a series of bountiful harvests. No wonder many of us have gained the impression that our Western soils are inexhaustible. Let's take a look at the grim facts.

*Plant Food Losses.* The bumper crop of 1952, totalled some 1,291,000 bushels of wheat, oats and barley. This crop removed from the soil some 630,000 tons of Nitrogen, 205,000 tons of Phosphorus, and 110,000 tons of Potash. In addition it is conservatively estimated that the annual loss of plant food through erosion is equal to twice that removed by the growing crop. Then considering Nitrogen and Phosphorus only (we are well supplied with Potash) we lost in 1952 through crops and erosion 1,860,000 tons of Nitrogen and 885,000 tons of Phosphorus.

*Exhausting Soil Resources.* Let's assess our losses of essential plant food in another way. The top three feet of a good soil contains about 7,000 lbs. of Nitrogen and 3,000 lbs of Phosphorus per acre. Therefore the amount of Nitrogen and Phosphorus removed by cropping and lost to erosion in 1952 represents the total amount of these elements contained in some 480,000 acres of good soil. In plain words, we are using up each year through cropping and wasteful erosion an amount of plant food equivalent to that contained in almost a half million acres of good soil.

*Plant Food Returned.* In 1952, a total of approximately 16,800 tons of nitrogen, 40,000 tons of phosphate and 26 tons of potash were returned in the form of commercial fertilizer. When these figures are compared with the total amounts used by the crop and lost through erosion in 1952 a serious deficit is revealed.

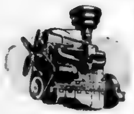
*Plan for the Future.* It is time for us to consider the use of crop rotations and commercial fertilizer to maintain soil fertility.

Our soils have been good to us. Let us be good to them.

Designed for that lower, longer look so prized in modern automotive styling, the new Chevrolets meet other high standards besides eye appeal. The 1954 series have more power, better performance and chassis improvements that will substantially increase the pleasure and convenience of motoring. For 1954, a total of 13 body models are available in three series of cars. The Powerglide automatic transmission, teamed with a new 125-horsepower engine, is now optional on all cars. Another outstanding development, also available as an option in all series, is Power Steering. Above is pictured the Bel Air four-door sedan.

# New '54 Chevrolet Trucks

COMPLETELY NEW—THE MOST POWERFUL, FINEST PERFORMING, BEST LOOKING ADVANCE-DESIGN TRUCK EVER BUILT!

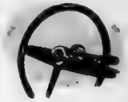


Here's Canada's greatest truck builder's latest and greatest truck! Here's the brand-new line of Chevrolet Advance-Design trucks for 1954!

They're here to do your work for less! They're here to bring you big savings on operating and upkeep costs . . . to do your trucking job faster and more efficiently.

You'll find these completely new Chevrolet trucks packed with new advances and advantages you want . . . loaded with great new features you need! There's new power under the hoods . . . new comfort in the cabs . . . new, bigger load space in the bodies — plus new automatic truck transmissions . . . new chassis ruggedness . . . new Advance-Design truck styling.

And that's only the beginning! There's much more that's new awaiting you in the most powerful, finest performing, best looking Advance-Design trucks ever built! There's a model that's just right for your work. So plan now to come in and get all the facts on the biggest truck news in years. Be sure to see the trucks with the most new features . . . the trucks with big new benefits for both owners and drivers — really new Chevrolet trucks for '54!



NEW ENGINE POWER — Greater power with four advanced valve-in-head engines. Bigger, brawnier Thriftmaster and Loadmaster engines now develop a new 112 horsepower. The rugged and durable Torquemaster engine develops 125 horsepower, and the Workmaster 110. This year you can get the right power for any job — giving greater efficiency and new fuel and operating economies.

NEW [illegible] — [illegible]

MOST TRUSTWORTHY TRUCKS ON ANY JOB!

CHEVROLET
A GENERAL MOTORS VALUE

NEW ECONOMY — All four 1954 Chevrolet truck engines bring you the full benefit of high-compression power. With new, even higher compression ratios, they make every drop of gas work harder to give you greater operating economy along with greatly increased horsepower and finer performance.

NEW CAB COMFORT — New Comfortmaster cab offers greater comfort, convenience and safety. New one-piece curved windshield gives greatly increased visibility. New instrument panel is easier to read and to reach. New Ride Control Seat* offers the last word in comfort for truck drivers.

NEW DEPENDABILITY — With increased ruggedness at vital points throughout the chassis, Chevrolet trucks for '54 offer new and even greater dependability. You'll find heavier axle shafts in 2-ton models . . . bigger, more durable clutches in light- and heavy-duty models . . . more rigid frames in all models.

NEW BIGGER LOAD SPACE — New pickup bodies have deeper sides . . . are grain and sand tight for greater convenience. In addition, they're both stronger and longer — and set lower to the ground to make loading and unloading easier than ever.

NEW [illegible] — Handsome new Advance-Design styling reflects the new power and ruggedness of the 1954 Chevrolet trucks. New front end design is more massive and sturdy in appearance. New parking lights are positioned near the fender corners to indicate the full width of the truck.

*Optional at extra cost. Ride Control Seat is standard on C O E models.

# NEWS from CLANDONALD

(This news bulletin was written for last week's Standard, so allowance should be made for time elapsed.)

Winter is often referred to as a time of leisure for the farmers. This statement must surely have been made originally by one engaged only in the growing of grain. True, the evenings are long but the mornings are mighty short. For one who raises a few cattle, milks a few cows, keeps a few pigs and chickens time never hangs heavy at this time of the year. No doubt it is possible to arrange work so that one may take things easy for one or two days but usually this means three or four days to get caught up with the work again. And now the season of bonspiels is just getting nicely started.

MANY FORMER RESIDENTS VISIT DURING HOLIDAYS

As usual many former residents managed to be back for the holiday season. Among these were Margaret Kolodziejzyk, Blanche Roberge, Margaret and Arthur Rowntree, Cliff Stockwell and Antoine Gratton, all from Edmonton. Other visitors included Fritz and Mavis Brockman from Spondin, Harry Brake, Jr., from a geophysical crew working south of Faust and Rudy Kolodziejzyk from Lloydminster.

David Williamson is employed with the same crew as Harry Brake but stayed in camp over the holidays.

Helen Masyk spent Xmas with her friend a former resident here but now living with her parents in Edmonton, Lorraine Lacusta. Mr. and Mrs. Lacusta own an interest in an Edmonton hotel in the Beverly area.

Maurie Masyk celebrated Xmas and New Year's by a trip to Winnipeg to visit his chum Mac Patterson formerly employed in the bank here. Maurie thinks Winnipeg is the coldest spot he has struck yet the temperature being well below zero most of the time and lots of wind. Mac still thinks that Clandonald is about as good a place to live as any he has seen yet and would be quite willing to return at any time!

It would appear as if some sort of a record for bus travel may have been set on Sunday evening Dec. 27 when no less than four Greyhound and three school buses were required to accommodate the passengers by the time they pulled out from Vermilion.

Calgary visitors during the past week were Don Good, Tom Stockwell, Mr. and Mrs. Johnny Forsyth and infant son and Art Bretton and daughter Lillian. Lillian is staying in Calgary for the purpose of taking a nurses' aide training course.

Mrs. L. Wilkinson has left her home in Clandonald for the winter and has taken rooms in the Witherbe block in Vermilion.

A former resident of the district Dr. John Convey is spending a few days here visiting his brothers and their families and renewing old acquaintances. John is director of the Federal Mines branch at Ottawa and was in Edmonton as the featured speaker at the annual meeting of the Alberta and Northwest Chamber of Mines and Resources.

Curling got underway shortly after New Year's and already plans are about completed for the first bonspiel which will be a local one.

Side roads are getting to be quite a problem for motor traffic following recent snowfall and high winds. On some it will be possible to make only a very narrow track even if they are plowed as snow is already piled to a considerable height.

Several more rural telephones have been installed during the past months. We understand also that plans are well underway for a rural electrification unit in the Rusylvia area.

Now it appears that eggs and beef are about the cheapest food to buy and pork and butter among the dearest. If only we had some way of knowing what the situation will be 12 months from now.

## Touring Tips

A country doctor I know has six sound rules for driving under the most extreme winter weather conditions, day or night. His six rules are simple and sensible:

1. Never leave a thing to chance. Keep your car in perfect mechanical condition.

2. Get the 'feel' of the road by taking it very slowly at first, testing your brakes, lights, windshield wiper and defrosting equipment.

3. Drive slowly enough so you don't have to count on your brakes. Drive with an even, gentle pressure on the gas pedal and never accelerate suddenly or with a jerk.

4. If you must use the brakes, gently 'pump' them up and down. If you feel the car starting to skid, turn the steering wheel in the direction the rear wheels are slipping to bring the front wheels in line.

5. Use tire chains on ice and snow. Chains are not a cure-all, but they cut braking distances as much as 40 to 50 per cent.

6. Triple or quadruple the usual distance between you and the car ahead.

But the best rule of all: when the weather is extremely bad, don't drive if you can avoid it.

# Of Many Things . . .

By AMBROSE HILLS

YOU CAN WRITE!

Everywhere I see advertisements which read, "How do you know you can't write?"

Maybe they've made you stop and wonder. If so, I've a word of encouragement for you. I get a lot of letters. I have an uncle, though, who used to refuse to write me because, as he put it, "You're in the blasted writing business and you'd see all my mistakes." But I kept writing to him, anyhow, and one day he got around to answering me and I got the surprise of my life.

Of all the letters I receive, my uncle writes the best. He doesn't spell too well, and he sprinkles only a few periods or commas around, and his grammar might make some professors yell in anguish — but just the same, he's a real writer, and I'll tell you why.

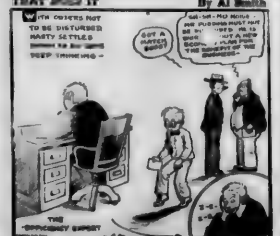
He writes entirely without affectation. Just puts down plain words; and I notice that he uses a lot of names of places, and things. Something like this: "We got the Winter wheat in fourteen acres of it coming up nice and green now." Or "Last night Tom Darling's boy Jerry was over we had coffee and those baking powder buns Nancy makes and talked until midnight of you and Kim Fraser. Jerry thinks Kim's over Manitou way now hired out to a farmer there and doing good. Kim never cared about money just wanted good food and good folks to live with and maybe he's right."

I can do with a lot of letters like that. Lots of names, tied to real things, without any pretense. Lichtenberg once said he was sure Homer or Shakespeare had no notions that they wrote well. He said it is the fatal curse of today's authors that they know they write well—and they get so darned enamored with the sound of their own words they forget the reader.

I think radio suffers the same way. Lots of the announcers, especially on those arty broadcasts, sound pretty proud of their pear shaped tones. That's one reason I like some of the announcers on the local stations better than the high-paid ones, the CBC features, for all their claims to culture. The local boy often sounds more like he had something real to say, to real people about local conditions of crops, or prices, or weather.

So maybe you can write or talk better than you know. If you've been putting off writing to some old friend because he happens to be in the writing or radio business, don't be silly. If you feel like writing to your local editor, don't put it off because you've forgotten where in the heck the teacher said to put the commas and whirligigs. The editor doesn't give a hoot about them either — if you've something to write about real things to be read by real people. How do you know you can't write? Chances are you are better at it than most of the professionals!

THAT DID IT By Al Smith



Be Wise... FERTILIZE

Every bushel of grain that you deliver to the Elevator contains Phosphate that has been taken from your soil by growing crops.

Over a period of years the growing of crops has reduced the supply of available Phosphate in our soils. This plant element is essential for the development of a sturdy root system, high yields of good quality grain and early maturity of crops.

The application of a fertilizer high in Phosphate with the seed of cereal crops is THE ONLY PRACTICAL WAY of replacing this much needed Plant Food.

Use Elephant Brand Fertilizer next spring and reap the profits next fall. A substantial discount is available on fertilizer purchased in the winter months.

# LETTERS TO THE EDITOR

Edmonton, Alberta,
Jan. 11, 1954.

Cooper Bros.,
The Vermilion Standard
Vermilion, Alberta.

Gentlemen:

The Alberta Tuberculosis Association will appreciate your bringing to the attention of Vermilion Standard readers the present position of the 1953 Christmas Seal sale which for Edmonton and Northern Alberta has realized $79,100 to date. This is $8,900 short of the $88,000 objective.

Provincially, receipts now total $184,000, which is $29,000 from the objective of $213,000.

We know that many Alberta residents fully intend to contribute but have not yet done so for one reason or another. We need every cent of that $213,000 in order to continue with our essential services in health education, X-ray surveys, rehabilitation, nursing and welfare services, and also to continue towards completion of our project of installing X-ray equipment in hospitals for routine chest X-ray of patients.

There is no doubt in our minds that Alberta will again 'come through' in traditional Alberta fashion, and that readers of the Vermilion Standard will help us to achieve our aims by sending in that contribution — now.

Very truly yours,
D. W. Robertson,
President, Alta. TB Assoc.

# Paradise Valley

Christmas and New Year's days are over for another year and we are still here. Today, as we write this it is really cold with a strong wind blowing. Cold enough we think to suit anyone. Xmas passed very quietly in our little town. Curling was all that took place in sports. The mixed bonspiel and the Farmers' bonspiel were well supported and some very keen games were played. The schools in town and district had their usual concerts and reflected credit on the teachers responsible. Very few appreciate the work that these concerts, put on by the teachers, make. Many thanks to them.

VALLEY MAIDS NEWS

The December 2nd meeting of the Valley Maids was held in the church basement. We practised for our Vesper service and made plans for our Xmas party. Our Vesper service was held on Dec. 13. The Valley Maids took over the order of service which was the regular C.G.I.T. service. Lois Stoddart as assistant leader read Scripture passages. Sharon Walter read the Christmas story "If I Had Not Come"; Margaret Wolf read the poem. The group sang one hymn and joined with the congregation singing the Christmas Carols. The candle lighting ceremony was held. The group marched out by twos as the recessional hymn was sung. Rev. Davidson and A. G. Lea helped in the worship with prayers. Mrs. Richardson's and Mrs. Paulgard's junior group each helped the program by singing one song.

Our Christmas party was held on Dec. 16 in the church basement which was nicely decorated for the occasion. As a group we sang Christmas Carols throughout the village. Then we returned to the church basement for games and contests and to receive our Xmas gifts. We enjoyed a lovely lunch to conclude the evening.

Mr. and Mrs. D. B. Baxter were recent visitors to Calgary where they were the guests of the United Grain Growers at a banquet held for those who have been in their employ for 25 years or more. Barney has seen service with the Company for over that period.

We regret to report that Frank Brooks is again a patient in the Lloydminster hospital. Frank has been on the sick list for some time.

Those people who have been wishing for a real old time winter are sure getting it these days. 35 to 45 below ought to be cold enough for anyone, and for our part it is too much of a good thing. 50 years ago we enjoyed winter but today it is different. Give us the balmy weather of June, July and August, much easier on our old bones. At time of writing no relief is in sight. Bill Davidson has been busy with the big snow plow and as a result the roads are kept open.

Mr. Sing Luke who has managed the Luke Lee store since Mr. Lee's death has resigned and will now take a well earned holiday. Mrs. E. Hoskins has accepted a position in the Lee store.

We extend our sympathy to the Hoskin family on the death at Vancouver of Mr. Hoskins Sr. Mr. Hoskins passed away very suddenly. The funeral was held on Monday Jan. 19 at Viking, his old home town.

Mr. Parke Dobson spent the past week in Vancouver on Wheat Pool business. We understand that the threatened strike of elevator employees at the coast has now been settled. Mr. Dobson was one of the negotiating committee.

C.G.I.T. NEWS

Our regular meeting in the new year was held Jan. 6 at Lois and Grace Stoddart's. Our group made one New Year's resolution, this is to do one good deed a day. We are donating $5 to the P.V.W.A. to send parcels overseas. The roll call was answered with a Scripture passage from the Bible. Barbara McDonald and Gloria Baxter gave a demonstration on 'Posture'. Margaret Wolf moved the meeting adjourn. We sang 'Thank You Comrades' and 'Taps' then after a delicious lunch served by Mrs. Stoddart.

## Wedding Bells

GOHEEN - EWANOWICH

For the recent wedding of Miss Jeanette Mary Ewanowich and Mr. Robert Keith Goheen, the altar of the Grace United church was banked with carnations and chrysanthemums.

Rev. E. N. Morrison performed the double-ring ceremony for the daughter of Mr. and Mrs. Nick Ewanowich and the son of Mr. and Mrs. Amos Goheen, all of Lloydminster.

Given in marriage by her father the bride wore a gown of Chantilly lace over satin with scalloped neckline and lily-point sleeves. A lace juliet cap held in place her finger-tip veil. Her only jewelry was a rhinestone necklace, a gift of the groom and she carried a bouquet of red roses.

Mrs. I. Chrisp, matron-of-honor and attendants Mrs. P. Krywy and Mrs. D. Fraser wore similar gowns, of net over taffeta and matching headdresses, in shades of green, yellow and mauve. Each carried a colonial bouquet of baby chrysanthemums.

Mr. Bud Goheen, brother of the groom, was best man and ushers were Mr. Doug Fraser and Mr. Alvin Jardine.

The wedding music was played by Mrs. E. N. Morrison and during the signing of the register Mrs. R. Sinclair sang "Because".

For her daughter's wedding Mrs. Ewanowich chose a light blue tailored suit with navy accessories and a corsage of red roses.

A tan crepe dress with brown accessories and a corsage of red roses was worn by the bridegroom's mother.

Later a reception was held in the church basement. A three-tiered wedding cake, embedded in tulle and flanked by lighted tapers and vases of mixed flowers, centred the bridal table.

Rev. E. N. Morrison proposed a toast to the bride, to which the groom responded.

In the evening a dance was held in the Legion hall.

Departing for a honeymoon trip to Ontario, the bride wore a blue suit matching the groom's, with navy and white accessories topped with a muskrat coat. Her corsage was of red roses.

Mr. and Mrs. Goheen will reside in Lloydminster.

—Lloydminster Times.

## Wildmere Winks

Don Gibson of Woodside Man. but who had spent Xmas with his parents at the coast returned with his brother Frank and family who were also visiting at the coast and is visiting here for a time. Don says he did not like the rainy weather at the coast.

A good number of rinks from out this way took in the Farmers bonspiel in town but only two were fortunate enough to get into the prizes. [illegible] skipped by Bill McGrath won shirts and the [illegible] rink from Wildmere got the [illegible] the clips. [illegible] will be the lucky ones. The [illegible] Batke rink of Basswood did well but did not quite make the prizes. It surely is a grand curling rink Vermilion has now, something to be very proud of. The kitchen is nice and handy and good meals and lunches were served all through the spiel.

A nice crowd attended church at the Gibson home on Sunday. Rev. Ford gave a lovely sermon. He said when we threw out our Xmas trees not to throw out all the good sentiments but to carry them out all through the year. [illegible] will be at the home of Mr. and Mrs. W. J. Garnett on Sunday Feb. 14, Valentine's day.

We wish to extend our heartfelt sympathy to Mrs. Pettirew and family on the loss of her mother Mrs. Firth. She lived to a grand old age and could tell of many happenings in the early homesteading days.

Congratulations to a young couple both born and raised in Triangle district who are starting out on life's journey together. Peggy Martin and Johnny Ruud married on Tuesday Jan. 12.

LOW 21-Day WINTER FARES to the PACIFIC COAST

Special Reduced Fares for Round Trip

Visit the "Evergreen Playground" . . . Bask in sunshine far from winter's bitter sting. Travel the "Low Altitude" route . . . arrive relaxed and ready to enjoy your vacation from winter.

These low fares are good in standard and tourist sleeping cars upon payment of berth charges; also in comfortable, modern day coach.

—Quick Canadian Facts

# Health Unit Notes

— FROM —
*The Sanitary Inspector's Diary*

I explained last week how important it is to deal with household and business garbage in a sanitary maner and that the two-fold problem which is holding up any advancement from the present unsatisfactory standard is:

1 Insufficient and proper storage at homes and business premises.

2 Infrequent and poor garbage pick-up service.

GARBAGE COLLECTION

Under this heading I wish to say just a few words about the collector. This man has a dirty and most often a thankless job and yet such a very important job in keeping your town or village in a sanitary and tidy condition. Don't make the job any tougher for him and remember he has not got the strength of Samson.

When I see one of the garbage collectors, who in most cases is usually small in stature, struggling with an oil drum full of garbage three times his own weight or risking severe lacerations of his hands from the jagged rusty edges of these improvised containers, I wonder how long the thoughtless owner of the container would empty such himself?

The next type of thoughtless householder I want to have a word with is the one who piles his garbage in a heap and throws his slop water on to freeze the whole solid. This practice I intend to stop.

The garbage vehicle should be covered in so that the contents are not blowing away or falling off while the collection service is being made.

NUISANCE GROUNDS

When the garbage has been properly stored and collected it has to be disposed of in a sanitary manner. The old idea was to get it out of town and hide it behind some trees and as the old motto says "out of sight out of mind". Indiscriminate dumping over the prairies may have been harmless for small scattered settlements of fifty years ago but towns and villages have been growing up and a different attitude has to be taken to this problem.

I am of the opinion that proper land disposal of garbage is the most efficient and economical method of disposal for towns and villages and even for large cities, but it must be done properly.

The two systems recommended are Sanitary Landfill and Controlled Tipping, the former being the most commonly used but the latter is far more efficient and sanitary. The idea is to use Nature, whose job it is to break down animal and vegetable waste into harmless substances, and if garbage is covered by a layer of surface soil which teams with bacteria this job is done more rapidly and efficiently. The covering of garbage with soil also prevents access of flies to feeding and breeding grounds and it has also been found that where the covering is over 18 inches deep rats cannot burrow down to an otherwise suitable food supply. The site has to be properly fenced with a good road leading to it and have suitable pits or other methods as recommended by your local or provincial Board of Health. Careless dumping by individuals can cause a lot of work and extra cost to your town, village or municipal council who provide and maintain the grounds in a satisfactory condition.

BABY & PRE-SCHOOL CLINICS

Monday, Jan. 25 — Legion hall, Vermilion, 2 to 4 p.m.

Tuesday, Jan. 26 - Streamstown school, 2:30 to 3:30 p.m.

Thursday, Jan. 28—Alberta school 10:30 to 12 noon.

## WOODVALE

The Glee club dance on Dec. 18 was not so well attended, through a misunderstanding about the music, but enjoyed by those there. Even more pleasant was the pre-Xmas card party where everyone was treated to candy, nuts, apples and oranges. They still have a card party in the hall every week.

Who went where this Xmas? We have not found out yet, but here are a few of the out of towners who came home: Mable Watson from Edmonton; Five of the Gautier children from Fort Kent, Vegreville and Morinville; Jim Lamport from Calgary; Tommy and Walter Lysons from Winfield and Edmonton.

Mrs. Euna Lysons had counted on a small party for Christmas but with her hospitality she should not have been surprised that she wound up with 21 of her loved ones for dinner!

Bert Portsmith went East before Xmas after an unsuccessful hunting trip this fall in Western Alberta.

Mr. Charles Young was taken to the Veterans' hospital in Edmonton just before Christmas and he is still there at time of writing. His painful illness has been diagnosed as arthritis of the spine.

Mr William Van Tyen of Red Deer and Miss Louise Hyn-kamp of Wageningen, The Netherlands, were visitors over the New Year's at the writer's home.

Curling and bonspiels will be with us from now until spring and Tolland foursomes are taking part at Basswood and Vermilion.

LIVING IN COMFORT

Amazing progress in raising standard of comfort in the Canadian home in 27 months since the census is reported by The Financial Post. Households with mechanical refrigerators rose by 50% since June, 1951, to total two-thirds of all households. Less than half without car after 32% jump in the number of families owning one. Kitchens with electric ranges number 29% more; with gas ranges 15% more. Only 133,000 homes left without radio.

## The World of Wheat

By H. G. L. STRANGE
*Director "The Crop Testing Plan"*

A LITTLE PATIENCE NEEDED

Some, we hear, are worrying about the temporary diminished incomes of our prairie farmers, because they are unable as yet to market all the grain they have produced, and this because of the congestion of carry-over stocks in terminal and country elevators which remain there waiting for increased export sales. The situation is not as bad as some suppose. Farmers have marketed from Aug. 1 to Dec. 31 to country elevators close to 315 million bushels of grains compared to approximately 400 million for the same period last year, a reduction of about 20%, but all the grains the farmers have left on their farms is potential wealth, and one of these days will all be marketed and the farmers will be paid for it. What is needed then, on the part of merchants and industries is just a little patience. The sale of all grains for domestic use and export by Dec. 31 this year was close to just over 300 million bushels compared with around 350 million last year, so it will be seen that a lot of grain has been sold, and is still being sold. There need be, then, it would seem, no cause for any real worry by merchants and industries.

At the time of the 1951 census Canadian farmers owned more than half a million trucks and automobiles. —Quick Canadian Facts

# Kitscoty News

Mrs. G. Lewis returned to her home at Fort Saskatchewan Monday after spending the past two weeks with her grandmother Mrs. J. A. Blair.

Mr. and Mrs. Otto Gillman of Kelowna, B.C., spent a holiday here recently at the home of their son Hans, Mrs. Gillman and family. They also renewed acquaintances with several of their old friends and neighbors.

Keep this dance date in mind—the ladies' curling club are sponsoring a dance to be held in the town hall on Friday, Feb. 12. Good music.

The Ladies Auxiliary of the Kitscoty branch of the Canadian Legion, Post 158 B.E.S.L., are holding a tea and bake sale in the Tracy Memorial hall on Friday, Jan. 29 from 3 to 5:30 p.m. Your generous support will be appreciated as all proceeds are for the Polio fund drive.

Congratulations to Mr. and Mrs. G. W. Brennan of Bear Creek, Shawnigan Lake, B.C. on the birth of a son on Jan. 15, a brother for Garth. Mrs. Brennan is the former Daphne Fox of Kitscoty.

## Fail to Lift Trophy

MANNVILLE.—Mannville ladies tried to regain the 'Mannville Ladies' Trophy' which was presented by Mr Smith and taken by the Vermilion club last spring. Two rinks made up as follows, Mrs. Ethel Mercer, Mrs. Muriel McLuckie, Mrs. E Gerhart, Mrs. Mabel Majeau; Mrs. Linda Scoggins, Mrs. B. Hasinoff, Mrs. May Proudfoot, Mrs Reich challenged for the trophy but didn't manage to bring it home. They may challenge for it again later.

## Sixteen Years Ago Today

*Jan. 20, 1938*

The Vermilion bonspiel was set for Jan. 25th.

The Board of Trade has started an energetic membership campaign.

Ten hockey teams at the public school have swung into action with two outdoor rinks being used, one at the public school and one at the C.N.R. Two games per night are played with four teams seeing action, and all day Saturday. J. J. Part and A. L. Macumber are in charge.

The first meeting of the board of the newly enlarged school division of Vegreville was held.

Providing that the remaining 12 days of January act the same as the part of the month elapsed, January 1938 will probaby go down into the records as one of the mildest ever known. To date it has only been below zero four times and the lowest has been 8 below.

Plenty of inter-club curling was going on, both Innisfree and Islay players were here during the week.

## Thirty-two Years Ago Today

*January 19, 1922*

Lieut Col W C Craig announced that he would present a cup to the Big Six hockey league.

A. D. Chmelnitsky announced that he was quitting business in Vermilion and was holding a clearing out sale.

Miss Nellie Whitcher resigned her position in the post office to become the bride of Mr James E. Miller.

The Farmers hockey team was at the head of the league and Geo. Reasbeck was away out in front in the scoring race.

## Television Grows In Canada

With 8 TV stations already in operation and 11 more scheduled to be on the air before the end of 1954 Canada's TV interests have at last been given the green light.

Hand in hand with the hundreds of TV engineers, studio workers, actors and writers currently absorbed with methods for putting the new stations on the air without delay ... go the Canadian Motion Picture Studios whose contribution to TV entertainment will be immense.

Providing a daily fare of entertainment for the existing half a million TV set owners in Canada, and with color TV the next advance in the new medium, the new stations are relying more and more on films — the original form of visual entertainment.

Typical of the established Canadian movie studios, Associated Screen News in Montreal is already in full swing with a large staff of experienced laboratory and studio personnel ready to tackle each and every job as it comes along.

Film subjects for the new audience are ready being prepared for some of the biggest Canadian commercial and industrial concerns who are also engaging to have their commercial announcements recorded on film.

Fully equipped for producing both black and white and color film, animated movies, special recordings and possessing one of the largest shooting stages in Canada, A.S.N. looks forward to 1954 with increasing confidence.

As the TV map of Canada unrolls in the new year a further 11 stations will be readying to go on the air. But the task of producing films for TV—is no problem for such Canadian film makers as are already wearing the 'New Look'.

Alberta was the first province to impose a gasoline tax, 2 cents a gallon, in 1922. All provinces now collect gasoline taxes varying from 9 to 15 cents per gallon.

## News Notes From Your District Home Economist

HOW DO YOU RATE AS A FABRIC EXPERT?

DO YOU KNOW THAT . . .

1 For all patterned and especially drop repeat patterns you must allow extra length to take care of matching?

2 Measurements of furniture and windows are more accurate if you use a yardstick or ruler than a tape measure?

3 You should add at least 45 inches to bed measurements when figuring yardage for a bedspread?

4 Sheer curtains should be made with a triple fold of fabric in their heading to allow for let-down in case of shrinkage in cleaning?

5 You can expect quilting to take up about 2 inches in the length and 2 inches in the width of a fabric?

6 Draperies that are tied back should be made 6 inches longer than the window measurement?

7. The best way to get a straight cutting line on fabric is to pull a thread and cut along the thread line?

8. You can expect fabric to shrink 10 per cent when it is dyed?

9 Selvages may bind or pucker fabrics unless they are clipped diagonally or cut off entirely?

10. It is smart to buy extra fabric when you are slip-covering so that you can replace the arms of chairs which show wear soonest?

11. Buckram or similar stiffening in the heading of draperies and curtains makes a firm starting point for draping and gives you more graceful folds?

12. Well made draperies should have a buckram heading from 3½ to 4½ inches deep?

13. Curtains won't hang properly unless they are cut and hemmed to conform with the thread of the weave?

SKIPPED STITCHES AND DRAWN FABRICS

If the machine skips stitches or draws the fabric —

1. Needle is incorrectly set in clamp or needle bent.

2. Needle is blunt or bent, or too long or too short.

3. Needle is too fine for thread.

4. Dust or lint or threads clog working parts of machine. (Clean and oil machine regularly to keep it in splendid running condition).

If stitching puckers the material check for -

1 Blunt needle.

2. Tight tensions.

3. Pressure on presser foot—too much or too little.

The Indian name for Prince Edward Island "Abegweit" means "cradled on the waves".

BE OURSELVES

Canadians should strive to make tourists realize they are visiting another community and a different country.

This is the sound advice given by Governor-General Vincent Massey.

The Financial Post remarks that a Canadian who visits the ruins of Pompei doesn't want to see "Rah, Rah, Queen's" painted on the stones by some Italian huckster. Nor does he want to see beavers building dams in Holland, or Mounties selling shoelaces in Times Square.

Why should we expect that flying a Stars and Stripes from our gas pumps pleases Americans? It is certainly no stroke of promotional genius. The more Canadian we are, the better every way.

As soon as you get any bingo, up and down, across, or from corner to corner phone or notify Simonsen's Furniture store.

## Gas Company Announces Completion Of 4½ Million Dollar Program

Northwestern Utilities Ltd., announced that its capital program for 1953, which it estimates will total $4,300,000, has been successfully concluded. In the early part of the construction season, work was hampered by wet weather but the open fall enabled the Company to complete all that it had planned in readiness for the coming winter.

The major portion of this year's development was devoted to the construction of field and transmission pipe lines to tie-in additional reserves of natural gas to the existing system. Most of the remainder of the program was to provide expanded distribution plant facilities for its ever-increasing number of customers.

Forty-nine miles of field and transmission lines were laid connecting the Legal, Lost Point Lake and Fort Saskatchewan fields to the Company's main east-west transmission system from the Viking-Kinsella field to Edmonton. This line was tied-in to the main system with the completion a few days ago of a 16-inch river crossing across the North Saskatchewan river close to the Town of Fort Saskatchewan.

BUY FRANCO AT VERMILION

In November the Company acquired the property of Franco Public Service Ltd. at the Town of Vermilion. This company has served the town with natural gas for 13 years from wells which had been drilled nearby. In view of the increase in the size of Canadian Utilities Ltd. power plant at Vermilion, it was doubtful if the local field alone could supply the peak requirements of both the town and the power plant. To provide a second source of supply, 21 miles of pipe line were laid to the Company's Kinsella field. There are 686 customers.

In addition to Vermilion, the Company commenced service two other communities, the Village of Legal supplied direct from the Legal field and the Hamlet of Gibbons located on the Legal-Fort Saskatchewan line.

GAS RESERVES

In continuance of its policy of developing additional gas reserves, an exploratory drilling program was carried out in the vicinity of Tofield. It unfortunately proved to be unproductive.

To take care of the ever-increasing demands of the towns south of Edmonton, the existing compressor station in the vicinity of Poe was increased by 330 horse power. Three local agent's residences complete with office, stockroom and garage facilities were built in the Town of Fort Saskatchewan and in the Villages of Holden and Legal.

3260 NEW CUSTOMERS

The Company experienced substantial growth in the number of new customers served during the year. While final figures are not yet available it would appear that some 3260 new customers will be added, considerably in excess of the number estimated earlier in the year. This increase will bring the total of those served by the Company over its entire system to something in excess of 35,000.

WARNING!

Frequent statements have been made to the Better Business Bureau that unscrupulous salesmen of stainless steel cooking utensils conduct a fake test by boiling soda in an aluminum saucepan.

As a result of this test, the salesman may say, or infer, that food cooked in aluminum causes various diseases.

**Scientific investigation has proved these claims absolutely false and has found both steel and aluminum quite harmless.**

**The National Research Council**, Ottawa, states: "No harmful effect to the Health is incurred by the use of aluminum cooking utensils."

**The American Medical Association:** "We believe that the propaganda against aluminum comes from quacks, cranks and faddists, or from those who put out cooking utensils made of other wares than aluminum."

**The National Cancer Institute of Canada:** "A considerable amount of public confusion has been caused by allegations against aluminum. The action of those who continue to disseminate such false information is to be condemned."

**If someone approaches you performing those fake tests, protect yourself by securing the name of the salesman, the Company he represents, and report this information to:—**

## MINISTER OPENS NEW SEED CLEANING PLANT

HON. L. C. HALMRAST, newly appointed Minister of Agriculture, is shown above officially opening the new Seed Cleaning Plant here. Mr. Halmrast on the right, is shown congratulating Mr. Clifford J. McCormick, president of the Association, on the completion of the $45,000 plant.

Another Fine Community Achievement

## VERMILION SEED CLEANING PLANT OFFICIALLY OPENED

Modernizing the business of seed cleaning, thus bringing it up to a par with other phases of farming, the new plant of the Vermilion Seed Cleaning Association was officially opened Wednesday, Jan. 20 by the Hon. L. C. Halmrast, the newly-appointed Minister of Agriculture.

Constructed at a cost of approximately $45,000, this latest addition to seed cleaning plants, has benefitted by the experience of each built before it. As a result it is the ultimate to date in seed cleaning plant construction and equipment. Incorporated in it are many new features designed for efficiency and facility.

Despite the frigid temperature a surprisingly large number attended to see the Hon. Mr. Halmrast throw the switch that set the machinery into motion, and to hear him dedicate the plant to cleaner seed, greater crop returns and better farms.

Present also from the Department were Mr. O. S. Longman, deputy minister; Mr. A. M. Wilson, field crops commissioner, and Mr Fred Parkinson, agricultural engineer.

Everyone interested made a tour of the plant, and saw the actual seed cleaning being done.

Coffee and lunch was served in the basement of the plant by the Stagettes.

Showing the widespread interest in clean seed and seed cleaning plants, many were present from points as distant as Paradise Valley and Marwayne, Vegreville and Edmonton with intermediate districts well represented.

THE BANQUET

At 5:30 the Vermilion Board of Trade were hosts at a banquet to the Hon Mr Halmrast and his party, officials of the municipality, officers of the association, shareholders of the plant and their wives, and other interested parties. Tables were set for a maximum of 155 and every place was occupied. Excellent catering was by the ladies of the Anglican Happy Hour group and the gathering was in the Anglican parish hall.

Mr Clifford J. McCormick, the president of the Seed Cleaners Association and chairman for the evening, stated that this had proved a great day, marking the opening of their plant. It was just two years ago that the first shares had been sold, and many difficulties had been met and overcome since that time. These were now all forgotten in the happiness over the successful culmination of their project. He paid tribute to Reeve Clarke and the Vermilion River municipal council which contributed one-third of the cost, to the many farmers who bought shares, and to Vermilion business men who came forward and purchased over $3000 worth of shares and thus helped considerably to forward the building of the much needed plant.

Mr K. C Chalmers, president of the Board of Trade, stated his pleasure at the successful completion of the new plant a major project for the district, and congratulated the farmers on their foresight.

THREE MAJOR PROJECTS

Deputy Mayor G. W Sutherland, added his congratulations and extended best wishes for the future success of the undertaking. He noted that the past year has seen the completion of three large and important projects in town and district namely the seed cleaning plant, the curling rink and the newly created provincial park. All of these require leadership, hard work, co-operation of a large number of good people to complete.

President McCormick spoke of the courtesy and consideration they had received from the reeve and councillors of the Vermilion River M.D., and Reeve Arthur Clarke of Paradise Valley replied. While there had been some little difficulty due to the fact that Vermilion was so close to the boundary of two municipalities, once this had been ironed out the funds had been forthcoming in short order.

NEW MANAGER EXPERIENCED

The Vermilion plant was fortunate in being able to secure as manager, Mr. E. V. Coulburn who has had seven years experience with the Canada Forage Crop Company in Edmonton. He thus brings considerable knowledge of seed cleaning plant operation with him. Mr. Coulburn was introduced to the gathering and in a few remarks urged the farmers to bring in their seed as soon as possible and not leave it all to seeding time.

W. R. Cornish M.L.A., added his congratulations on the completion of the plant and thought that but for the fact that the Mannville farmers were pushing for a plant, completion might have taken longer.

Fred Parkinson of the Department said that he could really wax enthusiastic over such a plant as this, and that it was a great satisfaction to see such a plant in operation. The plant now gave farmers a chance to sow cleaner seed than ever before and it was to their own interest to take advantage of it. These sentiments were echoed by Mr. A. M. Wilson, field crops commissioner who urged the farmers to use the plant, keep it busy and to get seed in early for cleaning.

GUEST SPEAKER

Introduced by his deputy minister, Mr. O S. Longman, the Hon L. C. Halmrast, minister of agriculture, congratulated the enterprising and courageous people of the community — enterprising in completing the cleaning plant, and courageous because so many had come out in the extreme cold to celebrate. He expressed pleasure at having his "old pal of the legislature" Bill Cornish present at the head table with him.

The minister touched briefly on the policy of grants from the department for the erection of seed cleaning plants, contributing one-third, or a maximum of $12,000 of the cost. It is now well known that to farm successfully you must have good clean seed, and this means good farms.

The old fanning mill was not good enough and so better ways of cleaning seed were sought. This has resulted in the present seed cleaning plant such as opened at Vermilion today, now recognized as the most efficient seed cleaning plan yet developed. Plants such as these are a major factor in eliminating weed seeds from farms.

TRIBUTE TO HON. DAVID URE

Mr Halmrast paused in his address to pay tribute to the late Hon. David Ure, recently killed in a highway accident. He termed Mr Ure's death a great loss to agriculture and to the province as a whole.

Mr Halmrast resumed his talk by giving some data on the grain cleaned in seed cleaning plants during the past year. Had the deliveries to the plants been streamlined much greater quantities could have been handled but there was a tendency to leave this operation to seeding time. All the plants in Alberta had met operating expenses with surplus for additions and repairs.

Mr Halmrast completed his talk with a few observations of farming in the south during the years of drought and wind, and how these handicaps had been overcome by devising farming methods to suit the area.

In closing his remarks Mr. McCormick introduced the executive of the Seed Cleaning Association: Mr Roy Walker, vice-president; Mr Richard Good, secretary treas.; Directors F. Van Wageningen, Fred Haines, Fred Watling Jr., Bob Drysdale, Ross Taylor, Ralph Wilson, Arthur Tovell, Herman Feenstra and the building committee of Gordon Ross, Frank Young, with himself as the third member.

E. H. Buckingham, district agriculturist, is the provincial representative on the Board and has been a source of great help and encouragement throughout the planning and building stages. Completion of the plant is a source of keen satisfaction to him as clean seed is a 'must' in Buck's eyes.

PRESIDENT APPRECIATED

Coming as a complete surprise to the president, Mr Roy Walker then took over and on behalf of the shareholders and executive presented Mr McCormick with a set of travelling bags. This was in appreciation of the tremendous amount of time and work which he had put into the plant project not only in planning and executive duties, but in actual construction as well. The services he had rendered were far beyond what are normally expected of any man in any position, and a large share of the credit for the construction and completion of the plant rested squarely on Mr McCormick's shoulders and rightly so.

Mr McCormick thanked the donors of the fine gift sincerely but did not entirely agree with them for all the praise as he again reiterated that the plant was a community enterprise and that very fine co-operation was received from everyone concerned.

## V.H.S. Curlers Win Zone Play-Off

A rink of curlers from the Vermilion high school will represent this zone in the Northern Alberta school play-downs being held this Friday and Saturday in Edmonton. The rink, comprised of Brent Long skip, Ronnie Inman 3rd, Stewart Cooper 2nd, Duncan Locke lead, emerged the winners in a four-team round-robin play-off at Paradise Valley on Saturday winning all three of their games.

The standing of the various schools at the end of the day's play was: Vermilion 3 wins; Kitscoty 2 wins and 1 loss; Paradise Valley 1 win and 2 losses; Islay 3 losses.

Playing against Kitscoty the V. H.S. trailed by one in the last end but came up with a 2 to win; against Paradise the score was tied up going into the last end and V. H.S. again counted to win.

The team travels to Edmonton Thursday night, curling Friday and Saturday for the Northern Alberta high school championship.

A very fine time is reported by Mr. Lorne Dowling and his proteges at Paradise Valley.

## Important Meeting For All Interested In Arts and Crafts

A public meeting of great importance to all who are interested in Arts and Crafts will be held in the Vermilion Junior high school on Monday, Feb. 8 at 8 p.m.

Mr Blake MacKenzie, Co-ordinator of Cultural Activities will be speaking on the possibilities of starting a Craft Centre at Vermilion.

Your ideas, interest and support will be appreciated to help in the growth of this activity in the community. 30-1x

## Annual Meeting Of B. of T. Wednesday

All men interested in the future development of the town of Vermilion should attend the annual meeting of the Board of Trade which will be held on Wednesday next, Feb. 3. The meeting will follow the regular 12:10 noon luncheon at the Rio Cafe. Reports of the year's activities will be given followed by the election of officers.

Any business or professional man not in the habit of attending these weekly gatherings is cordially invited to come.

## First Home & School Meet Well Attended

Despite the extremely cold weather, an enthusiastic crowd of 100 parents and teachers met in the Junior high school on Tuesday evening for the first meeting of the Vermilion Home and School Association. This was the first visit for many of the parents to the new school, which helped to account for the exceptionally fine turn out. It is hoped that this enthusiasm will continue, and that future large attendances may be expected.

The meeting was opened by the President Mr. E. Clendenning, who asked Mr Hugh Stewart to read the Home and School Creed. After the teaching staff had been introduced by the Principals, an interesting film entitled "He Acts His Age", was shown. This was an introductory film to a series dealing with child development, and suggested problems that do arise during a child's growth to maturity. During the discussion groups which followed the film, it was unanimously decided to show the entire series at future meetings.

Lunch was provided by the parents of the Grade 6 pupils, under the capable direction of Mrs. M Norton, Mrs. W Dixon and Mrs Brix.

## Film to be Shown At Youth for Christ

Youth for Christ will be getting back into full swing in Vermilion, Saturday, Jan. 30. This will be the first rally of the season since the annual business and re-organizational meeting which was held in the Legion hall on Dec 11, following the December rally.

Approximately 80 were present for the annual business meeting. Those elected to office for the coming year are Mr James McAuley, Director, Rev James McNair Vice-Director, Miss Marjorie Smith secretary treasurer. Last year's executive was composed of James McAuley Director, Capt Chapman Vice-Director, Mrs A Olds Sec-Treas.

Vermilion Youth for Christ looks back upon a successful year with eight well attended rallies and also ahead in anticipation to a year which shall be beneficial and a blessing to all who attend. There are some interesting rallies ahead and you can't afford to miss a single one.

The feature attraction at Saturday's rally will be the showing of the Christian drama "The Missing Christians", a 30-minute sound and color film produced by Evangel Films, Portland, Ore.

The setting for this film is the home of a Christian widow and her three children. The film depicts future Bible prophecy centering around the event of the Rapture of the Church, the time when Christ returns for those who have received Him and who are His own.

We expect to see the hall packed for this rally.

Vermilion Youth for Christ extends a warm invitation and welcome to everyone. You are welcome at this and future Y.F.C. rallies.

## Newspaper Bingo

Numbers drawn Tuesday: N-33, G-55.

Numbers previously drawn are B-7, B-9, I-16, I-20, N-44, G-57, G-42, G-60, O-75, N-37, I-19, I-17, B-5, B-10, G-54, O-62, B-4, O-65, O-72, G-59.

Five bingos have now been claimed: horizontal line 2, 3 and 5 and both diagonal corner to corner lines.

Someone is going to win $200 soon ... buy an extra card or two, its worth the risk.

## Three Home Games League Hockey Saturday, Monday and Wednesday

Hockey fans will be treated to a full course of home games this coming week as the Tigers try to catch up on games postponed due to the very cold weather.

This Saturday Jan 30 they play hosts to the Vegreville Rangers. Rumor has it that the Rangers have strengthened their team so that the crew that takes the ice on Saturday evening will be viewed with considerable interest.

On Monday, Feb. 1 the league-leading Viking Gas Kings will be here and on Wednesday night Feb. 3 the Wainwright Commandos will supply the opposition. Thus in the short space of five days all teams in the league will display their ability on Vermilion ice.

In short, here's the program at the Vermilion arena:

Saturday, Jan 30 — Vegreville
Monday, Feb. 1 — Viking
Wednesday, Feb. 3—Wainwright.

## Lady Curlers Bonspiel Here Tues. & Wed.

The annual ladies bonspiel open to all comers, will be held at the Vermilion curling rink next Tuesday and Wednesday Feb. 2 and 3. Four competitions with the progressive draw being used will be played with four sets of prizes for each. Entries for the popular event are already being received.

Temperature in the new curling rink remains fairly constant at 18 to 20 degrees above and is ideal for playing, conditions being probably the best in the west for real enjoyment.

As a result of the ice being so much lower than the level of the outside ground, little effect is felt from the extreme frost and the ice has experienced no heaving which is so common in rinks on the ground level.

A NICE GESTURE, LADIES

A nice gesture has been made by the ladies of the town who do not curl but whose husbands do. These ladies are so pleased that their husbands have such a nice place for curling that they have undertaken to operate the lunch service during the ladies' spiel. All the net proceeds will be donated to the curling rink building fund. This is really a very generous and unselfish act, deserving of considerable praise, as running a lunch booth at all hours for two days is quite a job and really breaks into the routine of a housewife.

## Tigers Lose At Viking In Overtime Game

Scoring a great comeback in the third period the Vermilion Tigers notched 5 goals to the Gas Kings 1 to tie up the game at 6-all at Viking Wednesday night. In the overtime the Gas Kings scored two to the Tigers one to take the verdict and two points. The Tigers went behind 3-0 at the end of the first, 5-1 by the time the second stanza ended and then started their remarkable comeback.

Elmer Kreller made the trip with the boys and was back in the line up. Early in the first period he sustained a bad cut on his head which bled profusely and bothered him for the rest of the game. The presence of the 'old master' proved a source of confidence to the young Tigers. His return is hailed with delight in local hockey circles.

More good news too is to the effect that Les Williams has definitely decided to play all the home fixtures and the play-off games with the Tiger club. Les has been practising and will see plenty of action in the three fast home games scheduled for Saturday, Monday and Wednesday.

Come on Fergie ... let's complete the picture!

ST. MARTIN SCORES 4

Johnny St. Martin was going great guns Wednesday evening notching four counters, Patsula got 1, Dobbyn 1 and Moffatt 1. Cooper and Patsula gathered in four assists each with all other members of the team getting one or more assist points.

Reception Held Wednesday, January 20th

## Mr. and Mrs. A. W. Elliott Observe Fiftieth Wedding Anniversary

Fifty years ago on January 20, 1904, in the town of Lakehurst, Ontario, a young couple Wilbert Elliott and Janet Shaw were married. Fifty years later this couple celebrated the 50th anniversary of their wedding in Vermilion. Their Golden Wedding saw them surrounded by their sons and families, their grandchildren and other relatives while the guest book was signed by seventy-five friends with many more prevented from attending by the extremely cold weather. All were happy to pay their respects to a highly esteemed and lovable couple.

Following their marriage in the little Ontario town, Mr and Mrs Elliott farmed in that province until 1912 when they moved to Alberta. They homesteaded in the Vanesti district some 20 miles south east of Vermilion and farmed there for 32 years. During that time their three sons Robert, Clarence and Arthur grew to manhood and during that time too both Mr and Mrs Elliott played their part in the development of the rural community. Mr Elliott served several terms on the council of the Grizzly Bear municipality, was the member on the Islay municipal hospital board and a trustee of the Vanesti school district. Mrs Elliott did her part in ladies' organizations, taught Sunday school and also served as trustee on the district school board.

They continued farming until 1944 when they sold their farm and moved to Vermilion where they still reside.

Marking the Golden Wedding day was a reception held at the home of their niece, Mr and Mrs. Ken Urquhart when seventy-five friends called to express their good wishes and congratulations.

The living room and dining room were tastefully decorated with vases of golden mums, gladioli and daffodils. The bride's table was laid with a lace cloth and graced by a three-tiered wedding cake and golden tapers. Pouring tea and coffee were Mrs. Sadie Oldenberg, Mrs. H. P. Long, Mrs. W. D. Williams, Mrs. G. Dunsmore, Mrs. A. M. West and Mrs. Roy Stone.

Serving and assisting the guests were Mrs. George Guernsey, Mrs. R. J. Elliott, Mrs. A. H. Elliott, Mrs. W. G. Urquhart, Mrs. Douglas Cooper, Miss Lana Carruthers, Master Clarence Elliott and Master Elliott Urquhart.

Mary Elliott and Jim Elliott, grandchildren of the honored couple were in charge of the guest book.

Among the guests was Mrs. George Guernsey of Edmonton, a sister of Mrs Elliott and who was the bridesmaid at the wedding fifty years ago.

Members of the family present from out of town were Mr and Mrs. Robert J. Elliott and sons Jim and Clarence of Wetaskiwin, Alberta, Mr Clarence Elliott of Edmonton, Mr and Mrs. Arthur H. Elliott and daughter Mary of Tofield, Alberta, Mrs. George Guernsey of Edmonton.

During the day many gifts, telephone messages and cards were received by the happy couple.

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, JANUARY 28th, 1954.

*COMMUNITY ACHIEVEMENTS*—

The Standard takes this opportunity to add its congratulations to each and everyone responsible for the construction of the modern seed cleaning plant here. It is a project the value of which will be appreciated more and more as the good work which it will do becomes apparent.

The seed cleaning plant was a community enterprise in that it took numerous men working together to formulate and promote the plans. It took some 400 or more shareholders to supply the needed finances and the backing of the municipal district and provincial government financially. Thus it takes a lot of good co-operation and organizing to accomplish a major undertaking such as the building of this plant.

While Vermilion and district has no patent on community co-operation and community enterprises it probably has more to show by the community working together than many other towns. Away back in 1910 the first curling rink was a community project. That is the men of the town got together and did the work and put up the necessary money; again in 1926 the arena rink was built in a like fashion with the farmers rallying round nobly with money and help. The Scout hall was erected by the Elks chiefly but that too called for help in actual construction. The whole area got together to finance the building of the memorial hall. During the past few years many of the church organizations have built and improved [illegible] so doing [illegible] enjoyed much actual help of the hammer and saw variety from people of their congregations.

This past year has seen no less than three very ambitious undertakings, the start of the development of what will eventually be a very fine park, chiefly by a lot of hard work and much time by many citizens of town and country along with the support of the provincial government and Canadian Utilities, the curling rink, and finally the seed cleaning plant, make Vermilion's record of community achievements a very imposing one indeed.

## Our Rosy Future

Although there seems to be a rather widespread belief in Canada that your population will reach 40 millions by the end of the century and that its peak will not go beyond 50 millions, I disagree declares Vergil D. Reed, prominent New York advertising research authority in The Financial Post. I believe you can easily reach 50 millions by the end of the century, and without taking more immigrants than you can mold into good Canadians.

Canada's resources will support considerably more than 50 million people if those resources are intelligently used. Even now your population is increasing at a rate of roughly 2½% a year — and remember this is compounded annually.

## Lose Coverage If Drunk

A drunken driver loses the protection of his insurance both as regards his liability for damage he may do to the persons or property of others and also as regards collision damage to his own car, The Financial Post notes.

Under the absolute liability clauses of the automobile insurance acts in force in all provinces except Quebec, the company insuring a drunk driver must still pay, up to the minimum limits of bodily injury and property damage $5000 for injury to one person, $10,000 for one accident and $1000 property damage.

But while the insurance company must pay these limited damages to an injured party getting judgment against its policyholder, it has the right to recover the money from the policyholder on whose behalf it paid it out.

Indemnity for collision damage to insured's own car is definitely out.

## PUBLIC NOTICE

PUBLIC NOTICE is hereby given that there has been introduced in the Council of the Municipal District of Vermilion River No. 71 a BY-LAW of which the following is a short synopsis:

*WHEREAS* the ratepayers are raising the sum of Thirteen Thousand dollars ($13,000.00) by way of sale of shares, and the Provincial Government will pay by way of a grant the sum of Thirteen Thousand dollars ($13,000.00)

*NOW THEREFORE BE IT RESOLVED:* and acting under authority given in the Municipal District Act in that behalf it will be lawful for the Council of the Municipal District of Vermilion River No. 71 to proceed with the expenditure of Thirteen Thousand dollars ($13,000.00) as stated, for the erection of a Seed Cleaning Plant at Paradise Valley, Alberta, by the Battle River Seed Cleaner Co-operative Limited, by paying to the Board of Directors of this Co-operation, a sum not to exceed Thirteen Thousand dollars ($13,000.00) for the purpose stated herein:

AND that a copy of the same may be seen at the following places:

A. G. LEA AGENCY, Paradise Valley — [illegible]

[illegible]

POST OFFICE, Tulliby Lake

McKAY'S HARDWARE, Dewberry

[illegible]

MUNICIPAL OFFICE, Kitscoty

AND FURTHER, that unless within Thirty (30) days from publication of this notice at least two per cent (10%) of the proprietary electors of the Municipal District petition the Council to submit such BY-LAW to the vote of the proprietary electors of the Municipal District the Council will proceed to pass the same.

DATED at Kitscoty, Province of Alberta, this 12th day of January, A.D. 1954.

THOMAS WILSON
Secretary-Treasurer

By Your District Agriculturist

## "GREEN ACRES"

### WHAT ABOUT GARNET?

At last we have [illegible] a dead end with Garnet wheat. There are now 22 million bushels in Vancouver which the wheat board cannot sell to any one. When there is a surplus of wheat the poor stuff cannot be sold. It looks like a very big spread in price this year between Garnet and Thatcher. Anyone planning on seeding Garnet this year is advised not to do it.

### CROSS-BREEDING PIGS

It is doubtful if crossing breeds of pigs is of any benefit to pig breeders. In cross-breeding of any kind of stock we must use top quality animals. Unless the boar is well bred and of good type and the sows also of good bacon type it is most likely that the litters will be poorer instead of better than the parents. It is my opinion that pig breeders in this district should forget about cross-breeding and get down to using good bacon type 'Yorks'.

### FLOP EARED PIGS

All the breeds of pigs with flop ears are poor bacon type. Some people in this district are selling poor type Duroc boars. I would say to pig breeders that it is unwise to buy and use these boars. This district has a good reputation for the number of select hogs sold on the market. Anyone who has a part in lowering the quality of our hogs is not doing themselves or anyone else any good.

### ELECTRICAL SCHOOL

On March 1st a two weeks Electrical school will start at Vermilion. Anyone interested in learning about wiring their buildings or the operation of motors and the use of electricity on the farm should apply to the D. A. immediately. Only 30 people can attend this course. There will be two instructors for the full time of the course.

### BULL LOAN ASSOCIATIONS

Last year 26 bulls were placed out on loan to farmers in this district. This year we have 6 more groups lined up. The dead line is Feb. 1 so kindly let me know soon if you want a loan bull. All that is needed is five farmers to form a group. There must be 30 or more cows in each group.

### VERMILION SEED PLANT

My congratulations to President McCormick and his directors and all of the shareholders on the fine seed plant which was opened officially in Vermilion last Wednesday, by Mr. Hahnrast, Minister of Agriculture. The plant is now open for business. Any farmer whether he is a shareholder or not is welcome to bring in his seed for cleaning. Do not wait until spring as the plant cannot handle all the work at seeding time. See the manager now so you will not be disappointed in the spring.

### CARD OF THANKS

We wish to express our most sincere thanks to all who helped us in any way during our recent bereavement.

A special thanks to Miss Keith and the staff at Vermilion hospital. To Dr. Evans, to the ambulance attendants; to Mr. W. Elford, to Mr. J. W. G. Morrison, Mr. Albert West, Mr. Melvin Hill, Mr. E. Corley, Mr. George Whyte, Mr. F. J. Richardson, to Mr. Moyer, and to Rev. C. W. MacKay whose words of comfort brought us great blessing.

To those who sent beautiful floral tributes, contributions to the Cancer Fund, the Polio Fund, the Cemetery Fund, to the Gideons and to all who expressed their sympathy, we are most grateful.

Mrs. J. Cavil and family.

## NEWS from DEWBERRY

The local high school curlers are now playing an elimination with Clandonald and Marwayne to see which rink goes to Edmonton to compete in the Northern Alberta championships this Friday and Saturday. The Dewberry rink is comprised of Garry Garnier skip, Russell Garnier, Eddy Wowk and Ernie Braithwaite. Clandonald has been eliminated at time of writing and Marwayne was a game up on Dewberry. It is a round robin.

Many people are commenting on the effect of the extreme cold on cattle outside. Cattle can be noticed bleeding slightly at the nose. Feed will become scarce in this area if winter is long and remains cold.

Two Dewberry rinks recently held off challengers from Derwent for the Livestock Challenge cup. The local skips were Walter Parker and Vic Dennill.

Best wishes for a speedy recovery back to health and home are extended to Rudi Isert. He is a patient in an Edmonton hospital with a heart ailment.

Wedding bells will soon ring for another of our young bachelors, so we hear - (to be continued).

MUNICIPAL ELECTIONS LOOM

What with municipal annual meeting coming next month people should take stock of their road situation now. One good blow and Dewberry-Clandonald road over the big hill will be absolutely closed until well after the spring break-up. So far there isn't a windbreak or snow trap of any description to keep the snow out of the huge trough now in the centre of the road.

F.U.A. MEETING

At the last F.U.A. meeting held at Sol Lamp's many of the members were able to hear their voices on Harlan Green's tape recorder. Of course this all went on secretly as the small microphone which picks up the voice was not noticed. Even the screams were recorded after people had heard their own buzz of conversation. The entire district is to be canvassed for F.U.A. memberships. The next meeting will be held at the home of Mrs. John Maltais in town.

Oh the weather is cold,
And the air is thin
The coal pail scrapes
The bottom of the bin.

Yes sir, fuel is rapidly disappearing in this kind of weather. Some are still having trouble with oil lines on oil stoves.

Harvey Bowman shot a coyote while it was gnawing at a pile of bones. It's lips were frozen stiff from the cold and it was apparently very hungry. Coyotes have become very bold again due to hunger and cold. One wonders where they keep coming from.

In this cold weather when you can't push your front wheels due to them being stiff, try backing up. It takes less traction to pull the front wheels than push them. Try it.

## Sixteen Years Ago Today

*Jan. 27, 1938*

The largest number of rinks in the history of the Vermilion spiel commenced play on Tuesday with thirty rinks entered. These were equally divided between town and visiting quartets.

The first dog race ever run in town attracted 300 spectators on Saturday and Don Wiebe with his big Police dog "Rex" romped home the winners with Frankie Souder and his beautiful collie "Jack" running a close second. Wesley Harris and "Collie" were third. The race was sponsored by Melvin Hill.

The town was offering 5% discount for prepayment of taxes by Feb. 15.

Town elections loomed on the horizon with the terms of Crs. Dr. Scott, Wm. Mayhew and Geo. Webb expiring, and those of school trustees Dr. Knoll, Wm. Barr and S. C. Kirby also running out.

## Thirty-two Years Ago Today

*Jan. 26, 1922*

Work was begun on a building on Main street which will eventually house the Vermilion Valley M. D. office. It is located next door to M. Wener and Son.

Comparatively mild weather prevails after the severe temperatures of from 40 to 50 below of last week.

Over 100 veterans attended a reunion at the G.W.V.A. in Vermilion.

Dr. F. Day Smith, Harley Gidley, Fred Long and Harry Marfleet were curling in the Edmonton spiel.

THOSE WERE THE DAYS — By ART BEEMAN

OUR JANUARY

## CLEARANCE SALE CONTINUES

| Morgamma C. per lb. | $5.00 | $4.60 |

*Rate of application, 2 1½ ounces per acre*

Insurance levy on grain delivered to Plant ¼c per bushel; minimum insurance charge 50 cents

HANDLING

Loading cars, one cent per bushel; handling seed transactions two cents per bushel

STORAGE

Grain will not be accepted at plant for storage. Forty-eight hours after notification by operator that grain is cleaned a charge of one cent per bushel per day may be levied.

Screenings unclaimed after four days will be sold and proceeds credited to owner.

Most farmers realize the need for removing seed and screenings promptly so that output capacity of plant will not be reduced.

Grain containing *Tartary Buckwheat* will not be accepted at the Plant.

Plant Manager is authorized to refuse to accept grain for cleaning that, in his opinion cannot be cleaned to a seed grade.

The Seed Cleaning Plant has had a thorough pre-season check and overhaul. Many repairs, alterations and improvements have been made and new equipment purchased. It is the policy of the Board of Directors to maintain plant and equipment in the very best working order so that plant operators can maintain a high standard of excellence in quality of work done.

Truck boxes and grain loaders should be thoroughly cleaned when taking delivery of cleaned seed. Farmer should inspect his cleaned seed AT THE PLANT. It is an advantage to farmers and to plant operators to make deliveries in large lots.

Farmers are reminded to get their seed cleaned early and thus avoid the late-season rush when demands on the plant exceed its capacity.

The Plant is agent for Alberta Seed Growers Grass and Forage Seed. A supply of this seed is stocked in season to provide quick service. Sales were heavy last season and farmers would be well advised to book orders in advance.

**Clean Seed — Properly Treated — Pays!**

Phone 38, Marwayne

## HOCKEY CHIT-CHAT

*By RAIL BOID*

Should imports be allowed in the Eastern Alberta Hockey league? This can be looked upon in many different ways, by the fan, the players and the hockey club executive.

The player, although not being paid, still has personal interest in the game. He experiences the thrills of participating in the fastest game in sports. His ambition may lead him to great heights in trying to climb the ladder of hockey success, but due to lack of fans in this league the player may be forced to quit by the folding of the home town team.

It is very doubtful if the club executive wants imports. They are interested in community work, developing good players, providing winter entertainment for the fans, and setting a goal for the youthful home town players. Then arises the problem of financing. Most of the funds come from the decreasing gate receipts. This places the team on a shaky foundation.

The fans want to see good hockey. Seeing home talent in action satisfies the fan and gives him pride in the team's victories. The team is their representative in sports. Therefore the solution is home town talent coupled with a coach to teach them good hockey.

## HI-SCHOOL HI-LITES

On Saturday, Jan. 23, the V.H.S. Taylor and Pearson entry went to Paradise Valley to play in the district play-offs, and won all three games. The rink consists of Skip Brent Long, Ronnie Inman 3rd, Stew Cooper 2nd and Dunc Locke lead. In their first game of the day the V.H.S. rink downed Islay by a terrific score of 17-2. This was a run-away game, including a 5-ender for V.H.S. Kitscoty was the next opponent, and this game was a real thriller. V.H.S., one down coming home, laid a 2-ender to win the game 11-10. Vermilion then met Paradise Valley in their last game of the day, winning this one by a 10-8 score after being tied coming home.

The Vermilion boys really enjoyed the Paradise Valley hospitality. The hot lunch, served by the P.V. high school girls, was very much appreciated by all.

Taylor and Pearson merit crests will be presented to the V. H. S. boys for winning these play-offs. They leave Thursday to compete in the Northern Alberta regional play-offs at Edmonton. The winners there go to Calgary for the Alberta provincial finals and the provincial winners travel to Hamilton to represent Alberta in the Dominion play-offs.

Congratulations and good wishes go to you boys! Let's see V. H. S. go all the way!

Early this term two ping pong tables were set up in the 'Music Room' of the high school. These have provided much amusement for all the students, but especially for the bus students, who before this had no recreation at noon hour. We wish to thank Mr. Kokotailo who was instrumental in our obtaining these facilities. For the past two weeks a ping pong tournament (mixed doubles) has been under way. 16 teams were entered. Harle and Cooper are playing Kibblewhite and Sweet in the finals but the winner has not yet been determined. Play for the consolation winner has not been completed. Results will appear later.

This is the first tournament to be held, but we hope to have more soon as interest seemed very keen.

The high school has undertaken to donate a sum of $50 to the Polio Fund campaign. Each room will try to collect approximately $10. So far, the total of $40 has been raised for this purpose.

We are glad Mr. Bell is back on the job again, and seemingly in better spirits than ever.

On Friday, Jan. 29th the V. H. S. Students' Union will sponsor a dance in the Armories at 7:30 p.m. This is in place of our Surprise party, formerly planned for Jan. 22. Inman's orchestra will be in attendance and V.S.A. students are to be our guests. Be sure to come and join in the fun! Don't be late!

## Girl Guide News And Activities

A hike in September to Vermilion Park and Lake with hamburgers at the end of the trail, opened another busy season for the Girl Guides and their leaders.

The next few weeks found the girls busy making paper disposal bags for the hospital beds. Around 4000 bags were made and given to the Vermilion hospital. This bag-making took the form of a competition between the four patrols with the Swallow patrol taking the honors with the largest number of bags.

With Christmas drawing near the Guides planned a party, with each Guide bringing an item of canned goods for Xmas hampers and these hampers were given to the Salvation Army for distribution to the needy.

Now, with the New Year well underway the girls are busy preparing a few articles for display of competitive work at the Girl Guide convention which will be held in Calgary in March. Some are doing posters and some will have a few articles of sewing to display. The Guides will also dress a doll as a wee 'Girl Guide' for the convention and later will donate it to a children's hospital.

This brings us up to date on the Guide activities so until next time let us remember the motto set forth by Lord Baden Powell for all Guides and all people everywhere "Laugh while you work."

## Annual Meeting Of Mannville Library

MANNVILLE — The Mannville Library Association held its annual meeting at the home of Mrs. Van Dusen on Monday evening Jan. 18. There were nine members present. Three committees were chosen to Routine business was attended to order books for the winter and spring. Mrs. Hay reported that 1849 books had been accessioned. We also have about 200 children's books on our shelves.

The net receipts from the Bingo were $117.12 and from the turkey raffle $23.90.

A vote of thanks was extended to Mrs. G. Clark for the donation of the turkey.

The following officers were chosen for 1954:

Chairman — Mrs. J. [illegible] Jones
Secretary — Mrs. [illegible]
Treasurer — Mrs. A. D. Baker
Librarian — Mrs. P. Hay

Mrs. Jones moved a vote of thanks to Mrs. Proudfoot for her outstanding management of the affairs of the library for the past two years. Mrs. Proudfoot in turn thanked her officers and members for their loyal support.

Library hours are as follows: Saturday 2.30 to 4.30 in the afternoon; 7 to 9 in the evening. Tuesdays 12 to 1:00 o'clock.

## The Vermilion Co-Op.
John Knight - Manager

## Wildmere W. I.

The Wildmere W.I. held the January meeting on the 13th at the home of Mrs. F. Gibson of Basswood with 13 members and one visitor Mrs. D. Hughes present. The latter became a new member.

The meeting opened with roll call, suggestions for project work of the year. It was decided to carry on from month to month as last year. For February it was decided to bring socks or slippers for Korea, also a money donation of 35c per member to buy barley for Korea orphans.

Treasurer's report was given by Mrs. G. Whitlock reporting a nice sum on hand. Mrs. Gibson reported sending flowers to a sick member, Mrs. Wm. Steele when in hospital.

Unfinished business arising out of the minutes regarding the Basswood school, Mrs. Garnett said that she would be on hand when needed. Crests for the group was discussed. Mrs. W. T. Garnett is to try making some out of felt to bring to the next meeting. A letter of thanks was received for diapers sent to India.

Mrs. W. J. Garnett read two letters, one from Mrs. Dale of a W.I. group in Manitoba, and the other from a friend Mrs. Guilfoyle who used to live here but now resides in B.C. and who is yet greatly interested in her old home. Both the letters were greatly enjoyed.

The handicraft list was gone over and ten articles chosen. This list is to be sent in immediately as many members would like to make their article now during slack times.

The new program [illegible] examined and approved. The directors Mrs L. Howard, Mrs. R. Osterburg and Mrs. A. Holte are to be heartily congratulated on their good work as the monthly programs surely appear interesting.

The topic was given by Mrs. R. Osterburg and read by Mrs. R. Martin and was on the Singing People of Tonga. This was very interesting. These people are deeply religious and tall of structure. Everyone receives 8 acres of land at the age of 16. Horse racing is their favorite sport.

The social was given by Mrs. Holte, a story of Preston school. This was keenly enjoyed. Johnny Jump Up was won by the president Mrs. J. Bathe. Next meeting will be held Feb. 3rd at Mrs. R. Osterburg's. Roll call a 4-line poem about your community (original). Social, exchange of home made Valentines. The meeting closed with the singing of God Save the Queen. The hostess then served a delicious lunch.

## Mannville Ladies Win At Edmonton 'Spiel

MANNVILLE.—Like most of the surrounding towns, bonspieling is the order of the day in Mannville. Some are lucky, others aren't quite so lucky. The rink composed of the Mercer sisters, Mrs. Betty Arnold, Mrs. Merrie McGreevey of Edmonton, Mrs. Nancy Coxford and their cousin Mrs. Peggy Hubbard of Mannville were successful in winning the H.H. Cooper Visitors' event at the Edmonton bonspiel last week. They won the trophy cup as well as a large hamper of groceries and small travelling alarm clocks each.

Two local rinks, one skipped by Ethel Mercer with Erna Gerhart, Norma Ewing, Elsie Williams; the other skipped by Bren Haalnoff with Joy Manz, May Proudfoot and Myrtle Mackenzie won both games in Vermilion on Sunday afternoon to bring home the Bank of Commerce trophy.

The Manville Ladies bonspiel will be on Tuesday and Wednesday, Feb. 16 and 17.

The men haven't done as well as the ladies. The rink skipped by Len Manz with Jack Park, Ab Hubbard and Fred Proudfoot lost out at Viking, as did Maurice Mercer who curled with a Vermilion rink.

The local men's bonspiel starts the week of Feb. 8.

## Ottawa Holding Sled Dog Derby

OTTAWA. — The International Sled Dog Derby will be held in Ottawa Feb. 9 and 10 with 25 of North America's best drivers competing for the top award.

To the winner will go $1000 and two trophies including the Chateau Laurier Gold cup. This trophy has been up for these competitions since 1930 and must be won three consecutive years to be retained. Wilf Lepine, prominent Quebec musher, and an entry again this year, won it last in 1952. Lack of snow last year precluded the running of the race.

One lap of 33 miles will be run each day with the best combined time winning the Derby. There will be a special trophy for the best woman driver.

## Of Many Things . . .

By AMBROSE HILLS

"Yeah," the young lad in the smoker said. "It's a lot of guff. They call it a land of opportunity. Well, maybe for some—but what about blokes like me? I ain't got much schooling. I don't know any big shots. I got no money—and it takes money to make money. Now if I had a thousand or so — I'd get places!"

He looked around the smoker. Most of us nodded in agreement. Obviously, the boy spoke poor English, didn't look too well dressed, had no money. Certainly his opportunities seemed limited. But an older man, who had been sitting quietly in a corner of the smoker, puffing away on a battered old pipe, spoke up.

"Son," he said, "wonder if I could give you a bit of advice — from an old man?"

The boy looked a bit shocked. Then he grinned. "Sure, pop. Go ahead."

"A little while ago you said 'I ain't got much schooling.' Didn't you know that was bad English, that there's no such word as ain't?"

"Yeah, pop. I knew that much."

"Well son, there's one bit of opportunity right at your dooryard, waiting for you to go to work at it. Stop using ain't. Talk a little more softly, say yes instead of yeah. A little trying and you'd sound pretty fine, son."

"Oh pop! You're not going to tell me that'd do me any good! C'mon, now."

The older man smiled. "I'm not going to tell you anything, son. But don't tell me you haven't opportunities when I can see them around you by the hundreds. You've smoked three cigarettes in the last hour. You must get through a couple of packs a day."

"Sometimes more," the boy said. "I eat them!"

"Well," the older man said, "maybe you're letting the capital you want go up in smoke. You're spending a couple of hundred dollars a year for smokes!" He smiled again. "Of course, that's your business — not mine. Just thought you'd probably never thought of it that way. Another opportunity, right at your doorstep, son!"

That happened many years ago. I was only fourteen myself, and had no business to be in the smoker at all. After a while, when the older man left the smoker, I asked who he was.

"That man?" one of the passengers said. "Why, that was Joseph Conrad — you know, the fellow that writes books. He was born in Poland. Didn't learn any English at all until he was a young man - then turned out to be one of our best novelists. Lord knows how he did it. I don't."

Neither do I, of course — unless it was by seeing opportunities right at his own dooryard and doing something about them instead of complaining about the world!

## Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents.

Vermilion, Alberta.

The Editor,
The Vermilion Standard.

Dear Sir:

In regards to parity prices for which the farmers are always clamoring and perhaps rightly so, it makes us wonder what the Federal members are asking for when they are considering voting themselves so great a salary with income tax exemptions etc.

We all know that no one can live without money or its equivalent, so why burden the backbone of our fair Dominion by allowing special privileges to our servants, while at the same time farm commodities are gradually lowering in value? Are they forcing the farmer to organize? Organize brother, organize!

Even our home town council, most of them business men, allow fairly heavy business tax to keep their town finances in healthy prosperity while they have the power and authority to raise or lower the burden of responsibility and welcome others to our wonderful town by beautifying and enlarging our business possibilities.

No doubt they feel if they put nothing in we will get nothing out. How true. Why not show our appreciation of work well done by allowing a bonus equal to if not more than the present business tax and make it a town worth living in and watch our town grow.

A Citizen of Alberta.

IS YOUR SUB. PAID UP?

## Piano and Organ Servicing

Al. G. Pepin and Rene J. Pepin will be in the Vermilion district some time in February to service pianos and organs.

Kindly leave all appointments care of the Vermilion Hotel now. Road conditions will govern time of arrival.

Al and Rene are Certified members of the American Society of Piano Technicians. You can depend on their qualifications and service.

## Little Variety In The Weather - Just Cold

The frigid spell has commenced its third week with weather forecasts stating that the end is in sight. It did ease up a little this Thursday, but just a little.

*DAILY TEMPERATURES*

| | High | Low |
|---|---|---|
| Jan. 21 | -26 | -40 |
| Jan. 22 | -30 | -38 |
| Jan. 23 | -19 | -34 |
| Jan. 24 | -19 | -42 |
| Jan. 25 | -20 | -34 |
| Jan. 26 | -15 | -35 |
| Jan. 27 | [illegible] | -33 |
| Jan. 28 | -11 | -20 |

## Pleasant Valley

Hope that everyone likes the weather we are having. We gradually become used to it. The sun is nice during the day. Roads are good at present, but there is definitely something the matter with the temperature. It is now 34 below.

On Sunday the writer enjoyed a nice sleigh ride, journeying over to Christie's for dinner. Doris Giles spent the week end at the farm home here. Quite brave Doris!

The writer, husband, Sylvia, Laura and girls enjoyed the demonstration dinner held at Mrs. Giles' home. All her family were there for the big dinner. The buns were good Lily.

Laura returned to Lac la Biche on Sunday night. She spent a month at home with her mother. The Mercier boys started to church on Sunday when the gas line froze up. Christie towed them home with his truck.

Hello Mrs. Moore, I do hope that your bulb is in bloom. Come and see mine. Of course you could ride your bronco down, as the roads are good. Glad to hear that Laura arrived home safely.

News is rather scarce these days, let's hope for warmer weather soon and spring with flowers and perfume. For these we will wait, behind the winter's mystic gate.

## Wildmere Winks

A gloom of sadness was cast over the community when word came that Mr. J. Cavil had passed away. He was a grand old man, one who had really lived a long and a good life and enjoyed it. He was rarely ever sick, was always willing to give a helping hand or a kind word where needed. A real pioneer who had seen the country progress from the days of the oxen to the present day of power machinery, better homes and electricity. To his sorrowing wife who has been his loving partner for so many years and also to his family goes our heartfelt sympathy in their hour of bereavement.

Our cold weather still is with us at time of writing. It has surely been a long spell of unbroken cold. It is hard on stock outside and also on feed stacks. Children going to school feel the cold too, even if bundled up to the eyes.

Cliff Cruthers is at Wainwright this week curling with Billie Veitch, Harry Symes and Forest Seale. We wish you luck boys at the spiel.

On Sunday Jan. 17 Mr. and Mrs. Guy Whitlock, Margaret and Hazel and Mr. and Mrs. R. Martin and Doreen were supper guests at the home of Mr. and Mrs. R. Smith and family of Basswood.

On Saturday evening Jan. 23 Mr. and Mrs. C. Cruthers and family were visitors at the home of Mr. and Mrs. David Hughes and family of Basswood. On Sunday evening Mrs. Cruthers and children were supper guests at the Gibson home, also of Basswood. The occasion being Mary's birthday supper. Cliff Cruthers was curling on Sunday so missed the happy time; Mr. and Mrs. R. Martin and Doreen were also visitors at the Gibson home. May you have many more happy returns Mary of Jan. 29.

We were sorry to hear that Mrs. A. Clarke of Paradise Valley was not feeling the best. We hope you are better and able to keep warm in this severe cold spell. Remember our day of shopping in Edmonton last fall and how we enjoyed it.

Mr. J. Currie of Kitscoty had the misfortune to run a nail into his foot last week while in Lloydminster. He had it attended to right away by a doctor. Mr. Currie is a very busy man, he seems to be everywhere and if a machine in the M.D. needs repairs, or the snowplow is in difficulty, he is right on the job.

Curling at our local rink goes on even if it is cold. Almost every night we can hear the light engine going.

We had nice chats on Saturday with Mrs. Barlow of Buffalo Coulee, Mrs. F. Clark of Thorncliffe, Mrs. W. Funnell of Union, Mrs. Guy Whitlock of Wildmere and Messrs. Tom Sherwood of Bowtell, Cecil King of Thorncliffe; Louise Bishop of town and Mrs. Alex Morrison of Bowtell.

Lost in town — by Bobby Graham, a pair of hand knitted navy blue woollen gloves. Anyone finding them will they please drop in the P.O. and Mrs. J. Wallington will pay the postage.

Anyone wanting a sweater knit please phone or write Mrs. J. Wallington who will be pleased to do it.

## The World of Wheat

By H. G. L. STRANGE
*Director "The Crop Testing Plan"*

EXCHANGING GRAIN FOR REGISTERED SEED

Farmers are now permitted by the Canadian Wheat Board to purchase from any elevator Registered or Certified seed, wheat, oats or barley — in exchange for the delivery over the quota of Commercial grain not exceeding 200 bushels.

In view of the difficulties farmers have of obtaining cash for their grain, because of low delivery quotas, this new plan will undoubtedly help them to be able to secure and pay for that valuable product Registered or Certified seed which otherwise they might not be able to find the cash to pay for.

It has been said, and it can never be repeated too often, that the maintenance of the quality of our crops is Canada's chief factor in selling our grain abroad, and that furthermore the higher yields and better grades that will be given by a crop produced from Registered or Certified seed alone are of great value to the farmer. All in all, then, it can be said that it is difficult to imagine any modest expenditure that a farmer can make that will bring him in such good returns, directly or indirectly, for the small sum expended as the purchase and use of a few bushels each year of Registered or Certified seed.

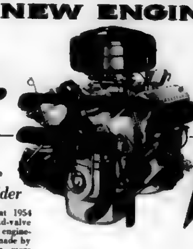
## A COMPLETELY NEW ENGINE FOR '54

161-Hp.
ADVANCED DESIGN OVERHEAD-VALVE



V-8

**Canada's newest V-8...**
*by Canada's most experienced V-8 builder*

The entirely new V-8 engine that powers the magnificent 1954 Monarch delivers a *new kind* of V-8 power . . . for overhead-valve design represents today's most advanced and most efficient engine-design. The power that comes from this great new engine, made by Canada's most experienced V-8 builder, means smoother, more responsive and flexible performance, faster acceleration and greater safety on every kind of road.

Monarch's revolutionary new ride-control system of Ball-Joint Front Suspension adds an extra measure of safety, comfort, and steadiness on curves . . . and Monarch's complete choice of modern power features—Power Steering, Power Brakes, Power Seat, Power Window Lifts and Automatic Transmission—means a new concept of effortless driving ease.

Monarch's new, longer, slimmer styling is fully matched by the luxurious elegance of Monarch's "Quiet-Ride" interiors—so comfortable, so beautifully appointed, so restful and quiet at all speeds!

When Grandpa Hedges starts usin' tender words Gram is in for a tough time.
• • •
One big trouble with girls is boys.
• • •
The feller who burns up his red corpuscles just makes an ash of himself.
• • •
When a drip tries to git in the swim he's soon sunk.
• • •
Millie Wright uses gun powder for her makeup, that's why her face looks all shot to pieces.
• • •
Junior Hinch says he ain't no chip off the old block, just a splinter.
• • •
Grandpa Hedges' main ambition now is to sell peanuts at a carnival.
• • •
Lots of fellers who start out to have fun, end up too broke to know they've had it.
• • •
When Sophia Binger gits that gleam in her eye all the boys shoot for cover.
• • •
When Grandpa Hedges gits full of frustrations he just empties his jug.
—REV. CHARLEY GRANT

## Local News of Interest

Miss Alveso Mahan, nurse in training at Lamont Archer Memorial hospital, spent a few days at home before going to Calgary, to nurse at the Central Alberta Sanitorium.

Mr. Peter Fitsell returned to his home in Vermilion on Saturday after spending six weeks in the Lloydminster hospital.

Two girls from the Clandonald district recently received their diplomas as Registered Nurses. They are Miss Loraine Potoschuk and Miss Catherine Feenstra. Congratulations and best wishes for future success in their chosen vocation are extended to these young ladies.

Miss Lillian Woyewitka of Vermilion received her nurse's cap signifying completion of the initial training period in a ceremony at the Royal Alexandra School of Nursing last Saturday evening.

Ronald B. Playne writes from Dawson Creek stating how much he looks forward to receiving the home town paper with its coverage of the town and country news. Ronnie says that he has met several Vermilionites up there including Tom Smith and family, Ben Reeves and Ted Bensmiller. He spent New Year's at the Smith home which was very enjoyable. Ronald is a member of a team in a bowling league, quite a popular game there, also had attended a number of hockey games. Following the mild December, they, like us, are now in the grip of a frigid 30 to 40 below spell.

### Mannville Ladies Win Curling Trophy

Determined to lift the Commerce Challenge trophy, two rinks of lady curlers from Mannville were back again Sunday and this time won both games and took the trophy back home. The Mannville skips were Mrs. Hasinoff and Mrs. Mercer and the home rinks were skippedby Mrs. Bell and Mrs. Lena Williams.

Rev. D. A. Ford and Mr. and Mrs. E. H. Buckingham were in Edmonton Monday to attend the consecration of Bishop Howard Clarke newly elected to the Diocese of Edmonton, and the enthronement ceremony held at 8 o'clock in the evening.

Marie Miller and Joan Maxwell have been invited to give a display of fancy skating at the Vegreville Carnival this Saturday night. Despite the temperatures the girls have been practising every morning at the local arena at 8 a.m.

K. G. Urquhart was re-elected to the Board of Directors of the Trans-Canada Highway Association (Yellowhead Route) at the annual meeting held at the Macdonald hotel in Edmonton last Saturday. Other directors from this area are George Baynton of Lloydminster and Wm. Morton, Vegreville.

Another contributor to the prize list of the Farmers' bonspiel was the Northwest Utilities. Their name was omitted from the list of acknowledgments last issue.

Curling in the Wainwright spiel this week were Bill Sutherland, Ross Boake, Reg Mitchell and Billie McLaughlin. This foursome won the Challenge there one year ago.

A rink of lady curlers comprised of Mrs. E Locke, Mrs. H. Cross, Mrs. E. Gordie and Mrs. K. Shattuck are taking part in the Vegreville ladies' bonspiel this week.

Attending the official opening of the new curling rink at Calmar on Wednesday was a rink representing the Vermilion Curling club. The four were Harold Moyer, Martin Shalka, Bernie Ackerman and Neil McLean.

Peter Kather, son of Mr. and Mrs. Bert Kather has joined the R.C.A.F. and left Edmonton Tuesday night for St. John's, Que., to commence his training.

J. S. Friedman now of Saskatoon, spent a day or two in town last week end, renewing old acquaintances and giving Vermilion the once over.

*BORN* To Mr. and Mrs. Robert Bauer (nee Ruby Ray) of Vermilion, a son Christopher William, on Tuesday, January 26, in the Mannville hospital.

Mrs. A. Clack and family.

*IN MEMORIAM*
In loving memory of Mother *Charlotte English*
— who passed away Jan. 30, 1952.
The stream of life rolls on
But still the vacant chair
Recalls the love, the voice the smile
Of her who once was here.
Ever remembered by Dad, Lucy, Arthur, Frank, Jack, Laura, Florence, Gladys, Hilda and Jimmy

Islay people may recall an Anglican minister, Rev. Thomas Mitchell who was pastor of the little church when it was active in their village. Rev. Mitchell is presently at Nakusp, B.C. and has recently been granted an honorary degree of Doctor of Divinity of St. John's University, Ambur, India. The honor is in recognition of long service. Nakusp happens to be the home of Mr. and Mrs. Sid Millward formerly of Vermilion and Mrs. Millward's old home was also at Islay.

*CARD OF THANKS*
We wish to express our sincere thanks to all our friends and relatives for their kind wishes and beautiful gifts and to all those who helped to make our Golden Wedding anniversary such a joyous and happy occasion.
Mr. and Mrs. A. W. Elliott.

# Vermilion Seed Cleaning Plant

"Clean Seed, Well Treated, Pays"

Owing to the regulations of the 48-hour week, the Seed Cleaning Plant will be open from 8 a.m. to 6 p.m. daily except Saturdays when it will be closed from 12 noon for making deliveries.

Even when two and three shifts are run the hours for deliveries will be the same, as it is only the manager who can give out grain and book orders.

Book your order as soon as possible so as not to be disappointed in seeding time.

Vermilion Seed Cleaning Plant

## Landen Rink Wins Dewberry Challenge

The Dewberry bonspiel held last week proved very successful. All the draws in the top events were contested without a default despite 8 and 9 a.m. draws and very cold weather. The banquet catered to by the curling ladies was very enjoyable.

All through the spiel from Monday morning until Friday night the curling club ladies and other ladies from the district kept a very nice lunch and meal service operating, and many thanks are extended to them and to all district people who gave donations of food.

THE WINNERS

Grand Challenge — 1. Skip R. Landen, O. Landen, F. East, S. Elliott; 2. George Webb, Vermilion; 3. Bill Specht, Clandonald; 4. Walter Parker, Dewberry.

Professional — 1. Jim Elliott, Marwayne; 2. Ben Timanson, Dewberry; 3. Paul Steppa, Elk Point; 4. Gower, Clandonald.

Third Event — Skip Frank Bowman, Frank Mead, Roy Jones, and Grandad Jones; 2. Bill Belton, Islay; 3. Fairburn, Marwayne; 4. W. Dennill, Dewberry.

All outside points were successful in taking at least one prize home with five prizes remaining in Dewberry.

The ladies' bonspiel is now in full swing.

## Letters to the Editor

Vermilion, Alta. Jan. 22, 1954.

Messrs. Cooper Bros.,
The Vermilion Standard.

Dear Sirs:

The members of St. Saviour's W.A. Senior Branch, wish to send you most sincere thanks for all your courtesy and kindness in always so willingly inserting in your paper all their numerous notices and reports.

I can assure you it is all very much appreciated.

Thanking you,
Sincerely,
Mrs. W. G. Urquhart,
Secretary.

## Legion Notes . . .

Members will be pleased to learn that the Polio Fund canvass is going along very well. We are not nearly up to our quota as yet but country districts and parts of the town have not been canvassed on account of the long cold spell. Those $10 bills add up fast.

Members ought to drop in and see the improvements in our club rooms. The dance floor was sanded last Saturday. On Sunday about fifteen members worked for three hours rubbing filler into the cracks. It is now varnished and everyone thinks it is the best dance floor in this area. Also the whole of the club room has been panelled. Gas heaters were installed in part of the building recently.

Our curling team, Vic Tillett, Marshall Jackson, Alex Callas and Martin Shalka took part in the district elimination for the Legion Curling championship. Mannville won out and will represent this district at Calgary.

## Outlook, 1954

President W. J. Borrie of The Canadian Chamber of Commerce, in a year-end message pointed out that the major task for Canadians in 1954 will be the consolidation of real gain made during the post war period "prior to a further upward climb from this plateau".

Mr. Borrie stated that throughout the year Canadians should be guided by the basic principles of freedom, hard work and thrift, warning that there is a strong tendency today to lose sight of these principles. The Chamber's President also pointed to the need for a high degree of productivity to achieve a still higher standard of living. High productivity in turn depends upon improved technology, more efficient management and a willingness on the part of each and every individual connected with production to give the best that is in him in the way of effort and efficiency.

Mr. Borrie predicted that in 1954 new products and more salesmanship would be needed to capture an increased number of consumer dollars, national income will at least match 1953 levels and the trend of employment would be slightly up in spite of more soft spots and more seasonal unemployment. He predicted that the Gross National Product would show a further volume increase but would probably not show as large a gain as that of the last two years. Industrial production is expected at least to equal that of 1953.

## Mannville & District LOCALS

Mrs. Renspies Sr. celebrated her 80th birthday on Sunday with quite a number of her family present. Due to the extreme cold weather those from a distance were not able to attend.

Due to cold weather, the Mannville and District Home and School meeting was called off. It will probably be called for the third week in February but watch for further particulars in the Standard.

Won't it be wonderful when the cold weather comes next winter to be able to turn a tap in the house and not have to pamper these pumps to keep them from freezing!

The Happy Centre W.I. ladies were to entertain their husbands at their anual curling day and dinner on Tuesday but the weather is just a bit too cold. It will be held later on when the weather moderates and the curling rink is available.

Auditors from the firm of Patriquin, Duncan, McClary, McClary and Co. were in town last week auditing the books of the M.D. of Minburn, the Mannville hospital and the village.

The W.A. and Happy Hour group of the Anglican church have been catering at the curling rink for the past two weeks. A lot of the draws were cancelled but those that did curl certainly appreciated the hot meals.

## Vermilion River M.D. Held Regular Meeting

## J. D. Stone Appointed To Minburn-Vermilion Health Unit Board

The following is a summary of the minutes of the meeting of the Council of the M.D. of Vermilion River No. 71, held in the municipal office, Kitscoty, Jan. 12 and 13.

Present: Reeve Arthur Clarke, Crs. J. D. Stone, J. C. Wallington, P. McGuigan, J. H. Kelly, T. Beisheim and D. G. Lawrence.

Minutes of December meeting were accepted as presented; financial statement for month of December was accepted; Accounts approved by Finance committee were passed for payment.

Moved by Cr. Lawrence that Survey Plan No. 1565 M.D. in NW 25-45-2 and Survey Plan No. 5036 M.D. in S½ 2-46-2 be cancelled. Cd.

Moved by Cr. Kelly that Fred Cundliffe be granted a permit to erect a building 24'x36' on Lot 5, Blk. 4, Cuthbert Subdiv. to cost $2000. Cd.

Moved by Cr. Wallington that Cr. Stone be appointed to represent a ward in the Minburn-Vermilion Health Unit, comprising that part of the M.D. lying south of Township 51, and that Cr. McGuigan be appointed to represent a ward in the Minburn-Vermilion Health Unit, comprising that part of the M.D. lying north of Township 50, that part of the M.D. of Eagle within the Minburn-Vermilion Health Unit and the Village of Derwent. Cd.

Moved by Cr. McGuigan that Sec. 17-50-4 be sold to Lorne Wilson for $3300. Cd.

Moved by Cr. Beisheim that request by Co-operative Credit branch to cancel arrears of taxes in the amount of $508.90 outstanding against SW 16-55-6, be not granted. Carried.

By-law No. 689 concerning Zoning and Building Permits in the M.D. be given 2nd and 3rd readings and carried.

By-law No. 697 concerning the leasing of the following Tax Recovery lands, NW 7-50-4 to Robert Howse for $40; E½ 7-50-4 to D. B. Shirref for $100 given three readings and carried.

By-law No. 698 concerning leasing of Tax Recovery lands, NE 6-53-1 to Verne Lowrie for ⅓ crop share, given three readings and carried.

By-law No. 695 concerning sale of SE 12-50-5 to Robert Keith Shirreff given three readings and carried.

By-law No. 699 to provide for the erection of a seed cleaning plant at Paradise Valley at a cost to the M.D. of $13,000 given 1st and 2nd readings.

## Hazeldine Echoes

At the community hall on Friday evening the friends and neighbors of Mr. and Mrs. R. D. Track and Nita gathered for a social evening to bid them farewell. Everyone played military whist and then lunch was served. Mrs. Gardiner presented the Track's with a gift and spoke on behalf of their many friends, she mentioned how greatly they will be missed in community work. Our loss is Kitscoty's gain. Mr. and Mrs. Track thanked everyone and extended invitations for their friends to visit them in their new home at Kitscoty where they have purchased a store. Everbody then rose and sang "For They are Jolly Good Fellows". A party was held on Friday afternoon at the school for Nita.

Several in this district have been flu victims. A speedy recovery is wished to Arley Trimming who is in the Islay hospital.

The house being built for the Alberta Wheat Pool is nearing completion and the Beckett's will move in soon.

The Community club is having another silverware bingo on Feb. 12. Watch for posters. Lots of other nice prizes too. So come along folks and bring a friend.

The W.M.S. of the United church will hold a St. Valentine's Tea on Wednesday Feb. 17. 29-32x

## NEWS from ISLAY

So cold that no one is doing much but keeping the fires going.

Miss Marie Carey was home for the week end, also Miss Catherine McEachern, both returned to their work on the bus, Marie to the Namao airport, Catherine to Vermil.

Mr Lyddon Buchanan went to Toronto last Friday night due to the passing of a brother-in-law. He went by way of Wainwrigh, son Lindsay and Walter McCaughan driving him over. On the way home something froze so the car just wouldn't go. The boys had to sit till a car came along and they got a tow back to Wainwright. Not a very pleasant experience in the dark cold hours.

On Saturday our high scool rink composed of Bill McGuigan, Ken McLennan, Rod Carey and Tom Carey with Mr. Clark went to Paradise Valley to curl in the inter provincial high school series. The boys didn't win but report a very good time. They were royally treated by the high school girls of P.V. to a real dinner in the school.

We hope this severe weather is over before Feb 4 as it is the day of the monthly meeting of the United Church W.A. at the home of Mrs. Clark.

We aren't the only ones getting bad weather. B.C. evidently is getting it too as some thousands of school children remain at home. We wonder if Donald Millward would be one of those, or is Nakusp in the valley of sunshine!

This weather doesn't seem to down some of the youngsters, they are as vigorous as spring lambs—Jimmie Shaw, Don Schaeffer, Jackie Teskey, Gerald Inman, Doug Van den Dolder and many more seem to stand the cold well.

TAX TRUTHS

It's quite a job for a government declares The Financial Post, to hide the fact that there's only one taxpayer regardless how many levels of tax collectors want to dig into his pocket. Most taxpayers are much more concerned with the total taken from them rather than how it is divided.

## T.B. Fund Is $5,280.00 Short

Only $5,280 is still needed to reach the 1953-54 TB Christmas Seal objective for Edmonton and Northern Alberta, it is reported by T. E. Thompson, chairman of the Edmonton Kinsmen Club TB Christmas seal committee. Mr. Thompson said the committee hopes to reach the $80,000 objective soon, as every cent is urgently needed to keep up an intensive TB-prevention program in Alberta.

The provincial TB Christmas seal fund now stands at $191,500, only $21,500 short of the $213,000 goal. Receipts to date are approaching last year's final total but the objective for 1953-54 was raised by $5000 on account of increased cost to operation and X-ray equipment, more of which will be bought for Alberta hospitals if the seal sale goes over the top.

The hospital X-ray and tuberculin testing program has already brought to light 292 cases of active tuberculosis and 7,401 other abnormal chest conditions including cancer and heart diseases. 32 Alberta hospitals have received X-ray machines or grants through the Christmas seal fund for routine chest X-ray of admissions and another 8 have applied for similar installations.

# REPORT to the PEOPLE

BY ROBERT FAIR, M.P. BATTLE RIVER

During recent weeks I have had a number of resolutions from Locals of the Farmers' Union of Alberta asking me to support a resolution on the Order Paper in the name of Mr John Decore, member for Vegreville. The resolution reads as follows: "Resolved that in the opinion of this House, the government should consider the advisability of empowering the Canadian Wheat Board to conduct a ballot by mail of the grain producers holding permit books, to ascertain the wishes of such producers as to the Wheat Board complying with orders signed by such producers, directing the Wheat Board to pay membership dues to farm organizations from money due such producers from the sale of their grain by the Wheat Board."

The resolution is now 13th on the House of [illegible] order paper and may or may not be reached this session. Up to the present time we [illegible] all day Monday and a half day [illegible]ednesdays each [illegible] to deal with Private members' resolutions, but at the time of writing this column, a motion is on the Order Paper to declare Mondays available for government business. This will then leave only Wednesday afternoon each week for [illegible] members' resolutions and in a very short time I expect the government will take this day also for their own business.

While I was home during the Christmas recess, some farmers came and discussed this matter of voluntary payment of dues to the Farmers' Union through the Canadian Wheat Board, and in several other cases I asked farmers for their opinion on this question. In some cases the reply was to have the dues collected through the Wheat Board and in other cases a very definite opposition to the plan was expressed. Some felt that if the farmers wanted to belong to a farmers' organization, they would have interest enough in it to pay their dues. This however had not been the case in earlier years, as we have found out in the old U.F.A. organization that in most cases a few of the active workers of the organization had to get out and canvass for the funds each year. In other instances, farmers felt that they wanted to pay their bills directly without any deduction from their Wheat Board money, and still others felt that the dues should be collected by the Wheat Board and paid over to the farm organizations. When asked what this money would be for, nobody seemed to have any definite purpose in mind and several suggestions were made, among them the suggestion that part of it might be used for political purposes. On these occasions I immediately explained that the Farmers' Union is a non-political organization and that none of the funds so collected could legally be used for the advancement of the ideas of any political party.

In order to clear up this particular point, I discussed the matter with some of my colleagues after returning to Ottawa and we decided to write to Mr Henry [illegible] President of the Farmers' Union of Alberta and Mr J. Phelps, the President of the Saskatchewan Farmers' Union and also President of the Interprovincial Farm Union Council. Replies have now been received from both these gentlemen to the effect that not one cent of money so collected will be used for the advancement of any particular party during their term of office. So that point is cleared away.

FARMERS NEED UNION

With regard to the necessity of the farmers having a union, I cannot emphasize too strongly the need for it, particularly at this time, as we find that the price of farm products has been reduced by anywhere from 12 to 15 per cent in 1953, while the cost of the things the farmer has to buy has increased very considerably with the result that the present price of the farmers' wheat is very little better than 90 cents per bushel in 1939 dollar value, when we take into consideration the price of the things he has to buy. The farmers in many cases feel that we are in a period of real prosperity, but to my mind the cards are mainly stacked against us.

With a huge surplus of wheat on our hands, although moving out at a fairly satisfactory rate, another big crop in 1954 may create further difficulties for us and I think only a small percentage of our farmers realize that the exceptionally heavy yields of wheat during the past three years have kept them in their present state of solvency. Those yields in many parts of the country averaged anywhere from 30 to 60 bushels per acre. Now, suppose the yields during the past three years had been an average one of 16 or 17 bushels, which is the long time average, you can figure out the difference in your financial standing. While there is no guarantee that another bumper crop will be harvested this year, I think it is good business to make every preparation possible for tougher times by having each individual farmer consolidate his position while times are yet fairly good.

It is not my intention to forecast a [illegible] as I cannot see [illegible] excuse whatever for it, provided [illegible] business of the country is properly handled, but because we do not at all times practice wisest business methods, it is possible that a recession may take place if certain things happen. Take for instance settlement of the Korean problem which may or may not be possible and which, in the past, it would seem has been deliberately postponed. What would the conditions of Canada and the U.S. be if we had the enormous expenditures being made for defence preparations for war going on at the present time, immediately done away with? In the case of [illegible] we have spent over two billion dollars per year during the past few years for this purpose and present plans are to continue similar expenditures up to the 1955-56 fiscal year. Consider also the fact that up to Sept. 30 last $1,772,000,000 of credit sales have been made and this will immediately be a charge against future pay cheques. In addition to this, we have a very heavy inventory of several lines on hand and as a result of this and other things we have the heavies list of unemployed in Canada at the time of writing this column. Should a greater number of people become unemployed, you will realize that they will be unable to purchase as freely as they did in the past and that will immediately affect the sale of our products. Because of the nature of the farm industry, farmers are compelled to keep on producing, while in the case of industry, they only produce to satisfy demand, then lay off help and keep employed only enough to meet their requirements.

Getting back to the farmers' organization, my opinion is that until we get a strong farm organization, we will not be able to exert the pressure we should on the powers that be to get a square deal for their industry. I see no objection to having dues deducted by the Wheat Board and paid over to the farm organization, provided the individual farmer signs to have this done and retains the right to withdraw his support at any time he desires.

[illegible] this, I [illegible] point out the necessity for formulating policies in the movement and electing those men and women to office who can employ the best business methods and in this way safeguard the position of agriculture on which the economy of Canada is based.

THAT DOES IT By Al Smith

NEW VARIETIES

If our plant scientists developed a wheat that matured from 5 to 15 days earlier and thus reduced the hazards of damage from hail and frost, yielded from 6 to 10 bushels more per acre, was more resistant to plant diseases, and grew more vigorously than the varieties now in common use, would you invest $3.75 per acre to obtain seed?

By fertilizing your crops you can obtain all of these benefits with the varieties now available and also maintain the fertility of your land.

Come in and "talk fertilizer" with us the next time you are in town. ORDER NOW!

WARNING
re: BLOCKED CHIMNEYS

In Cold Weather, chimneys must be kept free of ice, mortar, nests and debris, to allow fumes to escape. You can check for ice formations, etc., by placing a small mirror in the clean-out opening at the bottom of the chimney. Where there is no opening, a section of pipe should be removed and an inspection made.

# News Notes From Your District Home Economist

THE FARM KITCHEN

The kitchen is the hub of farmhouse activity and its functions are not restricted to cooking and dishwashing, but also dining, sewing, preserving, ironing, etc. [illegible] planning the kitchen one should anticipate the number of [illegible] and provide for them.

Kitchen equipment is usually arranged according to the work processes in the kitchen. These processes, which [illegible]te the necessary steps involved in the preparation of a meal, are designated to well[illegible] cen[illegible], sink, [illegible] where supplies and equipment for each process are stored at the point of first use.

A minimum number of doors is essential in good kitchen design. Two doors are usually necessary—one to living or dining area, the other to the rear hall or outside. Windows should be placed 44 to 46 inches above the floor, a window at the sink centre gives good light.

THE WORK CENTRES

SINK—since water is essential to cleaning, dishwashing, for preparation and cooking, the sink is the axis around which kitchen work revolves. This centre should contain space for foods which need washing or the addition of water before cooking; fruits and vegetables not requiring refrigeration; saucepans, coffee pot, kettles, knives and brushes, dishwashing supplies and a garbage disposal unit.

Work surfaces should be provided on either side of the sink. A space 36x24 [illegible] is adequate for [illegible] dishes to the right [illegible] sink. A surface 32x24 to the left of the sink will furnish room to dry dishes.

MIX—This centre is for preparation of cakes, salads etc. It should contain space for mixing bowls, spons, measuring cups, sifter, baking pans, beater,; f ods used in mixing. The refrigerator is located at this centre. A lower work counter is desirable here for sit-down jobs; this may be accomplished by a pull-out board in a base cabinet.

RANGE—This centre is for cooking, baking and serving hot foods. It should be located near dining area. It should have storage space for skillets, saucepans, ladles, testing equipment, [illegible] tables and food used first at the stove. Serving dishes should also be stored here.

Counter space should be provided on either side of the range for placing food when it has been removed from the oven.

For more information on Kitchen planning write for the bulletin, "Farm Kitchens and Utility Rooms" Home Designing Specialist, Dept. of Agriculture, Legislative Buildings, Edmonton, Alta.

LEAVENING AGENTS REQUIRED TO LEAVEN 1 CUP FLOUR

Tartrate baking powder (e.g. Royal) — 2 teaspoons.

Phosphate baking powder (e.g. Magic) — 1½ teaspoons.

Double-acting baking powder (e.g. Calumet) — 1 teaspoon.

Baking Soda — ½ teaspoon plus 1 teaspoon cream of tartar; ½ teaspoon plus 1 cup fully soured milk or buttermilk; ½ teaspoon plus acid of ½ to 1 cup molasses; ½ teaspoon plus acid of 1 tablespoon vinegar or lemon juice used with 1 cup of sweet milk.

## WOODVALE

The big question right now is, how long is this cold spell going to last? We have an idea that zero weather will feel like summer heat! We wonder too what happened to the thermometer at the airport that Vermilion has not been mentioned as the coldest spot in Alberta!

Mr Charlie Green, who lost his life in the fire that destroyed his home, was a brother of the late Mr. E. G. Green and Mr. W. Green of Jasper Place, who used to live in our Woodvale district.

The dance, postponed from Jan. 15, will be held on Feb. 5 at Woodvale community hall.

Johnny Isley, Bill McGrath and Keith Lyons went to the Kitscoty high school dance on the 22nd.

# Paradise Valley

The weather? Well it has been so cold during the past week that very few exciting events have taken place in P.V. When it hits 48 below generally things are at a standstill except the wind. We have had more wind this winter than we usually have especially when it hits the 30's and 40's. However one good thing is that the roads are in splendid condition for the car driver. The school buses have been travelling on time. Some of the side roads are not open but all bus routes are in good condition.

The annual meeting of the ratepayers of the Paradise Valley S.D. was held on Monday night. Despite the severe weather some 18 ratepayers turned out. Mr. Stepenoff the retiring member of the local board was re-elected for another two year term. The question of more class room was the big one under discussion. Also the possibility of establishing a full grade 12 high school with pupils being bussed in from Rivercourse and McLaughlin will again receive the attention of the board.

Mr. and Mrs. W. A. Mickle and Mr. I. S. McLeod who spent the past six weeks or so at Vancouver have returned to this frozen land. They report mild but very wet weather at the Pacific Coast. While there they visited with a number of ex-Paradise Valley people and visited them at their homes. Among them known as Scotty, Mr. and Mrs. Ralph Ernest, Mr. and Mrs. Hyde Nickle and several other families. They made the trip by car.

Mr Albert Teasdale is in Edmonton taking treatment on his hands which he had badly burned some time ago when his garage burned.

The Paradise Valley Jr. high school held a dance in the hall on Friday night. Due to the cold the number attending was not large but

cold, turn steering wheel in direction in which rear wheels are slipping.

# Square Dancing At Mannville

MANNVILLE — The Mannville Square Dance club held a party in the Legion hall on Saturday night. There were five sets and everyone seemed to enjoy it. Although it took some quick thinking to dance to the callers on the records. There will be another dance on Saturday this week, that is Jan. 30 also in the Legion hall. On Feb. 5 there will be a dance of the Square Dance club in the, Orange hall with Mr. Henry Lien calling. All the members that possibly can are asked to attend both these dances.

a good dance was enjoyed by those attending.

Today (Saturday) is the date of the play-down in high-school curling at the local rink. Teams from Kitscoty, Vermilion, Islay and P.V. are competing for the right to go to Edmonton this week end to play in the Taylor & Pearson competition.

Messrs. Arthur Clark, P. Paulgard, G. McIntyre, Bob Adams, Don Turner, Parke Dobson, H. Haan, J. Hassard, Art Nicholson and Allan Weeks attended the banquet at Vermilion on Wednesday night to celebrate the opening of the Vermilion Steel Cleaning plant. They all report a grand banquet and a very enjoyable, social evening.

Two ladies curling rinks took part in the Edgerton bonspiel during the week. We do not know just how they placed as both rinks came home with a prize.

Bobby Flint, young son of Mr. and Mrs. F. S. Flint, who has been a patient in the Lloydminster hospital is expected home this week end. Kenny has had his share of sickness during the fall and winter.

By Carol Lane
Women's Travel Authority

Driving on icy roads requires a special touch. Here are some facts you should remember:

1. If you have to go up an ice-coated hill, gain as much speed as possible within limits of safety, before hitting the incline. Then, keep just enough pressure on the accelerator to keep wheels from losing traction and spinning.

2. To start your car on a glassy surface, put your car in second or high gear and feed enough gas to keep the motor from stalling. Never apply gas suddenly or your wheels will start to spin.

3. Keep a pail of sand in the trunk of your car. If you should get stuck, sprinkle sand in front of your rear wheels. This will give you enough traction to get loosened.

Most skids can be prevented by driving with a gentle, even pressure on the gas pedal, by avoiding sudden stops and by turning corners slowly. If you should start to

**"I did it—so can you!"**

"When I joined up and started the nine month navigation course, I thought I had my work cut out for me. I worked hard alright — including nights. But I enjoyed it. Instruction was given on the ground and in the air one step at a time and I got my 'Wing' wings.

Now I've taken 'radar' in and fly in a CF-100 Canuck twin-jet. Man, that's a plane!

It's beautiful up there—six miles high! No sound! No sense of speed, though you're breezing along at six hundred miles an hour. Just you, and your pilot, a 'bum in the sky. It's terrific!"

AFTER SIX YEARS AIR FORCE EXPERIENCE

"I'm sure now I made no mistake when I joined the Crew. I'd do the same thing again—anytime!"

TWO RCAF CREWMEMBERS

There are

**Immediate openings now**

# THE VERMILION STANDARD

Vol. XLV. No. 31. Vermilion, Alberta, Thursday, February 4th, 1954. $2.00 a Year

# Frog Lake Mill Wheel Now Historical Site In Vermilion

*The Standard is very much indebted to Mr. James G. McGregor, President of the Vermilion Historical Society, Edmonton, for the following very interesting story relating to the old mill wheel from Frog Lake, now the centre for a historical site located in the Vermilion town park.*

*THE FROG LAKE MILL WHEEL*

The old mill wheel resting in Vermilion Town Park has witnessed stirring events. In spite of that, however, it is a might-have-been and a relic of a town that might have been. It is used to resting, because that's all it has done for the seventy years of recorded history. It was built to spin in the sparkling waters of an Alberta brook. Instead, for 68 years it rusted in the bottom of the creek. It was intended to turn machinery, to grind grain, while its owner — the miller—sold flour to white Royal Men, but the hungry Red Men shot the miller and set fire to the newly constructed mill. It was thought that this mill would be the centre of industry about which a town would grow up, but all that grew were poplar trees which sprang out of the ashes of houses burned by Wandering Spirit and his Plains Crees.

For the old wheel is one of the few relics of the frontier village of Frog Lake, which fell before the anger of half-starved and ill-fed Indians. On April 2, 1885 — nearly 70 years ago — they shot down two priests and all but one of the other white male residents, and burned the houses, the mill and the church. Then they took the only two white women into captivity that lasted two months and was spent in the forests south and east of Cold Lake.

The story of the preservation of the old mill wheel is worth repeating. After the mill was burned, it lay in the bed of the creek until 1952. Somehow it escaped the drives for scrap iron during the recent war. Two years ago a bank man spotted it and tried to haul it away, but his truck was not big enough to drag it up out of the creek bed. To prevent it meeting such a fate, the Highways Department wrenched it out of the creek and took it to their shops at St. Paul. Carl Heckbert and Ken Urquhart heard of it and had it hauled over to Vermilion, and set up in the Park. The Town of Vermilion is to be congratulated that its citizens had enough interest in the history of their part of the country to preserve the rusted relic.

The flour mill at Frog Lake appears to have been the fourth built in what is now the Province of Alberta. The others, in order of age, are thought to have been built at Edmonton, St. Albert and Pincher Creek. These three, after having worked for many years, were dismantled and passed out of existence. This one, which never ground a sack of flour, seems safe for posterity. I am not certain whether or not the mill stones are still at Frog Lake. It would be worth someone's while to drive up there some summer's day to look for them.

There are no marks on the old wheel to show when or where it was made or who the maker was. We do know however that it was purchased in Toronto in the fall of 1884. Whether it was second-hand at that time or not is hard to say. It is more than likely that it was new.

In 1884 the Department of Indian Affairs sought someone who would build and operate a grist mill on the Frog Lake Reserve. They did not have far to seek. John C. Gonahlock, who operated a small trading store at Battleford, was willing to take on the task. The Department of Indian Affairs contributed $2000 towards the undertaking. That fall Gowanlock went down east on the two important missions of buying the machinery for the mill and of getting married. Gonahlock had been born in Ontario in 1851. When he was 19 he came west because the family physician thought that the change of climate would help him. After 18 months in the west he was in perfect health, and returned to his family. But the West had got into his blood and he stayed only three months before coming back out. Some time later he opened a store in Battleford, and appears to have prospered to the extent that he felt able to finance the mill.

*Photo by John Ross*

On October 1st, 1884, at Tintern, Ontario, he was married Theresa, his bride accompanied him as he started west from Toronto by the C.P.R. on October 10th. They travelled to Owen Sound and then took the boat to Port Arthur, and continued the journey by train as far as Rosedi (Current). That was the nearest point on the railway by which to reach Battleford. The young couple made the 195 miles to Battleford in a buckboard in five days. The weather was good, and Theresa enjoyed the delightful country, and the novelty of seeing the West. She stayed at Battleford for six weeks, while Gowanlock went on to supervise the building of the mill and to get their house finished. When he came back for her early in December they made the four day trip to Frog Lake in the promised land.

They were a happy young couple. He was well established. A rosy future stretched before them.

Theresa stayed with the other white woman at the little village of Frog Lake, Mrs. Delaney. Two years before she too had come to Frog Lake as the bride of John Delaney, farming instructor. When she arrived the Delaney house was the only one in what was to be the village. By the time Mrs. Gowanlock arrived, there were five or six houses, a store or two the buildings of Indian Agency and the Roman Catholic church. Frog Lake, nestled on the hillside above Saskagunna Lake with its sandy beach, was one of the larger village in Alberta. It stretched down to the bridge from where the calm is today to the lake.

Gowanlock's house and mill was of course, located on the creek immediately west of where Frog Lake is today. Vestiges of the little dam are still to be seen

(Continued on page 5)

## Peter Cartwright Is Honored on 81st Birthday

Fifty people gathered in the Salvation Army citadel on Friday, Jan. 29 to honor Mr. Peter Cartwright on his 81st birthday and a happy time of fellowship was enjoyed.

During the evening two films were shown by Mr. Earl Geake entitled "Lincoln Cathedral" and "Across Canada". The former being of particular interest to Mr. Cartwright for he was born in Lincoln, England in 1873, and the pictures revived many happy associations.

Also included in the program was a piano solo by Donna Isley, a recitation by George Coombs and a musical duet by Capt. Chapman in which the ladies emerged as the victors.

To conclude the evening a tasty lunch was served, and a Bible was presented to Mr. Cartwright as a gift from those present.

Despite his age Mr. Cartwright is still very active on his farm south of Borradaile and on the same day as the celebration he was busily engaged in sawing wood.

## Newspaper Bingo

Numbers drawn Tuesday: 1-38, O-67.

Correction in last week's numbers: N-39, G-58.

Numbers previously drawn are: B-7, B-8, I-18, I-33, N-44, G-57, G-62, O-68, O-75, N-27, I-18, I-20, B-5, B-16, G-54, O-63, B-4, O-65, O-72, G-60.

## Tigers Fall To The Viking Gas Kings

Although they enjoyed a good, margin in the refereeing dept., Monday evening the old 'goal-less' Tigers who plagued the Tigers two nights earlier against Vegreville, still hung on and the Gas Kings left home residing with a 3-2 victory.

The game threatened to be a rough one with J. Dunnigan in the role of the bad man of the evening (strict officiating kept things in hand and by the third period the boys were content to settle down to real hockey and the stand and of play improved mightily. Coach Lorne Lewis should dial pline Mr. Dunnigan. Guides and Brownies. All parents who naturally take an interest in the activities of their children are urged to be present.

The business will include reports for the year financial statements election of officers and discussion of plans for the ensuing year

## Vermilion Library Has Record Month

The Vermilion Public library report for the month of January is equally as 944 books were read during the month of January and 91 members were enrolled.

## Robt. Fair Admitted To Ottawa Hospital

OTTAWA — Robert Fair, M.P. of Vermilion - Chateau River Country has been admitted to the Ottawa General hospital for a medical check-up. Mr Fair had not been feeling well during the last few days. However his condition is not believed serious.

## Johnny St. Martin Wins Stetson

Johnny St. Martin is the owner of a new Stetson hat. Three hockey players received hats as prizes at the conclusion of the Vermilion Minor Hockey League season. Johnny St. Martin was presented with his hat by Mayor Lewis. Other players receiving hats were Ken Brown, Bobby Mac Millan, Bobby Mac Millan, Bobby Mac Millan

## The Canadian Club

Vermilion is one of the few rural centres in Alberta that is fortunate in having a Canadian Club and that, very successfully. The Club was organized by a group of men and women who as public spirited citizens felt the need of such an avenue to acquire more knowledge or information, not only of our own Canada, but of other countries as well. In the course of those years the Club has brought to Vermilion men and women outstanding in their own sphere of activity, men and women who had travelled all over the world not merely sight-seeing but to learn of world conditions and world standard of living and of world governments. It will be gathered from this that one of the purposes of the Canadian Club is to foster among its members an interest not only in other parts of Canada but world affairs as well. The different men and women who have addressed the Club have brought their experiences with national and international issues and their concept of public affairs in the different countries into which they had travelled. There is in this Club preserved an opportunity to cultivate an attachment to Canadian institutions and Canadian traditions. Canada occupies a towering place in the sun of the Commonwealth of Nations and so that we may be enabled to appreciate that outstanding position we should take every advantage of the facilities afforded by the Canadian Club to build up in Vermilion an alert and well informed and enlightened public opinion and know-ledge of Canada's part in national and [illegible]

---

New casts for broken bones made by treating plaster of paris with a plastic resin instead of water are stronger and lighter. They resist water and permit better X-rays

## Dangers of Kerosene And Gasoline

The Provincial Fire Commissioner's office has issued a special appeal, warning all Alberta citizens of the dangers of using kerosene or liquid fuel of any type to light a stove

Austin Bridges, Provincial Fire Commissioner, said gasoline has been mistaken often for coal oil with serious results. Children also were prone to mistake coal oil for gasoline whose deadly vapors flash and explode at a very low temperature

The Provincial Fire Commissioner urged all gasoline retailers to refuse to fill glass containers with gasoline. A metal can, preferably painted red, was the only suitable container for explosive liquids.

The danger of carrying gasoline in glass jugs was illustrated recently at Barrhead when a woman dropped a glass container of gasoline in a clothing store while shopping. The store proprietor quickly realized the danger and cleared all customers from his store. He rushed on the street level and called the fire department. A fire or explosion was prevented by his blocking the door to the store basement where the flames would have kindled the gasoline vapor

Mr Bridges said it is always dangerous to have gasoline in building and persons should never take containers of gasoline into stores or buildings while shopping

Heating systems should be examined daily during cold spells and any defects corrected. When new fuel is added to coal burning stoves, the fire should be banked on either side to prevent a coal gas explosion which would scatter the fire through the room. Care should be taken to see that gas heaters do not become overheated and are shielded from nearby combustible walls.

## Sixteen Years Ago Today

*Feb. 5, 1938*

Harmony prevailed at the annual ratepayers meeting in Mannville on Wednesday night with the meetings of 1936 and 1937. The meeting was well attended.

Elmer McCullough of Mannville won the Grand Challenge for the second successive year. He also won the Pillsbury secondary in the Vermilion rink. Al Bennett of Islay won the other primary, the Brunswick and took second in the Challenge for

[illegible] only one game and winning a E. M. Stewart won the Vermilion second in the Brunswick. Mrs. Munroe McLeod won the Consolation.

The first touch of real winter was experienced last Saturday with 34 below and a cold ne'-ewery blowing. Sunday 22 below. Monday 33 below.

Miss Grace Williams, a bride-elect, was guest of honor at several

## To Present Tourist Brief To Senate

Ralph R. Moore Deputy Minister of Economic Affairs, will present a brief from the Canadian Tourist Association to the Senate Standing Committee on Tourist Traffic at Ottawa Feb. 10 and 11.

This was announced by Hon. A. J. Hooke, Minister of Economic Affairs, who said that Mr. Moore, President of the Canadian Tourist Assoc. and Chairman of several committees of the association, has been selected to represent the association at the Senate hearings.

Mr Moore has been active in the promotion of Canadian tourist travel since 1948. He is a past president of the Pacific Northwest Travel Association and was re-elected for his second term as president of the Canadian Tourist Association last fall. As Deputy Minister of Economic Affairs, he is concerned directly with activities of the Alberta Government Travel Bureau, a branch of the Department of Economic Affairs.

Municipal District of Vermilion River, No. 71

NOTICE

AN AMENDMENT to The Municipal Districts Act provides for a penalty to be added to all taxes remaining unpaid after the last day in February.

A penalty of 5% will now be added on [illegible], instead of April 1st as formerly.

## HOCKEY CHIT-CHAT

By RAIL BOID

The Eastern Alberta Hockey league is being plagued by Old Man Weather. For two weeks all games were postponed due to the [illegible] everyone wanted warmer weather so now it's 40 above [illegible] more. Great weather for ice hockey!!

On the Vegreville line-up last Saturday night we noticed some strangers to the league from Edmonton. The Dunnigan twins are currently playing for Viking. These new players are a tower of strength on both teams' power tactics. According to the league constitution, as long as the player has a job in the team's district he is eligible to play. Is this a good rule? The way we see it there is going to be a lot of misunderstanding as to whether or not the players are imports.

The league statistics just issued show Billy Masson of Viking in the scoring race lead with 17 points. Vermilion's St. Martin, last year's individual point scoring champion is four points back with 13. Johnny stands a good chance of overtaking Masson as the latter has played four more games. The league's bad man is J. Dunnigan with 21 minutes in penalties and this boy should smarten up as he does much to spoil [illegible] games. Viking is in first place with a comfortable lead.

The addition of Kreiler and Williams to the line-up has given the Tigers a great lift, especially in organizing the young players. The team is functioning more smoothly and is beginning to work as a unit. The manner in which they outplayed Viking Monday evening territorially, if not in goals, indicates that they will soon be winning games.

Viking returns to Vermilion on Feb. 13 for another go with the Tigers who will be seeking their first home victory against the Gas Kings. This game should be a real crowd-pleaser and might even be a preview of the E.A.H.L. finals!

## NEWS FROM CLANDONALD

## Recent Cold Is Piker Compared To Winter of 1906-07

January certainly came up with a hatfull of tricks for us this year, however, the final one was a good one. Today the temperature is 80 degrees higher than at times during the past week. Fortunately although we are experiencing a very high wind the snow is too wet to drift. Although the cold snap we have just had was quite severe it was of comparatively short duration as we call to mind one which lasted six weeks. According to a recent issue of a western farm paper this is what happened in the winter of 1906 and 1907: Winter started in all its severity on the first day of November with snow and more snow and the temperature around 45 below day after day until Feb. 5th when a sudden [illegible] thaw set in. [illegible] perished that year.

Not many complaints of feed shortage have been heard yet but nearly every neighbor we met was just about out of chop. However that situation should be all cleared up now. With pork the price it is pigs are getting top feed priority.

GOOD ADVICE

The advice in the Green Acres column of the Standard last week in regards to Garnet wheat was very timely. In our locality there is a great temptation to sow this high yielding, early maturing variety.

SERIOUS ACCIDENT

Friends will be sorry to hear that Fred Goddard's brother Ted whose home is at Wainwright, was injured and narrowly escaped death during the recent refinery fire. A member of the fire brigade, he was dragging a hose when he slipped into a tank of boiling oil. Only for the fact that he was only there for a second or so he would have undoubtedly lost his life. Ted has already survived a good many scrapes and last report was that he is making good progress toward recovery.

BONSPIEL WINNERS

In common with many other activities curling also was a victim of the cold weather. Just about the time the big freeze started the local spiel was completed. Harold [illegible]'s rink was successful in defeating Harry Rea's quartet in the Grand Challenge while Specht defeated Laird in the second event. Both games were very close. At the Dewberry ladies spiel which was entered by only 12 rinks due no doubt to the severe weather the rink skipped by Mrs. Gower got into the prizes but lost out in the finals.

Sorry to report that Harry Rea, our station agent who moved here with his family a few months ago is at present a patient in the Vermilion hospital.

INTEREST KEEN IN F.U.A.

Interest was keen at the last Farmers' Union meeting held on Friday evening in the high school. Several members were added to the local and circular letters have been sent to all non-members in the district. A bingo party is planned for Friday Feb. 5 in the Columbus hall and on Thursday several plan to pay a fraternal visit to Derwent local.

Due to the film going astray there was no N.F.B. show in January but weather and roads being favorable a good turnout is looked for on Tuesday Feb. 9. Show commences at 8:30.

Truckers engaged in hauling the crude oil to the refinery at Lloydminster report great difficulty experienced during the recent cold. Oil got so thick that in some cases six hours was required to fill a truck. The oil then became so thick in the tank that it would not all run out and one trucker reported his truck weighed 2500 lbs. more than usual due to the remaining oil.

FARMS CHANGE HANDS

Two district farms are reported having changed hands during the past few days. These are Gordon Malonek's, located about 4 miles north-east of town and the Milt Farrel farm about 7 miles southwest. Simonet Bros. are the new owners of the Farrel place.

## To Attend Company Convention

Charlie Upshall, manager of the local Macleod's store, will leave Feb. 11 to attend the Company's 1954 Merchandising Conference to be held in Edmonton Feb. 12 to 15 at the Macdonald hotel. The conference will be attended by Macleods store managers and district supervisors from Alberta and Western Saskatchewan. A similar conference will be held at the Royal Alexandra hotel in Winnipeg with Macleods store managers and others in attendance from Manitoba and Eastern Saskatchewan. The conference will follow a training and familiarization program for those attending in order that the Macleods store personnel will be thoroughly conversant with the latest in new lines of merchandise and modern merchandising methods so they in turn can offer Macleods customers the most up-to-date selections of everyday needs combined with the ultimate in service and satisfaction. The various daily conference meetings will be addressed by Company buyers and executives, followed by open discussion periods.

Macleod's Limited, a rapidly expanding pioneer Canadian company specializing in farm supplies, hardware, automotive, furniture, work clothing, and everyday needs for farm and country customers and own and operate 40 retail stores to serve the people of Western Canada from Winnipeg to Dawson Creek, B.C. There are also 27 privately owned Macleods authorized dealer stores located in Manitoba and Saskatchewan.

Mr Upshall will be accompanied to Edmonton by Mr. Wilf Elliott of Macleods store in Vermilion who will also attend the conference.

Someone is going to win $[illegible] soon — buy an extra card or two. [illegible]

## Notice to Creditors and Claimants

IN THE MATTER OF THE ESTATE OF MARTIN P. LARSEN, LATE OF VERMILION, ALBERTA, FARMER, DECEASED.

NOTICE is hereby given that all persons having claims upon the estate of the above-named Martin P. Larsen who died at Vermilion, Alberta on or about the 29th day of November, A.D. 1953, are required to file with Lily E. Larsen of Vermilion, Alberta, by the 28th day of February A.D. 1954, a full statement duly verified, of their claims and of any securities held by them, and that after that date the executrix will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed or which have been brought to their knowledge.

DATED at Vermilion, Alberta, this 27th day of January 1954.

Lily E. Larsen,
Executrix,
by her Solicitor,
J. W. G. MORRISON, Q.C.,

## TB Fund Closes February 15th

February 15th will be the closing date for the 1953-54 Christmas seal sale in Alberta, it was announced by D. W. Robertson, Red Deer, the president of the Alberta Tuberculosis Association.

Provincial receipts to date total $193,000 which is still $20,000 short of the $213,000 objective. This amount is the very least that will permit the Association to carry out its extensive program in 1954-55, [illegible] early diagnosis through mobile units and X-ray installations in hospitals, vocational training and rehabilitation, tuberculin testing, nursing services and welfare research and health education, public and professional.

For Edmonton and Northern Alberta the total now stands at $84,450 which is still $3,550 short.

The Wallington's Laurence and Kenny Graham called on Sunday evening at the L. Fadden home. Mr and Mrs. Brooks and Howard Coburn were visitors at the same home that day too.

Mr William Steele was a caller at the Wallington home on Sunday. His son Dick had been home over the week end from Winfield, Alta. We were glad to hear your eye trouble Alleen was clearing up at long last.

## Mary Ann Dmyterko Becomes Bride Of Michael Marian Malek

On January 6th, 1954 Michael Marian Malek, son of Mr. and Mrs. John Malek of Vermilion, and Mary Ann Dmyterko, daughter of Mr. and Mrs. Wm. Dmyterko, exchanged vows in holy matrimony at the Holy Name Catholic church.

The bride was given in marriage by her brother Mr. George Dmyterko of Derwent. Her attendant was a cousin, Miss Anne Lyzanchuk of Myrnam. The best man was Mr. Jack Tymchyshyn of Mannville, a friend of the groom.

Following the marriage, a reception was held at the home of the groom where a number of friends were treated to a delicious dinner, and made their presentations of gifts and money.

Later a second reception was held at the home of the bride with an attendance of 120 guests.

The young couple will reside on the groom's farm six miles northwest of town.

## Vegreville Outscores Tigers 6-2 In Saturday Night Game

Showing more finish around the goal, the Vegreville Rangers outscored the local Tigers 6 goals to two on Saturday night, Jan. 30. The game was evenly contested with the visitors having a decided edge when it came to actually getting the counters. It seemed to be one of those games in which one team can't get that rubber biscuit into the hemp no matter what else happens.

The game saw the return of Les Williams and Elmer Kreiler, their first appearance in games on local ice this winter, although Elmer played at Viking on the Wednesday previous. This meant a reshuffling of lines that will pay off before the play-offs end. The two veteran play-makers appear to be in good shape.

Play in the first period was ragged. Bill Williams opened the scoring putting the Tigers one up assisted by the energetic Ted Koehli and Bill Schmidt. The Rangers then took over and scored three times. Butler from Ledrum and Foley, Meldrum from Butler, Holt from Zaruby. Butler and Meldrum are two newcomers to the Rangers and added a lot of scoring punch. Dutchy Van Deelan was supposed to show on Saturday night but didn't appear.

The third goal scored by the Rangers was somewhat of a gift as the Tiger players understood that a penalty was to be called as Kreiler was tripped just outside his own blue line. Holt didn't stand on ceremony, picked up the puck from Zaruby and scored with most of the Tigers in the role of spectators. The goal was allowed.

Les Williams and Benny Bandura were benched for holding and interference, and Horton drew two minutes for giving St. Martin's head an energetic dutch rub.

The second period saw the teams settle down to a better brand of hockey and during the period the Rangers added two more, one by Stefaniuk and the second by Butler from Holt and Meldrum. Stefaniuk drew a tripping penalty and Kreiler set up a play resulting in St Martin scoring with assists to Kreiler and Patsula. This was a real passing play and the nicest goal of the night.

In the third the locals appeared to better advantage and were value for about two goals but just wasn't their night to score. The lone counter of the period went to Butler again with Meldrum assisting.

Patsula and goalie Lesnik took exception to one another and drew two minutes for threatening gestures while Serbu [illegible] minute rest for slashing.

George Hughes and Russell Carroll were the officials.

A crowd of 522 paid customers was on hand. This was the first game following several postponements of league fixtures due to the frigid temperatures.

LINE-UPS

RANGERS — Lesnik, Bandura, Horton, Lesnik, Holt, Vegota, Zaruby, Krylywka, Stefaniuk, Meldrum, Butler, Foley, Serbu.

TIGERS — Laporte, B. Williams, Little, Barr, St. Martin, Patsula, Schmidt, Cooper, Dobbyn, Moffat, Koehli, Leahy, Lowrie, Les Williams, Kreiler.

## NEWS from ISLAY

Mr and Mrs John Maire and boys visited Mr and Mrs Clay of Paradise Valley last Sunday.

Omer Easton has gone to spend a few days with Mr and Mrs Bill Hanna after coming out of hospital.

Mr Bill Teskey Sr. is presently a patient in hospital.

GOOD HOCKEY GAME

Last Saturday the long looked for hockey game between the Islay school boys and Dewberry school boys, was played. It was a good game and some good skaters were noticed on both teams, some not so good, some good stickhandlers, some with good eyesight too and right where he should be, some not so good. All in all the crowd certainly seemed to enjoy it. The Pee Wees played in between times and showed some promising talent.

Walter McCaughan is to be congratulated on his coaching and thanks are extended to him for taking time off from his business to train the boys. Of course Mrs McCaughan filled in at the store when Walt was out on the ice. The score of the encounter was 4-2 in favor of the Islay lads. The boys are hoping to play a return game next Saturday at Dewberry. The mothers who supplied the good thing to eat should not be forgotten. The boys did full justice to the [illegible].

It is pleasing to hear that two young men that we all know [illegible] [illegible] two years ago are two of the principal male players [illegible] [illegible] [illegible] produced [illegible] Alberta [illegible] [illegible] and are [illegible] [illegible] pride [illegible] [illegible] appears [illegible]. On looking back over the years we find quite a number of persons from Islay and area have made their mark in the world. Those who attended our one-roomed country schools walking [illegible] or horseback or maybe by [illegible] as far as four miles to school.

The Islay school bonspiel begins on Feb. 8th and continues through the week winding up with play all day Saturday and tis said with a banquet catered to by the mothers. Hurrah for the Mothers!

Mr and Mrs Bill Shaw and Mrs Teskey attended the picture show on Monday night.

The Dave Martin family [illegible] the Hill Shows one evening last week.

You will find Alta Gold corn from [illegible] an excellent one for quick freezing. We know because we have just been eating some grown by ourselves and kept in Charlie Robertson's deep freeze. It's really delicious.

## Wildmere Winks

Will the ground hog see his shadow today? It will be six weeks more winter anyway. This nice mild spell is a welcome break from the cold but is a headache to the curlers as ice is soft and wet.

Congratulations to Mr and Mrs. L. Samuelson of Buffalo Coulee on the birth of a son.

The writer enjoyed a very pleasant afternoon as a guest at the Busy Bees meeting held at the home of Mrs B. Moors Wednesday Jan. 27. A nice crowd turned out even if it was a bitter cold day. Miss Shirley Holms D.H.E. did not get to the meeting as planned but will come to a later one. Mrs. Johnstone and Mrs Tweedy are very capable ladies as president and secretary with Mrs Gow as treasurer. The meeting closed with a delicious lunch and a happy hour of visiting. Thanks again ladies for the pleasant afternoon.

Mr and Mrs Frank Gibson of Hazelwood had a few friends in on Saturday evening for a Canasta game. Mrs C. Cruthers and Robert Martin won the top honors and Mrs. John Wilson and Johnny Barke second prize.

We were so pleased to see Mr and Mrs. Clem Moore and family in town on Saturday. They have kept close to home through the cold weather. We all hope we won't have such a long cold spell again this winter.

Cliff Cruthers is skipping a rink at the Wainwright Farmers' bonspiel. He has Harry Symes, Gilbert Harrison, and Bryan Fraser with him. Ray Osterberg and his rink of Dick Dordy, Ian Clark and Chas. Goal are also there. Ray has done real well so far and we hope he brings home a prize. Cliff and Co. have not done as well but we wish them [illegible].

Our only ladies rink at Wildmere Mrs R. Martin, Mrs Barke, Mrs. Gibson and Mrs J. Wilson entered the Vermilion ladies' spiel. Mrs. Wilson was unable to go however so the ladies picked up Alice Roseffert to play with them. Good luck [illegible].

Mr and Mrs. J. W. (Bud) Barke and family of Lloydminster visited at the home of Bud's parents Mr. and Mrs. [illegible] Sunday afternoon.

## Uncle CHARLEY'S "Epigrins"

The chap who has a hot time in mind needs cold cash in his pocket.

• • •

Kids make the family ties stronger, the days shorter, the nights longer, the bank account smaller the clothes a bit shabbier, the home happier, life a little busier and the future worth while.

• • •

If some fellers brains was dynamite they couldn't blow their hat off.

• • •

Kissin' a pretty gal is like a new sewin' machine: it seems so good.

• • •

Blessed is the feller who kin take the hard bumps and still keep on goin'.

• • •

The cat in the Ridge Corner store window, at night, get's more attention than the goods.

• • •

Nope, a feller don't have to be big time to keep tickin'.

• • •

Some times we think a [illegible].

• • •

After all, this is a man - made world.

• • •

Even with all our dollars it's hard to find good quarters.

—REV. CHARLEY GRANT

## Local News of Interest

Old friends and acquaintances of Mrs. Ryan and daughter Janet and the late Dr. Ryan, who practised for many years in Vermilion, will be interested to know that Mrs. Ryan and Janet were recently seen by Jack Barr. Jack who is at present working in the Lachute area of Quebec, met them at the home of his aunt one evening and had a very interesting talk about Vermilion and district and also brought them up to date on the goings on in this part of the country. According to Jack, Miss Ryan is at present teaching school in Montreal.

George Braithwaite has recently undergone an operation in the University hospital for a spine ailment and will be a patient there for some time.

Mrs. N. N. Bentley and Mrs. E.M. Stewart were visitors to Edmonton this week, motoring to the city on Wednesday.

Mr. and Mrs. E. W. Hart left Wednesday for a trip that will take them as far south as Oklahoma with stops at intermediate points.

Harold J. Reid writes from Big Valley and notes that we have a [illegible] new curling [illegible] and adds that he thinks that he will come back to Vermilion to retire. Harold says that from the station platform he can cout many oil derricks all lit up around the village. With the influx of the drillers Big Valley is experiencing quite a boom, rooms are at a premium with local people asking as much as $110 per month for a three room cabin without water or sewer. Board and room is $85. Mr. and Mrs. Reid's son Robert, and their daughter Jeanne and husband now live in Calgary and they see them quite often. Mr. and Mrs. Peter Weber were at the Reid home for New Year's so Harold says we can't get far from Vermilion.

Mr. and Mrs. Wm. Krause announce the engagement of their youngest daughter Thelma Freda, to Mr. Allan Pearce Greaves, son of Mr. and Mrs. James Michael Greaves of Victoria, B.C. The marriage to take place at the St. Saviour's Anglican church, Vermilion, on Saturday February 27th at 8:00 o'clock in the evening.

Mrs. Bob Snelgrove had the misfortune to fall while standing on a kitchen stool in her farm home last week and suffered a badly broken right wrist. After two days in hospital she returned home with her arm in a cast.

Two girls from the Clandonald district, Miss Ellen O'Neill and Miss Bridget Pierce received their nurse's caps in a ceremony at St. Joseph's school of nursing at Vegreville last Monday evening.

Welcome visitors in town on Monday and Tuesday were Bill Plikie and son Allan from Edmonton. Bill claimed that it was surely nice to come back into the friendly atmosphere of Vermilion.

Mr. and Mrs. Percy Golby and daughter Barbara, of Islay district, were supper guests at the home of Mr. and Mrs. George Coombes of Vermilion on Saturday last.

W. J. Moss is noticed driving a new 1954 model Plymouth four door sedan, purchased from Vermilion's new car agency, Alex Marian.

## District Old Timer Passes At Mannville

MANNVILLE. — Mrs. Bertha Augusta Godke, old timer of the Mannville district, passed away on Sunday morning in her 78th year. She was born in Ottendorf, Hanover, Germany.

Mr and Mrs. Godke were married in 1886 and came to Canada in 1907 homesteading 12 miles south-east of Mannville. They lived there until 1940 when they moved into town. Mr Godke passed away on Dec. 21, 1951.

Mrs. Godke is survived by four daughters, Mrs Clara Bradshaw of Vegreville, Mrs. Freda McFadden of Edmonton, Mrs. Lillian Flack of Mannville and Mrs. Viola Nafziger of Mannville; one son Christopher Godke of Mannville; 17 grandchildren and 14 great grandchildren.

Funeral services were held at Mannville on Wednesday, Feb. 3rd at 2 p.m.

Moyers Funeral Home of Vermilion were in charge of arrangements.

## Wildmere Beavers Girls' Club Report

Our last meeting was held on Jan 16 at the home of Diane Smith with nine members present.

The meeting was opened by the singing of 'O Canada' followed by the Flag Salute and Code.

The minutes were read and approved. The Roll call was well answered by a 'Famous Lady' such as Florence Nightingale and Queen Elizabeth. The girls then got out the print for their aprons and cut them out. The Supervisor gave instructions for cutting out the aprons and sewing them together. Mystery Box was a bag of Kleenex which was won by Betty Smith.

Marlene Smith adjourned the meeting, seconded by Janet Cruthers. The meeting was closed by singing God Save the Queen.

A very tasty lunch was then served.

*IN MEMORIAM*

In loving memory of *Marcel Duguet* who passed away Feb. 4, 1951

His smiling way and pleasant face  
Are a pleasure to recall.  
He had a kindly word for each  
And died beloved by all.  
Some day we hope to meet him  
Some day we know not when,  
To clasp his hand in the better land  
Never to part again."

—Ever remembered by Lenore and Peggy

## United Church Men's Club To Meet

The February meeting of the United Church Men's club will be held in the lower hall of the church on Wednesday Feb. 17 at 5:45 p.m.

This will be another popular supper meeting at which the guests will be Capt Robert Chapman of The Salvation Army and members of the local Citadel band. Capt. Chapman will speak on the social services of The Salvation Army and will present a film in that connection. 31-2x

## Weather From One Extreme To Other

The weather went from a low of 29 below last Friday night Jan. 29 to a high of 35 above on Saturday Jan 30 Temperatures dipped again temporarily to 5 below Saturday night and then started an upward climb that has continued all this week. According to Edmonton records temperatures are higher this week than any for the corresponding week since 1887. The warm spell has washed out curling and hockey activities.

DAILY TEMPERATURES

| Day | High | Low |
|---|---|---|
| Jan 28 | -10 | -27 |
| Jan 29 | 16 | -29 |
| Jan 30 | 35 | -5 |
| Jan 31 | 46 | 18 |
| Feb 1 | 42 | 33 |
| Feb 2 | 46 | 34 |
| Feb 3 | 46 | 38 |
| Feb 4 | 45 | 28 |

The temperature went above zero at 1 p.m. Jan. 29 for the first time since Jan. 13.

## Surprise Shower For Baby Dwayne Hendel At Derwent

On January 3rd a big surprise shower was held for Baby Dwayne Hendel, son of Mr. and Mrs Louis Hendel of Derwent. The occasion being a great success despite the cold weather. The baby received most beautiful and useful gifts. A lovely lunch was served. Those present were: Mr. and Mrs. Marshall Mudryk and boys, Mr and Mrs. Steve Kulinsky, Mr and Mrs. John Palinka, Mr and Mrs Max Hanasyk and Terry, Mr. and Mrs. John Mudryk and Robert, Mrs. Steve Zaruiak, Mr and Mrs. Homer Campbell, Barbara and Marie, Mr and Mrs Metro Roszko and boys, Mr and Mrs. Ed Charchun and family, Mr and Mrs. Matt Charchun and boys, Mr. Spud Zurba, Mr Carl Hendel, Mr. and Mrs. Anton Hendel, Mr. and Mrs. Johnny Bober and boys, Mr. and Mrs. Carl Noster, Mr and Mrs. Pete Charchun, Mr. and Mrs. Stan Woloshyn and Delilah, Mr Emil Mudryk and Mr and Mrs. Peter Noster and Linda.

## Herman Eyben Has Fine Auto Court Near New Westminster

Many friends and acquaintances here will be interested to learn that Herman Eyben, former well known district farmer, has a very fine auto court located some seven miles east of New Westminster. He has named the auto court "Vermilion Cabins".

Herman sends along a snap shot of the auto court well smothered in snow and says "Don't believe all you hear about an Evergreen Christmas at the coast. This snap was taken on Jan. 24, 1954 and is just to let you see that we get a little snow too. The white hump at the end of the house is the only car that hadn't been shovelled out."

Herman extends a cordial invitation to any folks out that way to stop in.

*IN MEMORIAM*

In loving memory of *Dad and Mother Fowler* — who passed away March 6, 1949 and January 30, 1948.

The stream of life rolls on  
But still the vacant chairs  
Recall the love, the voice, the smiles  
Of those who once were here.

—Ever remembered by their family

*IN MEMORIAM*

In loving memory of *Dad and Mother Sherwood* who passed away Feb. 2, 1946 and Feb. 8, 1947

Not dead to us who loved them  
Not lost but gone before.  
They live with us in memory  
And will forevermore.

Ever remembered by Daisy and family, Tom and family

A highly visible tree marking paint now on the market enables woodsmen to spray the trees they want cut instead of blazing them with an axe.

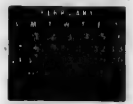
# Mannville Local Items

Bonspieling is still taking the local curlers out of town. There are six ladies rinks entered in the Vermilion spiel and 14 men's rinks in the Minburn bonspiel.

Among those from Mannville attending the Ice Cycles in Edmonton were Betty and Bonnie Proudfoot, Adele Matsey, Vic and Ralph Pederson.

Mr. and Mrs. George Lastuka, newly weds of last month have left for Calgary where George will complete his final year to obtain his bodyman's certificate. George has been apprenticing with his father, Mr. Harry Lastuka at the Mannville Body shop. The course will last 4 weeks.

Mrs. C. Hamilton was an Edmonton visitor last week. While there she attended the Consecration of Bishop Clark.



Mr. and Mrs. Ed Hauck, Mr. and Mrs. Joe Hauck, and Mr. and Mrs. Joe Gartner attended the wedding of Miss Barbara Sieben to Mr. Ed Gartner at Macklin, Sask., recently. Shirleyann Hauck was flower girl for her aunt's wedding. Mr. Joe Sieben, brother of Mrs. Ed and Mrs. Joe Hauck returned to Macklin with them. He has been visiting here since Christmas.

The two Mannville rinks that curled in the Vegreville ladies spiel last week were: Mrs. Linda Scoggins, skip, Mrs. Joy Manz, Mrs. May Proudfoot, Mrs. M. Reich. They won a prize in the Citizens competition. The other rink was skipped by Mrs. Ethel Mercer with Mrs. Erna Gerhart, Mrs. Elsie Williams and Mrs. Peggy Croft.

Mr. and Mrs. Robert Holden and Mrs. A. Holden motored to Gleichen last week end to attend the funeral of Mrs. Holden's niece, Mrs. Hugh James. Before returning home they plan to visit Miss Shirley McFadden in Calgary. Mrs. N. McFadden is out at the farm with the children while Mr. and Mrs. Holden are away.

Canadian manufacturers now are producing nylon-corded tires which are rated as being among the safest and longest wearing available anywhere.

# Funeral Services Held For The Late James S. Cavil

Funeral services for the late James Smith Cavil who passed away on Jan. 20 at the age of 85 years were held on Friday, Jan. 22 from Vermilion United church. Rev. C. W. MacKay officiated with Mr. W. B. Elford as organist.

Pallbearers were Mr. J. W. G. Morrison, Mr. E. Corley, Mr. George Whyte, Mr. Fred J. Richardson, Mr. Melvin Hill and Mr. Albert West.

He is survived by his loving wife; two sons, John of Kitchener, Ont., and Andrew of Smithers, B.C.; four daughters, Mrs. John Grant, Dewberry; Mrs. W. H. Douglas, Vancouver, B.C.; Mrs. E. A. Reid, Chilliwack, B.C.; Mrs. George Capatos, Vermilion; one sister Mrs. T. Blue, of Bradwell, Sask.; also 14 grandchildren, 14 great grandchildren, ten nephews and two nieces.

Moyers of Vermilion had charge of the funeral arrangements.

Beautiful floral tributes were received from the following:

The Family; Johnnie and Laura; Lila, Bill, Mr. Bowser and Kenny; George, Muriel and Sandra; Mr. and Mrs. J. Capatos; Mr. and Mrs. Dave Fisk; Mr. and Mrs. Sam Fisk and Mrs. Aitken; Women's Auxiliary, United church; Commercial room, Vermilion High school; Local No. 73, Kitchener, Ont.; Maintenance Gang, B. F. Goodrich Co., Kitchener, Ont.; Mr. and Mrs. J. DeLeen and family; Mr. and Mrs. P. McNamara; Mr. and Mrs. Bert Taylor; Mrs. H. N. Stephens and Margaret; Mr. and Mrs. Gerald Stephens; The Lambie Family; Maisie and Family; Curtis and Marie; Dr. and Mrs. Clark; Mr. and Mrs. Albert West, Mr. and Mrs. Elmore Stewart; Mr and Mrs. Alex Manyluk, Olga and Melvin; Miss Beth Witherbe; Mr. F. J. Richardson.

Donations to the Cemetery Fund: Mr. and Mrs. Don Taylor and family; Nellie, Sid, Anne, Hilda, Jerry and Bev; The Pilkies; Miss Alice Keith; Mr. and Mrs. A. W. Elliott; Leona and Billie McLaughlin; Mr. and Mrs. S. C. Heckbert; Mr. and Mrs. Wallington and family; Mrs. C. E. Armstrong; Mr. and Mrs. W. Waldenburger; Mr. and Mrs. George Webb; Ladies Auxiliary to the Canadian Legion.

Donations to the Polio Fund: Mr. and Mrs. George Whyte; Mr. and Mrs. W. E. English and Lucy; Mrs. A. Barnwell; Mr. and Mrs. George Martin; Mr. and Mrs. Bob Allan.

Gideon Bible Donations: Mr. and Mrs. E. W. Clendenning; Mr. and Mrs. E. Schurman.

Donations to the Cancer Society: Nora and Dave John; Gladys and Bert; Mrs. S. Cruthers; Mr. Peter McQuid; Gordon, Annie and Myrtle Terry; Gordon and Kathleen Williams; Mr. and Mrs. H. H. Hodgins and Elma; Mr. and Mrs. W. Lyle Robinson; Nan, Joan and Bob; Mr. and Mrs. P. Jensen; Happy Gang Sewing Group; Mrs. Washington; Mr. and Mrs. T. H. Davis and Louise; Mr. and Mrs. W. J. Fisk; Mr. W. J. Moses; Mr. J. W. G. Morrison; Alta and Odell Curtis and girls; Mr. and Mrs. A. Hildreth; Mr. and Mrs. W. R. Joty.

Save the Children Fund: Mr and Mrs. Melvin Hill.

One of chemistry's important contributions to public safety is the development of fire retardant paints now used in industrial plants and in the interiors of television and radio receivers.

# NOTICE OF Annual Meeting OF ELECTORS

PUBLIC NOTICE is hereby given that a meeting of the Electors of the Town of Vermilion will be held in the Elks Hall, on Monday, the 8th day of February, 1954 at eight o'clock p.m., for the purpose of receiving the reports of the Mayor, Secretary-Treasurer, Auditor and Chairmen of the various committees of Council, and from the Vermilion representative on the Vermilion Municipal Hospital Board, for the year ending 31st day of December, 1953.

E. H. WEERES,  
31x Secretary-Treasurer.

# W. I. Activities For The Month Of January

RAMSAY

The January meeting of the Ramsay W. I. took the form of a social evening to honor Ernie Prill for his success at the Royal Winter in Toronto. The evening began with a Pot Luck supper. Mr T Henderson proposed the toast. Eddie Sloan presented Ernie with a hand-carved replica of the prize winning pig. Ernie very fittingly thanked everyone present and then went on to describe the highlights of his trip to Toronto. He showed many pictures which he had taken and also Jack Bryden who was present, showed snapshots he had taken on the same trip.

SALTAUX

Saltaux W I met at the home of Mrs W R Staden, Vermilion. Mrs. Marguerite MacDonald of Vermilion gave a demonstration in smocking. This group collected stockings for shipment to Korea.

FIVE POINT

Five Point W I chose a tentative handicraft list and forwarded it to the handicraft convener. Mrs W McCauley was appointed convener of a committee to report on U. N. activities at each meeting during the year.

VERMILION

Vermilion W I. selected their preferred list of handicrafts and forwarded to Mrs. Pidcock. A parcel of clothing was sent to the Unitarian Relief fund. This group is making a quilt as a joint enterprise.

THORNCLIFFE

Thorncliffe group discussed and made plans for raising money during the year. They also made plans to collect and donate a large parcel of clothing to the needy children of Korea and Greece.

CLAYSMORE

Claysmore W. I appointed conveners of the standing committees. Mrs Joe Bauer read a paper on "Canada Day in the Maple Leaf Gardens. The members subscribed to Home and Country.

WILDMERE

The members of Wildmere W I are making a "Wildmere W I crest". They donated to the barley for Korea fund. They also forwarded their preference in handcraft to Mrs Pidcock.

CREIGHTON

Creighton W I planned their program for 1954 and also made plans for a bazaar to be held in the fall. The roll call was a suggestion How to improve our W I. Some time was spent on this, many of the suggestions will be put into effect.

WILDMERE BEAVERS

The Wildmere Beavers held their meeting Jan 16 with 9 members and a visitor present. They have finished their first article of sewing and now are starting half aprons.

INAUGURATION DANCE

Inauguration dance at Woodvale Community Association hall Friday Feb. 5. Door prize 5 month old Hereford calf. Horpestad music. Everybody welcome. 31-1x

# Allandale Notes

The cold weather has broken and we did enjoy a January thaw on the last day of the month. It was 40 above and really grand.

Congratulations to Mr. and Mrs. Ronald Poranko (nee Joyce Armstrong) of Royal Park on the birth of a daughter Adele Ann, on Jan. 16.

We're vey pleased to hear that Mrs Herb McPhee won a paper bingo recently, a $10 prize. Prior to this Lorne McPhee had also won a $10 prize.

Mr and Mrs James Walsh and family, Adele, Doreen, Wayne and baby Laura left Jan. 26 for their home at Waterways. They appreciated the kindness of Uncle Johnny Nelson in taking them to the Clandonald station.

Reports are that the Stanley party held at the Throndson home on the afternoon of Jan. 28 was quite successful in spite of the cold.

Mr and Mrs. Orville Armstrong spent most of last week in the city. Their daughters Carol and Karon holidayed with their grandparents at [illegible] to school and Sonny Neil with his grandparents in Islay.

The Allandale W.A. will meet at Ms. Baldock's on Feb. 11. Mrs. Throndson and Mrs. Ounsess on the lunch committee.

Mr. and Mrs. Norman Anderson and daughters Dianne and Sharon of Lloydminster visited at the latter's home on Sunday the 31st. We are sorry to hear son Garry who is attending school at Saskatoon is now isolated for mumps. A speedy recovery and best wishes to you Garry from all of us.

Mr. and Mrs. Jack Cross visited at the Mayers' home last Sunday, a grand day to be out doors.

Glen Baldock has been home with his parents for a few weeks. He had been working in the city.

Mrs Bobroski, our teacher, has resumed her teaching duties after a few weeks of illness. Hope the warmer days and sunshine bring her improved health. Mrs. Ort Strome had been substituting.

Closing Thought: No one is ever cheated out of an honorable career unless he cheats himself. Believe in yourself, do your work the best you know how and you will not be cheated ... your efforts will bless all who come in touch with you.

By Shirley Holms, Wainwright, Alberta

# News Notes From Your District Home Economist

THE WISE ENJOY THEIR WINTER MEALS

Winter appetites are usually good. But sometimes as winter goes on those appetites being to lag. To kep them up through the winter months and yet keep food costs down, is a real challenge to the homemaker.

Mrs Wise has found one of the answers on her herb shelf. The Wise family don't tire of carrots for instance, when they appear in many different forms, and with different flavor touches — whole, halved, quartered, slivered, sliced, diced or chopped; alone or mixed with other vegetables (and not too often with peas'); sprinkled with fresh parsley or chives (from pots in the kitchen window) or seasoned with a bit of mint, basic summer savory or thyme.

One favorite dish in the Wise family is glazed carrots. Split in half length-wise, the carrots are parboiled, then placed on a buttered shallow casserole or pie plate sprinkled with a mixture of summer savory, marjoram, chervil and basil. More herb mixture is sprinkled over the top of the carrots. Then they are dotted generously with a tablespoon of sugar. One half cup of water is poured around the carrots, and they are cooked in a moderate oven about 15 minutes, until tender.

Miss Joyce Lewis, Extension Nutritionist says this same herb mixture can be used in dishes such as creamed mushrooms, scalloped tomatoes, scalloped string beans, and other vegetable dishes. Either singly or in combinations, herbs give zip to those winter vegetables. Try a bit of basil with beets, peas or tomatoes, she suggests; or a touch of mint with cabbage, [illegible] or peas; a speck of sage or marjoram in tomatoes or string beans. Experiment with a pinch — less than ⅛ teaspoonful — until you and your family are familiar with various flavors. You'll have fun adventuring in the land of good eating, and your family will benefit from the health of a variety of vegetables in their diet.

Write for the bulletin "Vegetables Make the Home Plate".

BLEACHES

Many are the uses of bleaches:

To renovate your glass ovenware, etc. simply soak for a few hours in a solution of 2 tablespoons of bleach to 1 quart of cold or lukewarm water. Scrub wih a brush, rinse in hot water and dry.

Pour this solution into a narrow necked jar or into vases, bottles tea pots and thermos bottles and let stand, your articles will become clean and sterile inside. Rubbing the lip edge of stained tea cups will bring you success too.

Baby's bottles are cleaned and sterilized in this manner. Wash all loose milk from the bottles. Fill with cold water and let stand. When all milk curds are well loosened, pour out the water and fill with bleach solution. Wash, rinse in scalding water, air for half an hour before filling with food.

Soft wood floors, reed chairs, are improved with a scrubbing of 2 tablespoons bleach to 1 quart of water. Rinse after.

Beauty bleach your hands and soften callouses with a solution of ½ tablespoon bleach to 1 pint of water. A good scrubbing with a nail brush across the finger tips and cuticles is an excellent foundation for a manicure.

AVOID MESSY ORANGES

Oranges are, of course, a perennial lunch box or snack favorite. Here is a good idea for preparing them for easy eating. First mark a strip about ½ inch wide, completely encircling the orange at the 'Equator' line. Now remove peel above and below, cut remaining ½ inch band vertically at a section division and gently part the orange to its core. Now part each section separately until they lie flat on their backs, attached to one another by the ½ inch band of peel. They are easily put back into position then ready for the lunch box, yet ready to eat with little mess.

## Paradise Valley

Quite a welcome change in the weather picture. May it continue say we. The past two weeks were the coldest for many years and how the coal and oil disappeared! The roads are good however and that helps a lot.

The Wednesday afternoon curling club held a very successful whist drive in the hall Wednesday evening where court whist was played. Winners, ladies' 1st, L. Knutson, gents, D. B. Baxter. Consolation W. Sirett and Mrs. Storms.

Mrs. W. P. Davidson who has been a visitor in Edmonton with her daughter Mrs. J Chambers returned home on Friday evening.

The Home and School met Jan 19. Mr Armishaw was elected vice-president. The new series "Way of a Parent", heard on the CBC at 4:15 Sundays was brought to the attention of the members. It was decided to order the study guides that accompany the series. Minutes of the ratepayers' annual meeting held on Jan. 18 was read. Mr. Richardson showed two interesting films entitled "Shy Child", and "Farewell to Childhood", after which lunch was served. The next meeting will be on Feb. 16.

The P.V.W.A. will meet at the home of Mrs. Emil Knor on Wednesday Feb. 10 at 8 o'clock.

The United Church Sunday school will hold a sale of home cooking in Gunn's store on Thursday Feb. 11. Sale to start at 10:30 a.m.

BE DOLLAR WISE... FERTILIZE
Those farmers who invest from $2.00 to $2.75 per acre for Elephant Brand Fertilizer to apply with the seed of their cereal crops know that their crops yield from 6 to 10 bushels more per acre and ripen earlier because they are fertilized.
The money they invest in fertilizer therefore grows and yields them a profit of from 300 to 400%. We know of no investment that a farmer can make that will yield equal returns.
Let us tell you more about the other advantages that can be yours from the use of fertilizer.

## Christmas Was Jolly

What Christmas meant to department stores shows in [illegible] sales 2% above same month the year before, reported in The Financial Post. Gains are Quebec 5%; B.C. 2%; Ontario 2%; Maritimes 1%; Manitoba 1%. Decline of 1% in Alberta, 0.1% in Saskatchewan.

# Health Unit Notes

ALLERGIES

Allergy is the sensitivity towards certain food, wool, grasses, weeds, flowers, feathers, animals, [illegible] dust, etc., which causes the victim discomfort in a variety of ways. It is a condition which tends to run in families. Children of parents who are asthmatic or hay fever sufferers are much more likely to show allergic tendencies than ohterwise. Special care should be taken with such children to keep them out of contact with the common 'offenders' or [illegible] allergies.

ECZEMA

Eczema is an itchy eruption which may occur any place on the body, but most commonly on the cheeks, scalp, in the folds of the neck, in front of the elbows and behind the knees. It is one of the earliest forms of allergy to show itself in a child. In a sensitive child, that is, one with an allergic family background woollen (especially angora) fabrics should not be allowed to touch the skin. If they do, an irritation is caused resulting in the rash of eczema. [illegible] that are frequently to blame for eczema are eggs, certain fruit juices, and some cereals (oatmeal particularly).

Happily, most children tend to outgrow the eczema before they are three but reasonable care is necessary to safeguard against this bothersome condition in later life.

HIVES

Hives are itchy, raised spots on the skin, looking very much like large mosquito bites. They occur on the body, extremities and face usually as well-defined small lumps. Occasionally, however, they seem to group together, each clump forming a 'giant hive'. Or the lobe of an ear, the lip, the eyelid or the foreskin may have a hard, itchy swelling. An intense itching is characteristic of hives. Normally the hives do not last long, often disappearing just as rapidly as they appeared.

Usually they are caused by some food to which the child is sensitive and such foods should be carefully avoided in the future. A baking soda bath or local application of calomine lotion will relieve the itching. In persistent worrisome cases, see your doctor.

ASTHMA

Asthma is wheezy, difficult breathing. With each breath the child takes there is a whistling, wheezy sound in his chest. His trouble is not in getting air into his lungs but in breathing it out because of the spasms in the small bronchial tubes. Some foods can cause asthma, such as eggs, fish or seafood; or it may be caused by the child breathing in fine particles of some sensitizing substance such as feathers, animal hair, house dust, barnyard dust or dust from freshly st[illegible] walls.

Again, some children suffer from asthma when they have head colds [illegible]

Some cases are very mild and only with increased activity on the part of the child does it become bothersome. Other children are so distressed and have so much difficulty in breathing that they have to be propped up in bed or in a chair. If the asthma is associated with fever, the child should be kept in bed.

BABY & PRE-SCHOOL CLINICS

Monday, Feb. 8 — Legion hall, Vermilion, 2 to 4 p.m.

Friday, Feb. 12 — Kitscoty clinic 2 to 4 p.m.

Friday, Feb 12 — Marwayne hall 10 to 12 noon.

UNITED CHURCH W.A.

The W.A. groups of the United church will meet Tuesday Feb. 9 at the following homes: Mrs. Dougan's group at the manse; Mrs. Hardie's group at the home of Mrs. Muir; Mrs. Stan Waldenberger's group at the home of Mrs. I. Nelson; Mrs. Allen's group at the home of Mrs B Ackerman.

## Bowtell Bulletin

Sorry no news for the past two weeks. It was so cold that everyone stayed by the home fireside.

Mrs Hardie spent a few days in hospital recently.

Mrs Johnson, Shirley and Bob motored to Edmonton on Tuesday.

A little late maybe but many happy returns to Mr Jones and Mr Van den Dolder on their birthdays, Jan 16.

Mrs Walker visited Thursday evening at the Dedelly home; Mrs. Robinson and baby were visitors Friday afternoon at the Jones' home. The writer was pleased to have Mr and Mrs B. Hobbis and Wayne, Mr and Mrs. C. Clarke and family, William Walker, Mrs Cummings and Pat, Mrs Repp and Robert, Mrs Knutson and Harold all visit her recently.

Bob Blake had the misfortune to break his arm while working in the bush at Winfield.

BUSY BEES MEET

On Jan. 27 the Busy Bees met at the home of Mrs. Moses with 12 members present and two visitors, Mrs R. Repp and Mrs J. Walling. [illegible] Owing to the very cold day Miss Shirley Holms district home economist was unable to attend. A donation of $10 was sent to the T.B. fund. The February meeting will be held at the home of Mrs Maggs. Lunch was served by Mrs Gow and Mrs Fulton at the close of the afternoon.

Wayne Arnold spent a few days visiting his grandparents Mr and Mrs Rochford.

Injecting cattle with insecticides such as lindane is a method being tried by agricultural scientists to kill cattle grubs. Experiments with yearlings showed four injections gave first rate protection.

## Nails Nailed Down

Wire nails, barbed wire, fence staples, poultry netting etc. have been cut fairly sharply by manufacturers and wholesalers, reports The Financial Post. The drop is said to reflect stiff competition from U.K. products. [illegible] is running around $1 per keg.

# Kitscoty News

Mr. Fred Seabrook, who has resided here for the past 21 years, and now has disposed of his business, was honored by about 100 friends from town and country at a social evening sponsored by the board of trade, and held in the Tracy Memorial Hall on Friday, Jan. 28. After an evening of hilarious games, much laughter and a sing-song led by Mrs. H. Begg, the ladies served a delicious lunch.

Mr. J. Smith, president of the Board of Trade, with his usual witty remarks, called Mr. Seabrook to the front of the hall and then Mr. H. Stokes J.P. Mr. Stokes in a few well chosen words presented Mr. Seabrook with a very beautiful and useful Gladstone travelling bag. Mr. Seabrook expressed his appreciation with heartfelt thanks to all present and said although he was taking a trip to England in the near future he would be back to see all his friends again soon. A pleasant evening was brought to a close by all joining hands and singing "Auld Lang Syne".

Mr. C. K. Miller and Mr. Earl Franks spent the week end in Edmonton. Mrs. Miller returned with them after spending the past six weeks in hospital and taking treatments at the University hospital. Mrs. Miller's many friends are pleased she is feeling better and hope she will enjoy good health from now on.

We wish to welcome Mr. and Mrs. R. D. Trask with Nita of Mankiller to our town. Mr. Trask is the new manager of Seabrook's general store.

The ladies auxiliary of the Canadian Legion Kitscoty branch Post 139 B.E.S.L. wish to thank all who patronized their tea and bake sale last Friday and many thanks for donations of baking. The sum of $75.80 was raised for the Poppy fund from our generous friends in town and country.

Mrs. M. K. McDonald is home again after spending the past four months at Alax, Cnt., with her daughter and son-in-law Mr. and Mrs. Alex McGregor and family.

The Rev. Mr. D. Wedder and Mr. T. F. Mason were Edmonton visitors last week where they attended the enthronement of the Rt. Rev. H. H. Clark, in All Saints Cathedral, who is the new Anglican bishop of the diocese of Edmonton.

Mr. and Mrs. Ev. Miller were Edmonton visitors during the week end and attended the Ice Cycles at the Gardens.

Mrs. C. N. Gray and granddaughter Miss Judy Sheppard spent the week end in Edmonton attending the Ice Cycles on Saturday afternoon and on Tuesday evening they attended the U. of A. mixed chorus concert in Convocation hall. Misses Betty Gray and Beth Tyler, and Mr. Albert Lake, local young people are all members of the chorus taking part in the concert.

Miss Dorothy Stock, Bank of Commerce staff at Lloydminster, spent the past week at her home here ill with the flu.

## Films At Mannville

MANNVILLE.—For the next few weeks Mr. C. J. Gamble, field supervisor of the M.D of Minburn plans to show films at various schools throughout the district. These are educational films of interest to the farmers and their families, on better farming methods. These shows will start at 7.30 sharp. The following are the dates for the coming week:

Stellaville school, Friday, Feb. 5. Woodville school, Tuesday Feb. 9; Sunset school, Wednesday Feb. 10; Maple Lodge school, Thursday Feb. 11; Lorraine school, Friday Feb. 12; Lake Alice school, Tuesday Feb. 16.

These shows are sponsored by the Agricultural Service Board. Watch for dates films are to be shown in your district.

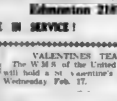
## Tips on Touring

By Carol Lane
Woman's Travel Authority



You can pack 48 items into a 21-in. weekend case in less than 15 minutes — and still have space enough for that last minute purchase nearly forgotten item.

1 Inserts: because I not only pack it for each day on the road, but I can find and unpack it many times in travel talks before women's clubs and travel conventions.

The secret is simplicity and organization:

2 Make a list of every item you need, from aspirin to zipper jacket and paste it inside your case.

3 Check off each item as you lay it on the bed or dresser for packing.

4 Start packing with the heaviest non-breakable items on the bottom and opposite the handle so they will remain in that position when the bag is carried or in at rest.

5 Group as many related items as possible — all cosmetics in a cloth case lingerie and hose together, shoes in another, etc.

6 Fold in articles and roll sweaters army style lengthwise, to conserve space and minimize wrinkles. These paper or plastic in the folds of dietz dresses and blouses does wonders in preventing creases.

7 Fill in the empty spaces with the lighter more pliant articles, and that last minute item.

Revise the original list after a week-end trip or two and you'll soon be packing like a veteran.

AUNT HELLEN'S CAROT CHUTNEY

At this time of year many supplies run short such as relishes and chutneys, so there are plenty of small jars empty. Here is a way I've found to make those jars from mayonnaise or salad.

Buy about 6 nice large carrots and put through chopper. Add to this two large tart apples peeled, cored and chopped. Add to by each of the following: Mustard, salt pepper all spice cloves 1 cup brown sugar.

Boil all together for 5 minutes then add 1 cup vinegar. Boil again 10 minutes then pack in sealers.

Kneelrest for all cold meats and poultry or all fritz thin chutneys.

BRET HELLEN (Carrotchief)

1 qt banna mashed and chopped.
1 qt rubbage chopped.
1 cup grated horse radish;
2 cups grun sugar.
1 tsp salt, 1 tsp. pepper
Mix all togethery, sweet with vinegar and sour.

An entirely new series of top-styled cars!

Dr. A. B. King Vice-Pres. — Annual Meeting

## K. G. Urquhart Elected President Vermilion Board of Trade

K. G. Urquhart, well known business man of the town, was elected president of the Vermilion Board of Trade at the annual meeting of that organization held on Wednesday following the regular weekly monday luncheon. The vice-president is Dr. A. B. King. Both the new officials have been very active members of the Board as well as serving on many other organizations in the town. The complete slate of officers for the coming year is:

Hon. Pres.—His Worship Mayor S. C. Heckbert
Immediate Past Pres.—Keith Chalmers
President — Kenneth G. Urquhart
Vice-Pres.—Dr. A. Ben King
Sec.-Treas.—F. J. Richardson
Director of Publicity—Ashley H. Cooper

Executive members continuing for second term—Melvin Hill, Martin Shalka, E. Clendenning, Hugh Stewart.

Executive members newly-elected for a two-year term—I. Miller, A. A. Locke, E. J. Herring, Albert Hartreuther.

The executive appointed the following committees, with the first named in each case being the chairman:

Agriculture—Roy Walker, E. H. Buckingham, Hugh Stewart.
Retail Section—I. Miller, E. M. Stewart, Ed Herring, John Knight.
Industrial—G. W. Schendel, in the place of Lingings, A. Kent.
Roads — Hugh Stewart, D. B. Mitchell, Lawrence Wells.
Civic — E. Clendenning, Tom Watts, Dr. Hanlan.
Entertainment — Ernie Sutton, Elmo Hillis.
Ways & Means—Al Locke, Dr. Bob Anderson, Albert Hartreuther.
National Affairs—A. Ben King, R. K. Chalmers, G. F. Stephens.
Health — Melvin Hill, Neil McLean
Airport — Baden Anderson.
Park Committee—Dr. Ben King, S. C. Heckbert, Geo. Webb, Ross Boake.

The chairman then asked His Worship the Mayor to administer the oath of office to the new president and vice-president

EXPRESSES APPRECIATION

Before administering the oaths of office Mayor Heckbert expressed the appreciation of the, Town Council for the splendid contribution rendered the community by the Board during the past year. His Worship stated that he felt, and he was sure that the rest of the Council agreed with him, that the grants made to the Board by the Council were very well merited.

NEW PRESIDENT TAKES CHAIR

The newly-elected president Mr Ken G. Urquhart took the chair and thanked the members for his election to a very important office which he would endeavor to fill to the best of his ability. He then outlined what he considered should be the major projects during 1954, namely:

(Continued on page 7)

## Rural Electrification School Here Mar. 1

The Department of Agriculture and the Canadian Vocational Training Branch of the Federal Department of Labour are co-operating in offering a rural electrification school in Vermilion from March 1 to March 12.

The course is open to men 21 years of age and over who are living on farms served by electric power. The subject matter of the courses will include principles of electricity, practical wiring, the use of electricity on the farm and in the home, electrical appliances, safety precautions and other topics of general interest pertaining to rural electrification.

Instruction will be provided free of charge, but students should arrange for their own board and room if they are too far out to stay at home and must bear their own transportation costs.

It is suggested that each Association in this area name five or six students to attend. All names of those wishing to attend should be forwarded to E. H. Buckingham, Vermilion, at an early date. Details of the courses can also be supplied by the secretary of each rural electrification association.

## New President of Board of Trade

K. G. URQUHART, well known business man of the town of Vermilion, who was elected president of the Vermilion Board of Trade at the annual meeting of that organization held Wednesday. He is already a member of the Council.

The further development of the Vermilion Provincial park; Furtherance of road conditions in this area; That the Board should constantly put forth every endeavor to make Vermilion a centre for northeastern Alberta.

GEORGE O'BRIEN SPEAKS

Mr. Urquhart then asked Mr Geo O'Brien of Vegreville, President of the Alberta Associated Chambers of Commerce and Agriculture to address the Board

Mr O'Brien stated that he was very pleased to be here on the occasion of the annual meeting. He was glad to note that Vermilion continues to hold weekly meetings and he was of the opinion that these luncheons every week were of great value in promoting interest in Board of Trade work.

Mr O'Brien stated that the Al berta Association had had a very satisfying increase in membership during the past year and now stood at 103, his last Board of Trade to join was Yellowknife N.W.T.

The retiring president, Mr K Chalmers, then gave his address outlining the work achieved and attempted by the Board during the past year as follows:

It is the annual privilege of the President of this Board to present to you a short resume of the matters which have engaged the attention of the Board during the past year. This I shall endeavor to do.

May I say first, I have enjoyed my tenure of office as your President and have received the renewal and assistance from the members of the executive, the various committees generally to the enjoyment of those

## Natural Gas For Mannville In Summer

Mannville people will be able to enjoy the convenience of natural gas for heating and cooking before next winter. Included in the plans of Northwestern Utilities is the lay ing of an eight mile line to serve the village of Mannville. The gas line will be a branch off that which now runs from Kinsella to Vermilion.

## Organize Mixed Chorus At Vermilion

At a well attended meeting held in the high school on Monday evening, a mixed chorus was organized. It consists mainly of members of the male chorus which has had five years of successful activity in Vermilion and district and a number of ladies as well have joined through their efforts in the various choirs throughout the town.

The following officers were elected to guide the new chorus:

President — Dr. C. W. Stephens
Vice-Pres — W. A. Kibblewhite
Sec-Treas — Lillian Harrower
Executive: Mrs. Ted Eden, Ron D. A. Ford
Librarian — Wm Fooks
Music Committee: Miss F. Wasylishen, Dr. Stephens, Jack Brown
Auditor — Dr. Neil Goodhall
Accompanist — Dr. Stephens
Director — Jack Broom

Dr. Stephens plans to present concert some time in the spring.

With the number of very fine voices available in the town and the varied program can be expected and the quality of these singers will add greatly to the enjoyment of Vermilion lovers in Vermilion and area.

This organization is strictly self supporting and is in no way affiliated with any club or other body. It will operate as a business and will be known as the Vermilion Mixed Chorus

## Fire Damages House At Islay

ISLAY Fire damaged the rest dence of Mr. and Mrs. Gladys Stone on Saturday but caused fair fighting directed by Herb Hanlan. Chemical trucks from the premier work on the house at the time kept damage to a minimum. The fire broke out in the creosoted chimney, the exceptional heat from the roaring fire dry cedar boards to catch. The men of the village used the fire extinguishers and soon had it from the well. It was necessary to cut only one small hole near the ceiling in order to put out the fire with full of smoke where necessary the workers were forced to work without even cracking one of them.

The Misses Stone wish to publicly express their gratitude for the very efficient help received, for it is care that was taken to minimize the damage. Also to the many friends who offered to take them in while repairs to the home were being made They just moved across the street and stayed with Mr. and Mrs B Trelaze

## Treats at Columbia

Manager Nick Kowalchuk of the Columbia theatre has a Valentine treat for every one of the little folks who attends the show on Saturday Feb 13. Every child will receive a bag of popcorn free

## Three Vacancies On School Board

The annual meeting of the Vermilion school district will be held in the Junior high school at 8 p.m. on Tuesday, Feb. 16. School affairs for the past year will be reviewed and plans made for the future.

Terms of three members of the school board, W. L. Roebuck, Ross Boake and Ashley Cooper expire this month. All are nominated and elected at this meeting. Continuing members of the board are Chairman Don Taylor and F. M. Stewart. Terms of school board members are two years.

## Nomination Day Monday, Feb. 15

Monday is nomination day and the terms of two members of the town council, and the Vermilion member on the hospital board expire. Nominations for candidates to fill these offices will be received by Returning Officer Herb Johnston at the town hall from 11 a.m. to 12 noon, Monday, Feb. 15

The retiring councillors are D. B. Mitchell and H. J. Payne, and the hospital board member is Frank H. Walker.

## Sudden Death of Mrs. Sarah E. Cruthers

Mrs. Sarah Elizabeth Cruthers passed away very suddenly Thursday morning, Feb. 11 at the Vermilion hospital. Taken ill the previous evening, Mrs. Cruthers was admitted to the hospital and passed away about 6 o'clock Thursday morning. She was 69 years of age and had lived in the Wildmere district and in Vermilion for the past forty-five years.

Funeral services will be held on Monday, Feb. 15 at 2 p.m. at the United church, with interment at the Vermilion cemetery. The Rev. C. W. MacKay will officiate

Moyers are in charge of arrangements.

Mrs Cruthers is survived by three daughters, Mrs. Harry Philips, Wembley, Alberta; Mrs Jack Marfleet and Mrs. Albert Smith of Vermilion, and two sons Clifford of Vermilion and Russell of New Westminster There are 35 grandchildren.

## Ladies' Bonspiel March 2 and 3

The postponed bonspiel of the Vermilion Ladies Curling club will be played Tuesday and Wednesday, March 2 and 3

## Anglican Men Plan Curio, Relic Exhibit

At the last meeting of the Men's club held on Monday evening in Parish Hall it was decided that an exhibit of relics and curios would be held in Vermilion some time early in the summer. The articles exhibited would be on loan from their owners. It was felt that there were many articles from the early days being kept throughout the district and these would make a very interesting exhibit A committee comprised of F. H Buckingham chairman, Rev. D. A. Ford, J. W. G. Morrison and Ashley H. Cooper were appointed to carry out the project

At this was the annual meeting the following were elected to office for the forthcoming year

Hon. Pres Rev. D. A. Ford
President Jack Kneale
2nd Vice — J. W. G. Morrison
Sec Treas. John Knight
Executive Committee: E. H. Buckingham, R. K. Chalmers, Thos Watts

To be elected:

The next meeting will be held on Monday March 1 with Dr. Dennis Hanlan, J. Kneale, Bob Sedgwick and Tom Connolly charged with the responsibility of roasting and serving the meal

## Canadian Club To Hear J. E. Oberholtzer

The February meeting of the Canadian club will be a dinner meeting at 6.30 p.m. on Monday, Feb 15 in the Legion hall.

The lecturer, Mr. J. E. Oberholtzer, Deputy Minister of Industry and Labour in the Alberta government will speak on The Industrial Development in Alberta with emphasis on the north portion.

SPRING TEA

The W.A. of the United church will hold their annual Spring Tea April 24th in the church hall. 32a

## Nominations Closed For Municipal Elections

Nominations for municipal elections in the Vermilion area closed at noon on Monday, Feb. 8 with the following candidates in the field:

Village of Vermilion — Mayor, Dr. A. B. King, acclaimed; Councillors, Dr. Ben King, Ashley Cooper, Ross Boake, Dr. Neil Goodhall, Dr. Dennis Hanlan, Ed Herring, Dr. Bob Anderson, Dr. Ben King, acclaimed.

Village of Kitscoty — Mayor, Dr. Ben King, acclaimed; Councillors, Dr. Ben King, Ashley Cooper, Ross Boake, Dr. Neil Goodhall, Dr. Dennis Hanlan, Ed Herring, Dr. Bob Anderson, Dr. Ben King, acclaimed.

Village of Kitscoty — Mayor, Dr. Ben King, acclaimed; Councillors, Dr. Ben King, Ashley Cooper, Ross Boake, Dr. Neil Goodhall, Dr. Dennis Hanlan, Ed Herring, Dr. Bob Anderson, Dr. Ben King, acclaimed.

Village of Kitscoty — Mayor, Dr. Ben King, acclaimed; Councillors, Dr. Ben King, Ashley Cooper, Ross Boake, Dr. Neil Goodhall, Dr. Dennis Hanlan, Ed Herring, Dr. Bob Anderson, Dr. Ben King, acclaimed.

## V. H. S. Ice Follies of '54 Planned For Friday, March 5th

Plans for the '54 Ice Follies have been drawn up, and it promises to be an even better show than ever before. The widely varied program has appeal for all and should be well worth attending This year the three Queen candidates represent V.S.A., V.J.A. and V.H.S. The tales of Snow White and the Seven Dwarfs, presented by the High school, and the Pied Piper of Hamelin, by the public school will lend variation to the program There will be classes for costumes. so get busy with plans for your outfit. There'll be plenty of competition! Besides the ordinary races, obstacle race, relay races and chuckwagon races will be run off. Details of regulations for the chuck wagon races follow:

CHUCKWAGON REGULATIONS

1. Each team must consist of 5

### Advocates Hard Surfacing Business Streets

MAYOR R. C. HEYBERT who in an address to the ratepayers at the annual meeting Monday evening advocated a program of hard surfacing streets in the business area of Vermilion. "Better clean roads for a better class town." Twas a mean sot" The winning goal by Veg came in for much dispute also as not being over the goal line in a scramble so by getting credit for a doubtful one and by having a real goal disallowed the combined Veg-Ed aggregation gathered up 2 points at the expense of the youthful Vermilion crew mostly in the Midget age class as neither Les Williams or Elmer Krelle, were able to make the trip

## Annual School Meeting At Islay Feb. 20th

ISLAY The annual school meeting of the Islay local school district will be held in the school on Saturday Feb 20 at 2:30 p.m. All are invited to attend. 32-3

## GAS KINGS HERE SATURDAY NIGHT

It's hockey weather again and the Viking Gas Kings will be back in town saturday night to supply opposition for Vermilion Tigers. The game starts at 8:30. If the present weather holds the ice will be perfect all that is needed is a self-out crowd how about 1000 fans Saturday evening to cheer the locals on to a victory over the league leaders.

ROBBED AT VEG

Vermilion Tigers were robbed of a goal at Vegreville Wednesday night and this could well have meant a victory for them as they finally lost out 3 goals to 4. Down 3-0 at the start of the second frame the Vermilion crew came back to tie it up at 3-3 St Martin swept around the goal and slipped the disc into the hemp on a typical St Martin play The red light went out but the Rangers not liking to be so cleanly outwitted searched around for a hole in the hemp and finally talked the goal judge into reversing his decision. 'Twas a mean sot' The winning goal by Veg came in for much dispute also as not being over the goal line in a scramble so by getting credit for a doubtful one and by having a real goal disallowed the combined Veg-Ed aggregation gathered up 2 points at the expense of the youthful Vermilion crew mostly in the Midget age class as neither Les Williams or Elmer Krelle, were able to make the trip

## FLASH!

### Extra Hockey Games To Be Played Here

MONDAY, Feb. 15 Wainwright vs. Tigers

SATURDAY Feb. 20 — Viking vs. Tigers

## Another Giant Bingo Saturday, Feb. 27

The Kinsmen have planned another of their jumbo bingos to be held Saturday, Feb. 27 commencing at 8 p.m. Total value of the prizes will be $1200. headlined with a combination radio and record player valued at $225. This will be held in the armories and tickets are now on sale at $2 each.

## United Church W. A., Dewberry Elect Officers for New Year

The Dewberry Ladies Aid held their February meeting at the home of Mrs. D. Munroe. There were ten members present

The meeting opened with a hymn followed by the Lord's Prayer Mrs. H. Hempstead read from the Bible Mrs S. Wellsfield from the Upper Room

Minutes were read and adopted Treasurer's report was given A vote was made to put the money made at the banquet for the lady officers into the building fund

Mrs. Hodgson Lane reported four cards sent glad to see these folks back home.

We would like to thank the Ritchie club for their donation to our Mission Band We are working on raising fund hoping some day to enlarge the church enough to accommodate our special services

A motion was made to establish a Memorial Fund Mrs J Porter kindly offered to manage contributions for this We decided to send for the United Church Observer We will need to sell several of these subscriptions. 24 copies for $1 Anyone interested please see Mrs J Porter She has a copy you can read before you subscribe.

Next meeting is at Mrs S. Wellsfield's We would gladly welcome any new members to our club. The following officers were held the first Thursday of each month.

The executive for 1954 follows:

President — Mrs. F. Bradshaw
Vice-Pres — Mrs G Hodgson
Secretary — Mrs. N. E. Jones
Treasurer — Mrs J Porter
Bazaar Convener Mrs. V. Dewdney

In closing may we leave this thought with you "Prayer is the Christians Vital Breath".

## Annual Meeting Of Salvation Army Corps

The annual meeting of the Vermilion Salvation Army Corps will be held next Wednesday, Feb. 17 at 8 p.m Reports will be presented and a sound film on some aspect of Army work will be shown. The public is cordially invited to attend.

### A QUALIFIED TEACHER FOR EVERY PUPIL—

All parents, teachers and others interested in the welfare of our children must feel grave concern over any proposals to lower the standard of education in the province. A lowering of the entrance requirements of the Faculty of Education, and a shortening of the teacher training program would ultimately affect most adversely those most vitally concerned and least able to defend themselves, the pupils of our schools.

The adherents of the policy of lowering qualifications claim that this scheme will help to relieve the teacher shortage. There is little conclusive evidence to support this viewpoint. On the contrary, the result is more likely to be the direct opposite. The problem facing education today is not so much the recruiting of new teachers as the retention of trained and experienced teachers in the profession. The additional number of new recruits that might be gained by a lowering of qualifications would probably be offset by the number of trained teachers leaving the profession for other fields where their qualifications are recognized or where their duties are not so exacting.

Few parents will concede that the child of primary school age is in any lacking in complexity when anyone can teach. Psychology and methods alone agree that education during the early formative years is of the utmost importance. Yet it is these very pupils who would be entrusted into the hands of partly trained teachers should a program for lowering teachers' qualifications be implemented.

The government has many other means at its command to help relieve the teacher shortage. Increased government grants to education, an increase in the number and amount of provincial scholarships and bursaries to encourage able students to enter the teacher profession, a raising of the standard of education these are the means to help achieve the aim, "a qualified teacher for every pupil."

### FAITH IN RELIGIOUS EXERCISES—

The Junior Chamber of Commerce of Canada will, this year, undertake a nation-wide "Go to Church" program. The aim of the program known as "Faith in Religious Exercises" — is to urge Candidians to attend the church of their choice regularly.

Part of the program was evidenced during the Christmas season when Junior Chambers in various parts of the country, made a strong effort to bring back Christ to Christmas. In more than a dozen cities or towns in Canada models of the Nativity scene were displayed in public places. All Jaycees were urged to see Christmas again with truly despicted Christmas as the birthday of the Prince of Peace.

This activity is in line with the first tenet of the Jaycee creed which expresses the belief "that faith in God gives meaning and purpose to human life" There is virtue and validity in the reminder that the battle for men's minds must be fought largely at the spiritual level. The greatest and most effective weapon against communism is religious faith. Communist doctrine according to the prophets Marx and his disciples Lenin and Stalin, denies religion. It is a purely materialistic concept in attempt to fight communism solely by demonstrating superior ability of the free world to produce more atom bombs, more automobiles and more bath tubs, is a policy pattern which concedes the very argument which the communists themselves materialism is a cancer-like growth which destroys from within. We know however, that religion is the antidote and the Jaycees are to be complimented on their fine effort in this connection.

It is to be hoped that other organizations will follow through and help bring back to the hearts and minds of men and women every where a fuller appreciation of the need and value of religious faith and observance

## LETTERS TO THE EDITOR

This paper does not hold itself responsible for opinions expressed by correspondents

Lindbergh, Alberta.
Feb. 9th. 1954.

The Vermilion Standard,
Vermilion, Alberta.

Dear Sirs:

Would you please send me your Standard of Feb 4th containing the committee article on the 'old mill wheel of Frog Lake'.

I would like to say that I think that we should feel very much indebted to the people who had the initiative to get the old mill wheel and all the creek and taken care of.

There is a real need for people who can and will take care of relics as far too many are destroyed or neglected.

Thanking you,
Yours truly,
J. Hancock

Derwent, Alberta.

The Editor,
The Vermilion Standard,
Vermilion, Alberta

Dear Sir:

It was rather interesting to read the letter by the President of the Alberta Tuberculosis Association Dr D W Robertson, published in the Edmonton Journal and I wish to express sincerely, especially to the members of the Derwent District Health Society.

The Derwent District Benevolent Society was organized for the purpose of carrying on the canvassing for funds for Charitable organizations in one yearly canvass more widely known as the 'Single Appeal'. The reason for this is obvious. It is possible to get canvassers for one campaign but to secure canvassers for the many different campaigns coming at intervals throughout the year is very difficult We organized and conducted our first campaign in the fall of 1952. We had the names of five different charity organizations on receipt forms including the Alberta Tuberculosis Association.

At the conclusion of our campaign we divided the proceeds and mailed out cheques to the organizations concerned The Alberta T.B. Association saw fit to return our cheque for $250 giving as their reasons for refusal, that they conduct their campaign through the mail once a year and have no other means of securing funds for their activities.

I would like to point out that we brought our campaign to a successful conclusion on less than 2% of our expenses, which compares very favorably with [illegible] of the different organizations.

We have no quarrel with any Charity organization, and fully appreciate the value of their work, but we stand pat on our idea of the "Single Appeal". The A.T.A. President's appeal to Canada through its traditional Alberta fashion, did not very well with us, hence our letter.

Yours truly,
H Mygerson,
Secy. D.D.B.S.

## THE TOWN OF VERMILION

## NOTICE OF NOMINATION MEETING

### 1954

PUBLIC NOTICE is hereby given that I will attend at THE TOWN HALL, Vermilion, Alberta, on MONDAY, the 15th day of February 1954, from ELEVEN o'clock in the forenoon until TWELVE o'clock noon, for the purpose of receiving Nominations of Candidates for the Office of Councillor for the said ensuing three years, also for one member of the Vermilion Municipal Hospital Board for the next ensuing two years.

Given under my hand at Vermilion this 8th day of February, 1954.

Sgd. R. W. JOHNSTON, Returning Officer

By Your District Agriculturist

## "GREEN ACRES"

### GRASS SEED PRICES

The seed price list for the Alberta Seed Growers' Co-op. arrived this week. Prices of Brome and Alfalfa are down again this year, actually they are only one half of the cost for this seed three years ago. Seed is stocked by Gordon Ross, Vermilion, and the Seed Point, Marwayne. Orders should be booked early. With the low prices for grass seed and the uncertain demand for grain, it would seem like a good time to seed down some of the old fields.

### GRAIN VARIETIES

The 1954 recommendations for grain varieties in Alberta has just arrived, get your copy from the D.A. office and see what the committee recommends for this District.

### OPERATION HEALTH

Last week was health week in Canada but every week should be health week. Everyone can make some contribution to their own health or their families health. Many diseases like whooping cough and polio could be prevented by inoculations. Parents should protect their children from many of these diseases by immunization.

### HOME FREEZERS

A supply of circulars dealing with the building of home and deep freeze cabinets has just been received. Farmers with either power too can build their own units. Circulars are available from this office.

### BACON WITH BLACK HAIRS

Slides of bacon from red and black hogs have colored hairs. This part of the side has to be cut off and discarded so no housewife wishes to buy bacon with black hairs in it. This is one more reason why we should raise good bacon type Yorkshires for the market.

### CHANGES IN HOG PRICES

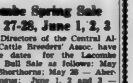
The C.F. of A. at their recent meeting in London, Ont., moved to ask for the price differential between Grade A and B1 hogs to be increased from 40 cents to $1. This ought to have some influence in raising the quality of bacon hogs. The number of grade A hogs has slipped badly in Alberta during the past two years.

### Lacombe Spring Sale
### May 27-28, June 1, 2, 3

The Directors of the Central Alberta Cattle Breeders' Assoc. have set the dates for the Lacombe Spring Bull Sale as follows: May 27 — Shorthorns; May 28 — Aberdeen-Angus; June 1, 2 and 3 — Hereford. Bulls entered must be born on or after June 1, 1951 and on or before May 1, 1953. As in the past this sale will also be open to females. Entry forms for this sale will be available in the near future and entries will close April 1st. 2-3

## HOCKEY CHIT-CHAT

By RAIL BOID



It looks as though we will get some hockey after all. The weather is getting milder and the arena will soon be in use again.

The league games will be over next week and then come the playoffs. The first place team will play the third and the second place team will meet the fourth. It appears that Vermilion will be meeting Viking in the semi-finals. The semi-finals will be the best of three series and the finals the best all 5.

The league statistics were in this week and there are many changes here in the team standings. Washwright Commandos are in a first place tie with Viking and have a good chance of overhauling the Canadians as they have two games in hand over the Viking crew. In the individual scoring department Manson of Viking still leads with 21 points on 13 goals and 8 assists. Bill Hartley maintained the pace and is three points back with 11 goals and 7 assists for 18 points. Then with Johnny Bye second are Gilbert and Strate of Wainwright. The league's leading playmaker is Jerry Patsula of Vermilion with 12 assists. His three goals place him in a third place tie with J. Dunnigan, Viking, and Touchette of Wainwright.

The leading goalie is McManus of Wainwright with a 350 followed by Belton of Wainwright with 350. But these two goalies played only about two games respectively and thus cannot be considered for goalie honors. Of the goalies who have played 8 or more games Bantie of Viking is tops with a 3.62 average and Lasorte of Vegreville is second with 4.93. Laporte has also played in 8 games.

J. Dunnigan of Viking is making a runaway of the penalty parade with 40 minutes. His nearest rival is team mate Romaniuk with 24 minutes and Patsula is the local bad man with 22 minutes. This is the only division where the competition isn't very keen.

Moor of Veg had his short-lived goal-tending career of two periods made a rout as 10 goals poured by him in 40 minutes for an average of 15.00 per game.

Weather permitting the Tigers are slated to go against the first place Elk Kings on Saturday the 13th. Competition runs high between these two clubs and both will be shooting the works come Saturday. The "Rail Bold" may be going out on a limb but we predict a Tiger triumph.

## Princess Anne W. I. Notes

The regular monthly meeting was held at the home of Mrs. George Richardson on Wednesday, Feb. 3. Vice-president Mrs. F. West was in the chair, and there were nine members present.

The meeting agreed with O Canada and adjourned.

Correspondence was read from the District convener with regards to a special meeting of all W. I. branches to be held at Mannville on Feb 5, at which Mrs. Wood, M.L.A. of Sherry Plain was to be guest speaker.

A discussion followed and plans for transportation for those members wishing to attend were made. Plans were made for a card party to be held at Campbell Lake on Feb 3.

The bill for the materials used in the making of 16 quilts for the club room was authorized to be paid to G. M. Mead.

A letter of thanks to be sent to Mr. Mead for his kindness in making the stands for the W. I. branch.

Thirty "Diapers for India" were handed in. Mrs. Richardson, Hazeldene, will prepare her topic, "The Making of Candlewick Bedspreads".

Mrs. Geo. Mead followed up the handicraft bins in the social, by showing a very attractive and smocking sampler.

The meeting was adjourned with the singing of "God Save the Queen".

Mrs. Dallman and Mrs. Strome served a delicious lunch.

The March meeting will be at the home of Mrs. Ralph Strome. Roll call to be answered with a "Health Rule".

Nylon, the first truly synthetic fibre was placed on the market only after the expenditure of about $27,000,000 and ten years' research and development work.

When the day's supply of milk is somewhat short, Milk Powder is a real convenience! It's easy to mix a quart or a capful of milk to add flavour until fresh milk is your cooking. Milk Powder is an excellent source of many of complete proteins, calcium, riboflavin, Vitamin A. In many recipes, you do not need to reliquefy Milk Powder just mix it with the dry ingredients. When using it to drink, you'll find its flavour improves after standing overnight in the refrigerator.

TO RECONSTITUTE MILK POWDER:
1 Powder and water
2 Shake or shake until Powder dissolves
3 Pour into container, cover and allow mixture to refrigerate. The improved container and flavour

For More Flavour, Use Instead of Fresh Cream

ity and stability of our organization.

Before closing this address, I would like to remind you of the Coronation tour June of our Queen, Her Gracious Majesty Queen Elizabeth II. As loyal subjects of Her Majesty the members of this Board were proud to take part in the Coronation ceremonies held in Vermilion.

In conclusion, may I extend to my successor and the incoming executive my very best wishes for a successful year in 1954 and to assure them of my full co-operation as immediate past president.

Thank you.

## Whitmore W. I. Notes

The W.W.I. met at the home of Mrs. R. Osterberg on Feb. 3 with 14 members present. The meeting opened with O Canada and the Creed.

Owing to our president Mrs. Bathe being absent, Mrs. Gibson the vice-president was in the chair.

Roll call was answered by a 4-line poem about our community. This proved quite interesting with many amusing poems.

Unfinished business arising out of the minutes were the crests. After some discussion it was decided to make them out of white and blue felt. Mrs. W. J. Garnett is to get the felt and Mrs. Holte will help her make them.

Mrs. Garnett then informed us Mrs. Wood, M.L.A. for Stony Plain and a member of the W.I. was to speak in Mannville Feb. 5 and would like as many as possible to hear her.

Treasurer's report was the same as last month. The 25c for barley for Korea was handed in.

As March is our convention in Edmonton it was time to select a delegate. Mrs. F. Gibson was the member [illegible].

Mrs. W. J. Garnett made a motion that our convener, Mrs. Hamilton, visit us in June at Mrs. Haines' meeting.

Our project for March is each member bring 25c for polio fund.

Mrs. Gibson then welcomed our visitor and hoped she might become a member soon.

The social was the exchange of home-made Valentines. Topic was given by Mrs. L. Howard on Madame Pandit which was greatly enjoyed. Mrs. Holte then gave each member and our visitor a bunch of home-made flowers. Mrs. C. Cruthers won Johnny Jump Up.

The March meeting will be held at the home of Mrs. C. Cruthers on March 3 instead of at Mrs. Howard's. Roll call, current events of the day. Topic is by Mrs. Haines; social by Mrs. W. Steele, and don't forget the 25c for our project.

The meeting closed with 'God Save the Queen.'

Our hostess then served a tasty lunch. Mrs. Wilson, another member, joined us after school.

## Winston Elliott Holds Art Exhibit, Edmonton

MANNVILLE.—Mr. and Mrs. H. Elliott of the C.N.R. journeyed to Edmonton over the week end to attend the exhibition of oil, pencil portraits by their son Winston Elliott at the Edmonton Museum of Arts. Mr. Elliott is a graduate of the Ontario College of Art and at present is curator of the Coste House in Calgary.

The exhibition consists of 31 pictures and in the comments of Dr R. W. Hedley in the Edmonton Journal, Mr. Elliott should become an excellent portrait painter. The series contains fine examples of painting from the older style to that of the present day.

While in Mannville on a visit late in the fall, Mr. Elliott painted a portrait of Mr. J. I. Jones.

## Informational Films

When Pearl White was clinging desperately to a cliff by her fingernails over a pit of alligators and William S. Hart was wiping out desperadoes in the Wild West with blazing six guns, few people predicted that motion pictures would serve any purpose other than entertainment.

In recent years, [illegible] the motion picture industry has been producing a new type of film which is capturing public attention. While some of these films are produced in Hollywood, most are shot on location — on a farm, in a factory, a country store, a newspaper office, a chemical laboratory or a mine shaft.

These are known as informational films and tell the story of an industry, a business, an organization or a product. And while thousands of dollars are spent annually in Canada in the production of films of this nature, they are usually available to the public without charge.

To the average Canadian farmer such films are a key to a new world. They not only show him how to produce better crops and increased yields through scientific agriculture [illegible] stage in industry where he can see for himself the complexities involved in the manufacture of goods which have contributed much towards a better Canadian standard of [illegible].

Informational films are usually 16 millimeter productions with sound, black and white or color — the trend is towards color — and have a running time of 10 to 30 minutes.

Examples of the free film fare available to rural and urban groups are several informational films depicting the diverse roles of chemistry in farm, home, industry and recreation produced by Canadian Industries Ltd. Subjects range from how to produce a better crop of potatoes by proper fertilization and pest control to the training of hunting dogs.

The company's 1954 film catalog is available to anyone who writes C.I.L.'s Motion Picture Section, Box 10, Montreal.

St. Saviour's W.A. business meeting will be held in the parish hall on Thursday, Feb. 18 at 3 p.m.

### Afternoon, Evening Groups Elect Officers

## Anglican Church Ladies Organize for the Coming Year

The Afternoon branch of St. Saviour's Anglican W.A. had a very busy and profitable year. Two regular meetings were held each month. During the year whist drives were held in the parish hall; hot dog concession operated at the fair; the lunch concession run at the arena rink during hockey games; sales of work and teas were held.

The usual bale of clothing for the Indian school was made up and shipped. The W.A. assisted the choir in the purchase of some new anthem and hymn books. The usual project of the W.A. in paying all light and heat bills for the church and parish hall was again carried out this past year.

Donations were made for Coronation bibles for the Sunday school and to the Xmas tree party. Every sick or sorrowing member has been remembered with flowers, fruit, etc.

LIFE MEMBERSHIPS

In May Mrs. J. R. Robson and Mrs. E. H. Buckingham received life memberships in the Women's Auxiliary for their faithful work in church and group.

The name of Mrs. Fred Seabrook of Kitscoty was placed in the Diocesan Book of Remembrance, she having been at one time a member of St. Saviour's.

Two representatives were sent to the Diocesan annual in April. Miss Bury provided the Dorcas meetings with interesting talks on the year's study book. The W.A.'s prayer partner of some years' standing Rev. Rolls Boas of Whaletown, B.C. was also corresponded with.

The officers elected for 1954 are:

President—Mrs. E. H. Buckingham
1st Vice-Pres.—Mrs. W. A. Rogan
2nd Vice-Pres.—Mrs. J. V. Kneale
Secretary—Mrs. W. G. Urquhart
Treasurer — Mrs. Gordon Williams
Dorcas Sec. — Mrs. Harry Scott
U.T.O. — Mrs. A. E. Winter
Educational and Living Message Sec. Miss Grace Bury
Sewing Conveners—Mrs. S. R. P. Cooper, Mrs. John Shaw, Mrs. W. R. Staden
Flower Fund Sec. — Mrs. J. H. Hobden
Prayer Partner Sec. — Mrs. M. Adamson
Little Helpers' Sec. — Mrs. J. Knight.

## Happy Hour Group Elects Officers

At the annual meeting of the Happy Hour group of St. Saviour's W.A., also known as the Evening group, Mrs. Jessie Stephen was elected president for 1954. The complete slate of offices elected is as follows:

Hon. Pres. Mrs. D. A. Ford
Vice-Pres.—Mrs. J. W. Parker
Secretary—Mrs. V. Tillett
Treasurer—Mrs. Mitchell Taylor
Dorcas Sec.—Mrs. Wm. Fooks

The Rev. D. A. Ford thanked the group for their work in 1953 and complimented them on a most successful year under the leadership of Mrs. W. F. Stewart.

# Of Many Things . . .

By AMBROSE HILLS

*SUN SPOT*

There has been a lot of scare talk about bad times, and everyone looks around for someone to blame. I like the answer of Willford King, who is an important economist. He points out that solar activity affects business and that we should hit the low point in the pessimistic cycle near the end of this year — then start to zoom upwards toward optimism again. If this is so, the recession may be all over before most folk notice it at all.

To those who scoff at sun spot talk as superstition, Mr. King points out that the human organism has long been known to respond to solar rays, which isn't surprising: if the sun went out entirely, business would certainly stop dead!

But I doubt if all our misfortunes or good fortunes can be attributed to sun spots. I have a notion that the man who works hardest will get the job done first — in spite of sun spots. I feel sure that sun or shade, the loafer will still be expensive to hire and the first to squeal when he's fired.

I think price will have a lot to do with sales, whether the sun spots are bright or dull. If Canadians continue to demand high wages, and the highest standard of living in the world — they'll just have to work harder and more efficiently and produce the highest quality products at the lowest possible price. Otherwise we'll run out of customers for our goods, and we'll have bad times even is not a single spot appears on the sun.

I once asked the editor of a Manitoba weekly newspaper why his district seemed to be better off than most, even in the depression. He told me. He didn't even mention sun spots. He didn't talk about cycles of optimism or pessimism or anything so fancy. His answer was simple.

"We're getting by better than most," he said, "because it never has been too easy to make a living around here. We all know the value of things pretty well. We don't overcharge our neighbor; and our neighbor doesn't overcharge us. The boys in my print shop took a cut in pay, but the restaurant cut the price of meals, and board and room is cheap here now. We buy and sell our products and services at prices we all can meet. It's only when we have to trade with outside cities, where they'd rather be idle than bring down the price, that we have trouble. Mostly we just quit trading with them and shop at home."

I wonder if lower prices and wages wouldn't be the best way to lick a recession. Or would we rather be idle than make things at a price our neighbors can pay? It's about time we made up our minds.

## Pleasant Valley

Nearly everyone has enjoyed the lovely spring weather except possibly the curlers and hockey enthusiasts who wanted below freezing temperatures. There has been quite a bit of visiting with card playing and crokinole until the wee small hours.

Roads actually became muddy in February during the recent mild spell which ended all too soon.

Linda Gould celebrated her 6th birthday on Sunday at her Auntie Betty's home.

News is scarce these days, nothing exciting happens in the district it seems. No dances in the old school house as everyone seems to go to town to dance the time away.

## United Church Men's Club To Meet

The February meeting of the United Church Men's club will be held in the lower hall of the church on Wednesday Feb. 17 at 6.15 p.m.

This will be another popular supper meeting at which the guests will be Capt. Robert Chapman of The Salvation Army and members of the local Citadel band. Capt. Chapman will speak on the social services of The Salvation Army and will present a film in that connection. 31-2x

**Uncle CHARLEY'S Epigrins**

Science now has an earthquake detector that goes on like an alarm clock; What they should give us is an alarm clock that goes off like an earthquake.

Everybody has an ancestry but it always looks better on a girl.

There's two kinds of people that gripe over income taxes; men and women.

We still have the old time novel only now it costs two bucks.

When the heat is on some fellers git cold feet.

The Ridge Corner coal dealer says that one good ton deserves another.

Some fellers never really git on until someone gits 'em told off.

Even some kids with a lot of jack are poorly raised.

Yes, a pat on the back [illegible] sure make some fellers pretty chesty.

—REV. CHARLEY GRANT

## Local News of Interest

### Home Nursing Course

The Home Nursing course has now been organized and all interested in taking the course please attend the first lecture on Wednesday Feb. 17 at 8 p.m. in the high school.

Robert Fair drops the Board of Trade a line acknowledging a get-well card he received from the members and stated that he was now back in the House after three days receiving a medical check-up in hospital. Friends will be pleased to learn that there is nothing seriously the matter with Bob and the doctors assure him that he will soon be in 100 per cent health again.

Two local boys, Jack Colton and Joe Winters have left for a four weeks course at the provincial technical school in Calgary, and while there will write their 4th year and final exams as first class auto mechanics. Jack is serving his apprenticeship at Herzog Motors and Joey is at Ken Rowe and Sons. Best of success is wished both these young mechanics.

*BORN*—To Mr. and Mrs. T. D. Wilcox (nee Velma Fisk) at the Royal Alexandra hospital, Edmonton, on Monday, Feb. 8, a daughter Judy Lynn, weight 7 lbs. 13 ozs.

Some people have Vermilion well ear-marked. Steve Krushinsky received a letter from his brother at the coast. As a street address he had on the letter "North Pole, 47 below country". Oh well, nothing like publicity.

### Attend Capping Ceremony At U. of A.

Among the nurses of the class of September 1956 of the University of Alberta School of Nursing who received their caps at an impressive capping ceremony Friday evening last in the auditorium of the nurses' residence, were Miss Catherine Alice Barr of Vermilion, the daughter of Mr. and Mrs. Clarence Barr, and Miss Evelyn Noreen Dougan, daughter of Mr. and Mrs. Jack C. Dougan of Vermilion. Among those attending the ceremony from here were Mr. and Mrs. Clarence Barr, Mr. and Mrs. Jack Dougan, Mrs. W. L. Robinson, Mrs. L. P. Horne and Mrs. Manson Barr.

Dr. and Mrs. A. Ben King returned home last Saturday after spending a month in eastern Canada. They flew to Toronto via TCA and stayed six days visiting the Doctor's brother Mr C G King. While there they also saw Dr. Don Clarke. The Doctor and Mrs. King then flew out to Windsor and took delivery of a new Dodge car. Travelling from then on was by motor and they journeyed through Michigan to Chicago, through Wisconsin and Minnesota and back into Canada to visit Mr. and Mrs. Mason Dixon and family at Terrace Bay, Ont., where they stayed four days. Mason sends back greetings to all old friends. The travellers then came back on the Trans-Canada highway route to Fort William, Kenora, Winnipeg, Regina, Saskatoon and home.

Quite a number of friends paid a surprise visit to the home of Mr. and Mrs. J. Perkins recently, the occasion being the 13th wedding anniversaryof the surprised couple. Lunch was taken along by the visitors and a very enjoyable social evening spent.

Mr. and Mrs. Frank Chapman accompanied by Mr. D. E. Brown motored to Edmonton on Wednesday, then on to Meanook where Frank will give a missionary talk. Mr. and Mrs. Chapman will continue on to Grimshaw and Fairview for meetings while Dave will visit brother Jared Brown at Meanook. He plans to return the end of the [illegible].

Mr and Mrs Lloyd Taylor and son Scott of Calgary spent last week visiting at the home of Mrs. Taylor's parents, Mr. and Mrs. Ivar Larsen. They returned to Calgary on Sunday. Miss Gladys Larsen of Edmonton was also home for the week end

Friends will regret to learn that Mr. Ivar Larsen is ill again and is presently a patient in hospital.

Jack Carroll, former Vermilion man and an ardent and good curler had an eight end scored on him by Billy Grechol of Vilna while playing in the recent St Paul bonspiel

*BORN* To Mr and Mrs William Eschak at Bonnyville on Dec 28, a son, Warren Samuel

# Vermilion Seed Cleaning Plant

"Clean Seed, Well Treated, Pays"

*Re. TARTARIAN BUCKWHEAT*

*Though this weed is not hard to kill, you will never get rid of it if you keep on sowing it.*

We would like to hear from farmers who have good grain fit for seed free of Tartarian Buckwheat who would be willing to trade with a farmer who has it, providing that farmer would haul his grain to the elevator and sell it on your permit giving you the cash ticket and producer's certificate and haul your grain to the Plant to be cleaned for his seed. Any difference in dockage or grade to be made up. Otherwise trade bushel for bushel the farmer getting the seed paying all the trucking charges. You all co-operated in building this Plant let us co-operate still further and help your neighbor. This may help to keep this weed out of the Plant while cleaning seed.

**Vermilion Seed Cleaning Plant**

C. J. McCormick, *PRESIDENT* A. E. Coulburne, *MANAGER*

Director's Meeting in the Plant Saturday, Feb. 20th at 2:30 p.m.

The Vermilion Standard

## Widely Feted On 25th Wedding Anniversary

On January 23, thirty-seven relatives and friends met at the home of Mr and Mrs. John Hillcox to honor them on their 25th wedding anniversary.

Games were played during the evening, followed by a happy singsong and then by lunch.

Prominent on the table were two wedding cakes fittingly decorated with silver leaves, and a miniature bride and groom. One was made by Mr. and Mrs. Hillcox' daughter Beatrice and the other by Mrs. Cliff Hollen. Both were works of culinary art.

Following the tasty lunch gifts of 12 silver coffee spoons and salt and pepper shakers were presented from their friends. A silver sugar and cream service with tray, the gift of their daughters, Lois, Ruth, Evelyn and Beatrice, were presented by Valeria and Stewart Hillcox, newly married nephew of Mr and Mrs Hillcox.

"Johnny" as the bridegroom of 25 years ago is so well known made a fitting reply, and immediately he and Mrs. Hillcox were surrounded by all who joined hands and sang "For They are Jolly Good Fellows", everyone wishing them many more happy years together.

On Friday evening Jan. 29 friends from the Gospel hall met at the home of Mr and Mrs. John Hillcox, the occasion of their 25th wedding anniversary.

Following a social evening and singing Mr and Mrs. Hillcox who are widely esteemed and respected, were presented with a beautiful trilite.

Mr. Hillcox expressed the thanks of himself and his wife for the kindess shown to them and for the many good wishes received.

After a very sumptuous lunch the evening was brought to a close by a very fitting word by Dr. Brooks from Psalms 31-15 "My times are in Thy hand."

## Faye Nicoll, Clarence Schierer, Married In Edmonton

MANNVILLE. — On Monday afternoon Jan. 18 in Westminster church Edmonton, Miss Faye Nicoll daughter of Mrs. Mary Nicoll of Mannville was united in marriage with Mr Clarence Schierer, son of Mr. and Mrs. Schierer of Ponoka. Rev W H Moss performed the ceremony.

Given in marriage by her brother Gerald Nicoll, the bride chose a navy blue gabardine suit with pale pink accessories. Her corsage was of white carnations.

Mrs Joy Manz, her sister's only attendant wore a grey pic and pic suit with deep pink accessories and a corsage of deep pink rosebuds.

Mr Wally Schierer was best man.

A reception was held at the home of Mr and Mrs. Wally Schierer where the bride's table was centred with a three-tiered wedding cake. Mr. Len Manz proposed the toast to the bride.

CLANDONALD HALL

Showing at the Clandonald hall this week end Friday and Saturday Feb. 12 and 13, "The Devil Makes Three", plenty of excitement with Gene Kelly and Pier Angeli. Next week end "Appointment With Danger". News reel each week. 31c

DERWENT THEATRE

Showing at the Derwent theatre Saturday, Feb. 13 and Monday Feb. 15 "Three Came Home" with Claudette Colbert and Patrick Knowles. This is one woman's true personal experience. Next week "Aaron Slick From Punkin Crick". 31c

*IN MEMORIAM*

In loving memory of George Franklin Stonehouse who passed away Feb. 10, 1953 at the age of 50 years.

"He has not died who left us,
For the better land of day,
He would not so bereave us,
He's only just away.
And right behind Life's curtain,
Beyond all grief and pain,
There'll be a happy dawning
When we shall meet again."

Lovingly remembered by his loving wife Lillian and four sons, George, Bob, Bill and Jimmy.

*IN MEMORIAM*

In loving memory of our dear brother and uncle George Stonehouse who passed away one year ago, Feb. 10th 1953.

You're not forgotten, our dear brother
Nor ever shall you be;
As long as life and memory last
We shall remember thee.

Ever remembered by Fred, Ethel, Geraldine, [illegible] and the twins.

*IN MEMORIAM*

In loving memory of our dear husband and father [illegible] who passed away Feb. 9, 1953.

You are not forgotten dear husband
Nor shall you ever be.
As long as life and memory last
We shall remember thee.

Sadly missed by loving wife and family

## Canadian Legion Notes

Three new members were accepted into the branch at the February 8th meeting. They were Bernadette Dellaire, Paul Sawko and Wm. B. Olson. Vermilion Branch welcomes these new members.

Thos Wilson, treasurer of this post reported that the Legion Polio fund is now $1788. As there are still a few canvassers to hear from the final total will surely come to more than $1800. This is $800 more than our quota and we can only say 'well done' to Vermilion and district people.

President Martin wishes to thank all who donated to the Legion Polio fund and all who helped in canvassing.

Ed MacDermand, a member of this branch for several years, has asked to have his membership transferred to the Lloydminster branch. Ed is now located in the border town.

President Martin has called a special meeting for 8 p.m. Friday, Feb 12. Important business is to come before the members at this meeting.

## Bogus Spring Gone; Cold Wave Follows

The premature or 'bogus' spring weather left the area on Tuesday after prevailing for two weeks and setting new high temperature records for February. Snow rapidly disappeared during the two weeks' thaw and everything took on a spring-like appearance causing all winter sports to come to a standstill.

## Kitscoty News

Mr. J. A. Smith was an Edmonton visitor last week end.

Mr. and Mrs. Billie McLean and Maryalice of Hughenden spent the week end here visiting relatives and friends.

Mr. and Mrs. Mern Dale and Merna of Wainwright were in town Sunday visiting relatives and friends.

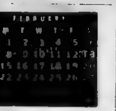
Best wishes for a speedy recovery to Miss Muriel Christoffersen and Mr. Collins who are hospital patients at present.

Messrs. K. C. Gray, A. Franke, J. Batty and J Campbell have all been victims of the flu. We are pleased to say all are improving.

Mr. and Mrs. Elmer Lang and Alex McIntyre are at present enjoying a holiday and visiting relatives at the west coast.

Mrs. L. Gabrielson and family of Edmonton are visiting at the home of their parents Mr. and Mrs. Alex Potter.

Congratulations to Mrs. Gare Kay who was the lucky winner of a pair of Hudsons Bay blankets in a recent Fort Garry tea and coffee "What Am I" contest.



## Don Clayton, CJCA Farm Director, Is Visiting Great Britain

Don Clayton left via TCA Jan. 28 to attend the famous Perth Livestock Sales — to visit farms and agricultural groups and attend other March sales.

He will send back tapes of interviews and information during his trips, which will be carried on the CJCA Farm broadcasts.

Don will discuss mutual problems with Scottish, English and Irish farmers and officials, taking listeners on a 'tour' of agricultural progress in Great Britain.

## Special Prize Awards To 4H Turkey Club Members

The Vermilion Junior Turkey club wishes to announce special prize awards which were donated by hatcheries for awards at the show and sale held in December.

First Prize Hen (live class) Steve Dymterko — 25 baby chicks from Woodman Hatcheries, Edmonton.

First Prize Tom (live class) Shirley McDonald — 25 baby chicks from Anstey Hatchery, Lloydminster.

First Prize Hen (dressed) Joyce Armstrong — 50 baby chicks from Co-op Hatcheries, Edmonton.

First Prize Tom (dressed) Josie McDonald — 20 poults from Co-op Hatcheries, Edmonton.

Highest Points for season's club work, Shirley McDonald -10 poults from Hambly Hatcheries, Edmonton.

Second Highest Points, Tony Dixon — 25 baby chicks from Lyons Hatchery, Vermilion.

Heaviest Tom, Elizabeth Semeniuk for showing 32½ pound dressed turkey, $5 donated by the Silver Wheel Ranch, Edmonton.

Best Kept Records, Bruce McDonald and Shirley McDonald (tie) $5 each from Alberta Turkey Association.

Member contributing most to the club in 1953, George Gow — 25 baby chicks from Anstey Hatcheries, Lloydminster.

District Agriculturist E. H. Buckingham wishes to say how grateful the Turkey club is for all these fine prizes donated for competition in the annual show. The club members are congratulated for putting on such a fine display of live and dressed turkeys.

BOWTELL

Dance at the Bowtell Community hall on Friday, Feb. 12, being held under auspices of the Busy Bees. Good music. Admission 60c each. 31-2

## United Church Men's Club To Meet

The February meeting of the United Church Men's club will be held in the lower hall of the church on Wednesday Feb. 17 at 6:45 p.m.

This will be another popular supper meeting at which the guests will be Capt. Robert Chapman of The Salvation Army and members of the local Citadel band. Capt. Chapman will speak on the social services of The Salvation Army and will present a film in that connection. 31-2x

Don left via T.C.A. to send back actuality reports of Perth Livestock Sales, interviews with farmers and agricultural progress in the British Isles.

CANADA PACKERS FARM SHOW

Monday through Friday at 12:15 noon

By Shirley Holms, Wainwright, Alberta

## News Notes From Your District Home Economist

*SUPPER CHILI*

1 pound hamburger
¼ cup chopped onion
¼ cup chopped green pepper
1 teaspoon chili powder
½ teaspoon pepper
1 teaspoon salt
3 cups tomato soup
½ cup rice
¼ cup grated cheese

Brown hamburger in skillet (the skillet may be rubbed with clove garlic for added zest). Add onion, green pepper and seasonings — cook until brown. Add tomato soup rice and grated cheese cover and cook 25 minutes. For variety, add one cup kernel corn or one can pork and beans. Serves six.

BREAD

There are those who say that bread is fattening. Yes there are those who say that bread is fattening. Again, they are not speaking the entire truth.

Practically every food is fattening if you eat enough of it! In the average sound reducing diet bread is on a par with many so-called low calorie foods. A 30 gram slice of enriched white bread or 60% whole wheat bread for instance contains about 75 calories. Some bakeries specializing in sliced breads are even slicing their enriched white loaves more thinly thus further reducing the calorie countof each slice. The average slice of enriched white bread or whole wheat bread in calorie value is less than that of an average serving of canned peaches (2 halves plus juice), less than that of four sardines drained, less than that of one average banana peeled, and just about equal to that of one third of a bar of plain milk chocolate 10c size.

Bread, enriched or whole wheat is a food for energy because it does contain calories, and a food for health because of all its extras like B vitamins, Calcium and balanced daily diet. Furher, it is never more important to that balanced diet than when a person is taking off a few extra pounds!

TOWELS

When you buy bath towels, look for a guarantee of colorfastness on colored towels or white towels with colored borders. Avoid towels which require laundering with 'lukewarm water and a neutral soap'.

Hold the towel up to a bright light. In a well-woven towel the light comes through in even pin points. If the light comes through in uneven patches the ground cloth is unevenly woven and the towel cannot be expected to wear well.

Selvage edges are strongest and the best selvages have every crosswise thread anchoring the last lengthwise thread. Buy towels only if there is a selvage on both sides.

The hems on the ends of the towels should be closely stitched and fastened securely at the corners. The raw edges should be turned under at least a quarter of an inch, more if the hem is in the terry portion of the cloth.

The heavier the towel is, the more absorbent it is likely to be. Style and color as well as fabric quality affect the price of a towel. Other things being equal a white towel is generally the least expensive. The addition of color, embossing or other decoration increases the price.

Woven borders sometimes shrink more than the body of the towel. This cannot be determined in advance of washing but it is a defect and should constitute grounds for returning the towel.

HOME PLANNER'S CORNER

ATTENTION, FUTURE HOME OWNERS!

We have a complete Home Planning Department to help you make those New Home Dreams a reality.

We'll show you how to plan extra living space ... how to get more value for your building dollar ... how to create a home that fits your income and family needs. Stop in — our friendly staff will be glad to see you.

REAL ESTATE & INSURANCE

GOVERNMENT BUSINESS IS

ALBERTA'S OIL POLICY

Orderly development and intelligent use of Alberta's oil resources to best serve the interests of the people of Alberta and of the nation as a whole is the basis of Alberta's oil policy. Your government is committed to these 5 main points.

1. To encourage orderly development to meet Canada's needs for petroleum products, and reduce dependence on the oil supplies of other nations.
2. To see that waste is prevented through the use of up-to-date engineering methods.
3. To establish prospecting and leasing regulations to encourage free and competitive enterprise and prevent monopoly.
4. To obtain for the people of the province a fair share of returns from oil production.
5. To ensure fair and generous treatment for the owner of surface rights.

One third of your government's revenue comes from oil and natural gas development. The money is allocated to capital expenditure and debt reductions that guarantee continued development and progress of our province.

That Alberta's Oil Policy is designed for the greatest good of the greatest number is now evident by our expenditures on capital construction and debt retirement which in the past six years have exceeded revenue from Oil Development by $37,700,000.00. In addition, Alberta's oil industry is a major factor contributing to industrial development, population increase, better housing and distributing facilities, reduced prices for petroleum products, greater employment, payrolls and improved local markets.

GOVERNMENT OF THE PROVINCE OF ALBERTA

## Many W. I. Members Attend

# Mrs. Wood, M.L.A. of Stony Plain Reports on A.C.W.W. Convention

MANNVILLE. - On Friday afternoon, Feb. 5, a large number of town and country women gathered in the school auditorium to hear Mrs. Wood report on the A.C.W.W International convention at Toronto. W. I. branches of two districts Vermilion and Vegreville were well represented with members from Princess Anne and Wildmere as well as Ramsey Birch Creek, Creighton, Happy Centre Five Point, Leewood, Claysmore. Mrs. J. I. Jones District Director welcomed the ladies and after a solo by Gail Mercer accompanied by Carol Mercer, Mrs. L. Colborne introduced Mrs. Wood.

Mrs. Wood, as well as being M.L.A. for Stony Plain is Mayor of Stony Plain. She has also done much for the Women's Institute, compiling the W.I. handbook, and was Provincial Secretary for several years.

Mrs Wood's report on the International Convention of Associated Country Women of the World was very interesting and gave those present an insight into the necessity of doing all that is possible to help the less privileged women of under-developed countries. There were delegates present from India, Pakistan, Japan, Holland and other countries but the convention was conducted in English. There were almost 1000 delegates and the Royal York hotel was like a small city of women for the duration of the convention. Mr Doucette, acting Minister of Agriculture welcomed the ladies and Mrs Sayre, the former President of A.C.W.W. replied.

The delegates were divided into eight groups and following round table topics were discussed: The problems of rural women in less developed areas. Technical assistance programs. Educations of rural youth; Ways and means of spreading information about the United Nations. Adult education of A.C.W.W. societies. Discussion of the economic problems of people on land. Conservation of natural resources. International exchange programs.

Mrs. Wood was in the first group and the theme of their discussion was how can the organized W.I. members assist these others and instruct them to take a more active part in the work of the world through A.C.W.W. The delegates from India, Pakistan and such countries are anxious to help the less privileged women but they want to do it through the A.C.W.W. They do not want scientific information sent to their governments, they want the women in this part of the world to gather material, make scrapbooks of pictures which will explain in simple language and will be easily interpreted to these women many of whom cannot read or write. Women here are also asked to take into their homes, girls from these countries and instruct them in the simple every day fundamentals of living remembering that at home they have neither electricity, gas or even regular stoves. The resolution passed was that, a Bureau will be set up in the London office of the A.C.W.W. for the purpose of receiving all types fo literature and information on agriculture, health facilities, etc., to be sent to women of the under developed countries upon request of same.

Mrs. Wood said she came back with a different picture of women of the world. These women from India, Japan, etc., are united against Communism.

The delegates visited Stony Creek birthplace of the Women's Institutes where a reception was held in the park. Five of the original members were present. The minutes of the first meeting were read. They also visited Guelph Agricultural College and Niagara Falls.

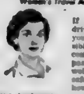
Mrs. Wood commented on the smoothness with which the convention was run, promptitude was one necessity. And her wonderful sense of humor gave her report that added something which made it very interesting to listen to.

Mrs. Henderson on behalf of the W.I.'s thanked Mrs. Wood for taking the time to come to Mannville and giving her report on the conference. She said that Mrs. Wood was a good example for other women. She felt that the women of the world should take a more active part in the work of the world and she was doing something about it.

Lunch was served by the local W.I. members and the ladies from the various W.I.'s took the opportunity of looking at the souvenirs Mrs. Wood brought back, gifts from other delegates there, as well as chatting with members of other groups.

## Tips on Touring

By Carol Lane
Women's Travel Authority



If you're the driver of a car you're responsible for the comfort of your passengers as well as for their safety. Here's how to keep your back-seat companions happy.

1. Avoid drafts. Air that the driver scarcely feels from the window at his elbow goes back to create a draft on the back of the neck of his back-seat passengers.

2. Make sure the radio is loud enough so the people in rear can hear easily.

3. Don't flip cigarette ashes or butts from the window. They are often sucked in an open rear window.

4. If your heater has no back seat outlet, provide a lap robe.

5. Don't drive too close to the car ahead or weave in and out of traffic. You may have plenty of room, but it will look like a close shave from the back seat.

Remember that as the driver you are the host. Treat your passengers as you would guests in your own home.

# OBITUARY

ALMIRON HENRY WILCOX

The passing of an old pioneer in the person of Almiron Henry Wilcox of Kelowna, B.C., formerly of Lindbergh, Alberta, on Nov. 25th, 1953 will be of interest to many who knew him. Mr. Wilcox was born March 30th, 1873 at Rushford, Minnesota, U.S.A.

On Oct. 27th, 1901, he was united in marriage to Myrtle Mae Everly and to this union 11 children were born, four sons and seven daughters. He was predeceased by a still-born daughter in 1908 and an infant son John in 1918.

He is survived by his wife Myrtle of Kelowna, three sons, Earl of Edmonton, Ray of Lindbergh, Elmer of Marwayne; six daughters Ada, Mrs. R. Habstritt of 314-52 Ave., S.E., Calgary, Alma, Mrs. Fred Attfield of Vermilion, Phoebe, Mrs. A. Lewis of Yakima, Wash., Lucille, Mrs. W. Berreman of Washougal, Wash., Edna, Mrs. W. Amos of 3910-10 Ave W., Calgary, Dorothy, Mrs. R. Hillaby of Marwayne. One brother Bryon of Long Beach, Calif. 28 grandchildren and 5 great grandchildren. Rev. C. Wilson officiated.

Day's Funeral Service of Kelowna were in charge of arrangements.

Mr. Wilcox was a pioneer in every sense. On June 5th 1913, together with his wife and family of five children he started overland by covered wagon for Canada. They travelled through the Badlands of the Dakotas and made the trip from Wyoming to Swift Current, Sask., in two months. They spent the winter of '13 there. In March, 1914 they went overland to Wetaskiwin and spent that year there. In the spring of 1915 they went to Brosseau, Alta., and spent that year there. In spring of 1916 they travelled to what is now Lindbergh, Alberta and Mr Wilcox filed on a homestead. He raised his family there and had to carve a home out of a living forest as it is heavy bush country. They were 60 miles from a railroad which was Vermilion, where he went overland by sleigh to the grist mill to get the year's supply of flour. He never had anything made easy for him because of summer frosts and all the hardships that go with homesteading in a new country, but he never complained.

On Oct. 4, 1944 they held an auction sale and sold everything and he and his wife moved to Kelowna, B.C., where he resided until December, 1952. On Dec. 12 that year he entered the Home for the Aged at Vernon, B.C., where he continued to enjoy the remaining days of his life.

Mr Wilcox was a kind husband and a loving father and he lived the way of the Golden Rule as nearly as possible. His motto of a good neighbor was "Do unto others as you would be done by". In those few words is the secret of his whole life and showed the kind of man he was.

He was laid to rest in Kelowna City cemetery, one of the most beautiful spots around there, among the trees he loved.

He has gone to his reward but he will be sadly missed by his family and all who knew him.

WHIST PARTY

A whist party will be held in the Holy Name parish hall on Thursdya evening Feb. 18 at 8:00 o'clock under auspices of the C.W.L. 32x

W. I.

The W. I. meeting will be held at the home of Mrs. Cruthers on Monday Feb. 15 at 2 p.m.

# Open Forums On Oil Industry

Rural and urban Albertans soon will have the opportuntity of getting more detailed information concerning the petroleum industry when they attend open forums on oil. This was revealed today in a joint announcement made by George D. O'Brien of Vegreville, president of the Alberta Associated Chambers of Commerce and Agriculture, and Don F. Anderson, of Drumheller, president of the Alberta Junior Chamber of Commerce. It is indicated that the meetings will begin early in March.

The announcement said the petroleum industry was co-operating with the provincial chamber organizations in a public service program designed to give Albertans a clear and correct picture of the industry. According to the proposed schedule the open forum meetings will be held at about 20 Alberta towns beginning in the south of the province and working north. A feature of the meetings will be a panel of speakers, representing the petroleum industry, who will describe the various phases of their operations. The importance of the industry to the provincial and national economies also will be outlined.

Of great importance is the question period which will follow the panel discussions. Considerable emphasis will be placed on this portion of the program, when questions from the floor regarding the industry will be directed at the various panel speakers. An industry representative will moderate the forums while a local chamber member will be chairman.

Following are some of the subjects to be discussed: exploration, leasing, mineral rights, surface rights, drilling, production, conservation, economics.

The itinerary and schedule for the towns to be covered by the forum meetings has not been finalized. Towns and dates of meetings will be announced later.

# NEWS from WILDWOOD

Mr. Sid Busby of Vancouver visited his sister Mrs. Frank Sperberg for a short time the first of the year and renewed acquaintances in the district.

The F.U.A. held their monthly meeting in the hall. President Carl Marklund occupied the chair with about 24 farmers present. Producer marketing boards was the subject of discussion after which the men served lunch.

Mr. Hosak of the M.D. office showed films in the hall of interest to rural residents and gave a talk on weed eradication for better farming. A good crowd was present.

Miss Betty Stone spent a pleasant week of holidays at home during the cold spell.

The members of the Co-op held a meeting in the hall and elected the following officers: President, Chas. Drysdale; Secretary and agent, F.J. Wheadon. A number of men interested in the Co-op made a business trip to McLaughlin on Saturday.

Mr and Mrs. Jimmie Sholdice are visiting at the home of R. P. Sholdice.

The Mesdames Jack were visitors with the Vanesti ladies for their meeting at Mrs. Roy Oldenburg's on Wednesday.

Mrs. Ernest Jack was hostess to the ladies of Wildwood on Thursday with most of the members and several visitors present.

The Wildwood Mutual Telephone Co. held their annual meeting in the hall and elected as president Robert Drysdale, secretary, George Jack and directors J. Wyley, Neil Shook, Ernest Jack and Robert Shattuck.

The lovely sunshine and spring weather on Sunday brought out many visitors and travellers. What matter if the car does slide into the ditch or get stuck in the mud? It's February!

Chemical additives, chemicals which add a previously non-present property, have made possible engine oils that stand up under high temperatures and remain free-flowing even at sub-zero temperatures.

Furniture finishes that resist the action of alcohol, water and burning cigarettes are being developed by paint and varnish manufacturers.

## NOTICE OF ANNUAL MEETING

### Vermilion School District No. 1446

*TAKE NOTICE* that the Annual Meeting of the Electors of the Vermilion School District No. 1446 will be held in the HIGH SCHOOL on TUESDAY, February 16th, 1954, at eight o'clock p.m.

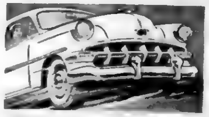
Four great NEW "Firsts" in Chevrolet for '54!

Count on Chevrolet to bring you the newest features first. Once again Chevrolet leads all competitive manufacturers in its field with these four great advances for '54!

These other famous Chevrolet "Firsts" over all competitive manufacturers in the low-price field offer you more than ever today!

FIRST OVERHEAD VALVE ENGINE ...builder of more than twice as many valve-in-head engines as all other makes combined... finest ones today
FIRST AUTOMATIC TRANSMISSION* ...most advanced one today
FIRST POWER STEERING* ...lower priced today
FIRST "HARD-TOP" COUPE ...more beautiful than ever today
FIRST UNITIZED KNEE-ACTION ...better than ever today
FIRST IN OVER-ALL ECONOMY ...lowest priced line today

CHEVROLET
A GENERAL MOTORS VALUE



1 NEW HIGH-COMPRESSION POWER
Two advanced, more powerful high-compression engines in Chevrolet for '54! Now in gearshift models is the "Blue-Flame 115." Teamed with Powerglide, optional at extra cost on all models, is the "Blue-Flame 125" — the most powerful Chevrolet passenger car engine ever built. Both great engines deliver finer, smoother, more quiet performance with important gasoline savings!

2 NEW POWER BRAKES
For 1954, Chevrolet brings you this wonderful advance in driving ease and convenience. With Chevrolet Power Brakes you simply swing your foot from accelerator to brake pedal for a smooth, amazingly easy stop. Power Brakes are optional at extra cost on all models equipped with Powerglide automatic transmission.

3 NEW AUTOMATIC SEAT CONTROL
Touch another control to move the front seat up and forward or down and back into your most comfortable driving position! The control is placed as shown where the driver can use it conveniently. Optional at extra cost on Bel Air and "Two-Ten" models in combination with Automatic Window Controls.

4 NEW AUTOMATIC WINDOW CONTROLS
You just touch a button to adjust front windows to suit the weather and your liking. The driver can adjust windows on both sides from his seat, while separate controls are provided on the right-hand door for that window. Optional at extra cost on Bel Air and "Two-Ten" models in combination with Automatic Seat Control.
*Optional at extra cost

## Sixteen Years Ago Today

*Feb. 10, 1938*

All town offices were filled by acclamation. Dr. Scott, Geo. Webb and E. M. Sewart to the town council; Dr J. J. Knoll, C. S. Kirby, Wm. Barr to the school board and M. A. Brimacombe to the hospital board. Completing the council are J. W. G. Morrison, Mayor, D. L. Kennedy, W. P. Pilkie and John Wiebe. Other members of the school board are Thos. Watts and Don Taylor.

Dr. Clive W. Stephens purchased the medical practice and office building of Dr. W. W. Bell and will arrive in Vermilion at an early date to commence his professional duties.

Norman Darling, a well known pioneer of the district, passed away at the age of 79 years.

Grace Elizabeth Williams and Ronald Sidney Barwick were married at the St. Saviour's Anglican church.

Mr. and Mrs. Ernie Johnson and family left Islay by car for Vancouver where they expect to reside in future.

## Thirty-two Years Ago Today

*Feb. 8, 1922*

Miss Polly Gloski was united in marriage to Mr. Alex Manyluk.

Fire destroyed the store premises and lumber yard of J. H. Landon at Landonville causing a loss of $8000. Mr Landon plans to rebuild.

No. 1 Northern wheat was 97c; oats 28c and barley 35¾c per bushel.

## Pleasant Valley

Any complaints - no not anymore, the weather is just right, also the roads. Nearly everyone took advantage of the fine week end to do some visiting. Some journeyed to Vermilion and enjoyed the show. The Moore family went a long way into town. From Deer Lake they came to Islay, then down to the highway and into Vermilion.

Lloyd and Betty were visitors to their old home on Sunday. Saturday night Gordon and family visited us also. It made one feel much happier after that long cold spell.

Mr and Mrs. Ken Reid motored to Riley on Saturday.

The writer is sure Mrs. Giles is pleased with the milder weather. Did you say that both feet froze in bed Lily?

However one can dodge the cold too, the sun was lovely and bright every day, and brought forth such lovely flowers - indoors of course.

What happened to our short story in the Standard - we miss it.

And how many enjoy reading "Of Many Things"? We certainly get a good laugh reading it. It's good.

Mrs. Jim Gould and Marvin went to Kitscoty Sunday to visit the Parker family.

Even the small fry like to visit too — Bily Potvin spent one night at Keith Burt's home; Gerry Maire spent a night at the Shaffer home.

I read something like this somewhere. Our children are not ours alone, they're only borrowed 'till they're grown.

---

A wide variety of synthetic rubbers and chemical treatment of natural rubber make tires today last five times as long and cost half as much as in 1920. Mileage 30 years ago averaged 5000; today it is close to 20,000.

## The World of Wheat

By H. G. L. STRANGE
*Director "The Crop Testing Plan"*

ABUNDANCE . . . AND ITS PROBLEMS

The United States and Canada have an abundance of food in the form of large surpluses of wheat. What to do with it? Some say wheat acreage should be reduced, but if this is done the wheat growers' income will shrink. Others say that wheat acreage should not be reduced considering the hundreds of millions of hungry people in this world but that the product should be offered at a cheaper price so that more will be sold; or that considerable quantities should be given away to hungry nations. In this event, too, unless the taxpayers subsidize the exports and gifts which is rather unlikely, the farmer again would bear the brunt and his income would shrink. It looks like an insoluble problem unless war or a series of drought years come about. There is, however, one method by which considerable more of this wheat could be sold and that is by reducing our Canadian tariffs; so allowing foreign people to sell more of their goods in Canada which would give them more Canadian dollars, and so enable them to buy and pay for, at a proper price, more of this wheat man's finest foodstuff that hungry people so badly need. That would seem to be a most sensible thing to do, and without the necessity of reducing the farmers' income.

## Of Many Things . . .

By AMBROSE HILLS

*THE OTHER WOMAN*

I was in the office when Jerry phoned his wife.

"Hello honey," he said. "You can relax. I got the nod. You're the wife of the new general manager, kid - how do you like it?"

A very nice conversation to hear. But I suddenly got a hollow feeling in my tummy. The hollow feeling came when I thought of Tom Meadows' wife, Sue. In another office, Tom would be calling her to tell her a different story — that he didn't get the big promotion after all. I wondered how the other woman in this little drama would react. I found out later.

I was at the party Jerry and his wife put on to celebrate his promotion, and of course Tom and Sue Meadows were there. I watched them with some anxiety because they've been friends of mine from away back. I thought Sue looked a little strained, but Tom didn't show any strain. Fact is he made a little speech, congratulating Jerry. They'd been rivals ever since they joined the company. One month Jerry would top the budget, the next month Tom would edge him out. And then for the past six months Jerry gained a solid edge and held it, to win the top job in the company.

After the party, Sue Meadows grabbed my arm. "C'mon home with Tom and me for a last cup of coffee," she said. When we got inside their home and let the sitter go, I had a look at their sleeping youngsters — swell kids.

"They take a lot of Tom's evening hours," Sue said.

I realized, suddenly, what she meant. "I don't blame him for spending lots of time with them," I told her. "They're only young for such a short spell."

"He doesn't mind too much, not getting that promotion right now. Really he doesn't. It would have been nice . . . but not getting it doesn't hurt too [illegible]."

"You're a good sport, Sue," I told her.

She grinned. "The only thing that hurts is seeing others sympathize with Tom. He doesn't want sympathy. He'll have a big job one day. It was a choice he made to take time with the kids. He's still the best salesman."

Tom came into the room in time to hear what she said. He gave me a look. Then he said, "Pal, how can I be a loser for long, with a wife like that?"

I went home feeling good. I'm pretty darn sure that back of most big business leaders in Canada today there's a woman like Sue Meadows, who learned to be a loser's wife in such a way that he wouldn't stay a loser always.

THAT DOES IT - By Al Smith

FROST! REDUCES GRADES AND YIELDS
THINK BACK, MR. FARMER! How many times in the past have you anxiously looked at the thermometer during the chilly nights and wondered, "Will my whole year's work be wiped out by morning?"
How many times have you wished that your crop would ripen a week or more earlier?
YOU CAN have your crop ripen earlier and yield more bushels by using Elephant Brand Fertilizer.

These students from White River, Ont., made a round trip of more than 1,100 miles to visit the Royal Ontario Museum in Toronto to see how oil is found and produced in Alberta, Manitoba and Saskatchewan. The students and their teacher, Miss Agnes Farrar (centre, back row) set a new distance record for organized school groups visiting the museum. They saw an exhibition on the Canadian oil industry, produced jointly by Imperial Oil Ltd. and the museum. The first exhibition of its kind in Canada, it uses modern display techniques to explain the intricacies of oil exploration and discovery in western Canada. Miss Margaret Cumming, science lecturer of the museum staff, is discussing the operation of an oilman's Christmas tree, the collection of valves and pipes which controls the flow of oil from a well.

Woodvale and District News

## COMMUNITY CENTRE OPENED AT WOODVALE

We cannot refrain from commenting about the weather, though it is no news to anyone, it is delightfully spring-like! And it is lasting so much longer than we dared to expect. The birds, who seemed to be in hiding during the 40 below temperatures, are all back where one can see them and livelier than ever. The only thing that worries farmers' wives, is to can or not to can all that not any longer frozen meat!

The many nasty flu-like colds are blamed on the warm weather but we think that after staying at home during the extreme cold, one comes suddenly in contact with too many flu carriers. Hope everyone will be well soon and able to enjoy the mild spell!

Congratulations go to Mr. and Mrs. Pete Ruud on the birth of a son, Karl Arthur on Feb. 1. The three little girls will be delighted with their new brother, we are sure. Several of Pete's friends found it a good reason to give him a surprise party a few days later and they had an enjoyable evening playing Canasta. While their mother is away Edna is staying with her grandparents Beckman and Jean and Marilyn with Mr. and Mrs Gordon Dixon, having a good time playing with Sandra.

JUNIOR RED CROSS ACTIVE

The Junior Red Cross has been very active at Woodvale school. The secretary, Susan Wolters reported a donation of $15 to the Crippled Children and Overseas fund; while they collected from their parents $29.35 for the Polio fund.

COMMUNITY CENTRE OPENED

The opening dance in the Woodvale Community centre finally took place on Feb. 5 with a good crowd having a very pleasant evening of dancing. Everyone was speculating who would be the lucky winner of the door prize. Dennis Noonan, No. 126, got the calf! Envied by quite a few. The evening could be called a success in every respect. Card parties still are going strong every Monday night in the community hall with four very nice prizes of great variety for the winners.

Keith King of Thorncliffe was a member of the winning rink that brought the Grand Challenge prize from the St Paul bonspiel home to Vermilion.

RED CROSS W A ARRANGE PROGRAM

The ladies of the Red Cross Auxiliary held their February meeting at the home of Mrs Gladys Wolters. With ten present, they made good time on their quilt which will go to the Vermilion branch. They were very pleased to have Mrs. Fay Martin from the Triangle district once again in their midst. During the business session it was decided to donate $10 to the Polio Campaign fund. Miss Shirley Holms will be asked to come to the next meeting on March 3 to speak on electrical appliances, a topic of interest to everyone, as the hydro will come to the Tolland-Hindville district this year. The meeting will be held at the home of either Mrs. H. Portsmith or Mrs. R. McQuid. Ladies interested can find out later where the meeting will finally take place. Susan was home to help her mother with the lunch which was as usual delicious and much enjoyed after a busy afternoon.

TELEPHONE COMPANY MEET

Maybe the menfolk should go in for coffee, sandwiches and cakes too, when they have a meeting — they might get better attendances that way. The Woodvale Mutual Telephone Co held their annual meeting on the 6th with only nine of the 40 odd subscribers present. The same slate off officers was returned with Harry Turner president and Joe Ahlgren secretary-treas.

Jim Ross has been a patient in the Vermilion hospital receiving treatment for a very painful rheumatic shoulder. Mrs. Proctor and Mrs. P. Goutier have been in the hospital for this past week. We hope that they, and all those who have been so sick at home will soon be better and able to enjoy the sunshine and warmth outside.

AWAY TO CALIFORNIA

There will not be any Woodvale news for at least a month as the writer and hubby are taking a holiday and going to California. We wonder if the weather is as nice there as here.

## Health League Needs Expanded Membership

On the tenth anniversary of National Health Week the Health League of Canada is reaching out for members in all walks of life to carry the battle of sickness prevention into every community in Canada. The League feels that it takes active participation on the part of every alert citizen to make Canada the healthiest country in the world.

Health cannot be imposed by law. Laws making pasteurization compulsory in two provinces have undoubtedly all but eliminated killing diseases of bovine origin in those provinces. However those laws would never have been passed had it not been for preliminary crusading by the Health League in cooperation with Public Health Departments which stirred the citizens of those provinces into voting for those laws.

Diphtheria which was a raging killer only 20 years ago has become a minor problem not because of legislation or new miracle drugs but because the people of Canada were [illegible] to immunize themselves. [illegible] the primary function of the League has improved the [illegible] of Canadians. The average [illegible] is better nourished today than his parents were, although [illegible] is still a problem and there is much educational work to be done.

However [illegible] business of "pointing with pride" can be overdone. There is no need for smugness, the Health League points out, as long as Canadians continue to die or lose their livelihood because of preventable illness. Pasteurization of milk is still not Dominion-wide. Such sickness as polio, alcoholism, heart disease to name a few, are killing or ruining the lives of more Canadians than ever before and the Health League, 111 Avenue Rd., Toronto, needs the help of alert citizens who will wear the gold cross of the League and join in the fight for Health.

BASSWOOD

Valentine dance and Box social on Friday, Feb. 12 at the Basswood school. Hetperstad music. 31-4c

RUMMAGE SALE

A rummage sale will be held in the United church hall on Saturday afternoon Feb. 20 under the auspices of Mrs. Hardie's group. Lunch served. 31-2

Any way you look, it's FORD V-8 for value!
WORTH STILL MORE IN '54
In trend-setting beauty . . . in smoothness and flexibility of performance . . . in driving ease and riding comfort . . . any way you look at it, Ford — Canada's "worth-more" car — is worth still more in '54.
Ford's leadership look — with more style-setting beauty inside and out — is matched by the new responsiveness of the great new 120-Hp. V-8 engine that powers all Customline and Crestline models.
Ford's big-car comfort is enhanced by the newest and finest power features — "Master-Guide" Power Steering, Power Brakes and Fordomatic Drive — that make all your driving relaxed and effortless.
Take a look at Ford for '54 . . . any way you look at it you'll see why Ford is worth more when you buy it . . . worth more when you sell it!

# Western Canada's Oil Industry is spending $1,000,000 a day!

To find new oil sources and develop the fields that have been found, the oil industry is spending at the rate of a million dollars a day.

Oil development in Western Canada today is the result of a tremendous and continuing investment by the oil industry

Oil in our own backyard has meant

- lower prices for petroleum products.
- increased employment.
- new industries.
- governments are receiving new income through royalties, rentals, bonuses and other payments This money is helping to provide schools, roads, and other developments contributing to the common welfare

The West is a good place to live Oil has made it better

CANADIAN PETROLEUM ASSOCIATION

## Wildmere Winks

Remember this is 'White Cane Week' and help a person with a white cane across the street please help them any time.

Our nice weather put a stop to the curling. The forecast is for colder so many of the bonspiels are likely to be resumed. The ladies only played one game in their spiel and Ray Osterburg reached the Grand Challenge in the Wainwright spiel. Cliff Cruthers has to play yet at the same spiel.

The writer, through the kindness of Mr. and Mrs. C. Cruthers, had the pleasure of seeing a three-dimensional picture show at Wainwright last Wednesday evening. It was called "Fort Ti" and was enjoyed very much, although there was considerable yelling and ducking when a flaming torch or a room full of bats came right at you!

J. C. Wallington and Cliff Cruthers have been busy sawing wood.

On Friday afternoon Roy Garnett very kindly took his mother, Mrs. Batke Mrs. Gibson, Mrs. R. Martin and Mrs. Wallington to Mannville to hear Mrs. Wood, M.L.A., for Stony Plain speak. Mrs. Wood is mayor of that town as well. She is an A.W.I. member and was welcomed by Mrs. J. I. Jones and introduced by Mrs. Colburn. Mrs. Wood was a delegate to the A.C.W.W. conference held in Toronto last August There were 1000 delegates from all parts of the world. 12,000 women attended Canada day in Maple Leaf Gardens. One of the amusing stories was, one morning on going down in the elevator of the Royal York hotel where the delegates were staying, she said to the elevator boy, "You'll be glad when we get out of here." He said "Lady, if I ever live that long." She said the women of India, Ceylon and Pakistan do not want help sent to governments, send it to them and they will see it is given where needed. Home Economist is no use to Japan or those other underprivileged countries as they haven't the things to work with. Mrs. Wood suggested we make simple scrap books of pictures and tell what the pictures are and how to use the articles. The delegates chartered 25 buses and went to Stoney Creek, Ont., the birthplace of the W. I. in 1897 and five of the original members welcomed them. Minutes of the first meeting and the last meeting were read to them. We could tell you lots more of what she said of that conference but time and space is limited. We only wish more of our W.I. members could have heard her talk as it was wonderful.

The Birch Creek W.I. served a delicious lunch after the meeting Thanks ladies for all your kindness and friendliness shown to us.

We were pleased to chat with Mrs. D. McCauley, Mrs. Jimmie Johnstone, Mrs. C. Finlay and many others on Friday.

We were all sorry to hear of John Toner's illness and hope with time and care he will be restored to health once more.

Basswood Junior Red Cross is holding a dance and Box social on Friday, Feb. 12 in the school.

Laurence Graham journeyed up to see George Taylor on Sunday but found them all away.

## 1953 Travel Figures Climb

Latest travel statistics show that in 1953 a total of 1,178,380 people visited the National Parks of Alberta. This is an increase of 150,594 or 14.75 percent over 1952 figures. Here's a breakdown of those figures for 1952 and 1953:

| | 1952 | 1953 |
|---|---|---|
| Banff | 591,036 | 653,603 |
| Elk Island | 131,701 | 183,423 |
| Jasper | 108,497 | 132,702 |
| Waterton Lakes | 196,562 | 206,587 |
| TOTAL | 1,027,786 | 1,178,380 |

As a matter of comparison, visitors to Glacier Park in Montana decreased 2.6%, from 649,889 to 633,480.

Further statistics show that 1,289,150 visitors to Alberta in 1952 spent a total of $32,033,543. In 1953, average expenditure per person travelling through customs was $62.50; by train, bus or air, $72.50; visitors to national parks, $17.50; and others $17.50 each. These are Dominion Bureau of Statistics compilations. We think the average spent by each visitor is much greater.

## Parent-Supervised Study Needed

A grade or high school student in Canada cannot hope to achieve a "straight-A" average without at least one hour of parent-supervised study in the home every school night of the academic year.

That conclusion was voiced recently by B. R. MacDonald, Vice-President of Encyclopaedia Britannica of Canada, Ltd., after polling his Britannica representatives who have conducted an informal poll on the subject in their contacts with more than 5000 parents during 1953. The universal conclusion of these field experts from the 186-year-old reference-work publishers was this: "Superior school work is impossible without extensive home work."

While acknowledging that the views of the Britannica representatives "might be unpalatable" to a limited number of educators who advocate a "hands off" policy by parents where school work is concerned, Mr. MacDonald said he was merely reporting facts as they emerged in questioning parents of school-age children.

"We have yet to find a straight-A pupil who does not 'hit the books' at home", Mr. MacDonald said. "And in almost every case that we have found, where pupils were doing an unsatisfactory job in school, the parents eventually conceded that they had devoted insufficient time to checking on their sons and daughters school work."

A distinct "back to the family parlor" trend has developed since World War 2, the Britannica representatives reported to Mr. MacDonald. They agreed that this resurgence of family interest is especially noted among parents of children born during and after World War 2 . . . the "bumper baby crops" now crowding classrooms. Mr. MacDonald said the "back-to-the-family" trend seemed to stem from a recognition by these younger parents that today's schools are so crowded, and teacher time at such a premium, that fathers and mothers must share an increasing responsibility for their children's education.

## Revolvers, Pistols, And Automatic Firearms Must Be Registered

The laws of Canada require that every person, with exception of wholesale and retail dealers, must register all revolvers, pistols and fully automatic firearms in his possession. This does not include the ordinary type of rifle, shot gun or air gun.

It is also required that any person, with the above exception, wishing to purchase a revolver or pistol, or to receive it into his possession by gift, loan, or any other means, must first obtain the necessary authority to do so from his local Police Department before receiving the firearm.

In accordance with amendments to the Criminal Code of Canada, a new type of Firearms Registration Certificate has been in effect since Jan. 1, 1952. For the purpose of re-registration on this new type Certificate, registered owners are now required to forward all copies of Certificates in their possession bearing date of issue prior to 1952, to: The Commissioner, Royal Canadian Mounted Police, Ottawa Ont.

In the event that copies of Certificates have become lost or mislaid, it is requested that the registered owner submit the description of the firearms in his possession by letter, quoting the make of firearm, calibre, serial number, number of shots, and barrel length.

QUALIFICATION CERTIFICATE FOR JOURNEYMAN CARPENTERS

*Regulations Respecting the Carpenter Trade — Sept. 15, 1953.*

A person upon submission of proof of efficiency and not less than four years of qualifying experience in the Carpenter trade prior to the date of the publication of these Regulations in *The Alberta Gazette*, may make application for a Certificate of Qualification. A Certificate of Qualification may be issued to a Journeyman providing that he makes such application for the Certificate of Qualification before June 1, 1954.

Should a candidate make application for a Certificate of Qualification after June 1, 1954, he will be required to take an examination to establish his proficiency. Candidates who fail to qualify for a Certificate will be given an appropriate standing as an apprentice and may then register as an apprentice and complete his training according to the Apprenticeship Act and these Regulations.

Application forms may be secured from members of your Local Advisory Committee or from the Provincial Apprenticeship Board, Administration Building, Edmonton or Provincial Building, Calgary.

## Delegation From The F.U.A. Interviews Alberta Cabinet

On Friday, Jan. 29 a delegation from the F.U.A. executive met with the Alberta Cabinet to present the F.U.A. program and resolutions from the recent annual convention. The F.U.A. was represented by Mrs. W. C. Taylor of Wainwright, President of the F.W.U.A.; President Henry Young and Vice-President C. J. Stimpfle of the F.U.A.; also A. B. Wood of Dewberry and Archie Hogg of High River, executive members. Mrs. G. Wohl, F.U.A. Secretary also atend. All cabinet members were present except Hon. Gordon Taylor, who was out of the city.

At this meeting all matters of a provincial nature suported by the F.U.A. wereput before the Cabinet. These comprised resolutions on some 40 subjects, all of which are of definite concern to Alberta farm people.

Some of the main matters discussed were: Marketing Board lgeislation, a better system of Rural Electrification, Assistance to Young Farmers in getting farms, Guarantees for new rural telephone lines, abolition of tractor licenses, a Provincial System of Car Insurance, Government Action to Control Gasoline Prices, More Aid to Education, Control of Hunting on Farm Lands, Better Compensation to Farmers for Oil Development, etc.

The delegation received a very courteous hearing, and about 2 and one half hours were spent discussing these various matters. On some of the smaller points, consideration was promised, but on the main planks of the F.U.A. program, such as Marketing Board legislation and a new system of rural electrification, the Premier indicated a blank refusal to our requests. Even the request for a plebiscite on the latter was rejected by the Premier suggested that if farmers wanted these things they should put in a different Government. The same attitude was shown on the surface rights question, and the request for a better deal for surface rights owners was definitely turned down. On the question of control of gasoline prices in Alberta, the Premier could see no need for this.

It is evident that if the farmers of Alberta want action along the lines of our requests they will have to give their Union more backing and show that they mean business.

Insect-killing chemicals, on the average, are estimated to have made cattle 50 pounds heavier, and increased milk yields 15-20 per cent. About 50 cents spent for insecticide and applications adds beef worth about $15.

## Claysmore Clippings

Mr. Merle Raymond and Miss Rosemary Batty of Kitscoty were recent visitors at the home of Mr. and Mrs. J. Horne and family.

The first card party at the school since the very cold weather was Friday night. There was a good attendance and 8 tables of whist were played. The winners were: Mrs. Fred Watling, Mrs. A. Van Nest, consolation; gents, H. Williamson, Joe Bauer consolation. After lunch dancing was enjoyed. The Willes orchestra supplied the music

Bruce Winters has been spending the past few weeks in Arizona and it is hoped that the change of climate will improve his health. In a letter to friends he plans to start for home in a short time

Mr and Mrs. H Williamson were dinner guests at the home of Mr. and Mrs R. Bauer Thursday evening

Robert Pearce of Edmonton is working at the Robert MacMillan farm for a few weeks

Miss Melva Olstad of Ponoka, was a recent visitor at the home of her brother and family Mr and Mrs A Olstad a short time ago

Mrs L. Kreller of Mannville invited the Claysmore W I to her home for their January meeting There were 11 members present. The meeting opened with roll call, suggestions for making the meetings more interesting also hints on ways to make money All members were in favor of ordering remnant bundles in readiness for beginning work for the fall bazaar These remnants are to be distributed at the February meeting The treasurer Mr R Bauer gave a report on the finances for the year, and all members were very pleased at the progress of their first year as a W I

A committee of five ladies were appointed and are to hold a special meeting at the home of the President Mrs H Williamson to arrange a program for the year's work also to make booklets of the program for each member The February meeting will be held at the home of Mrs R Bauer

The social was a solo by Mrs. J Willes accompanied by Mrs. O Willes and was much enjoyed by all. Following the closing of the meeting our hostess served a delicious lunch

Mr and Mrs Fred Watling and family Mr and Mrs. George Watling and family and Art Bauer were guests Saturday evening at a turkey dinner served at the home of Mr and Mrs. Allen Olestad.

Mr and Mrs. O Willes gave a dinner party Sunday Jan. 30 for Mr and Mrs J Willes and family in honor of Mrs Willes' birthday.

Mr and Mrs. J Horne and family motored to Edmonton for the week end and will visit Mr. Horne's sister and family, also friends in the city

Mr and Mrs. P Holley of Mannville were Sunday visitors at the A Olestad home

The '54 BUICK's got it — The Big Change you've been hoping for!

The instant you see these 1954 Buicks, you'll know that something sensational has happened in automobile styling.

Here is vastly more than the usual model changeover. Here is vastly more than could be done just by warming over what Buick had before. Here is something accomplished by going far beyond artful face-lifting.

Here is that rarity of rarities—a completely new line of automobiles.

But Buick didn't stop with the bolder, fresher, swifter-lined beauty you see in raised and lengthened fender sweep—in the huge and back-swept expanse of windshield—in the lowered roof-line—in the host of extra glamor features of exterior modernity.

They upped all horsepowers to the highest in Buick history.

They engineered a new V8 for the low-priced SPECIAL, so that now the entire Buick line has Buick's famous V8 engine—and in the process came up with new Power-Head Pistons that boost gasoline mileage in every engine.

They brought to market a sparkling newcomer with a famous name, the Buick CENTURY—a car with phenomenal horsepower for its weight and price—a car with more pure thrill per dollar than any Buick ever built.

And they did all this without change of the price structure which, for years, has made Buick the most popular car at its price in the world.

We invite you to come in and inspect these great beauties, these great performers, these great buys. Then you'll see why previewers are already saying, "Buick's the beautiful buy!"

WHEN BETTER AUTOMOBILES ARE BUILT — BUICK WILL BUILD THEM

BUICK the beautiful buy

The weather is very mild at time of writing and all concerts have been postponed but if the weather permits Mannville quiet will be run

HOSPITALS BUSY

Hospital admissions up 74% between 1943 and 1952 for all of Canada while bed capacity increased 26%, reports The Financial Post. Hospitals operating above bed capacity were orthopaedic 110%, maternity 104%, communicable diseases 103%, and convalescent hospitals 102%.

LAWYER M.P.'S

Since Confederation one third of House of Commons has been made up of lawyers, says The Financial Post though the total of that vocational group has never exceeded a fraction of one per cent of our population. The present Prime Minister and most of his cabinet are lawyers. So are the Leader of the Opposition and the majority of his lieutenants. Out of a total membership of 265 in the Commons almost 75 are lawyers.

True politics bored with law more readily and satisfactorily than with most other vocations and while a lawyer may gain something from being an M.P., Parliament gains much too, from having a lawyer. Which adds The Post, it's possible to be over-blessed.

off later this week. This mild spell is well on its way to set a record. In fact one well known farmer claims that if it continues he will have his plane out by Friday

Mr. and Mrs. Roy Cameron and family were week end visitors at the home of Mrs Cameron's mother, Mrs G. Johnson.

Mr. and Mrs H. Sowden and family and Mr and Mrs Bob Clark attended the Ice Cycles. Mrs. Sowden and children stayed in Edmonton for a few days.

The Square dance party was well attended on Friday night. Eddie Mc Henry Lang was present and called for several new dances. There will be a dance on Saturday Feb. 12 in the Legion hall Bring your own jugs.

A surprise party was held Satur day night at the home of Mr and Mrs H Doherty for Jimmy Hazlauf and Allan Doherty There were about 16 young people present. The evening was spent in games, contests and square dancing

Mrs Geo Whitson left last week end for a three month visit to the coast She will visit her sisters there as well as several former Mannville residents.

Mr Terry Grimm was a caller last week at the home of Mr and Mrs A E Williams He is from Edmonton.

Quite a number of turkey dinners were held over the week end due to the mild weather

Congratulations to Rev and Mrs R Alcock on the birth of a son, in the University hospital, Edmonton, on Saturday Feb 6

The local policeman was busy on Saturday night with the result that five arrests were made One case was brought up on Monday and the culprit was sent to Fort Saskatchewan for 30 days The other cases are scheduled for Tuesday

Check that date on your label!

# Health Unit Notes

*ALLERGIES*
*(Continuation from last week)*

HAY FEVER

Hay fever is usually caused by the pollen of certain flowers, weeds or grasses. The membranes in the nose, ear ducts and eye become sensitive to the pollen and an 'attack' is characterized by repeated sneezing due to irritation and swelling of the membranes in the nose, and by watering of the eyes and watering at the nose. When pollen is thin coarse the hay fever is seasonal. However, the same things that cause asthma often bring on hay fever.

Allergies are commonly induced by repeated injections of horse serums Children who are injured in street or barnyard accidents are given a small dose of tetanus antitoxin (which is prepared in horse serum) if they have not been previously protected against Tetanus (lockjaw) by toxoid injection. Repeated doses of such serum may bring about allergies. But the preventive inoculations given in infancy and early childhood against diphtheria, whooping cough and typhoid do not contain horse serum and will not produce allergies.

ALLERGIES COMPLICATED

Allergies occur in children in so many different forms and in such varying severity that every child has to be treated individually. If the parents are allergic, then the children should be considered as 'suspects' and the common causes of allergies either avoided or approached with caution. Proper and adequate diet need not be sacrificed because of sensitizing foods since substitutes are usually available. Animals, feathers and certain dusts can be reasonably avoided.

Allergies which develop with infections indicate the necessity of building the child's resistance to a high level Although allergies are rarely fatal, and many children outgrow them, it should be remembered that the earlier the allergy is undertaken, the more successful and the better off will the allergic child be in the future. Even in its simplest form, allergies are very annoying and can lead medical problems and the doctor should not be sought.

BABY & PRE-SCHOOL CLINICS

Monday, Feb. 15 — Legion hall, Vermilion, 2 to 5 p.m.
Tuesday, Feb. 16 — Ranfurly hotel, 10 to 12 noon.
Tuesday, Feb. 16 — Innisfree Clinic, 2:30 to 3:30 p.m.
Friday, Feb. 19 — Mannville school 11 to 12 noon.
Friday, Feb. 19—Minburn school 2 to 3 p.m.

## U.G.G. Takes Over Elevator System

Purchase of the country elevator system of the Midland and Pacific Grain Corp. Ltd., by United Grain Growers Ltd., has been announced at Calgary, by George Wilson, western division manager of the U.G.G.

The transaction includes 65 elevators located at 62 points, mostly in Alberta, and also the Midland fleet, a number of agents' dwellings, flour and feed sheds.

Acquisition of the Midland system will increase the number of elevators operated by United Grain Growers Ltd. in western Canada to a total of 622, of which 368 are located in Alberta and the B. C block of the Peace River area. Owned by some 40,000 farmer members, the U.G.G. is Western Canada's oldest grain handling co-operative having been organized in 1906.

The purchase has been confirmed by C W. Roenisch, president and general manager of the Midland and Pacific Grain Co.

# THE VERMILION STANDARD

Vol. XLV. No. 33. Vermilion, Alberta, Thursday, February 18th, 1954. $2.00 a Year

New Construction $318,000; Revenues $172,106

## Town Looks Back On Prosperous Year; Shows Surplus of $18,000

It was quite apparent from the reports given by the Mayor and Councillors at the annual meeting Monday evening that the town of Vermilion was still enjoying an era of unequalled prosperity and progress. Finances showed a surplus of $18,000 for the year of operation; revenue reached the all time high of $172,106; arrears of taxes were down to $8,018, while there is only little rent egg of $37,000 in a reserve account. New construction in the town during the year amounted to $318,000; while over five miles of roads received an asphalt treatment.

Some 62 taxpayers, and it was pleasing to see eight ladies included in this number, attended the annual gathering. Ashley H. Cooper was elected chairman and E. L. Wores, secretary

Clear and comprehensive reports were given by the Mayor, Councillors and hospital board members indicating that they are not just nominal heads of their departments but active workers with a clear grasp of everything that is involved and accomplished.

Mr. Cooper called on hospital board member Mr. Frank Walker to report on matters relative to the municipal hospital and this report appears in detail elsewhere in this issue.

Reporting for the public works department Mr. Kenneth G. Urquhart stated that five miles of road had been given an asphalt treatment, and that two miles of this in the business section had been a second treatment. This process has helped greatly in abating the dust nuisance, but needs a better surface which required less maintaining than the old gravelled roads. Some new sidewalks have been laid. Both road and sidewalk programs would be continued in 1954. Considerable help had also been given by the men in his department with the work on the new provincial park.

WATERWORKS

Although newly appointed to the waterworks department Mr. Melvin Hill stated that the extension to the water and sewer system in the east end of town was now completed and that there were already sixty new installations on the extension. There had also been 20 new installations on the original system so that 533 customers were now served, 75 of these were using water only for the time being.

He mentioned that the town had recently completed a second standby well just in case of emergency and that the well had been tested pumping 300 gallons per minute for 24 hours without lowering the water supply in the well. Construction was thus very fortunate in their water supply as there never had been any sign of the water lowering in the original well. The new well was equipped with gasoline pumping equipment, and the original well with automatic electric pumps.

It was suggested by Mr. Tom Watts that the council consider at some time the installation of a water softening plant.

PUBLIC WELFARE and LIBRARY

G. W. Sutherland in reporting for health and sanitation noted that the town had recently purchased a garbage disposal unit at a cost of $2500. It was hoped that this vehicle would speed up and improve the removal of garbage. He also stated that the collection of night soil would be discontinued in the near future and other arrangements made for its disposal.

Mr. Sutherland is also the council member on the public library and reported the library much in use by both country and town people with the operation progressing smoothly.

RECREATION

E. Ames, D. R. Mitchell's turn to speak on recreation and parks. In 1953 the town had a tractor which had been supplied for the planting of the boulevards. Much of the good work had however been destroyed by cars parking on the edge of the boulevards and children and possibly older people too damaging the young trees especially during the winter months when the trees are very brittle.

Mr. Mitchell stated that the arena rink roof needed considerable repair work, and that the fence

(Continued on page 8, Sec. 2)

## "Play Nite" To Be Saturday Night Attraction At The V. S. A.

Three plays will be presented by students of the school of agriculture at their annual "Play Nite" to be held on Saturday, Feb. 20. This year there will be added interest in the fact that a committee of judges will select the best actor and the best actress from the night as recipients of the school's major Drama Shield. The committee will be composed of Mrs. H. J. Lueck, Mrs. N. N Bentley and Mr. J. B. Bell.

The public is cordially invited to participate in what promises to be a lively evening of entertainment. The three plays vary in style, from an old time melodrama, to a modern comedy, and to a simple serious drama

The first "Curse You, Jack Dalton" is a real old time melodrama with a villainous villain plot attempting to ensnare a fortune for him self by bringing about the downfall of a fair, innocent young maiden. Fortunately his plot is revealed in the nick of time and our fair young Bertha escapes to live happily ever after, protected by the "true love of a strong man" our brave hero Jack Dalton. The cast, directed by Miss K. Grosskurth, assisted by Mr. John Stellfox, is as follows:

The Villain Egbert Van Horn
Colin Calemso, His accomplice, Arnaldo Alvardo Elinor Adam, Our Hero Ray Bentley
Bertha Dalton the proud Mrs Dalton Florence Morris His servant Eloise Anna Nelson.
Bertha Blair, the Dalton maid Bernice Kreyke; Jackson, butler to Anna Alvardo Bob Plank. The proprietor mistress is Shirley Hillgardner, and Stage manager is Art Leighton.

"A Wedding" is the title of the school's second offering This is a delightful portrayal of the trials and tribulations which precede the fashionable wedding of two charming young people. For a few precious moments the marriage threatens and may take place but as all wedding couples will, they find their solution, and go off to their wedding sure of a life of harmony and happiness.

The bridegroom is Jack Mayer and the bride Helen Brown. They are supported by the following cast:

The Best Man Park Lets; A Groomsman Herbert Alexander
The Groom's Mother Mary Hillsett; The Bride's Father George McMillan; The Bride's Aunt Jean Huyghe Directors are Messrs. V. T. Rowland and K M. Stone Miriam Gould will act as promptress and Isabella Lambie is in charge of costumes.

Many Vermilionites are familiar with the story of "Cinderella's Candlesticks" and they will be pleased to witness another fine performance of the touching story of the influence of the trusting, kind hearted Bishop on the hardened soul of the escaped criminal.

The play is directed by Mr Alex Pallo with the assistance of Mr. Lloyd Seath, and the cast includes:

Marion Barr as Persome; Dyann Cramer as Marie; Harry Cramer as the Bishop; Gerald Harkonen as the Convict; Harvey Cumpston as the Sergeant, Rob Hall and Jack Peterson as Gendarmes. Miss Blanche Ross will be promptress.

It is of interest that the V.S.A. candidate for Queen of the Carnival is a member of the cast of "Curse You, Jack Dalton". This is a good chance for the people of Vermilion to become acquainted with this charming young lady, who is also a talented actress.

## Vegreville Rangers Play Here Saturday

A top notch hockey encounter is expected here on Saturday night when the Vegreville Rangers and local Tigers clash, maybe for the last time this season. At stake is third place in the league standing This third position is important as on that hinges just who plays who in the play-offs. First team plays the third and second team meets the fourth.

Tigers will be at full strength with Kreiler back on the ice after a session of bonepitting. Vegreville will bring in Dutchy Van Dessel and his Edmonton playmates so that a bang-up game full of good hockey is expected.

Those who haven't been attending games this year should turn out and give the hockey boys a boot. It would be a poor town without hockey in the winter. Are you doing your bit to keep the town on the hockey map? More hockey on pages 2 and 5, Sec. 1.

## East'n Alberta Hockey League Standings

| Team | P | W | L | T | Pts |
|---|---|---|---|---|---|
| Wainwright | 10 | 11 | 3 | | 22 |
| Viking | 15 | 8 | 7 | | 16 |
| Vermilion | 14 | 6 | 7 | 1 | 13 |
| Vegreville | 15 | 5 | 9 | 1 | 11 |

## "Cookie" Koethe Is V.S.A. Queen

In her royal robes, Beverley (Cookie) Koethe was flanked by her charming ladies in waiting. Shirley Hillgardner and Elinor Adam as she was crowned Queen of V.S.A. at the gay formal dance sponsored by the Agricultural society of the College, on Saturday night Feb. 14

Mr. Sutherland for any Valentine Cookie Koethe won the beauty title the votes of all the students after a spirited campaign to chosen a queen to represent the school in the forthcoming coronation as Queen of the Vermilion Carnival.

At the crowning ceremonies, the highlight of the outstanding Boys' dance. Principal N. N. Bentley pledged the loyal support of all the citizens of V.S.A. Truly Bernice 'Cookie' Koethe has all the attributes of a true queen, with a sparkling personality, a charming study which will make her a credit to Miles America. And she is active in student affairs.

Her natural dignity and radiant personality will add much to the competition, and as a contestant in the Carnival she is deserving of wide support

Queen Bernice 'Cookie' Koethe may be seen at V.S.A.'s Play Nite on Saturday, Feb 20 Do not miss this opportunity to see the Queen. Lady of V.S.A. a talented actress as well

Watch for further news and views of V.S.A.'s Queen 'Cookie' Koethe Candidate of Carnival Queen

## Brownie Receives "Golden Hand" Badge

An interesting ceremony took place recently in the Legion hall when a young citizen of our town received the Marquise Badge achievement. Her First Class Brownie standing and her 'Golden Hand' badge, thus enabling her to 'fly' up to the Girl Guides. It is understood that she is the first Brownie in Vermilion to accomplish this honor. The 'Flying Up' ceremony was held at the regular Guide meeting last week when she was enrolled as a Girl Guide

Margaret is 11 years old and has worked hard to gain the standing she now holds. She is deserving of a lot of credit, not only for her achievement, but also for the spirit behind it, but also for the standard she has set forth for other young people to follow

## Home and School To Meet Tuesday, Feb. 23

A cordial invitation is extended to all parents and teachers to attend the Home and School Association meeting to be held in the Vermilion Junior high school on Tuesday, Feb. 23 at 8 p.m.

A film dealing with the development of children will be shown. A discussion period will follow. Come and take part Bring your neighbor

## Wins Prize In Continent Wide Contest

John Rean amateur photographer of Vermilion, recently was awarded second prize in a continent wide contest conducted by the magazine "News and Views" There were over a 1600 entries in the contest which go to the winner of the Grand Challenge There are four sets of very fine prizes in each of the 3 events

Entries should be made at once to either Secretary Russell Carnell or President Aldous Kent. With proper co-operation from the entertainment it's going to be a great event boys don't miss it!

## Local Hospital Board Contemplates New Building

In making his report to the annual meeting of ratepayers last Monday evening, Frank H. Walker the town representative on the Vermilion municipal hospital board stated that the board had under consideration widespread changes in the hospital building. The services of architects had been secured and they had already made a survey of the building with a view to suggesting a plan to incorporate all the improvements necessary.

Some of these renovations included remodelling of the kitchen, an isolation ward, improved laundry room, additional number of beds and many other features. The board was uncertain as to the best method to attempt the work. It would mean an entirely new building and scrapping the present one, or they had already received from a plan that would incorporate the present hospital in the new set up. However is done it will mean a money by-law and the whole plan as soon as the architects reports are received and the board makes its decision, will be placed before the ratepayers. This is a very important matter of much needed improved hospital facilities will be in the people's hands

## Annual Meeting Of Scout-Guide Assoc.

A representative gathering of parents and officials attended the annual meeting of the Vermilion Boy Scouts Association in the Scout hall Tuesday evening at 8 p.m.

Year end reports and financial statements for the Association the Scout Troop, the Cubs, Guides and Brownies were given showing a healthy activity and a well balanced program in all departments

The report of the President Mr E. M Stewart, showed a success ful year, a healthy financial position in all branches and a growing interest in the Scout movement Mr Stewart reported some 150 boys and girls enrolled with 12 leaders registered and a waiting list of around 30 youngsters waiting for admission when leaders and facilities would be available to handle them. With the Scout hall building at the scams with the present enthusiasm the only answer for added numbers would be more leaders and additional meetings

A vote of thanks was extended to officers and leaders for faithful and capable work during the year New business discussed included refinishing of the hall floor to prevent splintering provision of storage space for equipment, supplying of chairs and tables for handicraft classes, securing of a piano, and installing of water service in the hall

The slate of officers for 1954 is President E M Stewart
Vice-Pres Gordon Ross
Sec Treas. W. Roebuck
Executive Mrs. Park, Chas Reichert, Fred Lamoureux, Andrew Kibbiewhite

Appreciation was expressed for the excellent support give by the citizens in the Association's Apple Day drive for funds and to the Vermilion Standard for generous space and publicity in Guide and Scout affairs

## Door Prize at Columbia

A door prize of $5 will go to the lucky ticket holder at the Columbia theatre on Monday Feb 22nd on hand you may win a five spot

petition Winning the award also puts John into a final contest for a larger prize The award already won was a $50 bond

Starts Monday, Feb. 22 — 11 Sheets of Ice

## GREATEST BONSPIEL IN TOWN'S HISTORY IS IN PROSPECT

What will undoubtedly prove to be the greatest bonspiel in the history of curling in Vermilion will open Monday with six sheets of ice in the new rink and five sheets in the arena available for play Given a continuation of the present cool weather everything will be in perfect condition for the annual wiener event. 81 rinks competed last year and it is expected that this number will be bettered in the 1954 classic Entries close Saturday evening, Feb. 20.

The short draw will be used which means that the finals of the first two events will be played off Wednesday evening. Every rink is assured a minimum of 3 games. Entry fee is $4 per curler or $16 a rink.

On Tuesday evening the junior high school curlers' bonspiel will be held when it is expected that some 405 curlers will sit down together at the banquet.

STRETTA TO SILVER

The fine list of prizes is headlined with four sheets of silverware which go to the winner of the Grand Challenge There are four sets of very fine prizes in each of the 3 events

Entries should be made at once to either Secretary Russell Carnell or President Aldous Kent. With proper co-operation from the entertainment it's going to be a great event boys don't miss it!

## No Election This Year

There will be no election excitement in Vermilion this year as the two vacancies on the town council were filled by acclamation on Monday night. Two councillors whose terms had expired, H. J. Payne and D R. Mitchell were both re-elected. Ray Bentley will continue as town member on the hospital board, was also re-elected by acclamation.

At the annual school district meeting Tuesday evening the three vacancies on the school board were filled by the nominations of Ashley Cooper, Wm. Roebuck both re-elected, and Rev. D. A. Ford who takes the place of J. R. Boake, who moves away.

The complete rosters of town council, school board and municipal representatives are

Town Council Mayor S. C. Beckett, K. G. Urquhart, Geo. Webb, G. W. Sutherland, M. Hill. H. J Payne, D. R. Mitchell.

School Board Chairman Don Taylor, Ashley H Cooper W. J. Roebuck E M Stewart, Rev. D A Ford

Town Member on the Hospital Board Frank H. Walker.

Town Member on School Division Board Ashley H Cooper

## With the Bonspielers

Vermilion rinks, both ladies and men, have been curling here and there at several bonspiels Among the results known to the Standard are that the Darrell Currah rink won the Husky Primary event at Lloydminster and took third in the Challenge. Currah's rink was composed of Norman McGinnis, Mac Simonet and Roger Rowe Incidentally Fred Braithwaite of Dewberry skipped the Challenge winners and won third in the Husky These two rinks met in each of the events.

Reg Mitchell with Joe Hart, Hardy Birts and Brent Macnab were second prize winners in the Challenge at Mannville losing the final to Cliff Hart Lloydminster 21-14.

At the Wainwright ladies' spiel Mrs Al Locke skipped her rink to a first in the Ruffler event and her wife Dora Caron Muriel Long and Jo McCaig

The ladies are scattered between Mannville and Lloydminster this week

Three Vermilion rinks are rounding Vegreville skipped by Bill Langtry, Ed Corley, Mr Thorby

President Aldous Kent is also taking a trip up north to Bonnyville to the spiel starting there on Thursday

## Commercial Students Win Award At High School

Sue Carmichael and Anne Martin received the Underwood Typing progress certificates for attaining a net typing rate of 40-49 words per minute

Anne also won the speed and accuracy certificate for a net rate of 50-59 words per minute

The Pitman Shorthand award for attaining a speed of 60 words per minute in Pitman shorthand was also won by Miss Martin

## Hemmingway and Cooper Winning Rinks

## V. H. S. Bonspiel Is A Big Success

Saturday Feb 13 will be a well remembered day for the many V. H. S. curlers who took part in the high school bonspiel 16 rinks were entered in the event seven of which were made up of very enthusiastic Junior high school curlers The bonspiel began at 4 p.m. Friday and ran until 6 starting again at 10 a.m. Saturday and continuing until 5 p.m. Skip Bob Henningway third Hazel Barr second Stuart Dow and lead Alice Simms won the Grand Challenge event by defeating the rink of Bob Beveley 3rd Betty Barlow 2nd Rhea Ireland and lead Joyce Armstrong Winners of the Consola-

## Women's World Day of Prayer

An annual event in the spiritual lives of the co-operating churches of the town is the Women's Day of Prayer To observe this day, a service will be held on Friday, March 5 in St. Saviour's church. This service will be conducted entirely by the ladies of the various congregations and will be devoted largely to prayer and intercession for the spiritual needs of the world, for missionary efforts, and for the witness that faithful women can make for the Christian cause in their community. Any ladies of the town and district should feel free to attend the service on March 5th 33-4

## Vermilion Shocked By Sudden Death Of J. R. Roxburgh

James Reid Roxburgh, until less than one year ago on the staff of the Vermilion Agricultural school, passed suddenly away at his home in Edmonton on Sunday. Death was from a heart seizure. He had not been ill previously and had just returned from a Sunday drive with his family when the fatal seizure occurred News of his sudden death was received with deep and distressing sorrow in Vermilion as the Roxburghs are still regarded as a Vermilion family

The deceased was born in Perth County Ontario, grew up in Edmonton and played hockey as a member of the famous old Edmonton Superior team. He entered the teaching profession but served in the RCAF during the second world war In 1946 he received his discharge and came to the Vermilion school of agriculture as accountant and while here he proved himself a valuable member of the school staff and a fine citizen of the town He was community minded, guided and curled

In March 1953 he was promoted to accounting supervisor of the schools and farms branch, Department of Agriculture, with headquarters in Edmonton.

He leaves his wife, one daughter Donna and one son Kenneth, four sisters and three brothers.

Funeral services were held on Wednesday afternoon in Edmonton with quite a number of friends from Vermilion attending

## Baptisms Last Sunday At St. Saviour's

At the morning service at St. Saviour's last Sunday, three infants received the Sacrament of Holy Baptism, thereby making them members of the Christian church. The children were Donald Archberry Fouka, child of James and Grace Fouka; Allan Leonard Hicks, child of Leonard and Stella Hicks; John Charles Palin, child of Alex and Thelma Palin

At the evening service a new departure was made in installing the church wardens and vestrymen in their respective offices. At the vestry meeting following the service, the new vestrymen K. Chalmers, J. Knight and J. K. Thompson were welcomed by the Rector on the assumption of their duties.

Next Sunday, all services will be conducted by the Rev. R. A. Burden of Edmonton. At 11 a.m. there will be a special parade service for the local Scouts, Guides, Cubs and Brownies and their leaders.

## Ladies' Choral Group Re-Organizes

The Ladies' Choral group has reorganized and a full report will appear in next week's Standard Anyone wishing to join please phone Mrs. R. Corley at 148. Practices are held weekly on Tuesday evenings 7:30 to 9 at the elementary school. There is a real need for five more sopranos.

## Lodge Shocked By Sudden Death Of Mrs. Richardson

Mrs. Richardson, wife of Mr. Anne Richardson, 2nd Reg Army Corps, and lead Marjorie Maxwell who defeated Bob Barr, Anne Stewart and Marshall and Rhona Hodgson.

The prizes were as follows

Grand Challenge — 1st, Rossmore, 2nd scarves and mitts

Consolation—1st socks and sweaters, 2nd belts and earrings

A vote of thanks is extended to all who contributed to making this day a success, namely our Sports Reps, volunteers who served in the beach event, and last but not least, spectators who supported these young curlers!

## Better Class Roads For A Better Class Town

The above phrase uttered by Mayor Heckbert during his address at the annual meeting on Monday evening last week, appealed to the Standard greatly. Since the oiling program which commenced two years ago, Vermilion has had better roads on a town-wide scale than any other centre in our experience. Even before oiling there were better roads here than in most towns and more of them. our good gravelled and well kept thoroughfares did not stop at the edge of the business section but extended all over the town. However the vision of hard surfaced roads in the business section, giving us still better roads, with a minimum of upkeep, would tend to set Vermilion a little further in front, give it that neat and prosperous air and little city appearance, making it more than ever a better class town.

## Sale of Garnet Wheat Is Difficult

The movement and sale of Garnet wheat is becoming exceedingly more difficult according to A. M. Wilson, Field Crops Commissioner for the Alberta Department of Agriculture. The Canadian Wheat Board has a large amount of Garnet wheat in store and, as yet, no buyers. In the early post-war years, customers were willing to buy grain of Garnet quality, but under present conditions, when good milling wheat is readily available Garnet is not selling. A Canadian Wheat Board representative indicated that if present resistence of buying continued a greater spread in price between Garnet and other milling wheat would be inevitable. While nothing definite in this regard was forecast, for the immediate future it would be well for Garnet growers to switch to more acceptable crops and avoid losses at a later date.

Elevator points at which Garnet is in store, can expect little grain movement, because the shipment of Garnet to terminal elevators would cause congestion and interfere with the disposal of higher quality grain for which there is a market. The following are elevator points where a large amount of Garnet has been, or will be, delivered: Barrhead; Bonnyville, Borradaile; Boyle; Marwayne; Glendon; Sherpard; Smoky Lake; St. Paul; Thorhild; Three Hills, Wetaskiwin. There are many other points where Garnet wheat will be delivered though in lesser quantities. Surprisingly, some of these are points where a farmer has little reason to grow Garnet. Certainly, it is unwise for farmers in areas where Saunders and Thatcher can be grown to produce a variety of inferior quality.

## Eating Situation Today Is National Tragedy

Eating more calories than needed, says Dr. Charles Glen King in the current issue of Health magazine, plays a dominant role in all of the top-ranking 'killer diseases'. It is a national tragedy, Dr. King states, "to let the present eating situation continue, when the corrective measure -- simply good food but less total food — is so simple to learn and advantageous to apply."

Dr. King notes that the death rate among overweight persons has been shown statistically to increase two to three times faster than the increase in body weight. He notes further that our deaths among those over 45 years of age occur at a higher rate than they do in most of the European countries.

Calories, says Dr. King, give a man a false sense of security in that they make him feel well-fed though he may be starving himself nutritionally. A shortage of nutrients or an excess of calories at a critical period of development may do irreversible damage very quickly, although the damage may not manifest itself until much later when it is too late to do anything about it. Laboratory experiments on growing animals have shown that short term nutrient deficiencies in diet might not produce concrete evidence of degenerative damage until after the deficiencies were corrected and the animals put back on a proper diet.

"To be well-nourished is a lifetime job", states Dr. King. The complacent man who says "I'll eat as I like while I still have my health, and start worrying only when I start to lose it", may be doing himself harm no amount of medical treatment can undo later on.

Dr King's article is entitled — "Food for Your Later Years" The magazine is published bi-monthly by the Health League of Canada.

By Your District Agriculturist

## "GREEN ACRES"

HYBRID SEED
